-- Only comScore Provides the Official Global Movie Results --

LOS ANGELES, June 4, 2017 /PRNewswire/ -- comScore today announced the official worldwide weekend box office estimates for the weekend of June 4, 2017, as compiled by the company's theatrical measurement services.

As the trusted official standard for real-time worldwide box office reporting, comScore provides the only theater-level reporting in the world. Customers are able to analyze admissions and gross results around the world using comScore's suite of products.

comScore's Senior Media Analyst Paul Dergarabedian commented, "Using her super powers to create powerful box office numbers around the world, Warner Bros.' 'Wonder Woman' enjoys a fantastic \$223 million global debut that was bigger than even the most generous projections and puts the DC Comics brand on a newly reinvigorated path to critical and box office success. Notably, Disney's 'Pirates of the Caribbean: Dead Men Tell No Tales' crosses the \$500 million mark worldwide this weekend while Universal's 'The Fate of the Furious' is on track to raise its international total to \$1.004 Billion."
