Item 1.01 Entry into a Material Definitive Agreement

Series B Convertible Preferred Stock Purchase Agreements

On January 7, 2021, comScore, Inc. (the “**Company**”) entered into separate Series B Convertible Preferred Stock Purchase Agreements (individually, a “**Purchase Agreement**” and collectively, the “**Purchase Agreements**”) with each of Charter Communications Holding Company, LLC, a Delaware limited liability company (“**Charter**”), Qurate Retail, Inc., a Delaware corporation (“**Qurate**”), and Pine Investor, LLC, a Delaware limited liability company wholly owned by funds advised by Cerberus Capital Management, L.P. (“**Pine**” and together with Charter and Qurate, referred to herein collectively, as the “**Purchasers**” and individually, as a “**Purchaser**”), pursuant to which, among other things, at the closing of the transactions contemplated thereby (the “**Closing**”), and on the terms and subject to the conditions set forth therein, the Company will issue and sell (a) to Charter, 27,509,203 shares of Series B Convertible Preferred Stock, par value \$0.001 per share, of the Company (“**Series B Preferred Stock**”) in exchange for \$68,000,000, (b) to Qurate, 27,509,203 shares of Series B Preferred Stock in exchange for \$68,000,000 and (c) to Pine, 27,509,203 shares of Series B Preferred Stock in exchange for \$68,000,000 (collectively, the “**Aggregate Purchase Price**”), which Aggregate Purchase Price is subject to further adjustment for dilution in accordance with the terms of the Purchase Agreements (collectively, the “**Transactions**”). The proceeds of the Transactions will be used to pay off certain outstanding indebtedness of the Company, including the outstanding indebtedness under the Company Notes (as defined below).

The board of directors of the Company (the “**Board**”) has (a) determined that it is in the best interests of the Company and its stockholders (the “**Company Stockholders**”) that the Company enter into the Purchase Agreements and the other Transaction Documents and consummate the Transactions and the other transactions contemplated thereby on the terms and subject to the conditions set forth therein, (b) approved and declared advisable the Purchase Agreements, the other Transaction Documents, the Transactions and the other transactions contemplated thereby on the terms and subject to the conditions set forth therein, (c) resolved to recommend that the Company Stockholders approve the Transactions and adopt the Certificate of Amendment (as defined below) and (d) directed that the Transactions and the Certificate of Amendment be submitted to the Company Stockholders for approval.

Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to them in the Purchase Agreements.

Conditions to the Closing

The Closing is subject to various customary mutual closing conditions, including, among others, (a) approval of the Transactions by the affirmative vote of the majority of shares of common stock, par value \$0.001 per share of the Company (“**Common Stock**”) present or represented by proxy at a special meeting of the Company Stockholders (the “**Company Stockholders Meeting**”) and entitled to vote on such matter and the adoption of the Certificate of Amendment by the affirmative vote of the majority of shares of Common Stock outstanding and entitled to vote on such matter (collectively, “**Requisite Stockholder Approvals**”), (b) the expiration or termination of any applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended and (c) the absence of legal restraints. The obligations of the Purchasers, on the one hand, and the Company, on the other hand, to consummate the Closing are further subject to the satisfaction by the Company and the other Purchasers, respectively, of additional conditions to Closing, including, among others, the accuracy of representations and warranties subject to negotiated qualifiers, the performance of covenants in all material respects, the delivery of customary closing deliverables, with respect to the Purchasers, the reservation and approval for listing on NASDAQ of the shares of Common Stock underlying the Series B Preferred Stock, the contemporaneous consummation of the transactions by each of the Purchasers, the entry into, or continued effectiveness of, certain commercial agreements, the delivery of payoff letters evidencing the payoff of certain outstanding indebtedness, the absence of a Company Material Adverse Effect, and with respect to the Company, the delivery of the Aggregate Purchase Price.

No Solicitation

From and after the date of signing of the Purchase Agreements until the earlier to occur of the termination of the Purchase Agreements pursuant to the terms thereof and the Closing, the Company and its Subsidiaries have agreed not to, and have agreed to cause their respective directors, officers and employees and instruct their other Representatives to not, directly or indirectly, subject to certain exceptions and as more specifically set forth in the Purchase Agreements (the “**no solicitation obligations**”): (a) solicit, initiate or propose the making, submission or announcement of, or knowingly encourage, induce, facilitate or assist, an Acquisition Proposal or any inquiries or the making of any proposal that would reasonably be expected to lead to an Acquisition Proposal; (b) furnish to any person (other than the Purchasers (with respect to the Transactions) or their respective Representatives) any non-public information relating to the Company or any of its Subsidiaries or afford to any person access to the business, properties,

assets, books, records or other non-public information, or to any personnel, of the Company or any of its Subsidiaries, in any such case to knowingly encourage, facilitate or assist, an Acquisition Proposal or any inquiries or the making of any proposal that would reasonably be expected to lead to an Acquisition Proposal; (c) participate, continue or engage in discussions or negotiations with any person with respect to an Acquisition Proposal (other than informing such persons of certain provisions in the Purchase Agreements that relate to the no solicitation obligations or contacting such person making any unsolicited Acquisition Proposal to clarify the terms and conditions thereof); (d) approve, endorse or recommend an Acquisition Proposal; or (e) enter into any letter of intent, memorandum of understanding, merger agreement, acquisition agreement or other contract relating to an Acquisition Transaction, other than an acceptable confidentiality agreement meeting certain requirements. The Company has further agreed to (i) cease, and cause to be terminated, any discussions or negotiations with any person and its Affiliates and their respective Representatives that would be prohibited by the no solicitation obligations and (ii) terminate all physical and electronic data room access previously granted to any such person, its Affiliates and their respective Representatives.

Notwithstanding this limitation, the Company may, under certain circumstances, participate or engage in discussions or negotiations with, furnish information or afford access to third parties with respect to an Acquisition Proposal that the Board (or committee thereof) has determined in good faith (after consultation with its financial advisor and outside legal counsel) either constitutes a Superior Proposal or is reasonably likely to lead to a Superior Proposal and that failure to take such action would be inconsistent with its fiduciary duties under applicable Law.

The Board may effect a Company Board Recommendation Change in response to (a) an Intervening Event or (b) a bona fide, unsolicited Acquisition Proposal that the Board has determined in good faith (after consultation with its financial advisor and outside legal counsel) constitutes a Superior Proposal, in each case, if, after providing certain “match” rights with respect thereto, the Board (or a committee thereof) determines in good faith (after consultation with its financial advisor and outside legal counsel) that the failure to do so would be inconsistent with its fiduciary duties pursuant to applicable Law.

Termination Rights

The Purchase Agreements contain certain termination rights for the Company and each of the Purchasers, including, among other things: (a) by mutual written agreement of any Purchaser and the Company; (b) by any Purchaser or the Company in the event of a permanent legal restraint; (c) by any Purchaser or the Company if the Closing has not occurred by the Termination Date; (d) by any Purchaser or the Company if the Company fails to obtain the Requisite Stockholder Approvals at the Company Stockholder Meeting; (e) by a Purchaser, if the Company has breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements contained in the applicable Purchase Agreement, which breach or failure to perform would result in a failure of a closing condition, subject to cure rights; (f) by a Purchaser, if at any time the Board has effected a Company Board Recommendation Change; (g) by the Company if a Purchaser has breached or failed to perform in any material respect any of its respective representations, warranties, covenants or other agreements contained in the applicable Purchase Agreement, which breach or failure to perform would result in a failure of a closing condition, subject to cure rights; and (h) by any Purchaser or the Company if any of the other Purchase Agreements are terminated, in each case, on the terms and subject to the conditions as more particularly set forth therein.

The Company will be required to pay each Purchaser a termination fee equal to \$1,800,000 (for an aggregate of \$5,400,000) if the Purchase Agreements are terminated: (a) as a result of the Closing not having occurred by July 1, 2021, failure to obtain Requisite Stockholder Approvals, or a Company material breach and, in each case, (i) the Company has received a proposal for an alternative transaction or such a proposal is made public and (ii) the Company within 12 months thereafter either enters into a definitive agreement for an alternative transaction (which is subsequently consummated) or consummates an acquisition transaction; or (b) as a result of a Company Board Recommendation Change. The Company will be required to reimburse each Purchaser for an amount not to exceed \$500,000 for each Purchaser’s reasonable, documented out-of-pocket expenses if the Purchase Agreements are terminated as a result of failure to obtain the Requisite Stockholder Approvals.

Other Terms of the Purchase Agreements

The Purchase Agreements contain customary representations and warranties from the Purchasers and the Company, and each party has agreed to covenants, including, among others, covenants relating to (a) the conduct of the Company’s business during the interim period between the execution of the Purchase Agreements and the Closing; (b) the use of reasonable best efforts to complete the Transactions; (c) the preparation of the proxy statement and related Company Stockholders Meeting; (d) the specific obligation of Pine to obtain required equity financing;

(e) access rights; and (f) the composition of the Board immediately after the Closing. In addition, each of the Purchasers and the Company has agreed to mutually indemnify each other for certain losses, subject to negotiated limitations.

The foregoing summary of the Purchase Agreements and the transactions contemplated by the Purchase Agreements does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Purchase Agreement with each of Charter, Qurate and Pine, which are filed as Exhibits 10.1, 10.2 and 10.3, respectively, to this Form 8-K and incorporated herein by reference.

Stockholders Agreement

At the Closing, the Company and the Purchasers will enter into a Stockholders Agreement (the “**SHA**”), pursuant to which, among other things, immediately following the Closing, the Company is obligated to take all necessary action to ensure that the Board and certain committees thereof consist of the individuals set forth therein, including the applicable designees of each Purchaser, in each case, as more particularly set forth in the SHA. At the Closing, the Board will consist of 10 total directors: two designees of each Purchaser, the chief executive officer of the Company and three individuals who are currently directors of the Company.

Under the SHA, the Company is obligated take all necessary action (to the extent not prohibited by law) to cause the Board to nominate for election that number of individuals designated by a Purchaser that, if elected, would result in two designees of such Purchaser serving on the Board until the earlier of such time as such Purchaser (a) beneficially owns a number of shares of Series B Preferred Stock representing less than 50% of the number of shares of Series B Preferred Stock held by such Purchaser as of the Closing Date after giving effect to the Transactions (“**Initial Preferred Stock Ownership**”) as a result of such Purchaser’s Transfer (as defined in the SHA) of such shares to any of the other Purchasers or (b) beneficially owns Voting Stock (as defined in the SHA) representing less than 10% of the outstanding shares of Common Stock (on an as-converted basis), after which time such Purchaser’s designation rights will be reduced to one designee until such time as such Purchaser beneficially owns Voting Stock representing less than 5% of the outstanding shares of Common Stock (on an as-converted basis), after which time such Purchaser will no longer have any rights to designate a nominee to serve on the Board thereunder.

Pursuant to the SHA, if one of the Purchasers (the “**Buying Stockholder**”) acquires from one of the other Purchasers (the “**Selling Stockholder**”) a number of shares of Series B Preferred Stock equal to (a) at least 50% (but less than 100%) or (b) 100% of the shares that the Selling Stockholder owned immediately prior to the Closing in accordance with the terms of the SHA, the Selling Stockholder will be obligated to cause one (in the case of clause (a)) or two (in the case of clause (b)) of its designated directors to resign, and the Company will be obligated take all necessary action (to the extent not prohibited by applicable law) to cause the Board to appoint one or two, respectively, additional person (s) designated by the Buying Stockholder to fill such vacancy or vacancies, as applicable. If a Buying Stockholder acquires a number of shares of Common Stock equal to 10% or more of the number of shares of outstanding Common Stock as of such time (determined on an as-converted basis) from a person (other than another Purchaser and its Permitted Transferees (as defined in the SHA)), the Company will be obligated to, among other things, take all necessary action (to the extent not prohibited by applicable law) to cause the Board to (x) increase the size of the Board as required to enable the Buying Stockholder to designate one additional person to the Board, and (y) appoint such additional person designated by the Buying Stockholder to fill such newly created vacancy, in each case, on the terms and subject to the conditions set forth in the SHA. In no event shall a single Purchaser be entitled to designate a number of directors to the Board that would constitute a majority of the Board.

Subject to compliance with applicable laws, stock exchange regulations and the Settlement, for so long as a Purchaser beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock (on an as-converted basis), the Company will take all necessary action (to the extent not prohibited by applicable law) to cause the Board to appoint (i) at least one of such Purchaser’s designees to serve on the compensation committee of the Board, (ii) at least one of such Purchaser’s designees to serve on the nominating and governance committee of the Board and (iii) at least one of such Purchaser’s designees to serve on the finance committee of the Board.

For so long as a Purchaser beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock (on an as-converted basis), such Purchaser will be entitled to appoint one observer on the Board or any committee thereof.

For so long as a Purchaser beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock (on an as-converted basis), such Purchaser will (a) covenant to the Company that it shall vote, or provide a written consent or proxy with respect to, its Voting Stock in favor of each Purchaser’s director designees and (b) vote, or provide a written consent or proxy with respect to, its Voting Stock in a neutral manner in the election of any directors nominated by the Board for election that are not designees of a Purchaser.

Pursuant to the SHA and subject to certain exceptions, each Purchaser will agree, for one year after the Closing Date, not to Transfer (as defined in the SHA) any shares of Series B Preferred Stock held by such Purchaser, including any shares of Common Stock issued or issuable upon conversion of such shares of Series B Preferred Stock. Thereafter, until the second anniversary of the Closing Date, and subject to customary exceptions, each Purchaser agrees not to Transfer or enter into a cash-settled hedge with respect to more than 50% of such Purchaser's Initial Preferred Stock Ownership, including any shares of Common Stock issued or issuable upon conversion of such Series B Preferred Stock. Each Purchaser will agree that any permitted Transfers will not be to a competitor of the Company, an activist investor or certain other restricted persons.

Pursuant to the SHA, until such time as such Purchaser beneficially owns Voting Stock representing less than 5% of the outstanding shares of Common Stock (on an as-converted basis), each Purchaser will be subject to customary standstill restrictions in accordance with which each Purchaser and its respective Affiliates will agree not to, among other things, and subject to the exceptions set forth in the SHA, (a) for a period of twelve months following the Closing Date, acquire any equity securities of the Company from any other Purchaser or any of its Affiliates, (b) acquire any equity securities of the Company such that after such acquisition such Purchaser and its Affiliates would beneficially own 45% or more of the outstanding shares of Common Stock (on an as-converted basis), (c) publicly seek or encourage any offer or proposal for a merger or similar transaction involving the Company or (d) make, or in any way participate in, directly or indirectly, any "solicitation" of "proxies" (within the meaning of Rule 14a-1 under the Exchange Act) to vote any Voting Stock of the Company or its subsidiaries, or call or seek to call a meeting of the Company Stockholders or initiate any stockholder proposal for action by the Company Stockholders or seek the removal of any director from the Board.

Pursuant to the SHA, in the event a Purchaser contemplates Transferring any shares of Series B Preferred Stock or Common Stock to another Person, the other Purchasers will each have a right of first refusal to purchase any or all of their respective pro rata portions of such shares of Series B Preferred Stock or Common Stock, subject to exceptions set forth in the SHA. Additionally, in the event the Company contemplates the sale or other disposition of any patents, Charter will have a right of first offer and a right of first refusal to acquire such patents, on the terms and subject to exceptions as more particularly set forth in the SHA.

Pursuant to the SHA, on a single occasion after January 1, 2022, upon any Purchaser's request, subject to the conditions set forth in the SHA, the Company will (a) take all actions reasonably necessary to pay a one-time dividend on the Series B Preferred Stock (the "**Special Dividend**") equal to the highest dividend that the Board determines can be paid at that time (or a lesser amount as may be unanimously agreed upon by the Purchasers), subject to the additional conditions and limitations as more particularly set forth in the SHA and (b) declare and pay such Special Dividend, which, if debt financing is required, will be paid substantially contemporaneous with, or reasonably promptly after, the consummation of such debt financing.

Pursuant to the terms of the SHA, the prior written consent of each Purchaser is required for the Company to effect or validate certain enumerated actions in the SHA for so long as such Purchaser beneficially owns Voting Stock representing at least 10% of the outstanding shares of Common Stock (on an as-converted basis).

The SHA will terminate with respect to any particular Purchaser upon the mutual agreement in writing among the Company and such Purchaser. The SHA will terminate automatically as to any particular Purchaser and certain transferees at such time as such Purchaser no longer beneficially owns at least 5% of the outstanding shares of Common Stock (on an as-converted basis) at any time.

The foregoing summary of the SHA does not purport to be complete and is subject to, and is qualified in its entirety by, the full text of the substantially final form of SHA, which is attached to each of the Purchase Agreements and incorporated herein by reference.

Registration Rights Agreement

At the Closing, the Company will enter into a Registration Rights Agreement (the "**RRA**") with the Purchasers (together with any other party that may become a party to the RRA, "**Holder**s"). Pursuant to the RRA, among other things, and on the terms and subject to certain limitations set forth therein, the Company will be obligated to use its reasonable best efforts to prepare and file within 120 days after the Closing Date a registration statement registering shares of Series B Preferred Stock or Common Stock held by any Holder, including any shares of Common Stock acquired by any Holder pursuant to the conversion of the Series B Preferred Stock in accordance with the Certificate of Designations, and any other securities issued or issuable with respect to any such shares of Common Stock or Series B Preferred Stock by way of share split, share dividend, distribution, recapitalization, merger, exchange, replacement or similar event or otherwise (the "**Registrable Securities**").

In addition, pursuant to the RRA, Holders will have the right to require the Company, subject to certain limitations set forth therein, to effect a sale of any or all of their Registrable Securities by means of an underwritten offering or an underwritten block trade or bought deal. The Company is not obligated to effect any underwritten offering or underwritten block trade or bought deal (a) subject to certain exceptions, unless the dollar amount of the Registrable Securities of Holder(s) demanding such underwritten offering or underwritten block trade or bought deal to be included therein is

anticipated to result in gross sale proceeds of at least \$25 million, (b) if three underwritten offerings or underwritten block trades or bought deals have already been launched at the request of Holder(s) within a 365-day period or (c) during the Quarterly Blackout Period (as defined in the RRA).

The RRA also provides Holders with certain customary piggyback registration rights.

These registration rights are subject to certain conditions and limitations, including the right of the underwriters to limit the number of shares to be included in a registration or offering and the Company's right to delay or withdraw a registration statement under certain circumstances.

The foregoing summary of the RRA does not purport to be complete and is subject to, and is qualified in its entirety by, the full text of the substantially final form of RRA, which is attached to each of the Purchase Agreements and incorporated herein by reference.

Certificate of Designations Designating the Series B Preferred Stock

At the Closing, the Company will file with the Secretary of State of the State of Delaware a Certificate of Designations of Series B Preferred Stock (the "**Certificate of Designations**") designating the Series B Preferred Stock and establishing the powers, designations, preferences and relative, participating, optional or other rights, and the qualifications, limitations or restrictions of the shares of Series B Preferred Stock included in such series. The Certificate of Designations will become effective upon filing.

The Series B Preferred Stock will rank senior to the shares of the Common Stock, with respect to dividend rights and rights on the distribution of assets on any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company and will rank junior to all secured and unsecured indebtedness. The Series B Preferred Stock has a liquidation preference equal to the initial purchase price, increased by accrued dividends per share. The holders of Series B Preferred Stock will be entitled to participate in all dividends declared on the Common Stock on an as-converted basis and will also be entitled to a cumulative dividend at the rate of 7.5% per annum, payable annually in arrears and subject to increase under certain specified circumstances ("**Annual Dividends**"), in each case, on the terms and subject to the conditions set forth in the Certificate of Designations. In addition, such holders are entitled to Special Dividends, on the terms and subject to the conditions more particularly set forth in the SHA.

Subject to certain anti-dilution adjustments and customary provisions related to partial dividend periods, the Series B Preferred Stock will be convertible at the option of the holders at any time into a number of shares of Common Stock equal to the Conversion Rate (as defined in the Certificate of Designations), which shall initially be 1:1; *provided* that each holder will receive cash in lieu of fractional shares (if any). At any time after the fifth anniversary of the Closing, the Company may elect to convert all of the outstanding shares of Series B Preferred Stock into shares of Common Stock if (a) the closing sale price of the Common Stock was greater than 140% of the conversion price as of such time, as may be adjusted pursuant to the Certificate of Designations, (i) for at least 20 trading days in any period of 30 consecutive trading days prior to the conversion date and (ii) on the last trading day of such 30-day period and (b) the pro rata share of an aggregate of \$100,000,000 in Annual Dividends and/or Special Dividends has been paid with respect to each share of Series B Preferred Stock that was outstanding as of the Closing Date and remains outstanding.

If the Company undergoes certain change of control transactions, (a) each holder of outstanding shares of Series B Preferred Stock will have the option to require the Company to purchase any or all of its shares of Series B Preferred Stock at a purchase price per share of Series B Preferred Stock equal to the Liquidation Preference (as defined in the Certificate of Designations) of such share of Series B Preferred Stock as of the applicable date ("**Change of Control Put**") and (b) to the extent the holder has not exercised the Change of Control Put, the Company will have the right to redeem, subject to the holder's right to convert prior to such redemption, all of such holder's shares of Series B Preferred Stock, or if a holder exercises the Change of Control Put in part, the remainder of such holder's shares of Series B Preferred Stock, at a redemption price per share equal to the Liquidation Preference as of the date of redemption.

The holders of shares of Series B Preferred Stock will have one vote per share and be entitled to vote as a single class with the holders of the Common Stock and the holders of any other class or series of equity interest of the Company then entitled to vote with the Common Stock on all matters submitted to a vote of the holders of Common Stock; *provided*, among other things, that to the extent the Series B Preferred Stock held by any Purchaser and certain transferees would, in the aggregate, represent voting rights with respect to more than 16.66% of the Common Stock (including the Series B Preferred Stock on an as-converted basis) (the "**Voting Threshold**"), such Purchaser and transferees will not be

permitted to exercise the voting rights with respect to any shares of Series B Preferred Stock held by them in excess of the Voting Threshold and the Company shall exercise the voting rights with respect to such shares of Series B Preferred Stock in excess of the Voting Threshold in a neutral manner.

The foregoing description of the Certificate of Designations does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the substantially final form of Certificate of Designations, which is attached to the Purchase Agreements and incorporated herein by reference.

Agreement with Starboard

On January 7, 2021, concurrently with the execution of the Purchase Agreements, the Company and certain funds affiliated with or managed by Starboard Value LP (collectively, the “**Note Holders**”) entered into an Agreement (the “**Starboard Agreement**”) providing for, among other things, a cash payment on the Closing Date of \$204,000,000 plus the amount of any accrued and unpaid interest on the Company Notes (as defined below) as of Closing (including any Company Notes (as defined below) converted by the Note Holders prior to Closing), which will satisfy the outstanding indebtedness under the senior secured convertible notes due January 16, 2022 issued by the Company to the Note Holders (the “**Company Notes**”). The Company will be permitted to pay the amount of any accrued and unpaid interest on the Company Notes in shares of Common Stock in accordance with the terms of the Company Notes.

Prior to the Closing Date, the Note Holders will be permitted to exercise their conversion rights under the Company Notes; provided that the Note Holders may not convert any of the outstanding and unpaid Conversion Amount (as defined in the Company Notes) into more than 3,150,000 shares of Common Stock (such shares to be received by the Note Holders in connection with the conversion, the “**Conversion Shares**”).

The Starboard Agreement includes, among other things, certain transfer restrictions applicable to the shares of Common Stock beneficially owned by the Note Holders as of the Closing Date, including any Conversion Shares (the “**Closing Shares**”), and a 12-month standstill applicable to the Note Holders. Each Note Holder further agrees to vote all shares of Common Stock beneficially owned by the Note Holder, if any (a) at the Company Stockholders meeting, in favor of the Transactions and (b) at the 2021 annual stockholders meeting and each other annual or special meeting of stockholders of the Company that occurs from the Closing Date until the end of the standstill period, (i) in favor of all directors nominated by the Board for election, (ii) in favor of the ratification of the appointment of the Company’s registered public accounting firm for the fiscal year ended December 31, 2021, (or 2022, as applicable) (iii) in accordance with the Board’s recommendation with respect to the Company’s “say-on-pay” proposal and (iv) in accordance with the Board’s recommendation with respect to any other Company proposal or stockholder proposal or nomination presented at the 2021 annual stockholders meeting; *provided, however*, that in the event Institutional Shareholder Services Inc. or Glass Lewis & Co., LLC recommends otherwise with respect to the Company’s “say-on-pay” proposal or any other Company proposal or stockholder proposal presented at such meeting (other than proposals relating to the election of directors), such Note Holder will be permitted to vote in accordance with the Institutional Shareholder Services Inc. or Glass Lewis & Co., LLC recommendation.

The foregoing summary of the Starboard Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Starboard Agreement, which is filed as Exhibit 10.4 to this Form 8-K and incorporated herein by reference.

Item 3.02. Unregistered Sales of Equity Securities.

The disclosure set forth above in Item 1.01 of this Current Report on Form 8-K is incorporated by reference herein. The securities of the Company that will be issued as part of the Transactions will not initially be registered under the Securities Act in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act.

Item 3.03. Material Modification to Rights of Security Holders.

The disclosure set forth above in Item 1.01 of this Current Report on Form 8-K is incorporated by reference herein.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The disclosure set forth above in Item 1.01 of this Current Report on Form 8-K is incorporated by reference herein.

In connection with the Transactions contemplated under the Purchase Agreements, the Company has approved an award of \$1,000,000 to Bill Livek, the Company’s Chief Executive Officer and Executive Vice Chairman, in recognition of Mr. Livek’s efforts to lead the Company to achieve successful completion of the Transactions, and in satisfaction of the Refinance Bonus commitment under that certain letter agreement between Mr. Livek and the Company, dated November 4, 2019 (the

“**Letter Agreement**”), which award is contingent upon the successful completion of the Transactions. Subject to equitable adjustment in a manner similar to that contemplated under the Purchase Agreements, this \$1,000,000 Refinance Bonus shall be paid to Mr. Livek in the form of a restricted stock unit (“**RSU**”) award issued upon the Closing (or as soon thereafter as administratively practicable) under and subject to the Company’s 2018 Equity and Incentive Compensation Plan (the “**Plan**”) (including the adjustment provisions thereunder), with the number of shares of Common Stock subject to such RSU award being determined by dividing \$1,000,000 by the “Share Price,” as such term is defined in the Purchase Agreement (the “**Refinance RSU Award**”). Mr. Livek’s Refinance RSU Award will become vested on December 31, 2021, subject to Mr. Livek’s continuous employment with the Company or one of its affiliates through such date; provided, that upon certain qualifying terminations of employment, Mr. Livek will become 100% vested in his Refinance RSU Award. Mr. Livek will be required to hold the net shares of Common Stock delivered to him under the Refinance RSU Award following vesting (the “**Net Shares**”) over the three-year period following the Closing, with one-third of such Net Shares being released from such hold on each anniversary of the Closing; provided that upon a qualifying termination of employment, all holding requirements will terminate, and provided further that the holding requirements shall not apply to certain transfers for estate-planning purposes allowed under the Plan. Notwithstanding the foregoing, in the event that Mr. Livek’s employment is terminated by the Company without “Cause” or by Mr. Livek for “Good Reason” (each term, as defined in the Letter Agreement) within the 90-day period preceding the Closing, Mr. Livek will remain eligible to receive the Refinance Bonus set forth in the Letter Agreement in lieu of the Refinance RSU Award.

The Company also approved the grant of certain compensatory awards, which will be subject to and effective upon the Closing, for the executive officers listed below (the “**Executives**”). These awards are expected to be granted in the form of RSUs under the Plan and are intended both to reward the Executives for their efforts in contributing to a successful completion of the Closing and to ensure the retention and continued focus of the Executives following the Closing. The Company is duly qualified to do business and is in good standing in each jurisdiction where the character of its properties owned or leased or the nature of its activities make such qualification necessary (with respect to jurisdictions that recognize the concept of good standing), except where the failure to be so qualified or in good standing has not had, and would not reasonably be expected to have, a Company Material Adverse Effect. The Company has made available to the Purchaser true, correct and complete copies of the Amended and Restated Certificate of Incorporation (the “**Charter**”) and the Amended and Restated Bylaws of the Company (the “**Bylaws**”), each as amended to date. 3.9 *Company SEC Reports*. Since January 1, 2018 and through the date of this Agreement, the Company has filed or furnished all forms, reports and documents with the SEC that have been required to be filed or furnished by it pursuant to applicable Laws prior to the date of this Agreement (the “**Company SEC Reports**”). or disposition of the Company's properties or assets, in each case that could have a material effect on the Company's financial statements. The Company's management has completed an assessment of the effectiveness of the Company's internal control over financial reporting in compliance with the requirements of Section 404 of the Sarbanes-Oxley Act as of December 31, 2019, and such assessment concluded that the Company's internal control over financial reporting was effective in providing reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements in accordance with GAAP as of such date.

(c) *Internal Controls.* The Company has established and maintains a system of internal accounting controls that are effective in providing reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements in accordance with GAAP. Neither the Company nor, to the Knowledge of the Company, the Company's independent registered public accounting firm, has identified or been made aware of: (i) any significant deficiency or material weakness in the system of internal control over financial reporting used by the Company and its Subsidiaries that has not been subsequently remediated; or (ii) any fraud that involves the Company's management or other employees who have a role in the preparation of financial statements or the internal control over financial reporting utilized by the Company and its Subsidiaries. Since January 1, 2019, neither the Company nor any of its Subsidiaries nor, to the Company's Knowledge, any director, officer, employee, auditor, accountant or representative of the Company or any of its Subsidiaries has received any written complaint, allegation, assertion, or claim (or otherwise has been informed) that the Company or any of its Subsidiaries has engaged in improper or illegal accounting or auditing practices or maintains improper or inadequate internal accounting controls.

The Company and each of its Subsidiaries, and, to the Knowledge of the Company, any other party thereto, has performed all obligations required to be performed by it under each Material Contract, except where the failure to fully perform has not had, and would not reasonably be expected to have, a Company Material Adverse Effect. No event has occurred that, whether or not with notice or lapse of time or both, would constitute such a breach, default, acceleration of rights or an event of termination pursuant to any Material Contract by the Company or any of its Subsidiaries, or, to the Knowledge of the Company, any other party thereto, except for such breaches, defaults, acceleration or termination that have not had, and would not reasonably be expected to have, a Company Material Adverse Effect. Except as has not had, and would not reasonably be expected to have, a Company Material Adverse Effect, neither the Company nor any of its Subsidiaries has incurred or could reasonably be expected to incur any penalty or Tax (whether or not assessed) under Sections 4980B, 4980D or 4980H of the Code.

The Company, on behalf of itself and its Affiliates, acknowledges and agrees that, except for the representations and warranties expressly set forth in Article IV or in any certificate delivered by the Purchaser pursuant to this Agreement (and without limiting any representation or warranty in any other Transaction Documents), it is not acting by entering into this Agreement or consummating the Transaction, in reliance on:

(i) any other representation or warranty, express or implied;

(ii) any estimate, projection, prediction, data, financial information, memorandum, presentation or other materials or information provided or addressed to the Company or any of its Affiliates or Representatives; or

(iii) the accuracy or completeness of any other representation, warranty, estimate, projection, prediction, data, financial information, memorandum, presentation or other materials or information.

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser hereby represents and warrants to the Company as follows:

4.1 *Organization; Good Standing*. The Purchaser is duly organized, validly existing and in good standing pursuant to the Laws of its jurisdiction of organization. The Purchaser has the requisite power and authority to conduct its business as it is presently being conducted and to own, lease or operate its material properties, rights and assets, except where the failure to have such power or authority, individually or in the aggregate, would not, individually or in the aggregate, prevent or materially delay the consummation of the Transactions or the other transactions contemplated by this Agreement or the ability of such Purchaser to fully perform its covenants and obligations pursuant to this Agreement. The Purchaser is not in violation of its Organizational Documents.

4.2 *Corporate Power; Enforceability*. The Purchaser has the requisite corporate power and authority to: (a) execute and deliver this Agreement and the other applicable Transaction Documents; (b) perform its covenants and obligations hereunder and thereunder; and (c) consummate the Transactions and the other transactions contemplated by this Agreement and the other applicable Transaction Documents. The execution and delivery of this Agreement and the other applicable Transaction Documents by the Purchaser, the performance by the Purchaser of its covenants and obligations hereunder and the consummation of the Transactions and the transactions contemplated by this Agreement and the other applicable Transaction Documents have been duly authorized by all necessary action on the part of the Purchaser and no additional action on the part of the Purchaser is necessary. This Agreement and each other applicable Transaction Documents have been duly executed and delivered by the Purchaser and, assuming the due authorization, execution and delivery by the Company, constitute legal, valid and binding obligations of the Purchaser, enforceable against the Purchaser in accordance with their terms, except as such enforceability (A) may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar Laws affecting or relating to creditors' rights generally; and (B) is subject to general principles of equity.

4.3 *Non-Contravention*. The execution and delivery of this Agreement by the Purchaser, the performance by the Purchaser of its covenants and obligations hereunder, and the consummation of the Transactions and the other transactions contemplated by this Agreement and the other applicable Transaction Documents do not: (a) violate or conflict with any provision of the Organizational Documents of the Purchaser; (b) violate, conflict with, result in the breach of, constitute a default (or an event that, with notice or lapse of time or both, would become a default) pursuant to, or result in the termination of, or accelerate the performance required by, or result in a right of termination or acceleration pursuant to any of the terms, conditions or provisions of any material note, bond, mortgage, indenture, lease, license, contract, agreement or other instrument or obligation to which the Purchaser is a party or by which the Purchaser or any of its properties or assets may be bound; (c) assuming the consents, approvals and authorizations referred to in Section 4.4 have been obtained, violate or conflict with any Law or order applicable to the Purchaser or by which any of its properties or assets are bound; or (d) result in the creation of any Lien (other than Permitted Liens) upon any of the properties or assets of the Purchaser, except in the case of each of clauses (b), (c) and (d) for such violations, conflicts, breaches, defaults, terminations, accelerations or Liens that would not, individually or in the aggregate, prevent or materially delay the consummation of the Transactions or the other transactions contemplated by this Agreement or the ability of the Purchaser to fully perform its covenants and obligations pursuant to this Agreement.

4.4 *Requisite Governmental Approvals*. No Governmental Authorization is required on the part of the Purchaser in connection with: (a) the execution and delivery of this Agreement by the Purchaser; (b) the performance by the Purchaser of its covenants and obligations pursuant to this Agreement; or (c) the consummation of the Transactions and the other transactions contemplated by this Agreement, except (i) such filings and approvals as may be required by any federal or state securities Laws, including compliance with any applicable requirements of the Exchange Act; (ii) compliance with any applicable requirements of the HSR Act and any applicable foreign Antitrust Laws; and (iii) such other Governmental Authorizations the failure of which to obtain would not, individually or in the aggregate, prevent or materially delay the consummation of the Transactions or the other transactions contemplated by this Agreement or the ability of the Purchaser to fully perform its covenants and obligations pursuant to this Agreement.

4.5 *CFIUS*. The Purchaser is not considered a “foreign person,” as that term is defined in 31 C.F.R. § 800.224.

4.6 *Legal Proceedings; Orders*.

(a) *No Legal Proceedings*. There are no Legal Proceedings pending or, to the knowledge of the Purchaser, threatened against the Purchaser that would, individually or in the aggregate, prevent or materially delay the consummation of the Transactions or the other transactions contemplated by this Agreement or the ability of the Purchaser to fully perform its covenants and obligations pursuant to this Agreement.

(b) *No Orders*. The Purchaser is not subject to any order of any kind or nature that would prevent or materially delay the consummation of the Transactions or the other transactions contemplated by this Agreement or the ability any Purchaser to fully perform their respective covenants and obligations pursuant to this Agreement.

4.7 *Ownership of Company Common Stock.* Neither the Purchaser nor any of its “affiliates” or “associates” is or, during the three years prior to the date of this Agreement, has been an “interested stockholder” (in each case, as such quoted terms are defined under Section 203 of the DGCL) of the Company. Neither the Purchaser nor any of its “affiliates” or “associates” (as those terms are defined in Section 203 of the DGCL) beneficially owns, directly or indirectly, any shares of Company Common Stock or any other security convertible into, exchangeable for or exercisable for shares of Company Common Stock.

4.8 *Brokers.* There is no financial advisor, investment banker, broker, finder, agent or other Person that has been retained by or is authorized to act on behalf of the Purchaser or any of its Affiliates that will be entitled to any financial advisor’s, investment banking, brokerage, finder’s or other fee or commission from the Company or its Subsidiaries in connection with the Transaction.

4.9 *Sufficient Funds.* The Purchaser will have at the Closing sufficient funds to enable the Purchaser to pay in full at the Closing the entire amount of the Purchase Price payable by the Purchaser hereunder in immediately available cash funds.

4.10 *Unregistered Securities.*

(a) *Investor Status; Sophisticated Purchaser.* The Purchaser is an “accredited investor” within the meaning of Section 4(a)(2) of the Securities Act and is able to bear the risk of its investment in the Purchased Shares. The Purchaser has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of the purchase of the Purchased Shares.

(b) *Information.* The Purchaser and its Representatives have been furnished with (i) materials relating to the business, finances and operations of the Company, (ii) materials relating to the offer and sale of the Purchased Shares and (iii) materials relating to the Transaction, in each case, that have been requested by the Purchaser. The Purchaser and its Representatives have been afforded the opportunity to ask questions of the Company. Neither such inquiries nor any other due diligence investigations conducted at any time by the Purchaser and its Representatives shall modify, amend or affect the Purchaser’s right (i) to rely on the Company’s representations and warranties contained in Article III above or (ii) to indemnification or any other remedy based on, or with respect to the accuracy or inaccuracy of, or compliance with, the representations, warranties, covenants and agreements in this Agreement. The Purchaser understands that its purchase of the Purchased Shares involves a high degree of risk. The Purchaser has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Purchased Shares.

(c) *Legends.* The Purchaser understands that any certificate or book-entry position evidencing Purchased Shares will bear the restrictive legend set forth in the Certificate of Designation.

(d) *Purchase Representations.* The Purchaser is purchasing the Purchased Shares for its own account, the account of its Affiliates, or the accounts of clients for whom the Purchaser exercises discretionary investment authority (all of whom the Purchaser hereby represents and warrants are “accredited investors” within the meaning of Section 4(a)(2) of the Securities Act), not as a nominee or agent, and not with a view to distribution in violation of any securities Laws. The Purchaser has been advised and understands that the Purchased Shares have not been registered under the Securities Act or under the “blue sky” laws of any jurisdiction and may be resold only if registered pursuant to the provisions of the Securities Act (or if eligible, pursuant to the provisions of Rule 144 promulgated under the Securities Act or pursuant to another available exemption from the registration requirements of the Securities Act). The Purchaser has been advised and understands that the Company, in issuing the Purchased Shares, is relying upon, among other things, the representations and warranties of the Purchaser contained in this Article IV in concluding that such issuance is a “private offering” and is exempt from the registration provisions of the Securities Act.

(e) *Rule 144.* The Purchaser understands that there is no public trading market for the Purchased Shares, that none is expected to develop and that the Purchased Shares must be held indefinitely unless and until the Purchased Shares are registered under the Securities Act or an exemption from registration is available. The Purchaser has been advised of and is knowledgeable with respect to the provisions of Rule 144 promulgated under the Securities Act.

(f) *Reliance by the Company.* The Purchaser understands that the Purchased Shares are being offered and sold in reliance on a transactional exemption from the registration requirements of federal and state securities Laws and that the Company is relying upon the truth and accuracy of the representations, warranties, agreements, acknowledgments and understandings of the Purchaser set forth herein in order to determine the applicability of such exemptions and the suitability of the Purchaser to acquire the Purchased Shares.

4.11 *Stockholder and Management Arrangements.* Except for the Transaction Documents or as previously disclosed to the Company in writing, neither the Purchaser nor any of its Affiliates is a party to any Contract, or has authorized, made or entered into, or committed or agreed to enter into, any formal or informal arrangements or other understandings (whether or not binding) with any stockholder, director, officer, employee or other Affiliate of the Company or any of its Subsidiaries: (a) relating to this Agreement or the Transaction, (b) pursuant to which any holder of Company Common Stock has agreed to approve this Agreement or vote against any Superior Proposal, or (c) pursuant to which any Person has agreed to provide, directly or indirectly, an equity investment to the Purchaser or the Company to finance any portion of the Transaction.

4.12 *Exclusivity of Representations and Warranties.*

(a) *No Other Representations and Warranties.* The Purchaser, on behalf of itself and its Affiliates, acknowledges and agrees that, except for the representations and warranties expressly set forth in Article III (as modified by the Company Disclosure Letter), in any other Transaction Document or in any certificate delivered pursuant to this Agreement:

(i) neither the Company nor any of its Subsidiaries (or any other Person) makes, or has made, any representation or warranty relating to the Company, its Subsidiaries or any of their businesses, operations or otherwise in connection with this Agreement or the Transaction;

(ii) no Person has been authorized by the Company, any of its Subsidiaries or any of its or their respective Representatives to make any representation or warranty relating to the Company, its Subsidiaries or any of their businesses or operations or otherwise in connection with this Agreement or the Transaction, and if made, such representation or warranty must not be relied upon by the Purchaser or any of its Representatives as having been authorized by the Company, any of its Subsidiaries or any of its or their respective Representatives (or any other Person); and

(iii) the representations and warranties made by the Company in this Agreement are in lieu of and are exclusive of all other representations and warranties in connection with this Agreement or the Transaction, including any express or implied or as to merchantability or fitness for a particular purpose, and the Company hereby disclaims any other such express or implied representations or warranties, notwithstanding the delivery or disclosure to the Purchaser or any of its Representatives of any documentation or other information (including any financial information, supplemental data, financial projections or other forward-looking statements).

(b) *No Reliance*. The Purchaser, on behalf of itself and its Affiliates, acknowledges and agrees that, except for the representations and warranties expressly set forth in Article III (as modified by the Company Disclosure Letter), in any other Transaction Document or in any certificate delivered by the Company pursuant to this Agreement, it is not acting by entering into this Agreement or consummating the Transaction, in reliance on:

(i) any other representation or warranty, express or implied;

(ii) any estimate, projection, prediction, data, financial information, memorandum, presentation or other materials or information provided or addressed to the Purchaser or any of its Affiliates or Representatives, including any materials or information made available in the electronic data room hosted by or on behalf of the Company in connection with the Transaction, in connection with presentations by the Company's management or in any other forum or setting; or

(iii) the accuracy or completeness of any other representation, warranty, estimate, projection, prediction, data, financial information, memorandum, presentation or other materials or information.

ARTICLE V INTERIM OPERATIONS OF THE COMPANY

5.1 *Affirmative Obligations*. Except (a) as expressly contemplated by this Agreement, (b) as set forth in Section 5.1 or Section 5.2 of the Company Disclosure Letter, (c) as required by applicable Law or Data Security Requirements, or (d) as approved in advance in writing by the Purchaser (which approval will not be unreasonably withheld, conditioned or delayed), during the period from the execution and delivery of this Agreement until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will, and will cause each of its Subsidiaries to, (i) conduct its business in all material respects in the ordinary course of business, and (ii) use reasonable best efforts to preserve intact in all material respects its current business organization, ongoing businesses and significant relationships with third parties.

5.2 Forbearance Covenants. Except (a) as expressly contemplated by this Agreement, (b) as set forth in [Section 5.1](#) or [Section 5.2](#) of the Company Disclosure Letter, (c) as required by applicable Law, or (d) as approved in advance in writing by the Purchaser (which approval will not be unreasonably withheld, conditioned or delayed), during the period from the execution and delivery of this Agreement until the earlier to occur of the termination of this Agreement pursuant to [Article IX](#) and the Closing, the Company will not, and will not permit any of its Subsidiaries to, directly or indirectly:

(a) take any action set forth in Section 4.1 of the Stockholders Agreement;

(b) acquire or agree to acquire, directly or indirectly, by purchase, merger, consolidation or otherwise, equity or assets constituting all or substantially all of the business of (or any division of the business of) another Person;

(c) sell, assign, transfer, license, sublicense, abandon, permit to lapse, grant a covenant not to sue, or otherwise dispose of any material Intellectual Property (other than non-exclusive licenses or sublicenses granted in the ordinary course of business);

(d) (i) authorize for issuance, issue, deliver, sell or transfer or agree or commit to issue, deliver, sell or transfer any shares of capital stock of or other equity interest or convertible security in the Company or any of its Subsidiaries or other rights of any kind to acquire, any shares of capital stock of or any other equity interest in the Company or any of its Subsidiaries, other than (x) the issuance of capital stock or other equity interests pursuant to any Employee Plan or (y) the issuance of capital stock or other equity interests from any wholly owned Subsidiary to the Company or any other wholly owned Subsidiary of the Company, (ii) amend or modify any term or provision of any of the Company's outstanding equity securities or (iii) accelerate or waive any restrictions pertaining to the vesting of any Company equity-based awards or warrants or other rights of any kind to acquire any shares of capital stock or other equity interests in the Company;

(e) propose or commit to reclassify, combine, split or subdivide any capital stock of the Company or issue or authorize the issuance of any other securities in respect of, in lieu of, or in substitution for, shares of capital stock of the Company or any of its Subsidiaries, except for, with respect to any Subsidiary of the Company, any intercompany restructuring, recapitalization or similar transaction that will not have a Company Material Adverse Effect;

(f) enter into, amend or terminate any Contract with Starboard Value LP or any of its Affiliates;

(g) except as required under applicable Law or the terms of any Employee Plan existing as of the date of this Agreement, (i) increase the compensation or benefits payable to any current or former director or executive officer of the Company or any employee of the Company whose annual base salary is at least \$300,000 (in each case, other than annual merit increases in the ordinary course of business) or (ii) enter into any new, or amend any existing, employment, severance, change in control, retention, bonus guarantee, or collective bargaining agreement or similar agreement or arrangement;

(h) (i) make any loans, advances or capital contributions to, or investments in, any other Person, other than investments by the Company or a wholly owned Subsidiary of the Company to a wholly owned Subsidiary of the Company or the Company or advances of expenses to any director, officer, employee or agent of the Company in connection with advancement obligations in effect on the date of this Agreement, (ii) incur, assume or modify any material indebtedness or (iii) assume, guarantee, endorse, grant a lien (other than a Permitted Lien) on any of the Company's assets as security or otherwise become liable for indebtedness of another Person (excluding the Company or any of its Subsidiaries); or

(i) agree, resolve, authorize or commit to take any action prohibited by this Section 5.2.

5.3 No Solicitation.

(a) *No Solicitation or Negotiation.* Subject to the terms of Section 5.3(b), Section 5.3(d) and Section 5.3(f), from the date hereof until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will (1) cease and cause to be terminated any discussions or negotiations with any Person and its Affiliates and their respective directors, officers, employees, investment bankers, attorneys, accountants and other advisors or representatives (collectively, "**Representatives**") that would be prohibited by this Section 5.3(a) and (2) terminate all physical and electronic data room access previously granted to any such Person, its Affiliates and their respective Representatives. Subject to the terms of Section 5.3(b), Section 5.3(d) and Section 5.3(f), from the date hereof until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company and its Subsidiaries will not, and will cause their respective directors, officers and employees and will instruct their other Representatives not to, directly or indirectly: (i) solicit, initiate or propose the making, submission or announcement of, or knowingly encourage, induce, facilitate or assist, an Acquisition Proposal or any inquiries or the making of any proposal that would reasonably be expected to lead to an Acquisition Proposal; (ii) furnish to any Person (other than the Purchaser, the Other Purchasers (solely with respect to the Other Transactions) or their respective Representatives) any non-public information relating to the Company or any of its Subsidiaries or afford to any Person access to the business, properties, assets, books, records or other non-public information, or to any personnel, of the Company or any of its Subsidiaries, in any such case to knowingly encourage, facilitate or assist, an Acquisition Proposal or any inquiries or the making of any proposal that would reasonably be expected to lead to an Acquisition Proposal; (iii) participate, continue or engage in discussions or negotiations with any Person with respect to an Acquisition Proposal (other than informing such Persons of the provisions contained in this Section 5.3 or contacting such Person making any unsolicited Acquisition Proposal to clarify the terms and conditions thereof); (iv) approve, endorse or recommend an Acquisition Proposal; or (v) enter into any letter of intent, memorandum of understanding, merger agreement, acquisition agreement or other Contract relating to an Acquisition Transaction, other than an Acceptable Confidentiality Agreement (any such letter of intent, memorandum of understanding, merger agreement, acquisition agreement or other Contract relating to an Acquisition Transaction, an "**Alternative Acquisition Agreement**"). From the date of this Agreement until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will not be required to enforce, and will be permitted to waive, any provision of any standstill or confidentiality agreement solely to permit a confidential proposal being made to the Company Board (or any committee thereof) if the failure to do so would be inconsistent with the directors' fiduciary duties pursuant to applicable Law. For purposes of this Section 5.3, the Company agrees that any breach of this Section 5.3 by the Company's Representatives shall constitute a breach of this Section 5.3 by the Company.

(b) *Superior Proposals*. Notwithstanding anything to the contrary set forth in this Section 5.3, from the date hereof until the Company's receipt of the Requisite Stockholder Approvals, the Company and the Company Board (or a committee thereof) may, directly or indirectly through one or more of their Representatives, participate or engage in discussions or negotiations with, furnish any non-public information relating to the Company or any of its Subsidiaries to, or afford access to the business, properties, assets, books, records or other non-public information, or to any personnel, of the Company or any of its Subsidiaries pursuant to an Acceptable Confidentiality Agreement to any Person or its Representatives that has made, renewed or delivered to the Company an Acquisition Proposal after the date of this Agreement, and otherwise facilitate such Acquisition Proposal or assist such Person (and its Representatives and financing sources) with such Acquisition Proposal (in each case, if requested by such Person), in each case with respect to an Acquisition Proposal that was not solicited in breach of Section 5.3(a) and that the Company Board (or a committee thereof) has determined in good faith (after consultation with its financial advisor and outside legal counsel) either constitutes a Superior Proposal or is reasonably likely to lead to a Superior Proposal and that failure to take such action would be inconsistent with its fiduciary duties under applicable Law; *provided*, that, subject to applicable Law, the Company shall provide to the Purchaser any non-public information or data that is provided to any Person given such access that was not previously made available to the Purchaser prior to or substantially concurrently with the time it is provided to such Person.

(c) *No Change in Company Board Recommendation or Entry into an Alternative Acquisition Agreement*. Except as provided by Section 5.3(d), at no time after the date of this Agreement until the earlier of the termination of this Agreement or the Closing Date may the Company Board (or a committee thereof): (i) withhold, withdraw, amend, qualify or modify, or publicly propose to withhold, withdraw, amend, qualify or modify, the Company Board Recommendation in a manner adverse to the Purchaser; (ii) publicly adopt, approve or recommend an Acquisition Proposal; (iii) in connection with a tender or exchange offer by a third party, fail to recommend against such offer by the close of business on the 10th Business Day after the commencement of a tender or exchange offer in connection with an Acquisition Proposal (it being understood that the Company Board (or a committee thereof) may refrain from taking a position with respect to an Acquisition Proposal until the close of business on the 10th Business Day after the commencement of a tender or exchange offer in connection with such Acquisition Proposal without such action being considered a violation of this Section 5.3); (iv) fail to include the Company Board Recommendation in the Proxy Statement; or (v) enter into any Contract or letter of intent regarding an Acquisition Proposal (any action described in clauses (i) through (iv), a "**Company Board Recommendation Change**"); *provided, however*, that, for the avoidance of doubt, a "stop, look and listen" communication by the Company Board (or a committee thereof) to the Company Stockholders pursuant to Rule 14d-9(f) promulgated under the Exchange Act (or any substantially similar communication), will not constitute a Company Board Recommendation Change if it expressly affirms the Company Board Recommendation.

(d) *Company Board Recommendation Change*. Notwithstanding anything to the contrary set forth in this Agreement, at any time prior to obtaining the Requisite Stockholder Approvals:

(i) the Company Board (or a committee thereof) may effect a Company Board Recommendation Change in response to an Intervening Event if the Company Board (or a committee thereof) determines in good faith (after consultation with its financial advisor and outside legal counsel) that the failure to do so would be inconsistent with its fiduciary duties pursuant to applicable Law; *provided*, that, the Company Board (or a committee thereof) shall not effect such a Company Board Recommendation Change unless:

(1) the Company has provided prior written notice to the Purchaser and the Other Purchasers at least five Business Days in advance to the effect that the Company Board (or a committee thereof) has (A) made such determination; and (B) resolved to effect a Company Board Recommendation Change pursuant to this Section 5.3(d)(i), which notice will specify the basis for such Company Board Recommendation Change, including a reasonably detailed description of the facts and circumstances relating to such Intervening Event and copies of all relevant documents relating thereto;

(2) prior to effecting such Company Board Recommendation Change, the Company and its Representatives, during such five Business Day period, must have negotiated with the Purchaser, the Other Purchasers and their respective Representatives in good faith (to the extent that the Purchaser or either of the Other Purchasers desires to so negotiate) to make such adjustments to the terms and conditions of this Agreement so that the Company Board (or a committee thereof) would no longer determine that the failure to make a Company Board Recommendation Change in response to such Intervening Event would be inconsistent with its fiduciary duties pursuant to applicable Law; and

(3) at the end of such five Business Day period and taking into account any adjustments to the terms and conditions of this Agreement and the Other Purchase Agreements, the Company Board (or a committee thereof) has determined in good faith (after consultation with its financial advisor and outside legal counsel) that the failure to make a Company Board Recommendation Change in response to such Intervening Event would continue to be inconsistent with its fiduciary duties pursuant to applicable Law; or

(ii) if the Company has received a *bona fide* Acquisition Proposal that was not solicited in breach of Section 5.3 and that the Company Board has determined in good faith (after consultation with its financial advisor and outside legal counsel) constitutes a Superior Proposal, then the Company Board (or a committee thereof) may effect a Company Board Recommendation Change with respect to such Acquisition Proposal; *provided*, that, the Company Board (or a committee thereof) shall not take any action described in this clause (ii) unless:

(1) the Company Board (or a committee thereof) determines in good faith (after consultation with its financial advisor and outside legal counsel) that the failure to do so would be inconsistent with its fiduciary duties pursuant to applicable Law;

(2) the Company has complied in all material respects with its obligations pursuant to this Section 5.3 with respect to such Acquisition Proposal;

(3) (i) the Company has provided prior written notice to the Purchaser and the Other Purchasers five Business Days in advance (the “**Notice Period**”) to the effect that the Company Board (or a committee thereof) has (A) received a Superior Proposal and (B) resolved to effect a Company Board Recommendation Change absent any revision to the terms and conditions of this Agreement, which notice will specify the basis for such Company Board Recommendation Change, including the identity of the Person or “group” of Persons making such Acquisition Proposal, the material terms thereof and copies of all relevant documents relating to such Acquisition Proposal (*provided* that following each subsequent amendment to such Acquisition Proposal, the Company Board shall provide a new written notice to the Purchaser, including all information and documents required in this clause (3), with a new Notice Period of three Business Days); and (ii) prior to effecting such Company Board Recommendation Change, the Company and its Representatives, during the Notice Period, must have negotiated with the Purchaser and the Other Purchasers in good faith (to the extent that the Purchaser or either of the Other Purchasers desires to so negotiate) to make such adjustments to the terms and conditions of this Agreement so that such Acquisition Proposal would cease to constitute a Superior Proposal; and

(4) at the end of the Notice Period and taking into account any adjustments to the terms and conditions of this Agreement, the Company Board determines in good faith (after consultation with its financial advisor and outside legal counsel) that the Acquisition Proposal continues to constitute a Superior Proposal.

(e) *Notice.* From the date hereof until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will promptly (and, in any event, within 24 hours) notify the Purchaser and the Other Purchasers if any offers or proposals that constitute an Acquisition Proposal are received by, any non-public information is requested from, or any discussions or negotiations are sought to be initiated or continued with, the Company or any of its Representatives. Such notice must include a summary of the material terms and conditions of such offer, proposal, request, inquiry, discussions or negotiations, including the identity of the Person making any such offer, proposal, request or inquiry or seeking to engage in such discussions or negotiations, and a copy of any written documents in connection therewith. Thereafter, the Company must keep the Purchaser reasonably informed, on a prompt basis, of the status and terms of any such offer, proposal, request, inquiry, discussions or negotiations (including any amendments thereto) and the status of any such offer, proposal, request, inquiry, discussions or negotiations.

(f) *Certain Disclosures.* Nothing in this Agreement will prohibit the Company or the Company Board (or a committee thereof) from: (i) taking and disclosing to the Company Stockholders a “stop, look and listen” communication by the Company Board (or a committee thereof) to the Company Stockholders pursuant to Rule 14d-9(f) promulgated under the Exchange Act (or any substantially similar communication); (ii) informing any Person of the existence of the provisions contained in this Section 5.3; or (iii) complying with the Company’s disclosure obligations under U.S. federal or state Law with regard to an Acquisition Proposal, it being understood that any such statement or disclosure made by the Company Board (or a committee thereof) shall be subject to the terms and conditions of this Agreement. In addition, it is understood and agreed that, for purposes of this Agreement, a factually accurate public statement by the Company or the Company Board (or a committee thereof) that describes the Company’s receipt of an Acquisition Proposal, the identity of the Person making such Acquisition Proposal, the material terms of such Acquisition Proposal and the operation of this Agreement with respect thereto will

not be deemed to be (A) a withholding, withdrawal, amendment, or modification, or proposal by the Company Board (or a committee thereof) to withhold, withdraw, amend or modify, the Company Board Recommendation, (B) an adoption, approval or recommendation with respect to such Acquisition Proposal, or (C) a Company Board Recommendation Change as long as it expressly affirms the Company Board Recommendation.

5.4 *No Control of the Other Party's Business.* The Parties acknowledge and agree that the restrictions set forth in this Agreement are not intended to give the Purchaser, on the one hand, or the Company, on the other hand, directly or indirectly, the right to control or direct the business or operations of the other at any time prior to the Closing. Prior to the Closing Date, the Purchaser and the Company will exercise, consistent with the terms, conditions and restrictions of this Agreement, complete control and supervision over their own business and operations.

ARTICLE VI ADDITIONAL COVENANTS

6.1 *Required Action and Forbearance; Efforts.*

(a) *Reasonable Best Efforts.* Upon the terms and subject to the conditions set forth in this Agreement, the Purchaser will (and will cause its Affiliates to, if applicable), on the one hand, and the Company will, on the other hand, use their respective reasonable best efforts to (A) take (or cause to be taken) all actions, (B) do (or cause to be done) all things, and (C) assist and cooperate with the other Parties in doing (or causing to be done) all things, in each case as are necessary, proper or advisable pursuant to applicable Law or otherwise to consummate and make effective, as promptly as practicable, the Transaction, including by using reasonable best efforts to:

(i) cause the conditions to the Transaction set forth in Article VII to be satisfied;

(ii) (1) obtain all consents, waivers, approvals, orders and authorizations from Governmental Authorities; and (2) make all registrations, declarations and filings with Governmental Authorities, in each case that are necessary or advisable to consummate the Transaction;

(iii) obtain all consents, waivers and approvals and delivering all notifications from or to any third parties in connection with this Agreement and the consummation of the Transaction that are necessary or advisable to consummate the Transactions; and

(iv) execute and deliver any Contracts and other instruments that are reasonably necessary to consummate the Transaction.

(b) *No Consent Fee.* Notwithstanding anything to the contrary set forth in this Section 6.1 or elsewhere in this Agreement, neither the Company nor any of its Subsidiaries will be required to agree to: (i) the payment of a consent fee, "profit sharing" payment or other consideration (including increased or accelerated payments); (ii) the provision of additional security (including a guaranty); or (iii) material conditions or obligations, including amendments to existing conditions and obligations, in each case, in connection with the Transaction, including in connection with obtaining any consent pursuant to any Material Contract.

(c) Section 6.1(a) shall not apply to filings under Antitrust Laws, which shall be governed by the obligations set forth in Section 6.2 below.

6.2 *Antitrust Filings.*

(a) *Filing Under Antitrust Laws.* The Purchaser and the Company will (i) cooperate and coordinate with the other in determining whether any filings are required by applicable Antitrust Laws in connection with the Transaction; (ii) cooperate and coordinate (and cause its respective Affiliates to cooperate and coordinate) with the other in the making of any required filings with any Governmental Authority as are required by applicable Antitrust Laws in connection with the Transaction; (iii) supply the other (or cause the other to be supplied) with any information that may be required in order to make such filings; (iv) supply (or cause to be supplied) any additional information that reasonably may be required or requested by the FTC, the DOJ or the Governmental Authorities of any other applicable jurisdiction in which any such filing is made; and (v) use reasonable best efforts to take all action necessary, proper or advisable to (A) cause the expiration or termination of the applicable waiting periods pursuant to the HSR Act and any other Antitrust Laws (to the extent applicable to this Agreement or the Transaction); and (B) obtain any required consents pursuant to any HSR Act or Antitrust Laws (to the extent applicable to this Agreement or the Transaction), in each case as promptly as reasonably practicable. The Purchaser (and its Affiliates, if applicable), on the one hand, and the Company (and its Affiliates), on the other hand, will promptly inform the other of any communication from any Governmental Authority regarding the Transaction in connection with such filings. If either Party or Affiliate thereof receives any comments or a request for additional information or documentary material from any Governmental Authority with respect to the Transaction pursuant to any Antitrust Law applicable to the Transaction, then such Party will make (or cause to be made), as promptly as practicable and after consultation with the other Parties, an appropriate response to such request; *provided* that neither Party may extend any waiting period or enter into any agreement or understanding with any Governmental Authority without the permission of the other Party, which shall not be unreasonably withheld, conditioned or delayed.

(b) *Cooperation.* In furtherance and not in limitation of the foregoing, the Company and the Purchaser shall (and shall cause their respective controlling Persons, controlled Affiliates and Subsidiaries, respectively, to), subject to any restrictions under applicable Laws: (i) promptly notify the other Party of, and, if in writing, furnish the other with copies of (or, in the case of oral communications, advise the others of the contents of) any material communication received by such Person from a Governmental Authority in connection with the Transactions and permit the other Party to review and discuss in advance (and to consider in good faith any comments made by the other Party in relation to) any proposed draft notifications, formal notifications, filing, submission or other written communication (and any analyses, memoranda, white papers, presentations, correspondence or other documents submitted therewith) made in connection with the Transactions to a Governmental Authority; (ii) keep the other Party informed with respect to the status of any such submissions and filings to any Governmental Authority in connection with the Transactions and any developments, meetings or discussions with any Governmental Authority in respect thereof, including with respect to (A) the receipt of any non-

action, action, clearance, consent, approval or waiver, (B) the expiration of any waiting period, (C) the commencement or proposed or threatened commencement of any investigation, litigation or administrative or judicial action or proceeding under applicable Laws, including any proceeding initiated by a private party, and (D) the nature and status of any objections raised or proposed or threatened to be raised by any Governmental Authority with respect to the Transaction; and (iii) not independently participate in any meeting, hearing, proceeding or discussions (whether in person, by telephone or otherwise) with or before any Governmental Authority in respect of the Transaction without giving the other party reasonable prior notice of such meeting or discussions and, unless prohibited by such Governmental Authority, the opportunity to attend or participate. Subject to restrictions under applicable Law, the Purchaser will not, without the prior written consent of the Company, extend or offer or agree to extend any waiting period under the HSR Act or any other Antitrust Law, or enter into any agreement with any Governmental Authority related to this Agreement or the transactions contemplated by this Agreement. However, the Company and the Purchaser may each designate any non-public information provided to any Governmental Authority as restricted to “outside counsel” only and any such information shall not be shared with employees, officers or directors or their equivalents of the other Party without approval of the Party providing the non-public information; *provided, however*, that each of the Company and the Purchaser may redact any valuation and related information before sharing any information provided to any Governmental Authority with the other Party on an “outside counsel” only basis, and that the Company and the Purchaser shall not in any event be required to share information that benefits from legal privilege with the other Party, even on an “outside counsel” only basis, where this would cause such information to cease to benefit from legal privilege.

(c) *Other Action.* The Purchaser shall not, directly or indirectly (whether by merger, consolidation or otherwise), acquire (or agree to acquire) any business, corporation, partnership, association or other business organization or division or part thereof, or any securities or collection of assets, if doing so would reasonably be expected to prevent or materially delay the consummation of the transactions contemplated by this Agreement.

(d) *Limitations on Action.* Notwithstanding anything to the contrary in this [Section 6.2](#), nothing in this [Section 6.2](#) or this Agreement shall require or obligate the Purchaser to agree, propose, commit to, or effect, or otherwise be required, by consent decree, hold separate, or otherwise, any sale, divestiture, hold separate, or any other action otherwise limiting the freedom of action in any respect with respect to any businesses, products, rights, services, licenses, assets, or interest therein, of Purchaser or any Affiliate.

6.3 *Proxy Statement.*

(a) *Proxy Statement.* As promptly as practical following the date hereof, the Company (with the assistance and cooperation of the Purchaser as reasonably requested by the Company) will prepare and, as promptly as practicable following the date of this Agreement, file with the SEC a preliminary proxy statement (as amended or supplemented, the “**Proxy Statement**”) relating to the Company Stockholder Meeting. Subject to [Section 5.3](#), the Company shall include the Company Board Recommendation in the Proxy Statement. Prior to the filing of the Proxy Statement (or any amendment or supplement thereto), or any dissemination thereof to the Company Stockholders, or responding to any comments from the SEC with respect thereto, the Company shall provide the Purchaser and its counsel with a reasonable opportunity to review

and to comment on such document or response (except to the extent that any disclosures in such document or response relate to an Acquisition Proposal), which comments, if any, the Company shall consider in good faith. None of the information supplied or to be supplied by or on behalf of the Company or the Purchaser for inclusion or incorporation by reference in the Proxy Statement, at the date it or any amendment or supplement is mailed to the Company Stockholders and at the time of the Company Stockholder Meeting, will contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances in which they are made, not misleading.

(b) *Furnishing Information.* The Company, on the one hand, and the Purchaser, on the other hand, will furnish all information concerning it and its Affiliates, if applicable, as the other Party may reasonably request in connection with the preparation and filing with the SEC of the Proxy Statement. If at any time prior to the Company Stockholder Meeting any information relating to the Company, the Purchaser or any of their respective Affiliates should be discovered by the Company, on the one hand, or the Purchaser, on the other hand, that should be set forth in an amendment or supplement to the Proxy Statement so that such filing would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, then the Party that discovers such information will promptly notify the other, and an appropriate amendment or supplement to such filing describing such information will be promptly prepared and filed with the SEC by the appropriate Party and, to the extent required by applicable law or the SEC or its staff, disseminated to the Company Stockholders.

(c) *Consultation Prior to Certain Communications.* The Company and its Affiliates, on the one hand, and the Purchaser and its Affiliates, on the other hand, may not communicate in writing with the SEC or its staff with respect to the Proxy Statement without first providing the other Party a reasonable opportunity to review and comment on such written communication, and each Party will give due consideration to all reasonable additions, deletions or changes suggested thereto by the other Parties or their respective counsel.

(d) *Notices.* The Company, on the one hand, and the Purchaser, on the other hand, will advise the other, promptly after it receives notice thereof, of any receipt of a request by the SEC or its staff for: (i) any amendment or revisions to the Proxy Statement; (ii) any receipt of comments from the SEC or its staff on the Proxy Statement; or (iii) any receipt of a request by the SEC or its staff for additional information in connection therewith.

(e) *Dissemination of Proxy Statement.* Subject to applicable Law, the Company will use its reasonable best efforts to cause the definitive Proxy Statement to be disseminated to the Company Stockholders as promptly as reasonably practicable following the filing thereof with the SEC and confirmation from the SEC that it will not review, or that it has completed its review of, the Proxy Statement.

6.4 *Company Stockholder Meeting.*

(a) *Call of Company Stockholder Meeting.* Within 10 calendar days after the date of this Agreement (and thereafter as reasonably determined by the Company in consultation with the Purchaser), the Company shall conduct a “broker search” in accordance with Rule 14a-13 of the Exchange Act for a record date for the Company Stockholder Meeting that is 20 Business Days after the date of such “broker search.” Following the clearance of the Proxy Statement by the SEC, the Company shall duly call and hold a meeting of its stockholders (the “**Company Stockholder Meeting**”) as promptly as reasonably practicable (taking into account the time necessary to solicit proxies for the approval of the Transactions and the Certificate of Amendment) following the mailing of the Proxy Statement to the Company Stockholders, which mailing will be initiated as promptly as practicable following the confirmation from the SEC that it will not review, or that it has completed its review of, the Proxy Statement, for the purpose of obtaining the Requisite Stockholder Approvals. Subject to Section 5.3 and unless there has been a Company Board Recommendation Change, the Company will use its reasonable best efforts to solicit proxies to obtain the Requisite Stockholder Approvals.

(b) *Adjournment of Company Stockholder Meeting.* Notwithstanding anything to the contrary in this Agreement, nothing will prevent the Company from postponing or adjourning the Company Stockholder Meeting: (i) to allow additional solicitation of votes in order to obtain the Requisite Stockholder Approvals; (ii) if there are holders of an insufficient number of shares of the Company Common Stock present or represented by proxy at the Company Stockholder Meeting to constitute a quorum at the Company Stockholder Meeting; (iii) if the Company is required to postpone or adjourn the Company Stockholder Meeting by applicable Law or receives a request from the SEC or its staff; or (iv) if the Company Board (or a committee thereof) has determined in good faith (after consultation with outside legal counsel) that it is necessary under applicable Law to postpone or adjourn the Company Stockholder Meeting in order to give the Company Stockholders sufficient time to evaluate any information or disclosure that the Company has sent to the Company Stockholders or otherwise made available to the Company Stockholders (including in connection with any Company Board Recommendation Change). Notwithstanding the foregoing, (1) the Company shall not, without the prior written consent of the Purchaser, postpone the Company Stockholder Meeting for more than 20 Business Days in the aggregate, and (2) the Company shall, at the request of the Purchaser, to the extent permitted by applicable Law, adjourn the Company Stockholder Meeting to a date specified by the Purchaser and the Company (taking into account the time necessary to solicit proxies) if a quorum is absent at the Company Stockholder Meeting or if the Company has not received proxies representing a sufficient number of shares of Company Common Stock to obtain the Requisite Stockholder Approvals.

(c) *Force-the-Vote.* The Company’s obligations pursuant to this Section 6.4 shall not be affected by (i) the commencement, public proposal, public disclosure or communication to the Company of an Acquisition Proposal or (ii) any Company Board Recommendation Change.

6.5 *Anti-Takeover Laws.* The Company and the Purchaser will: (a) take all actions within their power to ensure that no “control share acquisition,” “fair price,” “moratorium,” “business combination” or other state anti-takeover Law (including Section 203 of the DGCL), statute or similar statute or regulation is or becomes applicable to the Transaction or any other transactions contemplated by this Agreement (including the Other Transactions); and (b) if any “control share acquisition,” “fair price,” “moratorium,” “business combination” or other state anti-takeover Law (including Section 203 of the DGCL), statute or similar statute or regulation becomes applicable to the Transaction or any other transactions contemplated by this Agreement (including the Other Transactions), take all actions within their power to ensure that the Transactions may be consummated as promptly as reasonably practicable on the terms contemplated by this Agreement and otherwise to minimize the effect of such statute or regulation on the Transactions.

6.6 *Use of Proceeds*. The Company shall use the proceeds of the Purchase Price paid by the Purchaser, together with the proceeds of the purchase price paid by the Other Purchasers pursuant to the Other Purchase Agreements, to (a) first, pay off all outstanding balances under the Company Notes in accordance with the Starboard Agreement, (b) second, pay off all outstanding balances under the Foreign Note and (c) third, using any remaining proceeds directly or indirectly to pay its expenses related to the Transactions and for general corporate purposes. To the extent the proceeds of the Purchase Price paid by the Purchaser, together with the proceeds of the purchase price paid by the Other Purchasers pursuant to the Other Purchase Agreements, are insufficient for purposes of the foregoing clauses (a) through (c), then the Company shall use the proceeds from its balance sheet for such purposes.

6.7 *Access*. At all times during the period commencing with the execution and delivery of this Agreement and continuing until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will afford the Purchaser reasonable access, consistent with applicable Law, during normal business hours, upon reasonable advance notice provided in writing to the General Counsel of the Company, or another Person designated in writing by the Company, to the properties, books and records and personnel of the Company, except that the Company may restrict or otherwise prohibit access to any documents or information to the extent that: (a) any applicable Law or Contract requires the Company to restrict or otherwise prohibit access to such documents or information; (b) access to such documents or information would give rise to a material risk of waiving any attorney-client privilege, work product doctrine or other privilege applicable to such documents or information; (c) such disclosure relates to interactions with other prospective buyers or transaction partners of the Company or the negotiation of this Agreement and the transactions contemplated hereby, or information relating to the analysis, valuation or consideration of the Transactions or the transactions contemplated hereby, in each case, subject to Section 5.3, which shall not be limited by this Section 6.7(c); (d) access to a Contract to which the Company or any of its Subsidiaries is a party or otherwise bound would violate or cause a default pursuant to, or give a third Person the right to terminate or accelerate the rights pursuant to, such Contract; (e) access would result in the disclosure of any trade secrets of third Persons; or (f) such documents or information are reasonably pertinent to any adverse Legal Proceeding between the Company and its Affiliates, on the one hand, and the Purchaser and its Affiliates, on the other hand; *provided* that the Company shall use reasonable best efforts to provide such documents or information in a manner that does not violate or cause a default pursuant to, or give a third Person the right to terminate or accelerate the rights pursuant to, any Contract or cause such documents or information to cease to benefit from legal privilege, including by redacting or obtaining consent in connection therewith. Nothing in this Section 6.7 will be construed to require the Company, any of its Subsidiaries or any of their respective Representatives to prepare any reports, analyses, appraisals or opinions. Any investigation conducted pursuant to the access contemplated by this Section 6.7 will be conducted in a manner that (i) does not unreasonably interfere with the conduct of the business of the Company and its Subsidiaries or otherwise result in any significant interference with the prompt and timely discharge by officers, employees and other authorized Representatives of the Company or any of

its Subsidiaries of their normal duties or (ii) create a risk of damage or destruction to any property or assets of the Company or its Subsidiaries. Any access to the properties of the Company and its Subsidiaries will be subject to the Company's reasonable security measures and insurance requirements and will not include the right to perform invasive or subsurface testing or any sampling, monitoring or analysis of soil, groundwater, building materials, indoor air, or other environmental media of the sort generally referred to as a "Phase II" environmental investigation. The terms and conditions of the Confidentiality Agreement will apply to any information obtained by the Purchaser or any of its Representatives in connection with any investigation conducted pursuant to the access contemplated by this Section 6.7; *provided* that, notwithstanding any provision to the contrary in the Confidentiality Agreement, the Purchaser and any of its Representatives shall be permitted to disclose to the Other Purchasers and their respective Representatives any information of the Company and discuss with the Other Purchasers and their respective Representatives any information of the Company, in each case, including in connection with the Transactions or any other Acquisition Proposal, except that the Purchaser or its Representatives shall not disclose to the Other Purchasers or their respective Representatives any Company information that is competitively sensitive and is designated in writing by the Company to be for such Purchaser's access only (or that otherwise directly relates only to commercial matters or arrangements of the Company in the ordinary course of business (and not the Transaction or any Acquisition Proposal) and, notwithstanding the foregoing, would otherwise be prohibited to be disclosed by the Purchaser or its applicable Affiliates pursuant to another confidentiality agreement between the Purchaser or its Affiliates and the Company or its Affiliates). All requests for access pursuant to this Section 6.7 must be directed to the General Counsel of the Company, or another person designated in writing by the Company. Notwithstanding any provision to the contrary in the Confidentiality Agreement, the Confidentiality Agreement shall automatically terminate at the Closing.

6.8 Notification of Certain Matters.

(a) *Notification by the Company.* From the date of this Agreement until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will give prompt notice to the Purchaser upon the discovery by the Company's Chief Executive Officer, Chief Financial Officer, Chief Product Officer, Chief Commercial Officer or Chief Revenue Officer: (i) that any representation or warranty made by it in this Agreement has become untrue or inaccurate in any material respect as of the date it was made; (ii) of any failure by it to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it pursuant to this Agreement in any material respect; or (iii) of any failure of the conditions to the obligations of the Purchaser set forth in Section 7.2(a), Section 7.2(b) or Section 7.2(c) to be satisfied at the Closing or the satisfaction of which to be materially delayed, except that no such notification will modify any representation, warranty or covenant of the Company set forth in this Agreement or the conditions to the obligations of the Purchaser to consummate the Transaction or the remedies available to the Parties under this Agreement. The terms and conditions of the Confidentiality Agreement apply to any information provided to the Purchaser pursuant to this Section 6.8(a).

The terms and conditions of the Confidentiality Agreement shall apply to any information provided to the Company pursuant to this Section 6.8(b).

6.9 *Public Statements and Disclosure.* The initial press release with respect to the execution of this Agreement shall be a joint press release to be reasonably agreed upon by the Company and the Purchaser. Following such initial press release, the Company and the Purchaser shall consult with each other before issuing, and give each other the opportunity to review and comment upon, any press release or other public statements with respect to the Transactions and shall not issue any such press release or make any such public statement prior to such consultation, except as such party may reasonably conclude may be required by applicable Law, court process or by obligations pursuant to any listing agreement with any national securities exchange or national securities quotation system (and then only after as much advance notice and consultation as is feasible); *provided, however*, that the Company or the Purchaser shall not be obligated to engage in such consultation with respect to communications that are (a) principally directed to employees, suppliers, customers, partners or vendors or (b) not materially inconsistent with public statements previously made in accordance with this Section 6.9; *provided, further, however*, that the restrictions set forth in this Section 6.9 shall not apply to any release or public statement (i) made or proposed to be made by the Company with respect to an Acquisition Proposal, a Superior Proposal or a Company Board Recommendation Change or any action taken pursuant thereto or (ii) in connection with any dispute between the parties regarding this Agreement or the Transaction.

The Company will: (a) give the Purchaser the opportunity to, subject to the entry into a joint defense agreement with terms mutually agreeably to the parties, participate in the defense, settlement or prosecution of any Transaction Litigation, and shall consider the Purchaser's views; and (b) consult with the Purchaser with respect to the defense, settlement and prosecution of any Transaction Litigation. The Company may not compromise, settle or come to an arrangement regarding, or agree to compromise, settle or come to an arrangement regarding, any Transaction Litigation unless the Purchaser has consented thereto in writing (which consent will not be unreasonably withheld, conditioned or delayed).

The Purchaser shall promptly reimburse the Company for all reasonable, documented out-of-pocket costs and expenses incurred by the Company or any of its Affiliates in connection with the foregoing cooperation taken at the request of the Purchaser and shall indemnify and hold harmless the Company and its Affiliates from and against any and all losses, damages, claims, costs or expenses suffered or incurred by any of them in connection with such cooperation.

6.15 *No Inconsistent Agreements*. From the date of this Agreement through the Closing, neither the Company nor any of its Affiliates shall enter into any additional or modify any existing agreements with any Other Purchasers, that have the effect of establishing rights or otherwise benefiting any such Other Purchasers in a manner more favorable in any respect to the rights and benefits established in favor of the Purchaser by this Agreement, unless in any such case, the Purchaser has been offered such rights and benefits and the Company has agreed to such amendments to this Agreement as may be necessary to provide such rights and benefits to the Purchaser.

(h) *Form W-9.* The Purchaser shall have delivered to the Company at least two Business Days prior to the Closing Date a properly executed IRS Form W-9 from the Purchaser (or, if the Purchaser is a disregarded entity for U.S. federal income Tax purposes, its regarded owner).

ARTICLE VIII INDEMNIFICATION

8.1 *Survival of Provisions.* The Company Fundamental Representations and the Purchaser Fundamental Representations shall survive the execution and delivery of this Agreement indefinitely and the other representations and warranties contained in this Agreement and the covenants made in this Agreement that are required to be performed prior to the Closing Date shall survive for a period of 12 months following the Closing Date. The covenants made in this Agreement that are required to be performed on or after the Closing Date shall survive the Closing and remain operative and in full force and effect in accordance with their respective terms until fully performed. Notwithstanding the foregoing, if any claim is brought pursuant to this Article VIII prior to the expiration of any survival period set forth in this Section 8.1, the expiration date of such survival period shall be automatically extended until such claim is fully and finally resolved.

8.2 *Indemnification by the Company.* The Company agrees to indemnify the Purchaser Related Parties from, and hold each of them harmless against, any and all actions, suits, proceedings (including any investigations, litigation or inquiries), demands, and causes of action, and, in connection therewith, and promptly upon demand, pay or reimburse each of them for all costs, losses, liabilities, damages, or expenses of any kind or nature whatsoever (including the reasonable fees and disbursements of counsel and all other reasonable expenses incurred in connection with investigating, defending or preparing to defend any such matter that may be incurred by them or asserted against or involve any of them) (collectively, “**Losses**”), whether or not involving a Third-Party Claim, as a result of, arising out of, or in any way related to the breach of any representation or warranty set forth in Article III or any certificate delivered hereunder or failure to perform any covenant or agreement of the Company contained herein; *provided* that such claim for indemnification relating to the breach of representations, warranties or covenants is made

prior to the expiration of the survival period of such representation or warranty as set forth in Section 8.1; *provided, however*, that for purposes of determining when an indemnification claim has been made, the date upon which a Purchaser Related Party shall have given notice (stating in reasonable detail the basis of the claim for indemnification) to the Company shall constitute the date upon which such claim has been made.

8.3 *Indemnification by the Purchaser.* The Purchaser agrees to indemnify the Company Related Parties from, and hold each of them harmless against, any and all actions, suits, proceedings (including any investigations, litigation or inquiries), demands, and causes of action, and, in connection therewith, and promptly upon demand, pay or reimburse each of them for all Losses, whether or not involving a Third-Party Claim, as a result of, arising out of, or in any way related to the breach of any representation or warranty made by such Purchaser and set forth in Article IV or any failure by Purchaser to perform any covenant or agreement of the Purchaser contained herein; *provided* that such claim for indemnification relating to the breach of representations, warranties or covenants is made prior to the expiration of the survival period of such representation or warranty as set forth in Section 8.1; *provided, however*, that for purposes of determining when an indemnification claim has been made, the date upon which a Company Related Party shall have given notice (stating in reasonable detail the basis of the claim for indemnification) to the Purchaser shall constitute the date upon which such claim has been made.

8.4 *Limitations to Indemnification.*

(a) (i) The Company shall not be liable for any indemnifiable Losses that may be recovered by the Purchaser Related Parties (other than for breaches of any Company Fundamental Representations or any covenants of the Company or Fraud) unless and until the amount of such indemnifiable Losses, individually or in the aggregate, exceeds an amount equal to 2.00% of the Purchase Price (the “**Indemnity Threshold**”), but from and after such time as the indemnifiable Losses of the Purchaser Related Parties exceed the Indemnity Threshold, each applicable Purchaser Related Party shall be entitled to indemnity for the entire amount of all indemnifiable Losses of such Person, and (ii) the Purchaser shall not be liable for any indemnifiable Losses that may be recovered by the Company Related Parties (other than for breaches of any Purchaser Fundamental Representations or any covenants of the Purchaser or Fraud) unless and until the amount of such indemnifiable Losses, individually or in the aggregate, exceeds an amount equal to the Indemnity Threshold, but from and after such time as the indemnifiable Losses of the Company Related Parties exceed the Indemnity Threshold, each applicable Company Related Party shall be entitled to indemnity for the entire amount of all indemnifiable Losses of such Person.

(b) The maximum amount of indemnifiable Losses that may be recovered from (i) the Company for any amounts due under Section 8.2 (other than for breaches of any Company Fundamental Representations or any covenants of the Company or Fraud) shall be an amount equal to 10.00% of the Purchase Price (the “**Indemnity Cap**”) and (ii) the Purchaser for any amounts due under Section 8.3 (other than for breaches of any Purchaser Fundamental Representations or any covenants of the Purchaser or Fraud) shall be an amount equal to the Indemnity Cap; provided that, other than with respect to Fraud, the maximum amount of indemnifiable Losses that may be recovered from the Company or from the Purchaser, as applicable, shall be an amount equal to the Purchase Price.

(c) For purposes of the Company's indemnification obligations under Section 8.2, including for purposes of both determining whether there has been a breach of any representation or warranty and for determining the amount of indemnifiable Losses resulting therefrom, the representations and warranties set forth in Article III of this Agreement that are qualified as to "material", "materiality", "material respects", "Material Adverse Effect" or words of similar import or effect shall be deemed to have been made without any such qualification.

(d) No party hereto shall have any liability for Losses pursuant to Section 8.2 or Section 8.3 for any consequential (to the extent the Loss did not arise from a reasonably foreseeable consequence of the relevant breach or the matter giving rise to the applicable Loss) or punitive damages relating to a breach or alleged breach of this Agreement, whether based in contract, tort, strict liability, other law or otherwise, except to the extent such Losses are incurred by a third person and constitute a portion of a Third-Party Claim.

(e) Each Company Related Party or Purchaser Related Party seeking indemnification hereunder (each, an "**Indemnified Party**") shall use reasonable best efforts to pursue any and all rights it or any of its controlled Affiliates has to any applicable insurance proceeds, indemnity or contribution from a third party in respect of any Losses payable by the indemnitor hereunder (the "**Indemnifying Party**") pursuant to this Article VIII, and any payments by an Indemnifying Party pursuant to this Article VIII in respect of such Losses shall be reduced by the amount of such insurance proceeds, indemnity, contribution or other similar payment actually received by the Indemnified Party or any of its controlled Affiliates in respect of such Losses, less any related costs and expenses actually incurred by the Indemnified Party and its controlled Affiliates in pursuing such insurance claim or indemnity, contribution or other similar payment and the amount of any retrospective or other current increase in premium actually borne by the Indemnified Party or any of its controlled Affiliates, directly or indirectly, that is directly attributable to the payment of such insurance proceeds, and, if the Indemnified Party has previously received an indemnification payment from the Indemnifying Party for a Loss, promptly after the realization of any insurance proceeds, indemnity, contribution or other similar payment with respect to such Loss, the Indemnified Party shall reimburse the Indemnifying Party for such payment (less any costs and expenses described in the preceding sentence). For the avoidance of doubt, the Indemnified Party shall be entitled to pursue indemnification from the Indemnifying Party pursuant to this Agreement prior to, after or concurrently with the pursuit of any such rights to insurance proceeds, indemnity or contribution from a third party.

(f) Notwithstanding anything to the contrary contained in this Agreement, (i) no Indemnified Party or any of its Affiliates will be entitled to recover more than one time for any particular Losses under this Agreement and (ii) to the extent an Indemnifying Party has paid any Losses under this Agreement to any Indemnified Party, no other Indemnified Party shall be entitled to recover the same Losses in respect of the claims for which such Losses were paid.

(g) No Indemnified Party shall be entitled to indemnification under this Article VIII for, and Losses shall not include, any Losses to the extent resulting from the actions or omissions of such Indemnified Party. Each Indemnified Party shall make reasonable efforts to mitigate or minimize all Losses upon and after becoming aware of any event or condition which would reasonably be expected to give rise to any Losses that are indemnifiable hereunder and, if an Indemnified Party fails to use reasonable best efforts to so mitigate any indemnifiable Losses under this sentence, the Indemnifying Party that would otherwise have an indemnity obligation hereunder with respect to such Losses shall have no liability for any portion of such Losses that reasonably would have been avoided or mitigated had the Indemnified Party made such efforts.

8.5 Indemnification Procedure. Promptly after an Indemnified Party has received notice of any indemnifiable claim hereunder, or the commencement of any action, suit or proceeding by a third person, which the Indemnified Party believes in good faith is an indemnifiable claim under this Agreement (each a “**Third-Party Claim**”), the Indemnified Party shall give the Indemnifying Party written notice of such Third-Party Claim, but failure to so notify the Indemnifying Party will not relieve the Indemnifying Party from any liability it may have to such Indemnified Party hereunder except to the extent that the Indemnifying Party is materially prejudiced by such failure. Such notice shall state the nature and the basis of such Third-Party Claim to the extent then known. The Indemnifying Party shall have the right to defend, at its own expense and by its own counsel who shall be reasonably acceptable to the Indemnified Party, any such matter as long as the Indemnifying Party pursues the same diligently and in good faith; *provided* that, notwithstanding anything to the contrary in this Section 8.5, the Indemnifying Party shall not be entitled to assume the defense of any Third-Party Claim (and, to the extent the Indemnifying Party has assumed the defense, shall transfer control of such defense to the Indemnified Party) if (a) such Third-Party Claim seeks equitable relief or such Third-Party Claim involves a criminal action, (b) the Indemnifying Party shall not have assumed the defense of such Third-Party Claim within 10 Business Days of receipt of a notice of such Claim for indemnity or (c) such Third-Party Claim exceeds the Indemnity Cap. If the Indemnifying Party undertakes to defend, it shall promptly, and in no event later than 10 Business Days, notify the Indemnified Party of its intention to do so, and the Indemnified Party shall cooperate with the Indemnifying Party and its counsel in all commercially reasonable respects in the defense thereof. Such cooperation shall include, but shall not be limited to, furnishing the Indemnifying Party with any books, records and other information reasonably requested by the Indemnifying Party and in the Indemnified Party’s possession or control. Such cooperation of the Indemnified Party shall be at the cost of the Indemnifying Party. After the Indemnifying Party has notified the Indemnified Party of its intention to undertake to defend any such asserted liability, and for so long as the Indemnifying Party diligently pursues such defense, the Indemnifying Party shall not be liable for any additional legal expenses incurred by the Indemnified Party in connection with any defense of such asserted liability; *provided, however*, that the Indemnified Party shall be entitled (i) at its expense, to participate in the defense of such asserted liability and (ii) if (A) the Indemnifying Party has within ten (10) Business Days after the Indemnified Party provides written notice of a Third-Party Claim, failed (1) to assume the defense or employ counsel reasonably acceptable to the Indemnified Party or (2) to notify the Indemnified Party of such assumption or (B) if the defendants in any such action include both the Indemnified Party and the Indemnifying Party and counsel to the Indemnified Party shall have concluded that there may be reasonable defenses available to the Indemnified Party that are different from or in addition to those available to the Indemnifying Party or if the interests of the Indemnified Party reasonably may be deemed to conflict with the interests of the Indemnifying Party, then the Indemnified Party shall have the right to select a separate counsel and to assume such legal defense and otherwise to participate in the defense of such action, with the reasonable expenses and fees of such separate counsel and other expenses related to such participation to be reimbursed by the Indemnifying Party as incurred. Notwithstanding any other provision of this Agreement, the Indemnifying Party shall not consent to the settlement of, or the entry of any judgment arising from, any indemnified Third-Party Claim without the consent of the

Indemnified Party (which consent shall not be unreasonably withheld), unless the settlement thereof, or the entry of any judgment arising therefrom, imposes no liability or obligation on, and includes a complete release from liability of, and does not include any admission of wrongdoing or malfeasance by, the Indemnified Party. The remedies provided for in this Article VIII are cumulative and are not exclusive of any remedies that may be available to a party at law or in equity or otherwise.

8.6 *Exclusive Remedy*. After the Closing, the sole and exclusive remedy for any and all Losses related to the breach of any representation or warranty set forth in Article III or Article IV or any covenant to be performed prior to the Closing Date of this Agreement shall be the rights of indemnification set forth in this Article VIII only, and no Person will have any other entitlement, remedy or recourse, whether in contract, tort or otherwise, it being agreed that all of such other remedies, entitlements and recourse are expressly waived and released by the parties hereto to the fullest extent permitted by Law. Notwithstanding anything in the foregoing to the contrary, nothing in this Agreement shall limit or otherwise restrict a Fraud claim brought by any party hereto or the right to seek specific performance pursuant to Section 10.8(b).

8.7 *Payment of Indemnification Claims*. To the extent it is finally determined or otherwise agreed upon that any Indemnifying Party is required to provide an indemnification payment pursuant to this Article VIII to any Indemnified Party, such payment shall be made directly by such Indemnifying Party by wire transfer of immediately available funds to an account designated by such Indemnified Party, within 10 Business Days of such final determination and designation of account.

8.8 *Tax Treatment of Indemnification Payments*. Any indemnification payments made under this Article VIII shall be treated for all Tax purposes as an adjustment to the relevant Purchaser's Purchase Price, except as otherwise required by applicable Law.

ARTICLE IX TERMINATION, AMENDMENT AND WAIVER

9.1 *Termination*. This Agreement may be validly terminated only as follows (it being understood and agreed that this Agreement may not be terminated for any other reason or on any other basis):

(a) at any time prior to the Closing (whether prior to or after the receipt of the Requisite Stockholder Approvals) by mutual written agreement of the Purchaser and the Company;

(b) by the Purchaser or the Company, at any time prior to the Closing (whether prior to or after the receipt of the Requisite Stockholder Approvals) if: (i) any permanent injunction or other judgment or order issued by any court of competent jurisdiction or other legal or regulatory restraint or prohibition preventing the consummation of the Transaction is in effect, or any action has been taken by any Governmental Authority of competent jurisdiction, that, in each case, prohibits, makes illegal or enjoins the consummation of the Transaction and has become final and non-appealable; or (ii) any statute, rule, regulation or order has been enacted, entered, enforced or deemed applicable to the Transaction that permanently prohibits, makes illegal or enjoins the consummation of the Transaction, except that the right to terminate this Agreement pursuant to this Section 9.1(b) will not be available to any Party that has breached its obligations to resist appeal, obtain consent pursuant to, resolve or lift, as applicable, such injunction, action, statute, rule, regulation or order;

(c) by the Purchaser or the Company, at any time prior to the Closing (whether prior to or after the receipt of the Requisite Stockholder Approvals) if the Closing has not occurred by 11:59 p.m., New York City time, on July 1, 2021 (the “**Termination Date**”); *provided* that the right to terminate this Agreement pursuant to this Section 9.1(c) will not be available to any Party whose action or failure to act (which action or failure to act constitutes a breach by such Party of this Agreement) has been the primary cause of, or primarily resulted in, either (i) the failure to satisfy the conditions to the obligations of the terminating Party to consummate the Transaction set forth in Article VII prior to the Termination Date or (ii) the failure of the Closing to have occurred prior to the Termination Date;

(d) by the Purchaser or the Company, at any time prior to the Closing if the Company fails to obtain the Requisite Stockholder Approvals at the Company Stockholder Meeting (or any adjournment or postponement thereof) at which a vote on the Transactions is taken, except that the right to terminate this Agreement pursuant to this Section 9.1(d) will not be available to any Party whose action or failure to act (which action or failure to act constitutes a breach by such Party of this Agreement) has been the primary cause of, or primarily resulted in, the failure to obtain the Requisite Stockholder Approvals at the Company Stockholder Meeting (or any adjournment or postponement thereof);

(e) by the Purchaser, if the Company has breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements contained in this Agreement, which breach or failure to perform would result in a failure of a condition set forth in Section 7.2(a) or Section 7.2(b), except that if such breach is capable of being cured by the Termination Date, the Purchaser will not be entitled to terminate this Agreement prior to the delivery by the Purchaser to the Company of written notice of such breach, delivered at least 30 days prior to such termination or such shorter period of time as remains prior to the Termination Date (the shorter of such periods, the “**Company Breach Notice Period**”) stating the Purchaser’s intention to terminate this Agreement pursuant to this Section 9.1(e) and the basis for such termination, it being understood that the Purchaser will not be entitled to terminate this Agreement if (i) such breach has been cured within the Company Breach Notice Period (to the extent capable of being cured) or (ii) the Purchaser is then in breach of any representation, warranty, agreement or covenant contained in this Agreement which breach would result in a failure of a condition set forth in Section 7.3(a) or Section 7.3(b);

(f) by the Purchaser, if at any time the Company Board (or a committee thereof) has effected a Company Board Recommendation Change;

(g) by the Company, if the Purchaser has breached or failed to perform in any material respect any of its respective representations, warranties, covenants or other agreements contained in this Agreement, which breach or failure to perform would result in a failure of a condition set forth in Section 7.3(a) or Section 7.3(b), except that if such breach is capable of being cured by the Termination Date, the Company will not be entitled to terminate this Agreement pursuant to this Section 9.1(g) prior to the delivery by the Company to the Purchaser of written

notice of such breach, delivered at least 30 days prior to such termination or such shorter period of time as remains prior to the Termination Date (the shorter of such periods, the “**Purchaser Breach Notice Period**”) stating the Company’s intention to terminate this Agreement pursuant to this Section 9.1(g) and the basis for such termination, it being understood that the Company will not be entitled to terminate this Agreement if (i) such breach has been cured within the Purchaser Breach Notice Period (to the extent capable of being cured) or (ii) the Company is then in breach of any representation, warranty, agreement or covenant contained in this Agreement which breach would result in a failure of a condition set forth in Section 7.2(a) or Section 7.2(b); and

(h) by the Purchaser or the Company, if either or both of the Other Purchase Agreements are terminated in accordance with its terms.

9.2 Manner and Notice of Termination; Effect of Termination.

(a) *Manner of Termination.* The Party terminating this Agreement pursuant to Section 9.1 (other than pursuant to Section 9.1(a)) must deliver prompt written notice thereof to the other Party specifying the provision of Section 9.1 pursuant to which this Agreement is being terminated and setting forth in reasonable detail the facts and circumstances forming the basis for such termination pursuant to such provision.

(b) *Effect of Termination.* Any proper and valid termination of this Agreement pursuant to Section 9.1 will be effective immediately upon the delivery of written notice by the terminating Party to the other Party. In the event of the termination of this Agreement pursuant to Section 9.1, this Agreement will be of no further force or effect without liability of either Party (or any partner, member, stockholder, director, officer, employee, Affiliate or Representative of such Party) to the other Party, as applicable, except that this Section 9.2, Section 9.3 and Article X will each survive the termination of this Agreement. Notwithstanding the foregoing, nothing in this Agreement or the termination hereof will relieve either Party from any liability for Fraud or any willful and material breach of this Agreement prior to its termination. In addition to the foregoing, no termination of this Agreement will affect the rights or obligations of either Party pursuant to the Confidentiality Agreement, which rights or obligations will survive the termination of this Agreement in accordance with their respective terms.

9.3 Fees and Expenses.

(a) *General.* Except as set forth in this Section 9.3 and Section 10.2(b), all fees and expenses incurred in connection with this Agreement and the Transaction will be paid by the Party incurring such fees and expenses whether or not the Transaction is consummated.

(b) *Company Payments.*

(i) If (A) this Agreement is (x) validly terminated pursuant to Section 9.1(c) (Termination Date), Section 9.1(d) (Requisite Stockholder Approvals) or Section 9.1(e) (Company Breach) or (y) validly terminated pursuant to Section 9.1(h) (Other Transactions) at a time when this Agreement may be terminated pursuant to Section 9.1(c) (Termination Date), Section 9.1(d) (Requisite Stockholder Approvals) or Section 9.1(e) (Company Breach); (B) following the execution and delivery of this Agreement and prior to such termination of this Agreement, an Acquisition Proposal has been publicly announced or known to

the Company Board; and (C) within 12 months following such termination of this Agreement, either an Acquisition Transaction is consummated or the Company enters into a definitive agreement providing for an Acquisition Transaction and such Acquisition Transaction is subsequently consummated, then the Company will promptly (and in any event within two Business Days) after such consummation pay to the Purchaser the Company Termination Fee by wire transfer of immediately available funds to the account designated in writing by the Purchaser. For purposes of this Section 9.3(b)(i), all references to “10%” in the definition of “Acquisition Transaction” will be deemed to be references to “25%.”

(ii) If this Agreement is (x) validly terminated pursuant to Section 9.1(f) (Company Board Recommendation Change) or (y) validly terminated pursuant to Section 9.1(d) (Requisite Stockholder Approvals), Section 9.1(c) (Termination Date) or Section 9.1(h) (Other Transactions) at a time when this Agreement may be terminated pursuant to Section 9.1(f) (Company Board Recommendation Change), then the Company must promptly (and in any event within two Business Days) following such termination pay, or cause to be paid, to the Purchaser the Company Termination Fee by wire transfer of immediately available funds to an account or accounts designated in writing by the Purchaser.

(iii) If this Agreement is (x) validly terminated pursuant to Section 9.1(d) (Requisite Stockholder Approvals) or (y) validly terminated pursuant to Section 9.1(h) (Other Transactions) at a time when this Agreement may be terminated pursuant to Section 9.1(d) (Requisite Stockholder Approvals), then the Company must, prior to or concurrently with such termination, reimburse the Purchaser for an amount not to exceed \$500,000 for the Purchaser’s reasonable, documented out-of-pocket expenses incurred in connection with this Agreement and the transactions contemplated hereby (collectively, the “**Expense Reimbursement**”).

(c) *Single Payment Only.* The Parties acknowledge and agree that in no event will the Company be required to pay the Company Termination Fee or Expense Reimbursement, as applicable, on more than one occasion, whether or not the Company Termination Fee or Expense Reimbursement, as applicable, may be payable pursuant to more than one provision of this Agreement at the same or at different times and upon the occurrence of different events. Notwithstanding anything to the contrary herein, the Purchaser’s receipt of the Expense Reimbursement shall not act as a waiver of the Company’s obligation to pay the Company Termination Fee pursuant to Section 9.3(b)(i).

(d) *Payments; Default.* The Parties acknowledge that the agreements contained in this Section 9.3 are an integral part of the Transaction, and that the damages resulting from the termination of this Agreement under circumstances where the Company Termination Fee or Expense Reimbursement is payable are uncertain and incapable of accurate calculation and that, without these agreements, the Parties would not enter into this Agreement, and, therefore, the Company Termination Fee or Expense Reimbursement, if, as and when required pursuant to this Section 9.3, shall not constitute a penalty, but rather liquidated damages, and in a reasonable amount that will compensate the Party receiving such amount in the circumstances in which it is payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transaction. Accordingly, if the Company fails to promptly pay any amount due pursuant to

Section 9.3(b) and, in order to obtain such payment, the Purchaser commences a Legal Proceeding that results in a judgment against the Company for the amount set forth in Section 9.3(b) or any portion thereof, the Company will pay to the Purchaser its out-of-pocket costs and expenses (including reasonable attorneys' fees) in connection with such Legal Proceeding, together with interest on such amount or portion thereof at the annual rate of 5% plus the prime rate as published in *The Wall Street Journal* in effect on the date that such payment or portion thereof was required to be made through the date that such payment or portion thereof was actually received, or a lesser rate that is the maximum permitted by applicable Law (the "**Recovery Costs**").

(e) *Exclusivity of Remedies.*

(i) Notwithstanding anything in this Agreement to the contrary, but subject to the last sentence of Section 9.3(c) and Section 9.3(d), in the event the Company Termination Fee and Expense Reimbursement to the extent owed described in Section 9.3(b) is paid to the Purchaser or its respective designees, such Company Termination Fee and Expense Reimbursement to the extent owed shall constitute the sole and exclusive remedy of the Purchaser against (A) the Company, its Subsidiaries and each of their respective Affiliates; and (B) the former, current and future holders of any equity, controlling persons, directors, officers, employees, agents, attorneys, Affiliates, members, managers, general or limited partners, stockholders and assignees of each of the Company, its Subsidiaries and each of their respective Affiliates (collectively, the "**Company Related Parties**") for any loss suffered as a result of the failure of the transactions contemplated by this Agreement or any agreement executed in connection herewith to be consummated, and upon payment of the Company Termination Fee and Expense Reimbursement to the extent owed none of the Company Related Parties shall have any further liability or obligation relating to or arising out of this Agreement, any agreement executed in connection herewith or the transactions contemplated hereby and thereby (except that the Parties (or their Affiliates) will remain obligated with respect to, and the Purchaser may be entitled to remedies with respect to, the Confidentiality Agreement, Section 9.3(a) and Section 9.3(d), as applicable), other than for Fraud. The Parties hereto acknowledge and agree that, subject to the last sentence of Section 9.3(c), in no event shall the Company be required to pay the Company Termination Fee and Expense Reimbursement to the extent owed on more than one occasion, whether or not the Company Termination Fee and Expense Reimbursement to the extent owed may be payable under more than one provision of this Agreement at the same or at different times or for the occurrence of different events. Notwithstanding anything herein to the contrary, the Parties acknowledge and agree that, other than in the case of Fraud, in no event will the Company or any of its Subsidiaries have liability for monetary damages (including monetary damages in lieu of specific performance) in the aggregate in excess of the amount of the sum of the Company Termination Fee, Expense Reimbursement, and Recovery Costs to the extent owed (less any portion thereof that has been paid).

(ii) Notwithstanding anything to the contrary in this Agreement but subject to Section 9.3(e)(iii), if the Purchaser breaches this Agreement (whether such breach is intentional and material, unintentional, willful or otherwise) or fails to perform hereunder (whether such failure is intentional and material, unintentional, willful or otherwise), the Company's right to: (A) seek an injunction, specific performance or other equitable relief in accordance with the terms and limitations of Section 10.8(b); or (B) terminate this Agreement and seek money damages from the Purchaser in the event of willful and material breach of this Agreement by the Purchaser

prior to termination, shall be the sole and exclusive remedies (whether such remedies are sought in equity or at law, in contract, in tort or otherwise) of the Company and the Company Related Parties against (1) the Purchaser, its Subsidiaries and each of their respective Affiliates; and (2) the former, current and future holders of any equity, controlling persons, directors, officers, employees, agents, attorneys, Affiliates, members, managers, general or limited partners, stockholders and assignees of the Purchaser, its Subsidiaries and their respective Affiliates (collectively, the “**Purchaser Related Parties**”) for any losses, damages, costs, expenses, obligations or liabilities arising out of or related to this Agreement (or any breach of any representation, warranty, covenant, agreement or obligation contained herein), the transactions contemplated by this Agreement (or any failure of such transactions to be consummated) or in respect of any oral representations made or alleged to be made in connection with this Agreement, the transactions contemplated herein or therein or otherwise (except that the Parties (or their Affiliates) will remain obligated with respect to, and the Company and its Subsidiaries may be entitled to remedies with respect to, the Confidentiality Agreement, Section 9.3(a) and Section 9.3(d)).

(iii) While each of the Company and the Purchaser may pursue a grant of specific performance in accordance with Section 10.8(b), under no circumstances shall the Company or the Purchaser be permitted or entitled to receive both (A) a grant of specific performance that results in the Closing occurring and (B) any money damages (including the Company Termination Fee and Expense Reimbursement, as applicable).

9.4 Amendment. Subject to applicable Law and subject to the other provisions of this Agreement, this Agreement may be amended by the Parties at any time by execution of an instrument in writing signed on behalf of the Purchaser and the Company (pursuant to authorized action by the Company Board (or a committee thereof)), except that in the event that the Company has received the Requisite Stockholder Approvals, no amendment may be made to this Agreement that requires the approval of the Company Stockholders pursuant to the NASDAQ rules without such approval.

Notwithstanding the foregoing, (a) no Transaction Document shall be amended or waived in any manner that would impair, impede or materially delay the consummation of any Other Transaction (or terminated (other than a termination (excluding a termination due to mutual agreement) in accordance with its terms)) without the prior written consent of the applicable Other Purchaser and (b) any amendment or waiver that expands the rights or limits the obligations or liabilities of the Purchaser hereunder shall, at each Other Purchaser’s option, be deemed to be made with respect to the applicable Other Purchase Agreement and apply to such Other Purchaser. In furtherance of the preceding sentence, the Company shall provide prompt written notice to the Other Purchasers of any amendment or waiver of this Agreement. Each Other Purchaser is an express third-party beneficiary of the prior two sentences of this Section 9.4.

9.5 Extension; Waiver. At any time and from time to time prior to the Closing, either Party may, to the extent legally allowed and except as otherwise set forth herein: (a) extend the time for the performance of any of the obligations or other acts of the other Party, as applicable; (b) waive any inaccuracies in the representations and warranties made to such Party contained herein or in any document delivered pursuant hereto; and (c) subject to the requirements of applicable Law, waive compliance with any of the agreements or conditions for the benefit of such Party contained herein. Any agreement on the part of either Party to any such extension or waiver will be valid only if set forth in an instrument in writing signed by such Party. Any delay in exercising any right pursuant to this Agreement will not constitute a waiver of such right.

Any notice received at the addressee's location on any Business Day after 5:00 p.m., addressee's local time, or on any day that is not a Business Day will be deemed to have been received at 9:00 a.m., addressee's local time, on the next Business Day. From time to time, either Party may provide notice to the other Party of a change in its address or e-mail address through a notice given in accordance with this Section 10.1, except that that notice of any change to the address or any of the other details specified in or pursuant to this Section 10.1 will not be deemed to have been received until, and will be deemed to have been received upon, the later of the date (A) specified in such notice or (B) that is five Business Days after such notice would otherwise be deemed to have been received pursuant to this Section 10.1.

10.2 Tax Matters.

(a) *Withholding*. The Company agrees that, provided that the Purchaser delivers to the Company a properly executed IRS Form W-9 certifying as to the complete exemption from backup withholding of the Purchaser (or, if the Purchaser is a disregarded entity for U.S. federal income Tax purposes, its regarded owner), under current Law the Company (including any paying agent of the Company) shall not be required to, and shall not, deduct or withhold Taxes on any payments or deemed payments to the Purchaser. In the event that the Purchaser fails to deliver to the Company such properly executed IRS Form W-9, the Company reasonably believes that a previously delivered IRS Form W-9 is no longer accurate and/or valid, or there is a change in Law that affects the withholding obligations of the Company, the Company and its paying agent shall be entitled to deduct or withhold on all applicable payments made to the Purchaser in the form of cash such Tax amounts as the Company reasonably determines are required to be deducted or withheld therefrom under any provision of applicable Law (and, to the extent such amounts are paid to the relevant taxing authority in accordance with applicable Law, such amounts will be treated for all purposes of this Agreement as having been paid to the Person in respect of which such withholding was made); *provided*, that if the Company determines that an amount is required to be deducted or withheld on any payment with respect to the Purchaser, the Company shall provide reasonable prior notice to the Purchaser in writing of its intent to deduct or withhold Taxes on such payment and will reasonably cooperate with the Purchaser in obtaining any available exemption or reduction of such withholding.

(b) *Transfer Taxes*. The Company shall pay any and all Transfer Taxes due on (i) the issue of the Purchased Shares and (ii) the issue of shares of Company Common Stock upon conversion of the Purchased Shares. However, the Company shall not be required to pay any Transfer Tax that may be payable in respect of the issue or delivery (or any transfer involved in

the issue or delivery) of Purchased Shares or shares of Company Common Stock issued upon conversion of the Purchased Shares to a beneficial owner other than the initial beneficial owner of the Purchased Shares, and no such issue or delivery shall be made unless and until the person requesting such issue or delivery has paid to the Company the amount of any such Transfer Tax or has established to the satisfaction of the Company that such Transfer Tax has been paid or is not payable.

(c) *Intended Tax Treatment.* The Purchaser and the Company agree not to treat the Series B Preferred Stock (based on the terms set forth in the Certificate of Designations) as “preferred stock” for purposes of Section 305 of the Code and the Treasury Regulations promulgated thereunder, and, as a consequence, neither the Annual Dividends nor the Special Dividend accruing on the Series B Preferred Stock nor any difference between the purchase price paid for the Series B Preferred Stock and the Liquidation Preference (as defined in the Certificate of Designations) thereof will, by reason of Section 305(b)(4) of the Code or Treasury Regulations Section 1.305-5, be treated as a distribution of property until paid in cash. The Company and the Purchaser (and their respective Affiliates) shall file all Tax Returns in a manner consistent with the foregoing intended Tax treatment and shall not take any Tax position that is inconsistent with such intended Tax treatment except in connection with, or as required by, any of the following: (w) a change in relevant Law occurring after the Closing Date, (x) after the Closing Date, the promulgation of relevant final U.S. Treasury Regulations addressing instruments similar to the Series B Preferred Stock (from and after the effective date of such regulations), (y) an amendment to the terms of the Certificate of Designations or (z) a “determination” within the meaning of section 1313(a) of the Code.

10.3 *Assignment.* No Party may assign either this Agreement or any of its rights, interests, or obligations hereunder, by operation of Law or otherwise, without the prior written approval of the other Party, except that the Purchaser will have the right to assign all or any portion of its rights and obligations pursuant to this Agreement from and after the Closing to any of its Affiliates or in connection with a merger or consolidation involving the Purchaser or other disposition of all or substantially all of the assets of the Purchaser, it being understood that, such assignment will not (i) relieve the Purchaser of any of its obligations under this Agreement or (ii) impede or delay the consummation of the Transaction. Subject to the preceding sentence, this Agreement will be binding upon and will inure to the benefit of, and be enforceable by, the Parties and their respective successors and permitted assigns. Notwithstanding the foregoing, the provisions of Section 10.2(a) shall apply in respect of any transferee *mutatis mutandis*. No assignment by either Party will relieve such Party of any of its obligations hereunder. Any purported assignment of this Agreement without the consent required by this Section 10.3 is null and void.

10.4 *Confidentiality.* The Company and the Purchaser hereby acknowledge that the Company and the Purchaser have previously executed a Non-Disclosure Agreement, dated May 12, 2020 (the “**Confidentiality Agreement**”), which will continue in full force and effect in accordance with its terms. The Purchaser and its Representatives will hold and treat all documents and information concerning the Company and its Subsidiaries furnished or made available to the Purchaser or its Representatives in connection with the Transaction in accordance with the Confidentiality Agreement.

10.5 *Entire Agreement*. This Agreement and the documents and instruments and other agreements between the Parties as contemplated by or referred to herein, including the Confidentiality Agreement and the Company Disclosure Letter, constitute the entire agreement between the Parties with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, between the Parties with respect to the subject matter hereof. Notwithstanding anything to the contrary in this Agreement, the Confidentiality Agreement will: (a) not be superseded; (b) survive any termination of this Agreement; and (c) continue in full force and effect until the earlier to occur of the Closing and the date on which the Confidentiality Agreement expires in accordance with its terms or is validly terminated by the parties thereto.

10.6 *Third Party Beneficiaries*. Unless expressly set forth herein, this Agreement is not intended to and shall not confer any rights or remedies upon any person other than the Parties, their respective successors and permitted assigns and any Indemnified Party hereunder.

10.7 *Severability*. In the event that any provision of this Agreement, or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other Persons or circumstances will be interpreted so as reasonably to effect the intent of the Parties. Upon such a determination, the Parties agree to negotiate in good faith to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision. If any provision of this Agreement is so broad as to be unenforceable, such provision will be interpreted to be only so broad as it is enforceable.

10.8 *Remedies*.

(a) *Remedies Cumulative*. Except as otherwise provided herein, any and all remedies herein expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby or by Law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy. Notwithstanding anything else to the contrary herein, although the Company may pursue both a grant of specific performance and monetary damages, under no circumstances will the Company be permitted or entitled to receive both a grant of specific performance that results in the occurrence of the Closing and monetary damages (including any monetary damages in lieu of specific performance). Except as set forth in the foregoing sentence, the Parties agree that (i) by seeking the remedies provided for in this Section 10.8, a Party shall not in any respect waive its right to seek any other form of relief that may be available to a party under this Agreement and (ii) nothing set forth in this Section 10.8 shall require any Party hereto to institute any legal action or claim for (or limit any Party's right to institute any legal action or claim for) injunctive relief or specific performance under this Section 10.8 prior or as a condition to exercising any termination right under Article IX (and pursuing damages after such termination), nor shall the commencement of any legal action or claim pursuant to this Section 10.8 or anything set forth in this Section 10.8 restrict or limit any Party's right to terminate this Agreement in accordance with the terms of Article IX or pursue any other remedies under this Agreement or applicable Law that may be available then or thereafter.

(b) *Specific Performance.*(i)

(i) The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy would occur in the event that the Parties do not perform the provisions of this Agreement (including any Party failing to take such actions as are required of it hereunder in order to consummate this Agreement) in accordance with its specified terms or otherwise breach such provisions. The Parties acknowledge and agree that: (A) the Parties will be entitled, in addition to any other remedy to which they are entitled at Law or in equity, to an injunction, specific performance and other equitable relief to prevent breaches (or threatened breaches) of this Agreement in accordance with its specified terms and to enforce specifically the terms and provisions hereof; (B) the provisions of Section 9.3 are not intended to and do not adequately compensate the Company, on the one hand, or the Purchaser, on the other hand, for the harm that would result from a breach of this Agreement, and will not be construed to diminish or otherwise impair in any respect any Party's right to an injunction, specific performance and other equitable relief; and (C) the right of specific enforcement (including, without limitation, specific performance of the Parties' obligations to effect the Closing) is an integral part of the Transaction and without that right, neither the Company nor the Purchaser would have entered into this Agreement.

(ii) The Parties agree not to raise any objections based on the adequacy of legal remedies or the enforceability of this Section 10.8 to: (A) the granting of an injunction, specific performance or other equitable relief to prevent or restrain breaches or threatened breaches of this Agreement by the Company, on the one hand, or the Purchaser, on the other hand; and (B) the specific performance of the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the covenants, obligations and agreements of the Purchaser pursuant to this Agreement. Any Party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement will not be required to provide any bond or other security in connection with such injunction or enforcement, and each Party irrevocably waives any right that it may have to require the obtaining, furnishing or posting of any such bond or other security.

(iii) Notwithstanding anything to the contrary in this Agreement, if prior to the Termination Date any Party initiates a Legal Proceeding against the other Party to enforce specifically the other Party's obligation to consummate the Transaction if and when required to do so pursuant to Section 2.2, then the Termination Date will be automatically extended by: (A) the amount of time during which such Legal Proceeding is pending plus five Business Days; or (B) such other time period established by the court presiding over such Legal Proceeding.

10.9 Governing Law. This Agreement and all actions, proceedings or counterclaims (whether based on contract, tort or otherwise) arising out of or relating to this Agreement, any transaction contemplated hereby or the actions of the Purchaser or the Company in the negotiation, administration, performance and enforcement thereof, shall be governed by, and construed in accordance with the Laws of the State of Delaware, including its statute of limitations, without giving effect to any choice or conflict of Laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware.

10.10 *Consent to Jurisdiction*. Each of the Parties: (a) irrevocably consents to the service of the summons and complaint and any other process (whether inside or outside the territorial jurisdiction of the Chosen Courts) in any Legal Proceeding relating to the Transaction, for and on behalf of itself or any of its properties or assets, in accordance with Section 10.1 or in such other manner as may be permitted by applicable Law, and nothing in this Section 10.10 will affect the right of any Party to serve legal process in any other manner permitted by applicable Law; (b) irrevocably and unconditionally consents and submits itself and its properties and assets in any Legal Proceeding to the exclusive general jurisdiction of the Court of Chancery of the State of Delaware and any state appellate court therefrom within the State of Delaware (or, solely if the Court of Chancery of the State of Delaware declines to accept jurisdiction over a particular matter, any other state or federal court within the State of Delaware) (the “**Chosen Courts**”) in the event of any dispute or controversy relating to or arising out of this Agreement or the transactions contemplated hereby or thereby; (c) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court; (d) agrees that any Legal Proceeding relating to or arising out of this Agreement or the transactions contemplated hereby or thereby will be brought, tried and determined only in the Chosen Courts; (e) waives any objection that it may now or hereafter have to the venue of any such Legal Proceeding in the Chosen Courts or that such Legal Proceeding was brought in an inconvenient court and agrees not to plead or claim the same; and (f) agrees that it will not bring any Legal Proceeding relating to or arising out of this Agreement or the transactions contemplated hereby or thereby in any court other than the Chosen Courts unless the Chosen Courts issue a final judgment determining that such court lacks jurisdiction. The Purchaser and the Company agree that a final judgment and any interim relief (whether equitable or otherwise) in any Legal Proceeding in the Chosen Courts will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law.

10.11 *WAIVER OF JURY TRIAL*. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE PURSUANT TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT THAT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING (WHETHER FOR BREACH OF CONTRACT, TORTIOUS CONDUCT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTION. EACH PARTY ACKNOWLEDGES AND AGREES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER; (ii) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER; (iii) IT MAKES THIS WAIVER VOLUNTARILY; AND (iv) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.11.

10.12 *No Recourse*. All claims, obligations, liabilities, or causes of action (whether in contract or in tort, in law or in equity, or granted by statute) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or relate in any manner to this Agreement, or the negotiation, execution, or performance of this Agreement (including any representation or warranty made in, in connection with, or as an inducement to, this Agreement), may be made only against (and such representations and warranties are those solely of) the Persons that are expressly identified as parties in the preamble to this Agreement (the “**Contracting Parties**”). No Person

who is not a Contracting Party, including any current, former or future director, officer, employee, incorporator, member, partner, manager, stockholder, Affiliate, agent, attorney, Representative or assignee of, and any financial advisor or lender to, any Contracting Party, or any current, former or future director, officer, employee, incorporator, member, partner, manager, stockholder, Affiliate, agent, attorney, Representative or assignee of, and any financial advisor or lender to, any of the foregoing (collectively, the “**Nonparty Affiliates**”), shall have any liability (whether in contract or in tort, in law or in equity, or granted by statute) for any claims, causes of action, obligations, or liabilities arising under, out of, in connection with, or related in any manner to this Agreement or based on, in respect of, or by reason of this Agreement or its negotiation, execution, performance, or breach, and, to the maximum extent permitted by applicable Law, each Contracting Party hereby waives and releases all such liabilities, claims, causes of action, and obligations against any such Nonparty Affiliates. Without limiting the foregoing, to the maximum extent permitted by applicable Law: (a) each Contracting Party hereby waives and releases any and all rights, claims, demands, or causes of action that may otherwise be available at law or in equity, or granted by statute, to avoid or disregard the entity form of a Contracting Party or otherwise impose liability of a Contracting Party on any Nonparty Affiliate, whether granted by statute or based on theories of equity, agency, control, instrumentality, alter ego, domination, sham, single business enterprise, piercing the veil, unfairness, undercapitalization, or otherwise; and (b) each Contracting Party disclaims any reliance upon any Nonparty Affiliates with respect to the performance of this Agreement or any representation or warranty made in, in connection with, or as an inducement to this Agreement. Notwithstanding anything to the contrary in this Section 10.12, nothing in this Section 10.12 shall be deemed to limit any liabilities or obligations of, or claims against, (x) any party to any other Transaction Document or serve as a waiver of any right on the part of any party to such other Transaction Document to initiate any Legal Proceedings permitted by, pursuant to, and in accordance with the specific terms of such other Transaction Document or (y) any Person in respect of Fraud.

10.13 *Company Disclosure Letter References*. The Parties agree that the disclosure set forth in any particular Section or subsection of the Company Disclosure Letter will be deemed to be an exception to (or, as applicable, a disclosure for purposes of): (a) the representations and warranties (or covenants, as applicable) of the Company that are set forth in the corresponding Section or subsection of this Agreement; and (b) any other representations and warranties (or covenants, as applicable) of the Company that are set forth in this Agreement, but in the case of this clause (b) only if the relevance of that disclosure as an exception to (or a disclosure for purposes of) such other representations and warranties (or covenants, as applicable) is reasonably apparent on the face of such disclosure.

10.14 *Counterparts*. This Agreement and any amendments hereto may be executed in one or more counterparts, all of which will be considered one and the same agreement and will become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that all Parties need not sign the same counterpart. Any such counterpart, to the extent delivered by fax or .pdf, .tif, .gif, .jpg or similar attachment to electronic mail (any such delivery, an “**Electronic Delivery**”), will be treated in all manner and respects as an original executed counterpart and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No Party may raise the use of an Electronic Delivery to deliver a signature, or the fact that any signature or agreement or instrument was transmitted or communicated through the use of an Electronic Delivery, as a defense to the formation of a contract, and each Party forever waives any such defense, except to the extent such defense relates to lack of authenticity.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed and delivered by their respective duly authorized officers as of the date first written above.

SECTION 1 Designation and Number of Shares. The shares of such series of Preferred Stock shall be designated as “Series B Convertible Preferred Stock” (the “**Series B Preferred Stock**”). The number of authorized shares constituting the Series B Preferred Stock shall be []. That number from time to time may be increased or decreased (but not below the number of shares of Series B Preferred Stock then outstanding) by further resolution duly adopted by the Board, or any duly authorized committee thereof, and by the filing of a certificate pursuant to the provisions of the DGCL stating that such increase or decrease, as applicable, has been so authorized. The Company shall not have the authority to issue fractional shares of Series B Preferred Stock.

SECTION 2 **Ranking.** The Series B Preferred Stock will rank, with respect to dividend rights and rights on the distribution of assets on any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company:

(a) on a parity basis with each other class or series of Capital Stock (as defined below) of the Company hereafter authorized, classified or reclassified in accordance with the Consent Provisions and Section 12(b), the terms of which expressly provide that such class or series ranks on a parity basis with the Series B Preferred Stock as to dividend rights and rights on the distribution of assets on any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company (such Capital Stock, "**Parity Stock**");

SECTION 3 **Definitions.** As used herein with respect to Series B Preferred Stock:

"**Accrued Dividends**" means, as of any date, with respect to any share of Series B Preferred Stock, all Annual Dividends that have accrued on such share pursuant to Section 4(b) and Section 4(c), whether or not declared, but that have not, as of such date, been paid in cash.

For purposes of this definition, the term "control" (including, with correlative meanings, the terms "controlling," "controlled by" and "under common control with"), as used with respect to any Person, means the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of that Person, whether through the ownership of voting securities or partnership or other ownership interests, by contract or otherwise.

"**Annual Dividends**" has the meaning set forth in Section 4(b)(i).

“**Antitrust Law**” means the Sherman Antitrust Act, the Clayton Antitrust Act, the Hart-Scott-Rodino Antitrust Improvements Act of 1976, the Federal Trade Commission Act and all other Laws that are designed or intended to prohibit, restrict or regulate actions having the purpose or effect of monopolization or restraint of trade or significant impediments or lessening of competition or the creation or strengthening of a dominant position through merger or acquisition, in any case that are applicable to the Transaction.

“**Available Registration Statement**” shall mean, with respect to a Registration Statement as of a date, that (a) as of such date, such Registration Statement is effective for an offering to be made on a delayed or continuous basis by the Holders, there is no stop order with respect thereto and the Company reasonably believes that such Registration Statement will be continuously available for the resale of Registrable Securities (as defined in the Registration Rights Agreement) by the Holders for the next ten (10) Business Days and (b) as of such date, (i) there is not in effect an Interruption Period, Suspension Period or Quarterly Blackout Period (as each such term is defined in the Registration Rights Agreement) and the Company does not reasonably believe that there will be in effect, during the next ten (10) Business Days, an Interruption Period, Suspension Period or Quarterly Blackout Period (as each such term is defined in the Registration Rights Agreement) and (ii) the Investor Parties are not restricted by the holdback provision of Section 2.6 of the Registration Rights Agreement or any related “lock-up” agreement.

“**Base Amount**” means, with respect to any share of Series B Preferred Stock, as of any date of determination, the sum of (a) the Purchase Price and (b) the Base Amount Accrued Dividends with respect to such share as of such date.

Any shares of Common Stock issued upon conversion of Series B Preferred Stock shall be duly authorized, validly issued, fully paid and nonassessable and will not be subject to preemptive rights or subscription rights of any other stockholder of the Company.

SECTION 7 **Mandatory Conversion by the Company.**

(a) At any time after the five (5) year anniversary of the Original Issuance Date, if (i) the Closing Price of the Common Stock was greater than the Mandatory Conversion Price (A) for at least twenty (20) Trading Days in any period of thirty (30) consecutive Trading Days ending on, and including, the Trading Day immediately preceding the date of the Notice of Mandatory Conversion (such thirty (30) consecutive Trading Day period, the "**Trading Period**") and (B) on the last Trading Day of the Trading Period and (ii) the pro rata share of an aggregate of \$100,000,000 in Annual Dividends and/or Special Dividends has been paid with respect to each share of Series B Preferred Stock that was outstanding as of the Original Issuance Date and remains outstanding, the Company may elect to convert (a "**Mandatory Conversion**") all, but not less than all, of the outstanding shares of Series B Preferred Stock into shares of Common Stock (the date selected by the Company for any Mandatory Conversion pursuant to this **Section 7(a)**) and in accordance with **Section 7(b)** below, the "**Mandatory Conversion Date**"); *provided* that the Company may not elect or consummate a Mandatory Conversion if any Investor Party holds or would hold upon such Mandatory Conversion (or any earlier conversion following the date of the related Notice of Mandatory Conversion) shares of Common Stock that are Registrable Securities (as defined in the Registration Rights Agreement) unless as of the date of such Notice of Mandatory Conversion and as of the Mandatory Conversion Date there is an Available Registration Statement covering resale of such shares of Common Stock by the Investor Parties. In the case of a Mandatory Conversion, each share of Series B Preferred Stock then outstanding shall be converted into (A) a whole number of shares of Common Stock at the Conversion Rate **plus** (B) cash in lieu of fractional shares as set out in **Section 10(h)**.

(b) **Notice of Mandatory Conversion.** If the Company elects to effect a Mandatory Conversion, the Company shall, on the date immediately following the completion of the applicable thirty (30) day Trading Period referred to in **Section 7(a)** above, provide notice of the Mandatory Conversion to each Holder (such notice, a "**Notice of Mandatory Conversion**"). For the avoidance of doubt, a Notice of Mandatory Conversion does not limit a Holder's right to convert on a Conversion Date prior to the Mandatory Conversion Date. The Mandatory Conversion Date selected by the Company shall be no less than ten (10) Business Days and no more than twenty (20) Business Days after the date on which the Company provides the Notice of Mandatory Conversion to the Holders. The Notice of Mandatory Conversion shall state, as appropriate:

- (i) the Mandatory Conversion Date selected by the Company;

(ii) the applicable procedures a Holder must follow for issuance of the shares of Common Stock pursuant to Section 8(a); and

(iii) the Conversion Rate as in effect on the Mandatory Conversion Date and the number of shares of Common Stock to be issued to the Holder upon conversion of each share of Series B Preferred Stock held by such Holder and, if applicable, the amount of Accrued Dividends as of the Mandatory Conversion Date.

SECTION 8 Conversion Procedures and Effect of Conversion

(a) Conversion Procedure. A Holder must do each of the following in order to convert shares of Series B Preferred Stock pursuant to this Section 8(a):

(i) in the case of a conversion pursuant to Section 6(a), complete and manually sign the conversion notice provided by the Conversion Agent, a form of which is attached hereto as Exhibit A (the “**Conversion Notice**”), and deliver such notice to the Conversion Agent; *provided* that a Conversion Notice may be conditional on the completion of a Change of Control or other corporate transaction as such Holder may specify;

(ii) deliver to the Conversion Agent the certificate or certificates (if any) representing the shares of Series B Preferred Stock to be converted;

(iii) if required, furnish appropriate endorsements and transfer documents; and

(iv) if required, pay any stock transfer, documentary, stamp or similar taxes not payable by the Company pursuant to Section 18.

The “**Conversion Date**” means (A) with respect to conversion of any shares of Series B Preferred Stock at the option of any Holder pursuant to Section 6(a), the date on which such Holder complies with the procedures in this Section 8(a) (including the satisfaction of any conditions to conversion set forth in the Conversion Notice) and (B) with respect to Mandatory Conversion pursuant to Section 7(a), the Mandatory Conversion Date.

(b) Effect of Conversion. Effective immediately prior to the close of business on the Conversion Date applicable to any shares of Series B Preferred Stock, Dividends shall no longer accrue or be declared on any such shares of Series B Preferred Stock, such shares of Series B Preferred Stock shall cease to be outstanding and the corresponding shares of Common Stock pursuant to the conversion shall be issued and outstanding.

(c) Record Holder of Underlying Securities as of Conversion Date. The Person or Persons entitled to receive the Common Stock and, to the extent applicable, cash, securities or other property issuable upon conversion of Series B Preferred Stock on a Conversion Date shall be treated for all purposes as the record holder(s) of such shares of Common Stock and/or cash, securities or other property as of the close of business on such Conversion Date. As promptly as practicable on or after the Conversion Date and, if applicable, compliance by the applicable Holder with the relevant procedures contained in Section 8(a) (and in any event no later than three (3) Trading Days thereafter; *provided however* that, if a written notice from the Holder in accordance

with Section 8(a)(i) specifies a date of delivery for any shares of Common Stock, such shares shall be delivered on the date so specified, which shall be no earlier than the second (2nd) Business Day immediately following the date of such notice and no later than the seventh (7th) Business Day thereafter), the Company shall issue the number of whole shares of Common Stock issuable upon conversion (and deliver payment of cash in lieu of fractional shares as set out in Section 10(h)) and, to the extent applicable, any cash, securities or other property issuable thereon. Such delivery of shares of Common Stock, securities or other property shall be made by book-entry or, at the request of the Holder, by delivering a notice to the Conversion Agent, through the facilities of The Depository Trust Company or in certificated form. Any such certificate or certificates shall be delivered by the Company to the appropriate Holder on a book-entry basis, through the facilities of The Depository Trust Company, or by mailing certificates evidencing the shares to the Holders, in each case at their respective addresses as set forth in the Conversion Notice (in the case of a conversion pursuant to Section 6(a)) or in the records of the Company or as set forth in a notice from the Holder to the Conversion Agent, as applicable (in the case of a Mandatory Conversion). In the event that a Holder shall not by written notice designate the name in which shares of Common Stock (and payments of cash in lieu of fractional shares) and, to the extent applicable, cash, securities or other property to be delivered upon conversion of shares of Series B Preferred Stock should be registered or paid, or the manner in which such shares, cash, securities or other property should be delivered, the Company shall be entitled to register and deliver such shares, securities or other property, and make such payment, in the name of the Holder and in the manner shown on the records of the Company.

(d) Status of Converted or Reacquired Shares. Shares of Series B Preferred Stock converted in accordance with this Certificate of Designations, or otherwise acquired by the Company or any of its Subsidiaries in any manner whatsoever, shall not be reissued as shares of Series B Preferred Stock and shall be retired promptly after the conversion or acquisition thereof. All such shares shall, upon their retirement and any filing required by the DGCL, become authorized but unissued shares of Preferred Stock, without designation as to series until such shares are once more designated as part of a particular series by the Board pursuant to the provisions of the Certificate of Incorporation.

(e) Partial Conversion. In case any certificate for shares of Series B Preferred Stock shall be surrendered for partial conversion, the Company shall, at its expense, execute and deliver to or upon the written order of the Holder of the certificate so surrendered a new certificate for the shares of Series B Preferred Stock not converted.

SECTION 9 Change of Control

(a) Change of Control Notices. On or before the twentieth (20th) Business Day prior to the date on which the Company anticipates consummating a Change of Control (or, if later, promptly after the Company discovers that a Change of Control may occur), a written notice shall be sent by or on behalf of the Company to the Holders as they appear in the records of the Company, which notice shall set forth a description of the anticipated Change of Control (including, for the avoidance of doubt, the details of any consideration to be delivered as a distribution on or in exchange for outstanding shares of Common Stock) and contain the date on which the Change of Control is anticipated to be effected (or, if applicable, the date on which a Schedule TO or other schedule, form or report disclosing a Change of Control was filed) (the

“**Initial Change of Control Notice**”). No later than the later of (x) ten (10) Business Days prior to the date on which the Company anticipates consummating the Change of Control as set forth in the Initial Change of Control Notice and (y) the earlier of (1) the twentieth (20th) Business Day following the relevant Change of Control Effective Date and (2) the tenth (10th) Business Day following receipt of the relevant Initial Change of Control Notice, any Holder that desires to exercise its rights pursuant to Section 9(b) shall notify the Company in writing thereof (such notice, a “**Change of Control Election Notice**”) and shall specify (x) that such Holder is electing to exercise its rights pursuant to Section 9(b) and (y) the number of shares of Series B Preferred Stock subject to each such election. Within two (2) days following the effective date of a Change of Control (the “**Change of Control Effective Date**”) (or if the Company discovers later than such date that a Change of Control has occurred, promptly following the date of such discovery), a written notice (the “**Change of Control Put Notice**”) shall be sent by or on behalf of the Company to the Holders as they appear in the records of the Company, which notice shall contain:

(i) the scheduled Change of Control Purchase Date, which shall be no less than 40 nor more than 60 calendar days following the date of such Change of Control Put Notice;

(ii) the applicable Change of Control Put Price and the number of shares of Series B Preferred Stock subject to the Change of Control Put;

(iii) the instructions a Holder must follow to receive the applicable Change of Control Put Price;

(iv) that a Holder may not convert any shares of Series B Preferred Stock as to which it has elected a Change of Control Put, subject to Section 9(k); and

(v) a description of the Change of Control (including, for the avoidance of doubt, the details of any consideration delivered as a distribution on or in exchange for outstanding shares of Common Stock) and the applicable Change of Control Effective Date.

(b) Change of Control Put. Subject to the application of Section 9(h) and Section 9(k), the Company shall purchase from each Holder that delivered a Change of Control Election Notice all shares of Series B Preferred Stock specified in such Change of Control Election Notice (a “**Change of Control Put**”) for a purchase price per each such share of Series B Preferred Stock, payable in cash, equal to the Liquidation Preference of such share of Series B Preferred Stock as of the applicable Change of Control Purchase Date (the “**Change of Control Put Price**”) on the Change of Control Purchase Date specified in the relevant Change of Control Put Notice (or, in the event that a Change of Control Purchase Date is not specified, the date that is 60 days after the Change of Control Effective Date). A Holder may not convert any shares of Series B Preferred Stock as to which it has elected a Change of Control Put and with respect to which it has not validly withdrawn such election pursuant to Section 9(k). Notwithstanding anything to the contrary herein, the failure of the Company to deliver the Initial Change of Control Notice or the Change of Control Put Notice shall not impair the rights of the Holders under this Section 9(b).

(c) Change of Control Put Procedure. To receive the Change of Control Put Price, a Holder must, no later than close of business on the Change of Control Purchase Date, surrender to the Conversion Agent the certificates representing the shares of Series B Preferred Stock to be repurchased by the Company or lost stock affidavits therefor.

(d) **Change of Control Call.** To the extent a Holder has not delivered a Change of Control Election Notice in accordance with Section 9(a), or a Holder has delivered a Change of Control Election Notice for less than all of its shares of Series B Preferred Stock (or in either case, a Holder has withdrawn a Change of Control Election Notice in respect of any or all of its shares of Series B Preferred Stock pursuant to Section 9(k)), the Company may elect to redeem (the “**Change of Control Call**”), subject to the right of such Holders to convert the Series B Preferred Stock pursuant to Section 6(a) prior to any such redemption, all of such Holders’ shares of Series B Preferred Stock which are not subject to a Change of Control Put at a redemption price per share, payable in cash, equal to the Liquidation Preference as of the date of redemption (the “**Change of Control Call Price**”). For the avoidance of doubt, if the Holder exercises the Change of Control Put in part, the Company can exercise the Change of Control Call for the remainder of such Holder’s shares of Series B Preferred Stock. In order to elect a Change of Control Call, the Company must send irrevocable notice of such election no less than five (5) Business Days, nor more than fifteen (15) Business Days, after the delivery of a Change of Control Put Notice, which notice shall contain the redemption date (which shall be no less than 30 nor more than 60 calendar days following the date of such notice), instructions for Holders to receive the Change of Control Call Price, the amount of the Change of Control Call Price, and the last date for a Holder to convert its shares of Series B Preferred Stock in advance of the Change of Control Call (which shall be the Business Day immediately preceding the redemption date). The Company shall not have the right to elect a Change of Control Call unless, as of the date of delivery of notice of a Change of Control Call, it has set aside sufficient funds legally available for the payment of the full Change of Control Call Price for all outstanding shares of Series B Preferred Stock.

(e) **Delivery upon Change of Control Put/Call.** Upon a Change of Control Put or a Change of Control Call, subject to Section 9(h) below, the Company (or its successor) shall deliver or cause to be delivered to the Holder by wire transfer the Change of Control Put Price or the Change of Control Call Price for such Holder’s shares of Series B Preferred Stock.

(f) **Treatment of Shares.** Until a share of Series B Preferred Stock is purchased by the payment in full of the applicable Change of Control Put Price or Change of Control Call Price, such share of Series B Preferred Stock will remain outstanding and will be entitled to all of the powers, designations, preferences and other rights provided herein, including that such share (x) may be converted pursuant to Section 6 and in accordance with this Section 9 and, if not so converted, (y) shall (A) accrue Dividends in accordance with Section 4 and (B) entitle the Holder thereof to the voting rights provided in Section 12; *provided* that any such shares that are converted prior to the consummation of the Change of Control Put or Change of Control Call in accordance with this Certificate of Designations shall not be entitled to receive any payment of the Change of Control Put Price or Change of Control Call Price and shall instead be entitled to the same per share consideration, or the same right to elect per share consideration, as applicable, to be received by holders of Common Stock in connection with the Change of Control (subject to Section 11, as applicable).

(g) **Partial Exercise of Change of Control Put.** In the event that a Change of Control Put is effected with respect to shares of Series B Preferred Stock representing less than all the shares of Series B Preferred Stock held by a Holder, upon such Change of Control Put, the Company shall execute and the Transfer Agent shall countersign and deliver to such Holder, at the expense of the Company, a certificate evidencing the shares of Series B Preferred Stock held by the Holder as to which a Change of Control Put was not effected (or book-entry interests representing such shares).

(h) **Sufficient Funds.** If the Company shall not have sufficient funds legally available under the DGCL to purchase all shares of Series B Preferred Stock that Holders have requested to be purchased under Section 9(b) (the “**Required Number of Shares**”), the Company shall (i) purchase, pro rata among the Holders that have requested their shares be purchased pursuant to Section 9(b), a number of shares of Series B Preferred Stock with an aggregate Change of Control Put Price equal to the amount legally available for the purchase of shares of Series B Preferred Stock under the DGCL and (ii) purchase any shares of Series B Preferred Stock not purchased because of the foregoing limitations at the applicable Change of Control Put Price as soon as practicable after the Company is able to make such purchase out of funds legally available for the purchase of such share of Series B Preferred Stock. The inability of the Company (or its successor) to make a purchase payment for any reason shall not relieve the Company (or its successor) from its obligation to effect any required purchase when, as and if permitted by applicable law. If the Company fails to pay the Change of Control Put Price or the Change of Control Call Price in full when due in accordance with this Section 9 in respect of some or all of the shares of Series B Preferred Stock to be repurchased pursuant to the Change of Control Put or the Change of Control Call, the Company will pay Dividends on such shares not repurchased at a Dividend Rate of 9.5% per annum, until such shares are repurchased, for the period from and including the first date upon which the Company fails to pay the Change of Control Put Price or the Change of Control Call Price, as applicable, in full when due in accordance with this Section 9 through but not including the latest day upon which the Company pays the Change of Control Put Price or Change of Control Call Price, as applicable, in full in accordance with this Section 9. Notwithstanding the foregoing, in the event a Holder elects to exercise a Change of Control Put pursuant to this Section 9 at a time when the Company is restricted or prohibited (contractually or otherwise) from redeeming some or all of the Series B Preferred Stock subject to the Change of Control Put, the Company will use its reasonable best efforts to obtain the requisite consents to remove or obtain an exception or waiver to such restrictions or prohibition. Nothing herein shall limit a Holder’s right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company’s failure to comply with its obligations under this Section 9. In connection with any Change of Control, the Company shall take all actions to permit the purchase of all shares of Series B Preferred Stock on the Change of Control Purchase Date that it reasonably believes is permitted under Delaware law and will not render the Company insolvent (such that, on a consolidated basis, (1) the Company will have incurred debts beyond its ability to pay such debts as they mature or become due, (2) the then present fair saleable value of the assets of the Company will not exceed the amount that will be required to pay its probable liabilities (including the probable amount of all contingent liabilities) and its debts as they become absolute and matured or (3) the assets of the Company, in each case at a fair valuation, will not exceed its respective debts (including the probable amount of all contingent liabilities)), including revaluing the Company’s assets to the highest amount permitted by law, borrowing funds on prevailing market terms, selling assets on prevailing market terms and seeking to obtain any and all required governmental or other approvals. The Company shall not take any action that materially impairs the Company’s ability to pay the Change of Control Put Price when due, including by investing available funds in illiquid assets, except for its normal business assets (the covenants described in this Section 9(h), the “**Protective Payment Obligations**”). The Company shall continue to comply with the Protective Payment Obligations until the entire amount of the Change of Control Put Price is paid in full.

(i) Change of Control Agreements. The Company shall not enter into any agreement for, or otherwise willingly engage in, a transaction constituting a Change of Control unless (i) such agreement provides for or does not interfere with or prevent (as applicable) the exercise by the Holders of their Change of Control Put in a manner that is consistent with and gives effect to this Section 9, and (ii) the acquiring or surviving Person in such Change of Control represents or covenants, in form and substance reasonably satisfactory to the Board acting in good faith, that at the closing of such Change of Control that such Person shall have sufficient funds (which may include, without limitation, cash and cash equivalents on the Company's balance sheet, the proceeds of any debt or equity financing, available lines of credit or uncalled capital commitments) to consummate such Change of Control and the payment of the Change of Control Put Price in respect of shares of Series B Preferred Stock that have not been converted into Common Stock prior to the Change of Control Effective Date pursuant to Section 6 or Section 7, as applicable.

(j) Effect of Change of Control Put/Call. Upon full payment of the Change of Control Put Price or the Change of Control Call Price, as applicable, for any shares of Series B Preferred Stock subject to a Change of Control Put or Change of Control Call, such shares will cease to be entitled to any dividends that may thereafter be payable on the Series B Preferred Stock; such shares of Series B Preferred Stock will no longer be deemed to be outstanding for any purpose; and all rights (except the right to receive the Change of Control Put Price or Change of Control Call Price, as applicable) of the Holder of such shares of Series B Preferred Stock shall cease and terminate with respect to such shares.

(k) Withdrawal of Election for Change of Control Put. Notwithstanding anything to the contrary herein, any Holder's Change of Control Election Notice may be withdrawn (in whole or in part) by means of a written notice of withdrawal delivered to the Company at any time prior to the close of business on the fourth Business Day immediately succeeding the date of delivery of a Change of Control Put Notice (or, if earlier, the close of business on the second Business Day immediately preceding the relevant Change of Control Purchase Date), specifying the number of shares of Series B Preferred Stock with respect to which such notice of withdrawal is being submitted.

(l) The above provisions of this Section 9 shall similarly apply to successive Changes of Control (or anticipated Changes of Control).

SECTION 10 Anti-Dilution Adjustments.

(a) Adjustments. The Conversion Factor will be subject to adjustment, without duplication, upon the occurrence of the following events, except that the Company shall not make any adjustment to the Conversion Factor if Holders of the Series B Preferred Stock participate, at the same time and upon the same terms as holders of Common Stock and solely as a result of holding shares of Series B Preferred Stock, in any transaction described in this Section 10(a), without having to convert their Series B Preferred Stock, as if they held a number of shares of Common Stock equal to the Conversion Rate multiplied by the number of shares of Series B Preferred Stock held by such Holders:

(i) The issuance of Common Stock as a dividend or distribution to all or substantially all holders of Common Stock, or a subdivision, split or combination of Common Stock or a reclassification of Common Stock into a greater or lesser number of shares of Common Stock, in which event the Conversion Factor shall be adjusted based on the following formula:

$$CR_1 = CR_0 \times (OS_1 / OS_0)$$

CR₀ = the Conversion Factor in effect immediately prior to the close of business on (i) the Record Date for such dividend or distribution, or (ii) the effective date of such subdivision, split, combination or reclassification

CR₁ = the new Conversion Factor in effect immediately after the close of business on (i) the Record Date for such dividend or distribution, or (ii) the effective date of such subdivision, split, combination or reclassification

OS₀ = the number of shares of Common Stock outstanding immediately prior to the close of business on (i) the Record Date for such dividend or distribution or (ii) the effective date of such subdivision, split, combination or reclassification

OS₁ = the number of shares of Common Stock that would be outstanding immediately after the close of business on (i) the Record Date for such dividend or distribution or (ii) the effective date of such subdivision, split, combination or reclassification

Any adjustment made pursuant to this clause (i) shall be effective immediately after the close of business on the Record Date for such dividend or distribution, or the effective date of such subdivision, split, combination or reclassification. If any such event is announced or declared but does not occur, the Conversion Factor shall be readjusted, effective as of the date the Board announces that such event shall not occur, to the Conversion Factor that would then be in effect if such event had not been declared.

(ii) The dividend, distribution or other issuance to all or substantially all holders of Common Stock of rights (other than rights, options or warrants distributed in connection with a stockholder rights plan (in which event the provisions of Section 10(a)(vii) shall apply)), options or warrants entitling them to subscribe for or purchase shares of Common Stock for a period expiring forty-five (45) days or less from the date of issuance thereof, at a price per share that is less than the Current Market Price as of the Record Date for such issuance, in which event the Conversion Factor will be increased based on the following formula:

$$CR_1 = CR_0 \times [(OS_0 + X) / (OS_0 + Y)]$$

CR_0 = the Conversion Factor in effect immediately prior to the close of business on the Record Date for such dividend, distribution or issuance

CR_1 = the new Conversion Factor in effect immediately following the close of business on the Record Date for such dividend, distribution or issuance

OS_0 = the number of shares of Common Stock outstanding immediately prior to the close of business on the Record Date for such dividend, distribution or issuance

X = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants

Y = the number of shares of Common Stock equal to the aggregate price payable to exercise such rights, options or warrants divided by the Current Market Price as of the Record Date for such dividend, distribution or issuance.

For purposes of this clause (ii), in determining whether any rights, options or warrants entitle the holders to purchase the Common Stock at a price per share that is less than the Current Market Price as of the Record Date for such dividend, distribution or issuance, there shall be taken into account any consideration the Company receives for such rights, options or warrants, and any amount payable on exercise thereof, with the value of such consideration, if other than cash, to be the Fair Market Value thereof.

Any adjustment made pursuant to this clause (ii) shall become effective immediately following the close of business on the Record Date for such dividend, distribution or issuance. In the event that such rights, options or warrants are not so issued, the Conversion Factor shall be readjusted, effective as of the date the Board publicly announces its decision not to issue such rights, options or warrants, to the Conversion Factor that would then be in effect if such dividend, distribution or issuance had not been declared. To the extent that such rights, options or warrants are not exercised prior to their expiration or shares of Common Stock are otherwise not delivered pursuant to such rights, options or warrants upon the exercise of such rights, options or warrants, the Conversion Factor shall be readjusted to the Conversion Factor that would then be in effect had the adjustments made upon the dividend, distribution or issuance of such rights, options or warrants been made on the basis of the delivery of only the number of shares of Common Stock actually delivered.

(iii) The Company or one or more of its Subsidiaries purchases Common Stock pursuant to a tender offer or exchange offer (other than an exchange offer that constitutes a Distribution Transaction subject to Section 10(a)(v)) by the Company or a Subsidiary of the Company for all or any portion of the Common Stock, or otherwise acquires Common Stock (except in connection with tax withholding upon vesting or settlement of options, restricted stock units, performance share units or other similar equity awards or upon forfeiture or cashless exercise of options or other equity awards) (a “**Covered Repurchase**”), if the cash and value of any other consideration included in the payment per share of Common Stock validly tendered, exchanged or otherwise acquired through a Covered Repurchase exceeds the arithmetic average of the VWAP

per share of Common Stock for each of the ten (10) consecutive full Trading Days commencing on, and including, the Trading Day next succeeding the last day on which tenders or exchanges may be made pursuant to such tender or exchange offer (as it may be amended) or shares of Common Stock are otherwise acquired through a Covered Repurchase (the “**Expiration Date**”), in which event the Conversion Factor shall be increased based on the following formula:

$$CR_1 = CR_0 \times [(FMV + (SP_1 \times OS_1)) / (SP_1 \times OS_0)]$$

CR₀ = the Conversion Factor in effect immediately prior to the close of business on the Expiration Date

CR₁ = the new Conversion Factor in effect immediately after the close of business on the Expiration Date

FMV = the Fair Market Value, on the Expiration Date, of all cash and any other consideration paid or payable for all shares validly tendered or exchanged and not withdrawn, or otherwise acquired through a Covered Repurchase, as of the Expiration Date

OS₀ = the number of shares of Common Stock outstanding immediately prior to the last time tenders or exchanges may be made pursuant to such tender or exchange offer (including the shares to be purchased in such tender or exchange offer) or shares are otherwise acquired through a Covered Repurchase

OS₁ = the number of shares of Common Stock outstanding immediately after the last time tenders or exchanges may be made pursuant to such tender or exchange offer (after giving effect to the purchase of shares in such tender or exchange offer) or shares are otherwise acquired through a Covered Repurchase

SP₁ = the arithmetic average of the VWAP per share of Common Stock for each of the ten (10) consecutive full Trading Days commencing on, and including, the Trading Day next succeeding the Expiration Date

Such adjustment shall become effective immediately after the close of business on the Expiration Date. If an adjustment to the Conversion Factor is required under this Section 10(a)(iii), delivery of any additional shares of Common Stock that may be deliverable upon conversion as a result of an adjustment required under this Section 10(a)(iii), shall be delayed to the extent necessary in order to complete the calculations provided for in this Section 10(a)(iii).

In the event that the Company or any of its Subsidiaries is obligated to purchase Common Stock pursuant to any such tender offer, exchange offer or other commitment to acquire shares of Common Stock through a Covered Repurchase but is permanently prevented by applicable law from effecting any such purchases, or all such purchases are rescinded, then the Conversion Factor shall be readjusted to be the Conversion Factor that would have been then in effect if such tender offer, exchange offer or Covered Repurchase had not been made.

(iv) The Company shall, by dividend or otherwise, distribute to all or substantially all holders of its Common Stock (other than for cash in lieu of fractional shares), shares of any class of its Capital Stock, evidences of its indebtedness, assets, other property or securities, but excluding (A) dividends or distributions referred to in Section 10(a)(i) or Section 10(a)(ii) hereof, (B) Distribution Transactions as to which Section 10(a)(v) shall apply, (C) dividends or distributions paid exclusively in cash as to which Section 10(a)(vi) shall apply, and (D) rights, options or warrants distributed in connection with a stockholder rights plan as to which Section 10(a)(vii) shall apply (any of such shares of its Capital Stock, indebtedness, assets or property that are not so excluded are hereinafter called the “**Distributed Property**”), then, in each such case the Conversion Factor shall be increased based on the following formula:

$$CR_1 = CR_0 \times [SP_0 / (SP_0 - FMV)]$$

CR₀ = the Conversion Factor in effect immediately prior to the close of business on the Record Date for such dividend or distribution

CR₁ = the new Conversion Factor in effect immediately after the close of business on the Record Date for such dividend or distribution

SP₀ = the Current Market Price as of the Record Date for such dividend or distribution

FMV = the Fair Market Value of the portion of Distributed Property distributed with respect to each outstanding share of Common Stock on the Record Date for such dividend or distribution; *provided* that, if FMV is equal or greater than SP₀, then in lieu of the foregoing adjustment, the Company shall distribute to each holder of Series B Preferred Stock on the date the applicable Distributed Property is distributed to holders of Common Stock, but without requiring such holder to convert its shares of Series B Preferred Stock, in respect of each share of Series B Preferred Stock held by such holder, the amount of Distributed Property such holder would have received had such holder owned a number of shares of Common Stock equal to the Conversion Rate on the Record Date for such dividend or distribution

Any adjustment made pursuant to this clause (iv) shall be effective immediately after the close of business on the Record Date for such dividend or distribution. If any such dividend or distribution is declared but does not occur, the Conversion Factor shall be readjusted, effective as of the date the Board announces that such dividend or distribution shall not occur, to the Conversion Factor that would then be in effect if such dividend or distribution had not been declared.

(v) The Company effects a Distribution Transaction, in which case the Conversion Factor in effect immediately prior to the effective date of the Distribution Transaction shall be increased based on the following formula:

$$CR_1 = CR_0 \times [(FMV + MP_0) / MP_0]$$

CR₀ = the Conversion Factor in effect immediately prior to the close of business on the effective date of the Distribution Transaction

CR₁ = the new Conversion Factor in effect immediately after the close of business on the effective date of the Distribution Transaction

FMV = the arithmetic average of the volume-weighted average prices for a share of the capital stock or other interest distributed to holders of Common Stock on the principal United States securities exchange or automated quotation system on which such capital stock or other interest trades, as reported by Bloomberg (or, if Bloomberg ceases to publish such price, any successor service chosen by the Company) in respect of the period from the open of trading on the relevant Trading Day until the close of trading on such Trading Day (or if such volume-weighted average price is unavailable, the market price of one share of such capital stock or other interest on such Trading Day determined, using a volume-weighted average method, by an Independent Financial Advisor retained for such purpose by the Company), for each of the ten consecutive full Trading Days commencing with, and including, the effective date of the Distribution Transaction

MP₀ = the arithmetic average of the VWAP per share of Common Stock for each of the ten (10) consecutive full Trading Days commencing on, and including, the effective date of the Distribution Transaction

Such adjustment shall become effective immediately following the close of business on the effective date of the Distribution Transaction. If an adjustment to the Conversion Factor is required under this Section 10(a)(v), delivery of any additional shares of Common Stock that may be deliverable upon conversion as a result of an adjustment required under this Section 10(a)(v) shall be delayed to the extent necessary in order to complete the calculations provided for in this Section 10(a)(v).

(vi) The Company makes a cash dividend or distribution to all or substantially all holders of the Common Stock, the Conversion Factor shall be increased based on the following formula:

$$CR_1 = CR_0 \times [SP_0 / (SP_0 - C)]$$

CR₀ = the Conversion Factor in effect immediately prior to the close of business on the Record Date for such dividend or distribution

CR₁ = the new Conversion Factor in effect immediately after the close of business on the Record Date for such dividend or distribution

SP₀ = the Current Market Price as of the Record Date for such dividend or distribution

C = the amount in cash per share of Common Stock the Company distributes to all or substantially all holders of its Common Stock; *provided* that, if C is equal or greater than SP0, then in lieu of the foregoing adjustment, the Company shall pay to each holder of Series B Preferred Stock on the date the applicable cash dividend or distribution is made to holders of Common Stock, but without requiring such holder to convert its shares of Series B Preferred Stock, in respect of each share of Series B Preferred Stock held by such holder, the amount of cash such holder would have received had such holder owned a number of shares of Common Stock equal to the Conversion Rate on the Record Date for such dividend or distribution

Any adjustment made pursuant to this clause (vi) shall be effective immediately after the close of business on the Record Date for such dividend or distribution. If any dividend or distribution is declared but not paid, the Conversion Factor shall be readjusted, effective as of the date the Board announces that such dividend or distribution will not be paid, to the Conversion Factor that would then be in effect if such had dividend or distribution not been declared.

(vii) If the Company has a stockholder rights plan in effect with respect to the Common Stock on any Conversion Date, upon conversion of any shares of the Series B Preferred Stock, Holders of such shares will receive, in addition to the applicable number of shares of Common Stock, the rights under such rights plan relating to such Common Stock, unless, prior to such Conversion Date, the rights have become exercisable or separated from the shares of Common Stock (the first of such events to occur, a “**Trigger Event**”), in which case, the Conversion Factor will be adjusted, effective automatically at the time of such Trigger Event, as if the Company had made a distribution of such rights to all holders of Common Stock as described in Section 10(a)(ii) (without giving effect to the forty-five (45) day limit on the exercisability of rights, options or warrants ordinarily subject to such Section 10(a)(ii)), subject to appropriate readjustment in the event of the expiration, termination or redemption of such rights prior to the exercise, deemed exercise or exchange thereof. Notwithstanding the foregoing, to the extent any such stockholder rights are exchanged by the Company for shares of Common Stock or other property or securities, the Conversion Factor shall be appropriately readjusted as if such stockholder rights had not been issued, but the Company had instead issued such shares of Common Stock or other property or securities as a dividend or distribution of shares of Common Stock pursuant to Section 10(a)(i) or Section 10(a)(iv), as applicable.

To the extent that such rights are not exercised prior to their expiration, termination or redemption, the Conversion Factor shall be readjusted to the Conversion Factor that would then be in effect had the adjustments made upon the occurrence of the Trigger Event been made on the basis of the issuance of, and the receipt of the exercise price with respect to, only the number of shares of Common Stock actually issued pursuant to such rights.

Notwithstanding anything to the contrary in this Section 10(a)(vii), no adjustment shall be required to be made to the Conversion Factor with respect to any Holder which is, or is an “affiliate” or “associate” of, an “acquiring person” under such stockholder rights plan or with respect to any direct or indirect transferee of such Holder who receives Series B Preferred Stock in such transfer after the time such Holder becomes, or its affiliate or associate becomes, such an “acquiring person”.

(b) Calculation of Adjustments. All adjustments to the Conversion Factor shall be calculated by the Company to the nearest 1/10,000th of one share of Common Stock (or if there is not a nearest 1/10,000th of a share, to the next lower 1/10,000th of a share). No adjustment to the Conversion Factor will be required unless such adjustment would require an increase or decrease of at least one percent of the Conversion Factor; *provided, however*, that any such adjustment that is not required to be made will be carried forward and taken into account in any subsequent adjustment; *provided, further* that any such adjustment of less than one percent that has not been made will be made upon any Conversion Date or redemption or repurchase date.

(c) When No Adjustment Required. (i) Except as otherwise provided in this Section 10, the Conversion Factor will not be adjusted for the issuance of Common Stock or any securities convertible into or exchangeable for Common Stock or carrying the right to purchase any of the foregoing, or for the repurchase of Common Stock.

(ii) Except as otherwise provided in this Section 10, the Conversion Factor will not be adjusted as a result of the issuance of, the distribution of separate certificates representing, the exercise or redemption of, or the termination or invalidation of, rights pursuant to any stockholder rights plans.

(iii) No adjustment to the Conversion Factor will be made:

(A) upon the issuance of any shares of Common Stock issued pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on securities of the Company and the investment of additional optional amounts in Common Stock under any plan in which purchases are made at market prices on the date or dates of purchase, without discount, and whether or not the Company bears the ordinary costs of administration and operation of the plan, including brokerage commissions;

(B) upon the issuance of any shares of Common Stock pursuant to any option, warrant, right, or exercisable, exchangeable or convertible security, including the Series B Preferred Stock; or

(C) for a change in the par value of the Common Stock.

(d) Successive Adjustments. After an adjustment to the Conversion Factor under this Section 10, any subsequent event requiring an adjustment under this Section 10 shall cause an adjustment to each such Conversion Factor as so adjusted.

(e) Multiple Adjustments. For the avoidance of doubt, if an event occurs that would trigger an adjustment to the Conversion Factor pursuant to this Section 10 under more than one subsection hereof, such event, to the extent fully taken into account in a single adjustment, shall not result in multiple adjustments hereunder; *provided, however*, that if more than one subsection of this Section 10 is applicable to a single event, the subsection shall be applied that produces the largest adjustment.

(f) Notice of Adjustments. Whenever any event of the type described in this Section 10 has occurred, the Company shall as soon as reasonably practicable following the occurrence of an event that requires such adjustment (or if the Company is not aware of such occurrence, as soon as reasonably practicable after becoming so aware):

(i) compute the adjusted applicable Conversion Factor in accordance with this Section 10 and prepare and transmit to the Conversion Agent an Officer's Certificate setting forth the applicable Conversion Factor, the method of calculation thereof, and the facts requiring such adjustment and upon which such adjustment is based; and

(ii) provide a written notice to the Holders of the occurrence of such event and a statement in reasonable detail setting forth the method by which the adjustment to the applicable Conversion Factor was determined and setting forth the adjusted applicable Conversion Factor.

(g) Conversion Agent. The Conversion Agent shall not at any time be under any duty or responsibility to any Holder to determine whether any facts exist that may require any adjustment of the Conversion Factor or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed in making the same. The Conversion Agent shall be fully authorized and protected in relying on any Officer's Certificate delivered pursuant to this Section 10(g) and any adjustment contained therein and the Conversion Agent shall not be deemed to have knowledge of any adjustment unless and until it has received such certificate. The Conversion Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock, or of any securities or property, that may at the time be issued or delivered with respect to any Series B Preferred Stock and the Conversion Agent makes no representation with respect thereto. The Conversion Agent shall not be responsible for any failure of the Company to issue, transfer or deliver any shares of Common Stock pursuant to the conversion of Series B Preferred Stock or to comply with any of the duties, responsibilities or covenants of the Company contained in this Section 10.

(h) Fractional Shares. No fractional shares of Common Stock will be delivered to the Holders upon conversion. In lieu of fractional shares otherwise issuable, the Holders will be entitled to receive an amount in cash equal to the fraction of a share of Common Stock multiplied by the Closing Price of the Common Stock on the Trading Day immediately preceding the applicable Conversion Date. In order to determine whether the number of shares of Common Stock to be delivered to a Holder upon the conversion of such Holder's shares of Series B Preferred Stock will include a fractional share, such determination shall be based on the aggregate number of shares of Series B Preferred Stock of such Holder that are being converted on any single Conversion Date.

SECTION 11 Reorganization Events.

(a) Reorganization Events. In the event of:

(i) any reclassification, statutory exchange, merger, consolidation or other similar business combination of the Company with or into another Person, in each case, pursuant to which at least a majority of the Common Stock is changed or converted into, or exchanged for, cash, securities or other property of the Company or another Person;

(ii) any sale, transfer, lease or conveyance to another Person of all or a majority of the property and assets of the Company, in each case pursuant to which the Common Stock is converted into cash, securities or other property; or

(iii) any statutory exchange of securities of the Company with another Person (other than in connection with a merger or acquisition) or reclassification, recapitalization or reorganization of the Common Stock into other securities;

(each of which is referred to as a “**Reorganization Event**”), each share of Series B Preferred Stock outstanding immediately prior to such Reorganization Event will, without the consent of the Holders and subject to Section 11(d) and Section 12(b), remain outstanding but shall become convertible into, in accordance with Section 6 and Section 7, the number, kind and amount of securities, cash and other property (the “**Exchange Property**”) (without any interest on such Exchange Property and without any right to dividends or distributions on such Exchange Property which have a record date that is prior to the applicable Conversion Date) that the Holder of such share of Series B Preferred Stock would have received in such Reorganization Event had such Holder converted its shares of Series B Preferred Stock into the applicable number of shares of Common Stock immediately prior to the effective date of the Reorganization Event using the Conversion Rate applicable immediately prior to the effective date of the Reorganization Event; *provided* that the foregoing shall not apply if such Holder is a Person with which the Company consolidated or into which the Company merged or which merged into the Company or to which such sale or transfer was made, as the case may be (any such Person, a “**Constituent Person**”), or an Affiliate of a Constituent Person, to the extent such Reorganization Event provides for different treatment of Common Stock held by such Constituent Persons or such Affiliate thereof. If the kind or amount of securities, cash and other property receivable upon such Reorganization Event is not the same for each share of Common Stock held immediately prior to such Reorganization Event by a Person (other than a Constituent Person or an Affiliate thereof), then for the purpose of this Section 11(a), the kind and amount of securities, cash and other property receivable upon conversion following such Reorganization Event will be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Stock.

(b) Successive Reorganization Events. The above provisions of this Section 11 shall similarly apply to successive Reorganization Events and the provisions of Section 10 shall apply to any shares of Capital Stock (as though such Capital Stock were Common Stock) received by the holders of the Common Stock in any such Reorganization Event.

(c) Reorganization Event Notice. The Company (or any successor) shall, no less than thirty (30) days prior to the anticipated effective date of any Reorganization Event, provide written notice to the Holders of such occurrence of such event and of the kind and amount of the cash, securities or other property that constitutes the Exchange Property. Failure to deliver such notice shall not affect the operation of this Section 11.

(d) Reorganization Event Agreements. The Company shall not enter into any agreement for a transaction constituting a Reorganization Event unless (i) such agreement provides for or does not interfere with or prevent (as applicable) conversion of the Series B Preferred Stock into the Exchange Property in a manner that is consistent with and gives effect to this Section 11, and (ii) to the extent that the Company is not the surviving corporation in such Reorganization

Event or will be dissolved in connection with such Reorganization Event, proper provision shall be made in the agreements governing such Reorganization Event for the conversion of the Series B Preferred Stock into stock of the Person surviving such Reorganization Event or such other continuing entity in such Reorganization Event.

SECTION 12 **Voting Rights**.

(a) **General**. Holders of shares of Series B Preferred Stock shall be entitled to vote as a single class with the holders of the Common Stock and the holders of any other class or series of Capital Stock of the Company then entitled to vote with the Common Stock on all matters submitted to a vote of the holders of Common Stock (and, if applicable, holders of any other class or series of Capital Stock of the Company). The Holders shall be entitled to notice of any meeting of holders of Common Stock in accordance with the Certificate of Incorporation and Bylaws of the Company. Each Holder shall be entitled to the number of votes equal to the product of (i) the largest number of whole shares of Common Stock into which all shares of Series B Preferred Stock could be converted pursuant to **Section 6** multiplied by (ii) a fraction the numerator of which is the number of shares of Series B Preferred Stock held by such Holder and the denominator of which is the aggregate number of issued and outstanding shares of Series B Preferred Stock, in each case at and calculated as of the record date for the determination of stockholders entitled to vote or consent on such matters or, if no such record date is established, at and as of the date such vote or consent is taken or any written consent of stockholders is first executed; *provided*, that to the extent the Series B Preferred Stock held by any Investor, together with its Permitted Transferees and Affiliates, would, in the aggregate (but without taking into consideration shares of Series B Preferred Stock held by any other Investor, together with its Permitted Transferees and Affiliates), represent voting rights with respect to more than 16.66% of the Company's Common Stock (including the Series B Preferred Stock on an as-converted basis) (the "**Voting Threshold**"), such Investor, together with its Permitted Transferees and Affiliates, will not be permitted to exercise the voting rights with respect to any shares of Series B Preferred Stock held by them in excess of the Voting Threshold and the Company shall exercise the voting rights with respect to such shares of Series B Preferred Stock in excess of the Voting Threshold in a Neutral Manner. To the extent that a Holder acquires shares of Series B Preferred Stock from another Holder, the acquiring Holder's Voting Threshold will be increased proportionately based on the number of shares of Series B Preferred Stock that such Holder acquires and the disposing Holder's Voting Threshold will be decreased proportionately based on the number of shares of Series B Preferred Stock that such Holder disposes of such that the aggregate Voting Threshold of all Holders of shares of Series B Preferred Stock does not exceed 49.99%.

(b) **Adverse Changes**. In addition to, and not in limitation of, **Section 12(a)**, the vote or consent of the Holders of at least 75% of the shares of Series B Preferred Stock outstanding at such time, voting together as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, will be necessary for, directly or indirectly, effecting or validating any of the following actions, whether or not such approval is required pursuant to the DGCL:

(i) any amendment, alteration or repeal (whether by merger, consolidation or otherwise) of any provision of the Certificate of Incorporation (including this Certificate of Designations) or Bylaws that would have an adverse effect on the rights, preferences, privileges or voting power of the Series B Preferred Stock;

(ii) any amendment or alteration (whether by merger, consolidation or otherwise) of, or any supplement (whether by a certificate of designations or otherwise) to, the Certificate of Incorporation or any provision thereof, or any other action to authorize or create, or increase the number of authorized or issued shares of, or any securities convertible into shares of, or reclassify any security into, or issue, any Parity Stock or Senior Stock or any other class or series of Capital Stock of the Company ranking senior to, or on a parity basis with, the Series B Preferred Stock as to dividend rights or rights on the distribution of assets on any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company; or

(iii) any increase or decrease in the authorized number of shares of Series B Preferred Stock or issuance of shares of Series B Preferred Stock after the Issuance Date,

provided that the authorization or creation of, or the increase in the number of authorized or issued shares of, or any securities convertible into shares of, or the reclassification of any security (other than the Series B Preferred Stock) into, or the issuance of, Junior Stock will not require the vote the Holders pursuant to this Section 12(b). For purposes of this Section 12(b), the filing in accordance with applicable law of a certificate of designations or any similar document setting forth or changing the designations, powers, preferences, rights, qualifications, limitations and restrictions of any class or series of stock of the Company shall be deemed an amendment to the Certificate of Incorporation.

(c) Each Holder of Series B Preferred Stock will have one vote per share on any matter on which Holders of Series B Preferred Stock are entitled to vote separately as a class, whether at a meeting or by written consent.

(d) The vote or consent of the Holders of 75% of the shares of Series B Preferred Stock outstanding at such time, voting together as a single class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, will be sufficient to waive or amend the provisions of Section 9(i) of this Certificate of Designations, and any amendment or waiver of any of the provisions of Section 9(i) approved by such percentage of the Holders shall be binding on all of the Holders.

(e) For the avoidance of doubt and notwithstanding anything to the contrary in the Certificate of Incorporation or Bylaws of the Company, the Holders of Series B Preferred Stock shall have the exclusive consent and voting rights set forth in Section 12(b) and may take action or consent to any action with respect to such rights without a meeting by delivering a consent in writing or by electronic transmission of the Holders of the Series B Preferred Stock entitled to cast not less than the minimum number of votes that would be necessary to authorize, take or consent to such action at a meeting of stockholders.

(f) Upon the acquisition of shares of Series B Preferred Stock, the Holder of such shares shall be deemed to irrevocably appoint as its proxy and attorney-in-fact, the Chief Executive Officer, the Chief Financial Officer and the General Counsel of the Company, each of them individually, with full power of substitution and resubstitution, to consent to or vote any shares of Series B Preferred Stock held by them in excess of the Voting Threshold as indicated in Section 12(a) above with respect to any matters that must be voted in a Neutral Manner.

SECTION 13 **Term**. Except as expressly provided in this Certificate of Designations, the shares of Series B Preferred Stock shall not be redeemable or otherwise mature and the term of the Series B Preferred Stock shall be perpetual.

SECTION 14 **Creation of Capital Stock**. Subject to the Consent Provisions and Section 12(b), the Board, or any duly authorized committee thereof, without the vote of the Holders, may authorize and issue additional shares of Capital Stock of the Company.

SECTION 15 **No Sinking Fund**. Shares of Series B Preferred Stock shall not be subject to or entitled to the operation of a retirement or sinking fund.

SECTION 16 **Transfer Agent, Conversion Agent, Registrar and Paying Agent**. The duly appointed Transfer Agent, Conversion Agent, Registrar and paying agent for the Series B Preferred Stock shall be American Stock Transfer & Trust Company. The Company may, in its sole discretion, appoint any other Person to serve as Transfer Agent, Conversion Agent, Registrar or paying agent for the Series B Preferred Stock and thereafter may remove or replace such other Person at any time. Upon any such appointment or removal, the Company shall send notice thereof to the Holders.

SECTION 17 **Replacement Certificates**.

(a) **Mutilated, Destroyed, Stolen and Lost Certificates**. If physical certificates evidencing the Series B Preferred Stock are issued, the Company shall replace any mutilated certificate at the Holder's expense upon surrender of that certificate to the Transfer Agent. The Company shall replace certificates that become destroyed, stolen or lost at the Holder's expense upon delivery to the Company and the Transfer Agent of satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be required by the Transfer Agent and the Company.

(b) **Certificates Following Conversion**. If physical certificates representing the Series B Preferred Stock are issued, the Company shall not be required to issue replacement certificates representing shares of Series B Preferred Stock on or after the Conversion Date applicable to such shares (except if any certificate for shares of Series B Preferred Stock shall be surrendered for partial conversion, the Company shall, at its expense, execute and deliver to or upon the written order of the Holder of the certificate so surrendered a new certificate for the shares of Series B Preferred Stock not converted). In place of the delivery of a replacement certificate following the applicable Conversion Date, the Transfer Agent, upon receipt of the satisfactory evidence and indemnity described in clause (a) above, shall deliver the shares of Common Stock issuable upon conversion of such shares of Series B Preferred Stock formerly evidenced by the physical certificate.

SECTION 18 Taxes.

(a) Withholding. The Company agrees that, provided that a Holder delivers to the Company a properly executed IRS Form W-9 certifying as to the complete exemption from backup withholding of the Holder (or, if the Holder is a disregarded entity for U.S. federal income tax purposes, its regarded owner), under current law the Company (including any paying agent of the Company) shall not be required to, and shall not, deduct or withhold taxes on any payments or deemed payments to any such Holder. In the event that any such Holder fails to deliver to the Company such properly executed IRS Form W-9, the Company reasonably believes that a previously delivered IRS Form W-9 is no longer accurate and/or valid, or there is a change in law that affects the withholding obligations of the Company, the Company and its paying agent shall be entitled to deduct or withhold on all applicable payments made to the relevant Holder in the form of cash such tax amounts as the Company reasonably determines are required to be deducted or withheld therefrom under any provision of applicable law (and, to the extent such amounts are paid to the relevant taxing authority in accordance with applicable law, such amounts will be treated for all purposes of this Certificate of Designations as having been paid to the Person in respect of which such withholding was made); *provided*, that if the Company determines that an amount is required to be deducted or withheld on any payment with respect to any Holder, the Company shall provide reasonable prior notice to such Holder in writing of its intent to deduct or withhold taxes on such payment and will reasonably cooperate with such Holder in obtaining any available exemption or reduction of such withholding.

(b) Transfer Taxes. The Company shall pay any and all stock transfer, documentary, stamp and similar taxes due upon the issuance of shares of Series B Preferred Stock or the issuance of shares of Common Stock upon conversion of Series B Preferred Stock pursuant hereto. However, in the case of conversion of Series B Preferred Stock, the Company shall not be required to pay any such tax that may be payable in respect of any transfer involved in the issuance or delivery of shares of Series B Preferred Stock or Common Stock to a beneficial owner other than the initial beneficial owner of Series B Preferred Stock, and shall not be required to make any such issuance, delivery or payment unless and until the Person requesting such issuance, delivery or payment has paid to the Company the amount of any such tax or has established, to the satisfaction of the Company, that such tax has been paid or is not payable.

(c) Tax Treatment. It is intended that (i) the Series B Preferred Stock shall not be treated as “preferred stock” for purposes of Section 305 of the Code and the Treasury Regulations promulgated thereunder, and (ii) as a consequence, neither the Annual Dividends nor the Special Dividend accruing on the Series B Preferred Stock nor any difference between the purchase price paid for the Series B Preferred Stock and the Liquidation Preference thereof will, by reason of Section 305(b)(4) of the Code or Treasury Regulations Section 1.305-5, be treated as a distribution of property until paid in cash. The Company and Holders (and their respective affiliates) shall file all tax returns in a manner consistent with the foregoing intended tax treatment and shall not take any tax position that is inconsistent with such intended tax treatment except in connection with, or as required by, any of the following: (w) a change in relevant law occurring after the Original Issuance Date, (x) after the Original Issuance Date, the promulgation of relevant final U.S. Treasury Regulations addressing instruments similar to the Series B Preferred Stock (from and after the effective date of such regulations), (y) an amendment to the terms of this Certificate of Designations or (z) a “determination” within the meaning of section 1313(a) of the Code.

SECTION 19 **Notices.** All notices referred to herein shall be in writing and, unless otherwise specified herein, all notices hereunder shall be deemed to have been given upon the earlier of receipt thereof or three (3) Business Days after the mailing thereof if sent by registered or certified mail with postage prepaid, or by private courier service addressed: (i) if to the Company, to its office at comScore, Inc., 11950 Democracy Drive, Suite 600, Reston, Virginia 20190 (Attention: Ashley Wright), (ii) if to any Holder, to such Holder at the address of such Holder as listed in the stock record books of the Company (which may include the records of the Transfer Agent) or (iii) to such other address as the Company or any such Holder, as the case may be, shall have designated by notice similarly given.

SECTION 20 **Facts Ascertainable.** When the terms of this Certificate of Designations refer to a specific agreement or other document to determine the meaning or operation of a provision hereof, the Secretary of the Company shall maintain a copy of such agreement or document at the principal executive offices of the Company and a copy thereof shall be provided free of charge to any Holder who makes a request therefor. The Secretary of the Company shall also maintain a written record of the Issuance Date, the number of shares of Series B Preferred Stock issued to a Holder and the date of each such issuance, and shall furnish such written record free of charge to any Holder who makes a request therefor.

SECTION 21 **Waiver.** Notwithstanding any provision in this Certificate of Designations to the contrary, any provision contained herein and any right of the Holders of shares of Series B Preferred Stock granted hereunder may be waived as to all shares of Series B Preferred Stock (and the Holders thereof) upon the vote or written consent of the Holders of a majority of the shares of Series B Preferred Stock then outstanding.

SECTION 22 **Severability.** If any term of the Series B Preferred Stock set forth herein is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other terms set forth herein which can be given effect without the invalid, unlawful or unenforceable term will, nevertheless, remain in full force and effect, and no term herein set forth will be deemed dependent upon any other such term unless so expressed herein.

SECTION 23 **Business Opportunities.** To the fullest extent permitted by Section 122(17) of the DGCL (or any successor provision) and except as may be otherwise expressly agreed in writing by the Company and the Investor Parties, the Company, on behalf of itself and its Subsidiaries, renounces any interest or expectancy of the Company and its Subsidiaries in, or in being offered an opportunity to participate in, business opportunities, that are from time to time presented to the Investor Parties or any of their respective officers, representatives, directors, agents, stockholders, members, partners, Affiliates, Subsidiaries (other than the Company and its Subsidiaries), or any of their respective designees on the Company's Board and/or any of their respective representatives who, from time to time, may act as officers of the Company, even if the opportunity is one that the Company or its Subsidiaries might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the opportunity to do so, and no such person shall be liable to the Company or any of its Subsidiaries for breach of any fiduciary or other duty, as a director or officer or otherwise, by reason of the fact that such person pursues or acquires such business opportunity, directs such business opportunity to another person or fails to present such business opportunity, or information regarding such business opportunity, to the Company or its Subsidiaries unless such business opportunity is disclosed to the applicable director or officer in his or her capacity as such. Any Person purchasing or otherwise acquiring any interest in any shares of Capital Stock of the Company shall be deemed to have notice of and consented to the

provisions of this Section 23. Neither the alteration, amendment or repeal of this Section 23, nor the adoption of any provision of the Certificate of Incorporation or this Certificate of Designations inconsistent with this Section 23, nor, to the fullest extent permitted by Delaware law, any modification of law, shall eliminate or reduce the effect of this Section 23 in respect of any business opportunity first identified or any other matter occurring, or any cause of action, suit or claim that, but for this Section 23, would accrue or arise, prior to such alteration, amendment, repeal, adoption or modification. If any provision or provisions of this Section 23 shall be held to be invalid, illegal or unenforceable as applied to any circumstance for any reason whatsoever: (a) the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Section 23 (including, without limitation, each portion of any paragraph of this Section 23 containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and (b) to the fullest extent possible, the provisions of this Section 23 (including, without limitation, each such portion of any paragraph of this Section 23 containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to permit the Company to protect its directors, officers, employees and agents from personal liability in respect of their good faith service to or for the benefit of the Company to the fullest extent permitted by law. This Section 23 shall not limit any protections or defenses available to, or indemnification or advancement rights of, any director, officer, employee or agent of the Company under the Certificate of Incorporation, the Bylaws, any other agreement between the Company and such director, officer, employee or agent or applicable law.

SECTION 24 Rule 144A Information. The Company will, during any period in which the Company is not subject to Section 13 or 15(d) of the Exchange Act, furnish to Holders and prospective investors, upon request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act of 1933, as amended.

SECTION 25 Antitrust Filing. If, in connection with the exercise of the rights of any Holder or the Company pursuant to, or the applicability of any terms of, this Certificate of Designations or the Stockholders Agreement, a filing is required pursuant to any applicable Antitrust Laws, then the Company, on the one hand, and the applicable Holder, on the other hand, shall, at the request of the Holder, (a) as promptly as practicable, make, or cause or be made, all filings and submissions required under applicable Antitrust Laws, and (b) use their commercially reasonable efforts to obtain, or cause to be obtained, approval of the transaction associated with the filing or the termination or expiration of the applicable waiting period (“**Antitrust Approval**”), and notwithstanding anything to the contrary in this Certificate of Designations or the Stockholders Agreement, the rights so exercised (or other action taken by the application of the terms thereof) shall be contingent upon, and subject to, the receipt of any required Antitrust Approval (as determined by the Holder) and such rights (or other action taken by the application of the terms thereof) shall be delayed until such Antitrust Approval is received; provided that (i) with respect to any such filing resulting from the exercise of a Holder’s rights under this Certificate of Designations or the Stockholders Agreement, any filing or submission fees required under applicable Antitrust Laws shall be paid by such Holder and (ii) with respect to any such filing resulting from the exercise of the Company’s rights under this Certificate of Designations or the Stockholders Agreement (or other action taken by the application of the terms thereof), any filing or submission fees required under applicable Antitrust Laws shall be paid by the Company.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained in this Agreement, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement hereby agree as follows:

ARTICLE I

RESALE SHELF REGISTRATION

Section 1.1 Resale Shelf Registration Statement. Subject to the other applicable provisions of this Agreement, the Company shall use its reasonable best efforts to prepare and file within 120 days after the date hereof, a registration statement covering the sale or distribution from time to time by the Holders, on a delayed or continuous basis pursuant to Rule 415 of the Securities Act, of all of the Registrable Securities on Form S-3 (except if the Company is not then eligible to register for resale the Registrable Securities on Form S-3, then such registration shall be on another appropriate form and shall provide for the registration of such Registrable Securities for resale by the Holders in accordance with any reasonable method of distribution elected by the Purchasers) (the “**Resale Shelf Registration Statement**”), and if the Company is a WKSI as of the filing date, the Resale Shelf Registration Statement shall consist of an Automatic Shelf Registration Statement, or a prospectus supplement to an effective Automatic Shelf Registration Statement, that shall become effective upon filing with the SEC pursuant to Rule 462(e). If the Resale Shelf Registration Statement is not an Automatic Shelf Registration Statement, then the Company shall use its reasonable best efforts to cause such Resale Shelf Registration Statement to be declared effective by the SEC as promptly as is reasonably practicable after the filing thereof.

Section 1.2 Effectiveness Period. Once declared effective, the Company shall, subject to the other applicable provisions of this Agreement, use its reasonable best efforts to cause the Resale Shelf Registration Statement to be continuously effective and usable until such time as there are no longer any Registrable Securities (the “**Effectiveness Period**”).

Section 1.3 Subsequent Shelf Registration Statement. If any Shelf Registration Statement ceases to be effective under the Securities Act for any reason at any time during the Effectiveness Period, the Company shall use its reasonable best efforts to as promptly as is reasonably practicable cause such Shelf Registration Statement to again become effective under the Securities Act (including obtaining the prompt withdrawal of any order suspending the effectiveness of such Shelf Registration Statement), and shall use its reasonable best efforts to as promptly as is reasonably practicable amend such Shelf Registration Statement in a manner reasonably expected to result in the withdrawal of any order suspending the effectiveness of such Shelf Registration Statement or file an additional registration statement (a “**Subsequent Shelf Registration Statement**”) for an offering to be made on a delayed or continuous basis pursuant to Rule 415 of the Securities Act registering the resale from time to time by the Holders thereof of all securities that are Registrable Securities as of the time of such filing. If a Subsequent Shelf Registration Statement is filed, the Company shall use its reasonable best efforts to (a) cause such Subsequent Shelf Registration Statement to become effective under the Securities Act as promptly as is reasonably practicable after the filing thereof (it being agreed that if the Company is a WKSJ as of the filing date, the Subsequent Shelf Registration Statement shall be an Automatic Shelf Registration Statement, or a prospectus supplement to an effective Automatic Shelf Registration Statement, that shall become effective upon filing with the SEC pursuant to Rule 462(e)) and (b) keep such Subsequent Shelf Registration Statement continuously effective and usable until the end of the Effectiveness Period. Any such Subsequent Shelf Registration Statement shall be a registration statement on Form S-3 to the extent that the Company is eligible to use such form. Otherwise, such Subsequent Shelf Registration Statement shall be on another appropriate form and shall provide for the registration of such Registrable Securities for resale by the Holders in accordance with any reasonable method of distribution elected by the Purchasers.

Section 1.4 Supplements and Amendments. The Company shall supplement and amend any Shelf Registration Statement if required by the Securities Act or the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement.

Section 1.5 Subsequent Holder Notice. If a Person entitled to the benefits of this Agreement becomes a Holder after a Shelf Registration Statement becomes effective under the Securities Act, the Company shall, as promptly as is reasonably practicable following delivery of written notice to the Company of such Person becoming a Holder and requesting for its name to be included as a selling securityholder in the prospectus related to the Shelf Registration Statement (a “**Subsequent Holder Notice**”):

(a) if required and permitted by applicable law, file with the SEC a supplement to the related prospectus or a post-effective amendment to the Shelf Registration Statement so that such Holder is named as a selling securityholder in the Shelf Registration Statement and the related prospectus in such a manner as to permit such Holder to deliver a prospectus to purchasers of the Registrable Securities in accordance with applicable law; *provided, however*, that the Company shall not be required to file more than one post-effective amendment or a supplement to the related prospectus for such purpose in any 30-day period;

(b) if, pursuant to Section 1.5(a), the Company shall have filed a post-effective amendment to the Shelf Registration Statement that is not automatically effective, use its reasonable best efforts to cause such post-effective amendment to become effective under the Securities Act as promptly as is reasonably practicable; and

(c) notify such Holder as promptly as is reasonably practicable after the effectiveness under the Securities Act of any post-effective amendment filed pursuant to Section 1.5(a).

Section 1.6 Underwritten Offering.

(a) Subject to any applicable restrictions on transfer in the Stockholders Agreement or otherwise, one or more Holders of Registrable Securities may, after the Resale Shelf Registration Statement becomes effective, deliver a written notice to the Company (the “**Underwritten Offering Notice**”) specifying that the sale of some or all of the Registrable Securities subject to such Resale Shelf Registration Statement, is intended to be conducted through an underwritten offering or an underwritten block trade or bought deal; *provided, however*, that the Holders may not, without the Company’s prior written consent, (i) launch an underwritten offering or underwritten block trade or bought deal the anticipated gross proceeds of which shall be less than \$25,000,000 (unless the Holder, collectively with all of its Affiliates, is proposing to sell all of their remaining Registrable Securities), (ii) launch more than three underwritten offerings or underwritten block trades or bought deals at the request of the Holders within any 365-day period or (iii) launch an underwritten offering or underwritten block trade or bought deal within the period (a “**Quarterly Blackout Period**”) commencing on the seventh calendar day of the third month of each fiscal quarter and ending at the start of the second full trading day following the date of public disclosure of the financial results for that fiscal quarter (such qualifying underwritten offering or underwritten block trade or bought deal, an “**Underwritten Offering**”).

(b) In the event of an Underwritten Offering, the Holder(s) delivering the Underwritten Offering Notice shall select the managing underwriter(s) to administer the Underwritten Offering; *provided* that the choice of such managing underwriter(s) shall be subject to the consent of the Company, which shall not be unreasonably withheld. In making the determination to consent to the Holder or Holders’, as applicable, choice of managing underwriter(s), the Company may take into account its business and strategic interests. The Company and the Holders participating in an Underwritten Offering will enter into an underwriting agreement in customary form with the managing underwriter or underwriters selected for such offering.

(c) Upon receipt of an Underwritten Offering Notice (which, in the case of an Underwritten Offering that is an underwritten block trade or bought deal, shall be received by the Company not less than two Business Days prior to the day such offering is first anticipated to commence), the Company shall promptly deliver to each other Holder written notice thereof and if, within three Business Days after the date of the delivery of such notice (or one Business Day in the case of an Underwritten Offering that is an underwritten block trade or bought deal), a Holder shall so request in writing, the Company shall as expeditiously as possible use its reasonable best efforts to facilitate such Underwritten Offering (which, in the case of an Underwritten Offering that is an underwritten block trade or bought deal, close as early as two Business Days after the date it commences) include in such Underwritten Offering all or any part of such Holder's Registrable Securities as such Holder requests to be registered, subject to Section 1.6(d).

(d) The Company will not include in any Underwritten Offering pursuant to this Section 1.6 any securities that are not Registrable Securities (other than the WPP Securities) without the prior written consent of the Holder(s) participating in such Underwritten Offering. If the managing underwriter or underwriters advise the Company and such Holder(s) in writing that in its or their good faith opinion the number of Registrable Securities (and, if permitted hereunder, other securities requested to be included in such offering) exceeds the number of securities which can be sold in such offering in light of market conditions or is such so as to adversely affect the success of such offering, the Company will include in such offering only such number of securities that can be sold without adversely affecting the marketability of the offering, which securities will be so included in the following order of priority: (i) first, the Registrable Securities of the Holders that have requested to participate in such Underwritten Offering, allocated *pro rata* among such Holders on the basis of their respective then-owned Registrable Securities, and (ii) second, any other securities of the Company that have been requested to be so included (including any WPP Securities, to the extent applicable).

Section 1.7 Take-Down Notice. Subject to the other applicable provisions of this Agreement, including the limitations and requirements in Section 1.6 regarding Underwritten Offerings, at any time that any Shelf Registration Statement is effective, if a Holder delivers a notice to the Company (a "**Take- Down Notice**") stating that it intends to effect a sale or distribution of all or part of its Registrable Securities included by it on any Shelf Registration Statement (a "**Shelf Offering**") and stating the number of the Registrable Securities to be included in such Shelf Offering, then the Company shall amend, subject to the other applicable provisions of this Agreement, or supplement the Shelf Registration Statement as may be necessary in order to enable such Registrable Securities to be sold and distributed pursuant to the Shelf Offering.

Section 1.8 Piggyback Registration

(a) If the Company proposes to file a registration statement under the Securities Act with respect to an offering of Common Stock or securities convertible into, or exchangeable or exercisable for, Common Stock, whether or not for sale for its own account (other than a registration statement (i) on Form S-4, Form S-8 or any successor forms thereto or (ii) filed to effectuate an exchange offer or any employee benefit or dividend reinvestment plan), then the Company shall give prompt written notice of such filing, which notice shall be given, to the extent reasonably practicable, no later than seven Business Days prior to the filing date (the "**Piggyback Notice**") to the Holders. The Piggyback Notice shall offer such Holders the opportunity to include (or cause to be included) in such registration statement the number of shares of Registrable Securities as each such Holder may request (each, a "**Piggyback Registration Statement**"). Subject to Section 1.8(b), the Company shall include in each Piggyback Registration Statement all

Registrable Securities with respect to which the Company has received written requests for inclusion therein (each, a “**Piggyback Request**”) within five Business Days after the date of the Piggyback Notice but in any event not later than two Business Day prior to the filing date of a Piggyback Registration Statement. The Company shall not be required to maintain the effectiveness of a Piggyback Registration Statement beyond the earlier of (x) 180 days after the effective date thereof and (y) consummation of the distribution by the Holders of the Registrable Securities included in such registration statement. The Company may postpone or withdraw a Piggyback Registration Statement at any time prior to effectiveness of such Piggyback Registration Statement without incurring any liability to the Holders.

(b) Subject to any applicable restrictions on transfer in the Stockholders Agreement, if any of the securities to be registered pursuant to the registration giving rise to the rights under this Section 1.8 are to be sold in an underwritten offering, the Company shall use reasonable best efforts to cause the managing underwriter or underwriters of a proposed underwritten offering to permit Holders who have timely submitted a Piggyback Request in connection with such offering to include in such offering all Registrable Securities included in each Holder’s Piggyback Request on the same terms and subject to the same conditions as any other shares of capital stock, if any, of the Company included in the offering. Notwithstanding the foregoing, if the managing underwriter or underwriters of such underwritten offering advise the Company in writing that in its or their good faith opinion the number of securities exceeds the number of securities which can be sold in such offering in light of market conditions or is such so as to adversely affect the success of such offering, the Company will include in such offering only such number of securities that can be sold without adversely affecting the marketability of the offering, which securities will be so included in the following order of priority: (i) first, the securities proposed to be sold by the Company for its own account; (ii) second, the Registrable Securities of the Holders that have requested to participate in such underwritten offering and any other persons with piggyback registration rights who have the right to participate and that have requested to participate in such offering, allocated *pro rata* among such selling holders on the basis of their respective then-owned registrable securities; and (iii) third, any other securities of the Company that have been requested to be included in such offering, allocated *pro rata* among such holders on the basis of the percentage of securities then held by such holders; *provided* that Holders may, prior to the earlier of (a) the effectiveness of the registration statement and (b) the time at which the offering price or underwriter’s discount is determined with the managing underwriter or underwriters, withdraw their request to be included in such registration pursuant to this Section 1.8.

ARTICLE II

ADDITIONAL PROVISIONS REGARDING REGISTRATION RIGHTS

Section 2.1 Registration Procedures. Subject to the other applicable provisions of this Agreement, in the case of each registration of Registrable Securities effected by the Company pursuant to Article I, the Company will:

(a) prepare and as promptly as reasonably practicable file with the SEC a registration statement with respect to such securities and use reasonable best efforts to cause such registration statement to become and remain effective for the period of the distribution contemplated thereby, in accordance with the applicable provisions of this Agreement;

(b) prepare and file with the SEC such amendments (including post-effective amendments) and supplements to such registration statement and the prospectus used in connection with such registration statement as may be necessary to keep such registration statement effective for the period specified in paragraph (a) above and (i) use reasonable efforts to cause such filings not to contain any untrue statements of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and (ii) comply with the provisions of the Securities Act and the rules and regulations of the SEC with respect to the disposition of all securities covered by such registration statement in accordance with the Holders' intended methods of distribution set forth in such registration statement for such period;

(c) furnish to the Holders and their respective counsel copies of the registration statement and the prospectus included therein (including each preliminary prospectus) proposed to be filed and provide such Holders with a reasonable opportunity to review and comment on such registration statement;

(d) if requested by the managing underwriter or underwriters, if any, or the Holder(s), promptly include in any prospectus supplement or post-effective amendment such information as the managing underwriter or underwriters, if any, or the Holder(s) may reasonably request in order to permit the intended method of distribution of such securities and make all required filings of such prospectus supplement or post-effective amendment as soon as reasonably practicable after the Company has received such request; *provided, however*, that the Company shall not be required to take any actions under this Section 2.1(d) that are not, in the opinion of counsel for the Company, in compliance with applicable law;

(e) in the event that the Registrable Securities are being offered in an Underwritten Offering, furnish to the Holder(s) participating in such Underwritten Offering and their respective counsel and to the underwriters of the securities being registered and their respective counsel such reasonable number of copies of the registration statement, preliminary prospectus and final prospectus as such Holder(s) or such underwriters may reasonably request in order to facilitate the public offering or other disposition of such securities;

(f) as promptly as reasonably practicable notify the Holder(s) at any time when a prospectus relating thereto is required to be delivered under the Securities Act or of the Company's discovery of the occurrence of any event as a result of which the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading or incomplete in the light of the circumstances then existing (which, for the avoidance of doubt, shall commence a Suspension Period), and, subject to Section 2.2, as promptly as is reasonably practicable, prepare and file with the SEC a supplement or post-effective amendment to such registration statement or the related prospectus or any document incorporated therein by reference or file any other required document and at the request of any Holder, furnish to such Holder a reasonable number of copies of a supplement to or an amendment of such prospectus as may be necessary so that, as thereafter delivered to the Holder of such securities, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or incomplete in the light of the circumstances then existing;

(g) use reasonable best efforts to register and qualify (or exempt from such registration or qualification) the securities covered by such registration statement under such other securities or “blue sky” laws of such jurisdictions within the United States as shall be reasonably requested in writing by any Holder; *provided, however*, that the Company shall not be required in connection therewith or as a condition thereto to (i) qualify to do business in any jurisdictions where it would not otherwise be required to qualify but for this subsection or (ii) take any action that would subject it to general service of process in any such jurisdictions;

(h) in the event that the Registrable Securities are being offered in a public offering, enter into an underwriting agreement, a placement agreement or equivalent agreement customary for a transaction of that nature, in each case in accordance with the applicable provisions of this Agreement, and take all such other actions reasonably requested by the Holders of the Registrable Securities being sold in connection therewith (including any reasonable actions requested by the managing underwriters, if any) to facilitate the disposition of such Registrable Securities, and in such connection, (i) the underwriting agreement shall contain indemnification provisions and procedures substantially to the effect set forth in Article III hereof with respect to all parties to be indemnified pursuant to Article III except as otherwise agreed by the Holders and (ii) deliver such other documents and certificates as may be reasonably requested by the managing underwriters;

(i) in connection with an Underwritten Offering, the Company shall cause its officers to use their reasonable best efforts to support the marketing of the Registrable Securities covered by such offering (including participation in “road shows” or other similar marketing efforts) to the extent reasonably necessary, in the view of the managing underwriter(s), to support the proposed sale of Registrable Securities pursuant to such Underwritten Offering;

(j) use reasonable best efforts to furnish, on the date that such Registrable Securities are delivered to the underwriters for sale, if such securities are being sold through underwriters, (i) an opinion dated such date of the legal counsel representing the Company for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering, addressed to the underwriters, if any, (ii) a “negative assurances letter”, dated such date of the legal counsel representing the Company for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering and (iii) a letter dated such date from the independent certified public accountants of the Company, in form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering, addressed to the underwriters, such letter to be in customary form and covering matters of the type customarily covered in “cold comfort” letters in connection with underwritten offerings;

(k) use reasonable best efforts to list the Registrable Securities covered by such registration statement with any securities exchange on which the Common Stock is then listed;

(l) provide a transfer agent and registrar for all such Registrable Securities not later than the effective date of such registration statement;

(m) in connection with a customary due diligence review, make available for inspection by the Holders, any underwriter participating in any such disposition of Registrable Securities, if any, and any counsel or accountants retained by the Holders or underwriter (collectively, the “**Offering Persons**”), at the offices where normally kept, during reasonable business hours, all financial and other records, pertinent corporate documents and properties of the Company and its subsidiaries, and cause the officers, directors and employees of the Company and its subsidiaries to supply all information and participate in customary due diligence sessions in each case reasonably requested by any such representative, underwriter, counsel or accountant in connection with such Registration Statement; *provided, however*, that any information that is not generally publicly available at the time of delivery of such information shall be kept confidential by such Offering Persons unless (i) disclosure of such information is required by court or administrative order or in connection with an audit or examination by, or a blanket document request from, a regulatory or self-regulatory authority, bank examiner or auditor, (ii) disclosure of such information, in the reasonable judgment of the Offering Persons, is required by law or applicable legal process (including in connection with the offer and sale of securities pursuant to the rules and regulations of the SEC), (iii) such information is or becomes generally available to the public other than as a result of a non-permitted disclosure or failure to safeguard by such Offering Persons in violation of this Agreement or (iv) such information (A) was known to such Offering Persons (prior to its disclosure by the Company) from a source other than the Company when such source, to the knowledge of the Offering Persons, was not bound by any contractual, legal or fiduciary obligation of confidentiality to the Company with respect to such information, (B) becomes available to the Offering Persons from a source other than the Company when such source, to the knowledge of the Offering Persons, is not bound by any contractual, legal or fiduciary obligation of confidentiality to the Company with respect to such information or (C) was developed independently by the Offering Persons or their respective representatives without the use of, or reliance on, information provided by the Company. In the case of a proposed disclosure pursuant to (i) or (ii) above, such Person shall be required to give the Company written notice of the proposed disclosure prior to such disclosure (except in the case of (ii) above when a proposed disclosure was or is to be made in connection with a registration statement or prospectus under this Agreement and except in the case of clause (i) above when a proposed disclosure is in connection with a routine audit or examination by, or a blanket document request from, a regulatory or self-regulatory authority, bank examiner or auditor);

(n) cooperate with each Holder and each underwriter or agent participating in the disposition of Registrable Securities and their respective counsel in connection with any filings required to be made with FINRA, including the use of reasonable best efforts to obtain FINRA’s pre-clearance or pre-approval of the registration statement and applicable prospectus upon filing with the SEC;

(o) as promptly as is reasonably practicable notify the Holder(s) (i) when the prospectus or any prospectus supplement or post-effective amendment has been filed and, with respect to such registration statement or any post-effective amendment, when the same has become effective, (ii) of any request by the SEC or other federal or state governmental authority for amendments or supplements to such registration statement or related prospectus or to amend or to supplement such prospectus or for additional information, (iii) of the issuance by the SEC or any state securities authority of any stop order, injunction or other order or requirement suspending the effectiveness of such registration statement or the initiation of any proceedings for such purpose (which, for the avoidance of doubt, shall commence a Suspension Period), (iv) if at any time the Company has reason to believe that the representations and warranties of the Company contained in any agreement contemplated by Section 2.1(h) relating to any applicable offering cease to be true and correct or (v) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose; and

(p) promptly furnish counsel for each underwriter, if any, and for the Holder(s) and their respective counsel copies of any correspondence with the SEC or any state securities authority relating to the registration statement or prospectus (for the avoidance of doubt, including, but not limited to, any comment letters received from the SEC or any state securities authority).

The Holders agree that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 2.1(f), Section 2.1(o)(ii) or Section 2.1(o)(iii), the Holders shall discontinue disposition of any Registrable Securities covered by such registration statement or the related prospectus until receipt of the copies of the supplemented or amended prospectus, which supplement or amendment shall, subject to the other applicable provisions of this Agreement, be prepared and furnished as soon as reasonably practicable, or until the Holders are advised in writing by the Company that the use of the applicable prospectus may be resumed, and have received copies of any amended or supplemented prospectus or any additional or supplemental filings which are incorporated, or deemed to be incorporated, by reference in such prospectus (such period during which disposition is discontinued being an “**Interruption Period**”) and, if requested by the Company, the Holders shall use reasonable best efforts to return, and cause the Holders to return, to the Company all copies then in their possession, of the prospectus covering such Registrable Securities at the time of receipt of such request. As soon as practicable after the Company has determined that the use of the applicable prospectus may be resumed, the Company will notify the Holders thereof. In the event the Company invokes an Interruption Period hereunder and in the sole discretion of the Company the need for the Company to continue the Interruption Period ceases for any reason, the Company shall, as soon as reasonably practicable, provide written notice to the Holders that such Interruption Period is no longer applicable.

Section 2.2 Suspension. The Company shall be entitled, on two occasions during any 12-month period, for a period of time not to exceed an aggregate of 75 days during any 12-month period (any such period a “**Suspension Period**”), to (x) postpone or defer any registration of Registrable Securities and shall have the right not to file and not to cause the effectiveness of any registration covering any Registrable Securities, (y) suspend the use of any prospectus and registration statement covering any Registrable Securities and (z) require the Holders to suspend any offerings or sales of Registrable Securities pursuant to a registration statement, if the Company delivers to the Holders a certificate signed by an executive officer certifying that such registration and offering would (i) require the Company to make an Adverse Disclosure or (ii) materially interfere with any *bona fide* material financing, acquisition, disposition or other similar transaction involving the Company or any of its subsidiaries then under consideration. Such certificate shall contain a statement of the reasons for such suspension and an approximation of the anticipated length of such suspension. The Holders shall keep the information contained in such certificate confidential subject to the same terms set forth in Section 2.1(m). If the Company defers any registration of Registrable Securities in response to an Underwritten Offering Notice or requires the Holder(s) to suspend any Underwritten Offering, such Holder(s) shall be entitled to withdraw such Underwritten Offering Notice and if it does so, such request shall not be treated for any purpose as the delivery of an Underwritten Offering Notice pursuant to Section 1.6.

Section 2.3 Expenses of Registration. All Registration Expenses incurred in connection with any registration or offering pursuant to Article I shall be borne by the Company. All Selling Expenses relating to securities registered on behalf of the Holders shall be borne, pro rata, by the Holders included in such registration.

Section 2.4 Information by Holders. The Holder or Holders included in any registration shall, and the Purchasers shall cause such Holder or Holders to, furnish to the Company such information regarding such Holder or Holders and their Affiliates, the Registrable Securities held by them and the distribution proposed by such Holder or Holders and their Affiliates as the Company or its representatives may reasonably request and as shall be required in connection with any registration, qualification or compliance referred to in this Agreement. It is understood and agreed that the obligations of the Company under Article I are conditioned on the timely provisions of the foregoing information by such Holder or Holders and, without limitation of the foregoing, will be conditioned on compliance by such Holder or Holders with the following:

(a) such Holder or Holders will, and will cause their respective Affiliates to, cooperate with the Company in connection with the preparation of the applicable registration statement and prospectus and, for so long as the Company is obligated to keep such registration statement effective, such Holder or Holders will and will cause their respective Affiliates to, provide to the Company, in writing and in a timely manner, for use in such registration statement (and expressly identified in writing as such), all information regarding themselves and their respective Affiliates and such other information as may be required by applicable law to enable the Company to prepare or amend such registration statement, any related prospectus and any other documents related to such offering covering the applicable Registrable Securities owned by such Holder or Holders and to maintain the currency and effectiveness thereof;

(b) during such time as such Holder or Holders and their respective Affiliates may be engaged in a distribution of the Registrable Securities, such Holder or Holders will, and they will cause their Affiliates to, comply with all laws applicable to such distribution, including Regulation M promulgated under the Exchange Act, and, to the extent required by such laws, will, and will cause their Affiliates to, among other things (i) not engage in any stabilization activity in connection with the securities of the Company in contravention of such laws; (ii) distribute the Registrable Securities acquired by them solely in the manner described in the applicable registration statement and (iii) if required by applicable law, cause to be furnished to each agent or broker-dealer to or through whom such Registrable Securities may be offered, or to the offeree if an offer is made directly by such Holder or Holders or their respective Affiliates, such copies of the applicable prospectus (as amended and supplemented to such date) and documents incorporated by reference therein as may be required by such agent, broker-dealer or offeree;

(c) such Holder or Holders shall, and they shall cause their respective Affiliates to, (i) permit the Company and its representatives to examine such documents and records and will supply in a timely manner any information as they may be reasonably requested to provide in connection with the offering or other distribution of Registrable Securities by such Holder or Holders and (ii) execute, deliver and perform under any agreements and instruments reasonably requested by the Company or its representatives to effectuate such registered offering, including opinions of counsel and questionnaires; and

(d) on receipt of any notice from the Company of the occurrence of any of the events specified in Section 2.1(f) or clauses (i) or (ii) of Section 2.1(o), or that otherwise requires the suspension by such Holder or Holders and their respective Affiliates of the offering, sale or distribution of any of the Registrable Securities owned by such Holder or Holders, such Holders shall, and they shall cause their respective Affiliates to, cease offering, selling or distributing the Registrable Securities owned by such Holder or Holders until the offering, sale and distribution of the Registrable Securities owned by such Holder or Holders may recommence in accordance with the terms hereof and applicable law.

Section 2.5 Rule 144.

(a) With a view to making available the benefits of Rule 144 to the Holders, the Company agrees that, for so long as a Holder owns Registrable Securities, the Company will use its reasonable best efforts to:

(i) make and keep public information available, as those terms are understood and defined in Rule 144, at all times after the date of this Agreement;

(ii) file with the SEC in a timely manner all reports and other documents required of the Company to be filed under the Securities Act and the Exchange Act;

(iii) so long as a Holder owns any Restricted Securities, furnish to the Holder upon written request a written statement by the Company as to its compliance with the reporting requirements of the Exchange Act; and

(iv) take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 or any similar rule or regulation hereafter adopted by the SEC.

(b) For as long as a Holder owns Registrable Securities issued or issuable upon conversion thereof, the Company will use reasonable best efforts to take such further necessary action as any holder of Registrable Securities may reasonably request in connection with the removal of any restrictive legend on the Registrable Securities being sold, all to the extent required from time to time to enable such Holder to sell the Restricted Securities to the public without registration under the Securities Act within the limitations of the exemption provided by Rule 144.

Section 2.6 Purchasers Holdback Agreement. If during the Effectiveness Period, the Company shall file a registration statement (other than in connection with the registration of securities issuable pursuant to an employee stock option, stock purchase or similar plan or pursuant to a merger, exchange offer or a transaction of the type specified in Rule 145(a) under the Securities Act) with respect to an underwritten public offering of Common Stock or securities convertible into, or exchangeable or exercisable for, such securities or otherwise informs the Purchasers that it intends to conduct such an offering utilizing an effective registration statement and provides each Holder the opportunity to participate in such offering in accordance with and to the extent required by Section 1.7, each Holder shall for so long as such Holder together with its respective Affiliates beneficially owns, on an as converted basis (as defined in the Certificate of Designations) greater than 5% of the then outstanding Common Stock or has a right to nominate a director to the

Company Board (as defined in the Purchase Agreements), if requested by the managing underwriter or underwriters, enter into a customary “lock-up” agreement relating to the sale, offering or distribution of Registrable Securities, in the form reasonably requested by the managing underwriter or underwriters, covering the period commencing on the date of the prospectus pursuant to which such offering may be made and continuing until the earlier of 90 days from the date of such prospectus and the date on which the Company’s “lock-up” agreement with the underwriters in connection with the offering expires; provided that nothing herein will prevent (i) any Holder that is a partnership or corporation from making a transfer to an Affiliate that is otherwise in compliance with applicable securities laws, (ii) any pledge of Registrable Securities by a Holder in connection with a Permitted Loan (as defined in the Stockholders Agreement) or (iii) any foreclosure in connection with a Permitted Loan (as defined in the Stockholders Agreement) or transfer in lieu of a foreclosure thereunder, in each case that is otherwise in compliance with applicable securities laws. Notwithstanding the foregoing, any discretionary waiver or termination of this holdback provision by such underwriters with respect to any of the Holders shall apply to the other Holders as well, pro rata based upon the number of Registrable Securities subject to such obligations.

ARTICLE III

INDEMNIFICATION

Section 3.1 Indemnification by Company. To the extent permitted by applicable law, the Company will, with respect to any Registrable Securities covered by a registration statement or prospectus, or as to which registration, qualification or compliance under applicable “blue sky” laws has been effected pursuant to this Agreement, indemnify and hold harmless each Holder, each Holder’s current and former officers, directors, partners, members, managers, shareholders, accountants, attorneys, agents and employees, and each Person controlling such Holder within the meaning of Section 15 of the Securities Act and such Holder’s current and former officers, directors, partners, members, managers, shareholders, accountants, attorneys, agents and employees, and each underwriter thereof, if any, and each Person who controls any such underwriter within the meaning of Section 15 of the Securities Act (collectively, the “**Company Indemnified Parties**”), from and against any and all expenses, claims, losses, damages, costs (including costs of preparation and reasonable and documented attorney’s fees and any legal or other documented fees or expenses actually incurred by such party in connection with any investigation or proceeding), judgments, fines, penalties, charges, amounts paid in settlement and other liabilities, joint or several, (or actions in respect thereof) (collectively, “**Losses**”) to the extent arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus, preliminary prospectus, offering circular, “issuer free writing prospectus” (as such term is defined in Rule 433 under the Securities Act) or other document, in each case related to such registration statement, or any amendment or supplement thereto, or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, or any violation by the Company of the Securities Act, the Exchange Act, any state securities law or any rules or regulations thereunder applicable to the Company in connection with any registration or offering hereunder and (without limiting the preceding portions of this Section 3.1), the Company will reimburse each of the Company Indemnified Parties for any reasonable and documented out-of-pocket legal expenses

and any other reasonable and documented out-of-pocket expenses actually incurred in connection with investigating, defending or, subject to the last sentence of this [Section 3.1](#), settling any such Losses or action, as such expenses are incurred; *provided* that the Company's indemnification obligations shall not apply to amounts paid in settlement of any Losses or action if such settlement is effected without the prior written consent of the Company (which consent shall not be unreasonably withheld or delayed), nor shall the Company be liable to a Holder in any such case for any such Losses or action to the extent that it arises out of or is based upon a violation or alleged violation of any state or federal law (including any claim arising out of or based on any untrue statement or alleged untrue statement or omission or alleged omission in the registration statement or prospectus) which occurs in reliance upon and in conformity with written information regarding such Holder furnished to the Company by such Holder or its authorized representatives expressly for use in connection with such registration by or on behalf of any Holder.

[Section 3.2 Indemnification by Holders](#). To the extent permitted by applicable law, each Holder will, if Registrable Securities held by such Holder are included in the securities as to which registration or qualification or compliance under applicable "blue sky" laws is being effected, indemnify, severally and not jointly with any other Holders, the Company, each of its representatives and Affiliates and each underwriter thereof, and each Person who controls the Company or such underwriter within the meaning of Section 15 of the Securities Act (collectively, the "**Holder Indemnified Parties**"), against all Losses (or actions in respect thereof) to the extent arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus, preliminary prospectus, offering circular, "issuer free writing prospectus" or other document, in each case related to such registration statement, or any amendment or supplement thereto, or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, or and will reimburse each of the Holder Indemnified Parties for any reasonable and documented out-of-pocket legal expenses and any other reasonable and documented out-of-pocket expenses actually incurred in connection with investigating, defending or, subject to the last sentence of this [Section 3.2](#), settling any such Losses or action, as such expenses are incurred, in each case to the extent, but only to the extent, that such untrue statement (or alleged untrue statement) or omission (or alleged omission) is made in such registration statement, prospectus, offering circular, "issuer free writing prospectus" or other document in reliance upon and in conformity with written information regarding such Holder furnished to the Company by such Holder or its authorized representatives and stated to be specifically for use therein; *provided, however*, that in no event shall any indemnity under this [Section 3.2](#) payable by any of the Purchasers and any Holder exceed an amount equal to the net proceeds (after deducting Selling Expenses) actually received by such Holder in respect of the Registrable Securities sold pursuant to the registration statement. The indemnity agreement contained in this [Section 3.2](#) shall not apply to amounts paid in settlement of any loss, claim, damage, liability or action if such settlement is effected without the prior written consent of the applicable Holder (which consent shall not be unreasonably withheld or delayed).

Section 3.3 Notification. If any Person shall be entitled to indemnification under this Article III (each, an “**Indemnified Party**”), such Indemnified Party shall give prompt notice to the party required to provide indemnification (each, an “**Indemnifying Party**”) of any claim or of the commencement of any proceeding as to which indemnity is sought. The Indemnifying Party shall have the right, exercisable by giving written notice to the Indemnified Party as promptly as reasonably practicable after the receipt of written notice from such Indemnified Party of such claim or proceeding, to, unless in the Indemnified Party’s reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist in respect of such claim, assume, at the Indemnifying Party’s expense, the defense of any such claim or litigation, with counsel reasonably satisfactory to the Indemnified Party and, after notice from the Indemnifying Party to such Indemnified Party of its election to assume the defense thereof, the Indemnifying Party will not (so long as it shall continue to have the right to defend, contest, litigate and settle the matter in question in accordance with this paragraph) be liable to such Indemnified Party hereunder for any legal expenses and other expenses subsequently incurred by such Indemnified Party in connection with the defense thereof; *provided, however*, that an Indemnified Party shall have the right to employ separate counsel in any such claim or litigation, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless the Indemnifying Party (i) agrees to pay such fees and expenses or (ii) shall have failed within a reasonable period of time to assume, or in the event of a conflict of interest cannot assume, such defense or shall have failed to employ counsel reasonably satisfactory to such Indemnified Party. The failure of any Indemnified Party to give notice as provided herein shall relieve an Indemnifying Party of its obligations under this Article III only to the extent that the failure to give such notice is materially prejudicial or harmful to such Indemnifying Party’s ability to defend such action. No Indemnifying Party, in the defense of any such claim or litigation, shall, except with the prior written consent of each Indemnified Party (which consent shall not be unreasonably withheld or delayed), consent to entry of any judgment or enter into any settlement which does not (x) include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release, in form and substance reasonably satisfactory to the Indemnified Party, from all liability in respect to such claim or litigation or (y) involve the imposition of equitable remedies or the imposition of any obligations on the Indemnified Party or adversely affects such Indemnified Party other than as a result of financial obligations for which such Indemnified Party would be entitled to indemnification hereunder. The indemnity agreements contained in this Article III shall not apply to amounts paid in settlement of any claim, loss, damage, liability or action if such settlement is effected without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed. The indemnification set forth in this Article III shall be in addition to any other indemnification rights or agreements that an Indemnified Party may have. An Indemnifying Party who is not entitled to, or elects not to, assume the defense of a claim will not be obligated to pay the fees and expenses of more than one counsel (together with one local counsel, if appropriate) for all parties indemnified by such Indemnifying Party with respect to such claim, unless in the reasonable judgment of any Indemnified Party a conflict of interest may exist between such Indemnified Party and any other Indemnified Parties with respect to such claim.

Section 3.4 Contribution. If the indemnification provided for in this Article III is held by a court of competent jurisdiction to be unavailable to an Indemnified Party, other than pursuant to its terms, with respect to any Losses or action referred to therein, then, subject to the limitations contained in this Article III, the Indemnifying Party, in lieu of indemnifying such Indemnified Party hereunder, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses or action in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party, on the one hand, and the Indemnified Party, on the other, in connection with the actions, statements or omissions that resulted in such Losses or action, as well as any other relevant equitable considerations. The relative fault of the Indemnifying Party, on the one hand, and the Indemnified Party, on the other hand, shall be determined by reference to, among other

things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been made (or omitted) by, or relates to information supplied by such Indemnifying Party or such Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent any such action, statement or omission. The Company and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 3.4 was determined solely upon *pro rata* allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding sentence of this Section 3.4. Notwithstanding the foregoing, the amount any Purchaser or any Holder will be obligated to contribute pursuant to this Section 3.4 will be limited to an amount equal to the net proceeds received by such Purchaser or Holder in respect of the Registrable Securities sold pursuant to the registration statement which gives rise to such obligation to contribute. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

ARTICLE IV

TRANSFER AND TERMINATION OF REGISTRATION RIGHTS

Section 4.1 Transfer of Registration Rights. Any rights to cause the Company to register securities granted to a Holder under this Agreement may be transferred or assigned to any Person in connection with a Transfer (as defined in the Stockholders Agreement) of Series B Preferred Stock or Common Stock, as applicable, (i) permitted under Section 3.1(d) of the Stockholders Agreement or (ii) permitted under Section 3.1(a) of the Stockholders Agreement and, in the case of this clause (ii), representing 5% or more of the outstanding Common Stock on an as-converted basis; *provided, however*, that (x) prior written notice of such assignment of rights is given to the Company and (y) such transferee agrees in writing to be bound by, and subject to, this Agreement as a "Holder" pursuant to a written instrument in form and substance reasonably acceptable to the Company.

Section 4.2 Termination of Registration Rights. The rights of any particular Holder to cause the Company to register securities under Article I shall terminate with respect to such Holder upon the date upon which such Holder no longer holds any Registrable Securities.

ARTICLE V

MISCELLANEOUS

Section 5.1 Amendments and Waivers. Subject to applicable law and subject to the other provisions of this Agreement, this Agreement may be amended by the parties hereto at any time by execution of an instrument in writing signed on behalf of each of the Purchasers and the Company.

Section 5.2 Extension of Time, Waiver. The parties hereto may, to the extent legally allowed and except as otherwise set forth herein: (a) extend the time for the performance of any of the obligations or other acts of the other parties, as applicable; and (b) subject to the requirements of applicable law, waive compliance with any of the agreements or conditions for the benefit of such party contained herein. Any agreement on the part of a party hereto to any such extension or waiver will be valid only if set forth in an instrument in writing signed by such party; *provided* that any Purchaser may execute such waivers on behalf of any Holder. Any failure or delay in exercising any right, power or privilege pursuant to this Agreement will not constitute a waiver of such right, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

Section 5.3 Assignment. Except as provided in Section 4.1, neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned, in whole or in part, by operation of law or otherwise, by any of the parties hereto without the prior written consent of the other parties hereto; *provided, further*, that if the Company consolidates or merges with or into any Person and the Common Stock or any other Registrable Securities are, in whole or in part, converted into or exchanged for securities of a different issuer, and any Holder would, upon completion of such merger or consolidation, hold Registrable Securities of such issuer, then as a condition to such transaction the Company will cause such issuer to assume all of the Company's rights and obligations under this Agreement in a written instrument delivered to the Holders.

Section 5.4 Counterparts. This Agreement and any amendments hereto may be executed in one or more counterparts, all of which will be considered one and the same agreement and will become effective when one or more counterparts have been signed by each of the parties hereto and delivered to the other parties hereto, it being understood that all parties need not sign the same counterpart. Any such counterpart, to the extent delivered by fax or .pdf, .tif, .gif, .jpg or similar attachment to electronic mail (any such delivery, an "**Electronic Delivery**"), will be treated in all manner and respects as an original executed counterpart and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party may raise the use of an Electronic Delivery to deliver a signature, or the fact that any signature or agreement or instrument was transmitted or communicated through the use of an Electronic Delivery, as a defense to the formation of a contract, and each party forever waives any such defense, except to the extent such defense relates to lack of authenticity.

Section 5.5 Entire Agreement; No Third Party Beneficiary. This Agreement and the documents and instruments and other agreements among the parties hereto as contemplated by or referred to herein, including the Purchase Agreements and the Stockholders Agreement, constitute the entire agreement among the parties hereto with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, among the parties hereto with respect to the subject matter hereof. This Agreement is not intended to and shall not confer any rights or remedies upon any person other than the parties hereto, their respective successors and permitted assigns and any Indemnified Party hereunder.

Section 5.6 Governing Law; Jurisdiction.

(a) This Agreement and all actions, proceedings or counterclaims (whether based on contract, tort or otherwise) arising out of or relating to this Agreement or the actions of the Purchasers or the Company in the negotiation, administration, performance and enforcement thereof, shall be governed by, and construed in accordance with the laws of the State of Delaware, including its statute of limitations, without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(b) Each of the parties hereto: (i) irrevocably consents to the service of the summons and complaint and any other process (whether inside or outside the territorial jurisdiction of the Chosen Courts) in any Legal Proceeding arising out of or relating to this Agreement, in accordance with Section 5.9 or in such other manner as may be permitted by applicable law, and nothing in this Section 5.6(b) will affect the right of any party hereto to serve legal process in any other manner permitted by applicable law; (ii) irrevocably and unconditionally consents and submits itself and its properties and assets in any Legal Proceeding to the exclusive general jurisdiction of the Court of Chancery of the State of Delaware and any state appellate court therefrom within the State of Delaware (or, solely if the Court of Chancery of the State of Delaware declines to accept jurisdiction over a particular matter, any other state or federal court within the State of Delaware) (the “**Chosen Courts**”) in the event of any dispute or controversy relating to or arising out of this Agreement; (iii) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court; (iv) agrees that any Legal Proceeding relating to or arising out of this Agreement will be brought, tried and determined only in the Chosen Courts; (v) waives any objection that it may now or hereafter have to the venue of any such Legal Proceeding in the Chosen Courts or that such Legal Proceeding was brought in an inconvenient court and agrees not to plead or claim the same; and (vi) agrees that it will not bring any Legal Proceeding relating to or arising out of this Agreement in any court other than the Chosen Courts unless the Chosen Courts issue a final judgment determining that such court lacks jurisdiction. Each Purchaser and the Company agrees that a final judgment and any interim relief (whether equitable or otherwise) in any Legal Proceeding in the Chosen Courts will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law.

Section 5.7 Specific Enforcement. The parties acknowledge and agree that (a) the parties shall be entitled to an injunction or injunctions, specific performance or other equitable relief to enforce specifically the terms and provisions hereof in the courts described in Section 5.6 without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement and (b) the right of specific enforcement is an integral part of this Agreement and without that right, neither the Company nor the Purchasers would have entered into this Agreement. The parties hereto agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to law or inequitable for any reason, and agree not to assert that a remedy of monetary damages would provide an adequate remedy or that the parties otherwise have an adequate remedy at law. The parties hereto acknowledge and agree that any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 5.7 shall not be required to provide any bond or other security in connection with any such order or injunction.

Section 5.8 Waiver of Jury Trial. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE PURSUANT TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT THAT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING (WHETHER FOR BREACH OF CONTRACT, TORTIOUS

CONDUCT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTION. EACH PARTY ACKNOWLEDGES AND AGREES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER; (ii) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER; (iii) IT MAKES THIS WAIVER VOLUNTARILY; AND (iv) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 5.8.

Section 5.9 Notices. All notices and other communications hereunder must be in writing and will be deemed to have been duly delivered and received hereunder: (a) four Business Days after being sent by registered or certified mail, return receipt requested, postage prepaid; (b) one Business Day after being sent for next Business Day delivery, fees prepaid, via a reputable nationwide overnight courier service; or (c) immediately upon delivery by electronic mail or by hand (with a written or electronic confirmation of delivery), in each case to the intended recipient as set forth below:

Any notice received at the addressee's location on any Business Day after 5:00 p.m., addressee's local time, or on any day that is not a Business Day will be deemed to have been received at 9:00 a.m., addressee's local time, on the next Business Day. From time to time, any party hereto may provide notice to the other parties hereto of a change in its address or e-mail address through a notice given in accordance with this Section 5.9, except that that notice of any change to the address or any of the other details specified in or pursuant to this Section 5.9 will not be deemed to have been received until, and will be deemed to have been received upon, the later of the date (A) specified in such notice or (B) that is five Business Days after such notice would otherwise be deemed to have been received pursuant to this Section 5.9.

Section 5.10 Severability. In the event that any provision of this Agreement, or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other Persons or circumstances will be interpreted so as reasonably to effect the intent of the parties hereto. Upon such a determination, the parties hereto agree to negotiate in good faith to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision. If any provision of this Agreement is so broad as to be unenforceable, such provision will be interpreted to be only so broad as it is enforceable.

Section 5.11 Expenses. Except as provided in Section 2.3 and Article III, all costs and expenses, including fees and disbursements of counsel, financial advisors and accountants, incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such costs and expenses.

Section 5.12 Interpretation. The rules of interpretation set forth in Section 1.3 of the Purchase Agreements shall apply to this Agreement, *mutatis mutandis*.

Section 5.13 No Inconsistent Agreements; Most Favored Nations. The Company is not currently a party to any agreement with any holder or prospective holder of any securities of the Company giving such holder or prospective holder any registration rights the terms of which are on parity with or senior to, or inconsistent with, the registration rights granted to the Holders pursuant to this Agreement. The Company shall not enter into any agreement with respect to its securities (a) that is inconsistent with or violates the rights granted to the Holders by this Agreement, (b) that would allow any holder or prospective holder of any securities of the Company to include such securities in any Underwritten Offering or registration giving rights to the rights under Section 1.8 unless, under the terms of such agreement, such holder or prospective holder may include such securities in any such registration only to the extent that their inclusion would not reduce the amount of the Registrable Securities of the Holders included therein or (c) on terms otherwise more favorable than this Agreement.

(i) a number of shares of Preferred Stock equal to at least 50% (but less than 100%) of one of the other Stockholder’s (the “**Selling Stockholder**”) Initial Preferred Stock Ownership (including pursuant to the exercise of a Right of First Refusal), the Selling Stockholder shall cause one (1) of the Directors designated by the Selling Stockholder to resign from the Board immediately upon the closing of such acquisition, and the Company shall, as promptly as is reasonably practicable, take all necessary action (to the extent not prohibited by applicable law) to cause the Board to appoint one (1) additional Person designated by the Buying Stockholder to fill such newly created vacancy and thereafter, until such time as the Buying Stockholder beneficially owns a number of shares of Voting Stock (disregarding the shares of Preferred Stock beneficially owned by the Buying Stockholder immediately prior to such transaction) representing less than 5% of the outstanding shares of Common Stock (on an as-converted basis), the Company will take all necessary action (to the extent not prohibited by applicable law) to cause the Board to nominate for election at each annual or special meeting of stockholders at which directors are to be elected that number of individuals designated by the Buying Stockholder that, if elected, would result in one (1) additional Director designated by the Buying Stockholder serving on the Board and, if any such individual is not so elected, cause such individual to be promptly appointed as a director; or

(ii) a number of shares of Preferred Stock equal to 100% of one of the Selling Stockholder’s Initial Preferred Stock Ownership (including pursuant to the exercise of a Right of First Refusal), the Selling Stockholder shall cause two (2) of the Directors designated by the Selling Stockholder to resign from the Board immediately upon the closing of such acquisition, and the Company shall, as promptly as is reasonably practicable, take all necessary action (to the extent not prohibited by applicable law) to cause the Board to appoint two (2) additional Persons designated by the Buying Stockholder to fill such newly created vacancies and thereafter, until such time as the Buying Stockholder beneficially owns a number of shares of Voting Stock (disregarding the shares of Preferred Stock beneficially owned by the Buying Stockholder immediately prior to such transaction) representing less than 10% of the outstanding shares of Common Stock (on an as-converted basis), the Company will take all necessary action (to the extent not prohibited by applicable law) to cause the Board to nominate for election at each annual or special meeting of stockholders at which directors are to be elected that number of individuals designated by the Buying Stockholder that, if elected, would result in two (2) additional Directors designated by the Buying Stockholder serving on the Board and, if any such individual is not so elected, cause such individual to be promptly appointed as a director, and thereafter, until such time as the Buying Stockholder beneficially owns a number of shares of Voting Stock (disregarding the shares of Preferred Stock beneficially owned by the Buying Stockholder immediately prior to such transaction) representing less than 5% of the outstanding shares of Common Stock (on an as-converted basis), the Company will take all necessary action (to the extent not prohibited by applicable law) to cause the Board to nominate for election at each annual or special meeting of stockholders at which directors are to be elected that number of individuals designated by the Buying Stockholder that, if elected, would result in one (1) additional Director designated by the Buying Stockholder serving on the Board and, if any such individual is not so elected, cause such individual to be promptly appointed as a director; or

(iii) a number of shares of Common Stock equal to 10% or more of the number of shares of outstanding Common Stock as of such time (determined on an as-converted basis) (the “**Additional Common Stock**”) from a Person (other than another Stockholder and its Permitted Transferees), the Company shall, as promptly as is reasonably practicable, take all necessary action (to the extent not prohibited by applicable law) to cause the Board to (x) increase the size of the Board as required to enable the Buying Stockholder to designate one (1) additional Person to the Board, and (y) appoint such additional Person designated by the Buying Stockholder to fill such newly created vacancy and, thereafter, for so long as the Buying Stockholder beneficially owns at least 50% of the Additional Common Stock, the Company will take all necessary action (to the extent not prohibited by applicable law) to cause the Board to nominate for election at each annual or special meeting of stockholders at which directors are to be elected that number of individuals designated by the Buying Stockholder that, if elected, would result in one (1) additional Director designated by the Buying Stockholder serving on the Board and, if such individual is not so elected, cause such individual to be promptly appointed as a director. For the avoidance of doubt, the right to designate the additional Person to the Board pursuant to this clause (iii) shall not be triggered by the acquisition of Preferred Stock or conversion of Preferred Stock to Common Stock and shall, with respect to each Buying Stockholder, be limited to one (1) additional designee in total regardless of the number of shares of Common Stock acquired in excess of the 10% threshold pursuant to this Section 2.1(e).

(f) Notwithstanding anything to the contrary contained elsewhere herein, in no event shall a Stockholder be entitled to designate a number of directors to the Board that would constitute a majority of the Board pursuant to this Section 2.1.

(g) Subject to compliance with applicable laws, stock exchange regulations and the Settlement, for so long as the Charter Stockholder beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock (on an as-converted basis), the Company will take all necessary action (to the extent not prohibited by applicable law) to cause the Board to appoint (i) at least one Charter Director to serve on the compensation committee of the Board, (ii) at least one Charter Director to serve on the nominating and governance committee of the Board and (iii) at least one Charter Director to serve on the finance committee of the Board.

(h) Subject to compliance with applicable laws, stock exchange regulations and the Settlement, for so long as the Qurate Stockholder beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock (on an as-converted basis), the Company will take all necessary action (to the extent not prohibited by applicable law) to cause the Board to appoint (i) at least one Qurate Director to serve on the compensation committee of the Board, (ii) at least one Qurate Director to serve on the nominating and governance committee of the Board and (iii) at least one Qurate Director to serve on the finance committee of the Board.

(i) Subject to compliance with applicable laws, stock exchange regulations and the Settlement, for so long as the Cerberus Stockholder beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock (on an as-converted basis), the Company will take all necessary action (to the extent not prohibited by applicable law) to cause the Board to appoint (i) at least one Cerberus Director to serve on the compensation committee of the Board, (ii) at least one Cerberus Director to serve on the nominating and governance committee of the Board and (iii) at least one Cerberus Director to serve on the finance committee of the Board.

(j) In the event that any Stockholder has nominated fewer than the total number of designees that the Stockholder shall be entitled to nominate to the Board pursuant to this Section 2.1, then such Stockholder shall have the right, at any time and from time to time, to nominate such additional designee(s) to which it is entitled, in which case, the Company shall, as promptly as is reasonably practicable, take all necessary action (to the extent not prohibited by applicable law) to cause the Board to (x) increase the size of the Board as required to enable such Stockholder to so nominate such additional designee(s), and (y) appoint such additional designees nominated by such Stockholder to fill such newly created vacancy or vacancies, as applicable.

(k) The Charter Stockholder may cause any Charter Director to resign (with or without cause) from time to time and at any time upon notice to the Company, the Qurate Stockholder may cause any Qurate Director to resign (with or without cause) from time to time and at any time upon notice to the Company, and the Cerberus Director may cause any Cerberus Director to resign (with or without cause) from time to time and at any time upon notice to the Company.

(l) In the event that a vacancy is created on the Board by the death, disability, resignation or removal of a Director, the relevant Stockholder that designated such Director shall be entitled to designate an individual to fill the vacancy so long as (i) the total number of such Stockholder's Directors serving on the Board immediately following the filling of such vacancy will not exceed the total number of Persons such Stockholder entitled to designate pursuant to this Section 2.1 on the date of such replacement designation and (ii) the replacement designee (A) will, if the departing Director being replaced qualified as independent within the meaning of NASDAQ Rule 5605(a) as of his or her departure (an "**Independent Director**"), qualify as an Independent Director and (B) does not serve on the board of directors or as an officer of a Competitor of the Company. The Company shall, as promptly as is reasonably practicable, take all necessary action (to the extent not prohibited by applicable law) to cause such replacement designee to become a member of the Board.

(m) The Company agrees to take all necessary action (to the extent not prohibited by applicable law) to cause the Board to include in the slate of nominees recommended by the Board for election at any meeting of stockholders called for the purpose of electing directors each individual designated by a Stockholder pursuant to this Section 2.1 (to the extent that directors of such nominee's class are to be elected at such meeting for so long as the Board is classified) and to nominate and recommend each such individual to be elected as a director as provided herein, and to solicit proxies or consents in favor thereof. The Company is entitled to identify such individual(s) as Charter Director(s), Qurate Director(s) or Cerberus Director(s), as applicable, pursuant to this Agreement. The Company shall support each Charter Director, Qurate Director, and Cerberus Director for election in a manner no less rigorous and favorable than the manner in which the Company supports the other nominees.

(n) Notwithstanding anything to the contrary provided elsewhere herein, promptly after a Stockholder is no longer entitled to designate or nominate for election a Person or Persons to the Board pursuant to the terms of this Section 2.1, such Stockholder shall cause the applicable number of its Directors to resign from the Board (it being understood that such individual's form of resignation letter that is required to be executed by such individual and held by the Company Secretary as a condition of membership on the Board shall be automatically effective upon the applicable Stockholder's determination, which shall be communicated promptly to the Company Secretary thereupon).

(o) For so long as a Stockholder beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock on an as-converted basis, each Stockholder agrees to vote, or provide a written consent or proxy with respect to, its Voting Stock, and to cause such Stockholder's Permitted Transferees that become a party to this Agreement to vote, or provide a written consent or proxy with respect to, their Voting Stock, in each case in a neutral manner, in the election of any directors

nominated by the Board, other than pursuant to any Stockholder's right to designate such Director pursuant to the terms of this Agreement. A "**neutral manner**" means in the same proportion as all other outstanding Common Stock of the Company (excluding any and all shares of Common Stock beneficially owned, directly or indirectly, by the Stockholders and their respective Permitted Transferees that become parties to this Agreement) voted on the relevant matters. For so long as this Section 2.1(o) applies to a Stockholder or its Permitted Transferee, each such Stockholder and Permitted Transferee shall be deemed to irrevocably appoint as its proxy and attorney-in-fact, the Chief Executive Officer, the Chief Financial Officer and the General Counsel of the Company, each of them individually, with full power of substitution and resubstitution, to consent to or vote any shares of Voting Stock held by them in accordance with this Section 2.1(o). Each Stockholder and Permitted Transferee intends this proxy to be irrevocable and unconditional and coupled with an interest and will take such further action or execute such other instruments as may be reasonably necessary to effect the intent of this proxy, and hereby revokes any proxy previously granted with respect hereto.

(p) To the extent any Charter Director, Qurate Director or Cerberus Director is subject to a code of conduct by virtue of their service as a member of the Board, no such code of conduct shall (i) restrict any transfer of securities by the Stockholder designating such Director or its Affiliates (other than with respect to the Charter Director, Qurate Director or Cerberus Director, solely in his or her individual capacity) except as provided herein or as required by applicable law, (ii) impose confidentiality obligations on any such Director that would limit the ability of such Director to share information with the Stockholder designating such Director, (iii) impose any share ownership requirements for such Director or (iv) impose any additional obligations on the Stockholder designating such Director that would, in the case of clauses (i), (ii) and (iv), contravene or limit the rights of any Stockholder under this Agreement, the Certificate of Designations, the Purchase Agreements or any other document or agreement contemplated hereby or thereby, except as required by applicable laws, stock exchange regulations, background check policies or the Settlement with respect to restrictions on overboarding and requirements for interviews and a related party transactions policy and hedging and pledging policy. Notwithstanding anything in this Section 2.1(p) or Section 2.2 to the contrary, any equity securities or other equity-based compensation to which any Charter Director, Qurate Director or Cerberus Director is entitled in such Director's capacity as a director of the Company shall be (from issuance) Transferred by such Director to the Stockholder designating such Director or any Affiliate of such Stockholder, and the Company shall take all actions necessary to permit such Transfer.

(q) If there is any event, transaction or circumstance that may result in any Stockholder, its Affiliates and/or the Director designated by such Stockholder being deemed to have made a disposition or acquisition of equity securities of the Company or derivatives thereof, to or from the Company, respectively, for purposes of Section 16 of the Exchange Act, and if such Director is serving on the Board at such time or has served on the Board at any time during the six (6) months preceding such event, transaction or circumstance, then (i) the Board or a committee thereof composed solely of two or more "non-employee directors" as defined in Rule 16b-3 of the Exchange Act will pre-approve such disposition or acquisition of equity securities of the Company or derivatives thereof, to or from the Company, respectively, for the express purpose of exempting the interests of such Stockholder, its Affiliates and the Director designated by such Stockholder (for the Stockholder and/or its Affiliates, to the extent such persons may be deemed to be "directors by deputation") in such transaction from Section 16(b) of the Exchange Act pursuant to Rule 16b-3 thereunder or (ii) if the transaction involves (A) a merger or consolidation to which the Company is a party and the Capital Stock is, in whole or in part, converted into or exchanged for equity securities of a different issuer, (B) a potential acquisition or deemed acquisition, or disposition or deemed disposition, by a Stockholder, its Affiliates, and/or the Director designated by such Stockholder of equity securities of such other issuer or derivatives thereof and (C) an Affiliate or other designee of such

Stockholder or its Affiliates will serve on the board of directors (or its equivalent) of such other issuer pursuant to the terms of an agreement to which the Company is a party (or if the Stockholder notifies the Company of such service a reasonable time in advance of the closing of such transactions), the Company shall require that such other issuer preapprove any such acquisitions of equity securities or derivatives thereof for the express purpose of exempting the interests of such Stockholder, its Affiliates and the Director designated by such Stockholder (for the Stockholder and/or its Affiliates, to the extent such persons may be deemed to be “directors by deputization” of such other issuer) in such transactions from Section 16(b) of the Exchange Act pursuant to Rule 16b-3 thereunder.

Section 2.2 Director Compensation; Indemnification

(a) Each of the Charter Directors, the Qurate Directors and the Cerberus Directors shall be entitled to receive the same amount and type of compensation that the other non-employee directors receive in consideration for their service on the Board and any committees thereof.

(b) The Company shall indemnify the Directors and provide such Directors with director and officer insurance to the same extent as it indemnifies and provides such insurance to other members of the Board, pursuant to the Certificate of Incorporation, the DGCL or otherwise. The Company acknowledges and agrees that it (i) is the indemnitor of first resort (i.e., its obligations to the Directors are primary and any obligation of the Stockholder or its Affiliates to advance expenses or to provide indemnification for the same expenses or liabilities incurred by Directors designated by such Stockholder are secondary) and (ii) shall be required to advance the amount of expenses incurred by Directors and shall be liable for the amount of all expenses and liabilities incurred by a Director, in each case to the same extent as it advances expenses and is liable for expenses and liabilities incurred by the other members of the Board, pursuant to the Certificate of Incorporation, the DGCL or otherwise, without regard to any rights that a Director may have against any Stockholder or its Affiliates.

(c) Each Stockholder and the Company hereby agree, notwithstanding anything to the contrary in any other agreement or at law or in equity, that, to the maximum extent permitted by law, when such Stockholder or any of its Permitted Transferees takes any action under this Agreement to give or withhold their consent, such Persons shall have no duty (fiduciary or other) to consider the interests of the Company or the other stockholders of the Company and may act exclusively in their own interest; *provided, however*, that the foregoing shall in no way affect the obligations of the parties hereto to comply with the provisions of this Agreement.

Section 2.3 Observers

(a) For so long as a Stockholder beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock (on an as-converted basis), such Stockholder shall be entitled to appoint one individual to attend and observe meetings of the Board or any committee thereof in a non-voting capacity (such individuals, “**Observers**”). The Observers will be permitted (i) to attend and participate at each meeting of the Board or any committee of which the Stockholder’s Director is a member, and (ii) to receive notice of each meeting of the Board and such committee, each written consent in lieu of a meeting and copies of any materials delivered to the Directors in connection therewith at the same time and in the same manner that such notice and such materials are provided to the Directors. Under no circumstances shall any Observers be counted for purposes of voting, quorum or any other reason or be considered a Director. Each Observer shall agree to maintain the confidentiality of all non-public information and proceedings of the Board pursuant to the terms and conditions of a confidentiality agreement in the form attached hereto as Exhibit A. Notwithstanding any rights to be granted or provided to the Observers hereunder, the Company may exclude an Observer from access to any Board or committee materials or information or meeting or portion thereof or written consent if the Board or applicable

committee determines, in good faith, that including such Observer in discussions relating to such determination (but not requiring the affirmative vote of such Observer) and/or that such access would reasonably be expected to (i) adversely affect the attorney-client privilege between the Company, the Board or any committee thereof and such Person's counsel, (ii) result in a conflict of interest with the Company (other than a conflict of interest with respect to the relevant Stockholder's ownership interest in the Company or rights under the documents entered into in connection with the Transactions) or (iii) cause the Board (or such committee) to breach its fiduciary duties; *provided*, that such exclusion shall be limited to the portion of the Board or committee material or information and/or meeting or written consent that is the basis for such exclusion and shall not extend to any portion of the Board or committee material or information and/or meeting or written consent that does not involve or pertain to such exclusion; *provided* that the Board shall treat all similarly situated Observers equally such that no Observer shall be excluded unless all other Observers whose participation in such meeting of the Board, or portions thereof, or receipt of such information, or portions thereof, would result in a similar concern are also excluded. The decision of the Board (or such committee) shall be final and binding on the parties hereto, and each Stockholder hereby waives any objection to such decision and agrees to cause its applicable Observer to not interpose any objection to any such decision. The Observers will not be entitled to compensation from the Company.

(b) Any Observer appointed by the Charter Stockholder may be removed (with or without cause) from time to time and at any time by the Charter Stockholder upon notice to the Company, any Observer appointed by the Qurate Stockholder may be removed (with or without cause) from time to time and at any time by the Qurate Stockholder upon notice to the Company, and any Observer appointed by the Cerberus Stockholder may be removed (with or without cause) from time to time and at any time by the Cerberus Stockholder upon notice to the Company.

Section 2.4 Voting. For so long as a Stockholder beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock on an as-converted basis, such Stockholder covenants to the Company that it shall (a) vote, or provide a written consent or proxy with respect to, its Voting Stock in favor of each Director that the Company is required to nominate in accordance with Section 2.1 at each annual or special meeting of shareholders at which Directors are to be elected and (b) cause its Director(s) to vote for Director appointments required by this Agreement. Each Stockholder and Permitted Transferee shall be present, in person or by proxy, at all meetings of the stockholders of the Company so that all shares of Preferred Stock or Common Stock beneficially owned by the such Persons may be counted for the purposes of determining the presence of a quorum and voted in accordance with this Agreement at such meetings (including at any adjournments or postponements thereof).

Section 2.6 Restriction on Other Agreements. The Stockholders shall not, directly or indirectly, grant any proxy or enter into or agree to be bound by any voting trust, agreement or arrangement of any kind with respect to their shares of Voting Stock if and to the extent the terms thereof conflict with the provisions of this Agreement (whether or not such proxy, voting trust, agreement or agreements are with other holders of shares of Common Stock or Preferred Stock that are not parties to this Agreement or otherwise).

ARTICLE III OWNERSHIP AND TRANSFER OF STOCK

Section 3.1 Restrictions on Transfer.

(a) Subject to the exceptions set forth below, each Stockholder agrees not to, without the prior written consent of the Board (excluding any Directors designated by the Stockholder seeking a Transfer), directly or indirectly, (i) transfer, sell, hypothecate, pledge, grant any option to purchase or otherwise dispose of any shares of Preferred Stock held by such Stockholder, including any shares of Common Stock

issued or issuable upon conversion of such shares of Preferred Stock (“**Lock-Up Shares**”), (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any of, or Hedge, such Lock-Up Shares, whether any such transaction is to be settled by delivery of such securities, in cash or otherwise or (iii) publicly announce any intention to effect any transaction specified in clause (i) or (ii) (the actions specified collectively in clauses (i) – (ii), other than any entry into a cash-settled Hedge, a “**Transfer**”), in each case, for one (1) year after the Closing Date. Thereafter, until the two (2) year anniversary of the Closing Date, subject to the exceptions set forth below, each Stockholder agrees (without the prior written consent of the Board, excluding any Directors designated by the Stockholder seeking a Transfer or cash-settled Hedge) not to Transfer or enter into a cash-settled Hedge with respect to more than 50% of such Stockholder’s Initial Preferred Stock Ownership, including any shares of Common Stock issued or issuable upon conversion of such Preferred Stock; *provided* that in connection with any such Transfer permitted until the two (2) year anniversary of the Closing Date or any Transfer after such date, such Stockholder shall not Transfer any shares of Preferred Stock held by such Stockholder, including any shares of Common Stock issued or issuable upon conversion of such shares of Preferred Stock, to an Activist Investor, to a Competitor or to a Restricted Person, in each case, to the extent that the identity of the transaction counterparty can be reasonably ascertained and such Person meets the applicable definition thereof to such Stockholder’s knowledge after reasonable inquiry (excluding (x) any block trade in which a broker-dealer will attempt to sell the shares to a third-party as agent or other similar transactions with a financial intermediary, (y) any Transfers into the public market pursuant to a bona fide, broadly distributed underwritten public offering or (z) Transfers through a bona fide sale to the public, which is not directed at a particular transferee, without registration effectuated pursuant to Rule 144 under the Securities Act (such transactions in clauses (x) through (z), a “**Marketed Transfer**”)); *provided* that the provisions of the foregoing clause shall not apply in connection with a Transfer of shares of Preferred Stock or Common Stock issued upon conversion of the Preferred Stock in connection with any foreclosure or exercise of remedies under a Permitted Loan in which case only the Foreclosure Limitations shall be applicable. If the Board consents to a Transfer by one Stockholder pursuant to this Section 3.1(a), it shall treat requests for Transfers by other Stockholders in an equivalent manner such that it shall not unreasonably withhold its consent to any substantially similar Transfer by any such other Stockholder.

(b) Any attempt to Transfer in violation of the terms of this Agreement shall be null and void *ab initio* and no right, title or interest therein or thereto shall be transferred to the purported transferee. The Company will not give, and will not permit the Company’s transfer agent to give, any effect to such attempted Transfer on its records.

(c) Subject to Section 6.16, each certificate and/or book-entry interest representing shares of Preferred Stock or Common Stock issuable upon conversion of shares of Preferred Stock held by any Stockholder (or its Permitted Transferees) will bear a legend in substantially the following form:

“The securities represented by this certificate have not been registered under the United States Securities Act of 1933, as amended (the “Act”), or applicable state securities laws and may not be transferred, sold or otherwise disposed of except while a registration statement relating thereto is in effect under the Act and applicable state securities laws or pursuant to an exemption from registration under such or act or such laws. The securities represented by this certificate are subject to transfer restrictions set forth in the Stockholders Agreement, dated as of [], 2021 as it may be amended from time to time by and among comScore, Inc. (the “Company”), Charter Communications Holding Company, LLC, Qurate Retail, Inc., and Pine Investor, LLC (the “Stockholders Agreement”). The Stockholders Agreement contains, among other things, restrictions on the Transfer of the securities of the Company and other restrictions on the actions by certain stockholders of the Company relating to the Company and/or its securities. A copy of the Stockholders Agreement is available upon request from the Company.”

- (d) Notwithstanding anything to the contrary herein, the restrictions set forth in Section 3.1(a) shall not apply to the following:
- (i) Transfers to any Affiliate of such Stockholder, including an affiliated investment fund, co-investment vehicle or aggregator vehicle (or equivalent) controlled, managed or advised by such Stockholder or an Affiliate of such Stockholder;
 - (ii) Transfers by virtue of laws of the state of the entity's organization and the entity's organizational documents upon dissolution of the entity (any transferees pursuant to clauses (i) and (ii), "**Permitted Transferees**");
 - (iii) Transfers in connection with a change of control of a Stockholder;
 - (iv) Transfer or issuances of any limited partnership interests or other equity interests in a Stockholder (or any direct or indirect parent entity of such Stockholder, including any affiliated investment fund, co-investment vehicle or aggregator (or equivalent)) (provided that any transferor or transferee thereof shall be controlled (directly or indirectly) by the Person (directly or indirectly) controlling such Person immediately prior to such transfer);
 - (v) Transfers to the Company, subject to Section 4.1(e);
 - (vi) Transfers in the event of a liquidation, merger, consolidation, stock exchange, business combination, tender offer or other similar transaction which results in all holders of the Company's Voting Stock having the right to exchange their Voting Stock for cash, securities or other property (including, for the avoidance of doubt, any tender offer or exchange offer that is for less than all of the outstanding shares of Common Stock of the Company);
 - (vii) Transfers after commencement by the Company or a significant subsidiary (as such term is defined in Rule 12b-2 under the Exchange Act) of the Company (other than Rentrak, LLC, formerly Rentrak Corporation) of bankruptcy, insolvency or other similar proceedings;
 - (viii) Transfers in connection with a Permitted Loan (and any foreclosure by such financial institution or Transfer to such financial institution in lieu of foreclosure and subsequent sale of the securities), as long as such financial institution agrees with the relevant Stockholder (with the Company as an express third party beneficiary of such agreement) that following such foreclosure or in connection with such Transfer it shall not directly or indirectly Transfer (other than pursuant to a broadly distributed offering or a sale effected through a broker-dealer) such foreclosed or Transferred, as the case may be, Lock-Up Shares to a Competitor, Activist Investor or Restricted Person without the Company's consent (such agreement by the relevant financial institution, the "**Foreclosure Limitations**") (it being understood that a list of Competitors, Activist Investors and Restricted Persons shall be set forth in any issuer agreement entered into at the time of the Permitted Loan or as otherwise agreed between the Company, the relevant Stockholder and/or the relevant financial institution(s), as the case may be). Subject to the Foreclosure Limitations, nothing contained in this Agreement shall prohibit or otherwise restrict the ability of any lender (or its securities' affiliate) or collateral agent to foreclose upon, or accept a Transfer in lieu of foreclosure, and sell, dispose of or otherwise Transfer the Preferred Stock and/or shares of Common Stock issued upon conversion of Preferred Stock (including shares of Common Stock received upon conversion or redemption of the Preferred Stock following foreclosure or Transfer in lieu of foreclosure on a Permitted Loan) mortgaged, hypothecated and/or pledged to secure the obligations of the borrower following an event of default under a Permitted Loan. Subject to the preceding provisions of this clause (viii), in the event that any lender or other creditor under a Permitted Loan transaction (including any agent or trustee on their behalf) or any Affiliate of the foregoing exercises any rights or remedies in respect of the Preferred Stock or the shares of Common Stock issuable or issued upon conversion of the Preferred Stock or any other

collateral for any Permitted Loan, no lender, creditor, agent or trustee on their behalf or Affiliate of any of the foregoing (other than, for the avoidance of doubt, a Stockholder or its Affiliates) shall be entitled to any rights or have any obligations or be subject to any Transfer restrictions or limitations hereunder except and to the extent for those expressly provided for in this Agreement; or

(ix) a Distribution Transaction.

provided that, in the case of clauses (i) and (ii), the Permitted Transferees (if not already a party hereto) must agree in writing to be bound by this Agreement (in a customary form and substance reasonably satisfactory to the Company).

Section 3.2 Standstill. Each Stockholder agrees that, until such time that such Stockholder beneficially owns Voting Stock representing less than 5% of the outstanding shares of Common Stock (on an as-converted basis), none of it or its Affiliates will, directly or indirectly, do any of the following unless requested or approved in advance in writing by the Company:

(a) for a period of twelve months following the Closing Date, acquire, directly or indirectly, by purchase or otherwise, any securities or direct or indirect rights or options to acquire any shares of Preferred Stock or Common Stock (including any derivative securities or contracts or instruments in any way related thereto) of the Company from any other Stockholder or any of its Affiliates; *provided* that the foregoing restriction in this Section 3.2(a) shall not apply to any acquisition pursuant to any Stockholder's exercise of the Right of First Refusal in connection with a Transfer that is permitted by Section 3.1;

(b) acquire, directly or indirectly, by purchase or otherwise, any securities or direct or indirect rights or options to acquire any shares of Preferred Stock or Common Stock (including any derivative securities or contracts or instruments in any way related thereto) of the Company such that after such acquisition the Stockholder and its Affiliates would beneficially own 45% or more of the outstanding shares of Common Stock (on an as-converted basis); *provided* that the foregoing restriction in this Section 3.2(b) shall not apply to any acquisition (i) pursuant to Section 4.2 (Preemptive Rights) of this Agreement or any Stockholder's exercise of its Right of First Refusal in connection with a Transfer that is permitted by Section 3.1 or (ii) that is the result of operation of Section 10 (Anti-Dilution Adjustments) of the Certificate of Designation;

(c) make, or in any way participate in, directly or indirectly, any "**solicitation**" of "**proxies**" (within the meaning of Rule 14a-1 under the Exchange Act) to vote any Voting Stock of the Company or its subsidiaries, or call or seek to call a meeting of the Company's stockholders or initiate any stockholder proposal for action by the Company's stockholders or seek the removal of any director from the Board of the Company (other than pursuant to Article II of this Agreement);

(d) make any public announcement with respect to, or submit a proposal for, or offer of (with or without conditions) any merger, consolidation, business combination, tender or exchange offer, restructuring, recapitalization or other extraordinary transaction of or involving the Company or any of its subsidiaries or their securities or assets (except (i) any nonpublic proposal to the Board that would not require the Company, such Stockholder or any other Person to make any public announcement or other disclosure with respect thereto or (ii) any public disclosure in any filings by the Stockholder or its Affiliates with the SEC to the extent required by applicable law or stock exchange rules);

(e) form, join or in any way participate in a "**group**" (as defined in Section 13(d)(3) of the Exchange Act) in connection with any Voting Stock of the Company or its subsidiaries, including with any other Stockholder or any of its Affiliates; *provided* that taking any action as required by this Agreement shall not constitute a violation of this Section 3.2(e);

(f) take any action that would reasonably be expected to cause or require of the Company to make a public announcement regarding any actions prohibited by this Section 3.2;

(g) contest the validity or enforceability of this Section 3.2; or

(h) enter into any arrangements, understandings or agreements (whether written or oral) with, or advise, assist or encourage, any other persons to do any of the foregoing;

provided, however, that nothing contained in this Section 3.2 shall limit, restrict or prohibit (i) any confidential, non-public discussions with or communications or proposals to management or the Board by the Stockholder, its Affiliates or Representatives related to any of the foregoing, (ii) a Stockholder's ability to vote, Transfer, convert, exercise its rights under Section 4.2 (Preemptive Rights) or Section 3.3 (Right of First Refusal) or otherwise exercise rights with respect to its Common Stock or Preferred Stock in accordance with the terms and conditions of this Agreement and the Certificate of Designations or (iii) the ability of any Stockholder's Director to vote or otherwise exercise his or her duties or otherwise act in his or her capacity as a member of the Board; *provided, further*, that, for the avoidance of doubt, any shares of Preferred Stock and Common Stock held by a Stockholder or its Permitted Transferee shall be subject to the terms and restrictions set forth in this Agreement and the Certificate of Designations, including the limitations on voting set forth in Section 12 of the Certificate of Designations.

Notwithstanding the foregoing, the restrictions set forth in this Section 3.2 shall not apply if any of the following occurs (*provided*, that, in the event any matter described in clauses (a) or (b) of this paragraph has occurred and resulted in the restrictions imposed under this Section 3.2 ceasing to apply to a Stockholder, then, in the event the transaction related to such matter has not occurred within twelve (12) months of the date on which the Stockholder was released from such restrictions, then so long as such transaction is not being actively pursued at such time, the restrictions set forth in this Section 3.2 shall thereafter resume and continue to apply in accordance with their terms (*provided* that such restrictions shall not resume and continue to apply if such Stockholder has publicly taken any tangible steps with respect to any action or matter that would be prohibited by this Section 3.2 and such Stockholder is at that time continuing to pursue such action or matter, in which case such restrictions shall resume and continue to apply following such time as such Stockholder has ceased to pursue such action or matter)): (a) in the event the Company enters into a definitive agreement for a merger, consolidation or other business combination transaction as a result of which the stockholders of the Company would own (including, but not limited to, beneficial ownership) Voting Stock of the resulting corporation having 50% or less of the votes that may be cast generally in an election of directors if all outstanding Voting Stock were present and voted at a meeting held for such purpose; or (b) in the event that a tender offer or exchange offer for at least 50.1% of the Capital Stock of the Company is commenced by a third person (and not involving any breach, by a Stockholder, of this Section 3.2), which tender offer or exchange offer, if consummated, would result in a Change of Control, and either (1) the directors (excluding any Directors designated by the Stockholders) recommend that the stockholders of the Company tender their shares in response to such offer or do not recommend against the tender offer or exchange offer within ten (10) business days after the commencement thereof or such longer period as shall then be permitted under U.S. federal securities laws or (2) the directors (excluding any Directors designated by the Stockholders) later publicly recommend that the stockholders of the Company tender their shares in response to such offer.

Notwithstanding the foregoing, solely with respect to the Qurate Stockholder, references in this Section 3.2 to Affiliates shall mean Affiliates acting at the direction of or in concert with the Qurate Stockholder or any of its Permitted Transferees and any of the foregoing Persons' respective Subsidiaries.

Section 3.3 Right of First Refusal.

Subject to applicable securities laws and to the terms and conditions specified in this Section 3.3 and the other restrictions set forth in this Agreement, each Stockholder, on behalf of itself and its controlled Affiliates, hereby grants to each other Stockholder a right of first refusal as set forth below (the “**Right of First Refusal**”) to purchase shares of Preferred Stock or Common Stock; *provided*, that, notwithstanding anything herein to the contrary, the Right of First Refusal shall not be granted in respect of Cash-settled Exchangeables and Equity Linked Financings.

(a) From and after the Closing Date, no Stockholder or its controlled Affiliate shall, directly or indirectly through Transferring ownership interest of a controlled Affiliate thereof, Transfer any shares of Preferred Stock or Common Stock to another Person (other than Excluded Transfers and any Marketed Transfers) (each, a “**Subject Transaction**”) except in accordance with the following provisions:

(i) If, at any time, a Stockholder (the “**Transferring Stockholder**”) receives a written offer (including from another Stockholder) for a Subject Transaction that the Transferring Stockholder desires to accept, the Transferring Stockholder shall, within three (3) business days following receipt of such offer, deliver, together with a copy of such offer, a written notice (the “**Transfer Notice**”) to each of the other Stockholders (whether or not a party to the proposed Transfer) (together with each such Stockholder’s Permitted Transferees, a “**Non-Transferring Stockholder**”) stating (A) its bona fide intention to Transfer such shares of Preferred Stock and/or Common Stock pursuant to such Subject Transaction, (B) the identity of all proposed parties to such Subject Transaction, (C) the number of such shares of Preferred Stock or Common Stock to be Transferred pursuant to such Subject Transaction (the “**ROFR Amount**”), and (D) the proposed purchase price, which must be payable in cash, and the terms and conditions of the written offer, upon which the Transferring Stockholder proposes to Transfer such shares of Preferred Stock and/or Common Stock (including the proposed date of the closing of the Subject Transaction, which shall in no event be less than forty-five (45) business days from the date of the Transfer Notice) (clauses (B) through (D), collectively, the “**Minimum Terms**”). The Transfer Notice shall constitute the Transferring Stockholder’s irrevocable, binding offer to Transfer such shares of Preferred Stock or Common Stock to the Non-Transferring Stockholders (as between the Non-Transferring Stockholders, pro rata based on their relative beneficial ownership of the Voting Stock at such time) pursuant to the Minimum Terms.

(ii) Within thirty-five (35) business days after receipt of the Transfer Notice, each of the Non-Transferring Stockholders may elect to purchase any portion or all of its pro rata portion of the ROFR Amount at the price and on the terms and conditions specified in the Transfer Notice. In the event that either of the Non-Transferring Stockholders does not elect to purchase its entire pro rata portion of the ROFR Amount within thirty-five (35) business days after the receipt of the Transfer Notice, the Transferring Stockholder shall notify the other Non-Transferring Stockholder of such election, and such other Non-Transferring Stockholder shall have ten (10) business days after its receipt of such notice to purchase the remaining amount of the ROFR Amount in respect of which such Non-Transferring Stockholder’s rights were not exercised pursuant to this Section 3.3(a). At the end of such ten (10) business day period, if none of the Non-Transferring Stockholders have elected to purchase any of the ROFR Amount or all the Non-Transferring Stockholders, collectively, have not elected to purchase, in the aggregate, the entire ROFR Amount, the Non-Transferring Stockholders will be deemed to have declined to exercise their rights under this Section 3.3(a)(ii) with respect to the balance of the ROFR Amount and the Transferring Stockholder shall have forty-five (45) business days (which forty-five (45) business day period will be extended, if the Transferring Stockholder has entered into a definitive agreement in respect of such Transfer prior to such time and the Transfer is subject to regulatory approval, until four (4) business days after such approval or approvals have been received, but in no event by more than an additional forty-five (45) business days) thereafter to sell the entire ROFR Amount, at a price in cash not lower, and upon

other terms and conditions that are not more favorable to the purchasers thereof in any material respect, than the price and the terms and conditions specified in the Transfer Notice. If the Transferring Stockholder has not consummated the Transfer of all or a portion of ROFR Amount within such forty-five (45) business days (or such extended period contemplated by the preceding sentence), the Transferring Stockholder shall not thereafter engage in a Subject Transaction and Transfer any shares of Preferred Stock or Common Stock without first offering such securities to each of the Non-Transferring Stockholders in the manner provided in this Section 3.3(a).

(b) From and after the Closing Date, no Stockholder or its controlled Affiliate shall, directly or indirectly through Transferring ownership interest of a controlled Affiliate thereof, Transfer any shares of Preferred Stock or Common Stock to another Person through a Marketed Transfer (other than an Excluded Transfer) except in accordance with the following provisions:

(i) If a Stockholder intends to execute a Marketed Transfer with respect to shares of Preferred Stock or Common Stock, at least ten (10) business days prior to the proposed initiation date of the Marketed Transfer, such Stockholder shall provide a written notice to the other Stockholders, which notice shall set forth its good faith estimate of the number of shares of Preferred Stock or Common Stock proposed to be Transferred and the proposed purchase price, which must be payable in cash.

(ii) At least five (5) business days prior to the initiation of the Marketed Transfer, the Stockholder shall provide a written notice (a “**Marketing Notice**”) to each of the other Stockholders stating (i) its bona fide intention to Transfer such shares of Preferred Stock and/or Common Stock pursuant to such Marketed Transfer, (ii) the identity of all proposed parties (including any underwriters) to such Marketed Transfer, to the extent known, (iii) the number of such shares of Preferred Stock or Common Stock to be Transferred pursuant to such Marketed Transfer (the “**Marketed Amount**”), and (iv) the proposed purchase price, which must be payable in cash, and the other terms and conditions of the Marketed Transfer (clauses (ii) through (iv), collectively, the “**Marketing Terms**”). The Marketing Notice shall constitute the Transferring Stockholder’s irrevocable, binding offer to Transfer such shares of Preferred Stock or Common Stock to the other Stockholders (as between the other Stockholders, pro rata based on their relative beneficial ownership of the Voting Stock at such time) pursuant to the Marketing Terms.

(iii) Within five (5) business days after receipt of the Marketing Notice, each of the other Stockholders may elect to purchase any portion or all of its pro rata portion of the Marketed Amount at the price and on the terms and conditions specified in the Marketing Notice. At the end of such five (5) business day period, if none of the other Stockholders have elected to purchase any of the Marketed Amount or all the Non-Transferring Stockholders, collectively, have not elected to purchase, in the aggregate, the entire ROFR Amount, the other Stockholders will be deemed to have declined to exercise their rights under this Section 3.3(b)(iii) with respect to the balance of the Marketed Amount and the Transferring Stockholder shall have fifteen (15) business days thereafter to sell through a Marketed Transfer all or any portion of the Marketed Amount in respect of which each of the other Stockholders’ rights were not exercised pursuant to this Section 3.3(b), at a price in cash not lower than 95% of the price set forth in its Marketing Notice, and upon other terms and conditions that are not more favorable to the purchasers thereof in any material respect than the terms and conditions specified in the Marketing Notice. If the Stockholder initiating the Marketed Transfer has not consummated the Marketed Transfer of such Marketed Amount within such fifteen (15) business days, such Stockholder shall not thereafter Transfer any shares of Preferred Stock through a Marketed Transfer without first offering such securities to each of the other Stockholders in the manner provided in this Section 3.3(b).

(c) The closing of the purchase of any ROFR Amount or Marketed Amount by the Stockholder exercising its Right of First Refusal shall occur ten (10) business days after the date on which such Stockholder shall have elected to purchase such ROFR Amount or Marketed Amount; *provided* that, in the event all required regulatory approvals (including, if required, the expiration or other termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended) have not been received prior to the end of such ten (10) business day period, the closing date shall be extended until two (2) business days after all such required approvals have been received. At the closing, the Stockholder Transferring the ROFR Amount or Marketed Amount shall deliver documents conveying title to such ROFR Amount or Marketed Amount to the purchasing Stockholder(s), free and clear of any liens or encumbrances (except for restrictions arising under any applicable securities laws or this Agreement), and any other instruments or instructions required to effectuate such Transfer and the purchase price shall be paid by wire transfer of immediately available funds, to an account designated by the Stockholder Transferring the ROFR Amount or Marketed Amount at least three (3) business days prior to the closing date.

(d) For the avoidance of doubt, this Section 3.3 may only be enforced, amended or waived by, and shall only inure to the benefit of, the Stockholders and their respective successors and permitted assigns, and the Company shall have no right to enforce, and the consent of the Company is not required to amend or waive, the provisions of this Section 3.3; *provided, however*, that the Stockholders shall provide the Company with prior notice of any such amendment or waiver.

(e) Notwithstanding anything in this Agreement to the contrary that limits the ability of a Person to assign or transfer its rights hereunder, a Stockholder that exercises its Right of First Refusal pursuant to this Section 3.3 may designate any of its Permitted Transferees to purchase all or part of the shares of such Preferred Stock and/or Common Stock; *provided* that such Stockholder shall remain obligated to consummate the purchase if such designees fail to do so.

Section 3.4 Issuer Repurchases. Each Stockholder agrees that, at any time when such Stockholder beneficially owns Voting Stock representing at least 45% of the outstanding shares of Common Stock (on an as-converted basis), such Stockholder and its controlled Affiliates will, upon the Company's prior written notice delivered at least five (5) business days before the proposed repurchase, participate pro rata in any open market repurchases of Common Stock by the Company and execute, deliver, acknowledge and file such other documents and take such further actions as may be necessary to give effect to and carry out this agreement; *provided* that each Stockholder shall convert a number of shares of Preferred Stock into Common Stock necessary to participate pro rata in such open market repurchases, to the extent required by this Section 3.4 (without regard to any limitations on conversion contained in the Certificate of Designations); *provided* further that the purchase price for the shares of Common Stock purchased pursuant to this Section 3.4 shall be an amount equal to the greater of: (a) the purchase price proposed to be paid on the open market by the Company for such shares of Common Stock in connection with such open market repurchases and (b) the Liquidation Preference (as defined in the Certificate of Designations) of the shares of Preferred Stock required to be converted into such shares of Common Stock.

Section 3.5 Special Dividend.

(a) On a single occasion after January 1, 2022, upon any Stockholder's written request (delivered to the Company and each other Stockholder), the Company will take all actions reasonably necessary to pay a one-time dividend on the Preferred Stock (the "**Special Dividend**") equal to the highest dividend that the Board determines can be paid at that time subject to the limitations imposed under Delaware law and this Section 3.5, unless within five (5) business days after notification by the Company to the Stockholders of the amount of the highest dividend that can be paid at that time (which dividend shall not be declared or paid during such five (5) business day period), the Stockholders unanimously agree to the payment of a Special Dividend in a lower amount in a writing delivered to the Company. If the Board, pursuant to this Section, determines that the highest amount of Special Dividend that can be paid at such time is less than \$50,000,000, then, unless the Stockholders unanimously agree to the payment of a Special

Dividend of less than \$50,000,000 in a writing delivered to the Company, no Special Dividend shall be declared or paid and the right to request the payment of the Special Dividend pursuant to the first sentence of this Section 3.5(a) shall remain unused and shall remain available. In connection with the foregoing, the Company shall (i) to the extent required based on the Company's financial condition, reasonably promptly seek and obtain financing Indebtedness (the "**Debt Financing**") to effectuate such Special Dividend and (ii) declare and pay such Special Dividend, which, if the Debt Financing is required, shall be paid substantially contemporaneous with, or reasonably promptly after, the consummation of such Debt Financing; *provided* that (A) the Company shall not, and shall not be required to, incur any such Debt Financing in an amount that would cause the Company's Leverage Ratio to be more than 3.00:1.00, determined on a Pro Forma Basis after giving effect to the incurrence of such Debt Financing and the payment of such Special Dividend, and (B) such Debt Financing shall (1) reflect financing and other terms consistent with leveraged finance market practice for non-distressed transactions of this type, taking into account the Company's LTM Adjusted EBITDA at such time and pro forma total leverage ratio and secured leverage ratio for the transaction and other attributes of the Company as compared to other similarly situated borrowers incurring similar amounts of Indebtedness at such time (*provided* that the Company shall not agree in the definitive agreement of such Debt Financing to any restrictions on the payment of cash dividends and/or distributions in respect of the Preferred Stock, subject to conditions no more restrictive to the borrower thereunder than the absence of any continuing "event of default" (or similar term used in the definitive documentation for the Debt Financing)), (2) be obtained without any equity or equity-linked features, and (3) have a maturity date of at least three years after the incurrence of such Debt Financing; *provided, further,* that to the extent that the restrictions in clause (A) of the foregoing proviso would not permit the declaration and payment in full of the maximum amount of the Special Dividend requested by the Stockholder, the Special Dividend shall, to the extent it is at least \$50,000,000, nonetheless be effectuated to the maximum amount permitted by clause (A). Notwithstanding the foregoing, if \$100,000,000 of Special Dividends and Annual Dividends (as defined in the Certificate of Designations), in aggregate, have been paid on the Preferred Stock, the Company will use any remaining amount of the Special Dividend requested by the Stockholder to pay a pro rata dividend (the "**Pro Rata Dividend**") on the Common Stock (with the Preferred Stock participating on an as-converted basis in accordance with Section 4(f) of the Certificate of Designation). For the avoidance of doubt, the Company shall only be obligated to pay a Special Dividend pursuant to this Section 3.5 one time, subject to the second sentence of this Section 3.5(a). If any of the Stockholders requests the payment of a Special Dividend pursuant to this Section 3.5, and such Special Dividend is paid, thereafter, no Stockholder shall be entitled to any further rights pursuant to this Section 3.5, subject to the second sentence of this Section 3.5(a).

(b) For the avoidance of doubt, the Special Dividend shall constitute a "Special Dividend" under Section 4(g) of the Certificate of Designations, except for the portion, if any, comprising the Pro Rata Dividend, which shall constitute a "Participating Dividend" for purposes of Section 4(f) of the Certificate of Designations. Notwithstanding the foregoing or anything to the contrary provided elsewhere herein, (x) the Company shall not be required to take any action that the Company reasonably believes may be prohibited by applicable law, or any action that the Company reasonably believes may constitute a fraudulent conveyance or fraudulent transfer under applicable law and (y) the Company may delay, for a reasonable period of time not to exceed 20 business days, the transactions contemplated by a Stockholder's request pursuant to this Section 3.5 if pursuing and/or consummating such transaction at such time is not, in the good faith opinion of the Board, in the best interest of the Company because it would (1) materially impede, delay or interfere with any material pending or proposed financing, acquisition, corporate reorganization or other similar transaction involving the Company, (2) materially adversely impair the consummation of any pending or proposed material offering or sale of any class of securities by the Company or (3) require disclosure of material nonpublic information that, if disclosed at such time, would be materially harmful to the interests of the Company and its stockholders.

Section 3.6 Distribution Transaction. In the event the Qurate Stockholder desires to effect a Distribution Transaction after the Closing Date in which it will transfer Voting Stock to a Qualified Distribution Transferee, the Company, the Stockholders and the Qualified Distribution Transferee shall enter into an amendment to this Agreement on or prior to the date of consummation of such Distribution Transaction reasonably satisfactory to each such party pursuant to which the Qualified Distribution Transferee shall assume all rights and obligations of the Qurate Stockholder hereunder, and thereafter, references herein to the Qurate Stockholder shall be deemed references to the Qualified Distribution Transferee. All reasonable, documented out-of-pocket expenses incurred by the Company in connection with the foregoing shall be borne by the Qurate Stockholder and its Affiliate effecting such Distribution Transaction. Notwithstanding anything in this Agreement to the contrary, upon the transfer of all of the Qurate Stockholder's Voting Stock to one or more Qualified Distribution Transferees, the Qurate Stockholder shall cease to have any obligations under this Agreement.

Section 3.7 Antitrust Filing. If, in connection with the exercise of the rights of any Stockholder or the Company pursuant to, or the applicability of any terms of, the Certificate of Designations or this Agreement, a filing is required pursuant to any applicable Antitrust Laws, then the Company, on the one hand, and the applicable Stockholder, on the other hand, shall, at the request of the Stockholder, (a) as promptly as practicable, make, or cause or be made, all filings and submissions required under applicable Antitrust Laws, and (b) use their commercially reasonable efforts to obtain, or cause to be obtained, approval of the transaction associated with the filing or the termination or expiration of the applicable waiting period ("**Antitrust Approval**"); and notwithstanding anything to the contrary in the Certificate of Designations or this Agreement, the rights so exercised (or other action taken by the application of the terms thereof) shall be contingent upon, and subject to, the receipt of any required Antitrust Approval (as determined by the Stockholder) and such rights (or other action taken by the application of the terms thereof) shall be delayed until such Antitrust Approval is received; *provided* that (i) with respect to any such filing resulting from the exercise of a Stockholder's rights under the Certificate of Designations or this Agreement, any filing or submission fees required under the applicable Antitrust Laws shall be paid by such Stockholder and (ii) with respect to any such filing resulting from the exercise of the Company's rights under the Certificate of Designations or this Agreement (or other action taken by the application of the terms thereof), any filing or submission fees required under the applicable Antitrust Laws shall be paid by the Company.

ARTICLE IV GOVERNANCE AND OTHER RIGHTS

Section 4.1 Adverse Changes. The prior written consent of each of the Charter Stockholder, the Qurate Stockholder and the Cerberus Stockholder will be necessary for the Company to directly or indirectly effect or validate any of the following actions, whether or not such approval is required pursuant to the DGCL for as long as such Stockholder beneficially owns Voting Stock representing at least 10% of the outstanding shares of Common Stock (on an as-converted basis):

(a) any amendment, waiver, alteration or repeal (whether by merger, consolidation or otherwise) of any provision of the Certificate of Incorporation (including the Certificate of Designations) or Bylaws;

(b) any action to authorize, create, increase the number of authorized or issued shares of, reclassify any security into, issue or sell any additional Preferred Stock, any Parity Stock or Senior Stock or any other class or series of Capital Stock of the Company ranking senior to, or on a parity basis with, the Preferred Stock as to dividend rights or rights on the distribution of assets on any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company or any securities or derivatives convertible or exercisable into, or exchangeable for, any of the foregoing securities;

(c) the consummation of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company or the filing of a petition under bankruptcy or insolvency law;

(d) the consummation by the Company of any transaction that would constitute a Change of Control;

(e) any redemption, purchase, acquisition (either directly or through any Subsidiary) or other liquidating payment relating to, any equity securities of the Company (other than redemptions, purchases or other acquisitions in accordance with the net settlement and net exercise features in any employment contract, benefit plan or other similar arrangement with or for the benefit of current or former employees, officers, directors or consultants);

(f) increasing or decreasing the number of directors on the Board or the number of directors on the compensation committee or nomination and governance committee of the Board (except in accordance with the provisions of this Agreement or for purposes of effectuating the appointment right of a Stockholder in Section 2.1);

(g) changing the nature of the Company's business in any material respect;

(h) changing the entity classification of the Company for U.S. federal income tax purposes;

(i) creating, or authorizing the creation of, or issuing, or authorizing the issuance of, any Indebtedness that would cause the Company's Leverage Ratio to exceed 3.00:1.00, determined on a Pro Forma Basis after giving effect to the incurrence of such Indebtedness;

(j) hiring, terminating or replacing the Chief Executive Officer of the Company;

(k) declaring any cash dividend on, or making any cash distributions relating to, Junior Stock or Parity Stock other than pursuant to the last sentence of Section 3.5(a);

(l) adopting a shareholder rights plan that does not exempt such Stockholder and its Affiliates and Permitted Transferees from being an "acquiring person" as a result of its holdings as of adoption of the shareholder rights plan (it being understood that such exemption need not relieve any Stockholder from any other restrictions under this Agreement, the Certificate of Designations, the Purchase Agreements or any other document contemplated hereby or thereby);

(m) entering into, or amending, any Related Party Transaction (other than any such transaction substantially comparable to a previously approved transaction with the same party entered in the ordinary course of business on terms that are no less favorable to the Company in the aggregate than

(i) the terms of such previously approved transaction in all material respects and (ii) terms that could have been reached with an unrelated third party on a negotiated, arm's-length basis); *provided* that any consent with respect to such Related Party Transaction shall not be unreasonably withheld, conditioned or delayed; and

(n) permitting any significant subsidiary (as such term is defined in Rule 12b-2 under the Exchange Act) of the Company to take any of the actions that the Company is prohibited from taking as set forth above.

For purposes of this Section 4.1, the filing in accordance with applicable law of a certificate of designations or any similar document setting forth or changing the designations, powers, preferences, rights, qualifications, limitations and restrictions of any class or series of stock of the Company shall be deemed an amendment to the Certificate of Incorporation.

Section 4.2 Preemptive Rights.

(a) Except for the issuance of Excluded Securities or pursuant to the conversion or exercise of any Capital Stock outstanding on the Closing Date, if, following the Closing Date, the Company authorizes the issuance or sale of any Capital Stock to any Person or Persons (the “**Offeree**”), the Company shall first offer to sell to the Qualified Stockholders a portion of such Capital Stock equal to the quotient determined by dividing (1) the number of shares of Common Stock beneficially owned by such Qualified Stockholder at such time (determined on an as-converted basis), by (2) the total number of shares of Common Stock then issued and outstanding immediately prior to such issuance (determined on an as-converted basis) (the “**Preemptive Percentage**”); *provided*, that a Qualified Stockholder shall not be entitled to acquire any such Capital Stock pursuant to this Section 4.2 to the extent the issuance of such Capital Stock to such Qualified Stockholder would require approval of the stockholders of the Company as a result of such Qualified Stockholder’s status, if applicable, as an Affiliate of the Company or pursuant to the rules and listing standards of NASDAQ, in which case the Company may consummate the proposed issuance of the Capital Stock to other Persons prior to obtaining approval of the stockholders of the Company (subject to compliance by the Company with Section 4.2(f), below). The Qualified Stockholders shall be entitled to purchase such Capital Stock at the same price as such Capital Stock is to be offered to the Offeree; *provided* that, if the Offeree is required to also purchase other Capital Stock, the Qualified Stockholders shall also be required to purchase the same Capital Stock (at the same price) that the Offeree is required to purchase. The Qualified Stockholders electing to purchase their pro rata share of the Capital Stock authorized for issuance or sale to the Offeree (“**Participating Stockholders**”) will take all necessary actions in connection with the consummation of the purchase transactions contemplated by this Section 4.2 as requested by the Board, including the execution of all agreements, documents and instruments in connection therewith in the form presented by the Company, so long as such agreements, documents and instruments are on customary forms for a transaction of this type and do not require such Participating Stockholders to make or agree to any representation, warranty, covenant or indemnity that is more burdensome than that required of the Offeree in the agreements, documents or instruments in connection with such transaction. If any Qualified Stockholder elects not to purchase any such Capital Stock, or not to purchase all of such Qualified Stockholder’s pro rata portion thereof, each other Qualified Stockholder who has elected to purchase all of such Qualified Stockholder’s full pro rata share of the Capital Stock authorized for issuance or sale to the Offeree (a “**Fully Participating Stockholder**”) shall be entitled to purchase an additional number of shares of such Capital Stock as set forth below. If a Fully Participating Stockholder desires to purchase such Capital Stock in excess of the portion allocated to such Fully Participating Stockholder pursuant to the first sentence of this Section 4.2(a), then such Fully Participating Stockholder shall be entitled to purchase a number of shares of Capital Stock equal to the aggregate number of shares of Capital Stock that the other Qualified Stockholders elected not to purchase pursuant to the first sentence of this Section 4.2(a); *provided* that, if there is an oversubscription in respect of such remaining Capital Stock due to more than one Fully Participating Stockholder requesting additional Capital Stock, the oversubscribed amount shall be fully allocated among the Fully Participating Stockholders pro rata based on such Fully Participating Stockholders’ relative Preemptive Percentage.

(b) In order to exercise its purchase rights hereunder, a Qualified Stockholder must, within 15 days after receipt of written notice from the Company describing the Capital Stock being offered, the purchase price thereof, the payment terms and such Qualified Stockholder’s percentage allotment, deliver a written notice to the Company describing its election hereunder (which election shall be absolute and unconditional other than being conditioned upon the consummation of the issuance to the Offeree).

(c) During the 90 days following the expiration of the 15-day offering period described above, the Company shall be entitled to sell the shares of Capital Stock, which the Qualified Stockholders have not elected to purchase, to the Offeree at no less than the purchase price, and upon other terms no more favorable than those, stated in the notice provided under Section 4.2(b) (in addition to the portion of the

Capital Stock the Company is not required to offer to the Qualified Stockholders pursuant to the first sentence of Section 4.2(a)). Any Capital Stock proposed to be offered or sold by the Company to the Offeree after such 90-day period, or at a price not complying with the immediate preceding sentence, must be reoffered to the Qualified Stockholders pursuant to the terms of this Section 4.2 prior to any sale to the Offeree.

(d) In the event that a Qualified Stockholder is not entitled to acquire any Capital Stock pursuant to Section 4.2(a), because such issuance would require the Company to obtain stockholder approval in respect of the issuance of such Capital Stock to such Qualified Stockholder as a result of any such Qualified Stockholder's status, if applicable, as an Affiliate of the Company or pursuant to the rules and listing standards of NASDAQ, the Company shall, upon the Qualified Stockholder's reasonable request delivered to the Company in writing within seven (7) business days following its receipt of the written notice of such issuance to the Qualified Stockholder pursuant to Section 4.2(b), at the Qualified Stockholder's election, (i) waive the restrictions set forth in Section 3.2 solely to the extent necessary to permit such Qualified Stockholder to acquire such number of shares of Capital Stock equivalent to its Preemptive Percentage of such issuance such Qualified Stockholder would have been entitled to purchase had it been entitled to acquire such Capital Stock pursuant to Section 4.2(a); (ii) consider and discuss in good faith modifications proposed by the Qualified Stockholder to the terms and conditions of such portion of the Capital Stock which would otherwise be issued to the Qualified Stockholder such that the Company would not be required to obtain stockholder approval in respect of the issuance of such new Capital Stock as so modified; and/or (iii) solely to the extent that stockholder approval is required in connection with the issuance of Capital Stock to Persons other than the Qualified Stockholders, use reasonable best efforts to seek stockholder approval in respect of the issuance of any Capital Stock to the Qualified Stockholders.

(e) In the case of the offering of Capital Stock for consideration in whole or in part other than cash, including securities acquired in exchange therefor (other than securities by their terms so exchangeable), the consideration other than cash shall be deemed to be the fair value thereof as reasonably determined by the Board; *provided, however*, that such fair value as determined by the Board shall not exceed the aggregate market price of the securities being offered as of the date the Board authorizes the offering of such securities.

(f) Notwithstanding the foregoing, the Company shall be permitted to sell Capital Stock pursuant to an at-the-market offering program without first offering such Capital Stock to the Stockholders pursuant to this Section 4.2; *provided* that promptly following such sale, each Stockholder shall be offered the right to purchase Capital Stock in such amount necessary to achieve the same economic effect to such Stockholder as contemplated by, and subject to, this Section 4.2, if such offer would have been made prior to such sale; *provided* that in such case there shall be deemed to be no dilution to the Preemptive Percentage (or equivalent concepts used to measure or describe the Stockholder's percentage ownership of the Common Stock on an as-converted basis) for any purpose under this Agreement (including, for the avoidance of doubt, Section 2.1, Section 3.3 and Section 4.2) of any Stockholder who did not purchase the shares of Capital Stock at the time of the initial sale in such at-the-market offering as a result of the application of Section 4.2(f) until such Stockholder has exercised or declined to exercise or waived its rights under the first proviso of this Section 4.2(f) with respect to such proposed issuance of Capital Stock and, for the avoidance of doubt, in the case of any such decline to exercise or waiver of rights under the first proviso of this Section 4.2(f), the Preemptive Percentage shall be diluted accordingly.

(g) Notwithstanding anything in this Agreement to the contrary that limits the ability of a Person to assign or transfer its rights hereunder, a Participating Stockholder may designate any of its Permitted Transferees to purchase all or part of the shares of Capital Stock offered pursuant to Section 4.2(a); *provided* that such Participating Stockholder shall remain obligated to consummate the purchase if such designees fail to do so.

**ARTICLE V
TERMINATION**

Section 5.1 Termination. This Agreement shall terminate with respect to any particular Stockholder upon the mutual agreement in writing among the Company and such Stockholder; *provided* that this Agreement shall terminate automatically as to any particular Stockholder and its Permitted Transferees (within the meaning of clauses (i) and (ii) of such defined term) at such time as such Stockholder no longer beneficially owns at least 5% of the outstanding shares of Common Stock (on an as-converted basis) at any time.

**ARTICLE VI
MISCELLANEOUS**

Section 6.1 Patents.

(a) *Right of First Offer.* Without limiting the rights of the Charter Stockholder under Section 6.1(b), if the Company or any of its Subsidiaries contemplates the sale or other disposition of any patent or patent application (patents and patent applications collectively, the “**Patents**”), other than in connection with the sale of all or substantially all of the Company’s business, a Change of Control or a sale or transfer to or between the Company and its Subsidiaries, the Company shall first make an offering of each such Patent to the Charter Stockholder in accordance with the following provisions:

(i) The Company shall deliver a written notice (the “**Patent ROFO Notice**”) to the Charter Stockholder stating (A) its bona fide intention to sell or otherwise dispose of each such Patent, (B) if applicable, the identity of all contemplated parties to such sale or disposition, (C) each Patent to be disposed, and (D) the price and the terms and conditions upon which the Company intends to dispose of such Patents.

(ii) Within forty-five (45) business days after receipt of the Patent ROFO Notice, the Charter Stockholder may elect to purchase all or a portion of the Patents identified in such Patent ROFO Notice at the price and on the terms and conditions specified in the Patent ROFO Notice, by providing written notice to the Company. If the Charter Stockholder does not elect to purchase all of the Patents identified in such Patent ROFO Notice within forty-five (45) business days after the receipt of the Patent ROFO Notice, the Company or its applicable Subsidiary shall have forty-five (45) business days thereafter to sell the remaining Patents in respect of which the Charter Stockholder’s rights were not exercised pursuant to this Section 6.1(a), subject to Section 6.1(b). If neither the Company nor its applicable Subsidiary has sold such remaining Patents within forty-five (45) business days of the Patent ROFO Notice, the Company shall not, and shall cause its Subsidiaries not to, thereafter dispose of any such Patents without first offering such Patents to the Charter Stockholder in the manner provided in this Section 6.1(a).

(b) *Right of First Refusal.* Without limiting the rights of the Charter Stockholder under Section 6.1(a), if the Company or any of its Subsidiaries receives a bona fide written offer with respect to the sale or other disposition of any Patents, other than in connection with the sale of all or substantially all of the Company’s business, a Change of Control or a sale or transfer to or between the Company and its Subsidiaries (such sale or other disposition, a “**Subject Patent Transaction**”), the Company shall not, and shall cause Subsidiaries not to, enter into such Subject Patent Transaction except in accordance with the following provisions:

(i) If, at any time, the Company or any of its Subsidiaries receives a bona fide written offer for a Subject Patent Transaction that the Company or the applicable Subsidiary desires to accept, the Company shall, within three business days following receipt of such offer, deliver, together with a copy of such offer, a written notice (the “**Patent ROFR Notice**”) to the Charter Stockholder stating (A) its bona

fide intention to enter into such Subject Patent Transaction, (B) the identity of all proposed parties to such Subject Patent Transaction, (C) the Patents subject to the Subject Patent Transaction, and (D) the price and the terms and conditions of the written offer, upon which the Company proposes to dispose of such Patents (including the proposed date of the closing of the Subject Patent Transaction, which shall in no event be less than forty-five (45) business days from the date of the Patent ROFR Notice) (clauses (B) through (D), collectively, the “**Minimum Patent Terms**”). The Patent ROFR Notice shall constitute the Company’s irrevocable, binding offer to sell or otherwise dispose the Patents to the Charter Stockholder pursuant to the Minimum Patent Terms.

(ii) Within forty-five (45) business days after receipt of the Patent ROFR Notice, the Charter Stockholder may elect to purchase all or a portion of the Patents identified in such Patent ROFR Notice at the price and on the terms and conditions specified in the Patent ROFR Notice, by providing written notice to the Company. If the Charter Stockholder does not elect to purchase all of the Patents identified in such Patent ROFR Notice within forty-five (45) business days after the receipt of the Patent ROFR Notice, the Company or its applicable Subsidiary shall have forty-five (45) business days thereafter to sell the remaining Patents in respect of which the Charter Stockholder’s rights were not exercised pursuant to this Section 6.1(b), at a price not lower, and upon other terms and conditions that are not more favorable to the purchasers thereof in any material respect, than the price and the terms and conditions specified in the Patent ROFR Notice. If neither the Company nor its applicable Subsidiary has consummated the sale or other disposition of such remaining Patents within forty-five (45) business days of the Patent ROFR Notice, the Company shall not, and shall cause its Subsidiaries not to, thereafter sell or otherwise dispose of any such Patents without first offering such Patents to the Charter Stockholder in the manner provided in this Section 6.1(b).

(c) *Beneficiary*. This Section 6.1 may only be enforced by, and shall inure to the benefit of only, the Charter Stockholder, the Company and their respective successors and permitted assigns, and neither the Qurate Stockholder nor the Cerberus Stockholder shall have any right to enforce the provisions of this Section 6.1. Neither this Section 6.1 nor any of the rights or obligations hereunder shall be assigned or delegated by the Charter Stockholder (other than to an Affiliate thereof) or the Company without the prior written consent of the other party.

Section 6.2 Notices. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be personally delivered, sent by nationally recognized overnight courier, mailed by registered or certified mail or be sent by electronic mail to such party at the address set forth below (or such other address as shall be specified by like notice). Notices will be deemed to have been duly given hereunder if (i) personally delivered, when received, (ii) sent by nationally recognized overnight courier, one business day after deposit with the nationally recognized overnight courier, (iii) mailed by registered or certified mail, five business days after the date on which it is so mailed, and (iv) sent by electronic mail with confirmed receipt by the intended recipient thereof on the date sent so long as such communication is transmitted before 5:00 p.m. in the time zone of the receiving party on a business day, otherwise, on the next business day; *provided* that any notice sent pursuant to clauses (i), (ii) or (iii) shall be accompanied by notice sent by email within one business day after dispatch by such method.

Section 6.3 Severability. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any person or any circumstance, is found to be invalid or unenforceable in any jurisdiction, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 6.4 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which, taken together, shall be considered one and the same agreement.

Section 6.5 Entire Agreement; No Third Party Beneficiaries. This Agreement (a) constitutes the entire agreement and supersedes all other prior agreements, both written and oral, among the parties hereto with respect to the subject matter hereof and (b) is not intended to confer upon any person, other than the parties hereto, any rights or remedies hereunder.

Section 6.6 Further Assurances. Each party hereto shall execute, deliver, acknowledge and file such other documents and take such further actions as may be reasonably requested from time to time by the other parties hereto to give effect to and carry out the transactions contemplated herein.

Section 6.7 Governing Law; Equitable Remedies.

(a) This Agreement and all actions, proceedings or counterclaims (whether based on contract, tort or otherwise) arising out of or relating to this Agreement or the actions of the Stockholders or the Company in the negotiation, administration, performance and enforcement thereof, shall be governed by, and construed in accordance with the laws of the State of Delaware, including its statute of limitations, without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(b) The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with its specific terms or were otherwise breached. It is accordingly agreed that the parties hereto shall be entitled to an injunction or injunctions and other equitable remedies to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in any of the Chosen Courts (as defined below), this being in addition to any other remedy to which they are entitled at law or in equity. Any requirements for the securing or posting of any bond with respect to such remedy are hereby waived by each of the parties hereto. Each party hereto further agrees that, in the event of any action for an injunction or other equitable remedy in respect of such breach or enforcement of specific performance, it will not assert the defense that a remedy at law would be adequate.

Section 6.8 Consent To Jurisdiction.

(a) Each of the parties: (i) irrevocably consents to the service of the summons and complaint and any other process (whether inside or outside the territorial jurisdiction of the Chosen Courts) in any Legal Proceeding relating to this Agreement, for and on behalf of itself or any of its properties or assets, in accordance with Section 6.2 or in such other manner as may be permitted by applicable law, and nothing in this Section 6.8 will affect the right of any party to serve legal process in any other manner permitted by

applicable law; (ii) irrevocably and unconditionally consents and submits itself and its properties and assets in any Legal Proceeding to the exclusive general jurisdiction of the Court of Chancery of the State of Delaware and any state appellate court therefrom within the State of Delaware (or, solely if the Court of Chancery of the State of Delaware declines to accept jurisdiction over a particular matter, any other state or federal court within the State of Delaware) (the “**Chosen Courts**”) in the event of any dispute or controversy relating to or arising out of this Agreement or the transactions contemplated hereby or thereby; (iii) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court; (iv) agrees that any Legal Proceeding relating to or arising out of this Agreement or the transactions contemplated hereby or thereby will be brought, tried and determined only in the Chosen Courts; (v) waives any objection that it may now or hereafter have to the venue of any such Legal Proceeding in the Chosen Courts or that such Legal Proceeding was brought in an inconvenient court and agrees not to plead or claim the same; and (vi) agrees that it will not bring any Legal Proceeding relating to or arising out of this Agreement or the transactions contemplated hereby or thereby in any court other than the Chosen Courts unless the Chosen Courts issue a final judgment determining that such court lacks jurisdiction. Each Stockholder and the Company agrees that a final judgment and any interim relief (whether equitable or otherwise) in any Legal Proceeding in the Chosen Courts will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE PURSUANT TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT THAT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING (WHETHER FOR BREACH OF CONTRACT, TORTIOUS CONDUCT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT. EACH PARTY ACKNOWLEDGES AND AGREES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER; (ii) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER; (iii) IT MAKES THIS WAIVER VOLUNTARILY; AND (iv) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 6.8.

Section 6.9 Amendments; Waivers.

(a) No provision of this Agreement may be amended or waived unless such amendment or waiver is in writing and signed (i) in the case of an amendment, by each of the parties hereto, and (ii) in the case of a waiver, by each of the parties against whom the waiver is to be effective, subject to the last sentence of Section 3.3.

(b) No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 6.10 Mutual Drafting. This Agreement shall be deemed to be the joint work product of the parties, and any rule of construction that a document shall be interpreted or construed against a drafter of such document shall not be applicable.

Section 6.11 Assignment. Neither this Agreement nor any of the rights or obligations hereunder shall be assigned or delegated by any of the parties hereto without the prior written consent of the other parties; *provided* that:

(a) Subject to the restrictions in Section 6.1(c), the rights and obligations of a Stockholder under this Agreement may be assigned to any Permitted Transferee of such Stockholder without the consent of any other party; *provided*, that (i) the Company is, within a reasonable time prior to such assignment, furnished with written notice of the name and address of such Permitted Transferee; and (ii) such Permitted Transferee agrees in writing to be bound by the provisions of this Agreement, including the rights, interests and obligations so assigned.

(b) In connection with a Transfer by a Stockholder (each, an “**Assigning Stockholder**”) of least 50% of a Stockholder’s Initial Preferred Stock Ownership to a transferee (who is not a Permitted Transferee of such Assigning Stockholder or the Cerberus Stockholder, Qurate Stockholder or Charter Stockholder), such Assigning Stockholder will have the right, at its election, but subject to the restrictions in Section 6.1(c), to assign its rights and obligations under this Agreement as follows:

(i) such Assigning Stockholder may elect to cause such transferee to succeed such Assigning Stockholder as such Assigning Stockholder hereunder (*i.e.*, as the Cerberus Stockholder, Qurate Stockholder or Charter Stockholder, as applicable), in which case, (A) such Assigning Stockholder shall be entitled to all of the rights and subject to all restrictions, conditions and obligations of such Assigning Stockholder hereunder (including the rights afforded under Section 2.1, Section 2.3, Section 3.5 and Section 4.1) and, for the avoidance of doubt, only such transferee’s (and its Permitted Transferees’) ownership of Preferred Stock and Common Stock shall be considered for purposes of such transferee satisfying the applicable ownership thresholds in this Agreement, and (B) if, following such Transfer, such Assigning Stockholder (and its Permitted Transferees) continue to beneficially own at least 5% of the outstanding shares of Common Stock (on an as-converted basis), such Assigning Stockholder shall, for so long as it (and its Permitted Transferees) continues to beneficially own at least 5% of the outstanding shares of Common Stock (on an as-converted basis), remain entitled to all rights and subject to all restrictions, conditions and obligations of a Stockholder generally set forth in this Agreement (but excluding the rights afforded under Sections 2.1, Section 2.3, Section 3.5, Section 4.1 and Section 6.1); or

(ii) such Assigning Stockholder may elect to cause such transferee to be treated as a Stockholder generally hereunder, in which case (A) such transferee shall be entitled to all of the rights and shall be subject to all restrictions, conditions and obligations of a Stockholder generally hereunder (other than rights afforded under Section 2.1, Section 2.3, Section 3.5 and Section 4.1) and (B) such Assigning Stockholder shall continue as the Assigning Stockholder hereunder (*i.e.*, the Cerberus Stockholder, Qurate Stockholder or Charter Stockholder, as applicable) and remain entitled to all rights and subject to all restrictions, conditions and obligations of such Assigning Stockholder set forth in this Agreement (including the rights afforded under Section 2.1, Section 2.3, Section 3.5 and Section 4.1) based on such Assigning Stockholder’s and its (and its Permitted Transferees’) ownership of Preferred Stock and Common Stock after giving effect to such Transfer;

provided, that such transferee agrees in writing to be bound by the provisions of this Agreement, including the rights, interests and obligations so assigned.

(c) Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and permitted assigns. The Company agrees that, if requested by an Assigning Stockholder in connection with a Transfer contemplated by Section 6.11(b)(ii), prior to the transferee becoming an “interested stockholder” (as such term is defined in Section 203(c)(5) of the DGCL) with respect to the Company, the Board shall approve (x) such transferee Stockholder as an “interested stockholder” within the meaning of Section 203(c)(5) of the DGCL and (y) the receipt of Capital Stock by such transferee Stockholder pursuant to such Transfer for purposes of Section 203(a)(1) of the DGCL.

Section 6.12 Performance. Each Stockholder shall cause to be performed, and hereby guarantees the performance of, all actions, agreements and obligations set forth in this Agreement to be performed by any of its Subsidiaries and/or Affiliates and representatives. The Company shall cause to be performed, and hereby guarantees the performance of, all actions, agreements and obligations set forth in this Agreement to be performed by any of its Subsidiaries and/or Affiliates and representatives. Each party (including its permitted successors and assigns) further agrees that it shall (a) give timely notice of the terms, conditions and continuing obligations contained in this Section 6.12 to all of their respective Affiliates and representatives and (b) cause all of their respective Affiliates and representatives not to take, or omit to take, any action which action or omission would violate or cause such party to violate this Agreement.

Section 6.13 Independent Nature of Stockholders' Obligations and Rights. The obligations of each Stockholder under this Agreement are several and not joint with the obligations of any other Stockholder, and a Stockholder shall not be responsible in any way for the performance of the obligations of any other Stockholder under this Agreement. Nothing contained herein, and no action taken by a Stockholder pursuant hereto shall be deemed to constitute a partnership, an association, a joint venture or any other kind of entity between the Stockholder and the other Stockholders, or create a presumption that the Stockholder and the other Stockholder(s) are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Agreement. Each Stockholder shall be entitled to independently protect and enforce its rights, including the rights arising out of this Agreement or the Certificate of Designation, and it shall not be necessary for the other Stockholders to be joined as an additional party in any proceeding for such purpose.

Section 6.14 Business Opportunities. To the fullest extent permitted by Section 122(17) of the DGCL (or any successor provision) and except as may be otherwise expressly agreed in writing by the Company and the Stockholders, the Company, on behalf of itself and its Subsidiaries, renounces any interest or expectancy of the Company and its Subsidiaries in, or in being offered an opportunity to participate in, business opportunities, that are from time to time presented to the Stockholders or any of their respective officers, representatives, directors, agents, stockholders, members, partners, Affiliates, Subsidiaries (other than the Company and its Subsidiaries), or any of their respective designees on the Board and/or any of their respective representatives who, from time to time, may act as officers of the Company, even if the opportunity is one that the Company or its Subsidiaries might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the opportunity to do so, and no such person shall be liable to the Company or any of its Subsidiaries for breach of any fiduciary or other duty, as a director or officer or otherwise, by reason of the fact that such person pursues or acquires such business opportunity, directs such business opportunity to another person or fails to present such business opportunity, or information regarding such business opportunity, to the Company or its Subsidiaries unless such business opportunity is disclosed to the applicable director or officer in his or her capacity as such. Any Person purchasing or otherwise acquiring any interest in any shares of Capital Stock of the Company shall be deemed to have notice of and consented to the provisions of this Section 6.14. Neither the alteration, amendment or repeal of this Section 6.14, nor the adoption of any provision of the Certificate of Incorporation or this Certificate of Designations inconsistent with this Section 6.14, nor, to the fullest extent permitted by Delaware law, any modification of law, shall eliminate or reduce the effect of this Section 6.14 in respect of any business opportunity first identified or any other matter occurring, or any cause of action, suit or claim that, but for this Section 6.14, would accrue or arise, prior to such alteration, amendment, repeal, adoption or modification. If any provision or provisions of this Section 6.14 shall be held to be invalid, illegal or unenforceable as applied to any circumstance for any reason whatsoever: (a) the validity, legality and

enforceability of such provisions in any other circumstance and of the remaining provisions of this Section 6.14 (including, without limitation, each portion of any paragraph of this Section 6.14 containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and (b) to the fullest extent possible, the provisions of this Section 6.14 (including, without limitation, each such portion of any paragraph of this Section 6.14 containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to permit the Company to protect its directors, officers, employees and agents from personal liability in respect of their good faith service to or for the benefit of the Company to the fullest extent permitted by law. This Section 6.14 shall not limit any protections or defenses available to, or indemnification or advancement rights of, any director, officer, employee or agent of the Company under the Certificate of Incorporation, the Bylaws, any other agreement between the Company and such director, officer, employee or agent or applicable law.

Section 6.15 Information Rights.

(a) Following the Closing Date and so long as the Stockholder continues to beneficially own a number of shares of Preferred Stock representing at least 5% of the outstanding shares of Common Stock (on an as-converted basis), the Company agrees to provide each Stockholder and its Permitted Transferees with the following:

(i) within 90 days after the end of each fiscal year of the Company, (A) an audited, consolidated balance sheet of the Company and its Subsidiaries as of the end of such fiscal year, (B) an audited, consolidated income statement of the Company and its Subsidiaries for such fiscal year and (C) an audited, consolidated statement of cash flows of the Company and its Subsidiaries for such fiscal year; *provided* that this requirement shall be deemed to have been satisfied if on or prior to such date the Company files its annual report on Form 10-K for the applicable fiscal year with the SEC;

(iii) reasonable access, to the extent reasonably requested by a Stockholder, to the offices and the properties of the Company and its Subsidiaries, including its and their books and records, and to discuss its and their affairs, finances and accounts with its and their officers, all upon reasonable notice and at such reasonable times and as often as the Stockholder may reasonably request; *provided* that any investigation pursuant to this Section 6.15 shall be conducted in a manner as not to interfere unreasonably with the conduct of the business of the Company and its Subsidiaries;

(b) Notwithstanding anything to contrary in the foregoing, the Company shall not be obligated to provide such access or materials if the Company determines, in its reasonable judgment, that doing so would reasonably be expected to (i) result in the disclosure of trade secrets or competitively sensitive information to third parties, (ii) violate applicable law, an applicable order or a contract or obligation of confidentiality owing to a third party, (iii) jeopardize the protection of an attorney-client privilege, attorney work product protection or other legal privilege (provided, however, that the Company shall use reasonable efforts to provide alternative, redacted or substitute documents or information in a manner that would not result in the loss of the ability to assert attorney-client privilege, attorney work product protection or other legal privileges), or (iv) expose the Company to risk of liability for disclosure of personal information; *provided* that the Company shall use reasonable best efforts to disclose such information in a manner that would not violate the foregoing.

Section 6.16 Financing Cooperation. If requested by a Stockholder or its Permitted Transferees, the Company will provide the following cooperation (in each case, all reasonable, documented out-of-pocket expenses incurred by the Company in connection with the foregoing, shall be borne by such Stockholder) in connection with the Stockholder and its Permitted Transferees obtaining any Permitted Loan: (i) entering into an issuer agreement (an "Issuer Agreement") with each lender in customary form in connection with such transactions (which agreement may include, without limitation, agreements and obligations of the Company relating to procedures and specified time periods for effecting transfers and/or conversions upon foreclosure, agreements to not hinder or delay exercises of remedies on foreclosure, acknowledgments regarding corporate policy, if applicable, certain acknowledgments regarding securities law status of the pledge arrangements and a specified list of Competitors, Activist Investors and Restricted Persons) and subject to the consent of the Company (which will not be unreasonably withheld or delayed), with such changes thereto as are requested by such lender and customary for similar financings, (ii) using reasonable best efforts to (A) remove any restrictive legends on certificates representing pledged Preferred Stock or Common Stock issued upon conversion of Preferred Stock and depositing any pledged Preferred Stock or Common Stock issued upon conversion of Preferred Stock in book entry form on the books of The Depository Trust Company, in each case when eligible to do so (and providing any necessary indemnities to the transfer agent in connection therewith) or (B) without limiting the generality of clause (A), if such Preferred Stock is eligible for resale under Rule 144A, depositing such pledged Preferred Stock in book entry form on the books of The Depository Trust Company or other depository with customary Rule 144A restrictive legends, (iii) if so requested by such lender or counterparty, as applicable, re-registering the pledged Preferred Stock or Common Stock issued upon conversion of Preferred Stock in the name of the relevant lender, counterparty, custodian or similar party to a Permitted Loan, with respect to Permitted Loans solely as securities intermediary and only to the extent the Stockholder, its Permitted Transferees (or its or their Affiliates) continue to beneficially own such pledged Preferred Stock or Common Stock issued upon conversion of Preferred Stock, (iv) entering into customary triparty agreements with each lender and the Stockholder (and its Permitted Transferees and its and their Affiliates) relating to the delivery of the Preferred Stock or Common Stock issued upon conversion of Preferred Stock to the relevant lender for crediting to the relevant collateral accounts upon funding of the loan and payment of the purchase price including a right for such lender as a third party beneficiary of the Company's obligations hereunder to issue the Preferred Stock or Common Stock issued upon conversion of Preferred Stock upon payment of the purchase therefor in accordance with the terms of this Agreement and (v) such other cooperation and assistance as the Stockholder and its Permitted Transferees may reasonably request (which cooperation and assistance, for the avoidance of doubt, shall not include any requirements that the Company deliver information, compliance certificates or any other materials typically provided by borrowers to lenders) that will not unreasonably disrupt the operation of the Company's business. Anything in the preceding sentence to the contrary notwithstanding, the Company's obligation to deliver an Issuer Agreement is conditioned on the Stockholder or its Permitted Transferee certifying to the Company in writing that (A) the loan agreement with respect to which the Issuer Agreement is being delivered constitutes a Permitted Loan being entered into in accordance with this Agreement, the Stockholder or its Permitted Transferee has pledged the Preferred Stock and/or the underlying shares of Common Stock as collateral to the lenders under such Permitted Loan and that the execution of such Permitted Loan and the terms thereof do not violate the terms of this Agreement, (B) to the extent applicable, whether the registration rights under the Registration Rights Agreement, dated as of even date herewith, by and among the Company and the Stockholders, are being assigned to the lenders under that Permitted Loan, (C) the Stockholder, its Permitted Transferees and its and their controlled Affiliates acknowledge and agree that the Company will be relying on such certificate when entering into the Issuer Agreement and any inaccuracy in such certificate will be deemed a breach of this Agreement and (D) the Company is not required to incur any material obligations other than as specifically set forth in the proceeding sentence. The Stockholder and its Permitted Transferees acknowledge and agree that the statements and agreements of the Company in an Issuer Agreement are solely for the benefit of the applicable lenders party thereto and that in any dispute between the Company and the Stockholder (or its Permitted Transferee) under this Agreement the Stockholder and its Permitted Transferees shall not be entitled to use the statements and agreements of the Company in an Issuer Agreement against the Company.

Section 6.17 Sponsor Provisions. Notwithstanding anything to the contrary set forth in this Agreement, none of the terms or provisions of this Agreement (including, for the avoidance of doubt, Section 3.2) shall in any way limit the activities of Cerberus Capital Management L.P. (“**Sponsor**”) or any of its Affiliates, other than the Cerberus Stockholder and its Permitted Transferees, in their businesses distinct from the corporate private equity business of Sponsor (the “**Excluded Sponsor Parties**”), so long as (i) no such Excluded Sponsor Party or any of its representatives is acting on behalf of or at the direction of Cerberus Stockholder or any of its Permitted Transferees with respect to any matter that otherwise would violate any term or provision of this Agreement and (ii) no confidential information is made available to any Excluded Sponsor Party or any of its representatives who are not involved in the corporate private equity business of Sponsor by or on behalf of Cerberus Stockholder or any of its Permitted Transferees, except with respect to any such representative who is (x) compliance personnel for compliance purposes and (y) non-compliance personnel of Sponsor who have roles that span both the corporate private equity business of Sponsor and one or more other businesses of Sponsor and are directors or officers of, or function in a similar oversight role at, such Excluded Sponsor Party, as long as confidential information is not otherwise disclosed to or used by or for the benefit of such Excluded Sponsor Party. For the avoidance of doubt, the Cerberus Stockholder may disclose confidential information to (a) its representatives to the extent necessary to obtain their services in connection with its investment in the Company (who in each case have been informed of the confidential nature of the information and who are subject to customary confidentiality and use restrictions), (b) any prospective purchaser of Preferred Stock or Common Stock or prospective financing sources in connection with the syndication and marketing of any Permitted Loan, in each case, as long as such prospective purchaser or lender, as applicable, is subject to customary confidentiality and use restrictions and (c) any Affiliate of Sponsor or any limited partner or prospective partner in an investment fund of Sponsor or its Affiliates (and their respective representatives), in each case (provided that the recipients of such confidential information are subject to customary confidentiality and use restrictions and such information is provided in connection with such Person’s ordinary course compliance, fundraising, monitoring or reporting activities or to monitor, manage and/or evaluate the Cerberus Stockholder’s investment in the Company).

(k) All accounting terms used herein will be interpreted, and all accounting determinations hereunder will be made, in accordance with GAAP.

(l) The table of contents and headings set forth in this Agreement are for convenience of reference purposes only and will not affect or be deemed to affect in any way the meaning or interpretation of this Agreement or any term or provision hereof.

(m) The measure of a period of one month or year for purposes of this Agreement will be the date of the following month or year corresponding to the starting date. (n) The Parties agree that they have been represented by legal counsel during the negotiation, execution and delivery of this Agreement and therefore waive the application of any Law, regulation, holding or rule of construction providing that ambiguities in an agreement or other document will be construed against the Party drafting such agreement or document.

(o) No summary of this Agreement or any Exhibit or Schedule delivered herewith prepared by or on behalf of any Party will affect the meaning or interpretation of this Agreement or such Exhibit or Schedule.

(p) The information contained in this Agreement and in the Company Disclosure Letter is disclosed solely for purposes of this Agreement, and no information contained herein or therein will be deemed to be an admission by any Party to any third Person of any matter whatsoever, including (i) any violation of Law or breach of Contract; or (ii) that such information is material or that such information is required to be referred to or disclosed under this Agreement.

The Company has the requisite corporate power and authority to conduct its business as it is presently being conducted and to own, lease or operate its properties, rights and assets, except where the failure to have such power or authority, individually or in the aggregate, has not had, and would not reasonably be expected to have, a Company Material Adverse Effect. The Company is duly qualified to do business and is in good standing in each jurisdiction where the character of its properties owned or leased or the nature of its activities make such qualification necessary (with respect to jurisdictions that recognize the concept of good standing), except where the failure to be so qualified or in good standing has not had, and would not reasonably be expected to have, a Company Material Adverse Effect. The Company has made available to the Purchaser true, correct and complete copies of the Amended and Restated Certificate of Incorporation (the “**Charter**”) and the Amended and Restated Bylaws of the Company (the “**Bylaws**”), each as amended to date. The Company is not in violation of the Charter or the Bylaws in any material respect.

3.2 *Corporate Power; Enforceability.*

The execution and delivery of this Agreement and the other Transaction Documents by the Company, the performance by the Company of its covenants and obligations hereunder, and the consummation of the transactions contemplated by this Agreement and the other Transaction Documents, have been duly authorized and approved by the Company Board, and except for obtaining the Requisite Stockholder Approvals, no other corporate action on the part of the Company or its Stockholders is necessary to authorize the execution and delivery of this Agreement or the other Transaction Documents, the performance by the Company of its covenants and obligations and the consummation by the Company of the transactions contemplated by this Agreement or the other Transaction Documents. This Agreement and each other Transaction Document has been duly executed and delivered by the Company and, assuming the due authorization, execution and delivery by the Purchaser, constitutes a legal, valid

and binding agreement of the Company, enforceable against the Company in accordance with its terms, except as such enforceability: (A) may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar Laws affecting or relating to creditors' rights generally; and (B) is subject to general principles of equity.

(b) Subject to the filing of the Certificate of Amendment with the Secretary of State for the State of Delaware, the Company has all requisite power and authority to issue, sell and deliver the Purchased Shares, in accordance with and upon the terms and conditions set forth in this Agreement and the Certificate of Designation. The Certificate of Designation sets forth the rights, preferences and priorities of the Series B Preferred Stock, and the holders of the Series B Preferred Stock will have the rights set forth in the Certificate of Designation upon filing with the Secretary of State for the State of Delaware. All corporate action required to be taken by the Company for the authorization, issuance, sale and delivery of the Purchased Shares, the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby has been, or will at the time of Closing be, validly taken. (b) *Anti-Takeover Laws.* Assuming that the representations of the Purchaser set forth in Section 4.7 are true and correct, the Company Board has taken all necessary actions so that the restrictions contained in Section 203 of the DGCL applicable to a "business combination" (as defined in Section 203 of the DGCL) shall not apply to the execution, delivery or performance of this Agreement or the other Transaction Documents or the consummation of the Transactions or other transactions contemplated hereby and thereby and any other similar applicable "anti-takeover" Law will not be applicable to this Agreement or the other Transaction Documents or the consummation of the Transactions or any other transaction contemplated hereby or thereby.

(a) The approval of the Transactions by the affirmative vote of the majority of shares of Company Common Stock present or represented by proxy at the Company Stockholder Meeting and entitled to vote on such matter and the adoption of the Certificate of Amendment by the affirmative vote of the majority of shares of Company Common Stock outstanding and entitled to vote on such matter (the “**Requisite Stockholder Approvals**”) are the only votes or approvals of the holders of any class or series of capital stock of the Company necessary under applicable Law, the NASDAQ rules, the Charter or the Bylaws to consummate the Transactions and the other transactions contemplated in this Agreement and the other Transaction Documents.

(b) No appraisal or dissenters’ rights (pursuant to Section 262 of the DGCL or otherwise) will be available to holders of shares of Company Common Stock in connection with the Transactions.

3.5 *Non-Contravention.* Except as set forth on Section 3.5 of the Company Disclosure Letter, the execution and delivery of this Agreement by the Company, the performance by the Company of its covenants and obligations hereunder, and the consummation of the Transactions and the other transactions contemplated by this Agreement and the other Transaction Documents do not: (a) violate or conflict with any provision of the Charter or the Bylaws; (b) violate, conflict with, result in the breach of, constitute a default (or an event that, with notice or lapse of time or both, would become a default) pursuant to, result in the termination of, accelerate the performance required by, or result in a right of termination or acceleration or the vesting or receipt of any benefit or value to a third party, pursuant to any Material Contract; (c) assuming compliance with the matters referred to in Section 3.6 and, in the case of the consummation of the Transactions, subject to obtaining the Requisite Stockholder Approvals, violate or conflict with any Law or order applicable to the Company or any of its Subsidiaries or by which any of their respective properties or assets are bound; or (d) result in the creation of any Lien (other than Permitted Liens) upon any of the properties or assets of the Company or any of its Subsidiaries, except in the case of each of clauses (b), (c) and (d) for such consents as have been obtained and violations, conflicts, breaches, defaults, terminations, accelerations or Liens that have not had, and would not reasonably be expected to have, a Company Material Adverse Effect.

3.6 *Requisite Governmental Approvals.* No Governmental Authorization is required on the part of the Company in connection with: (a) the execution and delivery of this Agreement by the Company; (b) the performance by the Company of its covenants and obligations pursuant to this Agreement; or (c) the consummation of the Transactions and the other transactions contemplated by this Agreement, except (i) the filing of the Certificate of Designation and Certificate of Amendment with the Secretary of State of the State of Delaware, (ii) such filings and approvals as may be required by any applicable federal or state securities Laws, including compliance with any applicable requirements of the Exchange Act, (iii) compliance with any applicable requirements of NASDAQ; (iv) compliance with any applicable requirements of the HSR Act and any applicable foreign Antitrust Laws, and (v) such other Governmental Authorizations the failure of which to obtain would not reasonably be expected to have a Company Material Adverse Effect.

Each of the Subsidiaries of the Company is duly qualified to do business and is in good standing in each jurisdiction where the character of its properties owned or leased or the nature of its activities make such qualification necessary (with respect to jurisdictions that recognize the concept of good standing), except where the failure to be so qualified or in good standing has not had, and would not reasonably be expected to have, a Company Material Adverse Effect. The Company has made available to the Purchaser true, correct and complete copies of the Organizational Documents of each of the Subsidiaries of the Company.

(b) Each of the Subsidiaries of the Company is wholly owned by the Company, directly or indirectly, free and clear of any Liens. Subsidiary Securities. No Subsidiary of the Company owns any shares of capital stock or other securities of the Company. Section 3.8 of the Company Disclosure Letter sets forth each of the Subsidiaries of the Company existing as of the date of this Agreement. Neither the Company nor any of its Subsidiaries has any Contract pursuant to which it is obligated to make any investment (in the form of a loan, capital contribution or otherwise) in any Person (other than the Company with respect to its Subsidiaries and the Subsidiaries with respect to each other).

3.9 *Company SEC Reports*. Since January 1, 2018 and through the date of this Agreement, the Company has filed or furnished all forms, reports and documents with the SEC that have been required to be filed or furnished by it pursuant to applicable Laws prior to the date of this Agreement (the “**Company SEC Reports**”). Each Company SEC Report complied, as of its filing date (or, if amended or superseded by a filing prior to the date of this Agreement, on the date of such amended or superseding filing), in all material respects with the applicable requirements of the Securities Act or the Exchange Act, as the case may be, each as in effect on the date that such Company SEC Report was filed. True, correct and complete copies of all Company SEC Reports are publicly available in the Electronic Data Gathering, Analysis and Retrieval database of the SEC. As of its filing date (or, if amended or superseded by a filing prior to the date of this Agreement, on the date of such amended or superseded filing), each Company SEC Report did not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

3.10 *Company Financial Statements; Internal Controls*.

(a) *Company Financial Statements*. The consolidated financial statements (including any related notes and schedules) of the Company filed with the Company SEC Reports: (i) were prepared in accordance Regulation S-X under the Exchange Act and with GAAP (except as may be indicated in the notes thereto or as otherwise permitted by Form 10-Q with respect to any financial statements filed on Form 10-Q); (ii) complied, as of their respective date of filing with the SEC, in all material respects with the published rules and regulations of the SEC with respect thereto and (iii) fairly present, in all material respects, the consolidated financial position of the Company as of the dates thereof and the consolidated results of operations and cash flows for the periods then ended (subject, in the case of the unaudited financial statements, to normal and recurring year-end and audit adjustments). Except as have been described in the Company SEC Reports or as set forth in Section 3.10 of the Company Disclosure Letter, there are no off-balance sheet arrangements of the type required to be disclosed pursuant to Item 303(a)(4) of Regulation S-K promulgated by the SEC.

(b) *Disclosure Controls and Procedures*. The Company has established and maintains, and at all times since January 1, 2019 has maintained, “disclosure controls and procedures” and “internal control over financial reporting” (in each case as defined pursuant to Rule 13a-15 and Rule 15d-15 promulgated under the Exchange Act) that are (i) with respect to disclosure controls and procedures, reasonably designed to ensure that all material information (both financial and non-financial) required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the SEC and that all such material information required to be disclosed is accumulated and communicated to the management of the Company,

as appropriate, to allow timely decisions regarding required disclosure and to enable the chief executive officer and chief financial officer of the Company to make the certifications required under the Exchange Act with respect to such reports, and (ii) with respect to internal control over financial reporting, sufficient in all material respects to provide reasonable assurance (A) that transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP, (B) that transactions are executed only in accordance with the authorization of management and (C) regarding prevention or timely detection of the unauthorized acquisition, use or disposition of the Company's properties or assets, in each case that could have a material effect on the Company's financial statements. The Company's management has completed an assessment of the effectiveness of the Company's internal control over financial reporting in compliance with the requirements of Section 404 of the Sarbanes-Oxley Act as of December 31, 2019, and such assessment concluded that the Company's internal control over financial reporting was effective in providing reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements in accordance with GAAP as of such date.

(c) *Internal Controls*. The Company has established and maintains a system of internal accounting controls that are effective in providing reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements in accordance with GAAP. Neither the Company nor, to the Knowledge of the Company, the Company's independent registered public accounting firm, has identified or been made aware of: (i) any significant deficiency or material weakness in the system of internal control over financial reporting used by the Company and its Subsidiaries that has not been subsequently remediated; or (ii) any fraud that involves the Company's management or other employees who have a role in the preparation of financial statements or the internal control over financial reporting utilized by the Company and its Subsidiaries. Since January 1, 2019, neither the Company nor any of its Subsidiaries nor, to the Company's Knowledge, any director, officer, employee, auditor, accountant or representative of the Company or any of its Subsidiaries has received any written complaint, allegation, assertion, or claim (or otherwise has been informed) that the Company or any of its Subsidiaries has engaged in improper or illegal accounting or auditing practices or maintains improper or inadequate internal accounting controls.

(d) As of the date of this Agreement, there are no outstanding or unresolved comments in any comment letters from the staff of the SEC relating to the Company's SEC Reports and received by the Company prior to the date of this Agreement. None of the Company's SEC Reports filed on or prior to the date of this Agreement, is, to the Company's Knowledge, subject to ongoing SEC review or investigation.

3.11 *No Undisclosed Liabilities*. Neither the Company nor any of its Subsidiaries has any liabilities of a nature required to be reflected or reserved against on a balance sheet prepared in accordance with GAAP or notes thereto, other than liabilities: (a) reflected or otherwise reserved against in the Audited Company Balance Sheet or in the consolidated financial statements of the Company and its Subsidiaries (including the notes thereto) included in the Company SEC Reports filed prior to the date of this Agreement; (b) arising pursuant to this Agreement or incurred in connection with the Transaction; (c) incurred in the ordinary course of business (none of which is a liability resulting from noncompliance with any applicable Laws or licenses, breach of Contract, breach of warranty, tort, infringement, misappropriation, dilution, claim or lawsuit); or (d) that, individually or in the aggregate, have not had, and would not reasonably be expected to have, a Company Material Adverse Effect.

3.12 *Absence of Certain Changes.*

(a) Since September 30, 2020 through the date of this Agreement: (i) the business of the Company and its Subsidiaries has been conducted, in all material respects, in the ordinary course of business; and (ii) there has not been any action taken by the Company or any of its Subsidiaries that, if taken during the period from the date of this Agreement through the Closing without the Purchaser's consent, would constitute a breach of, or require consent of the Purchaser under Section 5.2.

(b) Since December 31, 2019 through the date of this Agreement, there has not been any effect, change, development or occurrence that, individually or in the aggregate, has had, or would reasonably be expected to have, a Company Material Adverse Effect.

3.13 *Material Contracts.*

(a) *List of Material Contracts.* Section 3.13(a) of the Company Disclosure Letter contains a true, correct and complete list of all Material Contracts, as of the date of this Agreement, to which the Company or any of its Subsidiaries is a party. Prior to the date of this Agreement, the Company has made available to the Purchaser complete and correct copies of all of the Material Contracts.

(b) *Validity.* Each Material Contract (other than any Material Contract that has expired in accordance with its terms) is valid and binding on the Company or each Subsidiary of the Company that is a party thereto (as the case may be) and, to the Knowledge of the Company, any other party thereto and is enforceable in accordance with its terms, and is in full force and effect, except where the failure to be valid and binding and in full force and effect has not had, and would not reasonably be expected to have, a Company Material Adverse Effect. The Company and each of its Subsidiaries, and, to the Knowledge of the Company, any other party thereto, has performed all obligations required to be performed by it under each Material Contract, except where the failure to fully perform has not had, and would not reasonably be expected to have, a Company Material Adverse Effect. No event has occurred that, whether or not with notice or lapse of time or both, would constitute such a breach, default, acceleration of rights or an event of termination pursuant to any Material Contract by the Company or any of its Subsidiaries, or, to the Knowledge of the Company, any other party thereto, except for such breaches, defaults, acceleration or termination that have not had, and would not reasonably be expected to have, a Company Material Adverse Effect. As of the date of this Agreement, neither the Company nor any of its Subsidiaries has received written notice that it has breached, violated or defaulted under any Material Contract.

3.14 *Real Property.*

(a) *Owned Real Property.* Section 3.14(a) of the Company Disclosure Letter contains a true, correct and complete list and addresses of all of the Real Property owned by the Company or one of its Subsidiaries as of the date of this Agreement (the "**Owned Real Property**"). Except as has not had, and would not reasonably be expected to have, a Company Material Adverse

The Company has made available to the Purchaser true, correct and complete copies of the Leases (including all material modifications, amendments and supplements thereto). Except as has not had, and would not reasonably be expected to have, a Company Material Adverse Effect, the Company or one of its Subsidiaries has valid leasehold estates in the Leased Real Property, free and clear of all Liens (other than Permitted Liens). Each Lease is legal, valid, binding, enforceable and in full force and effect. 3.16 Intellectual Property.

(a) Section 3.16(a) of the Company Disclosure Letter sets forth (i) a true, correct and complete list as of the date of this Agreement of all Registered Intellectual Property owned by, or registered in the name of, the Company or any of its Subsidiaries (for each, indicating, as applicable, the owner(s), filing or registration number, title, jurisdiction, date of issuance, and current record applicant(s) and registrants and, for Internet domain names, the registrant, registrar, and expiration date) and (ii) a true, correct and complete description of material proprietary Software owned by the Company or any of its Subsidiaries as of the date of this Agreement. The Company and its Subsidiaries have taken commercially reasonable actions to maintain and protect all of the Company Intellectual Property, including the secrecy, confidentiality and value of the material Trade Secrets of the Company and its Subsidiaries. All past and present employees, consultants and contractors of the Company and its Subsidiaries (for Persons that the Company and its Subsidiaries have not engaged or employed in the past five (5) years, to the Knowledge of the Company) who have had access to material Trade Secrets of the Company and its Subsidiaries or have authored, developed or otherwise created any material Company Intellectual Property, have executed valid written agreements pursuant to which such Person (i) is bound to maintain and protect the confidential information of the Company and its Subsidiaries, and (ii) assigns, pursuant to a present assignment, to the Company or its applicable Subsidiaries, sole ownership of all Intellectual Property authored, developed or otherwise created by such Person in the course of such Person’s employment or other engagement with the Company and its Subsidiaries, in accordance with applicable Laws and without further consideration or any restrictions or obligations on the Company or any of its Subsidiaries, and to the Knowledge of the Company, such agreements are valid and enforceable in accordance with their terms. No material Company Owned IP is subject to any consent, settlement, decree, order, injunction, judgment or ruling prohibiting or restricting the Company’s or any of its Subsidiaries’ use, ownership, enforcement or other exploitation or disposition thereof. The transactions contemplated by this Agreement and the consummation thereof will not impair any right, title or interest of the Company or any of its Subsidiaries in or to any Company Intellectual Property or material Company Systems, and all of the Company Intellectual Property and material Company Systems will be owned or available for use by the Company and its Subsidiaries immediately after the Closing on terms and conditions identical to those under which the Company and its Subsidiaries owned or used the Company Intellectual Property and material Company Systems immediately prior to the Closing.

(c) Except as set forth on Schedule 3.16 of the Company Disclosure Letter, there are no claims by any Person that are either pending or made or, to the Knowledge of the Company, threatened in writing since January 1, 2018, (i) alleging infringement, misappropriation, or other violation by the Company or any of its Subsidiaries of any Intellectual Property of such Person, or (ii) contesting the validity, use, ownership, enforceability, patentability or registrability of any material Company Owned IP, excluding any ordinary course “office actions” received by the Company or a Subsidiary in connection with the prosecution of Patents. Neither the Company nor any of its Subsidiaries has received any written notices or written requests for indemnification from any third party related to any of the foregoing matters in clauses (i) and (ii).

(d) (i) Neither the Company nor any of its Subsidiaries, nor the conduct of the business of the Company and its Subsidiaries, including the sale or licensing of Company Products, infringes, misappropriates, or otherwise violates or, since January 1, 2018, has infringed, misappropriated, or otherwise violated, any Intellectual Property of any Person in any material respect; (ii) neither the Company nor any of its Subsidiaries has received any written notices regarding any of the foregoing matters in clause (i) (including any cease and desist letters, demands or unsolicited offers to license any Intellectual Property from any Person); and (iii) to the Knowledge of the Company as of the date of this Agreement, no Person is infringing, misappropriating, or otherwise violating any Intellectual Property owned by the Company or any of its Subsidiaries.

(e) The Company and its Subsidiaries own, lease, license, or otherwise have the valid right to use all material Company Systems, and such Company Systems are sufficient in all material respects for the needs of the Company’s and its Subsidiaries’ businesses, and the Company and its Subsidiaries have purchased sufficient license rights for all material third party Software used in their operations. With respect to the Company Systems: (i) the Company and its Subsidiaries have a commercially reasonable disaster recovery plan in place and have tested such disaster recovery plan for effectiveness, and (ii) there have not been any material malfunctions, failures, or continued substandard performance that have not been remedied in all material respects. The material proprietary Software owned by the Company and its Subsidiaries (the “**Company Software**”) is not subject to any “copyleft” or other obligation or condition (including any obligation or condition under any “open source” license) that (A) requires, or conditions the use or distribution of such Software, on the disclosure, licensing, or distribution of any source code for any portion of such Company Software or (B) otherwise imposes any limitation or restriction on the right or ability of the Company or any of its Subsidiaries to use, license, distribute, or otherwise exploit any portion of the Company Software (including, for clarity, any limitation on the compensation that the Company or any of its Subsidiaries may charge in the marketing, licensing, sale, distribution, or other commercial exploitation or other use of such Company Software or any requirement that such Company Software be disclosed, licensed or distributed for the purpose of making derivative works, but excluding any obligation for the Company to provide attribution for the author of such Software). The Company and its Subsidiaries possess all source code and other documentation and materials reasonably necessary for a developer competent in the programming language for such Software to compile, operate and maintain the Company Software. All Company Software operates in all material respects in accordance with its requirements, technical, end-user and other documentation. There are no viruses, “worms”, “time bombs”, “key-locks”, Trojan horses or similar disabling codes, programs or devices in any of the Company Software, or any other codes, programs or devices designed to disrupt or interfere with

the operation of the Company Software or equipment upon which the Company Software operates, or the integrity of the Data, information or signals the Company Software produces in a manner adverse to the Company, any of its Subsidiaries, any customer, licensee or other Person. The Company and its Subsidiaries have not delivered, licensed, or made available any source code for any Company Software to any escrow agent or other Person who is not an employee, contractor or other service provider of the Company or any of its Subsidiaries and subject to appropriate confidentiality obligations, and the Company and its Subsidiaries are not subject to any obligation (whether present, contingent, or otherwise) deliver, license, or make available any such source code.

(f) Since January 1, 2018: (i) the Company and its Subsidiaries (including the conduct of their respective businesses and their Processing of Data) have complied with all Data Security Requirements in all material respects; (ii) there has not been any material Security Incident; and (iii) the Company and its Subsidiaries have taken commercially reasonable actions, including instituting commercially reasonable physical, technical, and administrative security measures and policies, to protect the security and integrity of the Company Systems and all Data stored or contained therein or transmitted thereby and all Sensitive Information collected or possessed by them from and against unauthorized access, use, or disclosure, including by installing all patches applicable to the Company Systems and updating the Company Systems to current versions of third party Software in a reasonably timely manner. Since January 1, 2018, neither the Company nor any of its Subsidiaries has provided or been legally required to provide any notices to data owners in connection with (A) any unauthorized access, use or disclosure of Sensitive Information or (B) any Data Security Requirement. Neither the Company nor its Subsidiaries (1) has received any written complaint from any Person regarding any Data Security Requirements, Security Incident, or Sensitive Information or (2) has been subject to any investigations or audits (other than audits commissioned in response to contractual requirements related to security and vulnerability testing in commercial contracts and self-initiated audits) concerning any Data Security Requirements, Security Incident, or Sensitive Information. The transactions contemplated by this Agreement and the consummation thereof will not violate any applicable Data Security Requirement.

(g) To the extent that the Company or any of its Subsidiaries has: (i) purchased, licensed or otherwise acquired for compensation any Personal Information, it has done so in accordance with all Data Security Requirements in all material respects; or (ii) obtained Personal Information from any publicly-available sources, including websites, it has done so in accordance with the terms and conditions attaching to the use of that publicly-available source and in accordance with all Data Security Requirements in all material respects. The Company and its Subsidiaries have engaged in the Processing of Data (and caused third parties to engage in the Processing of Data) only with respect to any third party Data as they are authorized to so engage by applicable Law and Contract. The Company and its Subsidiaries in respect of each Processing activity that they carry out as a Controller (as defined in Article 4(7) of the GDPR) under the GDPR: (A) have, and have had, a lawful basis for Processing Personal Information, including obtaining or contractually obligating others to obtain on the Company's behalf all requisite consents from data subjects (where consent is relied upon by the Company or its Subsidiaries as the legal basis for Processing), in accordance with the GDPR and ePrivacy Directive; (B) have, prior to Processing any Personal Information, made available (to the standard required under the GDPR) materially accurate processing information that meets the requirements of the GDPR; (C) have entered into a written agreement with all third party data processors which complies with the requirements of the GDPR; and (D) comply, and have complied with all principles set out in Article 5 of the GDPR in all material respects.

3.18 *Employee Benefits.*

(a) *Employee Plans.* Section 3.18(a) of the Company Disclosure Letter sets forth a true, correct and complete list, as of the date of this Agreement, of each material Employee Plan. With respect to each listed Employee Plan, the Company has made available to the Purchaser a true and complete copy of all plan documents, summary plan descriptions and the most recent determination letter (or opinion letter) received from the IRS, in each case, as applicable.

(b) *Absence of Certain Plans.* Neither the Company, its Subsidiaries nor any ERISA Affiliate of the Company has maintained, sponsored or participated in, or contributed to, in the six year period preceding the date hereof (or, if shorter than six years, since the date of acquisition by the Company of the relevant Subsidiary or ERISA Affiliate) or otherwise has any liability or obligation with respect to: (i) a “multiemployer plan” (as defined in Section 3(37) or 4001(a)(3) of ERISA); (ii) a “multiple employer plan” (as defined in Section 4063 or Section 4064 of ERISA) or as described in Section 413(c) of the Code; or (iii) a plan covered by Section 412 of the Code or Title IV of ERISA.

(c) *Compliance.* Except as has not had, and would not reasonably be expected to have, a Company Material Adverse Effect, each Employee Plan has been maintained, funded, operated and administered in accordance with its terms and with all applicable Law, including the applicable provisions of ERISA, the Code and any applicable regulatory guidance issued by any Governmental Authority. Each Employee Plan that is intended to be qualified under Section 401(a) of the Code (i) has received a favorable determination letter issued by the IRS regarding such qualified status or is maintained pursuant to a prototype or volume submitter document approved by the IRS and is entitled to rely on a favorable opinion letter issued by the IRS with respect to such prototype or volume submitter document, and (ii) to the Knowledge of the Company, no events have occurred that would reasonably be expected to adversely affect the qualified status of any such Employee Plan that cannot be corrected without material liability to the Company or any of its Subsidiaries. Except as has not had, and would not reasonably be expected to have, a Company Material Adverse Effect, neither the Company nor any of its Subsidiaries has incurred or could reasonably be expected to incur any penalty or Tax (whether or not assessed) under Sections 4980B, 4980D or 4980H of the Code.

(d) *Contributions.* Except as has not had, and would not reasonably be expected to have, a Company Material Adverse Effect, (i) all contributions, premiums, reimbursements or other payments that are due and owing to or in respect of any Employee Plan have been paid, and (ii) all such contributions, premiums, reimbursements or other payments for any period ending on or before the Closing Date that are not yet due have been (or will be prior to the Closing Date) paid or properly accrued (in accordance with GAAP, to the extent applicable).

(e) *No Post-Termination Welfare Benefit Plan.* Except as set forth on Section 3.18(e) of the Company Disclosure Letter, no Employee Plan that is a welfare benefit plan (as defined in Section 3(1) of ERISA) provides, nor has the Company or any of its Subsidiaries committed to provide, post-termination or retiree life insurance or health benefits to any person, except as may be required by Section 4980B of the Code or any similar Law.

(g) *Impact of the Transaction on Employee Plans.* Except as set forth on Section 3.18(g) of the Company Disclosure Letter, neither the execution or delivery of this Agreement nor the consummation of the Transaction (alone or in conjunction with the Other Transactions or any other actions contemplated by this Agreement or the Other Purchase Agreements) will constitute a “change in control,” “change of control,” or term of similar meaning under any Employee Plan including, for the avoidance of doubt, any Company Stock Plan. Except as set forth on Section 3.18(g) of the Company Disclosure Letter, neither the execution or delivery of this Agreement nor the consummation of the Transaction (either alone or in conjunction with the Other Transactions or any other actions contemplated by this Agreement or the Other Purchase Agreements) will (alone or in conjunction with any other event): (i) entitle any current or former employee or director of the Company or any Subsidiary of the Company to any compensation or benefit; or (ii) accelerate the time of payment or vesting, or trigger any payment or funding, of any compensation or benefits or trigger any other obligation under any Employee Plan. Neither the execution or delivery of this Agreement nor the consummation of the Transaction (either alone or in conjunction with the Other Transactions or other action contemplated by this Agreement or the Other Purchase Agreements) will (I) result in any payment or benefit made by the Company or any Subsidiary to be characterized as an excess parachute payment within the meaning of Section 280G of the Code; or (II) result in any limitation on the right of the Company or any Subsidiary of the Company to amend, merge, terminate or receive a reversion of assets from any Employee Plan or related trust.

As of the date of this Agreement, all such insurance policies are in full force and effect, no notice of cancellation has been received and there is no existing default or event that, with notice or lapse of time or both, would constitute a default by any insured thereunder, except for such cancellations and defaults that, individually or in the aggregate, have not had, and would not reasonably be expected to have, a Company Material Adverse Effect.

3.24 *Related Party Transactions*. Except for compensation or other employment arrangements in the ordinary course of business, there are no Contracts, transactions, arrangements or understandings between the Company or any of its Subsidiaries, on the one hand, and any Affiliate of the Company (including any director or executive officer) thereof, but not including any wholly owned Subsidiary of the Company, on the other hand, that would be required to be disclosed pursuant to Item 404 of Regulation S-K promulgated by the SEC in the Company's Form 10-K or proxy statement pertaining to an annual meeting of stockholders that have not been disclosed in the Company SEC Reports.

3.25 *Brokers*. Except for Evercore Group LLC and Goldman Sachs & Co., there is no financial advisor, investment banker, broker, finder or agent that has been retained by or is authorized to act on behalf of the Company or any of its Subsidiaries who is entitled to any financial advisor's, investment banking, brokerage, finder's or other similar fee or commission in connection with the Transactions or other transactions contemplated by this Agreement or the other Transaction Documents. The Company has made available to the Purchaser the engagement letters of Evercore Group LLC and Goldman Sachs & Co.

3.26 *Other Agreements*. The Company has provided to the Purchaser, prior to the execution and delivery of this Agreement, a true, complete and correct copy of each Other Purchase Agreement, each of which, upon execution of this Agreement, shall be in full force and effect. The Company has not entered into any other agreement, arrangement or understanding with the Other Purchasers or any of their respective Affiliates with respect to any securities of the Company or any of its Subsidiaries, the transactions contemplated by the Other Purchase Agreements or the payment of any fees or expenses in connection therewith, except for any non-disclosure agreements or term sheets with the Other Purchasers or their Affiliates.

3.27 *Investment Company Status*. Neither the Company nor any of its Subsidiaries is, and immediately after the Closing hereunder, none of the Company nor any of its Subsidiaries will be, required to be registered as an "investment company" under the Investment Company Act of 1940, as amended.

3.28 *Ability to Pay Dividends*. Except as set forth on Section 3.28 of the Company Disclosure Letter, the Company is not party to any Contract, and is not subject to any provision in the Charter or resolutions of the board of directors of the Company that, in each case, by its terms prohibits or prevents the Company from paying dividends in form and the amounts contemplated by the Certificate of Designations.

3.29 *Exclusivity of Representations or Warranties*.

(a) *No Other Representations and Warranties*. The Company, on behalf of itself and its Affiliates, acknowledges and agrees that, except for the representations and warranties expressly set forth in Article IV or in any certificate delivered pursuant to this Agreement:

(i) neither the Purchaser nor any of its Affiliates (or any other Person) makes, or has made, any representation or warranty relating to the Purchaser, its Affiliates or any of their businesses, operations or otherwise in connection with this Agreement or the Transaction;

(ii) no Person has been authorized by the Purchaser, any of its Affiliates or any of its or their respective Representatives to make any representation or warranty relating to the Purchaser, its Affiliates or any of their businesses or operations or otherwise in connection with this Agreement or the Transaction, and if made, such representation or warranty must not be relied upon by the Company or any of its Representatives as having been authorized by the Purchaser, any of its Affiliates or any of its or their respective Representatives (or any other Person); and

(iii) the representations and warranties made by the Purchaser in this Agreement are in lieu of and are exclusive of all other representations and warranties in connection with this Agreement or the Transaction, including any express or implied or as to merchantability or fitness for a particular purpose, and the Purchaser hereby disclaims any other such express or implied representations or warranties, notwithstanding the delivery or disclosure to the Company or any of its Representatives of any documentation or other information (including any financial information, supplemental data, financial projections or other forward-looking statements).

(b) *No Reliance*. The Company, on behalf of itself and its Affiliates, acknowledges and agrees that, except for the representations and warranties expressly set forth in Article IV or in any certificate delivered by the Purchaser pursuant to this Agreement (and without limiting any representation or warranty in any other Transaction Documents), it is not acting by entering into this Agreement or consummating the Transaction, in reliance on:

(i) any other representation or warranty, express or implied;

(ii) any estimate, projection, prediction, data, financial information, memorandum, presentation or other materials or information provided or addressed to the Company or any of its Affiliates or Representatives; or

(iii) the accuracy or completeness of any other representation, warranty, estimate, projection, prediction, data, financial information, memorandum, presentation or other materials or information.

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser hereby represents and warrants to the Company as follows:

4.1 *Organization; Good Standing*. The Purchaser is duly organized, validly existing and in good standing pursuant to the Laws of its jurisdiction of organization. The Purchaser has the requisite power and authority to conduct its business as it is presently being conducted and to own, lease or operate its material properties, rights and assets, except where the failure to have such power or authority, individually or in the aggregate, would not, individually or in the aggregate, prevent or materially delay the consummation of the Transactions or the other transactions contemplated by this Agreement or the ability of such Purchaser to fully perform its covenants and obligations pursuant to this Agreement. The Purchaser is not in violation of its Organizational Documents.

4.2 *Corporate Power; Enforceability*. The Purchaser has the requisite corporate power and authority to: (a) execute and deliver this Agreement and the other applicable Transaction Documents; (b) perform its covenants and obligations hereunder and thereunder; and (c) consummate the Transactions and the other transactions contemplated by this Agreement and the other applicable Transaction Documents. The execution and delivery of this Agreement and the other applicable Transaction Documents by the Purchaser, the performance by the Purchaser of its covenants and obligations hereunder and the consummation of the Transactions and the transactions contemplated by this Agreement and the other applicable Transaction Documents have been duly authorized by all necessary action on the part of the Purchaser and no additional action on the part of the Purchaser is necessary. This Agreement and each other applicable Transaction Documents have been duly executed and delivered by the Purchaser and, assuming the due authorization, execution and delivery by the Company, constitute legal, valid and binding obligations of the Purchaser, enforceable against the Purchaser in accordance with their terms, except as such enforceability (A) may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar Laws affecting or relating to creditors' rights generally; and (B) is subject to general principles of equity.

4.3 *Non-Contravention*. The execution and delivery of this Agreement by the Purchaser, the performance by the Purchaser of its covenants and obligations hereunder, and the consummation of the Transactions and the other transactions contemplated by this Agreement and the other applicable Transaction Documents do not: (a) violate or conflict with any provision of the Organizational Documents of the Purchaser; (b) violate, conflict with, result in the breach of, constitute a default (or an event that, with notice or lapse of time or both, would become a default) pursuant to, or result in the termination of, or accelerate the performance required by, or result in a right of termination or acceleration pursuant to any of the terms, conditions or provisions of any material note, bond, mortgage, indenture, lease, license, contract, agreement or other instrument or obligation to which the Purchaser is a party or by which the Purchaser or any of its properties or assets may be bound; (c) assuming the consents, approvals and authorizations referred to in Section 4.4 have been obtained, violate or conflict with any Law or order applicable to the Purchaser or by which any of its properties or assets are bound; or (d) result in the creation of any Lien (other than Permitted Liens) upon any of the properties or assets of the Purchaser, except in the case of each of clauses (b), (c) and (d) for such violations, conflicts, breaches, defaults, terminations, accelerations or Liens that would not, individually or in the aggregate, prevent or materially delay the consummation of the Transactions or the other transactions contemplated by this Agreement or the ability of the Purchaser to fully perform its covenants and obligations pursuant to this Agreement.

4.4 *Requisite Governmental Approvals*. No Governmental Authorization is required on the part of the Purchaser in connection with: (a) the execution and delivery of this Agreement by the Purchaser; (b) the performance by the Purchaser of its covenants and obligations pursuant to this Agreement; or (c) the consummation of the Transactions and the other transactions contemplated by this Agreement, except (i) such filings and approvals as may be required by any federal or state securities Laws, including compliance with any applicable requirements of the Exchange Act; (ii) compliance with any applicable requirements of the HSR Act and any applicable foreign Antitrust Laws; and (iii) such other Governmental Authorizations the failure of which to obtain would not, individually or in the aggregate, prevent or materially delay the consummation of the Transactions or the other transactions contemplated by this Agreement or the ability of the Purchaser to fully perform its covenants and obligations pursuant to this Agreement.

4.5 *CFIUS*. The Purchaser is not considered a “foreign person,” as that term is defined in 31 C.F.R. § 800.224.

4.6 *Legal Proceedings; Orders*.

(a) *No Legal Proceedings*. There are no Legal Proceedings pending or, to the knowledge of the Purchaser, threatened against the Purchaser that would, individually or in the aggregate, prevent or materially delay the consummation of the Transactions or the other transactions contemplated by this Agreement or the ability of the Purchaser to fully perform its covenants and obligations pursuant to this Agreement.

(b) *No Orders*. The Purchaser is not subject to any order of any kind or nature that would prevent or materially delay the consummation of the Transactions or the other transactions contemplated by this Agreement or the ability any Purchaser to fully perform their respective covenants and obligations pursuant to this Agreement.

4.7 *Ownership of Company Common Stock.* Neither the Purchaser nor any of its “affiliates” or “associates” is or, during the three years prior to the date of this Agreement, has been an “interested stockholder” (in each case, as such quoted terms are defined under Section 203 of the DGCL) of the Company. Neither the Purchaser nor any of its “affiliates” or “associates” (as those terms are defined in Section 203 of the DGCL) beneficially owns, directly or indirectly, any shares of Company Common Stock or any other security convertible into, exchangeable for or exercisable for shares of Company Common Stock.

4.8 *Brokers*

. There is no financial advisor, investment banker, broker, finder, agent or other Person that has been retained by or is authorized to act on behalf of the Purchaser or any of its Affiliates that will be entitled to any financial advisor’s, investment banking, brokerage, finder’s or other fee or commission from the Company or its Subsidiaries in connection with the Transaction.

4.9 *Sufficient Funds.* The Purchaser will have at the Closing sufficient funds to enable the Purchaser to pay in full at the Closing the entire amount of the Purchase Price payable by the Purchaser hereunder in immediately available cash funds.

4.10 *Unregistered Securities.*

(a) *Investor Status; Sophisticated Purchaser.* The Purchaser is an “accredited investor” within the meaning of Section 4(a)(2) of the Securities Act and is able to bear the risk of its investment in the Purchased Shares. The Purchaser has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of the purchase of the Purchased Shares.

(b) *Information.* The Purchaser and its Representatives have been furnished with (i) materials relating to the business, finances and operations of the Company, (ii) materials relating to the offer and sale of the Purchased Shares and (iii) materials relating to the Transaction, in each case, that have been requested by the Purchaser. The Purchaser and its Representatives have been afforded the opportunity to ask questions of the Company. Neither such inquiries nor any other due diligence investigations conducted at any time by the Purchaser and its Representatives shall modify, amend or affect the Purchaser’s right (i) to rely on the Company’s representations and warranties contained in Article III above or (ii) to indemnification or any other remedy based on, or with respect to the accuracy or inaccuracy of, or compliance with, the representations, warranties, covenants and agreements in this Agreement. The Purchaser understands that its purchase of the Purchased Shares involves a high degree of risk. The Purchaser has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Purchased Shares.

(c) *Legends.* The Purchaser understands that any certificate or book-entry position evidencing Purchased Shares will bear the restrictive legend set forth in the Certificate of Designation.

(d) *Purchase Representations.* The Purchaser is purchasing the Purchased Shares for its own account, the account of its Affiliates, or the accounts of clients for whom the Purchaser exercises discretionary investment authority (all of whom the Purchaser hereby represents and warrants are “accredited investors” within the meaning of Section 4(a)(2) of the Securities Act), not as a nominee or agent, and not with a view to distribution in violation of any securities Laws. The Purchaser has been advised and understands that the Purchased Shares have not been registered under the Securities Act or under the “blue sky” laws of any jurisdiction and may be resold only if registered pursuant to the provisions of the Securities Act (or if eligible, pursuant to the provisions of Rule 144 promulgated under the Securities Act or pursuant to another available exemption from the registration requirements of the Securities Act). The Purchaser has been advised and understands that the Company, in issuing the Purchased Shares, is relying upon, among other things, the representations and warranties of the Purchaser contained in this Article IV in concluding that such issuance is a “private offering” and is exempt from the registration provisions of the Securities Act.

(e) *Rule 144.* The Purchaser understands that there is no public trading market for the Purchased Shares, that none is expected to develop and that the Purchased Shares must be held indefinitely unless and until the Purchased Shares are registered under the Securities Act or an exemption from registration is available. The Purchaser has been advised of and is knowledgeable with respect to the provisions of Rule 144 promulgated under the Securities Act.

(f) *Reliance by the Company.* The Purchaser understands that the Purchased Shares are being offered and sold in reliance on a transactional exemption from the registration requirements of federal and state securities Laws and that the Company is relying upon the truth and accuracy of the representations, warranties, agreements, acknowledgments and understandings of the Purchaser set forth herein in order to determine the applicability of such exemptions and the suitability of the Purchaser to acquire the Purchased Shares.

4.11 *Stockholder and Management Arrangements.* Except for the Transaction Documents or as previously disclosed to the Company in writing, neither the Purchaser nor any of its Affiliates is a party to any Contract, or has authorized, made or entered into, or committed or agreed to enter into, any formal or informal arrangements or other understandings (whether or not binding) with any stockholder, director, officer, employee or other Affiliate of the Company or any of its Subsidiaries: (a) relating to this Agreement or the Transaction, (b) pursuant to which any holder of Company Common Stock has agreed to approve this Agreement or vote against any Superior Proposal, or (c) pursuant to which any Person has agreed to provide, directly or indirectly, an equity investment to the Purchaser or the Company to finance any portion of the Transaction.

4.12 *Exclusivity of Representations and Warranties.*

(a) *No Other Representations and Warranties.* The Purchaser, on behalf of itself and its Affiliates, acknowledges and agrees that, except for the representations and warranties expressly set forth in Article III (as modified by the Company Disclosure Letter), in any other Transaction Document or in any certificate delivered pursuant to this Agreement:

(i) neither the Company nor any of its Subsidiaries (or any other Person) makes, or has made, any representation or warranty relating to the Company, its Subsidiaries or any of their businesses, operations or otherwise in connection with this Agreement or the Transaction;

(ii) no Person has been authorized by the Company, any of its Subsidiaries or any of its or their respective Representatives to make any representation or warranty relating to the Company, its Subsidiaries or any of their businesses or operations or otherwise in connection with this Agreement or the Transaction, and if made, such representation or warranty must not be relied upon by the Purchaser or any of its Representatives as having been authorized by the Company, any of its Subsidiaries or any of its or their respective Representatives (or any other Person); and

(iii) the representations and warranties made by the Company in this Agreement are in lieu of and are exclusive of all other representations and warranties in connection with this Agreement or the Transaction, including any express or implied or as to merchantability or fitness for a particular purpose, and the Company hereby disclaims any other such express or implied representations or warranties, notwithstanding the delivery or disclosure to the Purchaser or any of its Representatives of any documentation or other information (including any financial information, supplemental data, financial projections or other forward-looking statements).

(b) *No Reliance*. The Purchaser, on behalf of itself and its Affiliates, acknowledges and agrees that, except for the representations and warranties expressly set forth in Article III (as modified by the Company Disclosure Letter), in any other Transaction Document or in any certificate delivered by the Company pursuant to this Agreement, it is not acting by entering into this Agreement or consummating the Transaction, in reliance on:

(i) any other representation or warranty, express or implied;

(ii) any estimate, projection, prediction, data, financial information, memorandum, presentation or other materials or information provided or addressed to the Purchaser or any of its Affiliates or Representatives, including any materials or information made available in the electronic data room hosted by or on behalf of the Company in connection with the Transaction, in connection with presentations by the Company's management or in any other forum or setting; or

(iii) the accuracy or completeness of any other representation, warranty, estimate, projection, prediction, data, financial information, memorandum, presentation or other materials or information.

ARTICLE V INTERIM OPERATIONS OF THE COMPANY

5.1 *Affirmative Obligations*. Except (a) as expressly contemplated by this Agreement, (b) as set forth in Section 5.1 or Section 5.2 of the Company Disclosure Letter, (c) as required by applicable Law or Data Security Requirements, or (d) as approved in advance in writing by the Purchaser (which approval will not be unreasonably withheld, conditioned or delayed), during the period from the execution and delivery of this Agreement until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will, and will cause each of its Subsidiaries to, (i) conduct its business in all material respects in the ordinary course of business, and (ii) use reasonable best efforts to preserve intact in all material respects its current business organization, ongoing businesses and significant relationships with third parties.

5.2 *Forbearance Covenants*. Except (a) as expressly contemplated by this Agreement, (b) as set forth in [Section 5.1](#) or [Section 5.2](#) of the Company Disclosure Letter, (c) as required by applicable Law, or (d) as approved in advance in writing by the Purchaser (which approval will not be unreasonably withheld, conditioned or delayed), during the period from the execution and delivery of this Agreement until the earlier to occur of the termination of this Agreement pursuant to [Article IX](#) and the Closing, the Company will not, and will not permit any of its Subsidiaries to, directly or indirectly:

(a) take any action set forth in Section 4.1 of the Stockholders Agreement;

(b) acquire or agree to acquire, directly or indirectly, by purchase, merger, consolidation or otherwise, equity or assets constituting all or substantially all of the business of (or any division of the business of) another Person;

(c) sell, assign, transfer, license, sublicense, abandon, permit to lapse, grant a covenant not to sue, or otherwise dispose of any material Intellectual Property (other than non-exclusive licenses or sublicenses granted in the ordinary course of business);

(d) (i) authorize for issuance, issue, deliver, sell or transfer or agree or commit to issue, deliver, sell or transfer any shares of capital stock of or other equity interest or convertible security in the Company or any of its Subsidiaries or other rights of any kind to acquire, any shares of capital stock of or any other equity interest in the Company or any of its Subsidiaries, other than (x) the issuance of capital stock or other equity interests pursuant to any Employee Plan or (y) the issuance of capital stock or other equity interests from any wholly owned Subsidiary to the Company or any other wholly owned Subsidiary of the Company, (ii) amend or modify any term or provision of any of the Company's outstanding equity securities or (iii) accelerate or waive any restrictions pertaining to the vesting of any Company equity-based awards or warrants or other rights of any kind to acquire any shares of capital stock or other equity interests in the Company;

(e) propose or commit to reclassify, combine, split or subdivide any capital stock of the Company or issue or authorize the issuance of any other securities in respect of, in lieu of, or in substitution for, shares of capital stock of the Company or any of its Subsidiaries, except for, with respect to any Subsidiary of the Company, any intercompany restructuring, recapitalization or similar transaction that will not have a Company Material Adverse Effect;

(f) enter into, amend or terminate any Contract with Starboard Value LP or any of its Affiliates;

(g) except as required under applicable Law or the terms of any Employee Plan existing as of the date of this Agreement, (i) increase the compensation or benefits payable to any current or former director or executive officer of the Company or any employee of the Company whose annual base salary is at least \$300,000 (in each case, other than annual merit increases in the ordinary course of business) or (ii) enter into any new, or amend any existing, employment, severance, change in control, retention, bonus guarantee, or collective bargaining agreement or similar agreement or arrangement;

(h) (i) make any loans, advances or capital contributions to, or investments in, any other Person, other than investments by the Company or a wholly owned Subsidiary of the Company to a wholly owned Subsidiary of the Company or the Company or advances of expenses to any director, officer, employee or agent of the Company in connection with advancement obligations in effect on the date of this Agreement, (ii) incur, assume or modify any material indebtedness or (iii) assume, guarantee, endorse, grant a lien (other than a Permitted Lien) on any of the Company's assets as security or otherwise become liable for indebtedness of another Person (excluding the Company or any of its Subsidiaries); or

(i) agree, resolve, authorize or commit to take any action prohibited by this Section 5.2.

5.3 No Solicitation.

(a) *No Solicitation or Negotiation.* Subject to the terms of Section 5.3(b), Section 5.3(d) and Section 5.3(f), from the date hereof until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will (1) cease and cause to be terminated any discussions or negotiations with any Person and its Affiliates and their respective directors, officers, employees, investment bankers, attorneys, accountants and other advisors or representatives (collectively, "**Representatives**") that would be prohibited by this Section 5.3(a) and (2) terminate all physical and electronic data room access previously granted to any such Person, its Affiliates and their respective Representatives. Subject to the terms of Section 5.3(b), Section 5.3(d) and Section 5.3(f), from the date hereof until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company and its Subsidiaries will not, and will cause their respective directors, officers and employees and will instruct their other Representatives not to, directly or indirectly: (i) solicit, initiate or propose the making, submission or announcement of, or knowingly encourage, induce, facilitate or assist, an Acquisition Proposal or any inquiries or the making of any proposal that would reasonably be expected to lead to an Acquisition Proposal; (ii) furnish to any Person (other than the Purchaser, the Other Purchasers (solely with respect to the Other Transactions) or their respective Representatives) any non-public information relating to the Company or any of its Subsidiaries or afford to any Person access to the business, properties, assets, books, records or other non-public information, or to any personnel, of the Company or any of its Subsidiaries, in any such case to knowingly encourage, facilitate or assist, an Acquisition Proposal or any inquiries or the making of any proposal that would reasonably be expected to lead to an Acquisition Proposal; (iii) participate, continue or engage in discussions or negotiations with any Person with respect to an Acquisition Proposal (other than informing such Persons of the provisions contained in this Section 5.3 or contacting such Person making any unsolicited Acquisition Proposal to clarify the terms and conditions thereof); (iv) approve, endorse or recommend an Acquisition Proposal; or (v) enter into any letter of intent, memorandum of understanding, merger agreement, acquisition agreement or other Contract relating to an Acquisition Transaction, other than an Acceptable Confidentiality Agreement (any such letter of intent, memorandum of understanding, merger agreement, acquisition agreement or other Contract relating to an Acquisition Transaction, an "**Alternative Acquisition Agreement**"). From the date of this Agreement until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will not be required to enforce, and will be permitted to waive, any provision of any standstill or confidentiality agreement solely to permit a confidential proposal being made to the Company Board (or any committee thereof) if the failure to do so would be inconsistent with the directors' fiduciary duties pursuant to applicable Law. For purposes of this Section 5.3, the Company agrees that any breach of this Section 5.3 by the Company's Representatives shall constitute a breach of this Section 5.3 by the Company.

(b) *Superior Proposals*. Notwithstanding anything to the contrary set forth in this Section 5.3, from the date hereof until the Company's receipt of the Requisite Stockholder Approvals, the Company and the Company Board (or a committee thereof) may, directly or indirectly through one or more of their Representatives, participate or engage in discussions or negotiations with, furnish any non-public information relating to the Company or any of its Subsidiaries to, or afford access to the business, properties, assets, books, records or other non-public information, or to any personnel, of the Company or any of its Subsidiaries pursuant to an Acceptable Confidentiality Agreement to any Person or its Representatives that has made, renewed or delivered to the Company an Acquisition Proposal after the date of this Agreement, and otherwise facilitate such Acquisition Proposal or assist such Person (and its Representatives and financing sources) with such Acquisition Proposal (in each case, if requested by such Person), in each case with respect to an Acquisition Proposal that was not solicited in breach of Section 5.3(a) and that the Company Board (or a committee thereof) has determined in good faith (after consultation with its financial advisor and outside legal counsel) either constitutes a Superior Proposal or is reasonably likely to lead to a Superior Proposal and that failure to take such action would be inconsistent with its fiduciary duties under applicable Law; *provided*, that, subject to applicable Law, the Company shall provide to the Purchaser any non-public information or data that is provided to any Person given such access that was not previously made available to the Purchaser prior to or substantially concurrently with the time it is provided to such Person.

(c) *No Change in Company Board Recommendation or Entry into an Alternative Acquisition Agreement*. Except as provided by Section 5.3(d), at no time after the date of this Agreement until the earlier of the termination of this Agreement or the Closing Date may the Company Board (or a committee thereof): (i) withhold, withdraw, amend, qualify or modify, or publicly propose to withhold, withdraw, amend, qualify or modify, the Company Board Recommendation in a manner adverse to the Purchaser; (ii) publicly adopt, approve or recommend an Acquisition Proposal; (iii) in connection with a tender or exchange offer by a third party, fail to recommend against such offer by the close of business on the 10th Business Day after the commencement of a tender or exchange offer in connection with an Acquisition Proposal (it being understood that the Company Board (or a committee thereof) may refrain from taking a position with respect to an Acquisition Proposal until the close of business on the 10th Business Day after the commencement of a tender or exchange offer in connection with such Acquisition Proposal without such action being considered a violation of this Section 5.3); (iv) fail to include the Company Board Recommendation in the Proxy Statement; or (v) enter into any Contract or letter of intent regarding an Acquisition Proposal (any action described in clauses (i) through (iv), a "**Company Board Recommendation Change**"); *provided, however*, that, for the avoidance of doubt, a "stop, look and listen" communication by the Company Board (or a committee thereof) to the Company Stockholders pursuant to Rule 14d-9(f) promulgated under the Exchange Act (or any substantially similar communication), will not constitute a Company Board Recommendation Change if it expressly affirms the Company Board Recommendation.

(d) *Company Board Recommendation Change*. Notwithstanding anything to the contrary set forth in this Agreement, at any time prior to obtaining the Requisite Stockholder Approvals:

(i) the Company Board (or a committee thereof) may effect a Company Board Recommendation Change in response to an Intervening Event if the Company Board (or a committee thereof) determines in good faith (after consultation with its financial advisor and outside legal counsel) that the failure to do so would be inconsistent with its fiduciary duties pursuant to applicable Law; *provided*, that, the Company Board (or a committee thereof) shall not effect such a Company Board Recommendation Change unless:

(1) the Company has provided prior written notice to the Purchaser and the Other Purchasers at least five Business Days in advance to the effect that the Company Board (or a committee thereof) has (A) made such determination; and (B) resolved to effect a Company Board Recommendation Change pursuant to this Section 5.3(d)(i), which notice will specify the basis for such Company Board Recommendation Change, including a reasonably detailed description of the facts and circumstances relating to such Intervening Event and copies of all relevant documents relating thereto;

(2) prior to effecting such Company Board Recommendation Change, the Company and its Representatives, during such five Business Day period, must have negotiated with the Purchaser, the Other Purchasers and their respective Representatives in good faith (to the extent that the Purchaser or either of the Other Purchasers desires to so negotiate) to make such adjustments to the terms and conditions of this Agreement so that the Company Board (or a committee thereof) would no longer determine that the failure to make a Company Board Recommendation Change in response to such Intervening Event would be inconsistent with its fiduciary duties pursuant to applicable Law; and

(3) at the end of such five Business Day period and taking into account any adjustments to the terms and conditions of this Agreement and the Other Purchase Agreements, the Company Board (or a committee thereof) has determined in good faith (after consultation with its financial advisor and outside legal counsel) that the failure to make a Company Board Recommendation Change in response to such Intervening Event would continue to be inconsistent with its fiduciary duties pursuant to applicable Law; or

(ii) if the Company has received a *bona fide* Acquisition Proposal that was not solicited in breach of Section 5.3 and that the Company Board has determined in good faith (after consultation with its financial advisor and outside legal counsel) constitutes a Superior Proposal, then the Company Board (or a committee thereof) may effect a Company Board Recommendation Change with respect to such Acquisition Proposal; *provided*, that, the Company Board (or a committee thereof) shall not take any action described in this clause (ii), unless:

(1) the Company Board (or a committee thereof) determines in good faith (after consultation with its financial advisor and outside legal counsel) that the failure to do so would be inconsistent with its fiduciary duties pursuant to applicable Law;

(2) the Company has complied in all material respects with its obligations pursuant to this Section 5.3 with respect to such Acquisition Proposal;

(3) (i) the Company has provided prior written notice to the Purchaser and the Other Purchasers five Business Days in advance (the “**Notice Period**”) to the effect that the Company Board (or a committee thereof) has (A) received a Superior Proposal and (B) resolved to effect a Company Board Recommendation Change absent any revision to the terms and conditions of this Agreement, which notice will specify the basis for such Company Board Recommendation Change, including the identity of the Person or “group” of Persons making such Acquisition Proposal, the material terms thereof and copies of all relevant documents relating to such Acquisition Proposal (*provided* that following each subsequent amendment to such Acquisition Proposal, the Company Board shall provide a new written notice to the Purchaser, including all information and documents required in this clause (3), with a new Notice Period of three Business Days); and (ii) prior to effecting such Company Board Recommendation Change, the Company and its Representatives, during the Notice Period, must have negotiated with the Purchaser and the Other Purchasers in good faith (to the extent that the Purchaser or either of the Other Purchasers desires to so negotiate) to make such adjustments to the terms and conditions of this Agreement so that such Acquisition Proposal would cease to constitute a Superior Proposal; and

(4) at the end of the Notice Period and taking into account any adjustments to the terms and conditions of this Agreement, the Company Board determines in good faith (after consultation with its financial advisor and outside legal counsel) that the Acquisition Proposal continues to constitute a Superior Proposal.

(e) *Notice.* From the date hereof until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will promptly (and, in any event, within 24 hours) notify the Purchaser and the Other Purchasers if any offers or proposals that constitute an Acquisition Proposal are received by, any non-public information is requested from, or any discussions or negotiations are sought to be initiated or continued with, the Company or any of its Representatives. Such notice must include a summary of the material terms and conditions of such offer, proposal, request, inquiry, discussions or negotiations, including the identity of the Person making any such offer, proposal, request or inquiry or seeking to engage in such discussions or negotiations, and a copy of any written documents in connection therewith. Thereafter, the Company must keep the Purchaser reasonably informed, on a prompt basis, of the status and terms of any such offer, proposal, request, inquiry, discussions or negotiations (including any amendments thereto) and the status of any such offer, proposal, request, inquiry, discussions or negotiations.

(f) *Certain Disclosures.* Nothing in this Agreement will prohibit the Company or the Company Board (or a committee thereof) from: (i) taking and disclosing to the Company Stockholders a “stop, look and listen” communication by the Company Board (or a committee thereof) to the Company Stockholders pursuant to Rule 14d-9(f) promulgated under the Exchange Act (or any substantially similar communication); (ii) informing any Person of the existence of the provisions contained in this Section 5.3; or (iii) complying with the Company’s disclosure obligations under U.S. federal or state Law with regard to an Acquisition Proposal, it being understood that any such statement or disclosure made by the Company Board (or a committee thereof) shall be subject to the terms and conditions of this Agreement. In addition, it is understood and agreed that, for purposes of this Agreement, a factually accurate public statement by the Company or the Company Board (or a committee thereof) that describes the Company’s receipt of an Acquisition Proposal, the identity of the Person making such Acquisition Proposal, the material terms of such Acquisition Proposal and the operation of this Agreement with respect thereto will

not be deemed to be (A) a withholding, withdrawal, amendment, or modification, or proposal by the Company Board (or a committee thereof) to withhold, withdraw, amend or modify, the Company Board Recommendation, (B) an adoption, approval or recommendation with respect to such Acquisition Proposal, or (C) a Company Board Recommendation Change as long as it expressly affirms the Company Board Recommendation.

5.4 *No Control of the Other Party's Business.* The Parties acknowledge and agree that the restrictions set forth in this Agreement are not intended to give the Purchaser, on the one hand, or the Company, on the other hand, directly or indirectly, the right to control or direct the business or operations of the other at any time prior to the Closing. Prior to the Closing Date, the Purchaser and the Company will exercise, consistent with the terms, conditions and restrictions of this Agreement, complete control and supervision over their own business and operations.

ARTICLE VI ADDITIONAL COVENANTS

6.1 *Required Action and Forbearance; Efforts.*

(a) *Reasonable Best Efforts.* Upon the terms and subject to the conditions set forth in this Agreement, the Purchaser will (and will cause its Affiliates to, if applicable), on the one hand, and the Company will, on the other hand, use their respective reasonable best efforts to (A) take (or cause to be taken) all actions, (B) do (or cause to be done) all things, and (C) assist and cooperate with the other Parties in doing (or causing to be done) all things, in each case as are necessary, proper or advisable pursuant to applicable Law or otherwise to consummate and make effective, as promptly as practicable, the Transaction, including by using reasonable best efforts to:

(i) cause the conditions to the Transaction set forth in Article VII to be satisfied;

(ii) (1) obtain all consents, waivers, approvals, orders and authorizations from Governmental Authorities; and (2) make all registrations, declarations and filings with Governmental Authorities, in each case that are necessary or advisable to consummate the Transaction;

(iii) obtain all consents, waivers and approvals and delivering all notifications from or to any third parties in connection with this Agreement and the consummation of the Transaction that are necessary or advisable to consummate the Transactions; and

(iv) execute and deliver any Contracts and other instruments that are reasonably necessary to consummate the Transaction.

(b) *No Consent Fee.* Notwithstanding anything to the contrary set forth in this Section 6.1 or elsewhere in this Agreement, neither the Company nor any of its Subsidiaries will be required to agree to: (i) the payment of a consent fee, "profit sharing" payment or other consideration (including increased or accelerated payments); (ii) the provision of additional security (including a guaranty); or (iii) material conditions or obligations, including amendments to existing conditions and obligations, in each case, in connection with the Transaction, including in connection with obtaining any consent pursuant to any Material Contract.

(c) Section 6.1(a) shall not apply to filings under Antitrust Laws, which shall be governed by the obligations set forth in Section 6.2 below.

6.2 Antitrust Filings.

(a) *Filing Under Antitrust Laws.* The Purchaser and the Company will (i) cooperate and coordinate with the other in determining whether any filings are required by applicable Antitrust Laws in connection with the Transaction, (ii) cooperate and coordinate (and cause its respective Affiliates to cooperate and coordinate) with the other in the making of any required filings with any Governmental Authority as are required by applicable Antitrust Laws in connection with the Transaction; (iii) supply the other (or cause the other to be supplied) with any information that may be required in order to make such filings; (iv) supply (or cause to be supplied) any additional information that reasonably may be required or requested by the FTC, the DOJ or the Governmental Authorities of any other applicable jurisdiction in which any such filing is made; and (v) use reasonable best efforts to take all action necessary, proper or advisable to (A) cause the expiration or termination of the applicable waiting periods pursuant to the HSR Act and any other Antitrust Laws (to the extent applicable to this Agreement or the Transaction); and (B) obtain any required consents pursuant to any HSR Act or Antitrust Laws (to the extent applicable to this Agreement or the Transaction), in each case as promptly as reasonably practicable. The Purchaser (and its Affiliates, if applicable), on the one hand, and the Company (and its Affiliates), on the other hand, will promptly inform the other of any communication from any Governmental Authority regarding the Transaction in connection with such filings. If either Party or Affiliate thereof receives any comments or a request for additional information or documentary material from any Governmental Authority with respect to the Transaction pursuant to any Antitrust Law applicable to the Transaction, then such Party will make (or cause to be made), as promptly as practicable and after consultation with the other Parties, an appropriate response to such request; *provided* that neither Party may extend any waiting period or enter into any agreement or understanding with any Governmental Authority without the permission of the other Party, which shall not be unreasonably withheld, conditioned or delayed.

(b) *Cooperation.* In furtherance and not in limitation of the foregoing, the Company and the Purchaser shall (and shall cause their respective controlling Persons, controlled Affiliates and Subsidiaries, respectively, to), subject to any restrictions under applicable Laws: (i) promptly notify the other Party of, and, if in writing, furnish the other with copies of (or, in the case of oral communications, advise the others of the contents of) any material communication received by such Person from a Governmental Authority in connection with the Transactions and permit the other Party to review and discuss in advance (and to consider in good faith any comments made by the other Party in relation to) any proposed draft notifications, formal notifications, filing, submission or other written communication (and any analyses, memoranda, white papers, presentations, correspondence or other documents submitted therewith) made in connection with the Transactions to a Governmental Authority; (ii) keep the other Party informed with respect to the status of any such submissions and filings to any Governmental Authority in connection with the Transactions and any developments, meetings or discussions with any Governmental Authority in respect thereof, including with respect to (A) the receipt of any non-

action, action, clearance, consent, approval or waiver, (B) the expiration of any waiting period, (C) the commencement or proposed or threatened commencement of any investigation, litigation or administrative or judicial action or proceeding under applicable Laws, including any proceeding initiated by a private party, and (D) the nature and status of any objections raised or proposed or threatened to be raised by any Governmental Authority with respect to the Transaction; and (iii) not independently participate in any meeting, hearing, proceeding or discussions (whether in person, by telephone or otherwise) with or before any Governmental Authority in respect of the Transaction without giving the other party reasonable prior notice of such meeting or discussions and, unless prohibited by such Governmental Authority, the opportunity to attend or participate. Subject to restrictions under applicable Law, the Purchaser will not, without the prior written consent of the Company, extend or offer or agree to extend any waiting period under the HSR Act or any other Antitrust Law, or enter into any agreement with any Governmental Authority related to this Agreement or the transactions contemplated by this Agreement. However, the Company and the Purchaser may each designate any non-public information provided to any Governmental Authority as restricted to “outside counsel” only and any such information shall not be shared with employees, officers or directors or their equivalents of the other Party without approval of the Party providing the non-public information; *provided, however*, that each of the Company and the Purchaser may redact any valuation and related information before sharing any information provided to any Governmental Authority with the other Party on an “outside counsel” only basis, and that the Company and the Purchaser shall not in any event be required to share information that benefits from legal privilege with the other Party, even on an “outside counsel” only basis, where this would cause such information to cease to benefit from legal privilege.

(c) *Other Action.* The Purchaser shall not, directly or indirectly (whether by merger, consolidation or otherwise), acquire (or agree to acquire) any business, corporation, partnership, association or other business organization or division or part thereof, or any securities or collection of assets, if doing so would reasonably be expected to prevent or materially delay the consummation of the transactions contemplated by this Agreement.

(d) *Limitations on Action.* Notwithstanding anything to the contrary in this Section 6.2, nothing in this Section 6.2 or this Agreement shall require or obligate the Purchaser to agree, propose, commit to, or effect, or otherwise be required, by consent decree, hold separate, or otherwise, any sale, divestiture, hold separate, or any other action otherwise limiting the freedom of action in any respect with respect to any businesses, products, rights, services, licenses, assets, or interest therein, of Purchaser or any Affiliate.

6.3 *Proxy Statement.*

(a) *Proxy Statement.* As promptly as practical following the date hereof, the Company (with the assistance and cooperation of the Purchaser as reasonably requested by the Company) will prepare and, as promptly as practicable following the date of this Agreement, file with the SEC a preliminary proxy statement (as amended or supplemented, the “**Proxy Statement**”) relating to the Company Stockholder Meeting. Subject to Section 5.3, the Company shall include the Company Board Recommendation in the Proxy Statement. Prior to the filing of the Proxy Statement (or any amendment or supplement thereto), or any dissemination thereof to the Company Stockholders, or responding to any comments from the SEC with respect thereto, the Company shall provide the Purchaser and its counsel with a reasonable opportunity to review

and to comment on such document or response (except to the extent that any disclosures in such document or response relate to an Acquisition Proposal), which comments, if any, the Company shall consider in good faith. None of the information supplied or to be supplied by or on behalf of the Company or the Purchaser for inclusion or incorporation by reference in the Proxy Statement, at the date it or any amendment or supplement is mailed to the Company Stockholders and at the time of the Company Stockholder Meeting, will contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances in which they are made, not misleading.

(b) *Furnishing Information.* The Company, on the one hand, and the Purchaser, on the other hand, will furnish all information concerning it and its Affiliates, if applicable, as the other Party may reasonably request in connection with the preparation and filing with the SEC of the Proxy Statement. If at any time prior to the Company Stockholder Meeting any information relating to the Company, the Purchaser or any of their respective Affiliates should be discovered by the Company, on the one hand, or the Purchaser, on the other hand, that should be set forth in an amendment or supplement to the Proxy Statement so that such filing would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, then the Party that discovers such information will promptly notify the other, and an appropriate amendment or supplement to such filing describing such information will be promptly prepared and filed with the SEC by the appropriate Party and, to the extent required by applicable law or the SEC or its staff, disseminated to the Company Stockholders.

(c) *Consultation Prior to Certain Communications.* The Company and its Affiliates, on the one hand, and the Purchaser and its Affiliates, on the other hand, may not communicate in writing with the SEC or its staff with respect to the Proxy Statement without first providing the other Party a reasonable opportunity to review and comment on such written communication, and each Party will give due consideration to all reasonable additions, deletions or changes suggested thereto by the other Parties or their respective counsel.

(d) *Notices.* The Company, on the one hand, and the Purchaser, on the other hand, will advise the other, promptly after it receives notice thereof, of any receipt of a request by the SEC or its staff for: (i) any amendment or revisions to the Proxy Statement; (ii) any receipt of comments from the SEC or its staff on the Proxy Statement; or (iii) any receipt of a request by the SEC or its staff for additional information in connection therewith.

(e) *Dissemination of Proxy Statement.* Subject to applicable Law, the Company will use its reasonable best efforts to cause the definitive Proxy Statement to be disseminated to the Company Stockholders as promptly as reasonably practicable following the filing thereof with the SEC and confirmation from the SEC that it will not review, or that it has completed its review of, the Proxy Statement.

6.4 Company Stockholder Meeting.

(a) *Call of Company Stockholder Meeting.* Within 10 calendar days after the date of this Agreement (and thereafter as reasonably determined by the Company in consultation with the Purchaser), the Company shall conduct a “broker search” in accordance with Rule 14a-13 of the Exchange Act for a record date for the Company Stockholder Meeting that is 20 Business Days after the date of such “broker search.” Following the clearance of the Proxy Statement by the SEC, the Company shall duly call and hold a meeting of its stockholders (the “**Company Stockholder Meeting**”) as promptly as reasonably practicable (taking into account the time necessary to solicit proxies for the approval of the Transactions and the Certificate of Amendment) following the mailing of the Proxy Statement to the Company Stockholders, which mailing will be initiated as promptly as practicable following the confirmation from the SEC that it will not review, or that it has completed its review of, the Proxy Statement, for the purpose of obtaining the Requisite Stockholder Approvals. Subject to Section 5.3 and unless there has been a Company Board Recommendation Change, the Company will use its reasonable best efforts to solicit proxies to obtain the Requisite Stockholder Approvals.

(b) *Adjournment of Company Stockholder Meeting.* Notwithstanding anything to the contrary in this Agreement, nothing will prevent the Company from postponing or adjourning the Company Stockholder Meeting: (i) to allow additional solicitation of votes in order to obtain the Requisite Stockholder Approvals; (ii) if there are holders of an insufficient number of shares of the Company Common Stock present or represented by proxy at the Company Stockholder Meeting to constitute a quorum at the Company Stockholder Meeting; (iii) if the Company is required to postpone or adjourn the Company Stockholder Meeting by applicable Law or receives a request from the SEC or its staff; or (iv) if the Company Board (or a committee thereof) has determined in good faith (after consultation with outside legal counsel) that it is necessary under applicable Law to postpone or adjourn the Company Stockholder Meeting in order to give the Company Stockholders sufficient time to evaluate any information or disclosure that the Company has sent to the Company Stockholders or otherwise made available to the Company Stockholders (including in connection with any Company Board Recommendation Change). Notwithstanding the foregoing, (1) the Company shall not, without the prior written consent of the Purchaser, postpone the Company Stockholder Meeting for more than 20 Business Days in the aggregate, and (2) the Company shall, at the request of the Purchaser, to the extent permitted by applicable Law, adjourn the Company Stockholder Meeting to a date specified by the Purchaser and the Company (taking into account the time necessary to solicit proxies) if a quorum is absent at the Company Stockholder Meeting or if the Company has not received proxies representing a sufficient number of shares of Company Common Stock to obtain the Requisite Stockholder Approvals.

(c) *Force-the-Vote.* The Company’s obligations pursuant to this Section 6.4 shall not be affected by (i) the commencement, public proposal, public disclosure or communication to the Company of an Acquisition Proposal or (ii) any Company Board Recommendation Change.

6.5 *Anti-Takeover Laws.* The Company and the Purchaser will: (a) take all actions within their power to ensure that no “control share acquisition,” “fair price,” “moratorium,” “business combination” or other state anti-takeover Law (including Section 203 of the DGCL), statute or similar statute or regulation is or becomes applicable to the Transaction or any other transactions contemplated by this Agreement (including the Other Transactions); and (b) if any “control share acquisition,” “fair price,” “moratorium,” “business combination” or other state anti-takeover Law (including Section 203 of the DGCL), statute or similar statute or regulation becomes applicable to the Transaction or any other transactions contemplated by this Agreement

(including the Other Transactions), take all actions within their power to ensure that the Transactions may be consummated as promptly as reasonably practicable on the terms contemplated by this Agreement and otherwise to minimize the effect of such statute or regulation on the Transactions.

6.6 *Use of Proceeds.* The Company shall use the proceeds of the Purchase Price paid by the Purchaser, together with the proceeds of the purchase price paid by the Other Purchasers pursuant to the Other Purchase Agreements, to (a) first, pay off all outstanding balances under the Company Notes in accordance with the Starboard Agreement, (b) second, pay off all outstanding balances under the Foreign Note and (c) third, using any remaining proceeds directly or indirectly to pay its expenses related to the Transactions and for general corporate purposes. To the extent the proceeds of the Purchase Price paid by the Purchaser, together with the proceeds of the purchase price paid by the Other Purchasers pursuant to the Other Purchase Agreements, are insufficient for purposes of the foregoing clauses (a) through (c), then the Company shall use the proceeds from its balance sheet for such purposes.

6.7 *Access.* At all times during the period commencing with the execution and delivery of this Agreement and continuing until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will afford the Purchaser reasonable access, consistent with applicable Law, during normal business hours, upon reasonable advance notice provided in writing to the General Counsel of the Company, or another Person designated in writing by the Company, to the properties, books and records and personnel of the Company, except that the Company may restrict or otherwise prohibit access to any documents or information to the extent that: (a) any applicable Law or Contract requires the Company to restrict or otherwise prohibit access to such documents or information; (b) access to such documents or information would give rise to a material risk of waiving any attorney-client privilege, work product doctrine or other privilege applicable to such documents or information; (c) such disclosure relates to interactions with other prospective buyers or transaction partners of the Company or the negotiation of this Agreement and the transactions contemplated hereby, or information relating to the analysis, valuation or consideration of the Transactions or the transactions contemplated hereby, in each case, subject to Section 5.3, which shall not be limited by this Section 6.7(c); (d) access to a Contract to which the Company or any of its Subsidiaries is a party or otherwise bound would violate or cause a default pursuant to, or give a third Person the right to terminate or accelerate the rights pursuant to, such Contract; (e) access would result in the disclosure of any trade secrets of third Persons; or (f) such documents or information are reasonably pertinent to any adverse Legal Proceeding between the Company and its Affiliates, on the one hand, and the Purchaser and its Affiliates, on the other hand; *provided* that the Company shall use reasonable best efforts to provide such documents or information in a manner that does not violate or cause a default pursuant to, or give a third Person the right to terminate or accelerate the rights pursuant to, any Contract or cause such documents or information to cease to benefit from legal privilege, including by redacting or obtaining consent in connection therewith. Nothing in this Section 6.7 will be construed to require the Company, any of its Subsidiaries or any of their respective Representatives to prepare any reports, analyses, appraisals or opinions. Any investigation conducted pursuant to the access contemplated by this Section 6.7 will be conducted in a manner that (i) does not unreasonably interfere with the conduct of the business of the Company and its Subsidiaries or otherwise result in any significant interference with the prompt and timely discharge by officers, employees and other authorized Representatives of the Company or any of

its Subsidiaries of their normal duties or (ii) create a risk of damage or destruction to any property or assets of the Company or its Subsidiaries. Any access to the properties of the Company and its Subsidiaries will be subject to the Company's reasonable security measures and insurance requirements and will not include the right to perform invasive or subsurface testing or any sampling, monitoring or analysis of soil, groundwater, building materials, indoor air, or other environmental media of the sort generally referred to as a "Phase II" environmental investigation. The terms and conditions of the Confidentiality Agreement will apply to any information obtained by the Purchaser or any of its Representatives in connection with any investigation conducted pursuant to the access contemplated by this Section 6.7; *provided* that, notwithstanding any provision to the contrary in the Confidentiality Agreement, the Purchaser and any of its Representatives shall be permitted to disclose to the Other Purchasers and their respective Representatives any information of the Company and discuss with the Other Purchasers and their respective Representatives any information of the Company, in each case, including in connection with the Transactions or any other Acquisition Proposal, except that the Purchaser or its Representatives shall not disclose to the Other Purchasers or their respective Representatives any Company information that is competitively sensitive and is designated in writing by the Company to be for such Purchaser's access only (or that otherwise directly relates only to commercial matters or arrangements of the Company in the ordinary course of business (and not the Transaction or any Acquisition Proposal) and, notwithstanding the foregoing, would otherwise be prohibited to be disclosed by the Purchaser or its applicable Affiliates pursuant to another confidentiality agreement between the Purchaser or its Affiliates and the Company or its Affiliates). All requests for access pursuant to this Section 6.7 must be directed to the General Counsel of the Company, or another person designated in writing by the Company. Notwithstanding any provision to the contrary in the Confidentiality Agreement, the Confidentiality Agreement shall automatically terminate at the Closing.

6.8 Notification of Certain Matters.

(a) *Notification by the Company.* From the date of this Agreement until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will give prompt notice to the Purchaser upon the discovery by the Company's Chief Executive Officer, Chief Financial Officer, Chief Product Officer, Chief Commercial Officer or Chief Revenue Officer: (i) that any representation or warranty made by it in this Agreement has become untrue or inaccurate in any material respect as of the date it was made; (ii) of any failure by it to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it pursuant to this Agreement in any material respect; or (iii) of any failure of the conditions to the obligations of the Purchaser set forth in Section 7.2(a), Section 7.2(b) or Section 7.2(c) to be satisfied at the Closing or the satisfaction of which to be materially delayed, except that no such notification will modify any representation, warranty or covenant of the Company set forth in this Agreement or the conditions to the obligations of the Purchaser to consummate the Transaction or the remedies available to the Parties under this Agreement. The terms and conditions of the Confidentiality Agreement apply to any information provided to the Purchaser pursuant to this Section 6.8(a).

(b) *Notification by Purchaser.* From the date of this Agreement until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Purchaser will give prompt notice to the Company upon the discovery: (i) that any representation or warranty

made by the Purchaser in this Agreement has become untrue or inaccurate in any material respect; (ii) of any failure by the Purchaser to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by the Purchaser pursuant to this Agreement in any material respect; or (iii) of any failure of the conditions to the obligations of the Company set forth in Section 7.3(a) or Section 7.3(b) to be satisfied at the Closing or the satisfaction of which to be materially delayed, except that no such notification will modify any representation, warranty or covenant of the Purchaser set forth in this Agreement or the conditions to the obligations of the Company to consummate the Transaction or the remedies available to the Parties under this Agreement. The terms and conditions of the Confidentiality Agreement shall apply to any information provided to the Company pursuant to this Section 6.8(b).

6.9 Public Statements and Disclosure. The initial press release with respect to the execution of this Agreement shall be a joint press release to be reasonably agreed upon by the Company and the Purchaser. Following such initial press release, the Company and the Purchaser shall consult with each other before issuing, and give each other the opportunity to review and comment upon, any press release or other public statements with respect to the Transactions and shall not issue any such press release or make any such public statement prior to such consultation, except as such party may reasonably conclude may be required by applicable Law, court process or by obligations pursuant to any listing agreement with any national securities exchange or national securities quotation system (and then only after as much advance notice and consultation as is feasible); *provided, however*, that the Company or the Purchaser shall not be obligated to engage in such consultation with respect to communications that are (a) principally directed to employees, suppliers, customers, partners or vendors or (b) not materially inconsistent with public statements previously made in accordance with this Section 6.9; *provided, further, however*, that the restrictions set forth in this Section 6.9 shall not apply to any release or public statement (i) made or proposed to be made by the Company with respect to an Acquisition Proposal, a Superior Proposal or a Company Board Recommendation Change or any action taken pursuant thereto or (ii) in connection with any dispute between the parties regarding this Agreement or the Transaction.

6.10 Transaction Litigation. Prior to the Closing, the Company will provide the Purchaser with prompt notice (and in any event within three Business Days) of all Transaction Litigation commenced or threatened in writing to be commenced, after the date of this Agreement, against the Company or any of its directors or officers by any stockholder relating to this Agreement, the other Transaction Documents and the transactions contemplated hereby and thereby (including by providing copies of all pleadings with respect thereto) and keep the Purchaser reasonably informed with respect to the status thereof. The Company will: (a) give the Purchaser the opportunity to, subject to the entry into a joint defense agreement with terms mutually agreeable to the parties, participate in the defense, settlement or prosecution of any Transaction Litigation, and shall consider the Purchaser's views; and (b) consult with the Purchaser with respect to the defense, settlement and prosecution of any Transaction Litigation. The Company may not compromise, settle or come to an arrangement regarding, or agree to compromise, settle or come to an arrangement regarding, any Transaction Litigation unless the Purchaser has consented thereto in writing (which consent will not be unreasonably withheld, conditioned or delayed).

6.11 *Listing of Shares*. Prior to the Closing and subject to the stockholder approval rules of the NASDAQ, the Company will use its reasonable best efforts to obtain approval for listing, subject to notice of issuance, of the Underlying Shares on the NASDAQ.

6.12 *Comcast and Starboard Agreements*. 6.13 *Directors*. The Company shall take all necessary action so that immediately after the Closing, the Company Board is comprised of two individuals designated by the Purchaser, two individuals designated by the Charter Purchaser, two individuals designated by the Cerberus Purchaser and the individuals identified on Schedule 6.14 of the Company Disclosure Letter.

6.14 *Certain Other Obligations*. From and after the date hereof until the Closing, the Company shall comply with the terms of Section 6.16 of the Stockholders Agreement, as if set forth herein; *provided* that none of the Company or its Affiliates shall be required to pay any commitment or other fee, incur or reimburse any costs or expenses or incur any other liability or obligation of any kind in connection with the foregoing, except to the extent the Purchaser promptly reimburses the Company therefor in accordance with the next sentence hereof. The Purchaser shall promptly reimburse the Company for all reasonable, documented out-of-pocket costs and expenses incurred by the Company or any of its Affiliates in connection with the foregoing cooperation taken at the request of the Purchaser and shall indemnify and hold harmless the Company and its Affiliates from and against any and all losses, damages, claims, costs or expenses suffered or incurred by any of them in connection with such cooperation.

6.15 *No Inconsistent Agreements*. From the date of this Agreement through the Closing, neither the Company nor any of its Affiliates shall enter into any additional or modify any existing agreements with any Other Purchasers, that have the effect of establishing rights or otherwise benefiting any such Other Purchasers in a manner more favorable in any respect to the rights and benefits established in favor of the Purchaser by this Agreement, unless in any such case, the Purchaser has been offered such rights and benefits and the Company has agreed to such amendments to this Agreement as may be necessary to provide such rights and benefits to the Purchaser.

(k) *Charter Agreements.* The Company shall have delivered to the Purchaser a duly executed copy of the Data License Agreement and Service Order substantially in the form attached hereto as Exhibit E (the "**Charter Agreements**").

(l) *Comcast Agreement(s).* The Set-Top Box Data License Agreement, by and between the Company and Comcast Cable Communications Management, LLC, dated as of February 26, 2020, as amended as of the date of this Agreement (the "**Comcast Agreement(s)**"), shall continue to be in effect.

(m) *Other Purchase Agreements.* Each of the conditions precedent to the obligations of the parties to each Other Purchase Agreement shall have been satisfied or waived (other than those conditions that by their terms are to be satisfied concurrently with the Closing, but subject to the satisfaction or waiver (to the extent permitted under such Other Purchase Agreement) of such conditions) and each Other Transaction is consummated at substantially the same time as the Closing.

(n) *Payoff Letters.* The Company shall have delivered to the Purchaser duly executed payoff letters evidencing the payoff of all outstanding balances under, and the release of any liens and encumbrances in respect of, the Company Notes in accordance with the Starboard Agreement and the Foreign Note in accordance with its terms.

(o) *Opinion.* The Company shall have delivered to the Purchaser an opinion addressed to the Purchaser from Vinson & Elkins L.L.P., counsel to the Company, dated as of the Closing Date, substantially in the form attached hereto as Exhibit F.

(p) *Resignation.* Other than those persons identified in Section 6.14 and the Stockholders Agreement as members of the Company Board after the Closing, all members of the Company Board shall have executed written resignations effective as of the Closing.

7.3 Conditions to the Company's Obligations to Effect the Transaction. The obligations of the Company to consummate the Transaction are subject to the satisfaction or waiver (where permissible pursuant to applicable Law) prior to the Closing of each of the following conditions, any of which may be waived exclusively by the Company:

(a) *Representations and Warranties.* The representations and warranties of the Purchaser set forth in this Agreement will be true and correct on and as of the date of this Agreement and as of the Closing Date with the same force and effect as if made on and as of such date, except for: (i) any failure to be so true and correct that would not, individually or in the aggregate, prevent or materially delay the consummation of the Transaction or the other transactions contemplated by this Agreement or the ability of the Purchaser to fully perform its covenants and obligations pursuant to this Agreement; and (ii) those representations and warranties that expressly speak as of an earlier date, which representations will have been true and correct as of such earlier date, except for any failure to be so true and correct that would not, individually or in the aggregate, prevent or materially delay the consummation of the Transaction or the other transactions contemplated by this Agreement or the ability of the Purchaser to fully perform its covenants and obligations pursuant to this Agreement.

(b) *Performance of Obligations of the Purchaser.* The Purchaser will have performed and complied in all material respects with the covenants, obligations and conditions of this Agreement required to be performed and complied with by the Purchaser at or prior to the Closing.

(c) *Officer's Certificate.* The Company will have received a certificate of the Purchaser, validly executed for and on behalf of the Purchaser and in its name by a duly authorized officer thereof, certifying that the conditions set forth in Section 7.3(a) and Section 7.3(b) have been satisfied.

(d) *Payment of Purchase Price.* The Purchaser shall have delivered to the Company payment of the Purchase Price, payable by wire transfer of immediately available funds to accounts designated in advance of the Closing Date by the Company.

(e) *Registration Rights Agreement.* The Purchaser shall have delivered to the Company a copy of the Registration Rights Agreement substantially in the form attached hereto as Exhibit C, duly executed by the Purchaser.

(f) *Stockholders Agreement.* The Purchaser shall have delivered to the Company a copy of the Stockholders Agreement substantially in the form attached hereto as Exhibit D, duly executed by such Purchaser.

(g) *Form W-9.* The Purchaser shall have delivered to the Company at least two Business Days prior to the Closing Date a properly executed IRS Form W-9 from the Purchaser (or, if the Purchaser is a disregarded entity for U.S. federal income Tax purposes, its regarded owner).

ARTICLE VIII INDEMNIFICATION

8.1 *Survival of Provisions.* The Company Fundamental Representations and the Purchaser Fundamental Representations shall survive the execution and delivery of this Agreement indefinitely and the other representations and warranties contained in this Agreement and the covenants made in this Agreement that are required to be performed prior to the Closing Date shall survive for a period of 12 months following the Closing Date. The covenants made in this Agreement that are required to be performed on or after the Closing Date shall survive the Closing and remain operative and in full force and effect in accordance with their respective terms until fully performed. Notwithstanding the foregoing, if any claim is brought pursuant to this Article VIII prior to the expiration of any survival period set forth in this Section 8.1, the expiration date of such survival period shall be automatically extended until such claim is fully and finally resolved.

8.2 *Indemnification by the Company.* The Company agrees to indemnify the Purchaser Related Parties from, and hold each of them harmless against, any and all actions, suits, proceedings (including any investigations, litigation or inquiries), demands, and causes of action, and, in connection therewith, and promptly upon demand, pay or reimburse each of them for all costs, losses, liabilities, damages, or expenses of any kind or nature whatsoever (including the reasonable fees and disbursements of counsel and all other reasonable expenses incurred in connection with investigating, defending or preparing to defend any such matter that may be incurred by them or asserted against or involve any of them) (collectively, “Losses”), whether or not involving a Third-Party Claim, as a result of, arising out of, or in any way related to the breach of any representation or warranty set forth in Article III or any certificate delivered hereunder or failure to perform any covenant or agreement of the Company contained herein; *provided* that such claim for indemnification relating to the breach of representations, warranties or covenants is made prior to the expiration of the survival period of such representation or warranty as set forth in Section 8.1; *provided, however*, that for purposes of determining when an indemnification claim has been made, the date upon which a Purchaser Related Party shall have given notice (stating in reasonable detail the basis of the claim for indemnification) to the Company shall constitute the date upon which such claim has been made.

8.3 *Indemnification by the Purchaser.* The Purchaser agrees to indemnify the Company Related Parties from, and hold each of them harmless against, any and all actions, suits, proceedings (including any investigations, litigation or inquiries), demands, and causes of action, and, in connection therewith, and promptly upon demand, pay or reimburse each of them for all Losses, whether or not involving a Third-Party Claim, as a result of, arising out of, or in any way related to the breach of any representation or warranty made by such Purchaser and set forth in Article IV or any failure by Purchaser to perform any covenant or agreement of the Purchaser contained herein; *provided* that such claim for indemnification relating to the breach of representations, warranties or covenants is made prior to the expiration of the survival period of such representation or warranty as set forth in Section 8.1; *provided, however*, that for purposes of determining when an indemnification claim has been made, the date upon which a Company Related Party shall have given notice (stating in reasonable detail the basis of the claim for indemnification) to the Purchaser shall constitute the date upon which such claim has been made.

8.4 *Limitations to Indemnification.*

(a) (i) The Company shall not be liable for any indemnifiable Losses that may be recovered by the Purchaser Related Parties (other than for breaches of any Company Fundamental Representations or any covenants of the Company or Fraud) unless and until the amount of such indemnifiable Losses, individually or in the aggregate, exceeds an amount equal to 2.00% of the Purchase Price (the “**Indemnity Threshold**”), but from and after such time as the indemnifiable Losses of the Purchaser Related Parties exceed the Indemnity Threshold, each applicable Purchaser Related Party shall be entitled to indemnity for the entire amount of all indemnifiable Losses of such Person, and (ii) the Purchaser shall not be liable for any indemnifiable Losses that may be recovered by the Company Related Parties (other than for breaches of any Purchaser Fundamental Representations or any covenants of the Purchaser or Fraud) unless and until the amount of such indemnifiable Losses, individually or in the aggregate, exceeds an amount equal to the Indemnity Threshold, but from and after such time as the indemnifiable Losses of the Company Related Parties exceed the Indemnity Threshold, each applicable Company Related Party shall be entitled to indemnity for the entire amount of all indemnifiable Losses of such Person.

(b) The maximum amount of indemnifiable Losses that may be recovered from (i) the Company for any amounts due under Section 8.2 (other than for breaches of any Company Fundamental Representations or any covenants of the Company or Fraud) shall be an amount equal to 10.00% of the Purchase Price (the “**Indemnity Cap**”) and (ii) the Purchaser for any amounts due under Section 8.3 (other than for breaches of any Purchaser Fundamental Representations or any covenants of the Purchaser or Fraud) shall be an amount equal to the Indemnity Cap; provided that, other than with respect to Fraud, the maximum amount of indemnifiable Losses that may be recovered from the Company or from the Purchaser, as applicable, shall be an amount equal to the Purchase Price.

(c) For purposes of the Company's indemnification obligations under Section 8.2, including for purposes of both determining whether there has been a breach of any representation or warranty and for determining the amount of indemnifiable Losses resulting therefrom, the representations and warranties set forth in Article III of this Agreement that are qualified as to "material", "materiality", "material respects", "Material Adverse Effect" or words of similar import or effect shall be deemed to have been made without any such qualification.

(d) No party hereto shall have any liability for Losses pursuant to Section 8.2 or Section 8.3 for any consequential (to the extent the Loss did not arise from a reasonably foreseeable consequence of the relevant breach or the matter giving rise to the applicable Loss) or punitive damages relating to a breach or alleged breach of this Agreement, whether based in contract, tort, strict liability, other law or otherwise, except to the extent such Losses are incurred by a third person and constitute a portion of a Third-Party Claim.

(e) Each Company Related Party or Purchaser Related Party seeking indemnification hereunder (each, an "**Indemnified Party**") shall use reasonable best efforts to pursue any and all rights it or any of its controlled Affiliates has to any applicable insurance proceeds, indemnity or contribution from a third party in respect of any Losses payable by the indemnitor hereunder (the "**Indemnifying Party**") pursuant to this Article VIII, and any payments by an Indemnifying Party pursuant to this Article VIII in respect of such Losses shall be reduced by the amount of such insurance proceeds, indemnity, contribution or other similar payment actually received by the Indemnified Party or any of its controlled Affiliates in respect of such Losses, less any related costs and expenses actually incurred by the Indemnified Party and its controlled Affiliates in pursuing such insurance claim or indemnity, contribution or other similar payment and the amount of any retrospective or other current increase in premium actually borne by the Indemnified Party or any of its controlled Affiliates, directly or indirectly, that is directly attributable to the payment of such insurance proceeds, and, if the Indemnified Party has previously received an indemnification payment from the Indemnifying Party for a Loss, promptly after the realization of any insurance proceeds, indemnity, contribution or other similar payment with respect to such Loss, the Indemnified Party shall reimburse the Indemnifying Party for such payment (less any costs and expenses described in the preceding sentence). For the avoidance of doubt, the Indemnified Party shall be entitled to pursue indemnification from the Indemnifying Party pursuant to this Agreement prior to, after or concurrently with the pursuit of any such rights to insurance proceeds, indemnity or contribution from a third party.

(f) Notwithstanding anything to the contrary contained in this Agreement, (i) no Indemnified Party or any of its Affiliates will be entitled to recover more than one time for any particular Losses under this Agreement and (ii) to the extent an Indemnifying Party has paid any Losses under this Agreement to any Indemnified Party, no other Indemnified Party shall be entitled to recover the same Losses in respect of the claims for which such Losses were paid.

(g) No Indemnified Party shall be entitled to indemnification under this Article VIII for, and Losses shall not include, any Losses to the extent resulting from the actions or omissions of such Indemnified Party. Each Indemnified Party shall make reasonable efforts to mitigate or minimize all Losses upon and after becoming aware of any event or condition which would reasonably be expected to give rise to any Losses that are indemnifiable hereunder and, if an Indemnified Party fails to use reasonable best efforts to so mitigate any indemnifiable Losses under this sentence, the Indemnifying Party that would otherwise have an indemnity obligation hereunder with respect to such Losses shall have no liability for any portion of such Losses that reasonably would have been avoided or mitigated had the Indemnified Party made such efforts.

8.5 Indemnification Procedure. Promptly after an Indemnified Party has received notice of any indemnifiable claim hereunder, or the commencement of any action, suit or proceeding by a third person, which the Indemnified Party believes in good faith is an indemnifiable claim under this Agreement (each a “**Third-Party Claim**”), the Indemnified Party shall give the Indemnifying Party written notice of such Third-Party Claim, but failure to so notify the Indemnifying Party will not relieve the Indemnifying Party from any liability it may have to such Indemnified Party hereunder except to the extent that the Indemnifying Party is materially prejudiced by such failure. Such notice shall state the nature and the basis of such Third-Party Claim to the extent then known. The Indemnifying Party shall have the right to defend, at its own expense and by its own counsel who shall be reasonably acceptable to the Indemnified Party, any such matter as long as the Indemnifying Party pursues the same diligently and in good faith; *provided* that, notwithstanding anything to the contrary in this Section 8.5, the Indemnifying Party shall not be entitled to assume the defense of any Third-Party Claim (and, to the extent the Indemnifying Party has assumed the defense, shall transfer control of such defense to the Indemnified Party) if (a) such Third-Party Claim seeks equitable relief or such Third-Party Claim involves a criminal action, (b) the Indemnifying Party shall not have assumed the defense of such Third-Party Claim within 10 Business Days of receipt of a notice of such Claim for indemnity or (c) such Third-Party Claim exceeds the Indemnity Cap. If the Indemnifying Party undertakes to defend, it shall promptly, and in no event later than 10 Business Days, notify the Indemnified Party of its intention to do so, and the Indemnified Party shall cooperate with the Indemnifying Party and its counsel in all commercially reasonable respects in the defense thereof. Such cooperation shall include, but shall not be limited to, furnishing the Indemnifying Party with any books, records and other information reasonably requested by the Indemnifying Party and in the Indemnified Party’s possession or control. Such cooperation of the Indemnified Party shall be at the cost of the Indemnifying Party. After the Indemnifying Party has notified the Indemnified Party of its intention to undertake to defend any such asserted liability, and for so long as the Indemnifying Party diligently pursues such defense, the Indemnifying Party shall not be liable for any additional legal expenses incurred by the Indemnified Party in connection with any defense of such asserted liability; *provided, however*, that the Indemnified Party shall be entitled (i) at its expense, to participate in the defense of such asserted liability and (ii) if (A) the Indemnifying Party has within ten (10) Business Days after the Indemnified Party provides written notice of a Third-Party Claim, failed (1) to assume the defense or employ counsel reasonably acceptable to the Indemnified Party or (2) to notify the Indemnified Party of such assumption or (B) if the defendants in any such action include both the Indemnified Party and the Indemnifying Party and counsel to the Indemnified Party shall have concluded that there may be reasonable defenses available to the Indemnified Party that are different from or in addition to those available to the Indemnifying Party or if the interests of the Indemnified Party reasonably may be deemed to conflict with the interests of the Indemnifying Party, then the Indemnified Party shall have the right to select a separate counsel and to assume such legal defense and otherwise to participate in the defense of such action, with the reasonable expenses and fees of such separate counsel and other expenses related to such participation to be reimbursed by the Indemnifying Party as incurred. Notwithstanding any other provision of this Agreement, the Indemnifying Party shall not consent to the settlement of, or the entry of any judgment arising from, any indemnified Third-Party Claim without the consent of the Indemnified Party (which consent shall not be unreasonably withheld), unless the settlement

thereof, or the entry of any judgment arising therefrom, imposes no liability or obligation on, and includes a complete release from liability of, and does not include any admission of wrongdoing or malfeasance by, the Indemnified Party. The remedies provided for in this Article VIII are cumulative and are not exclusive of any remedies that may be available to a party at law or in equity or otherwise.

8.6 *Exclusive Remedy*. After the Closing, the sole and exclusive remedy for any and all Losses related to the breach of any representation or warranty set forth in Article III or Article IV or any covenant to be performed prior to the Closing Date of this Agreement shall be the rights of indemnification set forth in this Article VIII only, and no Person will have any other entitlement, remedy or recourse, whether in contract, tort or otherwise, it being agreed that all of such other remedies, entitlements and recourse are expressly waived and released by the parties hereto to the fullest extent permitted by Law. Notwithstanding anything in the foregoing to the contrary, nothing in this Agreement shall limit or otherwise restrict a Fraud claim brought by any party hereto or the right to seek specific performance pursuant to Section 10.8(b).

8.7 *Payment of Indemnification Claims*. To the extent it is finally determined or otherwise agreed upon that any Indemnifying Party is required to provide an indemnification payment pursuant to this Article VIII to any Indemnified Party, such payment shall be made directly by such Indemnifying Party by wire transfer of immediately available funds to an account designated by such Indemnified Party, within 10 Business Days of such final determination and designation of account.

8.8 *Tax Treatment of Indemnification Payments*. Any indemnification payments made under this Article VIII shall be treated for all Tax purposes as an adjustment to the relevant Purchaser's Purchase Price, except as otherwise required by applicable Law.

ARTICLE IX TERMINATION, AMENDMENT AND WAIVER

9.1 *Termination*. This Agreement may be validly terminated only as follows (it being understood and agreed that this Agreement may not be terminated for any other reason or on any other basis):

(a) at any time prior to the Closing (whether prior to or after the receipt of the Requisite Stockholder Approvals) by mutual written agreement of the Purchaser and the Company;

(b) by the Purchaser or the Company, at any time prior to the Closing (whether prior to or after the receipt of the Requisite Stockholder Approvals) if: (i) any permanent injunction or other judgment or order issued by any court of competent jurisdiction or other legal or regulatory restraint or prohibition preventing the consummation of the Transaction is in effect, or any action has been taken by any Governmental Authority of competent jurisdiction, that, in each case, prohibits, makes illegal or enjoins the consummation of the Transaction and has become final and non-appealable; or (ii) any statute, rule, regulation or order has been enacted, entered, enforced or deemed applicable to the Transaction that permanently prohibits, makes illegal or enjoins the consummation of the Transaction, except that the right to terminate this Agreement pursuant to this Section 9.1(b) will not be available to any Party that has breached its obligations to resist appeal, obtain consent pursuant to, resolve or lift, as applicable, such injunction, action, statute, rule, regulation or order;

(c) by the Purchaser or the Company, at any time prior to the Closing (whether prior to or after the receipt of the Requisite Stockholder Approvals) if the Closing has not occurred by 11:59 p.m., New York City time, on July 1, 2021 (the “**Termination Date**”); *provided* that the right to terminate this Agreement pursuant to this Section 9.1(c) will not be available to any Party whose action or failure to act (which action or failure to act constitutes a breach by such Party of this Agreement) has been the primary cause of, or primarily resulted in, either (i) the failure to satisfy the conditions to the obligations of the terminating Party to consummate the Transaction set forth in Article VII prior to the Termination Date or (ii) the failure of the Closing to have occurred prior to the Termination Date;

(d) by the Purchaser or the Company, at any time prior to the Closing if the Company fails to obtain the Requisite Stockholder Approvals at the Company Stockholder Meeting (or any adjournment or postponement thereof) at which a vote on the Transactions is taken, except that the right to terminate this Agreement pursuant to this Section 9.1(d) will not be available to any Party whose action or failure to act (which action or failure to act constitutes a breach by such Party of this Agreement) has been the primary cause of, or primarily resulted in, the failure to obtain the Requisite Stockholder Approvals at the Company Stockholder Meeting (or any adjournment or postponement thereof);

(e) by the Purchaser, if the Company has breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements contained in this Agreement, which breach or failure to perform would result in a failure of a condition set forth in Section 7.2(a) or Section 7.2(b), except that if such breach is capable of being cured by the Termination Date, the Purchaser will not be entitled to terminate this Agreement prior to the delivery by the Purchaser to the Company of written notice of such breach, delivered at least 30 days prior to such termination or such shorter period of time as remains prior to the Termination Date (the shorter of such periods, the “**Company Breach Notice Period**”) stating the Purchaser’s intention to terminate this Agreement pursuant to this Section 9.1(e) and the basis for such termination, it being understood that the Purchaser will not be entitled to terminate this Agreement if (i) such breach has been cured within the Company Breach Notice Period (to the extent capable of being cured) or (ii) the Purchaser is then in breach of any representation, warranty, agreement or covenant contained in this Agreement which breach would result in a failure of a condition set forth in Section 7.3(a) or Section 7.3(b);

(f) by the Purchaser, if at any time the Company Board (or a committee thereof) has effected a Company Board Recommendation Change;

(g) by the Company, if the Purchaser has breached or failed to perform in any material respect any of its respective representations, warranties, covenants or other agreements contained in this Agreement, which breach or failure to perform would result in a failure of a condition set forth in Section 7.3(a) or Section 7.3(b), except that if such breach is capable of being cured by the Termination Date, the Company will not be entitled to terminate this Agreement pursuant to this Section 9.1(g) prior to the delivery by the Company to the Purchaser of written notice of such breach, delivered at least 30 days prior to such termination or such shorter period of

time as remains prior to the Termination Date (the shorter of such periods, the “**Purchaser Breach Notice Period**”) stating the Company’s intention to terminate this Agreement pursuant to this Section 9.1(g) and the basis for such termination, it being understood that the Company will not be entitled to terminate this Agreement if (i) such breach has been cured within the Purchaser Breach Notice Period (to the extent capable of being cured) or (ii) the Company is then in breach of any representation, warranty, agreement or covenant contained in this Agreement which breach would result in a failure of a condition set forth in Section 7.2(a) or Section 7.2(b); and

(h) by the Purchaser or the Company, if either or both of the Other Purchase Agreements are terminated in accordance with its terms.

9.2 Manner and Notice of Termination; Effect of Termination.

(a) *Manner of Termination.* The Party terminating this Agreement pursuant to Section 9.1 (other than pursuant to Section 9.1(a)) must deliver prompt written notice thereof to the other Party specifying the provision of Section 9.1 pursuant to which this Agreement is being terminated and setting forth in reasonable detail the facts and circumstances forming the basis for such termination pursuant to such provision.

(b) *Effect of Termination.* Any proper and valid termination of this Agreement pursuant to Section 9.1 will be effective immediately upon the delivery of written notice by the terminating Party to the other Party. In the event of the termination of this Agreement pursuant to Section 9.1, this Agreement will be of no further force or effect without liability of either Party (or any partner, member, stockholder, director, officer, employee, Affiliate or Representative of such Party) to the other Party, as applicable, except that this Section 9.2, Section 9.3 and Article X will each survive the termination of this Agreement. Notwithstanding the foregoing, nothing in this Agreement or the termination hereof will relieve either Party from any liability for Fraud or any willful and material breach of this Agreement prior to its termination. In addition to the foregoing, no termination of this Agreement will affect the rights or obligations of either Party pursuant to the Confidentiality Agreement, which rights or obligations will survive the termination of this Agreement in accordance with their respective terms.

9.3 Fees and Expenses.

(a) *General.* Except as set forth in this Section 9.3 and Section 10.2(b), all fees and expenses incurred in connection with this Agreement and the Transaction will be paid by the Party incurring such fees and expenses whether or not the Transaction is consummated.

(b) Company Payments.

(i) If (A) this Agreement is (x) validly terminated pursuant to Section 9.1(c) (Termination Date), Section 9.1(d) (Requisite Stockholder Approvals) or Section 9.1(e) (Company Breach) or (y) validly terminated pursuant to Section 9.1(h) (Other Transactions) at a time when this Agreement may be terminated pursuant to Section 9.1(c) (Termination Date), Section 9.1(d) (Requisite Stockholder Approvals) or Section 9.1(e) (Company Breach); (B) following the execution and delivery of this Agreement and prior to such termination of this Agreement, an Acquisition Proposal has been publicly announced or known to the Company Board; and (C) within 12 months following such termination of this Agreement,

either an Acquisition Transaction is consummated or the Company enters into a definitive agreement providing for an Acquisition Transaction and such Acquisition Transaction is subsequently consummated, then the Company will promptly (and in any event within two Business Days) after such consummation pay to the Purchaser the Company Termination Fee by wire transfer of immediately available funds to the account designated in writing by the Purchaser. For purposes of this Section 9.3(b)(i), all references to “10%” in the definition of “Acquisition Transaction” will be deemed to be references to “25%.”

(ii) If this Agreement is (x) validly terminated pursuant to Section 9.1(f) (Company Board Recommendation Change) or (y) validly terminated pursuant to Section 9.1(d) (Requisite Stockholder Approvals), Section 9.1(c) (Termination Date) or Section 9.1(h) (Other Transactions) at a time when this Agreement may be terminated pursuant to Section 9.1(f) (Company Board Recommendation Change), then the Company must promptly (and in any event within two Business Days) following such termination pay, or cause to be paid, to the Purchaser the Company Termination Fee by wire transfer of immediately available funds to an account or accounts designated in writing by the Purchaser.

(iii) If this Agreement is (x) validly terminated pursuant to Section 9.1(d) (Requisite Stockholder Approvals) or (y) validly terminated pursuant to Section 9.1(h) (Other Transactions) at a time when this Agreement may be terminated pursuant to Section 9.1(d) (Requisite Stockholder Approvals), then the Company must, prior to or concurrently with such termination, reimburse the Purchaser for an amount not to exceed \$500,000 for the Purchaser’s reasonable, documented out-of-pocket expenses incurred in connection with this Agreement and the transactions contemplated hereby (collectively, the “**Expense Reimbursement**”).

(c) *Single Payment Only.* The Parties acknowledge and agree that in no event will the Company be required to pay the Company Termination Fee or Expense Reimbursement, as applicable, on more than one occasion, whether or not the Company Termination Fee or Expense Reimbursement, as applicable, may be payable pursuant to more than one provision of this Agreement at the same or at different times and upon the occurrence of different events. Notwithstanding anything to the contrary herein, the Purchaser’s receipt of the Expense Reimbursement shall not act as a waiver of the Company’s obligation to pay the Company Termination Fee pursuant to Section 9.3(b)(i).

(d) *Payments; Default.* The Parties acknowledge that the agreements contained in this Section 9.3 are an integral part of the Transaction, and that the damages resulting from the termination of this Agreement under circumstances where the Company Termination Fee or Expense Reimbursement is payable are uncertain and incapable of accurate calculation and that, without these agreements, the Parties would not enter into this Agreement, and, therefore, the Company Termination Fee or Expense Reimbursement, if, as and when required pursuant to this Section 9.3, shall not constitute a penalty, but rather liquidated damages, and in a reasonable amount that will compensate the Party receiving such amount in the circumstances in which it is payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transaction. Accordingly, if the Company fails to promptly pay any amount due pursuant to Section 9.3(b) and, in order to obtain such payment, the Purchaser commences a Legal Proceeding

that results in a judgment against the Company for the amount set forth in Section 9.3(b) or any portion thereof, the Company will pay to the Purchaser its out-of-pocket costs and expenses (including reasonable attorneys' fees) in connection with such Legal Proceeding, together with interest on such amount or portion thereof at the annual rate of 5% plus the prime rate as published in *The Wall Street Journal* in effect on the date that such payment or portion thereof was required to be made through the date that such payment or portion thereof was actually received, or a lesser rate that is the maximum permitted by applicable Law (the "**Recovery Costs**").

(e) *Exclusivity of Remedies.*

(i) Notwithstanding anything in this Agreement to the contrary, but subject to the last sentence of Section 9.3(c) and Section 9.3(d), in the event the Company Termination Fee and Expense Reimbursement to the extent owed described in Section 9.3(b) is paid to the Purchaser or its respective designees, such Company Termination Fee and Expense Reimbursement to the extent owed shall constitute the sole and exclusive remedy of the Purchaser against (A) the Company, its Subsidiaries and each of their respective Affiliates; and (B) the former, current and future holders of any equity, controlling persons, directors, officers, employees, agents, attorneys, Affiliates, members, managers, general or limited partners, stockholders and assignees of each of the Company, its Subsidiaries and each of their respective Affiliates (collectively, the "**Company Related Parties**") for any loss suffered as a result of the failure of the transactions contemplated by this Agreement or any agreement executed in connection herewith to be consummated, and upon payment of the Company Termination Fee and Expense Reimbursement to the extent owed none of the Company Related Parties shall have any further liability or obligation relating to or arising out of this Agreement, any agreement executed in connection herewith or the transactions contemplated hereby and thereby (except that the Parties (or their Affiliates) will remain obligated with respect to, and the Purchaser may be entitled to remedies with respect to, the Confidentiality Agreement, Section 9.3(a) and Section 9.3(d), as applicable), other than for Fraud. The Parties hereto acknowledge and agree that, subject to the last sentence of Section 9.3(c), in no event shall the Company be required to pay the Company Termination Fee and Expense Reimbursement to the extent owed on more than one occasion, whether or not the Company Termination Fee and Expense Reimbursement to the extent owed may be payable under more than one provision of this Agreement at the same or at different times or for the occurrence of different events. Notwithstanding anything herein to the contrary, the Parties acknowledge and agree that, other than in the case of Fraud, in no event will the Company or any of its Subsidiaries have liability for monetary damages (including monetary damages in lieu of specific performance) in the aggregate in excess of the amount of the sum of the Company Termination Fee, Expense Reimbursement, and Recovery Costs to the extent owed (less any portion thereof that has been paid).

(ii) Notwithstanding anything to the contrary in this Agreement but subject to Section 9.3(e)(iii), if the Purchaser breaches this Agreement (whether such breach is intentional and material, unintentional, willful or otherwise) or fails to perform hereunder (whether such failure is intentional and material, unintentional, willful or otherwise), the Company's right to: (A) seek an injunction, specific performance or other equitable relief in accordance with the terms and limitations of Section 10.8(b); or (B) terminate this Agreement and seek money damages from the Purchaser in the event of willful and material breach of this Agreement by the Purchaser prior to termination, shall be the sole and exclusive remedies (whether such remedies are sought

in equity or at law, in contract, in tort or otherwise) of the Company and the Company Related Parties against (1) the Purchaser, its Subsidiaries and each of their respective Affiliates; and (2) the former, current and future holders of any equity, controlling persons, directors, officers, employees, agents, attorneys, Affiliates, members, managers, general or limited partners, stockholders and assignees of the Purchaser, its Subsidiaries and their respective Affiliates (collectively, the “**Purchaser Related Parties**”) for any losses, damages, costs, expenses, obligations or liabilities arising out of or related to this Agreement (or any breach of any representation, warranty, covenant, agreement or obligation contained herein), the transactions contemplated by this Agreement (or any failure of such transactions to be consummated) or in respect of any oral representations made or alleged to be made in connection with this Agreement, the transactions contemplated herein or therein or otherwise (except that the Parties (or their Affiliates) will remain obligated with respect to, and the Company and its Subsidiaries may be entitled to remedies with respect to, the Confidentiality Agreement, [Section 9.3\(a\)](#) and [Section 9.3\(d\)](#)).

(iii) While each of the Company and the Purchaser may pursue a grant of specific performance in accordance with [Section 10.8\(b\)](#), under no circumstances shall the Company or the Purchaser be permitted or entitled to receive both (A) a grant of specific performance that results in the Closing occurring and (B) any money damages (including the Company Termination Fee and Expense Reimbursement, as applicable).

9.4 Amendment. Subject to applicable Law and subject to the other provisions of this Agreement, this Agreement may be amended by the Parties at any time by execution of an instrument in writing signed on behalf of the Purchaser and the Company (pursuant to authorized action by the Company Board (or a committee thereof)), except that in the event that the Company has received the Requisite Stockholder Approvals, no amendment may be made to this Agreement that requires the approval of the Company Stockholders pursuant to the NASDAQ rules without such approval.

Notwithstanding the foregoing, (a) no Transaction Document shall be amended or waived in any manner that would impair, impede or materially delay the consummation of any Other Transaction (or terminated (other than a termination (excluding a termination due to mutual agreement) in accordance with its terms)) without the prior written consent of the applicable Other Purchaser and (b) any amendment or waiver that expands the rights or limits the obligations or liabilities of the Purchaser hereunder shall, at each Other Purchaser’s option, be deemed to be made with respect to the applicable Other Purchase Agreement and apply to such Other Purchaser. In furtherance of the preceding sentence, the Company shall provide prompt written notice to the Other Purchasers of any amendment or waiver of this Agreement. Each Other Purchaser is an express third-party beneficiary of the prior two sentences of this [Section 9.4](#).

9.5 Extension; Waiver. At any time and from time to time prior to the Closing, either Party may, to the extent legally allowed and except as otherwise set forth herein: (a) extend the time for the performance of any of the obligations or other acts of the other Party, as applicable; (b) waive any inaccuracies in the representations and warranties made to such Party contained herein or in any document delivered pursuant hereto; and (c) subject to the requirements of applicable Law, waive compliance with any of the agreements or conditions for the benefit of such Party contained herein. Any agreement on the part of either Party to any such extension or waiver will be valid only if set forth in an instrument in writing signed by such Party. Any delay in exercising any right pursuant to this Agreement will not constitute a waiver of such right.

From time to time, either Party may provide notice to the other Party of a change in its address or e-mail address through a notice given in accordance with this Section 10.1, except that that notice of any change to the address or any of the other details specified in or pursuant to this Section 10.1 will not be deemed to have been received until, and will be deemed to have been received upon, the later of the date (A) specified in such notice or (B) that is five Business Days after such notice would otherwise be deemed to have been received pursuant to this Section 10.1.

10.2 *Tax Matters.*

(a) *Withholding.* The Company agrees that, provided that the Purchaser delivers to the Company a properly executed IRS Form W-9 certifying as to the complete exemption from backup withholding of the Purchaser (or, if the Purchaser is a disregarded entity for U.S. federal income Tax purposes, its regarded owner), under current Law the Company (including any paying agent of the Company) shall not be required to, and shall not, deduct or withhold Taxes on any payments or deemed payments to the Purchaser. In the event that the Purchaser fails to deliver to the Company such properly executed IRS Form W-9, the Company reasonably believes that a previously delivered IRS Form W-9 is no longer accurate and/or valid, or there is a change in Law that affects the withholding obligations of the Company, the Company and its paying agent shall be entitled to deduct or withhold on all applicable payments made to the Purchaser in the form of cash such Tax amounts as the Company reasonably determines are required to be deducted or withheld therefrom under any provision of applicable Law (and, to the extent such amounts are paid to the relevant taxing authority in accordance with applicable Law, such amounts will be treated for all purposes of this Agreement as having been paid to the Person in respect of which such withholding was made); *provided*, that if the Company determines that an amount is required to be deducted or withheld on any payment with respect to the Purchaser, the Company shall provide reasonable prior notice to the Purchaser in writing of its intent to deduct or withhold Taxes on such payment and will reasonably cooperate with the Purchaser in obtaining any available exemption or reduction of such withholding.

(b) *Transfer Taxes.* The Company shall pay any and all Transfer Taxes due on (i) the issue of the Purchased Shares and (ii) the issue of shares of Company Common Stock upon conversion of the Purchased Shares. However, the Company shall not be required to pay any Transfer Tax that may be payable in respect of the issue or delivery (or any transfer involved in

the issue or delivery) of Purchased Shares or shares of Company Common Stock issued upon conversion of the Purchased Shares to a beneficial owner other than the initial beneficial owner of the Purchased Shares, and no such issue or delivery shall be made unless and until the person requesting such issue or delivery has paid to the Company the amount of any such Transfer Tax or has established to the satisfaction of the Company that such Transfer Tax has been paid or is not payable.

(c) *Intended Tax Treatment.* The Purchaser and the Company agree not to treat the Series B Preferred Stock (based on the terms set forth in the Certificate of Designations) as “preferred stock” for purposes of Section 305 of the Code and the Treasury Regulations promulgated thereunder, and, as a consequence, neither the Annual Dividends nor the Special Dividend accruing on the Series B Preferred Stock nor any difference between the purchase price paid for the Series B Preferred Stock and the Liquidation Preference (as defined in the Certificate of Designations) thereof will, by reason of Section 305(b)(4) of the Code or Treasury Regulations Section 1.305-5, be treated as a distribution of property until paid in cash. The Company and the Purchaser (and their respective Affiliates) shall file all Tax Returns in a manner consistent with the foregoing intended Tax treatment and shall not take any Tax position that is inconsistent with such intended Tax treatment except in connection with, or as required by, any of the following: (w) a change in relevant Law occurring after the Closing Date, (x) after the Closing Date, the promulgation of relevant final U.S. Treasury Regulations addressing instruments similar to the Series B Preferred Stock (from and after the effective date of such regulations), (y) an amendment to the terms of the Certificate of Designations or (z) a “determination” within the meaning of section 1313(a) of the Code.

10.3 *Assignment.* No Party may assign either this Agreement or any of its rights, interests, or obligations hereunder, by operation of Law or otherwise, without the prior written approval of the other Party, except that the Purchaser will have the right to assign all or any portion of its rights and obligations pursuant to this Agreement from and after the Closing to any of its Affiliates or in connection with a merger or consolidation involving the Purchaser or other disposition of all or substantially all of the assets of the Purchaser, it being understood that, such assignment will not (i) relieve the Purchaser of any of its obligations under this Agreement or (ii) impede or delay the consummation of the Transaction. Subject to the preceding sentence, this Agreement will be binding upon and will inure to the benefit of, and be enforceable by, the Parties and their respective successors and permitted assigns. Notwithstanding the foregoing, the provisions of Section 10.2(a) shall apply in respect of any transferee *mutatis mutandis*. No assignment by either Party will relieve such Party of any of its obligations hereunder. Any purported assignment of this Agreement without the consent required by this Section 10.3 is null and void.

10.4 *Confidentiality.* The Company and the Purchaser hereby acknowledge that the Company and the Purchaser have previously executed a Non-Disclosure Agreement, dated May 12, 2020 (the “**Confidentiality Agreement**”), which will continue in full force and effect in accordance with its terms. The Purchaser and its Representatives will hold and treat all documents and information concerning the Company and its Subsidiaries furnished or made available to the Purchaser or its Representatives in connection with the Transaction in accordance with the Confidentiality Agreement.

10.5 *Entire Agreement*. This Agreement and the documents and instruments and other agreements between the Parties as contemplated by or referred to herein, including the Confidentiality Agreement and the Company Disclosure Letter, constitute the entire agreement between the Parties with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, between the Parties with respect to the subject matter hereof. Notwithstanding anything to the contrary in this Agreement, the Confidentiality Agreement will: (a) not be superseded; (b) survive any termination of this Agreement; and (c) continue in full force and effect until the earlier to occur of the Closing and the date on which the Confidentiality Agreement expires in accordance with its terms or is validly terminated by the parties thereto.

10.6 *Third Party Beneficiaries*. Unless expressly set forth herein, this Agreement is not intended to and shall not confer any rights or remedies upon any person other than the Parties, their respective successors and permitted assigns and any Indemnified Party hereunder.

10.7 *Severability*. In the event that any provision of this Agreement, or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other Persons or circumstances will be interpreted so as reasonably to effect the intent of the Parties. Upon such a determination, the Parties agree to negotiate in good faith to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision. If any provision of this Agreement is so broad as to be unenforceable, such provision will be interpreted to be only so broad as it is enforceable.

10.8 *Remedies*.

(a) *Remedies Cumulative*. Except as otherwise provided herein, any and all remedies herein expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby or by Law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy. Notwithstanding anything else to the contrary herein, although the Company may pursue both a grant of specific performance and monetary damages, under no circumstances will the Company be permitted or entitled to receive both a grant of specific performance that results in the occurrence of the Closing and monetary damages (including any monetary damages in lieu of specific performance). Except as set forth in the foregoing sentence, the Parties agree that (i) by seeking the remedies provided for in this Section 10.8, a Party shall not in any respect waive its right to seek any other form of relief that may be available to a party under this Agreement and (ii) nothing set forth in this Section 10.8 shall require any Party hereto to institute any legal action or claim for (or limit any Party's right to institute any legal action or claim for) injunctive relief or specific performance under this Section 10.8 prior or as a condition to exercising any termination right under Article IX (and pursuing damages after such termination), nor shall the commencement of any legal action or claim pursuant to this Section 10.8 or anything set forth in this Section 10.8 restrict or limit any Party's right to terminate this Agreement in accordance with the terms of Article IX or pursue any other remedies under this Agreement or applicable Law that may be available then or thereafter.

(b) *Specific Performance.*

(i) The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy would occur in the event that the Parties do not perform the provisions of this Agreement (including any Party failing to take such actions as are required of it hereunder in order to consummate this Agreement) in accordance with its specified terms or otherwise breach such provisions. The Parties acknowledge and agree that: (A) the Parties will be entitled, in addition to any other remedy to which they are entitled at Law or in equity, to an injunction, specific performance and other equitable relief to prevent breaches (or threatened breaches) of this Agreement in accordance with its specified terms and to enforce specifically the terms and provisions hereof; (B) the provisions of Section 9.3 are not intended to and do not adequately compensate the Company, on the one hand, or the Purchaser, on the other hand, for the harm that would result from a breach of this Agreement, and will not be construed to diminish or otherwise impair in any respect any Party's right to an injunction, specific performance and other equitable relief; and (C) the right of specific enforcement (including, without limitation, specific performance of the Parties' obligations to effect the Closing) is an integral part of the Transaction and without that right, neither the Company nor the Purchaser would have entered into this Agreement.

(ii) The Parties agree not to raise any objections based on the adequacy of legal remedies or the enforceability of this Section 10.8 to: (A) the granting of an injunction, specific performance or other equitable relief to prevent or restrain breaches or threatened breaches of this Agreement by the Company, on the one hand, or the Purchaser, on the other hand; and (B) the specific performance of the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the covenants, obligations and agreements of the Purchaser pursuant to this Agreement. Any Party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement will not be required to provide any bond or other security in connection with such injunction or enforcement, and each Party irrevocably waives any right that it may have to require the obtaining, furnishing or posting of any such bond or other security.

(iii) Notwithstanding anything to the contrary in this Agreement, if prior to the Termination Date any Party initiates a Legal Proceeding against the other Party to enforce specifically the other Party's obligation to consummate the Transaction if and when required to do so pursuant to Section 2.2, then the Termination Date will be automatically extended by: (A) the amount of time during which such Legal Proceeding is pending plus five Business Days; or (B) such other time period established by the court presiding over such Legal Proceeding.

10.9 Governing Law. This Agreement and all actions, proceedings or counterclaims (whether based on contract, tort or otherwise) arising out of or relating to this Agreement, any transaction contemplated hereby or the actions of the Purchaser or the Company in the negotiation, administration, performance and enforcement thereof, shall be governed by, and construed in accordance with the Laws of the State of Delaware, including its statute of limitations, without giving effect to any choice or conflict of Laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware.

10.10 *Consent to Jurisdiction*. Each of the Parties: (a) irrevocably consents to the service of the summons and complaint and any other process (whether inside or outside the territorial jurisdiction of the Chosen Courts) in any Legal Proceeding relating to the Transaction, for and on behalf of itself or any of its properties or assets, in accordance with Section 10.1 or in such other manner as may be permitted by applicable Law, and nothing in this Section 10.10 will affect the right of any Party to serve legal process in any other manner permitted by applicable Law; (b) irrevocably and unconditionally consents and submits itself and its properties and assets in any Legal Proceeding to the exclusive general jurisdiction of the Court of Chancery of the State of Delaware and any state appellate court therefrom within the State of Delaware (or, solely if the Court of Chancery of the State of Delaware declines to accept jurisdiction over a particular matter, any other state or federal court within the State of Delaware) (the “**Chosen Courts**”) in the event of any dispute or controversy relating to or arising out of this Agreement or the transactions contemplated hereby or thereby; (c) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court; (d) agrees that any Legal Proceeding relating to or arising out of this Agreement or the transactions contemplated hereby or thereby will be brought, tried and determined only in the Chosen Courts; (e) waives any objection that it may now or hereafter have to the venue of any such Legal Proceeding in the Chosen Courts or that such Legal Proceeding was brought in an inconvenient court and agrees not to plead or claim the same; and (f) agrees that it will not bring any Legal Proceeding relating to or arising out of this Agreement or the transactions contemplated hereby or thereby in any court other than the Chosen Courts unless the Chosen Courts issue a final judgment determining that such court lacks jurisdiction. The Purchaser and the Company agree that a final judgment and any interim relief (whether equitable or otherwise) in any Legal Proceeding in the Chosen Courts will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law.

10.11 *WAIVER OF JURY TRIAL*. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE PURSUANT TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT THAT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING (WHETHER FOR BREACH OF CONTRACT, TORTIOUS CONDUCT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTION. EACH PARTY ACKNOWLEDGES AND AGREES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER; (ii) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER; (iii) IT MAKES THIS WAIVER VOLUNTARILY; AND (iv) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.11.

10.12 *No Recourse*. All claims, obligations, liabilities, or causes of action (whether in contract or in tort, in law or in equity, or granted by statute) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or relate in any manner to this Agreement, or the negotiation, execution, or performance of this Agreement (including any representation or warranty made in, in connection with, or as an inducement to, this Agreement), may be made only against (and such representations and warranties are those solely of) the Persons that are expressly identified as parties in the preamble to this Agreement (the “**Contracting Parties**”). No Person

who is not a Contracting Party, including any current, former or future director, officer, employee, incorporator, member, partner, manager, stockholder, Affiliate, agent, attorney, Representative or assignee of, and any financial advisor or lender to, any Contracting Party, or any current, former or future director, officer, employee, incorporator, member, partner, manager, stockholder, Affiliate, agent, attorney, Representative or assignee of, and any financial advisor or lender to, any of the foregoing (collectively, the “**Nonparty Affiliates**”), shall have any liability (whether in contract or in tort, in law or in equity, or granted by statute) for any claims, causes of action, obligations, or liabilities arising under, out of, in connection with, or related in any manner to this Agreement or based on, in respect of, or by reason of this Agreement or its negotiation, execution, performance, or breach, and, to the maximum extent permitted by applicable Law, each Contracting Party hereby waives and releases all such liabilities, claims, causes of action, and obligations against any such Nonparty Affiliates. Without limiting the foregoing, to the maximum extent permitted by applicable Law: (a) each Contracting Party hereby waives and releases any and all rights, claims, demands, or causes of action that may otherwise be available at law or in equity, or granted by statute, to avoid or disregard the entity form of a Contracting Party or otherwise impose liability of a Contracting Party on any Nonparty Affiliate, whether granted by statute or based on theories of equity, agency, control, instrumentality, alter ego, domination, sham, single business enterprise, piercing the veil, unfairness, undercapitalization, or otherwise; and (b) each Contracting Party disclaims any reliance upon any Nonparty Affiliates with respect to the performance of this Agreement or any representation or warranty made in, in connection with, or as an inducement to this Agreement. Notwithstanding anything to the contrary in this Section 10.12, nothing in this Section 10.12 shall be deemed to limit any liabilities or obligations of, or claims against, (x) any party to any other Transaction Document or serve as a waiver of any right on the part of any party to such other Transaction Document to initiate any Legal Proceedings permitted by, pursuant to, and in accordance with the specific terms of such other Transaction Document or (y) any Person in respect of Fraud.

10.13 *Company Disclosure Letter References*. The Parties agree that the disclosure set forth in any particular Section or subsection of the Company Disclosure Letter will be deemed to be an exception to (or, as applicable, a disclosure for purposes of): (a) the representations and warranties (or covenants, as applicable) of the Company that are set forth in the corresponding Section or subsection of this Agreement; and (b) any other representations and warranties (or covenants, as applicable) of the Company that are set forth in this Agreement, but in the case of this clause (b) only if the relevance of that disclosure as an exception to (or a disclosure for purposes of) such other representations and warranties (or covenants, as applicable) is reasonably apparent on the face of such disclosure.

10.14 *Counterparts*. This Agreement and any amendments hereto may be executed in one or more counterparts, all of which will be considered one and the same agreement and will become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that all Parties need not sign the same counterpart. Any such counterpart, to the extent delivered by fax or .pdf, .tif, .gif, .jpg or similar attachment to electronic mail (any such delivery, an “**Electronic Delivery**”), will be treated in all manner and respects as an original executed counterpart and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No Party may raise the use of an Electronic Delivery to deliver a signature, or the fact that any signature or agreement or instrument was transmitted or communicated through the use of an Electronic Delivery, as a defense to the formation of a contract, and each Party forever waives any such defense, except to the extent such defense relates to lack of authenticity.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed and delivered by their respective duly authorized officers as of the date first written above.

(g) Special Dividend. In addition to the Annual Dividends and Participating Dividends, the Holders will also be entitled to the Special Dividend pursuant to the terms and conditions set forth in the Stockholders Agreement.

SECTION 5 **Liquidation Rights.**

(a) **Liquidation.** In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, the Holders shall be entitled, out of assets legally available therefor, before any distribution or payment out of the assets of the Company may be made to or set aside for the holders of any Junior Stock, and subject to the rights of the holders of any Senior Stock or Parity Stock and the rights of the Company's existing and future creditors, to receive in full a liquidating distribution in cash in the amount per share of Series B Preferred Stock equal to the greater of (i) the Liquidation Preference with respect to such share of Series B Preferred Stock as of the date of such voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company and (ii) the amount per share of Series B Preferred Stock that such Holders would have received had such Holders, immediately prior to such voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, converted such shares of Series B Preferred Stock into Common Stock (pursuant to Section 6 without regard to any of the limitations on convertibility contained therein). Holders shall not be entitled to any further payments in the event of any such voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company other than what is expressly provided for in this Section 5 and will have no right or claim to any of the Company's remaining assets.

(b) **Partial Payment.** If in connection with any distribution described in Section 5(a) above, the assets of the Company or proceeds therefrom are not sufficient to pay in full the aggregate liquidating distributions required to be paid pursuant to Section 5(a) to all Holders and the liquidating distributions payable to all holders of any Parity Stock, the amounts distributed to the Holders and to the holders of all such Parity Stock shall be paid pro rata in accordance with the respective aggregate liquidating distributions to which they would otherwise be entitled if all amounts payable thereon were paid in full.

(c) **Merger, Consolidation and Sale of Assets Not Liquidation.** For purposes of this Section 5, the sale, conveyance, exchange or transfer (for cash, shares of stock, securities or other consideration) of all or substantially all of the property and assets of the Company shall not be deemed a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, nor shall the merger, consolidation, statutory exchange or any other business combination transaction of the Company into or with any other Person or the merger, consolidation, statutory exchange or any other business combination transaction of any other Person into or with the Company be deemed to be a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company.

SECTION 6 **Right of the Holders to Convert.**

(a) Each Holder shall have the right, at such Holder's option, subject to the conversion procedures set forth in Section 8, to convert each share of such Holder's Series B Preferred Stock at any time into a number of shares of Common Stock equal to the Conversion Rate; *provided* that each Holder shall receive cash in lieu of fractional shares as set out in Section 10(h). The right of conversion may be exercised as to all or any portion of such Holder's Series B Preferred Stock from time to time; *provided* that, in each case, no right of conversion may be exercised by a Holder in respect of fewer than 2,000,000 shares of Series B Preferred Stock (unless such conversion relates to all shares of Series B Preferred Stock held by such Holder).

(b) The Company shall at all times reserve and keep available out of its authorized and unissued Common Stock, solely for issuance upon the conversion of the Series B Preferred Stock, such number of shares of Common Stock as shall from time to time be issuable upon the conversion of all the shares of Series B Preferred Stock then outstanding. The Company shall use its reasonable best efforts to maintain the listing on the NASDAQ of such number of shares of Common Stock as shall from time to time be issuable upon the conversion of all the shares of Series B Preferred Stock then outstanding. Any shares of Common Stock issued upon conversion of Series B Preferred Stock shall be duly authorized, validly issued, fully paid and nonassessable and will not be subject to preemptive rights or subscription rights of any other stockholder of the Company.

SECTION 7 Mandatory Conversion by the Company.

(a) At any time after the five (5) year anniversary of the Original Issuance Date, if (i) the Closing Price of the Common Stock was greater than the Mandatory Conversion Price (A) for at least twenty (20) Trading Days in any period of thirty (30) consecutive Trading Days ending on, and including, the Trading Day immediately preceding the date of the Notice of Mandatory Conversion (such thirty (30) consecutive Trading Day period, the "**Trading Period**") and (B) on the last Trading Day of the Trading Period and (ii) the pro rata share of an aggregate of \$100,000,000 in Annual Dividends and/or Special Dividends has been paid with respect to each share of Series B Preferred Stock that was outstanding as of the Original Issuance Date and remains outstanding, the Company may elect to convert (a "**Mandatory Conversion**") all, but not less than all, of the outstanding shares of Series B Preferred Stock into shares of Common Stock (the date selected by the Company for any Mandatory Conversion pursuant to this Section 7(a) and in accordance with Section 7(b) below, the "**Mandatory Conversion Date**"); *provided* that the Company may not elect or consummate a Mandatory Conversion if any Investor Party holds or would hold upon such Mandatory Conversion (or any earlier conversion following the date of the related Notice of Mandatory Conversion) shares of Common Stock that are Registrable Securities (as defined in the Registration Rights Agreement) unless as of the date of such Notice of Mandatory Conversion and as of the Mandatory Conversion Date there is an Available Registration Statement covering resale of such shares of Common Stock by the Investor Parties. In the case of a Mandatory Conversion, each share of Series B Preferred Stock then outstanding shall be converted into (A) a whole number of shares of Common Stock at the Conversion Rate plus (B) cash in lieu of fractional shares as set out in Section 10(h).

(b) Notice of Mandatory Conversion. If the Company elects to effect a Mandatory Conversion, the Company shall, on the date immediately following the completion of the applicable thirty (30) day Trading Period referred to in Section 7(a) above, provide notice of the Mandatory Conversion to each Holder (such notice, a "**Notice of Mandatory Conversion**"). For the avoidance of doubt, a Notice of Mandatory Conversion does not limit a Holder's right to convert on a Conversion Date prior to the Mandatory Conversion Date. The Mandatory Conversion Date selected by the Company shall be no less than ten (10) Business Days and no more than twenty (20) Business Days after the date on which the Company provides the Notice of Mandatory Conversion to the Holders. The Notice of Mandatory Conversion shall state, as appropriate:

- (i) the Mandatory Conversion Date selected by the Company;

(ii) the applicable procedures a Holder must follow for issuance of the shares of Common Stock pursuant to Section 8(a); and

(iii) the Conversion Rate as in effect on the Mandatory Conversion Date and the number of shares of Common Stock to be issued to the Holder upon conversion of each share of Series B Preferred Stock held by such Holder and, if applicable, the amount of Accrued Dividends as of the Mandatory Conversion Date.

SECTION 8 **Conversion Procedures and Effect of Conversion.**

(a) Conversion Procedure. A Holder must do each of the following in order to convert shares of Series B Preferred Stock pursuant to this Section 8(a):

(i) in the case of a conversion pursuant to Section 6(a), complete and manually sign the conversion notice provided by the Conversion Agent, a form of which is attached hereto as Exhibit A (the “**Conversion Notice**”), and deliver such notice to the Conversion Agent; *provided* that a Conversion Notice may be conditional on the completion of a Change of Control or other corporate transaction as such Holder may specify;

(ii) deliver to the Conversion Agent the certificate or certificates (if any) representing the shares of Series B Preferred Stock to be converted;

(iii) if required, furnish appropriate endorsements and transfer documents; and

(iv) if required, pay any stock transfer, documentary, stamp or similar taxes not payable by the Company pursuant to Section 18.

The “**Conversion Date**” means (A) with respect to conversion of any shares of Series B Preferred Stock at the option of any Holder pursuant to Section 6(a), the date on which such Holder complies with the procedures in this Section 8(a) (including the satisfaction of any conditions to conversion set forth in the Conversion Notice) and (B) with respect to Mandatory Conversion pursuant to Section 7(a), the Mandatory Conversion Date.

(b) Effect of Conversion. Effective immediately prior to the close of business on the Conversion Date applicable to any shares of Series B Preferred Stock, Dividends shall no longer accrue or be declared on any such shares of Series B Preferred Stock, such shares of Series B Preferred Stock shall cease to be outstanding and the corresponding shares of Common Stock pursuant to the conversion shall be issued and outstanding.

(c) Record Holder of Underlying Securities as of Conversion Date. The Person or Persons entitled to receive the Common Stock and, to the extent applicable, cash, securities or other property issuable upon conversion of Series B Preferred Stock on a Conversion Date shall be treated for all purposes as the record holder(s) of such shares of Common Stock and/or cash, securities or other property as of the close of business on such Conversion Date. As promptly as practicable on or after the Conversion Date and, if applicable, compliance by the applicable Holder with the relevant procedures contained in Section 8(a) (and in any event no later than three (3) Trading Days thereafter; *provided however* that, if a written notice from the Holder in accordance

with Section 8(a)(i) specifies a date of delivery for any shares of Common Stock, such shares shall be delivered on the date so specified, which shall be no earlier than the second (2nd) Business Day immediately following the date of such notice and no later than the seventh (7th) Business Day thereafter), the Company shall issue the number of whole shares of Common Stock issuable upon conversion (and deliver payment of cash in lieu of fractional shares as set out in Section 10(h)) and, to the extent applicable, any cash, securities or other property issuable thereon. Such delivery of shares of Common Stock, securities or other property shall be made by book-entry or, at the request of the Holder, by delivering a notice to the Conversion Agent, through the facilities of The Depository Trust Company or in certificated form. Any such certificate or certificates shall be delivered by the Company to the appropriate Holder on a book-entry basis, through the facilities of The Depository Trust Company, or by mailing certificates evidencing the shares to the Holders, in each case at their respective addresses as set forth in the Conversion Notice (in the case of a conversion pursuant to Section 6(a)) or in the records of the Company or as set forth in a notice from the Holder to the Conversion Agent, as applicable (in the case of a Mandatory Conversion). In the event that a Holder shall not by written notice designate the name in which shares of Common Stock (and payments of cash in lieu of fractional shares) and, to the extent applicable, cash, securities or other property to be delivered upon conversion of shares of Series B Preferred Stock should be registered or paid, or the manner in which such shares, cash, securities or other property should be delivered, the Company shall be entitled to register and deliver such shares, securities or other property, and make such payment, in the name of the Holder and in the manner shown on the records of the Company.

(d) Status of Converted or Reacquired Shares. Shares of Series B Preferred Stock converted in accordance with this Certificate of Designations, or otherwise acquired by the Company or any of its Subsidiaries in any manner whatsoever, shall not be reissued as shares of Series B Preferred Stock and shall be retired promptly after the conversion or acquisition thereof. All such shares shall, upon their retirement and any filing required by the DGCL, become authorized but unissued shares of Preferred Stock, without designation as to series until such shares are once more designated as part of a particular series by the Board pursuant to the provisions of the Certificate of Incorporation.

(e) Partial Conversion. In case any certificate for shares of Series B Preferred Stock shall be surrendered for partial conversion, the Company shall, at its expense, execute and deliver to or upon the written order of the Holder of the certificate so surrendered a new certificate for the shares of Series B Preferred Stock not converted.

SECTION 9 Change of Control

(a) Change of Control Notices. On or before the twentieth (20th) Business Day prior to the date on which the Company anticipates consummating a Change of Control (or, if later, promptly after the Company discovers that a Change of Control may occur), a written notice shall be sent by or on behalf of the Company to the Holders as they appear in the records of the Company, which notice shall set forth a description of the anticipated Change of Control (including, for the avoidance of doubt, the details of any consideration to be delivered as a distribution on or in exchange for outstanding shares of Common Stock) and contain the date on which the Change of Control is anticipated to be effected (or, if applicable, the date on which a Schedule TO or other schedule, form or report disclosing a Change of Control was filed) (the

“**Initial Change of Control Notice**”). No later than the later of (x) ten (10) Business Days prior to the date on which the Company anticipates consummating the Change of Control as set forth in the Initial Change of Control Notice and (y) the earlier of (1) the twentieth (20th) Business Day following the relevant Change of Control Effective Date and (2) the tenth (10th) Business Day following receipt of the relevant Initial Change of Control Notice, any Holder that desires to exercise its rights pursuant to Section 9(b) shall notify the Company in writing thereof (such notice, a “**Change of Control Election Notice**”) and shall specify (x) that such Holder is electing to exercise its rights pursuant to Section 9(b) and (y) the number of shares of Series B Preferred Stock subject to each such election. Within two (2) days following the effective date of a Change of Control (the “**Change of Control Effective Date**”) (or if the Company discovers later than such date that a Change of Control has occurred, promptly following the date of such discovery), a written notice (the “**Change of Control Put Notice**”) shall be sent by or on behalf of the Company to the Holders as they appear in the records of the Company, which notice shall contain:

(i) the scheduled Change of Control Purchase Date, which shall be no less than 40 nor more than 60 calendar days following the date of such Change of Control Put Notice;

(ii) the applicable Change of Control Put Price and the number of shares of Series B Preferred Stock subject to the Change of Control Put;

(iii) the instructions a Holder must follow to receive the applicable Change of Control Put Price;

(iv) that a Holder may not convert any shares of Series B Preferred Stock as to which it has elected a Change of Control Put, subject to Section 9(k); and

(v) a description of the Change of Control (including, for the avoidance of doubt, the details of any consideration delivered as a distribution on or in exchange for outstanding shares of Common Stock) and the applicable Change of Control Effective Date.

(b) Change of Control Put. Subject to the application of Section 9(h) and Section 9(k), the Company shall purchase from each Holder that delivered a Change of Control Election Notice all shares of Series B Preferred Stock specified in such Change of Control Election Notice (a “**Change of Control Put**”) for a purchase price per each such share of Series B Preferred Stock, payable in cash, equal to the Liquidation Preference of such share of Series B Preferred Stock as of the applicable Change of Control Purchase Date (the “**Change of Control Put Price**”) on the Change of Control Purchase Date specified in the relevant Change of Control Put Notice (or, in the event that a Change of Control Purchase Date is not specified, the date that is 60 days after the Change of Control Effective Date). A Holder may not convert any shares of Series B Preferred Stock as to which it has elected a Change of Control Put and with respect to which it has not validly withdrawn such election pursuant to Section 9(k). Notwithstanding anything to the contrary herein, the failure of the Company to deliver the Initial Change of Control Notice or the Change of Control Put Notice shall not impair the rights of the Holders under this Section 9(b).

(c) Change of Control Put Procedure. To receive the Change of Control Put Price, a Holder must, no later than close of business on the Change of Control Purchase Date, surrender to the Conversion Agent the certificates representing the shares of Series B Preferred Stock to be repurchased by the Company or lost stock affidavits therefor.

(d) **Change of Control Call.** To the extent a Holder has not delivered a Change of Control Election Notice in accordance with Section 9(a), or a Holder has delivered a Change of Control Election Notice for less than all of its shares of Series B Preferred Stock (or in either case, a Holder has withdrawn a Change of Control Election Notice in respect of any or all of its shares of Series B Preferred Stock pursuant to Section 9(k)), the Company may elect to redeem (the “**Change of Control Call**”), subject to the right of such Holders to convert the Series B Preferred Stock pursuant to Section 6(a) prior to any such redemption, all of such Holders’ shares of Series B Preferred Stock which are not subject to a Change of Control Put at a redemption price per share, payable in cash, equal to the Liquidation Preference as of the date of redemption (the “**Change of Control Call Price**”). For the avoidance of doubt, if the Holder exercises the Change of Control Put in part, the Company can exercise the Change of Control Call for the remainder of such Holder’s shares of Series B Preferred Stock. In order to elect a Change of Control Call, the Company must send irrevocable notice of such election no less than five (5) Business Days, nor more than fifteen (15) Business Days, after the delivery of a Change of Control Put Notice, which notice shall contain the redemption date (which shall be no less than 30 nor more than 60 calendar days following the date of such notice), instructions for Holders to receive the Change of Control Call Price, the amount of the Change of Control Call Price, and the last date for a Holder to convert its shares of Series B Preferred Stock in advance of the Change of Control Call (which shall be the Business Day immediately preceding the redemption date). The Company shall not have the right to elect a Change of Control Call unless, as of the date of delivery of notice of a Change of Control Call, it has set aside sufficient funds legally available for the payment of the full Change of Control Call Price for all outstanding shares of Series B Preferred Stock.

(e) **Delivery upon Change of Control Put/Call.** Upon a Change of Control Put or a Change of Control Call, subject to Section 9(h) below, the Company (or its successor) shall deliver or cause to be delivered to the Holder by wire transfer the Change of Control Put Price or the Change of Control Call Price for such Holder’s shares of Series B Preferred Stock.

(f) **Treatment of Shares.** Until a share of Series B Preferred Stock is purchased by the payment in full of the applicable Change of Control Put Price or Change of Control Call Price, such share of Series B Preferred Stock will remain outstanding and will be entitled to all of the powers, designations, preferences and other rights provided herein, including that such share (x) may be converted pursuant to Section 6 and in accordance with this Section 9 and, if not so converted, (y) shall (A) accrue Dividends in accordance with Section 4 and (B) entitle the Holder thereof to the voting rights provided in Section 12; *provided* that any such shares that are converted prior to the consummation of the Change of Control Put or Change of Control Call in accordance with this Certificate of Designations shall not be entitled to receive any payment of the Change of Control Put Price or Change of Control Call Price and shall instead be entitled to the same per share consideration, or the same right to elect per share consideration, as applicable, to be received by holders of Common Stock in connection with the Change of Control (subject to Section 11, as applicable).

(g) **Partial Exercise of Change of Control Put.** In the event that a Change of Control Put is effected with respect to shares of Series B Preferred Stock representing less than all the shares of Series B Preferred Stock held by a Holder, upon such Change of Control Put, the Company shall execute and the Transfer Agent shall countersign and deliver to such Holder, at the expense of the Company, a certificate evidencing the shares of Series B Preferred Stock held by the Holder as to which a Change of Control Put was not effected (or book-entry interests representing such shares).

(h) **Sufficient Funds.** If the Company shall not have sufficient funds legally available under the DGCL to purchase all shares of Series B Preferred Stock that Holders have requested to be purchased under Section 9(b) (the “**Required Number of Shares**”), the Company shall (i) purchase, pro rata among the Holders that have requested their shares be purchased pursuant to Section 9(b), a number of shares of Series B Preferred Stock with an aggregate Change of Control Put Price equal to the amount legally available for the purchase of shares of Series B Preferred Stock under the DGCL and (ii) purchase any shares of Series B Preferred Stock not purchased because of the foregoing limitations at the applicable Change of Control Put Price as soon as practicable after the Company is able to make such purchase out of funds legally available for the purchase of such share of Series B Preferred Stock. The inability of the Company (or its successor) to make a purchase payment for any reason shall not relieve the Company (or its successor) from its obligation to effect any required purchase when, as and if permitted by applicable law. If the Company fails to pay the Change of Control Put Price or the Change of Control Call Price in full when due in accordance with this Section 9 in respect of some or all of the shares of Series B Preferred Stock to be repurchased pursuant to the Change of Control Put or the Change of Control Call, the Company will pay Dividends on such shares not repurchased at a Dividend Rate of 9.5% per annum, until such shares are repurchased, for the period from and including the first date upon which the Company fails to pay the Change of Control Put Price or the Change of Control Call Price, as applicable, in full when due in accordance with this Section 9 through but not including the latest day upon which the Company pays the Change of Control Put Price or Change of Control Call Price, as applicable, in full in accordance with this Section 9. Notwithstanding the foregoing, in the event a Holder elects to exercise a Change of Control Put pursuant to this Section 9 at a time when the Company is restricted or prohibited (contractually or otherwise) from redeeming some or all of the Series B Preferred Stock subject to the Change of Control Put, the Company will use its reasonable best efforts to obtain the requisite consents to remove or obtain an exception or waiver to such restrictions or prohibition. Nothing herein shall limit a Holder’s right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company’s failure to comply with its obligations under this Section 9. In connection with any Change of Control, the Company shall take all actions to permit the purchase of all shares of Series B Preferred Stock on the Change of Control Purchase Date that it reasonably believes is permitted under Delaware law and will not render the Company insolvent (such that, on a consolidated basis, (1) the Company will have incurred debts beyond its ability to pay such debts as they mature or become due, (2) the then present fair saleable value of the assets of the Company will not exceed the amount that will be required to pay its probable liabilities (including the probable amount of all contingent liabilities) and its debts as they become absolute and matured or (3) the assets of the Company, in each case at a fair valuation, will not exceed its respective debts (including the probable amount of all contingent liabilities)), including revaluing the Company’s assets to the highest amount permitted by law, borrowing funds on prevailing market terms, selling assets on prevailing market terms and seeking to obtain any and all required governmental or other approvals. The Company shall not take any action that materially impairs the Company’s ability to pay the Change of Control Put Price when due, including by investing available funds in illiquid assets, except for its normal business assets (the covenants described in this Section 9(h), the “**Protective Payment Obligations**”). The Company shall continue to comply with the Protective Payment Obligations until the entire amount of the Change of Control Put Price is paid in full.

(i) Change of Control Agreements. The Company shall not enter into any agreement for, or otherwise willingly engage in, a transaction constituting a Change of Control unless (i) such agreement provides for or does not interfere with or prevent (as applicable) the exercise by the Holders of their Change of Control Put in a manner that is consistent with and gives effect to this Section 9, and (ii) the acquiring or surviving Person in such Change of Control represents or covenants, in form and substance reasonably satisfactory to the Board acting in good faith, that at the closing of such Change of Control that such Person shall have sufficient funds (which may include, without limitation, cash and cash equivalents on the Company's balance sheet, the proceeds of any debt or equity financing, available lines of credit or uncalled capital commitments) to consummate such Change of Control and the payment of the Change of Control Put Price in respect of shares of Series B Preferred Stock that have not been converted into Common Stock prior to the Change of Control Effective Date pursuant to Section 6 or Section 7, as applicable.

(j) Effect of Change of Control Put/Call. Upon full payment of the Change of Control Put Price or the Change of Control Call Price, as applicable, for any shares of Series B Preferred Stock subject to a Change of Control Put or Change of Control Call, such shares will cease to be entitled to any dividends that may thereafter be payable on the Series B Preferred Stock; such shares of Series B Preferred Stock will no longer be deemed to be outstanding for any purpose; and all rights (except the right to receive the Change of Control Put Price or Change of Control Call Price, as applicable) of the Holder of such shares of Series B Preferred Stock shall cease and terminate with respect to such shares.

(k) Withdrawal of Election for Change of Control Put. Notwithstanding anything to the contrary herein, any Holder's Change of Control Election Notice may be withdrawn (in whole or in part) by means of a written notice of withdrawal delivered to the Company at any time prior to the close of business on the fourth Business Day immediately succeeding the date of delivery of a Change of Control Put Notice (or, if earlier, the close of business on the second Business Day immediately preceding the relevant Change of Control Purchase Date), specifying the number of shares of Series B Preferred Stock with respect to which such notice of withdrawal is being submitted.

(l) The above provisions of this Section 9 shall similarly apply to successive Changes of Control (or anticipated Changes of Control).

SECTION 10 Anti-Dilution Adjustments.

(a) Adjustments. The Conversion Factor will be subject to adjustment, without duplication, upon the occurrence of the following events, except that the Company shall not make any adjustment to the Conversion Factor if Holders of the Series B Preferred Stock participate, at the same time and upon the same terms as holders of Common Stock and solely as a result of holding shares of Series B Preferred Stock, in any transaction described in this Section 10(a), without having to convert their Series B Preferred Stock, as if they held a number of shares of Common Stock equal to the Conversion Rate multiplied by the number of shares of Series B Preferred Stock held by such Holders:

(i) The issuance of Common Stock as a dividend or distribution to all or substantially all holders of Common Stock, or a subdivision, split or combination of Common Stock or a reclassification of Common Stock into a greater or lesser number of shares of Common Stock, in which event the Conversion Factor shall be adjusted based on the following formula:

$$CR_1 = CR_0 \times (OS_1 / OS_0)$$

CR₀ = the Conversion Factor in effect immediately prior to the close of business on (i) the Record Date for such dividend or distribution, or (ii) the effective date of such subdivision, split, combination or reclassification

CR₁ = the new Conversion Factor in effect immediately after the close of business on (i) the Record Date for such dividend or distribution, or (ii) the effective date of such subdivision, split, combination or reclassification

OS₀ = the number of shares of Common Stock outstanding immediately prior to the close of business on (i) the Record Date for such dividend or distribution or (ii) the effective date of such subdivision, split, combination or reclassification

OS₁ = the number of shares of Common Stock that would be outstanding immediately after the close of business on (i) the Record Date for such dividend or distribution or (ii) the effective date of such subdivision, split, combination or reclassification

Any adjustment made pursuant to this clause (i) shall be effective immediately after the close of business on the Record Date for such dividend or distribution, or the effective date of such subdivision, split, combination or reclassification. If any such event is announced or declared but does not occur, the Conversion Factor shall be readjusted, effective as of the date the Board announces that such event shall not occur, to the Conversion Factor that would then be in effect if such event had not been declared.

(ii) The dividend, distribution or other issuance to all or substantially all holders of Common Stock of rights (other than rights, options or warrants distributed in connection with a stockholder rights plan (in which event the provisions of Section 10(a)(vii) shall apply)), options or warrants entitling them to subscribe for or purchase shares of Common Stock for a period expiring forty-five (45) days or less from the date of issuance thereof, at a price per share that is less than the Current Market Price as of the Record Date for such issuance, in which event the Conversion Factor will be increased based on the following formula:

$$CR_1 = CR_0 \times [(OS_0 + X) / (OS_0 + Y)]$$

CR_0 = the Conversion Factor in effect immediately prior to the close of business on the Record Date for such dividend, distribution or issuance

CR_1 = the new Conversion Factor in effect immediately following the close of business on the Record Date for such dividend, distribution or issuance

OS_0 = the number of shares of Common Stock outstanding immediately prior to the close of business on the Record Date for such dividend, distribution or issuance

X = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants

Y = the number of shares of Common Stock equal to the aggregate price payable to exercise such rights, options or warrants divided by the Current Market Price as of the Record Date for such dividend, distribution or issuance.

For purposes of this clause (ii), in determining whether any rights, options or warrants entitle the holders to purchase the Common Stock at a price per share that is less than the Current Market Price as of the Record Date for such dividend, distribution or issuance, there shall be taken into account any consideration the Company receives for such rights, options or warrants, and any amount payable on exercise thereof, with the value of such consideration, if other than cash, to be the Fair Market Value thereof.

Any adjustment made pursuant to this clause (ii) shall become effective immediately following the close of business on the Record Date for such dividend, distribution or issuance. In the event that such rights, options or warrants are not so issued, the Conversion Factor shall be readjusted, effective as of the date the Board publicly announces its decision not to issue such rights, options or warrants, to the Conversion Factor that would then be in effect if such dividend, distribution or issuance had not been declared. To the extent that such rights, options or warrants are not exercised prior to their expiration or shares of Common Stock are otherwise not delivered pursuant to such rights, options or warrants upon the exercise of such rights, options or warrants, the Conversion Factor shall be readjusted to the Conversion Factor that would then be in effect had the adjustments made upon the dividend, distribution or issuance of such rights, options or warrants been made on the basis of the delivery of only the number of shares of Common Stock actually delivered.

(iii) The Company or one or more of its Subsidiaries purchases Common Stock pursuant to a tender offer or exchange offer (other than an exchange offer that constitutes a Distribution Transaction subject to Section 10(a)(v)) by the Company or a Subsidiary of the Company for all or any portion of the Common Stock, or otherwise acquires Common Stock (except in connection with tax withholding upon vesting or settlement of options, restricted stock units, performance share units or other similar equity awards or upon forfeiture or cashless exercise of options or other equity awards) (a “**Covered Repurchase**”), if the cash and value of any other consideration included in the payment per share of Common Stock validly tendered, exchanged or otherwise acquired through a Covered Repurchase exceeds the arithmetic average of the VWAP

per share of Common Stock for each of the ten (10) consecutive full Trading Days commencing on, and including, the Trading Day next succeeding the last day on which tenders or exchanges may be made pursuant to such tender or exchange offer (as it may be amended) or shares of Common Stock are otherwise acquired through a Covered Repurchase (the “**Expiration Date**”), in which event the Conversion Factor shall be increased based on the following formula:

$$CR_1 = CR_0 \times [(FMV + (SP_1 \times OS_1)) / (SP_1 \times OS_0)]$$

CR₀ = the Conversion Factor in effect immediately prior to the close of business on the Expiration Date

CR₁ = the new Conversion Factor in effect immediately after the close of business on the Expiration Date

FMV = the Fair Market Value, on the Expiration Date, of all cash and any other consideration paid or payable for all shares validly tendered or exchanged and not withdrawn, or otherwise acquired through a Covered Repurchase, as of the Expiration Date

OS₀ = the number of shares of Common Stock outstanding immediately prior to the last time tenders or exchanges may be made pursuant to such tender or exchange offer (including the shares to be purchased in such tender or exchange offer) or shares are otherwise acquired through a Covered Repurchase

OS₁ = the number of shares of Common Stock outstanding immediately after the last time tenders or exchanges may be made pursuant to such tender or exchange offer (after giving effect to the purchase of shares in such tender or exchange offer) or shares are otherwise acquired through a Covered Repurchase

SP₁ = the arithmetic average of the VWAP per share of Common Stock for each of the ten (10) consecutive full Trading Days commencing on, and including, the Trading Day next succeeding the Expiration Date

Such adjustment shall become effective immediately after the close of business on the Expiration Date. If an adjustment to the Conversion Factor is required under this Section 10(a)(iii), delivery of any additional shares of Common Stock that may be deliverable upon conversion as a result of an adjustment required under this Section 10(a)(iii), shall be delayed to the extent necessary in order to complete the calculations provided for in this Section 10(a)(iii).

In the event that the Company or any of its Subsidiaries is obligated to purchase Common Stock pursuant to any such tender offer, exchange offer or other commitment to acquire shares of Common Stock through a Covered Repurchase but is permanently prevented by applicable law from effecting any such purchases, or all such purchases are rescinded, then the Conversion Factor shall be readjusted to be the Conversion Factor that would have been then in effect if such tender offer, exchange offer or Covered Repurchase had not been made.

(iv) The Company shall, by dividend or otherwise, distribute to all or substantially all holders of its Common Stock (other than for cash in lieu of fractional shares), shares of any class of its Capital Stock, evidences of its indebtedness, assets, other property or securities, but excluding (A) dividends or distributions referred to in Section 10(a)(i) or Section 10(a)(ii) hereof, (B) Distribution Transactions as to which Section 10(a)(v) shall apply, (C) dividends or distributions paid exclusively in cash as to which Section 10(a)(vi) shall apply, and (D) rights, options or warrants distributed in connection with a stockholder rights plan as to which Section 10(a)(vii) shall apply (any of such shares of its Capital Stock, indebtedness, assets or property that are not so excluded are hereinafter called the “**Distributed Property**”), then, in each such case the Conversion Factor shall be increased based on the following formula:

$$CR_1 = CR_0 \times [SP_0 / (SP_0 - FMV)]$$

CR₀ = the Conversion Factor in effect immediately prior to the close of business on the Record Date for such dividend or distribution

CR₁ = the new Conversion Factor in effect immediately after the close of business on the Record Date for such dividend or distribution

SP₀ = the Current Market Price as of the Record Date for such dividend or distribution

FMV = the Fair Market Value of the portion of Distributed Property distributed with respect to each outstanding share of Common Stock on the Record Date for such dividend or distribution; *provided* that, if FMV is equal or greater than SP₀, then in lieu of the foregoing adjustment, the Company shall distribute to each holder of Series B Preferred Stock on the date the applicable Distributed Property is distributed to holders of Common Stock, but without requiring such holder to convert its shares of Series B Preferred Stock, in respect of each share of Series B Preferred Stock held by such holder, the amount of Distributed Property such holder would have received had such holder owned a number of shares of Common Stock equal to the Conversion Rate on the Record Date for such dividend or distribution

Any adjustment made pursuant to this clause (iv) shall be effective immediately after the close of business on the Record Date for such dividend or distribution. If any such dividend or distribution is declared but does not occur, the Conversion Factor shall be readjusted, effective as of the date the Board announces that such dividend or distribution shall not occur, to the Conversion Factor that would then be in effect if such dividend or distribution had not been declared.

(v) The Company effects a Distribution Transaction, in which case the Conversion Factor in effect immediately prior to the effective date of the Distribution Transaction shall be increased based on the following formula:

$$CR_1 = CR_0 \times [(FMV + MP_0) / MP_0]$$

CR₀ = the Conversion Factor in effect immediately prior to the close of business on the effective date of the Distribution Transaction

CR₁ = the new Conversion Factor in effect immediately after the close of business on the effective date of the Distribution Transaction

FMV = the arithmetic average of the volume-weighted average prices for a share of the capital stock or other interest distributed to holders of Common Stock on the principal United States securities exchange or automated quotation system on which such capital stock or other interest trades, as reported by Bloomberg (or, if Bloomberg ceases to publish such price, any successor service chosen by the Company) in respect of the period from the open of trading on the relevant Trading Day until the close of trading on such Trading Day (or if such volume-weighted average price is unavailable, the market price of one share of such capital stock or other interest on such Trading Day determined, using a volume-weighted average method, by an Independent Financial Advisor retained for such purpose by the Company), for each of the ten consecutive full Trading Days commencing with, and including, the effective date of the Distribution Transaction

MP₀ = the arithmetic average of the VWAP per share of Common Stock for each of the ten (10) consecutive full Trading Days commencing on, and including, the effective date of the Distribution Transaction

Such adjustment shall become effective immediately following the close of business on the effective date of the Distribution Transaction. If an adjustment to the Conversion Factor is required under this Section 10(a)(v), delivery of any additional shares of Common Stock that may be deliverable upon conversion as a result of an adjustment required under this Section 10(a)(v) shall be delayed to the extent necessary in order to complete the calculations provided for in this Section 10(a)(v).

(vi) The Company makes a cash dividend or distribution to all or substantially all holders of the Common Stock, the Conversion Factor shall be increased based on the following formula:

$$CR_1 = CR_0 \times [SP_0 / (SP_0 - C)]$$

CR₀ = the Conversion Factor in effect immediately prior to the close of business on the Record Date for such dividend or distribution

CR₁ = the new Conversion Factor in effect immediately after the close of business on the Record Date for such dividend or distribution

SP₀ = the Current Market Price as of the Record Date for such dividend or distribution

C = the amount in cash per share of Common Stock the Company distributes to all or substantially all holders of its Common Stock; *provided* that, if C is equal or greater than SP0, then in lieu of the foregoing adjustment, the Company shall pay to each holder of Series B Preferred Stock on the date the applicable cash dividend or distribution is made to holders of Common Stock, but without requiring such holder to convert its shares of Series B Preferred Stock, in respect of each share of Series B Preferred Stock held by such holder, the amount of cash such holder would have received had such holder owned a number of shares of Common Stock equal to the Conversion Rate on the Record Date for such dividend or distribution

Any adjustment made pursuant to this clause (vi) shall be effective immediately after the close of business on the Record Date for such dividend or distribution. If any dividend or distribution is declared but not paid, the Conversion Factor shall be readjusted, effective as of the date the Board announces that such dividend or distribution will not be paid, to the Conversion Factor that would then be in effect if such had dividend or distribution not been declared.

(vii) If the Company has a stockholder rights plan in effect with respect to the Common Stock on any Conversion Date, upon conversion of any shares of the Series B Preferred Stock, Holders of such shares will receive, in addition to the applicable number of shares of Common Stock, the rights under such rights plan relating to such Common Stock, unless, prior to such Conversion Date, the rights have become exercisable or separated from the shares of Common Stock (the first of such events to occur, a “**Trigger Event**”), in which case, the Conversion Factor will be adjusted, effective automatically at the time of such Trigger Event, as if the Company had made a distribution of such rights to all holders of Common Stock as described in Section 10(a)(ii) (without giving effect to the forty-five (45) day limit on the exercisability of rights, options or warrants ordinarily subject to such Section 10(a)(ii)), subject to appropriate readjustment in the event of the expiration, termination or redemption of such rights prior to the exercise, deemed exercise or exchange thereof. Notwithstanding the foregoing, to the extent any such stockholder rights are exchanged by the Company for shares of Common Stock or other property or securities, the Conversion Factor shall be appropriately readjusted as if such stockholder rights had not been issued, but the Company had instead issued such shares of Common Stock or other property or securities as a dividend or distribution of shares of Common Stock pursuant to Section 10(a)(i) or Section 10(a)(iv), as applicable.

To the extent that such rights are not exercised prior to their expiration, termination or redemption, the Conversion Factor shall be readjusted to the Conversion Factor that would then be in effect had the adjustments made upon the occurrence of the Trigger Event been made on the basis of the issuance of, and the receipt of the exercise price with respect to, only the number of shares of Common Stock actually issued pursuant to such rights.

Notwithstanding anything to the contrary in this Section 10(a)(vii), no adjustment shall be required to be made to the Conversion Factor with respect to any Holder which is, or is an “affiliate” or “associate” of, an “acquiring person” under such stockholder rights plan or with respect to any direct or indirect transferee of such Holder who receives Series B Preferred Stock in such transfer after the time such Holder becomes, or its affiliate or associate becomes, such an “acquiring person”.

(b) Calculation of Adjustments. All adjustments to the Conversion Factor shall be calculated by the Company to the nearest 1/10,000th of one share of Common Stock (or if there is not a nearest 1/10,000th of a share, to the next lower 1/10,000th of a share). No adjustment to the Conversion Factor will be required unless such adjustment would require an increase or decrease of at least one percent of the Conversion Factor; *provided, however*, that any such adjustment that is not required to be made will be carried forward and taken into account in any subsequent adjustment; *provided, further* that any such adjustment of less than one percent that has not been made will be made upon any Conversion Date or redemption or repurchase date.

(c) When No Adjustment Required. (i) Except as otherwise provided in this Section 10, the Conversion Factor will not be adjusted for the issuance of Common Stock or any securities convertible into or exchangeable for Common Stock or carrying the right to purchase any of the foregoing, or for the repurchase of Common Stock.

(ii) Except as otherwise provided in this Section 10, the Conversion Factor will not be adjusted as a result of the issuance of, the distribution of separate certificates representing, the exercise or redemption of, or the termination or invalidation of, rights pursuant to any stockholder rights plans.

(iii) No adjustment to the Conversion Factor will be made:

(A) upon the issuance of any shares of Common Stock issued pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on securities of the Company and the investment of additional optional amounts in Common Stock under any plan in which purchases are made at market prices on the date or dates of purchase, without discount, and whether or not the Company bears the ordinary costs of administration and operation of the plan, including brokerage commissions;

(B) upon the issuance of any shares of Common Stock pursuant to any option, warrant, right, or exercisable, exchangeable or convertible security, including the Series B Preferred Stock; or

(C) for a change in the par value of the Common Stock.

(d) Successive Adjustments. After an adjustment to the Conversion Factor under this Section 10, any subsequent event requiring an adjustment under this Section 10 shall cause an adjustment to each such Conversion Factor as so adjusted.

(e) Multiple Adjustments. For the avoidance of doubt, if an event occurs that would trigger an adjustment to the Conversion Factor pursuant to this Section 10 under more than one subsection hereof, such event, to the extent fully taken into account in a single adjustment, shall not result in multiple adjustments hereunder; *provided, however*, that if more than one subsection of this Section 10 is applicable to a single event, the subsection shall be applied that produces the largest adjustment.

(f) Notice of Adjustments. Whenever any event of the type described in this Section 10 has occurred, the Company shall as soon as reasonably practicable following the occurrence of an event that requires such adjustment (or if the Company is not aware of such occurrence, as soon as reasonably practicable after becoming so aware):

(i) compute the adjusted applicable Conversion Factor in accordance with this Section 10 and prepare and transmit to the Conversion Agent an Officer's Certificate setting forth the applicable Conversion Factor, the method of calculation thereof, and the facts requiring such adjustment and upon which such adjustment is based; and

(ii) provide a written notice to the Holders of the occurrence of such event and a statement in reasonable detail setting forth the method by which the adjustment to the applicable Conversion Factor was determined and setting forth the adjusted applicable Conversion Factor.

(g) Conversion Agent. The Conversion Agent shall not at any time be under any duty or responsibility to any Holder to determine whether any facts exist that may require any adjustment of the Conversion Factor or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed in making the same. The Conversion Agent shall be fully authorized and protected in relying on any Officer's Certificate delivered pursuant to this Section 10(g) and any adjustment contained therein and the Conversion Agent shall not be deemed to have knowledge of any adjustment unless and until it has received such certificate. The Conversion Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock, or of any securities or property, that may at the time be issued or delivered with respect to any Series B Preferred Stock and the Conversion Agent makes no representation with respect thereto. The Conversion Agent shall not be responsible for any failure of the Company to issue, transfer or deliver any shares of Common Stock pursuant to the conversion of Series B Preferred Stock or to comply with any of the duties, responsibilities or covenants of the Company contained in this Section 10.

(h) Fractional Shares. No fractional shares of Common Stock will be delivered to the Holders upon conversion. In lieu of fractional shares otherwise issuable, the Holders will be entitled to receive an amount in cash equal to the fraction of a share of Common Stock multiplied by the Closing Price of the Common Stock on the Trading Day immediately preceding the applicable Conversion Date. In order to determine whether the number of shares of Common Stock to be delivered to a Holder upon the conversion of such Holder's shares of Series B Preferred Stock will include a fractional share, such determination shall be based on the aggregate number of shares of Series B Preferred Stock of such Holder that are being converted on any single Conversion Date.

SECTION 11 **Reorganization Events**.

(a) Reorganization Events. In the event of:

(i) any reclassification, statutory exchange, merger, consolidation or other similar business combination of the Company with or into another Person, in each case, pursuant to which at least a majority of the Common Stock is changed or converted into, or exchanged for, cash, securities or other property of the Company or another Person;

(ii) any sale, transfer, lease or conveyance to another Person of all or a majority of the property and assets of the Company, in each case pursuant to which the Common Stock is converted into cash, securities or other property; or

(iii) any statutory exchange of securities of the Company with another Person (other than in connection with a merger or acquisition) or reclassification, recapitalization or reorganization of the Common Stock into other securities;

(each of which is referred to as a “**Reorganization Event**”), each share of Series B Preferred Stock outstanding immediately prior to such Reorganization Event will, without the consent of the Holders and subject to Section 11(d) and Section 12(b), remain outstanding but shall become convertible into, in accordance with Section 6 and Section 7, the number, kind and amount of securities, cash and other property (the “**Exchange Property**”) (without any interest on such Exchange Property and without any right to dividends or distributions on such Exchange Property which have a record date that is prior to the applicable Conversion Date) that the Holder of such share of Series B Preferred Stock would have received in such Reorganization Event had such Holder converted its shares of Series B Preferred Stock into the applicable number of shares of Common Stock immediately prior to the effective date of the Reorganization Event using the Conversion Rate applicable immediately prior to the effective date of the Reorganization Event; *provided* that the foregoing shall not apply if such Holder is a Person with which the Company consolidated or into which the Company merged or which merged into the Company or to which such sale or transfer was made, as the case may be (any such Person, a “**Constituent Person**”), or an Affiliate of a Constituent Person, to the extent such Reorganization Event provides for different treatment of Common Stock held by such Constituent Persons or such Affiliate thereof. If the kind or amount of securities, cash and other property receivable upon such Reorganization Event is not the same for each share of Common Stock held immediately prior to such Reorganization Event by a Person (other than a Constituent Person or an Affiliate thereof), then for the purpose of this Section 11(a), the kind and amount of securities, cash and other property receivable upon conversion following such Reorganization Event will be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Stock.

(b) Successive Reorganization Events. The above provisions of this Section 11 shall similarly apply to successive Reorganization Events and the provisions of Section 10 shall apply to any shares of Capital Stock (as though such Capital Stock were Common Stock) received by the holders of the Common Stock in any such Reorganization Event.

(c) Reorganization Event Notice. The Company (or any successor) shall, no less than thirty (30) days prior to the anticipated effective date of any Reorganization Event, provide written notice to the Holders of such occurrence of such event and of the kind and amount of the cash, securities or other property that constitutes the Exchange Property. Failure to deliver such notice shall not affect the operation of this Section 11.

(d) Reorganization Event Agreements. The Company shall not enter into any agreement for a transaction constituting a Reorganization Event unless (i) such agreement provides for or does not interfere with or prevent (as applicable) conversion of the Series B Preferred Stock into the Exchange Property in a manner that is consistent with and gives effect to this Section 11, and (ii) to the extent that the Company is not the surviving corporation in such Reorganization

Event or will be dissolved in connection with such Reorganization Event, proper provision shall be made in the agreements governing such Reorganization Event for the conversion of the Series B Preferred Stock into stock of the Person surviving such Reorganization Event or such other continuing entity in such Reorganization Event.

SECTION 12 **Voting Rights**.

(a) **General**. Holders of shares of Series B Preferred Stock shall be entitled to vote as a single class with the holders of the Common Stock and the holders of any other class or series of Capital Stock of the Company then entitled to vote with the Common Stock on all matters submitted to a vote of the holders of Common Stock (and, if applicable, holders of any other class or series of Capital Stock of the Company). The Holders shall be entitled to notice of any meeting of holders of Common Stock in accordance with the Certificate of Incorporation and Bylaws of the Company. Each Holder shall be entitled to the number of votes equal to the product of (i) the largest number of whole shares of Common Stock into which all shares of Series B Preferred Stock could be converted pursuant to **Section 6** multiplied by (ii) a fraction the numerator of which is the number of shares of Series B Preferred Stock held by such Holder and the denominator of which is the aggregate number of issued and outstanding shares of Series B Preferred Stock, in each case at and calculated as of the record date for the determination of stockholders entitled to vote or consent on such matters or, if no such record date is established, at and as of the date such vote or consent is taken or any written consent of stockholders is first executed; *provided*, that to the extent the Series B Preferred Stock held by any Investor, together with its Permitted Transferees and Affiliates, would, in the aggregate (but without taking into consideration shares of Series B Preferred Stock held by any other Investor, together with its Permitted Transferees and Affiliates), represent voting rights with respect to more than 16.66% of the Company's Common Stock (including the Series B Preferred Stock on an as-converted basis) (the "**Voting Threshold**"), such Investor, together with its Permitted Transferees and Affiliates, will not be permitted to exercise the voting rights with respect to any shares of Series B Preferred Stock held by them in excess of the Voting Threshold and the Company shall exercise the voting rights with respect to such shares of Series B Preferred Stock in excess of the Voting Threshold in a Neutral Manner. To the extent that a Holder acquires shares of Series B Preferred Stock from another Holder, the acquiring Holder's Voting Threshold will be increased proportionately based on the number of shares of Series B Preferred Stock that such Holder acquires and the disposing Holder's Voting Threshold will be decreased proportionately based on the number of shares of Series B Preferred Stock that such Holder disposes of such that the aggregate Voting Threshold of all Holders of shares of Series B Preferred Stock does not exceed 49.99%.

(b) **Adverse Changes**. In addition to, and not in limitation of, **Section 12(a)**, the vote or consent of the Holders of at least 75% of the shares of Series B Preferred Stock outstanding at such time, voting together as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, will be necessary for, directly or indirectly, effecting or validating any of the following actions, whether or not such approval is required pursuant to the DGCL:

(i) any amendment, alteration or repeal (whether by merger, consolidation or otherwise) of any provision of the Certificate of Incorporation (including this Certificate of Designations) or Bylaws that would have an adverse effect on the rights, preferences, privileges or voting power of the Series B Preferred Stock;

(ii) any amendment or alteration (whether by merger, consolidation or otherwise) of, or any supplement (whether by a certificate of designations or otherwise) to, the Certificate of Incorporation or any provision thereof, or any other action to authorize or create, or increase the number of authorized or issued shares of, or any securities convertible into shares of, or reclassify any security into, or issue, any Parity Stock or Senior Stock or any other class or series of Capital Stock of the Company ranking senior to, or on a parity basis with, the Series B Preferred Stock as to dividend rights or rights on the distribution of assets on any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company; or

(iii) any increase or decrease in the authorized number of shares of Series B Preferred Stock or issuance of shares of Series B Preferred Stock after the Issuance Date,

provided that the authorization or creation of, or the increase in the number of authorized or issued shares of, or any securities convertible into shares of, or the reclassification of any security (other than the Series B Preferred Stock) into, or the issuance of, Junior Stock will not require the vote the Holders pursuant to this Section 12(b). For purposes of this Section 12(b), the filing in accordance with applicable law of a certificate of designations or any similar document setting forth or changing the designations, powers, preferences, rights, qualifications, limitations and restrictions of any class or series of stock of the Company shall be deemed an amendment to the Certificate of Incorporation.

(c) Each Holder of Series B Preferred Stock will have one vote per share on any matter on which Holders of Series B Preferred Stock are entitled to vote separately as a class, whether at a meeting or by written consent.

(d) The vote or consent of the Holders of 75% of the shares of Series B Preferred Stock outstanding at such time, voting together as a single class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, will be sufficient to waive or amend the provisions of Section 9(i) of this Certificate of Designations, and any amendment or waiver of any of the provisions of Section 9(i) approved by such percentage of the Holders shall be binding on all of the Holders.

(e) For the avoidance of doubt and notwithstanding anything to the contrary in the Certificate of Incorporation or Bylaws of the Company, the Holders of Series B Preferred Stock shall have the exclusive consent and voting rights set forth in Section 12(b) and may take action or consent to any action with respect to such rights without a meeting by delivering a consent in writing or by electronic transmission of the Holders of the Series B Preferred Stock entitled to cast not less than the minimum number of votes that would be necessary to authorize, take or consent to such action at a meeting of stockholders.

(f) Upon the acquisition of shares of Series B Preferred Stock, the Holder of such shares shall be deemed to irrevocably appoint as its proxy and attorney-in-fact, the Chief Executive Officer, the Chief Financial Officer and the General Counsel of the Company, each of them individually, with full power of substitution and resubstitution, to consent to or vote any shares of Series B Preferred Stock held by them in excess of the Voting Threshold as indicated in Section 12(a) above with respect to any matters that must be voted in a Neutral Manner.

SECTION 13 **Term**. Except as expressly provided in this Certificate of Designations, the shares of Series B Preferred Stock shall not be redeemable or otherwise mature and the term of the Series B Preferred Stock shall be perpetual.

SECTION 14 **Creation of Capital Stock**. Subject to the Consent Provisions and Section 12(b), the Board, or any duly authorized committee thereof, without the vote of the Holders, may authorize and issue additional shares of Capital Stock of the Company.

SECTION 15 **No Sinking Fund**. Shares of Series B Preferred Stock shall not be subject to or entitled to the operation of a retirement or sinking fund.

SECTION 16 **Transfer Agent, Conversion Agent, Registrar and Paying Agent**. The duly appointed Transfer Agent, Conversion Agent, Registrar and paying agent for the Series B Preferred Stock shall be American Stock Transfer & Trust Company. The Company may, in its sole discretion, appoint any other Person to serve as Transfer Agent, Conversion Agent, Registrar or paying agent for the Series B Preferred Stock and thereafter may remove or replace such other Person at any time. Upon any such appointment or removal, the Company shall send notice thereof to the Holders.

SECTION 17 **Replacement Certificates**.

(a) **Mutilated, Destroyed, Stolen and Lost Certificates**. If physical certificates evidencing the Series B Preferred Stock are issued, the Company shall replace any mutilated certificate at the Holder's expense upon surrender of that certificate to the Transfer Agent. The Company shall replace certificates that become destroyed, stolen or lost at the Holder's expense upon delivery to the Company and the Transfer Agent of satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be required by the Transfer Agent and the Company.

(b) **Certificates Following Conversion**. If physical certificates representing the Series B Preferred Stock are issued, the Company shall not be required to issue replacement certificates representing shares of Series B Preferred Stock on or after the Conversion Date applicable to such shares (except if any certificate for shares of Series B Preferred Stock shall be surrendered for partial conversion, the Company shall, at its expense, execute and deliver to or upon the written order of the Holder of the certificate so surrendered a new certificate for the shares of Series B Preferred Stock not converted). In place of the delivery of a replacement certificate following the applicable Conversion Date, the Transfer Agent, upon receipt of the satisfactory evidence and indemnity described in clause (a) above, shall deliver the shares of Common Stock issuable upon conversion of such shares of Series B Preferred Stock formerly evidenced by the physical certificate.

SECTION 18 Taxes.

(a) Withholding. The Company agrees that, provided that a Holder delivers to the Company a properly executed IRS Form W-9 certifying as to the complete exemption from backup withholding of the Holder (or, if the Holder is a disregarded entity for U.S. federal income tax purposes, its regarded owner), under current law the Company (including any paying agent of the Company) shall not be required to, and shall not, deduct or withhold taxes on any payments or deemed payments to any such Holder. In the event that any such Holder fails to deliver to the Company such properly executed IRS Form W-9, the Company reasonably believes that a previously delivered IRS Form W-9 is no longer accurate and/or valid, or there is a change in law that affects the withholding obligations of the Company, the Company and its paying agent shall be entitled to deduct or withhold on all applicable payments made to the relevant Holder in the form of cash such tax amounts as the Company reasonably determines are required to be deducted or withheld therefrom under any provision of applicable law (and, to the extent such amounts are paid to the relevant taxing authority in accordance with applicable law, such amounts will be treated for all purposes of this Certificate of Designations as having been paid to the Person in respect of which such withholding was made); *provided*, that if the Company determines that an amount is required to be deducted or withheld on any payment with respect to any Holder, the Company shall provide reasonable prior notice to such Holder in writing of its intent to deduct or withhold taxes on such payment and will reasonably cooperate with such Holder in obtaining any available exemption or reduction of such withholding.

(b) Transfer Taxes. The Company shall pay any and all stock transfer, documentary, stamp and similar taxes due upon the issuance of shares of Series B Preferred Stock or the issuance of shares of Common Stock upon conversion of Series B Preferred Stock pursuant hereto. However, in the case of conversion of Series B Preferred Stock, the Company shall not be required to pay any such tax that may be payable in respect of any transfer involved in the issuance or delivery of shares of Series B Preferred Stock or Common Stock to a beneficial owner other than the initial beneficial owner of Series B Preferred Stock, and shall not be required to make any such issuance, delivery or payment unless and until the Person requesting such issuance, delivery or payment has paid to the Company the amount of any such tax or has established, to the satisfaction of the Company, that such tax has been paid or is not payable.

(c) Tax Treatment. It is intended that (i) the Series B Preferred Stock shall not be treated as “preferred stock” for purposes of Section 305 of the Code and the Treasury Regulations promulgated thereunder, and (ii) as a consequence, neither the Annual Dividends nor the Special Dividend accruing on the Series B Preferred Stock nor any difference between the purchase price paid for the Series B Preferred Stock and the Liquidation Preference thereof will, by reason of Section 305(b)(4) of the Code or Treasury Regulations Section 1.305-5, be treated as a distribution of property until paid in cash. The Company and Holders (and their respective affiliates) shall file all tax returns in a manner consistent with the foregoing intended tax treatment and shall not take any tax position that is inconsistent with such intended tax treatment except in connection with, or as required by, any of the following: (w) a change in relevant law occurring after the Original Issuance Date, (x) after the Original Issuance Date, the promulgation of relevant final U.S. Treasury Regulations addressing instruments similar to the Series B Preferred Stock (from and after the effective date of such regulations), (y) an amendment to the terms of this Certificate of Designations or (z) a “determination” within the meaning of section 1313(a) of the Code.

SECTION 19 Notices. All notices referred to herein shall be in writing and, unless otherwise specified herein, all notices hereunder shall be deemed to have been given upon the earlier of receipt thereof or three (3) Business Days after the mailing thereof if sent by registered or certified mail with postage prepaid, or by private courier service addressed: (i) if to the Company, to its office at comScore, Inc., 11950 Democracy Drive, Suite 600, Reston, Virginia 20190 (Attention: Ashley Wright), (ii) if to any Holder, to such Holder at the address of such Holder as listed in the stock record books of the Company (which may include the records of the Transfer Agent) or (iii) to such other address as the Company or any such Holder, as the case may be, shall have designated by notice similarly given.

SECTION 20 Facts Ascertainable. When the terms of this Certificate of Designations refer to a specific agreement or other document to determine the meaning or operation of a provision hereof, the Secretary of the Company shall maintain a copy of such agreement or document at the principal executive offices of the Company and a copy thereof shall be provided free of charge to any Holder who makes a request therefor. The Secretary of the Company shall also maintain a written record of the Issuance Date, the number of shares of Series B Preferred Stock issued to a Holder and the date of each such issuance, and shall furnish such written record free of charge to any Holder who makes a request therefor.

SECTION 21 Waiver. Notwithstanding any provision in this Certificate of Designations to the contrary, any provision contained herein and any right of the Holders of shares of Series B Preferred Stock granted hereunder may be waived as to all shares of Series B Preferred Stock (and the Holders thereof) upon the vote or written consent of the Holders of a majority of the shares of Series B Preferred Stock then outstanding.

SECTION 22 Severability. If any term of the Series B Preferred Stock set forth herein is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other terms set forth herein which can be given effect without the invalid, unlawful or unenforceable term will, nevertheless, remain in full force and effect, and no term herein set forth will be deemed dependent upon any other such term unless so expressed herein.

SECTION 23 Business Opportunities. To the fullest extent permitted by Section 122(17) of the DGCL (or any successor provision) and except as may be otherwise expressly agreed in writing by the Company and the Investor Parties, the Company, on behalf of itself and its Subsidiaries, renounces any interest or expectancy of the Company and its Subsidiaries in, or in being offered an opportunity to participate in, business opportunities, that are from time to time presented to the Investor Parties or any of their respective officers, representatives, directors, agents, stockholders, members, partners, Affiliates, Subsidiaries (other than the Company and its Subsidiaries), or any of their respective designees on the Company's Board and/or any of their respective representatives who, from time to time, may act as officers of the Company, even if the opportunity is one that the Company or its Subsidiaries might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the opportunity to do so, and no such person shall be liable to the Company or any of its Subsidiaries for breach of any fiduciary or other duty, as a director or officer or otherwise, by reason of the fact that such person pursues or acquires such business opportunity, directs such business opportunity to another person or fails to present such business opportunity, or information regarding such business opportunity, to the Company or its Subsidiaries unless such business opportunity is disclosed to the applicable director or officer in his or her capacity as such. Any Person purchasing or otherwise acquiring any interest in any shares of Capital Stock of the Company shall be deemed to have notice of and consented to the

provisions of this Section 23. Neither the alteration, amendment or repeal of this Section 23, nor the adoption of any provision of the Certificate of Incorporation or this Certificate of Designations inconsistent with this Section 23, nor, to the fullest extent permitted by Delaware law, any modification of law, shall eliminate or reduce the effect of this Section 23 in respect of any business opportunity first identified or any other matter occurring, or any cause of action, suit or claim that, but for this Section 23, would accrue or arise, prior to such alteration, amendment, repeal, adoption or modification. If any provision or provisions of this Section 23 shall be held to be invalid, illegal or unenforceable as applied to any circumstance for any reason whatsoever: (a) the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Section 23 (including, without limitation, each portion of any paragraph of this Section 23 containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and (b) to the fullest extent possible, the provisions of this Section 23 (including, without limitation, each such portion of any paragraph of this Section 23 containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to permit the Company to protect its directors, officers, employees and agents from personal liability in respect of their good faith service to or for the benefit of the Company to the fullest extent permitted by law. This Section 23 shall not limit any protections or defenses available to, or indemnification or advancement rights of, any director, officer, employee or agent of the Company under the Certificate of Incorporation, the Bylaws, any other agreement between the Company and such director, officer, employee or agent or applicable law.

SECTION 24 Rule 144A Information. NOW, THEREFORE, in consideration of the mutual covenants and agreements contained in this Agreement, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement hereby agree as follows:

ARTICLE I

RESALE SHELF REGISTRATION

Section 1.1 Resale Shelf Registration Statement. Subject to the other applicable provisions of this Agreement, the Company shall use its reasonable best efforts to prepare and file within 120 days after the date hereof, a registration statement covering the sale or distribution from time to time by the Holders, on a delayed or continuous basis pursuant to Rule 415 of the Securities Act, of all of the Registrable Securities on Form S-3 (except if the Company is not then eligible to register for resale the Registrable Securities on Form S-3, then such registration shall be on another appropriate form and shall provide for the registration of such Registrable Securities for resale by the Holders in accordance with any reasonable method of distribution elected by the Purchasers) (the “**Resale Shelf Registration Statement**”), and if the Company is a WKSI as of the filing date, the Resale Shelf Registration Statement shall consist of an Automatic Shelf Registration Statement, or a prospectus supplement to an effective Automatic Shelf Registration Statement, that shall become effective upon filing with the SEC pursuant to Rule 462(e). If the Resale Shelf Registration Statement is not an Automatic Shelf Registration Statement, then the Company shall use its reasonable best efforts to cause such Resale Shelf Registration Statement to be declared effective by the SEC as promptly as is reasonably practicable after the filing thereof.

Section 1.2 Effectiveness Period. Once declared effective, the Company shall, subject to the other applicable provisions of this Agreement, use its reasonable best efforts to cause the Resale Shelf Registration Statement to be continuously effective and usable until such time as there are no longer any Registrable Securities (the “**Effectiveness Period**”).

Section 1.3 Subsequent Shelf Registration Statement. If any Shelf Registration Statement ceases to be effective under the Securities Act for any reason at any time during the Effectiveness Period, the Company shall use its reasonable best efforts to as promptly as is reasonably practicable cause such Shelf Registration Statement to again become effective under the Securities Act (including obtaining the prompt withdrawal of any order suspending the effectiveness of such Shelf Registration Statement), and shall use its reasonable best efforts to as promptly as is reasonably practicable amend such Shelf Registration Statement in a manner reasonably expected to result in the withdrawal of any order suspending the effectiveness of such Shelf Registration Statement or file an additional registration statement (a “**Subsequent Shelf Registration Statement**”) for an offering to be made on a delayed or continuous basis pursuant to Rule 415 of the Securities Act registering the resale from time to time by the Holders thereof of all securities that are Registrable Securities as of the time of such filing. If a Subsequent Shelf Registration Statement is filed, the Company shall use its reasonable best efforts to (a) cause such Subsequent Shelf Registration Statement to become effective under the Securities Act as promptly as is reasonably practicable after the filing thereof (it being agreed that if the Company is a WKSJ as of the filing date, the Subsequent Shelf Registration Statement shall be an Automatic Shelf Registration Statement, or a prospectus supplement to an effective Automatic Shelf Registration Statement, that shall become effective upon filing with the SEC pursuant to Rule 462(e)) and (b) keep such Subsequent Shelf Registration Statement continuously effective and usable until the end of the Effectiveness Period. Any such Subsequent Shelf Registration Statement shall be a registration statement on Form S-3 to the extent that the Company is eligible to use such form. Otherwise, such Subsequent Shelf Registration Statement shall be on another appropriate form and shall provide for the registration of such Registrable Securities for resale by the Holders in accordance with any reasonable method of distribution elected by the Purchasers.

Section 1.4 Supplements and Amendments. The Company shall supplement and amend any Shelf Registration Statement if required by the Securities Act or the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement.

Section 1.5 Subsequent Holder Notice. If a Person entitled to the benefits of this Agreement becomes a Holder after a Shelf Registration Statement becomes effective under the Securities Act, the Company shall, as promptly as is reasonably practicable following delivery of written notice to the Company of such Person becoming a Holder and requesting for its name to be included as a selling securityholder in the prospectus related to the Shelf Registration Statement (a “**Subsequent Holder Notice**”):

(a) if required and permitted by applicable law, file with the SEC a supplement to the related prospectus or a post-effective amendment to the Shelf Registration Statement so that such Holder is named as a selling securityholder in the Shelf Registration Statement and the related prospectus in such a manner as to permit such Holder to deliver a prospectus to purchasers of the Registrable Securities in accordance with applicable law; *provided, however*, that the Company shall not be required to file more than one post-effective amendment or a supplement to the related prospectus for such purpose in any 30-day period;

(b) if, pursuant to Section 1.5(a), the Company shall have filed a post-effective amendment to the Shelf Registration Statement that is not automatically effective, use its reasonable best efforts to cause such post-effective amendment to become effective under the Securities Act as promptly as is reasonably practicable; and

(c) notify such Holder as promptly as is reasonably practicable after the effectiveness under the Securities Act of any post-effective amendment filed pursuant to Section 1.5(a).

Section 1.6 Underwritten Offering.

(a) Subject to any applicable restrictions on transfer in the Stockholders Agreement or otherwise, one or more Holders of Registrable Securities may, after the Resale Shelf Registration Statement becomes effective, deliver a written notice to the Company (the “**Underwritten Offering Notice**”) specifying that the sale of some or all of the Registrable Securities subject to such Resale Shelf Registration Statement, is intended to be conducted through an underwritten offering or an underwritten block trade or bought deal; *provided, however*, that the Holders may not, without the Company’s prior written consent, (i) launch an underwritten offering or underwritten block trade or bought deal the anticipated gross proceeds of which shall be less than \$25,000,000 (unless the Holder, collectively with all of its Affiliates, is proposing to sell all of their remaining Registrable Securities), (ii) launch more than three underwritten offerings or underwritten block trades or bought deals at the request of the Holders within any 365-day period or (iii) launch an underwritten offering or underwritten block trade or bought deal within the period (a “**Quarterly Blackout Period**”) commencing on the seventh calendar day of the third month of each fiscal quarter and ending at the start of the second full trading day following the date of public disclosure of the financial results for that fiscal quarter (such qualifying underwritten offering or underwritten block trade or bought deal, an “**Underwritten Offering**”).

(b) In the event of an Underwritten Offering, the Holder(s) delivering the Underwritten Offering Notice shall select the managing underwriter(s) to administer the Underwritten Offering; *provided* that the choice of such managing underwriter(s) shall be subject to the consent of the Company, which shall not be unreasonably withheld. In making the determination to consent to the Holder or Holders’, as applicable, choice of managing underwriter(s), the Company may take into account its business and strategic interests. The Company and the Holders participating in an Underwritten Offering will enter into an underwriting agreement in customary form with the managing underwriter or underwriters selected for such offering.

(c) Upon receipt of an Underwritten Offering Notice (which, in the case of an Underwritten Offering that is an underwritten block trade or bought deal, shall be received by the Company not less than two Business Days prior to the day such offering is first anticipated to commence), the Company shall promptly deliver to each other Holder written notice thereof and if, within three Business Days after the date of the delivery of such notice (or one Business Day in the case of an Underwritten Offering that is an underwritten block trade or bought deal), a Holder shall so request in writing, the Company shall as expeditiously as possible use its reasonable best efforts to facilitate such Underwritten Offering (which, in the case of an Underwritten Offering that is an underwritten block trade or bought deal, close as early as two Business Days after the date it commences) include in such Underwritten Offering all or any part of such Holder's Registrable Securities as such Holder requests to be registered, subject to Section 1.6(d).

(d) The Company will not include in any Underwritten Offering pursuant to this Section 1.6 any securities that are not Registrable Securities (other than the WPP Securities) without the prior written consent of the Holder(s) participating in such Underwritten Offering. If the managing underwriter or underwriters advise the Company and such Holder(s) in writing that in its or their good faith opinion the number of Registrable Securities (and, if permitted hereunder, other securities requested to be included in such offering) exceeds the number of securities which can be sold in such offering in light of market conditions or is such so as to adversely affect the success of such offering, the Company will include in such offering only such number of securities that can be sold without adversely affecting the marketability of the offering, which securities will be so included in the following order of priority: (i) first, the Registrable Securities of the Holders that have requested to participate in such Underwritten Offering, allocated *pro rata* among such Holders on the basis of their respective then-owned Registrable Securities, and (ii) second, any other securities of the Company that have been requested to be so included (including any WPP Securities, to the extent applicable).

Section 1.7 Take-Down Notice. Subject to the other applicable provisions of this Agreement, including the limitations and requirements in Section 1.6 regarding Underwritten Offerings, at any time that any Shelf Registration Statement is effective, if a Holder delivers a notice to the Company (a "**Take- Down Notice**") stating that it intends to effect a sale or distribution of all or part of its Registrable Securities included by it on any Shelf Registration Statement (a "**Shelf Offering**") and stating the number of the Registrable Securities to be included in such Shelf Offering, then the Company shall amend, subject to the other applicable provisions of this Agreement, or supplement the Shelf Registration Statement as may be necessary in order to enable such Registrable Securities to be sold and distributed pursuant to the Shelf Offering.

Section 1.8 Piggyback Registration

(a) If the Company proposes to file a registration statement under the Securities Act with respect to an offering of Common Stock or securities convertible into, or exchangeable or exercisable for, Common Stock, whether or not for sale for its own account (other than a registration statement (i) on Form S-4, Form S-8 or any successor forms thereto or (ii) filed to effectuate an exchange offer or any employee benefit or dividend reinvestment plan), then the Company shall give prompt written notice of such filing, which notice shall be given, to the extent reasonably practicable, no later than seven Business Days prior to the filing date (the "**Piggyback Notice**") to the Holders. The Piggyback Notice shall offer such Holders the opportunity to include (or cause to be included) in such registration statement the number of shares of Registrable Securities as each such Holder may request (each, a "**Piggyback Registration Statement**"). Subject to Section 1.8(b), the Company shall include in each Piggyback Registration Statement all

Registrable Securities with respect to which the Company has received written requests for inclusion therein (each, a “**Piggyback Request**”) within five Business Days after the date of the Piggyback Notice but in any event not later than two Business Day prior to the filing date of a Piggyback Registration Statement. The Company shall not be required to maintain the effectiveness of a Piggyback Registration Statement beyond the earlier of (x) 180 days after the effective date thereof and (y) consummation of the distribution by the Holders of the Registrable Securities included in such registration statement. The Company may postpone or withdraw a Piggyback Registration Statement at any time prior to effectiveness of such Piggyback Registration Statement without incurring any liability to the Holders.

(b) Subject to any applicable restrictions on transfer in the Stockholders Agreement, if any of the securities to be registered pursuant to the registration giving rise to the rights under this Section 1.8 are to be sold in an underwritten offering, the Company shall use reasonable best efforts to cause the managing underwriter or underwriters of a proposed underwritten offering to permit Holders who have timely submitted a Piggyback Request in connection with such offering to include in such offering all Registrable Securities included in each Holder’s Piggyback Request on the same terms and subject to the same conditions as any other shares of capital stock, if any, of the Company included in the offering. Notwithstanding the foregoing, if the managing underwriter or underwriters of such underwritten offering advise the Company in writing that in its or their good faith opinion the number of securities exceeds the number of securities which can be sold in such offering in light of market conditions or is such so as to adversely affect the success of such offering, the Company will include in such offering only such number of securities that can be sold without adversely affecting the marketability of the offering, which securities will be so included in the following order of priority: (i) first, the securities proposed to be sold by the Company for its own account; (ii) second, the Registrable Securities of the Holders that have requested to participate in such underwritten offering and any other persons with piggyback registration rights who have the right to participate and that have requested to participate in such offering, allocated *pro rata* among such selling holders on the basis of their respective then-owned registrable securities; and (iii) third, any other securities of the Company that have been requested to be included in such offering, allocated *pro rata* among such holders on the basis of the percentage of securities then held by such holders; *provided* that Holders may, prior to the earlier of (a) the effectiveness of the registration statement and (b) the time at which the offering price or underwriter’s discount is determined with the managing underwriter or underwriters, withdraw their request to be included in such registration pursuant to this Section 1.8.

ARTICLE II

ADDITIONAL PROVISIONS REGARDING REGISTRATION RIGHTS

Section 2.1 Registration Procedures. Subject to the other applicable provisions of this Agreement, in the case of each registration of Registrable Securities effected by the Company pursuant to Article I, the Company will:

(a) prepare and as promptly as reasonably practicable file with the SEC a registration statement with respect to such securities and use reasonable best efforts to cause such registration statement to become and remain effective for the period of the distribution contemplated thereby, in accordance with the applicable provisions of this Agreement;

(b) prepare and file with the SEC such amendments (including post-effective amendments) and supplements to such registration statement and the prospectus used in connection with such registration statement as may be necessary to keep such registration statement effective for the period specified in paragraph (a) above and (i) use reasonable efforts to cause such filings not to contain any untrue statements of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and (ii) comply with the provisions of the Securities Act and the rules and regulations of the SEC with respect to the disposition of all securities covered by such registration statement in accordance with the Holders' intended methods of distribution set forth in such registration statement for such period;

(c) furnish to the Holders and their respective counsel copies of the registration statement and the prospectus included therein (including each preliminary prospectus) proposed to be filed and provide such Holders with a reasonable opportunity to review and comment on such registration statement;

(d) if requested by the managing underwriter or underwriters, if any, or the Holder(s), promptly include in any prospectus supplement or post-effective amendment such information as the managing underwriter or underwriters, if any, or the Holder(s) may reasonably request in order to permit the intended method of distribution of such securities and make all required filings of such prospectus supplement or post-effective amendment as soon as reasonably practicable after the Company has received such request; *provided, however*, that the Company shall not be required to take any actions under this Section 2.1(d) that are not, in the opinion of counsel for the Company, in compliance with applicable law;

(e) in the event that the Registrable Securities are being offered in an Underwritten Offering, furnish to the Holder(s) participating in such Underwritten Offering and their respective counsel and to the underwriters of the securities being registered and their respective counsel such reasonable number of copies of the registration statement, preliminary prospectus and final prospectus as such Holder(s) or such underwriters may reasonably request in order to facilitate the public offering or other disposition of such securities;

(f) as promptly as reasonably practicable notify the Holder(s) at any time when a prospectus relating thereto is required to be delivered under the Securities Act or of the Company's discovery of the occurrence of any event as a result of which the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading or incomplete in the light of the circumstances then existing (which, for the avoidance of doubt, shall commence a Suspension Period), and, subject to Section 2.2, as promptly as is reasonably practicable, prepare and file with the SEC a supplement or post-effective amendment to such registration statement or the related prospectus or any document incorporated therein by reference or file any other required document and at the request of any Holder, furnish to such Holder a reasonable number of copies of a supplement to or an amendment of such prospectus as may be necessary so that, as thereafter delivered to the Holder of such securities, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or incomplete in the light of the circumstances then existing;

(g) use reasonable best efforts to register and qualify (or exempt from such registration or qualification) the securities covered by such registration statement under such other securities or “blue sky” laws of such jurisdictions within the United States as shall be reasonably requested in writing by any Holder; *provided, however*, that the Company shall not be required in connection therewith or as a condition thereto to (i) qualify to do business in any jurisdictions where it would not otherwise be required to qualify but for this subsection or (ii) take any action that would subject it to general service of process in any such jurisdictions;

(h) in the event that the Registrable Securities are being offered in a public offering, enter into an underwriting agreement, a placement agreement or equivalent agreement customary for a transaction of that nature, in each case in accordance with the applicable provisions of this Agreement, and take all such other actions reasonably requested by the Holders of the Registrable Securities being sold in connection therewith (including any reasonable actions requested by the managing underwriters, if any) to facilitate the disposition of such Registrable Securities, and in such connection, (i) the underwriting agreement shall contain indemnification provisions and procedures substantially to the effect set forth in Article III hereof with respect to all parties to be indemnified pursuant to Article III except as otherwise agreed by the Holders and (ii) deliver such other documents and certificates as may be reasonably requested by the managing underwriters;

(i) in connection with an Underwritten Offering, the Company shall cause its officers to use their reasonable best efforts to support the marketing of the Registrable Securities covered by such offering (including participation in “road shows” or other similar marketing efforts) to the extent reasonably necessary, in the view of the managing underwriter(s), to support the proposed sale of Registrable Securities pursuant to such Underwritten Offering;

(j) use reasonable best efforts to furnish, on the date that such Registrable Securities are delivered to the underwriters for sale, if such securities are being sold through underwriters, (i) an opinion dated such date of the legal counsel representing the Company for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering, addressed to the underwriters, if any, (ii) a “negative assurances letter”, dated such date of the legal counsel representing the Company for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering and (iii) a letter dated such date from the independent certified public accountants of the Company, in form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering, addressed to the underwriters, such letter to be in customary form and covering matters of the type customarily covered in “cold comfort” letters in connection with underwritten offerings;

(k) use reasonable best efforts to list the Registrable Securities covered by such registration statement with any securities exchange on which the Common Stock is then listed;

(l) provide a transfer agent and registrar for all such Registrable Securities not later than the effective date of such registration statement;

(m) in connection with a customary due diligence review, make available for inspection by the Holders, any underwriter participating in any such disposition of Registrable Securities, if any, and any counsel or accountants retained by the Holders or underwriter (collectively, the “**Offering Persons**”), at the offices where normally kept, during reasonable business hours, all financial and other records, pertinent corporate documents and properties of the Company and its subsidiaries, and cause the officers, directors and employees of the Company and its subsidiaries to supply all information and participate in customary due diligence sessions in each case reasonably requested by any such representative, underwriter, counsel or accountant in connection with such Registration Statement; *provided, however*, that any information that is not generally publicly available at the time of delivery of such information shall be kept confidential by such Offering Persons unless (i) disclosure of such information is required by court or administrative order or in connection with an audit or examination by, or a blanket document request from, a regulatory or self-regulatory authority, bank examiner or auditor, (ii) disclosure of such information, in the reasonable judgment of the Offering Persons, is required by law or applicable legal process (including in connection with the offer and sale of securities pursuant to the rules and regulations of the SEC), (iii) such information is or becomes generally available to the public other than as a result of a non-permitted disclosure or failure to safeguard by such Offering Persons in violation of this Agreement or (iv) such information (A) was known to such Offering Persons (prior to its disclosure by the Company) from a source other than the Company when such source, to the knowledge of the Offering Persons, was not bound by any contractual, legal or fiduciary obligation of confidentiality to the Company with respect to such information, (B) becomes available to the Offering Persons from a source other than the Company when such source, to the knowledge of the Offering Persons, is not bound by any contractual, legal or fiduciary obligation of confidentiality to the Company with respect to such information or (C) was developed independently by the Offering Persons or their respective representatives without the use of, or reliance on, information provided by the Company. In the case of a proposed disclosure pursuant to (i) or (ii) above, such Person shall be required to give the Company written notice of the proposed disclosure prior to such disclosure (except in the case of (ii) above when a proposed disclosure was or is to be made in connection with a registration statement or prospectus under this Agreement and except in the case of clause (i) above when a proposed disclosure is in connection with a routine audit or examination by, or a blanket document request from, a regulatory or self-regulatory authority, bank examiner or auditor);

(n) cooperate with each Holder and each underwriter or agent participating in the disposition of Registrable Securities and their respective counsel in connection with any filings required to be made with FINRA, including the use of reasonable best efforts to obtain FINRA’s pre-clearance or pre-approval of the registration statement and applicable prospectus upon filing with the SEC;

(o) as promptly as is reasonably practicable notify the Holder(s) (i) when the prospectus or any prospectus supplement or post-effective amendment has been filed and, with respect to such registration statement or any post-effective amendment, when the same has become effective, (ii) of any request by the SEC or other federal or state governmental authority for amendments or supplements to such registration statement or related prospectus or to amend or to supplement such prospectus or for additional information, (iii) of the issuance by the SEC or any state securities authority of any stop order, injunction or other order or requirement suspending the effectiveness of such registration statement or the initiation of any proceedings for such purpose (which, for the avoidance of doubt, shall commence a Suspension Period), (iv) if at any time the Company has reason to believe that the representations and warranties of the Company contained in any agreement contemplated by Section 2.1(h) relating to any applicable offering cease to be true and correct or (v) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose; and

(p) promptly furnish counsel for each underwriter, if any, and for the Holder(s) and their respective counsel copies of any correspondence with the SEC or any state securities authority relating to the registration statement or prospectus (for the avoidance of doubt, including, but not limited to, any comment letters received from the SEC or any state securities authority).

The Holders agree that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 2.1(f), Section 2.1(o)(ii) or Section 2.1(o)(iii), the Holders shall discontinue disposition of any Registrable Securities covered by such registration statement or the related prospectus until receipt of the copies of the supplemented or amended prospectus, which supplement or amendment shall, subject to the other applicable provisions of this Agreement, be prepared and furnished as soon as reasonably practicable, or until the Holders are advised in writing by the Company that the use of the applicable prospectus may be resumed, and have received copies of any amended or supplemented prospectus or any additional or supplemental filings which are incorporated, or deemed to be incorporated, by reference in such prospectus (such period during which disposition is discontinued being an “**Interruption Period**”) and, if requested by the Company, the Holders shall use reasonable best efforts to return, and cause the Holders to return, to the Company all copies then in their possession, of the prospectus covering such Registrable Securities at the time of receipt of such request. As soon as practicable after the Company has determined that the use of the applicable prospectus may be resumed, the Company will notify the Holders thereof. In the event the Company invokes an Interruption Period hereunder and in the sole discretion of the Company the need for the Company to continue the Interruption Period ceases for any reason, the Company shall, as soon as reasonably practicable, provide written notice to the Holders that such Interruption Period is no longer applicable.

Section 2.2 Suspension. The Company shall be entitled, on two occasions during any 12-month period, for a period of time not to exceed an aggregate of 75 days during any 12-month period (any such period a “**Suspension Period**”), to (x) postpone or defer any registration of Registrable Securities and shall have the right not to file and not to cause the effectiveness of any registration covering any Registrable Securities, (y) suspend the use of any prospectus and registration statement covering any Registrable Securities and (z) require the Holders to suspend any offerings or sales of Registrable Securities pursuant to a registration statement, if the Company delivers to the Holders a certificate signed by an executive officer certifying that such registration and offering would (i) require the Company to make an Adverse Disclosure or (ii) materially interfere with any *bona fide* material financing, acquisition, disposition or other similar transaction involving the Company or any of its subsidiaries then under consideration. Such certificate shall contain a statement of the reasons for such suspension and an approximation of the anticipated length of such suspension. The Holders shall keep the information contained in such certificate confidential subject to the same terms set forth in Section 2.1(m). If the Company defers any registration of Registrable Securities in response to an Underwritten Offering Notice or requires the Holder(s) to suspend any Underwritten Offering, such Holder(s) shall be entitled to withdraw such Underwritten Offering Notice and if it does so, such request shall not be treated for any purpose as the delivery of an Underwritten Offering Notice pursuant to Section 1.6.

Section 2.3 Expenses of Registration. All Registration Expenses incurred in connection with any registration or offering pursuant to Article I shall be borne by the Company. All Selling Expenses relating to securities registered on behalf of the Holders shall be borne, pro rata, by the Holders included in such registration.

Section 2.4 Information by Holders. The Holder or Holders included in any registration shall, and the Purchasers shall cause such Holder or Holders to, furnish to the Company such information regarding such Holder or Holders and their Affiliates, the Registrable Securities held by them and the distribution proposed by such Holder or Holders and their Affiliates as the Company or its representatives may reasonably request and as shall be required in connection with any registration, qualification or compliance referred to in this Agreement. It is understood and agreed that the obligations of the Company under Article I are conditioned on the timely provisions of the foregoing information by such Holder or Holders and, without limitation of the foregoing, will be conditioned on compliance by such Holder or Holders with the following:

(a) such Holder or Holders will, and will cause their respective Affiliates to, cooperate with the Company in connection with the preparation of the applicable registration statement and prospectus and, for so long as the Company is obligated to keep such registration statement effective, such Holder or Holders will and will cause their respective Affiliates to, provide to the Company, in writing and in a timely manner, for use in such registration statement (and expressly identified in writing as such), all information regarding themselves and their respective Affiliates and such other information as may be required by applicable law to enable the Company to prepare or amend such registration statement, any related prospectus and any other documents related to such offering covering the applicable Registrable Securities owned by such Holder or Holders and to maintain the currency and effectiveness thereof;

(b) during such time as such Holder or Holders and their respective Affiliates may be engaged in a distribution of the Registrable Securities, such Holder or Holders will, and they will cause their Affiliates to, comply with all laws applicable to such distribution, including Regulation M promulgated under the Exchange Act, and, to the extent required by such laws, will, and will cause their Affiliates to, among other things (i) not engage in any stabilization activity in connection with the securities of the Company in contravention of such laws; (ii) distribute the Registrable Securities acquired by them solely in the manner described in the applicable registration statement and (iii) if required by applicable law, cause to be furnished to each agent or broker-dealer to or through whom such Registrable Securities may be offered, or to the offeree if an offer is made directly by such Holder or Holders or their respective Affiliates, such copies of the applicable prospectus (as amended and supplemented to such date) and documents incorporated by reference therein as may be required by such agent, broker-dealer or offeree;

(c) such Holder or Holders shall, and they shall cause their respective Affiliates to, (i) permit the Company and its representatives to examine such documents and records and will supply in a timely manner any information as they may be reasonably requested to provide in connection with the offering or other distribution of Registrable Securities by such Holder or Holders and (ii) execute, deliver and perform under any agreements and instruments reasonably requested by the Company or its representatives to effectuate such registered offering, including opinions of counsel and questionnaires; and

(d) on receipt of any notice from the Company of the occurrence of any of the events specified in Section 2.1(f) or clauses (i) or (ii) of Section 2.1(o), or that otherwise requires the suspension by such Holder or Holders and their respective Affiliates of the offering, sale or distribution of any of the Registrable Securities owned by such Holder or Holders, such Holders shall, and they shall cause their respective Affiliates to, cease offering, selling or distributing the Registrable Securities owned by such Holder or Holders until the offering, sale and distribution of the Registrable Securities owned by such Holder or Holders may recommence in accordance with the terms hereof and applicable law.

Section 2.5 Rule 144.

(a) With a view to making available the benefits of Rule 144 to the Holders, the Company agrees that, for so long as a Holder owns Registrable Securities, the Company will use its reasonable best efforts to:

(i) make and keep public information available, as those terms are understood and defined in Rule 144, at all times after the date of this Agreement;

(ii) file with the SEC in a timely manner all reports and other documents required of the Company to be filed under the Securities Act and the Exchange Act;

(iii) so long as a Holder owns any Restricted Securities, furnish to the Holder upon written request a written statement by the Company as to its compliance with the reporting requirements of the Exchange Act; and

(iv) take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 or any similar rule or regulation hereafter adopted by the SEC.

(b) For as long as a Holder owns Registrable Securities issued or issuable upon conversion thereof, the Company will use reasonable best efforts to take such further necessary action as any holder of Registrable Securities may reasonably request in connection with the removal of any restrictive legend on the Registrable Securities being sold, all to the extent required from time to time to enable such Holder to sell the Restricted Securities to the public without registration under the Securities Act within the limitations of the exemption provided by Rule 144.

Section 2.6 Purchasers Holdback Agreement. If during the Effectiveness Period, the Company shall file a registration statement (other than in connection with the registration of securities issuable pursuant to an employee stock option, stock purchase or similar plan or pursuant to a merger, exchange offer or a transaction of the type specified in Rule 145(a) under the Securities Act) with respect to an underwritten public offering of Common Stock or securities convertible into, or exchangeable or exercisable for, such securities or otherwise informs the Purchasers that it intends to conduct such an offering utilizing an effective registration statement and provides each Holder the opportunity to participate in such offering in accordance with and to the extent required by Section 1.7, each Holder shall for so long as such Holder together with its respective Affiliates beneficially owns, on an as converted basis (as defined in the Certificate of Designations) greater than 5% of the then outstanding Common Stock or has a right to nominate a director to the

Company Board (as defined in the Purchase Agreements), if requested by the managing underwriter or underwriters, enter into a customary “lock-up” agreement relating to the sale, offering or distribution of Registrable Securities, in the form reasonably requested by the managing underwriter or underwriters, covering the period commencing on the date of the prospectus pursuant to which such offering may be made and continuing until the earlier of 90 days from the date of such prospectus and the date on which the Company’s “lock-up” agreement with the underwriters in connection with the offering expires; provided that nothing herein will prevent (i) any Holder that is a partnership or corporation from making a transfer to an Affiliate that is otherwise in compliance with applicable securities laws, (ii) any pledge of Registrable Securities by a Holder in connection with a Permitted Loan (as defined in the Stockholders Agreement) or (iii) any foreclosure in connection with a Permitted Loan (as defined in the Stockholders Agreement) or transfer in lieu of a foreclosure thereunder, in each case that is otherwise in compliance with applicable securities laws. Notwithstanding the foregoing, any discretionary waiver or termination of this holdback provision by such underwriters with respect to any of the Holders shall apply to the other Holders as well, pro rata based upon the number of Registrable Securities subject to such obligations.

ARTICLE III

INDEMNIFICATION

Section 3.1 Indemnification by Company. To the extent permitted by applicable law, the Company will, with respect to any Registrable Securities covered by a registration statement or prospectus, or as to which registration, qualification or compliance under applicable “blue sky” laws has been effected pursuant to this Agreement, indemnify and hold harmless each Holder, each Holder’s current and former officers, directors, partners, members, managers, shareholders, accountants, attorneys, agents and employees, and each Person controlling such Holder within the meaning of Section 15 of the Securities Act and such Holder’s current and former officers, directors, partners, members, managers, shareholders, accountants, attorneys, agents and employees, and each underwriter thereof, if any, and each Person who controls any such underwriter within the meaning of Section 15 of the Securities Act (collectively, the “**Company Indemnified Parties**”), from and against any and all expenses, claims, losses, damages, costs (including costs of preparation and reasonable and documented attorney’s fees and any legal or other documented fees or expenses actually incurred by such party in connection with any investigation or proceeding), judgments, fines, penalties, charges, amounts paid in settlement and other liabilities, joint or several, (or actions in respect thereof) (collectively, “**Losses**”) to the extent arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus, preliminary prospectus, offering circular, “issuer free writing prospectus” (as such term is defined in Rule 433 under the Securities Act) or other document, in each case related to such registration statement, or any amendment or supplement thereto, or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, or any violation by the Company of the Securities Act, the Exchange Act, any state securities law or any rules or regulations thereunder applicable to the Company in connection with any registration or offering hereunder and (without limiting the preceding portions of this Section 3.1), the Company will reimburse each of the Company Indemnified Parties for any reasonable and documented out-of-pocket legal expenses

and any other reasonable and documented out-of-pocket expenses actually incurred in connection with investigating, defending or, subject to the last sentence of this [Section 3.1](#), settling any such Losses or action, as such expenses are incurred; *provided* that the Company's indemnification obligations shall not apply to amounts paid in settlement of any Losses or action if such settlement is effected without the prior written consent of the Company (which consent shall not be unreasonably withheld or delayed), nor shall the Company be liable to a Holder in any such case for any such Losses or action to the extent that it arises out of or is based upon a violation or alleged violation of any state or federal law (including any claim arising out of or based on any untrue statement or alleged untrue statement or omission or alleged omission in the registration statement or prospectus) which occurs in reliance upon and in conformity with written information regarding such Holder furnished to the Company by such Holder or its authorized representatives expressly for use in connection with such registration by or on behalf of any Holder.

[Section 3.2 Indemnification by Holders](#). To the extent permitted by applicable law, each Holder will, if Registrable Securities held by such Holder are included in the securities as to which registration or qualification or compliance under applicable "blue sky" laws is being effected, indemnify, severally and not jointly with any other Holders, the Company, each of its representatives and Affiliates and each underwriter thereof, and each Person who controls the Company or such underwriter within the meaning of Section 15 of the Securities Act (collectively, the "**Holder Indemnified Parties**"), against all Losses (or actions in respect thereof) to the extent arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus, preliminary prospectus, offering circular, "issuer free writing prospectus" or other document, in each case related to such registration statement, or any amendment or supplement thereto, or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, or and will reimburse each of the Holder Indemnified Parties for any reasonable and documented out-of-pocket legal expenses and any other reasonable and documented out-of-pocket expenses actually incurred in connection with investigating, defending or, subject to the last sentence of this [Section 3.2](#), settling any such Losses or action, as such expenses are incurred, in each case to the extent, but only to the extent, that such untrue statement (or alleged untrue statement) or omission (or alleged omission) is made in such registration statement, prospectus, offering circular, "issuer free writing prospectus" or other document in reliance upon and in conformity with written information regarding such Holder furnished to the Company by such Holder or its authorized representatives and stated to be specifically for use therein; *provided, however*, that in no event shall any indemnity under this [Section 3.2](#) payable by any of the Purchasers and any Holder exceed an amount equal to the net proceeds (after deducting Selling Expenses) actually received by such Holder in respect of the Registrable Securities sold pursuant to the registration statement. The indemnity agreement contained in this [Section 3.2](#) shall not apply to amounts paid in settlement of any loss, claim, damage, liability or action if such settlement is effected without the prior written consent of the applicable Holder (which consent shall not be unreasonably withheld or delayed).

Section 3.3 Notification. If any Person shall be entitled to indemnification under this Article III (each, an “**Indemnified Party**”), such Indemnified Party shall give prompt notice to the party required to provide indemnification (each, an “**Indemnifying Party**”) of any claim or of the commencement of any proceeding as to which indemnity is sought. The Indemnifying Party shall have the right, exercisable by giving written notice to the Indemnified Party as promptly as reasonably practicable after the receipt of written notice from such Indemnified Party of such claim or proceeding, to, unless in the Indemnified Party’s reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist in respect of such claim, assume, at the Indemnifying Party’s expense, the defense of any such claim or litigation, with counsel reasonably satisfactory to the Indemnified Party and, after notice from the Indemnifying Party to such Indemnified Party of its election to assume the defense thereof, the Indemnifying Party will not (so long as it shall continue to have the right to defend, contest, litigate and settle the matter in question in accordance with this paragraph) be liable to such Indemnified Party hereunder for any legal expenses and other expenses subsequently incurred by such Indemnified Party in connection with the defense thereof; *provided, however*, that an Indemnified Party shall have the right to employ separate counsel in any such claim or litigation, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless the Indemnifying Party (i) agrees to pay such fees and expenses or (ii) shall have failed within a reasonable period of time to assume, or in the event of a conflict of interest cannot assume, such defense or shall have failed to employ counsel reasonably satisfactory to such Indemnified Party. The failure of any Indemnified Party to give notice as provided herein shall relieve an Indemnifying Party of its obligations under this Article III only to the extent that the failure to give such notice is materially prejudicial or harmful to such Indemnifying Party’s ability to defend such action. No Indemnifying Party, in the defense of any such claim or litigation, shall, except with the prior written consent of each Indemnified Party (which consent shall not be unreasonably withheld or delayed), consent to entry of any judgment or enter into any settlement which does not (x) include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release, in form and substance reasonably satisfactory to the Indemnified Party, from all liability in respect to such claim or litigation or (y) involve the imposition of equitable remedies or the imposition of any obligations on the Indemnified Party or adversely affects such Indemnified Party other than as a result of financial obligations for which such Indemnified Party would be entitled to indemnification hereunder. The indemnity agreements contained in this Article III shall not apply to amounts paid in settlement of any claim, loss, damage, liability or action if such settlement is effected without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed. The indemnification set forth in this Article III shall be in addition to any other indemnification rights or agreements that an Indemnified Party may have. An Indemnifying Party who is not entitled to, or elects not to, assume the defense of a claim will not be obligated to pay the fees and expenses of more than one counsel (together with one local counsel, if appropriate) for all parties indemnified by such Indemnifying Party with respect to such claim, unless in the reasonable judgment of any Indemnified Party a conflict of interest may exist between such Indemnified Party and any other Indemnified Parties with respect to such claim.

Section 3.4 Contribution. If the indemnification provided for in this Article III is held by a court of competent jurisdiction to be unavailable to an Indemnified Party, other than pursuant to its terms, with respect to any Losses or action referred to therein, then, subject to the limitations contained in this Article III, the Indemnifying Party, in lieu of indemnifying such Indemnified Party hereunder, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses or action in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party, on the one hand, and the Indemnified Party, on the other, in connection with the actions, statements or omissions that resulted in such Losses or action, as well as any other relevant equitable considerations. The relative fault of the Indemnifying Party, on the one hand, and the Indemnified Party, on the other hand, shall be determined by reference to, among other

things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been made (or omitted) by, or relates to information supplied by such Indemnifying Party or such Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent any such action, statement or omission. The Company and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 3.4 was determined solely upon *pro rata* allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding sentence of this Section 3.4. Notwithstanding the foregoing, the amount any Purchaser or any Holder will be obligated to contribute pursuant to this Section 3.4 will be limited to an amount equal to the net proceeds received by such Purchaser or Holder in respect of the Registrable Securities sold pursuant to the registration statement which gives rise to such obligation to contribute. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

ARTICLE IV

TRANSFER AND TERMINATION OF REGISTRATION RIGHTS

Section 4.1 Transfer of Registration Rights. Any rights to cause the Company to register securities granted to a Holder under this Agreement may be transferred or assigned to any Person in connection with a Transfer (as defined in the Stockholders Agreement) of Series B Preferred Stock or Common Stock, as applicable, (i) permitted under Section 3.1(d) of the Stockholders Agreement or (ii) permitted under Section 3.1(a) of the Stockholders Agreement and, in the case of this clause (ii), representing 5% or more of the outstanding Common Stock on an as-converted basis; *provided, however*, that (x) prior written notice of such assignment of rights is given to the Company and (y) such transferee agrees in writing to be bound by, and subject to, this Agreement as a "Holder" pursuant to a written instrument in form and substance reasonably acceptable to the Company.

Section 4.2 Termination of Registration Rights. The rights of any particular Holder to cause the Company to register securities under Article I shall terminate with respect to such Holder upon the date upon which such Holder no longer holds any Registrable Securities.

ARTICLE V

MISCELLANEOUS

Section 5.1 Amendments and Waivers. Subject to applicable law and subject to the other provisions of this Agreement, this Agreement may be amended by the parties hereto at any time by execution of an instrument in writing signed on behalf of each of the Purchasers and the Company.

Section 5.2 Extension of Time, Waiver. The parties hereto may, to the extent legally allowed and except as otherwise set forth herein: (a) extend the time for the performance of any of the obligations or other acts of the other parties, as applicable; and (b) subject to the requirements of applicable law, waive compliance with any of the agreements or conditions for the benefit of such party contained herein. Any agreement on the part of a party hereto to any such extension or waiver will be valid only if set forth in an instrument in writing signed by such party; *provided* that any Purchaser may execute such waivers on behalf of any Holder. Any failure or delay in exercising any right, power or privilege pursuant to this Agreement will not constitute a waiver of such right, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

Section 5.3 Assignment. Except as provided in Section 4.1, neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned, in whole or in part, by operation of law or otherwise, by any of the parties hereto without the prior written consent of the other parties hereto; *provided, further*, that if the Company consolidates or merges with or into any Person and the Common Stock or any other Registrable Securities are, in whole or in part, converted into or exchanged for securities of a different issuer, and any Holder would, upon completion of such merger or consolidation, hold Registrable Securities of such issuer, then as a condition to such transaction the Company will cause such issuer to assume all of the Company's rights and obligations under this Agreement in a written instrument delivered to the Holders.

Section 5.4 Counterparts. This Agreement and any amendments hereto may be executed in one or more counterparts, all of which will be considered one and the same agreement and will become effective when one or more counterparts have been signed by each of the parties hereto and delivered to the other parties hereto, it being understood that all parties need not sign the same counterpart. Any such counterpart, to the extent delivered by fax or .pdf, .tif, .gif, .jpg or similar attachment to electronic mail (any such delivery, an "**Electronic Delivery**"), will be treated in all manner and respects as an original executed counterpart and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party may raise the use of an Electronic Delivery to deliver a signature, or the fact that any signature or agreement or instrument was transmitted or communicated through the use of an Electronic Delivery, as a defense to the formation of a contract, and each party forever waives any such defense, except to the extent such defense relates to lack of authenticity.

Section 5.5 Entire Agreement; No Third Party Beneficiary. This Agreement and the documents and instruments and other agreements among the parties hereto as contemplated by or referred to herein, including the Purchase Agreements and the Stockholders Agreement, constitute the entire agreement among the parties hereto with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, among the parties hereto with respect to the subject matter hereof. This Agreement is not intended to and shall not confer any rights or remedies upon any person other than the parties hereto, their respective successors and permitted assigns and any Indemnified Party hereunder.

Section 5.6 Governing Law; Jurisdiction.

(a) This Agreement and all actions, proceedings or counterclaims (whether based on contract, tort or otherwise) arising out of or relating to this Agreement or the actions of the Purchasers or the Company in the negotiation, administration, performance and enforcement thereof, shall be governed by, and construed in accordance with the laws of the State of Delaware, including its statute of limitations, without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(b) Each of the parties hereto: (i) irrevocably consents to the service of the summons and complaint and any other process (whether inside or outside the territorial jurisdiction of the Chosen Courts) in any Legal Proceeding arising out of or relating to this Agreement, in accordance with Section 5.9 or in such other manner as may be permitted by applicable law, and nothing in this Section 5.6(b) will affect the right of any party hereto to serve legal process in any other manner permitted by applicable law; (ii) irrevocably and unconditionally consents and submits itself and its properties and assets in any Legal Proceeding to the exclusive general jurisdiction of the Court of Chancery of the State of Delaware and any state appellate court therefrom within the State of Delaware (or, solely if the Court of Chancery of the State of Delaware declines to accept jurisdiction over a particular matter, any other state or federal court within the State of Delaware) (the “**Chosen Courts**”) in the event of any dispute or controversy relating to or arising out of this Agreement; (iii) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court; (iv) agrees that any Legal Proceeding relating to or arising out of this Agreement will be brought, tried and determined only in the Chosen Courts; (v) waives any objection that it may now or hereafter have to the venue of any such Legal Proceeding in the Chosen Courts or that such Legal Proceeding was brought in an inconvenient court and agrees not to plead or claim the same; and (vi) agrees that it will not bring any Legal Proceeding relating to or arising out of this Agreement in any court other than the Chosen Courts unless the Chosen Courts issue a final judgment determining that such court lacks jurisdiction. Each Purchaser and the Company agrees that a final judgment and any interim relief (whether equitable or otherwise) in any Legal Proceeding in the Chosen Courts will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law.

Section 5.7 Specific Enforcement. The parties acknowledge and agree that (a) the parties shall be entitled to an injunction or injunctions, specific performance or other equitable relief to enforce specifically the terms and provisions hereof in the courts described in Section 5.6 without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement and (b) the right of specific enforcement is an integral part of this Agreement and without that right, neither the Company nor the Purchasers would have entered into this Agreement. The parties hereto agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to law or inequitable for any reason, and agree not to assert that a remedy of monetary damages would provide an adequate remedy or that the parties otherwise have an adequate remedy at law. The parties hereto acknowledge and agree that any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 5.7 shall not be required to provide any bond or other security in connection with any such order or injunction.

Section 5.8 Waiver of Jury Trial. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE PURSUANT TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT THAT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING (WHETHER FOR BREACH OF CONTRACT, TORTIOUS

CONDUCT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTION. EACH PARTY ACKNOWLEDGES AND AGREES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER; (ii) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER; (iii) IT MAKES THIS WAIVER VOLUNTARILY; AND (iv) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 5.8.

Section 5.9 Notices. All notices and other communications hereunder must be in writing and will be deemed to have been duly delivered and received hereunder: (a) four Business Days after being sent by registered or certified mail, return receipt requested, postage prepaid; (b) one Business Day after being sent for next Business Day delivery, fees prepaid, via a reputable nationwide overnight courier service; or (c) immediately upon delivery by electronic mail or by hand (with a written or electronic confirmation of delivery), in each case to the intended recipient as set forth below:

Any notice received at the addressee's location on any Business Day after 5:00 p.m., addressee's local time, or on any day that is not a Business Day will be deemed to have been received at 9:00 a.m., addressee's local time, on the next Business Day. From time to time, any party hereto may provide notice to the other parties hereto of a change in its address or e-mail address through a notice given in accordance with this Section 5.9, except that that notice of any change to the address or any of the other details specified in or pursuant to this Section 5.9 will not be deemed to have been received until, and will be deemed to have been received upon, the later of the date (A) specified in such notice or (B) that is five Business Days after such notice would otherwise be deemed to have been received pursuant to this Section 5.9.

Section 5.10 Severability. In the event that any provision of this Agreement, or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other Persons or circumstances will be interpreted so as reasonably to effect the intent of the parties hereto. Upon such a determination, the parties hereto agree to negotiate in good faith to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision. If any provision of this Agreement is so broad as to be unenforceable, such provision will be interpreted to be only so broad as it is enforceable.

Section 5.11 Expenses. Except as provided in Section 2.3 and Article III, all costs and expenses, including fees and disbursements of counsel, financial advisors and accountants, incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such costs and expenses.

Section 5.12 Interpretation. The rules of interpretation set forth in Section 1.3 of the Purchase Agreements shall apply to this Agreement, *mutatis mutandis*.

Section 5.13 No Inconsistent Agreements; Most Favored Nations. The Company is not currently a party to any agreement with any holder or prospective holder of any securities of the Company giving such holder or prospective holder any registration rights the terms of which are on parity with or senior to, or inconsistent with, the registration rights granted to the Holders pursuant to this Agreement. The Company shall not enter into any agreement with respect to its securities (a) that is inconsistent with or violates the rights granted to the Holders by this Agreement, (b) that would allow any holder or prospective holder of any securities of the Company to include such securities in any Underwritten Offering or registration giving rights to the rights under Section 1.8 unless, under the terms of such agreement, such holder or prospective holder may include such securities in any such registration only to the extent that their inclusion would not reduce the amount of the Registrable Securities of the Holders included therein or (c) on terms otherwise more favorable than this Agreement.

For the avoidance of doubt, the right to designate the additional Person to the Board pursuant to this clause (iii) shall not be triggered by the acquisition of Preferred Stock or conversion of Preferred Stock to Common Stock and shall, with respect to each Buying Stockholder, be limited to one (1) additional designee in total regardless of the number of shares of Common Stock acquired in excess of the 10% threshold pursuant to this Section 2.1(e).

(f) Notwithstanding anything to the contrary contained elsewhere herein, in no event shall a Stockholder be entitled to designate a number of directors to the Board that would constitute a majority of the Board pursuant to this Section 2.1.

(g) Subject to compliance with applicable laws, stock exchange regulations and the Settlement, for so long as the Charter Stockholder beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock (on an as-converted basis), the Company will take all necessary action (to the extent not prohibited by applicable law) to cause the Board to appoint (i) at least one Charter Director to serve on the compensation committee of the Board, (ii) at least one Charter Director to serve on the nominating and governance committee of the Board and (iii) at least one Charter Director to serve on the finance committee of the Board.

The Company is entitled to identify such individual(s) as Charter Director(s), Qurate Director(s) or Cerberus Director(s), as applicable, pursuant to this Agreement. The Company shall support each Charter Director, Qurate Director, and Cerberus Director for election in a manner no less rigorous and favorable than the manner in which the Company supports the other nominees.

(n) Notwithstanding anything to the contrary provided elsewhere herein, promptly after a Stockholder is no longer entitled to designate or nominate for election a Person or Persons to the Board pursuant to the terms of this Section 2.1, such Stockholder shall cause the applicable number of its Directors to resign from the Board (it being understood that such individual's form of resignation letter that is required to be executed by such individual and held by the Company Secretary as a condition of membership on the Board shall be automatically effective upon the applicable Stockholder's determination, which shall be communicated promptly to the Company Secretary thereupon).

(o) For so long as a Stockholder beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock on an as-converted basis, each Stockholder agrees to vote, or provide a written consent or proxy with respect to, its Voting Stock, and to cause such Stockholder's Permitted Transferees that become a party to this Agreement to vote, or provide a written consent or proxy with respect to, their Voting Stock, in each case in a neutral manner, in the election of any directors

Each Stockholder and Permitted Transferee intends this proxy to be irrevocable and unconditional and coupled with an interest and will take such further action or execute such other instruments as may be reasonably necessary to effect the intent of this proxy, and hereby revokes any proxy previously granted with respect hereto.

(p) To the extent any Charter Director, Qurate Director or Cerberus Director is subject to a code of conduct by virtue of their service as a member of the Board, no such code of conduct shall (i) restrict any transfer of securities by the Stockholder designating such Director or its Affiliates (other than with respect to the Charter Director, Qurate Director or Cerberus Director, solely in his or her individual capacity) except as provided herein or as required by applicable law, (ii) impose confidentiality obligations on any such Director that would limit the ability of such Director to share information with the Stockholder designating such Director, (iii) impose any share ownership requirements for such Director or (iv) impose any additional obligations on the Stockholder designating such Director that would, in the case of clauses (i), (ii) and (iv), contravene or limit the rights of any Stockholder under this Agreement, the Certificate of Designations, the Purchase Agreements or any other document or agreement contemplated hereby or thereby, except as required by applicable laws, stock exchange regulations, background check policies or the Settlement with respect to restrictions on overboarding and requirements for interviews and a related party transactions policy and hedging and pledging policy. Notwithstanding anything in this Section 2.1(p) or Section 2.2 to the contrary, any equity securities or other equity-based compensation to which any Charter Director, Qurate Director or Cerberus Director is entitled in such Director's capacity as a director of the Company shall be (from issuance) Transferred by such Director to the Stockholder designating such Director or any Affiliate of such Stockholder, and the Company shall take all actions necessary to permit such Transfer.

(q) If there is any event, transaction or circumstance that may result in any Stockholder, its Affiliates and/or the Director designated by such Stockholder being deemed to have made a disposition or acquisition of equity securities of the Company or derivatives thereof, to or from the Company, respectively, for purposes of Section 16 of the Exchange Act, and if such Director is serving on the Board at such time or has served on the Board at any time during the six (6) months preceding such event, transaction or circumstance, then (i) the Board or a committee thereof composed solely of two or more "non-employee directors" as defined in Rule 16b-3 of the Exchange Act will pre-approve such disposition or acquisition of equity securities of the Company or derivatives thereof, to or from the Company, respectively, for the express purpose of exempting the interests of such Stockholder, its Affiliates and the Director designated by such Stockholder (for the Stockholder and/or its Affiliates, to the extent such persons may be deemed to be "directors by deputation") in such transaction from Section 16(b) of the Exchange Act pursuant to Rule 16b-3 thereunder or (ii) if the transaction involves (A) a merger or consolidation to which the Company is a party and the Capital Stock is, in whole or in part, converted into or exchanged for equity securities of a different issuer, (B) a potential acquisition or deemed acquisition, or disposition or deemed disposition, by a Stockholder, its Affiliates, and/or the Director designated by such Stockholder of equity securities of such other issuer or derivatives thereof and (C) an Affiliate or other designee of such

Stockholder or its Affiliates will serve on the board of directors (or its equivalent) of such other issuer pursuant to the terms of an agreement to which the Company is a party (or if the Stockholder notifies the Company of such service a reasonable time in advance of the closing of such transactions), the Company shall require that such other issuer preapprove any such acquisitions of equity securities or derivatives thereof for the express purpose of exempting the interests of such Stockholder, its Affiliates and the Director designated by such Stockholder (for the Stockholder and/or its Affiliates, to the extent such persons may be deemed to be “directors by deputization” of such other issuer) in such transactions from Section 16(b) of the Exchange Act pursuant to Rule 16b-3 thereunder.

Section 2.2 Director Compensation; Indemnification

(a) Each of the Charter Directors, the Qurate Directors and the Cerberus Directors shall be entitled to receive the same amount and type of compensation that the other non-employee directors receive in consideration for their service on the Board and any committees thereof.

(b) The Company shall indemnify the Directors and provide such Directors with director and officer insurance to the same extent as it indemnifies and provides such insurance to other members of the Board, pursuant to the Certificate of Incorporation, the DGCL or otherwise. The Company acknowledges and agrees that it (i) is the indemnitor of first resort (i.e., its obligations to the Directors are primary and any obligation of the Stockholder or its Affiliates to advance expenses or to provide indemnification for the same expenses or liabilities incurred by Directors designated by such Stockholder are secondary) and (ii) shall be required to advance the amount of expenses incurred by Directors and shall be liable for the amount of all expenses and liabilities incurred by a Director, in each case to the same extent as it advances expenses and is liable for expenses and liabilities incurred by the other members of the Board, pursuant to the Certificate of Incorporation, the DGCL or otherwise, without regard to any rights that a Director may have against any Stockholder or its Affiliates.

(c) Each Stockholder and the Company hereby agree, notwithstanding anything to the contrary in any other agreement or at law or in equity, that, to the maximum extent permitted by law, when such Stockholder or any of its Permitted Transferees takes any action under this Agreement to give or withhold their consent, such Persons shall have no duty (fiduciary or other) to consider the interests of the Company or the other stockholders of the Company and may act exclusively in their own interest; *provided, however*, that the foregoing shall in no way affect the obligations of the parties hereto to comply with the provisions of this Agreement.

Section 2.3 Observers

(a) For so long as a Stockholder beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock (on an as-converted basis), such Stockholder shall be entitled to appoint one individual to attend and observe meetings of the Board or any committee thereof in a non-voting capacity (such individuals, “**Observers**”). The Observers will be permitted (i) to attend and participate at each meeting of the Board or any committee of which the Stockholder’s Director is a member, and (ii) to receive notice of each meeting of the Board and such committee, each written consent in lieu of a meeting and copies of any materials delivered to the Directors in connection therewith at the same time and in the same manner that such notice and such materials are provided to the Directors. Under no circumstances shall any Observers be counted for purposes of voting, quorum or any other reason or be considered a Director. Each Observer shall agree to maintain the confidentiality of all non-public information and proceedings of the Board pursuant to the terms and conditions of a confidentiality agreement in the form attached hereto as Exhibit A. Notwithstanding any rights to be granted or provided to the Observers hereunder, the Company may exclude an Observer from access to any Board or committee materials or information or meeting or portion thereof or written consent if the Board or applicable

committee determines, in good faith, that including such Observer in discussions relating to such determination (but not requiring the affirmative vote of such Observer) and/or that such access would reasonably be expected to (i) adversely affect the attorney-client privilege between the Company, the Board or any committee thereof and such Person's counsel, (ii) result in a conflict of interest with the Company (other than a conflict of interest with respect to the relevant Stockholder's ownership interest in the Company or rights under the documents entered into in connection with the Transactions) or (iii) cause the Board (or such committee) to breach its fiduciary duties; *provided*, that such exclusion shall be limited to the portion of the Board or committee material or information and/or meeting or written consent that is the basis for such exclusion and shall not extend to any portion of the Board or committee material or information and/or meeting or written consent that does not involve or pertain to such exclusion; *provided* that the Board shall treat all similarly situated Observers equally such that no Observer shall be excluded unless all other Observers whose participation in such meeting of the Board, or portions thereof, or receipt of such information, or portions thereof, would result in a similar concern are also excluded. The decision of the Board (or such committee) shall be final and binding on the parties hereto, and each Stockholder hereby waives any objection to such decision and agrees to cause its applicable Observer to not interpose any objection to any such decision. The Observers will not be entitled to compensation from the Company.

(b) Any Observer appointed by the Charter Stockholder may be removed (with or without cause) from time to time and at any time by the Charter Stockholder upon notice to the Company, any Observer appointed by the Qurate Stockholder may be removed (with or without cause) from time to time and at any time by the Qurate Stockholder upon notice to the Company, and any Observer appointed by the Cerberus Stockholder may be removed (with or without cause) from time to time and at any time by the Cerberus Stockholder upon notice to the Company.

Section 2.4 Voting. For so long as a Stockholder beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock on an as-converted basis, such Stockholder covenants to the Company that it shall (a) vote, or provide a written consent or proxy with respect to, its Voting Stock in favor of each Director that the Company is required to nominate in accordance with Section 2.1 at each annual or special meeting of shareholders at which Directors are to be elected and (b) cause its Director(s) to vote for Director appointments required by this Agreement. Each Stockholder and Permitted Transferee shall be present, in person or by proxy, at all meetings of the stockholders of the Company so that all shares of Preferred Stock or Common Stock beneficially owned by the such Persons may be counted for the purposes of determining the presence of a quorum and voted in accordance with this Agreement at such meetings (including at any adjournments or postponements thereof).

Section 2.6 Restriction on Other Agreements. The Stockholders shall not, directly or indirectly, grant any proxy or enter into or agree to be bound by any voting trust, agreement or arrangement of any kind with respect to their shares of Voting Stock if and to the extent the terms thereof conflict with the provisions of this Agreement (whether or not such proxy, voting trust, agreement or agreements are with other holders of shares of Common Stock or Preferred Stock that are not parties to this Agreement or otherwise).

ARTICLE III OWNERSHIP AND TRANSFER OF STOCK

Section 3.1 Restrictions on Transfer.

(a) Subject to the exceptions set forth below, each Stockholder agrees not to, without the prior written consent of the Board (excluding any Directors designated by the Stockholder seeking a Transfer), directly or indirectly, (i) transfer, sell, hypothecate, pledge, grant any option to purchase or otherwise dispose of any shares of Preferred Stock held by such Stockholder, including any shares of Common Stock

issued or issuable upon conversion of such shares of Preferred Stock (“**Lock-Up Shares**”), (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any of, or Hedge, such Lock-Up Shares, whether any such transaction is to be settled by delivery of such securities, in cash or otherwise or (iii) publicly announce any intention to effect any transaction specified in clause (i) or (ii) (the actions specified collectively in clauses (i) – (ii), other than any entry into a cash-settled Hedge, a “**Transfer**”), in each case, for one (1) year after the Closing Date. Thereafter, until the two (2) year anniversary of the Closing Date, subject to the exceptions set forth below, each Stockholder agrees (without the prior written consent of the Board, excluding any Directors designated by the Stockholder seeking a Transfer or cash-settled Hedge) not to Transfer or enter into a cash-settled Hedge with respect to more than 50% of such Stockholder’s Initial Preferred Stock Ownership, including any shares of Common Stock issued or issuable upon conversion of such Preferred Stock; *provided* that in connection with any such Transfer permitted until the two (2) year anniversary of the Closing Date or any Transfer after such date, such Stockholder shall not Transfer any shares of Preferred Stock held by such Stockholder, including any shares of Common Stock issued or issuable upon conversion of such shares of Preferred Stock, to an Activist Investor, to a Competitor or to a Restricted Person, in each case, to the extent that the identity of the transaction counterparty can be reasonably ascertained and such Person meets the applicable definition thereof to such Stockholder’s knowledge after reasonable inquiry (excluding (x) any block trade in which a broker-dealer will attempt to sell the shares to a third-party as agent or other similar transactions with a financial intermediary, (y) any Transfers into the public market pursuant to a bona fide, broadly distributed underwritten public offering or (z) Transfers through a bona fide sale to the public, which is not directed at a particular transferee, without registration effectuated pursuant to Rule 144 under the Securities Act (such transactions in clauses (x) through (z), a “**Marketed Transfer**”)); *provided* that the provisions of the foregoing clause shall not apply in connection with a Transfer of shares of Preferred Stock or Common Stock issued upon conversion of the Preferred Stock in connection with any foreclosure or exercise of remedies under a Permitted Loan in which case only the Foreclosure Limitations shall be applicable. If the Board consents to a Transfer by one Stockholder pursuant to this Section 3.1(a), it shall treat requests for Transfers by other Stockholders in an equivalent manner such that it shall not unreasonably withhold its consent to any substantially similar Transfer by any such other Stockholder.

(b) Any attempt to Transfer in violation of the terms of this Agreement shall be null and void *ab initio* and no right, title or interest therein or thereto shall be transferred to the purported transferee. The Company will not give, and will not permit the Company’s transfer agent to give, any effect to such attempted Transfer on its records.

(c) Subject to Section 6.16, each certificate and/or book-entry interest representing shares of Preferred Stock or Common Stock issuable upon conversion of shares of Preferred Stock held by any Stockholder (or its Permitted Transferees) will bear a legend in substantially the following form:

“The securities represented by this certificate have not been registered under the United States Securities Act of 1933, as amended (the “Act”), or applicable state securities laws and may not be transferred, sold or otherwise disposed of except while a registration statement relating thereto is in effect under the Act and applicable state securities laws or pursuant to an exemption from registration under such or act or such laws. The securities represented by this certificate are subject to transfer restrictions set forth in the Stockholders Agreement, dated as of [], 2021 as it may be amended from time to time by and among comScore, Inc. (the “Company”), Charter Communications Holding Company, LLC, Qurate Retail, Inc., and Pine Investor, LLC (the “Stockholders Agreement”). The Stockholders Agreement contains, among other things, restrictions on the Transfer of the securities of the Company and other restrictions on the actions by certain stockholders of the Company relating to the Company and/or its securities. A copy of the Stockholders Agreement is available upon request from the Company.”

- (d) Notwithstanding anything to the contrary herein, the restrictions set forth in Section 3.1(a) shall not apply to the following:
- (i) Transfers to any Affiliate of such Stockholder, including an affiliated investment fund, co-investment vehicle or aggregator vehicle (or equivalent) controlled, managed or advised by such Stockholder or an Affiliate of such Stockholder;
 - (ii) Transfers by virtue of laws of the state of the entity's organization and the entity's organizational documents upon dissolution of the entity (any transferees pursuant to clauses (i) and (ii), "**Permitted Transferees**");
 - (iii) Transfers in connection with a change of control of a Stockholder;
 - (iv) Transfer or issuances of any limited partnership interests or other equity interests in a Stockholder (or any direct or indirect parent entity of such Stockholder, including any affiliated investment fund, co-investment vehicle or aggregator (or equivalent)) (provided that any transferor or transferee thereof shall be controlled (directly or indirectly) by the Person (directly or indirectly) controlling such Person immediately prior to such transfer);
 - (v) Transfers to the Company, subject to Section 4.1(e);
 - (vi) Transfers in the event of a liquidation, merger, consolidation, stock exchange, business combination, tender offer or other similar transaction which results in all holders of the Company's Voting Stock having the right to exchange their Voting Stock for cash, securities or other property (including, for the avoidance of doubt, any tender offer or exchange offer that is for less than all of the outstanding shares of Common Stock of the Company);
 - (vii) Transfers after commencement by the Company or a significant subsidiary (as such term is defined in Rule 12b-2 under the Exchange Act) of the Company (other than Rentrak, LLC, formerly Rentrak Corporation) of bankruptcy, insolvency or other similar proceedings;
 - (viii) Transfers in connection with a Permitted Loan (and any foreclosure by such financial institution or Transfer to such financial institution in lieu of foreclosure and subsequent sale of the securities), as long as such financial institution agrees with the relevant Stockholder (with the Company as an express third party beneficiary of such agreement) that following such foreclosure or in connection with such Transfer it shall not directly or indirectly Transfer (other than pursuant to a broadly distributed offering or a sale effected through a broker-dealer) such foreclosed or Transferred, as the case may be, Lock-Up Shares to a Competitor, Activist Investor or Restricted Person without the Company's consent (such agreement by the relevant financial institution, the "**Foreclosure Limitations**") (it being understood that a list of Competitors, Activist Investors and Restricted Persons shall be set forth in any issuer agreement entered into at the time of the Permitted Loan or as otherwise agreed between the Company, the relevant Stockholder and/or the relevant financial institution(s), as the case may be). Subject to the Foreclosure Limitations, nothing contained in this Agreement shall prohibit or otherwise restrict the ability of any lender (or its securities' affiliate) or collateral agent to foreclose upon, or accept a Transfer in lieu of foreclosure, and sell, dispose of or otherwise Transfer the Preferred Stock and/or shares of Common Stock issued upon conversion of Preferred Stock (including shares of Common Stock received upon conversion or redemption of the Preferred Stock following foreclosure or Transfer in lieu of foreclosure on a Permitted Loan) mortgaged, hypothecated and/or pledged to secure the obligations of the borrower following an event of default under a Permitted Loan. Subject to the preceding provisions of this clause (viii), in the event that any lender or other creditor under a Permitted Loan transaction (including any agent or trustee on their behalf) or any Affiliate of the foregoing exercises any rights or remedies in respect of the Preferred Stock or the shares of Common Stock issuable or issued upon conversion of the Preferred Stock or any other

collateral for any Permitted Loan, no lender, creditor, agent or trustee on their behalf or Affiliate of any of the foregoing (other than, for the avoidance of doubt, a Stockholder or its Affiliates) shall be entitled to any rights or have any obligations or be subject to any Transfer restrictions or limitations hereunder except and to the extent for those expressly provided for in this Agreement; or

(ix) a Distribution Transaction.

provided that, in the case of clauses (i) and (ii), the Permitted Transferees (if not already a party hereto) must agree in writing to be bound by this Agreement (in a customary form and substance reasonably satisfactory to the Company).

Section 3.2 Standstill. Each Stockholder agrees that, until such time that such Stockholder beneficially owns Voting Stock representing less than 5% of the outstanding shares of Common Stock (on an as-converted basis), none of it or its Affiliates will, directly or indirectly, do any of the following unless requested or approved in advance in writing by the Company:

(a) for a period of twelve months following the Closing Date, acquire, directly or indirectly, by purchase or otherwise, any securities or direct or indirect rights or options to acquire any shares of Preferred Stock or Common Stock (including any derivative securities or contracts or instruments in any way related thereto) of the Company from any other Stockholder or any of its Affiliates; *provided* that the foregoing restriction in this Section 3.2(a) shall not apply to any acquisition pursuant to any Stockholder's exercise of the Right of First Refusal in connection with a Transfer that is permitted by Section 3.1;

(b) acquire, directly or indirectly, by purchase or otherwise, any securities or direct or indirect rights or options to acquire any shares of Preferred Stock or Common Stock (including any derivative securities or contracts or instruments in any way related thereto) of the Company such that after such acquisition the Stockholder and its Affiliates would beneficially own 45% or more of the outstanding shares of Common Stock (on an as-converted basis); *provided* that the foregoing restriction in this Section 3.2(b) shall not apply to any acquisition (i) pursuant to Section 4.2 (Preemptive Rights) of this Agreement or any Stockholder's exercise of its Right of First Refusal in connection with a Transfer that is permitted by Section 3.1 or (ii) that is the result of operation of Section 10 (Anti-Dilution Adjustments) of the Certificate of Designation;

(c) make, or in any way participate in, directly or indirectly, any "**solicitation**" of "**proxies**" (within the meaning of Rule 14a-1 under the Exchange Act) to vote any Voting Stock of the Company or its subsidiaries, or call or seek to call a meeting of the Company's stockholders or initiate any stockholder proposal for action by the Company's stockholders or seek the removal of any director from the Board of the Company (other than pursuant to Article II of this Agreement);

(d) make any public announcement with respect to, or submit a proposal for, or offer of (with or without conditions) any merger, consolidation, business combination, tender or exchange offer, restructuring, recapitalization or other extraordinary transaction of or involving the Company or any of its subsidiaries or their securities or assets (except (i) any nonpublic proposal to the Board that would not require the Company, such Stockholder or any other Person to make any public announcement or other disclosure with respect thereto or (ii) any public disclosure in any filings by the Stockholder or its Affiliates with the SEC to the extent required by applicable law or stock exchange rules);

(e) form, join or in any way participate in a "**group**" (as defined in Section 13(d)(3) of the Exchange Act) in connection with any Voting Stock of the Company or its subsidiaries, including with any other Stockholder or any of its Affiliates; *provided* that taking any action as required by this Agreement shall not constitute a violation of this Section 3.2(e);

(f) take any action that would reasonably be expected to cause or require of the Company to make a public announcement regarding any actions prohibited by this Section 3.2;

(g) contest the validity or enforceability of this Section 3.2; or

(h) enter into any arrangements, understandings or agreements (whether written or oral) with, or advise, assist or encourage, any other persons to do any of the foregoing;

provided, however, that nothing contained in this Section 3.2 shall limit, restrict or prohibit (i) any confidential, non-public discussions with or communications or proposals to management or the Board by the Stockholder, its Affiliates or Representatives related to any of the foregoing, (ii) a Stockholder's ability to vote, Transfer, convert, exercise its rights under Section 4.2 (Preemptive Rights) or Section 3.3 (Right of First Refusal) or otherwise exercise rights with respect to its Common Stock or Preferred Stock in accordance with the terms and conditions of this Agreement and the Certificate of Designations or (iii) the ability of any Stockholder's Director to vote or otherwise exercise his or her duties or otherwise act in his or her capacity as a member of the Board; *provided, further*, that, for the avoidance of doubt, any shares of Preferred Stock and Common Stock held by a Stockholder or its Permitted Transferee shall be subject to the terms and restrictions set forth in this Agreement and the Certificate of Designations, including the limitations on voting set forth in Section 12 of the Certificate of Designations.

Notwithstanding the foregoing, the restrictions set forth in this Section 3.2 shall not apply if any of the following occurs (*provided*, that, in the event any matter described in clauses (a) or (b) of this paragraph has occurred and resulted in the restrictions imposed under this Section 3.2 ceasing to apply to a Stockholder, then, in the event the transaction related to such matter has not occurred within twelve (12) months of the date on which the Stockholder was released from such restrictions, then so long as such transaction is not being actively pursued at such time, the restrictions set forth in this Section 3.2 shall thereafter resume and continue to apply in accordance with their terms (*provided* that such restrictions shall not resume and continue to apply if such Stockholder has publicly taken any tangible steps with respect to any action or matter that would be prohibited by this Section 3.2 and such Stockholder is at that time continuing to pursue such action or matter, in which case such restrictions shall resume and continue to apply following such time as such Stockholder has ceased to pursue such action or matter)): (a) in the event the Company enters into a definitive agreement for a merger, consolidation or other business combination transaction as a result of which the stockholders of the Company would own (including, but not limited to, beneficial ownership) Voting Stock of the resulting corporation having 50% or less of the votes that may be cast generally in an election of directors if all outstanding Voting Stock were present and voted at a meeting held for such purpose; or (b) in the event that a tender offer or exchange offer for at least 50.1% of the Capital Stock of the Company is commenced by a third person (and not involving any breach, by a Stockholder, of this Section 3.2), which tender offer or exchange offer, if consummated, would result in a Change of Control, and either (1) the directors (excluding any Directors designated by the Stockholders) recommend that the stockholders of the Company tender their shares in response to such offer or do not recommend against the tender offer or exchange offer within ten (10) business days after the commencement thereof or such longer period as shall then be permitted under U.S. federal securities laws or (2) the directors (excluding any Directors designated by the Stockholders) later publicly recommend that the stockholders of the Company tender their shares in response to such offer.

Notwithstanding the foregoing, solely with respect to the Qurate Stockholder, references in this Section 3.2 to Affiliates shall mean Affiliates acting at the direction of or in concert with the Qurate Stockholder or any of its Permitted Transferees and any of the foregoing Persons' respective Subsidiaries.

Section 3.3 Right of First Refusal.

Subject to applicable securities laws and to the terms and conditions specified in this Section 3.3 and the other restrictions set forth in this Agreement, each Stockholder, on behalf of itself and its controlled Affiliates, hereby grants to each other Stockholder a right of first refusal as set forth below (the “**Right of First Refusal**”) to purchase shares of Preferred Stock or Common Stock; *provided*, that, notwithstanding anything herein to the contrary, the Right of First Refusal shall not be granted in respect of Cash-settled Exchangeables and Equity Linked Financings.

(a) From and after the Closing Date, no Stockholder or its controlled Affiliate shall, directly or indirectly through Transferring ownership interest of a controlled Affiliate thereof, Transfer any shares of Preferred Stock or Common Stock to another Person (other than Excluded Transfers and any Marketed Transfers) (each, a “**Subject Transaction**”) except in accordance with the following provisions:

(i) If, at any time, a Stockholder (the “**Transferring Stockholder**”) receives a written offer (including from another Stockholder) for a Subject Transaction that the Transferring Stockholder desires to accept, the Transferring Stockholder shall, within three (3) business days following receipt of such offer, deliver, together with a copy of such offer, a written notice (the “**Transfer Notice**”) to each of the other Stockholders (whether or not a party to the proposed Transfer) (together with each such Stockholder’s Permitted Transferees, a “**Non-Transferring Stockholder**”) stating (A) its bona fide intention to Transfer such shares of Preferred Stock and/or Common Stock pursuant to such Subject Transaction, (B) the identity of all proposed parties to such Subject Transaction, (C) the number of such shares of Preferred Stock or Common Stock to be Transferred pursuant to such Subject Transaction (the “**ROFR Amount**”), and (D) the proposed purchase price, which must be payable in cash, and the terms and conditions of the written offer, upon which the Transferring Stockholder proposes to Transfer such shares of Preferred Stock and/or Common Stock (including the proposed date of the closing of the Subject Transaction, which shall in no event be less than forty-five (45) business days from the date of the Transfer Notice) (clauses (B) through (D), collectively, the “**Minimum Terms**”). The Transfer Notice shall constitute the Transferring Stockholder’s irrevocable, binding offer to Transfer such shares of Preferred Stock or Common Stock to the Non-Transferring Stockholders (as between the Non-Transferring Stockholders, pro rata based on their relative beneficial ownership of the Voting Stock at such time) pursuant to the Minimum Terms.

(ii) Within thirty-five (35) business days after receipt of the Transfer Notice, each of the Non-Transferring Stockholders may elect to purchase any portion or all of its pro rata portion of the ROFR Amount at the price and on the terms and conditions specified in the Transfer Notice. In the event that either of the Non-Transferring Stockholders does not elect to purchase its entire pro rata portion of the ROFR Amount within thirty-five (35) business days after the receipt of the Transfer Notice, the Transferring Stockholder shall notify the other Non-Transferring Stockholder of such election, and such other Non-Transferring Stockholder shall have ten (10) business days after its receipt of such notice to purchase the remaining amount of the ROFR Amount in respect of which such Non-Transferring Stockholder’s rights were not exercised pursuant to this Section 3.3(a). At the end of such ten (10) business day period, if none of the Non-Transferring Stockholders have elected to purchase any of the ROFR Amount or all the Non-Transferring Stockholders, collectively, have not elected to purchase, in the aggregate, the entire ROFR Amount, the Non-Transferring Stockholders will be deemed to have declined to exercise their rights under this Section 3.3(a)(ii) with respect to the balance of the ROFR Amount and the Transferring Stockholder shall have forty-five (45) business days (which forty-five (45) business day period will be extended, if the Transferring Stockholder has entered into a definitive agreement in respect of such Transfer prior to such time and the Transfer is subject to regulatory approval, until four (4) business days after such approval or approvals have been received, but in no event by more than an additional forty-five (45) business days) thereafter to sell the entire ROFR Amount, at a price in cash not lower, and upon

other terms and conditions that are not more favorable to the purchasers thereof in any material respect, than the price and the terms and conditions specified in the Transfer Notice. If the Transferring Stockholder has not consummated the Transfer of all or a portion of ROFR Amount within such forty-five (45) business days (or such extended period contemplated by the preceding sentence), the Transferring Stockholder shall not thereafter engage in a Subject Transaction and Transfer any shares of Preferred Stock or Common Stock without first offering such securities to each of the Non-Transferring Stockholders in the manner provided in this Section 3.3(a).

(b) From and after the Closing Date, no Stockholder or its controlled Affiliate shall, directly or indirectly through Transferring ownership interest of a controlled Affiliate thereof, Transfer any shares of Preferred Stock or Common Stock to another Person through a Marketed Transfer (other than an Excluded Transfer) except in accordance with the following provisions:

(i) If a Stockholder intends to execute a Marketed Transfer with respect to shares of Preferred Stock or Common Stock, at least ten (10) business days prior to the proposed initiation date of the Marketed Transfer, such Stockholder shall provide a written notice to the other Stockholders, which notice shall set forth its good faith estimate of the number of shares of Preferred Stock or Common Stock proposed to be Transferred and the proposed purchase price, which must be payable in cash.

(ii) At least five (5) business days prior to the initiation of the Marketed Transfer, the Stockholder shall provide a written notice (a “**Marketing Notice**”) to each of the other Stockholders stating (i) its bona fide intention to Transfer such shares of Preferred Stock and/or Common Stock pursuant to such Marketed Transfer, (ii) the identity of all proposed parties (including any underwriters) to such Marketed Transfer, to the extent known, (iii) the number of such shares of Preferred Stock or Common Stock to be Transferred pursuant to such Marketed Transfer (the “**Marketed Amount**”), and (iv) the proposed purchase price, which must be payable in cash, and the other terms and conditions of the Marketed Transfer (clauses (ii) through (iv), collectively, the “**Marketing Terms**”). The Marketing Notice shall constitute the Transferring Stockholder’s irrevocable, binding offer to Transfer such shares of Preferred Stock or Common Stock to the other Stockholders (as between the other Stockholders, pro rata based on their relative beneficial ownership of the Voting Stock at such time) pursuant to the Marketing Terms.

(iii) Within five (5) business days after receipt of the Marketing Notice, each of the other Stockholders may elect to purchase any portion or all of its pro rata portion of the Marketed Amount at the price and on the terms and conditions specified in the Marketing Notice. At the end of such five (5) business day period, if none of the other Stockholders have elected to purchase any of the Marketed Amount or all the Non-Transferring Stockholders, collectively, have not elected to purchase, in the aggregate, the entire ROFR Amount, the other Stockholders will be deemed to have declined to exercise their rights under this Section 3.3(b)(iii) with respect to the balance of the Marketed Amount and the Transferring Stockholder shall have fifteen (15) business days thereafter to sell through a Marketed Transfer all or any portion of the Marketed Amount in respect of which each of the other Stockholders’ rights were not exercised pursuant to this Section 3.3(b), at a price in cash not lower than 95% of the price set forth in its Marketing Notice, and upon other terms and conditions that are not more favorable to the purchasers thereof in any material respect than the terms and conditions specified in the Marketing Notice. If the Stockholder initiating the Marketed Transfer has not consummated the Marketed Transfer of such Marketed Amount within such fifteen (15) business days, such Stockholder shall not thereafter Transfer any shares of Preferred Stock through a Marketed Transfer without first offering such securities to each of the other Stockholders in the manner provided in this Section 3.3(b).

(c) The closing of the purchase of any ROFR Amount or Marketed Amount by the Stockholder exercising its Right of First Refusal shall occur ten (10) business days after the date on which such Stockholder shall have elected to purchase such ROFR Amount or Marketed Amount; *provided* that, in the event all required regulatory approvals (including, if required, the expiration or other termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended) have not been received prior to the end of such ten (10) business day period, the closing date shall be extended until two (2) business days after all such required approvals have been received. At the closing, the Stockholder Transferring the ROFR Amount or Marketed Amount shall deliver documents conveying title to such ROFR Amount or Marketed Amount to the purchasing Stockholder(s), free and clear of any liens or encumbrances (except for restrictions arising under any applicable securities laws or this Agreement), and any other instruments or instructions required to effectuate such Transfer and the purchase price shall be paid by wire transfer of immediately available funds, to an account designated by the Stockholder Transferring the ROFR Amount or Marketed Amount at least three (3) business days prior to the closing date.

(d) For the avoidance of doubt, this Section 3.3 may only be enforced, amended or waived by, and shall only inure to the benefit of, the Stockholders and their respective successors and permitted assigns, and the Company shall have no right to enforce, and the consent of the Company is not required to amend or waive, the provisions of this Section 3.3; *provided, however*, that the Stockholders shall provide the Company with prior notice of any such amendment or waiver.

(e) Notwithstanding anything in this Agreement to the contrary that limits the ability of a Person to assign or transfer its rights hereunder, a Stockholder that exercises its Right of First Refusal pursuant to this Section 3.3 may designate any of its Permitted Transferees to purchase all or part of the shares of such Preferred Stock and/or Common Stock; *provided* that such Stockholder shall remain obligated to consummate the purchase if such designees fail to do so.

Section 3.4 Issuer Repurchases. Each Stockholder agrees that, at any time when such Stockholder beneficially owns Voting Stock representing at least 45% of the outstanding shares of Common Stock (on an as-converted basis), such Stockholder and its controlled Affiliates will, upon the Company's prior written notice delivered at least five (5) business days before the proposed repurchase, participate pro rata in any open market repurchases of Common Stock by the Company and execute, deliver, acknowledge and file such other documents and take such further actions as may be necessary to give effect to and carry out this agreement; *provided* that each Stockholder shall convert a number of shares of Preferred Stock into Common Stock necessary to participate pro rata in such open market repurchases, to the extent required by this Section 3.4 (without regard to any limitations on conversion contained in the Certificate of Designations); *provided* further that the purchase price for the shares of Common Stock purchased pursuant to this Section 3.4 shall be an amount equal to the greater of: (a) the purchase price proposed to be paid on the open market by the Company for such shares of Common Stock in connection with such open market repurchases and (b) the Liquidation Preference (as defined in the Certificate of Designations) of the shares of Preferred Stock required to be converted into such shares of Common Stock.

Section 3.5 Special Dividend.

(a) On a single occasion after January 1, 2022, upon any Stockholder's written request (delivered to the Company and each other Stockholder), the Company will take all actions reasonably necessary to pay a one-time dividend on the Preferred Stock (the "**Special Dividend**") equal to the highest dividend that the Board determines can be paid at that time subject to the limitations imposed under Delaware law and this Section 3.5, unless within five (5) business days after notification by the Company to the Stockholders of the amount of the highest dividend that can be paid at that time (which dividend shall not be declared or paid during such five (5) business day period), the Stockholders unanimously agree to the payment of a Special Dividend in a lower amount in a writing delivered to the Company. If the Board, pursuant to this Section, determines that the highest amount of Special Dividend that can be paid at such time is less than \$50,000,000, then, unless the Stockholders unanimously agree to the payment of a Special

Dividend of less than \$50,000,000 in a writing delivered to the Company, no Special Dividend shall be declared or paid and the right to request the payment of the Special Dividend pursuant to the first sentence of this [Section 3.5\(a\)](#) shall remain unused and shall remain available. In connection with the foregoing, the Company shall (i) to the extent required based on the Company's financial condition, reasonably promptly seek and obtain financing Indebtedness (the "**Debt Financing**") to effectuate such Special Dividend and (ii) declare and pay such Special Dividend, which, if the Debt Financing is required, shall be paid substantially contemporaneous with, or reasonably promptly after, the consummation of such Debt Financing; *provided* that (A) the Company shall not, and shall not be required to, incur any such Debt Financing in an amount that would cause the Company's Leverage Ratio to be more than 3.00:1.00, determined on a Pro Forma Basis after giving effect to the incurrence of such Debt Financing and the payment of such Special Dividend, and (B) such Debt Financing shall (1) reflect financing and other terms consistent with leveraged finance market practice for non-distressed transactions of this type, taking into account the Company's LTM Adjusted EBITDA at such time and pro forma total leverage ratio and secured leverage ratio for the transaction and other attributes of the Company as compared to other similarly situated borrowers incurring similar amounts of Indebtedness at such time (*provided* that the Company shall not agree in the definitive agreement of such Debt Financing to any restrictions on the payment of cash dividends and/or distributions in respect of the Preferred Stock, subject to conditions no more restrictive to the borrower thereunder than the absence of any continuing "event of default" (or similar term used in the definitive documentation for the Debt Financing)), (2) be obtained without any equity or equity-linked features, and (3) have a maturity date of at least three years after the incurrence of such Debt Financing; *provided, further,* that to the extent that the restrictions in clause (A) of the foregoing proviso would not permit the declaration and payment in full of the maximum amount of the Special Dividend requested by the Stockholder, the Special Dividend shall, to the extent it is at least \$50,000,000, nonetheless be effectuated to the maximum amount permitted by clause (A). Notwithstanding the foregoing, if \$100,000,000 of Special Dividends and Annual Dividends (as defined in the Certificate of Designations), in aggregate, have been paid on the Preferred Stock, the Company will use any remaining amount of the Special Dividend requested by the Stockholder to pay a pro rata dividend (the "**Pro Rata Dividend**") on the Common Stock (with the Preferred Stock participating on an as-converted basis in accordance with Section 4(f) of the Certificate of Designation). For the avoidance of doubt, the Company shall only be obligated to pay a Special Dividend pursuant to this [Section 3.5](#) one time, subject to the second sentence of this [Section 3.5\(a\)](#). If any of the Stockholders requests the payment of a Special Dividend pursuant to this [Section 3.5](#), and such Special Dividend is paid, thereafter, no Stockholder shall be entitled to any further rights pursuant to this [Section 3.5](#), subject to the second sentence of this [Section 3.5\(a\)](#).

(b) For the avoidance of doubt, the Special Dividend shall constitute a "Special Dividend" under Section 4(g) of the Certificate of Designations, except for the portion, if any, comprising the Pro Rata Dividend, which shall constitute a "Participating Dividend" for purposes of Section 4(f) of the Certificate of Designations. Notwithstanding the foregoing or anything to the contrary provided elsewhere herein, (x) the Company shall not be required to take any action that the Company reasonably believes may be prohibited by applicable law, or any action that the Company reasonably believes may constitute a fraudulent conveyance or fraudulent transfer under applicable law and (y) the Company may delay, for a reasonable period of time not to exceed 20 business days, the transactions contemplated by a Stockholder's request pursuant to this [Section 3.5](#) if pursuing and/or consummating such transaction at such time is not, in the good faith opinion of the Board, in the best interest of the Company because it would (1) materially impede, delay or interfere with any material pending or proposed financing, acquisition, corporate reorganization or other similar transaction involving the Company, (2) materially adversely impair the consummation of any pending or proposed material offering or sale of any class of securities by the Company or (3) require disclosure of material nonpublic information that, if disclosed at such time, would be materially harmful to the interests of the Company and its stockholders.

Section 3.6 Distribution Transaction. In the event the Qurate Stockholder desires to effect a Distribution Transaction after the Closing Date in which it will transfer Voting Stock to a Qualified Distribution Transferee, the Company, the Stockholders and the Qualified Distribution Transferee shall enter into an amendment to this Agreement on or prior to the date of consummation of such Distribution Transaction reasonably satisfactory to each such party pursuant to which the Qualified Distribution Transferee shall assume all rights and obligations of the Qurate Stockholder hereunder, and thereafter, references herein to the Qurate Stockholder shall be deemed references to the Qualified Distribution Transferee. All reasonable, documented out-of-pocket expenses incurred by the Company in connection with the foregoing shall be borne by the Qurate Stockholder and its Affiliate effecting such Distribution Transaction. Notwithstanding anything in this Agreement to the contrary, upon the transfer of all of the Qurate Stockholder's Voting Stock to one or more Qualified Distribution Transferees, the Qurate Stockholder shall cease to have any obligations under this Agreement.

Section 3.7 Antitrust Filing. If, in connection with the exercise of the rights of any Stockholder or the Company pursuant to, or the applicability of any terms of, the Certificate of Designations or this Agreement, a filing is required pursuant to any applicable Antitrust Laws, then the Company, on the one hand, and the applicable Stockholder, on the other hand, shall, at the request of the Stockholder, (a) as promptly as practicable, make, or cause or be made, all filings and submissions required under applicable Antitrust Laws, and (b) use their commercially reasonable efforts to obtain, or cause to be obtained, approval of the transaction associated with the filing or the termination or expiration of the applicable waiting period ("**Antitrust Approval**"); and notwithstanding anything to the contrary in the Certificate of Designations or this Agreement, the rights so exercised (or other action taken by the application of the terms thereof) shall be contingent upon, and subject to, the receipt of any required Antitrust Approval (as determined by the Stockholder) and such rights (or other action taken by the application of the terms thereof) shall be delayed until such Antitrust Approval is received; *provided* that (i) with respect to any such filing resulting from the exercise of a Stockholder's rights under the Certificate of Designations or this Agreement, any filing or submission fees required under the applicable Antitrust Laws shall be paid by such Stockholder and (ii) with respect to any such filing resulting from the exercise of the Company's rights under the Certificate of Designations or this Agreement (or other action taken by the application of the terms thereof), any filing or submission fees required under the applicable Antitrust Laws shall be paid by the Company.

ARTICLE IV GOVERNANCE AND OTHER RIGHTS

Section 4.1 Adverse Changes. The prior written consent of each of the Charter Stockholder, the Qurate Stockholder and the Cerberus Stockholder will be necessary for the Company to directly or indirectly effect or validate any of the following actions, whether or not such approval is required pursuant to the DGCL for as long as such Stockholder beneficially owns Voting Stock representing at least 10% of the outstanding shares of Common Stock (on an as-converted basis):

(a) any amendment, waiver, alteration or repeal (whether by merger, consolidation or otherwise) of any provision of the Certificate of Incorporation (including the Certificate of Designations) or Bylaws;

(b) any action to authorize, create, increase the number of authorized or issued shares of, reclassify any security into, issue or sell any additional Preferred Stock, any Parity Stock or Senior Stock or any other class or series of Capital Stock of the Company ranking senior to, or on a parity basis with, the Preferred Stock as to dividend rights or rights on the distribution of assets on any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company or any securities or derivatives convertible or exercisable into, or exchangeable for, any of the foregoing securities;

(c) the consummation of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company or the filing of a petition under bankruptcy or insolvency law;

(d) the consummation by the Company of any transaction that would constitute a Change of Control;

(e) any redemption, purchase, acquisition (either directly or through any Subsidiary) or other liquidating payment relating to, any equity securities of the Company (other than redemptions, purchases or other acquisitions in accordance with the net settlement and net exercise features in any employment contract, benefit plan or other similar arrangement with or for the benefit of current or former employees, officers, directors or consultants);

(f) increasing or decreasing the number of directors on the Board or the number of directors on the compensation committee or nomination and governance committee of the Board (except in accordance with the provisions of this Agreement or for purposes of effectuating the appointment right of a Stockholder in Section 2.1);

(g) changing the nature of the Company's business in any material respect;

(h) changing the entity classification of the Company for U.S. federal income tax purposes;

(i) creating, or authorizing the creation of, or issuing, or authorizing the issuance of, any Indebtedness that would cause the Company's Leverage Ratio to exceed 3.00:1.00, determined on a Pro Forma Basis after giving effect to the incurrence of such Indebtedness;

(j) hiring, terminating or replacing the Chief Executive Officer of the Company;

(k) declaring any cash dividend on, or making any cash distributions relating to, Junior Stock or Parity Stock other than pursuant to the last sentence of Section 3.5(a);

(l) adopting a shareholder rights plan that does not exempt such Stockholder and its Affiliates and Permitted Transferees from being an "acquiring person" as a result of its holdings as of adoption of the shareholder rights plan (it being understood that such exemption need not relieve any Stockholder from any other restrictions under this Agreement, the Certificate of Designations, the Purchase Agreements or any other document contemplated hereby or thereby);

(m) entering into, or amending, any Related Party Transaction (other than any such transaction substantially comparable to a previously approved transaction with the same party entered in the ordinary course of business on terms that are no less favorable to the Company in the aggregate than

(i) the terms of such previously approved transaction in all material respects and (ii) terms that could have been reached with an unrelated third party on a negotiated, arm's-length basis); *provided* that any consent with respect to such Related Party Transaction shall not be unreasonably withheld, conditioned or delayed; and

(n) permitting any significant subsidiary (as such term is defined in Rule 12b-2 under the Exchange Act) of the Company to take any of the actions that the Company is prohibited from taking as set forth above.

For purposes of this Section 4.1, the filing in accordance with applicable law of a certificate of designations or any similar document setting forth or changing the designations, powers, preferences, rights, qualifications, limitations and restrictions of any class or series of stock of the Company shall be deemed an amendment to the Certificate of Incorporation.

Section 4.2 Preemptive Rights.

(a) Except for the issuance of Excluded Securities or pursuant to the conversion or exercise of any Capital Stock outstanding on the Closing Date, if, following the Closing Date, the Company authorizes the issuance or sale of any Capital Stock to any Person or Persons (the “**Offeree**”), the Company shall first offer to sell to the Qualified Stockholders a portion of such Capital Stock equal to the quotient determined by dividing (1) the number of shares of Common Stock beneficially owned by such Qualified Stockholder at such time (determined on an as-converted basis), by (2) the total number of shares of Common Stock then issued and outstanding immediately prior to such issuance (determined on an as-converted basis) (the “**Preemptive Percentage**”); *provided*, that a Qualified Stockholder shall not be entitled to acquire any such Capital Stock pursuant to this Section 4.2 to the extent the issuance of such Capital Stock to such Qualified Stockholder would require approval of the stockholders of the Company as a result of such Qualified Stockholder’s status, if applicable, as an Affiliate of the Company or pursuant to the rules and listing standards of NASDAQ, in which case the Company may consummate the proposed issuance of the Capital Stock to other Persons prior to obtaining approval of the stockholders of the Company (subject to compliance by the Company with Section 4.2(f), below). The Qualified Stockholders shall be entitled to purchase such Capital Stock at the same price as such Capital Stock is to be offered to the Offeree; *provided* that, if the Offeree is required to also purchase other Capital Stock, the Qualified Stockholders shall also be required to purchase the same Capital Stock (at the same price) that the Offeree is required to purchase. The Qualified Stockholders electing to purchase their pro rata share of the Capital Stock authorized for issuance or sale to the Offeree (“**Participating Stockholders**”) will take all necessary actions in connection with the consummation of the purchase transactions contemplated by this Section 4.2 as requested by the Board, including the execution of all agreements, documents and instruments in connection therewith in the form presented by the Company, so long as such agreements, documents and instruments are on customary forms for a transaction of this type and do not require such Participating Stockholders to make or agree to any representation, warranty, covenant or indemnity that is more burdensome than that required of the Offeree in the agreements, documents or instruments in connection with such transaction. If any Qualified Stockholder elects not to purchase any such Capital Stock, or not to purchase all of such Qualified Stockholder’s pro rata portion thereof, each other Qualified Stockholder who has elected to purchase all of such Qualified Stockholder’s full pro rata share of the Capital Stock authorized for issuance or sale to the Offeree (a “**Fully Participating Stockholder**”) shall be entitled to purchase an additional number of shares of such Capital Stock as set forth below. If a Fully Participating Stockholder desires to purchase such Capital Stock in excess of the portion allocated to such Fully Participating Stockholder pursuant to the first sentence of this Section 4.2(a), then such Fully Participating Stockholder shall be entitled to purchase a number of shares of Capital Stock equal to the aggregate number of shares of Capital Stock that the other Qualified Stockholders elected not to purchase pursuant to the first sentence of this Section 4.2(a); *provided* that, if there is an oversubscription in respect of such remaining Capital Stock due to more than one Fully Participating Stockholder requesting additional Capital Stock, the oversubscribed amount shall be fully allocated among the Fully Participating Stockholders pro rata based on such Fully Participating Stockholders’ relative Preemptive Percentage.

(b) In order to exercise its purchase rights hereunder, a Qualified Stockholder must, within 15 days after receipt of written notice from the Company describing the Capital Stock being offered, the purchase price thereof, the payment terms and such Qualified Stockholder’s percentage allotment, deliver a written notice to the Company describing its election hereunder (which election shall be absolute and unconditional other than being conditioned upon the consummation of the issuance to the Offeree).

(c) During the 90 days following the expiration of the 15-day offering period described above, the Company shall be entitled to sell the shares of Capital Stock, which the Qualified Stockholders have not elected to purchase, to the Offeree at no less than the purchase price, and upon other terms no more favorable than those, stated in the notice provided under Section 4.2(b) (in addition to the portion of the

Capital Stock the Company is not required to offer to the Qualified Stockholders pursuant to the first sentence of Section 4.2(a)). Any Capital Stock proposed to be offered or sold by the Company to the Offeree after such 90-day period, or at a price not complying with the immediate preceding sentence, must be reoffered to the Qualified Stockholders pursuant to the terms of this Section 4.2 prior to any sale to the Offeree.

(d) In the event that a Qualified Stockholder is not entitled to acquire any Capital Stock pursuant to Section 4.2(a), because such issuance would require the Company to obtain stockholder approval in respect of the issuance of such Capital Stock to such Qualified Stockholder as a result of any such Qualified Stockholder's status, if applicable, as an Affiliate of the Company or pursuant to the rules and listing standards of NASDAQ, the Company shall, upon the Qualified Stockholder's reasonable request delivered to the Company in writing within seven (7) business days following its receipt of the written notice of such issuance to the Qualified Stockholder pursuant to Section 4.2(b), at the Qualified Stockholder's election, (i) waive the restrictions set forth in Section 3.2 solely to the extent necessary to permit such Qualified Stockholder to acquire such number of shares of Capital Stock equivalent to its Preemptive Percentage of such issuance such Qualified Stockholder would have been entitled to purchase had it been entitled to acquire such Capital Stock pursuant to Section 4.2(a); (ii) consider and discuss in good faith modifications proposed by the Qualified Stockholder to the terms and conditions of such portion of the Capital Stock which would otherwise be issued to the Qualified Stockholder such that the Company would not be required to obtain stockholder approval in respect of the issuance of such new Capital Stock as so modified; and/or (iii) solely to the extent that stockholder approval is required in connection with the issuance of Capital Stock to Persons other than the Qualified Stockholders, use reasonable best efforts to seek stockholder approval in respect of the issuance of any Capital Stock to the Qualified Stockholders.

(e) In the case of the offering of Capital Stock for consideration in whole or in part other than cash, including securities acquired in exchange therefor (other than securities by their terms so exchangeable), the consideration other than cash shall be deemed to be the fair value thereof as reasonably determined by the Board; *provided, however*, that such fair value as determined by the Board shall not exceed the aggregate market price of the securities being offered as of the date the Board authorizes the offering of such securities.

(f) Notwithstanding the foregoing, the Company shall be permitted to sell Capital Stock pursuant to an at-the-market offering program without first offering such Capital Stock to the Stockholders pursuant to this Section 4.2; *provided* that promptly following such sale, each Stockholder shall be offered the right to purchase Capital Stock in such amount necessary to achieve the same economic effect to such Stockholder as contemplated by, and subject to, this Section 4.2, if such offer would have been made prior to such sale; *provided* that in such case there shall be deemed to be no dilution to the Preemptive Percentage (or equivalent concepts used to measure or describe the Stockholder's percentage ownership of the Common Stock on an as-converted basis) for any purpose under this Agreement (including, for the avoidance of doubt, Section 2.1, Section 3.3 and Section 4.2) of any Stockholder who did not purchase the shares of Capital Stock at the time of the initial sale in such at-the-market offering as a result of the application of Section 4.2(f) until such Stockholder has exercised or declined to exercise or waived its rights under the first proviso of this Section 4.2(f) with respect to such proposed issuance of Capital Stock and, for the avoidance of doubt, in the case of any such decline to exercise or waiver of rights under the first proviso of this Section 4.2(f), the Preemptive Percentage shall be diluted accordingly.

(g) Notwithstanding anything in this Agreement to the contrary that limits the ability of a Person to assign or transfer its rights hereunder, a Participating Stockholder may designate any of its Permitted Transferees to purchase all or part of the shares of Capital Stock offered pursuant to Section 4.2(a); *provided* that such Participating Stockholder shall remain obligated to consummate the purchase if such designees fail to do so.

**ARTICLE V
TERMINATION**

Section 5.1 Termination. This Agreement shall terminate with respect to any particular Stockholder upon the mutual agreement in writing among the Company and such Stockholder; *provided* that this Agreement shall terminate automatically as to any particular Stockholder and its Permitted Transferees (within the meaning of clauses (i) and (ii) of such defined term) at such time as such Stockholder no longer beneficially owns at least 5% of the outstanding shares of Common Stock (on an as-converted basis) at any time.

**ARTICLE VI
MISCELLANEOUS**

Section 6.1 Patents.

(a) *Right of First Offer.* Without limiting the rights of the Charter Stockholder under Section 6.1(b), if the Company or any of its Subsidiaries contemplates the sale or other disposition of any patent or patent application (patents and patent applications collectively, the “**Patents**”), other than in connection with the sale of all or substantially all of the Company’s business, a Change of Control or a sale or transfer to or between the Company and its Subsidiaries, the Company shall first make an offering of each such Patent to the Charter Stockholder in accordance with the following provisions:

(i) The Company shall deliver a written notice (the “**Patent ROFO Notice**”) to the Charter Stockholder stating (A) its bona fide intention to sell or otherwise dispose of each such Patent, (B) if applicable, the identity of all contemplated parties to such sale or disposition, (C) each Patent to be disposed, and (D) the price and the terms and conditions upon which the Company intends to dispose of such Patents.

(ii) Within forty-five (45) business days after receipt of the Patent ROFO Notice, the Charter Stockholder may elect to purchase all or a portion of the Patents identified in such Patent ROFO Notice at the price and on the terms and conditions specified in the Patent ROFO Notice, by providing written notice to the Company. If the Charter Stockholder does not elect to purchase all of the Patents identified in such Patent ROFO Notice within forty-five (45) business days after the receipt of the Patent ROFO Notice, the Company or its applicable Subsidiary shall have forty-five (45) business days thereafter to sell the remaining Patents in respect of which the Charter Stockholder’s rights were not exercised pursuant to this Section 6.1(a), subject to Section 6.1(b). If neither the Company nor its applicable Subsidiary has sold such remaining Patents within forty-five (45) business days of the Patent ROFO Notice, the Company shall not, and shall cause its Subsidiaries not to, thereafter dispose of any such Patents without first offering such Patents to the Charter Stockholder in the manner provided in this Section 6.1(a).

(b) *Right of First Refusal.* Without limiting the rights of the Charter Stockholder under Section 6.1(a), if the Company or any of its Subsidiaries receives a bona fide written offer with respect to the sale or other disposition of any Patents, other than in connection with the sale of all or substantially all of the Company’s business, a Change of Control or a sale or transfer to or between the Company and its Subsidiaries (such sale or other disposition, a “**Subject Patent Transaction**”), the Company shall not, and shall cause Subsidiaries not to, enter into such Subject Patent Transaction except in accordance with the following provisions:

(i) If, at any time, the Company or any of its Subsidiaries receives a bona fide written offer for a Subject Patent Transaction that the Company or the applicable Subsidiary desires to accept, the Company shall, within three business days following receipt of such offer, deliver, together with a copy of such offer, a written notice (the “**Patent ROFR Notice**”) to the Charter Stockholder stating (A) its bona

fide intention to enter into such Subject Patent Transaction, (B) the identity of all proposed parties to such Subject Patent Transaction, (C) the Patents subject to the Subject Patent Transaction, and (D) the price and the terms and conditions of the written offer, upon which the Company proposes to dispose of such Patents (including the proposed date of the closing of the Subject Patent Transaction, which shall in no event be less than forty-five (45) business days from the date of the Patent ROFR Notice) (clauses (B) through (D), collectively, the “**Minimum Patent Terms**”). The Patent ROFR Notice shall constitute the Company’s irrevocable, binding offer to sell or otherwise dispose the Patents to the Charter Stockholder pursuant to the Minimum Patent Terms.

(ii) Within forty-five (45) business days after receipt of the Patent ROFR Notice, the Charter Stockholder may elect to purchase all or a portion of the Patents identified in such Patent ROFR Notice at the price and on the terms and conditions specified in the Patent ROFR Notice, by providing written notice to the Company. If the Charter Stockholder does not elect to purchase all of the Patents identified in such Patent ROFR Notice within forty-five (45) business days after the receipt of the Patent ROFR Notice, the Company or its applicable Subsidiary shall have forty-five (45) business days thereafter to sell the remaining Patents in respect of which the Charter Stockholder’s rights were not exercised pursuant to this Section 6.1(b), at a price not lower, and upon other terms and conditions that are not more favorable to the purchasers thereof in any material respect, than the price and the terms and conditions specified in the Patent ROFR Notice. If neither the Company nor its applicable Subsidiary has consummated the sale or other disposition of such remaining Patents within forty-five (45) business days of the Patent ROFR Notice, the Company shall not, and shall cause its Subsidiaries not to, thereafter sell or otherwise dispose of any such Patents without first offering such Patents to the Charter Stockholder in the manner provided in this Section 6.1(b).

(c) *Beneficiary*. This Section 6.1 may only be enforced by, and shall inure to the benefit of only, the Charter Stockholder, the Company and their respective successors and permitted assigns, and neither the Qurate Stockholder nor the Cerberus Stockholder shall have any right to enforce the provisions of this Section 6.1. Neither this Section 6.1 nor any of the rights or obligations hereunder shall be assigned or delegated by the Charter Stockholder (other than to an Affiliate thereof) or the Company without the prior written consent of the other party.

Section 6.2 Notices. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be personally delivered, sent by nationally recognized overnight courier, mailed by registered or certified mail or be sent by electronic mail to such party at the address set forth below (or such other address as shall be specified by like notice). Notices will be deemed to have been duly given hereunder if (i) personally delivered, when received, (ii) sent by nationally recognized overnight courier, one business day after deposit with the nationally recognized overnight courier, (iii) mailed by registered or certified mail, five business days after the date on which it is so mailed, and (iv) sent by electronic mail with confirmed receipt by the intended recipient thereof on the date sent so long as such communication is transmitted before 5:00 p.m. in the time zone of the receiving party on a business day, otherwise, on the next business day; *provided* that any notice sent pursuant to clauses (i), (ii) or (iii) shall be accompanied by notice sent by email within one business day after dispatch by such method.

(b) If to the Stockholders, to the addresses set forth on the signature pages hereto.

Section 6.3 Severability. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any person or any circumstance, is found to be invalid or unenforceable in any jurisdiction, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 6.4 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which, taken together, shall be considered one and the same agreement.

Section 6.5 Entire Agreement; No Third Party Beneficiaries. This Agreement (a) constitutes the entire agreement and supersedes all other prior agreements, both written and oral, among the parties hereto with respect to the subject matter hereof and (b) is not intended to confer upon any person, other than the parties hereto, any rights or remedies hereunder.

Section 6.6 Further Assurances. Each party hereto shall execute, deliver, acknowledge and file such other documents and take such further actions as may be reasonably requested from time to time by the other parties hereto to give effect to and carry out the transactions contemplated herein.

Section 6.7 Governing Law; Equitable Remedies.

(a) This Agreement and all actions, proceedings or counterclaims (whether based on contract, tort or otherwise) arising out of or relating to this Agreement or the actions of the Stockholders or the Company in the negotiation, administration, performance and enforcement thereof, shall be governed by, and construed in accordance with the laws of the State of Delaware, including its statute of limitations, without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(b) The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with its specific terms or were otherwise breached. It is accordingly agreed that the parties hereto shall be entitled to an injunction or injunctions and other equitable remedies to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in any of the Chosen Courts (as defined below), this being in addition to any other remedy to which they are entitled at law or in equity. Any requirements for the securing or posting of any bond with respect to such remedy are hereby waived by each of the parties hereto. Each party hereto further agrees that, in the event of any action for an injunction or other equitable remedy in respect of such breach or enforcement of specific performance, it will not assert the defense that a remedy at law would be adequate.

Section 6.8 Consent To Jurisdiction.

(a) Each of the parties: (i) irrevocably consents to the service of the summons and complaint and any other process (whether inside or outside the territorial jurisdiction of the Chosen Courts) in any Legal Proceeding relating to this Agreement, for and on behalf of itself or any of its properties or assets, in accordance with Section 6.2 or in such other manner as may be permitted by applicable law, and nothing in this Section 6.8 will affect the right of any party to serve legal process in any other manner permitted by

applicable law; (ii) irrevocably and unconditionally consents and submits itself and its properties and assets in any Legal Proceeding to the exclusive general jurisdiction of the Court of Chancery of the State of Delaware and any state appellate court therefrom within the State of Delaware (or, solely if the Court of Chancery of the State of Delaware declines to accept jurisdiction over a particular matter, any other state or federal court within the State of Delaware) (the “**Chosen Courts**”) in the event of any dispute or controversy relating to or arising out of this Agreement or the transactions contemplated hereby or thereby; (iii) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court; (iv) agrees that any Legal Proceeding relating to or arising out of this Agreement or the transactions contemplated hereby or thereby will be brought, tried and determined only in the Chosen Courts; (v) waives any objection that it may now or hereafter have to the venue of any such Legal Proceeding in the Chosen Courts or that such Legal Proceeding was brought in an inconvenient court and agrees not to plead or claim the same; and (vi) agrees that it will not bring any Legal Proceeding relating to or arising out of this Agreement or the transactions contemplated hereby or thereby in any court other than the Chosen Courts unless the Chosen Courts issue a final judgment determining that such court lacks jurisdiction. Each Stockholder and the Company agrees that a final judgment and any interim relief (whether equitable or otherwise) in any Legal Proceeding in the Chosen Courts will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE PURSUANT TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT THAT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING (WHETHER FOR BREACH OF CONTRACT, TORTIOUS CONDUCT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT. EACH PARTY ACKNOWLEDGES AND AGREES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER; (ii) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER; (iii) IT MAKES THIS WAIVER VOLUNTARILY; AND (iv) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 6.8.

Section 6.9 Amendments; Waivers.

(a) No provision of this Agreement may be amended or waived unless such amendment or waiver is in writing and signed (i) in the case of an amendment, by each of the parties hereto, and (ii) in the case of a waiver, by each of the parties against whom the waiver is to be effective, subject to the last sentence of Section 3.3.

(b) No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 6.10 Mutual Drafting. This Agreement shall be deemed to be the joint work product of the parties, and any rule of construction that a document shall be interpreted or construed against a drafter of such document shall not be applicable.

Section 6.11 Assignment. Neither this Agreement nor any of the rights or obligations hereunder shall be assigned or delegated by any of the parties hereto without the prior written consent of the other parties; *provided* that:

(a) Subject to the restrictions in Section 6.1(c), the rights and obligations of a Stockholder under this Agreement may be assigned to any Permitted Transferee of such Stockholder without the consent of any other party; *provided*, that (i) the Company is, within a reasonable time prior to such assignment, furnished with written notice of the name and address of such Permitted Transferee; and (ii) such Permitted Transferee agrees in writing to be bound by the provisions of this Agreement, including the rights, interests and obligations so assigned.

(b) In connection with a Transfer by a Stockholder (each, an “**Assigning Stockholder**”) of least 50% of a Stockholder’s Initial Preferred Stock Ownership to a transferee (who is not a Permitted Transferee of such Assigning Stockholder or the Cerberus Stockholder, Qurate Stockholder or Charter Stockholder), such Assigning Stockholder will have the right, at its election, but subject to the restrictions in Section 6.1(c), to assign its rights and obligations under this Agreement as follows:

(i) such Assigning Stockholder may elect to cause such transferee to succeed such Assigning Stockholder as such Assigning Stockholder hereunder (*i.e.*, as the Cerberus Stockholder, Qurate Stockholder or Charter Stockholder, as applicable), in which case, (A) such Assigning Stockholder shall be entitled to all of the rights and subject to all restrictions, conditions and obligations of such Assigning Stockholder hereunder (including the rights afforded under Section 2.1, Section 2.3, Section 3.5 and Section 4.1) and, for the avoidance of doubt, only such transferee’s (and its Permitted Transferees’) ownership of Preferred Stock and Common Stock shall be considered for purposes of such transferee satisfying the applicable ownership thresholds in this Agreement, and (B) if, following such Transfer, such Assigning Stockholder (and its Permitted Transferees) continue to beneficially own at least 5% of the outstanding shares of Common Stock (on an as-converted basis), such Assigning Stockholder shall, for so long as it (and its Permitted Transferees) continues to beneficially own at least 5% of the outstanding shares of Common Stock (on an as-converted basis), remain entitled to all rights and subject to all restrictions, conditions and obligations of a Stockholder generally set forth in this Agreement (but excluding the rights afforded under Sections 2.1, Section 2.3, Section 3.5, Section 4.1 and Section 6.1); or

(ii) such Assigning Stockholder may elect to cause such transferee to be treated as a Stockholder generally hereunder, in which case (A) such transferee shall be entitled to all of the rights and shall be subject to all restrictions, conditions and obligations of a Stockholder generally hereunder (other than rights afforded under Section 2.1, Section 2.3, Section 3.5 and Section 4.1) and (B) such Assigning Stockholder shall continue as the Assigning Stockholder hereunder (*i.e.*, the Cerberus Stockholder, Qurate Stockholder or Charter Stockholder, as applicable) and remain entitled to all rights and subject to all restrictions, conditions and obligations of such Assigning Stockholder set forth in this Agreement (including the rights afforded under Section 2.1, Section 2.3, Section 3.5 and Section 4.1) based on such Assigning Stockholder’s and its (and its Permitted Transferees’) ownership of Preferred Stock and Common Stock after giving effect to such Transfer;

provided, that such transferee agrees in writing to be bound by the provisions of this Agreement, including the rights, interests and obligations so assigned.

(c) Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and permitted assigns. The Company agrees that, if requested by an Assigning Stockholder in connection with a Transfer contemplated by Section 6.11(b)(ii), prior to the transferee becoming an “interested stockholder” (as such term is defined in Section 203(c)(5) of the DGCL) with respect to the Company, the Board shall approve (x) such transferee Stockholder as an “interested stockholder” within the meaning of Section 203(c)(5) of the DGCL and (y) the receipt of Capital Stock by such transferee Stockholder pursuant to such Transfer for purposes of Section 203(a)(1) of the DGCL.

Section 6.12 Performance. Each Stockholder shall cause to be performed, and hereby guarantees the performance of, all actions, agreements and obligations set forth in this Agreement to be performed by any of its Subsidiaries and/or Affiliates and representatives. The Company shall cause to be performed, and hereby guarantees the performance of, all actions, agreements and obligations set forth in this Agreement to be performed by any of its Subsidiaries and/or Affiliates and representatives. Each party (including its permitted successors and assigns) further agrees that it shall (a) give timely notice of the terms, conditions and continuing obligations contained in this Section 6.12 to all of their respective Affiliates and representatives and (b) cause all of their respective Affiliates and representatives not to take, or omit to take, any action which action or omission would violate or cause such party to violate this Agreement.

Section 6.13 Independent Nature of Stockholders' Obligations and Rights. The obligations of each Stockholder under this Agreement are several and not joint with the obligations of any other Stockholder, and a Stockholder shall not be responsible in any way for the performance of the obligations of any other Stockholder under this Agreement. Nothing contained herein, and no action taken by a Stockholder pursuant hereto shall be deemed to constitute a partnership, an association, a joint venture or any other kind of entity between the Stockholder and the other Stockholders, or create a presumption that the Stockholder and the other Stockholder(s) are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Agreement. Each Stockholder shall be entitled to independently protect and enforce its rights, including the rights arising out of this Agreement or the Certificate of Designation, and it shall not be necessary for the other Stockholders to be joined as an additional party in any proceeding for such purpose.

Section 6.14 Business Opportunities. To the fullest extent permitted by Section 122(17) of the DGCL (or any successor provision) and except as may be otherwise expressly agreed in writing by the Company and the Stockholders, the Company, on behalf of itself and its Subsidiaries, renounces any interest or expectancy of the Company and its Subsidiaries in, or in being offered an opportunity to participate in, business opportunities, that are from time to time presented to the Stockholders or any of their respective officers, representatives, directors, agents, stockholders, members, partners, Affiliates, Subsidiaries (other than the Company and its Subsidiaries), or any of their respective designees on the Board and/or any of their respective representatives who, from time to time, may act as officers of the Company, even if the opportunity is one that the Company or its Subsidiaries might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the opportunity to do so, and no such person shall be liable to the Company or any of its Subsidiaries for breach of any fiduciary or other duty, as a director or officer or otherwise, by reason of the fact that such person pursues or acquires such business opportunity, directs such business opportunity to another person or fails to present such business opportunity, or information regarding such business opportunity, to the Company or its Subsidiaries unless such business opportunity is disclosed to the applicable director or officer in his or her capacity as such. Any Person purchasing or otherwise acquiring any interest in any shares of Capital Stock of the Company shall be deemed to have notice of and consented to the provisions of this Section 6.14. Neither the alteration, amendment or repeal of this Section 6.14, nor the adoption of any provision of the Certificate of Incorporation or this Certificate of Designations inconsistent with this Section 6.14, nor, to the fullest extent permitted by Delaware law, any modification of law, shall eliminate or reduce the effect of this Section 6.14 in respect of any business opportunity first identified or any other matter occurring, or any cause of action, suit or claim that, but for this Section 6.14, would accrue or arise, prior to such alteration, amendment, repeal, adoption or modification. If any provision or provisions of this Section 6.14 shall be held to be invalid, illegal or unenforceable as applied to any circumstance for any reason whatsoever: (a) the validity, legality and

enforceability of such provisions in any other circumstance and of the remaining provisions of this Section 6.14 (including, without limitation, each portion of any paragraph of this Section 6.14 containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and (b) to the fullest extent possible, the provisions of this Section 6.14 (including, without limitation, each such portion of any paragraph of this Section 6.14 containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to permit the Company to protect its directors, officers, employees and agents from personal liability in respect of their good faith service to or for the benefit of the Company to the fullest extent permitted by law. This Section 6.14 shall not limit any protections or defenses available to, or indemnification or advancement rights of, any director, officer, employee or agent of the Company under the Certificate of Incorporation, the Bylaws, any other agreement between the Company and such director, officer, employee or agent or applicable law.

Section 6.15 Information Rights.

(a) Following the Closing Date and so long as the Stockholder continues to beneficially own a number of shares of Preferred Stock representing at least 5% of the outstanding shares of Common Stock (on an as-converted basis), the Company agrees to provide each Stockholder and its Permitted Transferees with the following:

(i) within 90 days after the end of each fiscal year of the Company, (A) an audited, consolidated balance sheet of the Company and its Subsidiaries as of the end of such fiscal year, (B) an audited, consolidated income statement of the Company and its Subsidiaries for such fiscal year and (C) an audited, consolidated statement of cash flows of the Company and its Subsidiaries for such fiscal year; *provided* that this requirement shall be deemed to have been satisfied if on or prior to such date the Company files its annual report on Form 10-K for the applicable fiscal year with the SEC;

(ii) within 45 days after the end of each of the first three quarters of each fiscal year of the Company, (A) an unaudited, consolidated balance sheet of the Company and its Subsidiaries as of the end of such fiscal quarter, (B) an unaudited, consolidated income statement of the Company and its Subsidiaries for such fiscal quarter and (C) an unaudited, consolidated statement of cash flows of the Company and its Subsidiaries for such fiscal quarter; *provided* that this requirement shall be deemed to have been satisfied if on or prior to such date the Company files its quarterly report on Form 10-Q for the applicable fiscal quarter with the SEC; and

(iii) reasonable access, to the extent reasonably requested by a Stockholder, to the offices and the properties of the Company and its Subsidiaries, including its and their books and records, and to discuss its and their affairs, finances and accounts with its and their officers, all upon reasonable notice and at such reasonable times and as often as the Stockholder may reasonably request; *provided* that any investigation pursuant to this Section 6.15 shall be conducted in a manner as not to interfere unreasonably with the conduct of the business of the Company and its Subsidiaries;

(b) Notwithstanding anything to contrary in the foregoing, the Company shall not be obligated to provide such access or materials if the Company determines, in its reasonable judgment, that doing so would reasonably be expected to (i) result in the disclosure of trade secrets or competitively sensitive information to third parties, (ii) violate applicable law, an applicable order or a contract or obligation of confidentiality owing to a third party, (iii) jeopardize the protection of an attorney-client privilege, attorney work product protection or other legal privilege (provided, however, that the Company shall use reasonable efforts to provide alternative, redacted or substitute documents or information in a manner that would not result in the loss of the ability to assert attorney-client privilege, attorney work product protection or other legal privileges), or (iv) expose the Company to risk of liability for disclosure of personal information; *provided* that the Company shall use reasonable best efforts to disclose such information in a manner that would not violate the foregoing.

Section 6.16 Financing Cooperation. If requested by a Stockholder or its Permitted Transferees, the Company will provide the following cooperation (in each case, all reasonable, documented out-of-pocket expenses incurred by the Company in connection with the foregoing, shall be borne by such Stockholder) in connection with the Stockholder and its Permitted Transferees obtaining any Permitted Loan: (i) entering into an issuer agreement (an "Issuer Agreement") with each lender in customary form in connection with such transactions (which agreement may include, without limitation, agreements and obligations of the Company relating to procedures and specified time periods for effecting transfers and/or conversions upon foreclosure, agreements to not hinder or delay exercises of remedies on foreclosure, acknowledgments regarding corporate policy, if applicable, certain acknowledgments regarding securities law status of the pledge arrangements and a specified list of Competitors, Activist Investors and Restricted Persons) and subject to the consent of the Company (which will not be unreasonably withheld or delayed), with such changes thereto as are requested by such lender and customary for similar financings, (ii) using reasonable best efforts to (A) remove any restrictive legends on certificates representing pledged Preferred Stock or Common Stock issued upon conversion of Preferred Stock and depositing any pledged Preferred Stock or Common Stock issued upon conversion of Preferred Stock in book entry form on the books of The Depository Trust Company, in each case when eligible to do so (and providing any necessary indemnities to the transfer agent in connection therewith) or (B) without limiting the generality of clause (A), if such Preferred Stock is eligible for resale under Rule 144A, depositing such pledged Preferred Stock in book entry form on the books of The Depository Trust Company or other depository with customary Rule 144A restrictive legends, (iii) if so requested by such lender or counterparty, as applicable, re-registering the pledged Preferred Stock or Common Stock issued upon conversion of Preferred Stock in the name of the relevant lender, counterparty, custodian or similar party to a Permitted Loan, with respect to Permitted Loans solely as securities intermediary and only to the extent the Stockholder, its Permitted Transferees (or its or their Affiliates) continue to beneficially own such pledged Preferred Stock or Common Stock issued upon conversion of Preferred Stock, (iv) entering into customary triparty agreements with each lender and the Stockholder (and its Permitted Transferees and its and their Affiliates) relating to the delivery of the Preferred Stock or Common Stock issued upon conversion of Preferred Stock to the relevant lender for crediting to the relevant collateral accounts upon funding of the loan and payment of the purchase price including a right for such lender as a third party beneficiary of the Company's obligations hereunder to issue the Preferred Stock or Common Stock issued upon conversion of Preferred Stock upon payment of the purchase therefor in accordance with the terms of this Agreement and (v) such other cooperation and assistance as the Stockholder and its Permitted Transferees may reasonably request (which cooperation and assistance, for the avoidance of doubt, shall not include any requirements that the Company deliver information, compliance certificates or any other materials typically provided by borrowers to lenders) that will not unreasonably disrupt the operation of the Company's business. Anything in the preceding sentence to the contrary notwithstanding, the Company's obligation to deliver an Issuer Agreement is conditioned on the Stockholder or its Permitted Transferee certifying to the Company in writing that (A) the loan agreement with respect to which the Issuer Agreement is being delivered constitutes a Permitted Loan being entered into in accordance with this Agreement, the Stockholder or its Permitted Transferee has pledged the Preferred Stock and/or the underlying shares of Common Stock as collateral to the lenders under such Permitted Loan and that the execution of such Permitted Loan and the terms thereof do not violate the terms of this Agreement, (B) to the extent applicable, whether the registration rights under the Registration Rights Agreement, dated as of even date herewith, by and among the Company and the Stockholders, are being assigned to the lenders under that Permitted Loan, (C) the Stockholder, its Permitted Transferees and its and their controlled Affiliates acknowledge and agree that the Company will be relying on such certificate when entering into the Issuer Agreement and any inaccuracy in such certificate will be deemed a breach of this Agreement and (D) the Company is not required to incur any material obligations other than as specifically set forth in the proceeding sentence. The Stockholder and its Permitted Transferees acknowledge and agree that the statements and agreements of the Company in an Issuer Agreement are solely for the benefit of the applicable lenders party thereto and that in any dispute between the Company and the Stockholder (or its Permitted Transferee) under this Agreement the Stockholder and its Permitted Transferees shall not be entitled to use the statements and agreements of the Company in an Issuer Agreement against the Company.

Section 6.17 Sponsor Provisions. Notwithstanding anything to the contrary set forth in this Agreement, none of the terms or provisions of this Agreement (including, for the avoidance of doubt, Section 3.2) shall in any way limit the activities of Cerberus Capital Management L.P. (“**Sponsor**”) or any of its Affiliates, other than the Cerberus Stockholder and its Permitted Transferees, in their businesses distinct from the corporate private equity business of Sponsor (the “**Excluded Sponsor Parties**”), so long as (i) no such Excluded Sponsor Party or any of its representatives is acting on behalf of or at the direction of Cerberus Stockholder or any of its Permitted Transferees with respect to any matter that otherwise would violate any term or provision of this Agreement and (ii) no confidential information is made available to any Excluded Sponsor Party or any of its representatives who are not involved in the corporate private equity business of Sponsor by or on behalf of Cerberus Stockholder or any of its Permitted Transferees, except with respect to any such representative who is (x) compliance personnel for compliance purposes and (y) non-compliance personnel of Sponsor who have roles that span both the corporate private equity business of Sponsor and one or more other businesses of Sponsor and are directors or officers of, or function in a similar oversight role at, such Excluded Sponsor Party, as long as confidential information is not otherwise disclosed to or used by or for the benefit of such Excluded Sponsor Party. For the avoidance of doubt, the Cerberus Stockholder may disclose confidential information to (a) its representatives to the extent necessary to obtain their services in connection with its investment in the Company (who in each case have been informed of the confidential nature of the information and who are subject to customary confidentiality and use restrictions), (b) any prospective purchaser of Preferred Stock or Common Stock or prospective financing sources in connection with the syndication and marketing of any Permitted Loan, in each case, as long as such prospective purchaser or lender, as applicable, is subject to customary confidentiality and use restrictions and (c) any Affiliate of Sponsor or any limited partner or prospective partner in an investment fund of Sponsor or its Affiliates (and their respective representatives), in each case (provided that the recipients of such confidential information are subject to customary confidentiality and use restrictions and such information is provided in connection with such Person’s ordinary course compliance, fundraising, monitoring or reporting activities or to monitor, manage and/or evaluate the Cerberus Stockholder’s investment in the Company).

(a) When a reference is made in this Agreement to an Article or a Section, such reference is to an Article or a Section of this Agreement unless otherwise indicated. When a reference is made in this Agreement to a Schedule or Exhibit, such reference is to a Schedule or Exhibit to this Agreement, as applicable, unless otherwise indicated.

(b) When used herein, (i) the words “hereof,” “herein” and “herewith” and words of similar import will, unless otherwise stated, be construed to refer to this Agreement as a whole and not to any particular provision of this Agreement; and (ii) the words “include,” “includes” and “including” will be deemed in each case to be followed by the words “without limitation.”

(c) Unless the context otherwise requires, “neither,” “nor,” “any,” “either” and “or” are not exclusive.

(d) The word “extent” in the phrase “to the extent” means the degree to which a subject or other thing extends, and does not simply mean “if.”

(e) When used in this Agreement, references to “\$” or “Dollars” are references to U.S. dollars.

(f) The meaning assigned to each capitalized term defined and used in this Agreement is equally applicable to both the singular and the plural forms of such term, and words denoting any gender include all genders. Where a word or phrase is defined in this Agreement, each of its other grammatical forms has a corresponding meaning.

(g) When reference is made to any Party to this Agreement or any other agreement or document, such reference includes such Party’s successors and permitted assigns. References to any Person include the successors and permitted assigns of that Person.

(h) Unless the context otherwise requires, all references in this Agreement to the Subsidiaries of a Person will be deemed to include all direct and indirect Subsidiaries of such Person.

(i) A reference to any specific Law or to any provision of any Law includes any amendment to, and any modification, re-enactment or successor thereof, any legislative provision substituted therefor and all rules, regulations and statutory instruments issued thereunder or pursuant thereto, except that, for purposes of any representations and warranties in this Agreement that are made as of a specific date, references to any specific Law will be deemed to refer to such legislation or provision (and all rules, regulations and statutory instruments issued thereunder or pursuant thereto) as of such date.

(j) References to any agreement or Contract are to that agreement or Contract as amended, modified or supplemented (including by waiver or consent) from time to time in accordance with the terms hereof and thereof, except that for purposes of any representations and warranties in this Agreement that are made as of a specific date, references to any specific Contract will be deemed to refer to such Contract as of such date.

(k) All accounting terms used herein will be interpreted, and all accounting determinations hereunder will be made, in accordance with GAAP.

(l) The table of contents and headings set forth in this Agreement are for convenience of reference purposes only and will not affect or be deemed to affect in any way the meaning or interpretation of this Agreement or any term or provision hereof.

(m) The measure of a period of one month or year for purposes of this Agreement will be the date of the following month or year corresponding to the starting date. If no corresponding date exists, then the end date of such period being measured will be the next actual date of the following month or year (for example, one month following February 18 is March 18 and one month following March 31 is May 1).

(n) The Parties agree that they have been represented by legal counsel during the negotiation, execution and delivery of this Agreement and therefore waive the application of any Law, regulation, holding or rule of construction providing that ambiguities in an agreement or other document will be construed against the Party drafting such agreement or document.

(o) No summary of this Agreement or any Exhibit or Schedule delivered herewith prepared by or on behalf of any Party will affect the meaning or interpretation of this Agreement or such Exhibit or Schedule.

(p) The information contained in this Agreement and in the Company Disclosure Letter is disclosed solely for purposes of this Agreement, and no information contained herein or therein will be deemed to be an admission by any Party to any third Person of any matter whatsoever, including (i) any violation of Law or breach of Contract; or (ii) that such information is material or that such information is required to be referred to or disclosed under this Agreement.

(q) The representations and warranties in this Agreement are the product of negotiations among the Parties and are for the sole benefit of the Parties. Any inaccuracies in such representations and warranties are subject to waiver by the Parties in accordance with Section 9.5 without notice or liability to any other Person. In some instances, the representations and warranties in this Agreement may represent an allocation among the Parties of risks associated with particular matters regardless of the knowledge of any of the Parties. Consequently, Persons other than the Parties may not rely on the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

(r) Documents or other information or materials will be deemed to have been “made available” by the Company if such documents, information or materials have been (i) posted and made available to the Purchaser in a virtual data room managed by the Company at <https://www.dfinsolutions.com/> prior to the date hereof; (ii) delivered or provided to the Purchaser or its Affiliates or Representatives; or (iii) filed or furnished by the Company with, and available through, the SEC’s Electronic Data Gathering and Retrieval System, in each of clauses (ii) and (iii), at least two Business Days prior to the date hereof.

(s) All references to “ordinary course of business” will be deemed to be followed by the words “consistent with past practice,” subject, however, to such commercially reasonable actions as are reasonably necessary given changing economics and other conditions, circumstances or events relating to or arising from the COVID-19 pandemic.

Nothing contained herein, and no action taken by the Purchaser pursuant hereto or the Other Purchasers pursuant to the Other Purchase Agreements, shall be deemed to constitute a partnership, an association, a joint venture or any other kind of entity among the Purchaser and the Other Purchasers, or create a presumption that the Purchaser and the Other Purchasers are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Agreement or the Other Purchase Agreements. The Purchaser shall be entitled to independently protect and enforce its rights, including the rights arising out of this Agreement, and it shall not be necessary for the Other Purchasers to be joined as an additional party in any proceeding for such purpose.

The Company has the requisite corporate power and authority to conduct its business as it is presently being conducted and to own, lease or operate its properties, rights and assets, except where the failure to have such power or authority, individually or in the aggregate, has not had, and would not reasonably be expected to have, a Company Material Adverse Effect. The Company is duly qualified to do business and is in good standing in each jurisdiction where the character of its properties owned or leased or the nature of its activities make such qualification necessary (with respect to jurisdictions that recognize the concept of good standing), except where the failure to be so qualified or in good standing has not had, and would not reasonably be expected to have, a Company Material Adverse Effect. The Company has made available to the Purchaser true, correct and complete copies of the Amended and Restated Certificate of Incorporation (the “**Charter**”) and the Amended and Restated Bylaws of the Company (the “**Bylaws**”), each as amended to date. The Company is not in violation of the Charter or the Bylaws in any material respect.

3.2 *Corporate Power; Enforceability.*

The execution and delivery of this Agreement and the other Transaction Documents by the Company, the performance by the Company of its covenants and obligations hereunder, and the consummation of the transactions contemplated by this Agreement and the other Transaction Documents, have been duly authorized and approved by the Company Board, and except for obtaining the Requisite Stockholder Approvals, no other corporate action on the part of the Company or its Stockholders is necessary to authorize the execution and delivery of this Agreement or the other Transaction Documents, the performance by the Company of its covenants and obligations and the consummation by the Company of the transactions contemplated by this Agreement or the other Transaction Documents. This Agreement and each other Transaction Document has been duly executed and delivered by the Company and, assuming the due authorization, execution and delivery by the Purchaser, constitutes a legal, valid

and binding agreement of the Company, enforceable against the Company in accordance with its terms, except as such enforceability: (A) may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar Laws affecting or relating to creditors' rights generally; and (B) is subject to general principles of equity.

(b) Subject to the filing of the Certificate of Amendment with the Secretary of State for the State of Delaware, the Company has all requisite power and authority to issue, sell and deliver the Purchased Shares, in accordance with and upon the terms and conditions set forth in this Agreement and the Certificate of Designation. The Certificate of Designation sets forth the rights, preferences and priorities of the Series B Preferred Stock, and the holders of the Series B Preferred Stock will have the rights set forth in the Certificate of Designation upon filing with the Secretary of State for the State of Delaware. All corporate action required to be taken by the Company for the authorization, issuance, sale and delivery of the Purchased Shares, the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby has been, or will at the time of Closing be, validly taken. (b) *Anti-Takeover Laws.* Assuming that the representations of the Purchaser set forth in Section 4.7 are true and correct, the Company Board has taken all necessary actions so that the restrictions contained in Section 203 of the DGCL applicable to a "business combination" (as defined in Section 203 of the DGCL) shall not apply to the execution, delivery or performance of this Agreement or the other Transaction Documents or the consummation of the Transactions or other transactions contemplated hereby and thereby and any other similar applicable "anti-takeover" Law will not be applicable to this Agreement or the other Transaction Documents or the consummation of the Transactions or any other transaction contemplated hereby or thereby.

(b) No appraisal or dissenters’ rights (pursuant to Section 262 of the DGCL or otherwise) will be available to holders of shares of Company Common Stock in connection with the Transactions.

3.5 *Non-Contravention.* Except as set forth on Section 3.5 of the Company Disclosure Letter, the execution and delivery of this Agreement by the Company, the performance by the Company of its covenants and obligations hereunder, and the consummation of the Transactions and the other transactions contemplated by this Agreement and the other Transaction Documents do not: (a) violate or conflict with any provision of the Charter or the Bylaws; (b) violate, conflict with, result in the breach of, constitute a default (or an event that, with notice or lapse of time or both, would become a default) pursuant to, result in the termination of, accelerate the performance required by, or result in a right of termination or acceleration or the vesting or receipt of any benefit or value to a third party, pursuant to any Material Contract; (c) assuming compliance with the matters referred to in Section 3.6 and, in the case of the consummation of the Transactions, subject to obtaining the Requisite Stockholder Approvals, violate or conflict with any Law or order applicable to the Company or any of its Subsidiaries or by which any of their respective properties or assets are bound; or (d) result in the creation of any Lien (other than Permitted Liens) upon any of the properties or assets of the Company or any of its Subsidiaries, except in the case of each of clauses (b), (c) and (d) for such consents as have been obtained and violations, conflicts, breaches, defaults, terminations, accelerations or Liens that have not had, and would not reasonably be expected to have, a Company Material Adverse Effect.

3.6 *Requisite Governmental Approvals.* No Governmental Authorization is required on the part of the Company in connection with: (a) the execution and delivery of this Agreement by the Company; (b) the performance by the Company of its covenants and obligations pursuant to this Agreement; or (c) the consummation of the Transactions and the other transactions contemplated by this Agreement, except (i) the filing of the Certificate of Designation and Certificate of Amendment with the Secretary of State of the State of Delaware, (ii) such filings and approvals as may be required by any applicable federal or state securities Laws, including compliance with any applicable requirements of the Exchange Act, (iii) compliance with any applicable requirements of NASDAQ; (iv) compliance with any applicable requirements of the HSR Act and any applicable foreign Antitrust Laws, and (v) such other Governmental Authorizations the failure of which to obtain would not reasonably be expected to have a Company Material Adverse Effect.

The Company does not have a stockholder rights plan in effect or outstanding bonds, debentures, notes or other similar obligations which provide such holder the right to vote with the holders of shares of Company Common Stock on any matter. Except as set forth on Section 3.7(c) of the Company Disclosure Letter, the announcement or consummation of the Transactions and the other transactions contemplated by this Agreement will not, in and of themselves, result in any vesting, acceleration or the receipt of any rights, benefits or value under any issued and outstanding Company Securities.

(d) *Other Rights.* Except as set forth on Section 3.7(d) of the Company Disclosure Letter, the Company is not a party to any Contract relating to the voting of, requiring registration of, or granting any preemptive rights, anti-dilutive rights or rights of first refusal or other similar rights with respect to any Company Securities.

3.8 *Subsidiaries.*

(a) Each of the Subsidiaries of the Company (i) is duly organized, validly existing and in good standing (with respect to jurisdictions that recognize the concept of good standing) under the laws of the jurisdiction of its organization and (ii) has the requisite corporate power and authority to conduct its business as it is presently being conducted and to own, lease or operate its properties and assets, except in each case as has not had, and would not reasonably be expected to have, a Company Material Adverse Effect. Each of the Subsidiaries of the Company is duly qualified to do business and is in good standing in each jurisdiction where the character of its properties owned or leased or the nature of its activities make such qualification necessary (with respect to jurisdictions that recognize the concept of good standing), except where the failure to be so qualified or in good standing has not had, and would not reasonably be expected to have, a Company Material Adverse Effect. The Company has made available to the Purchaser true, correct and complete copies of the Organizational Documents of each of the Subsidiaries of the Company.

(b) Each of the Subsidiaries of the Company is wholly owned by the Company, directly or indirectly, free and clear of any Liens. Neither the Company nor any of its Subsidiaries has any Contract pursuant to which it is obligated to make any investment (in the form of a loan, capital contribution or otherwise) in any Person (other than the Company with respect to its Subsidiaries and the Subsidiaries with respect to each other).

3.9 *Company SEC Reports*. Since January 1, 2018 and through the date of this Agreement, the Company has filed or furnished all forms, reports and documents with the SEC that have been required to be filed or furnished by it pursuant to applicable Laws prior to the date of this Agreement (the “**Company SEC Reports**”). Each Company SEC Report complied, as of its filing date (or, if amended or superseded by a filing prior to the date of this Agreement, on the date of such amended or superseding filing), in all material respects with the applicable requirements of the Securities Act or the Exchange Act, as the case may be, each as in effect on the date that such Company SEC Report was filed. True, correct and complete copies of all Company SEC Reports are publicly available in the Electronic Data Gathering, Analysis and Retrieval database of the SEC. As of its filing date (or, if amended or superseded by a filing prior to the date of this Agreement, on the date of such amended or superseded filing), each Company SEC Report did not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

3.10 *Company Financial Statements; Internal Controls*.

(a) *Company Financial Statements*. The consolidated financial statements (including any related notes and schedules) of the Company filed with the Company SEC Reports: (i) were prepared in accordance Regulation S-X under the Exchange Act and with GAAP (except as may be indicated in the notes thereto or as otherwise permitted by Form 10-Q with respect to any financial statements filed on Form 10-Q); (ii) complied, as of their respective date of filing with the SEC, in all material respects with the published rules and regulations of the SEC with respect thereto and (iii) fairly present, in all material respects, the consolidated financial position of the Company as of the dates thereof and the consolidated results of operations and cash flows for the periods then ended (subject, in the case of the unaudited financial statements, to normal and recurring year-end and audit adjustments). Except as have been described in the Company SEC Reports or as set forth in Section 3.10 of the Company Disclosure Letter, there are no off-balance sheet arrangements of the type required to be disclosed pursuant to Item 303(a)(4) of Regulation S-K promulgated by the SEC.

(b) *Disclosure Controls and Procedures*. The Company has established and maintains, and at all times since January 1, 2019 has maintained, “disclosure controls and procedures” and “internal control over financial reporting” (in each case as defined pursuant to Rule 13a-15 and Rule 15d-15 promulgated under the Exchange Act) that are (i) with respect to disclosure controls and procedures, reasonably designed to ensure that all material information (both financial and non-financial) required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the SEC and that all such material information required to be disclosed is accumulated and communicated to the management of the Company,

as appropriate, to allow timely decisions regarding required disclosure and to enable the chief executive officer and chief financial officer of the Company to make the certifications required under the Exchange Act with respect to such reports, and (ii) with respect to internal control over financial reporting, sufficient in all material respects to provide reasonable assurance (A) that transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP, (B) that transactions are executed only in accordance with the authorization of management and (C) regarding prevention or timely detection of the unauthorized acquisition, use or disposition of the Company's properties or assets, in each case that could have a material effect on the Company's financial statements. The Company's management has completed an assessment of the effectiveness of the Company's internal control over financial reporting in compliance with the requirements of Section 404 of the Sarbanes-Oxley Act as of December 31, 2019, and such assessment concluded that the Company's internal control over financial reporting was effective in providing reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements in accordance with GAAP as of such date.

(c) *Internal Controls*. The Company has established and maintains a system of internal accounting controls that are effective in providing reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements in accordance with GAAP. Neither the Company nor, to the Knowledge of the Company, the Company's independent registered public accounting firm, has identified or been made aware of: (i) any significant deficiency or material weakness in the system of internal control over financial reporting used by the Company and its Subsidiaries that has not been subsequently remediated; or (ii) any fraud that involves the Company's management or other employees who have a role in the preparation of financial statements or the internal control over financial reporting utilized by the Company and its Subsidiaries. Since January 1, 2019, neither the Company nor any of its Subsidiaries nor, to the Company's Knowledge, any director, officer, employee, auditor, accountant or representative of the Company or any of its Subsidiaries has received any written complaint, allegation, assertion, or claim (or otherwise has been informed) that the Company or any of its Subsidiaries has engaged in improper or illegal accounting or auditing practices or maintains improper or inadequate internal accounting controls.

(d) As of the date of this Agreement, there are no outstanding or unresolved comments in any comment letters from the staff of the SEC relating to the Company's SEC Reports and received by the Company prior to the date of this Agreement. None of the Company's SEC Reports filed on or prior to the date of this Agreement, is, to the Company's Knowledge, subject to ongoing SEC review or investigation.

3.11 *No Undisclosed Liabilities*. Neither the Company nor any of its Subsidiaries has any liabilities of a nature required to be reflected or reserved against on a balance sheet prepared in accordance with GAAP or notes thereto, other than liabilities: (a) reflected or otherwise reserved against in the Audited Company Balance Sheet or in the consolidated financial statements of the Company and its Subsidiaries (including the notes thereto) included in the Company SEC Reports filed prior to the date of this Agreement; (b) arising pursuant to this Agreement or incurred in connection with the Transaction; (c) incurred in the ordinary course of business (none of which is a liability resulting from noncompliance with any applicable Laws or licenses, breach of Contract, breach of warranty, tort, infringement, misappropriation, dilution, claim or lawsuit); or (d) that, individually or in the aggregate, have not had, and would not reasonably be expected to have, a Company Material Adverse Effect.

3.12 *Absence of Certain Changes.*

(a) Since September 30, 2020 through the date of this Agreement: (i) the business of the Company and its Subsidiaries has been conducted, in all material respects, in the ordinary course of business; and (ii) there has not been any action taken by the Company or any of its Subsidiaries that, if taken during the period from the date of this Agreement through the Closing without the Purchaser's consent, would constitute a breach of, or require consent of the Purchaser under Section 5.2.

(b) Since December 31, 2019 through the date of this Agreement, there has not been any effect, change, development or occurrence that, individually or in the aggregate, has had, or would reasonably be expected to have, a Company Material Adverse Effect.

3.13 *Material Contracts.*

(a) *List of Material Contracts.* Section 3.13(a) of the Company Disclosure Letter contains a true, correct and complete list of all Material Contracts, as of the date of this Agreement, to which the Company or any of its Subsidiaries is a party. Prior to the date of this Agreement, the Company has made available to the Purchaser complete and correct copies of all of the Material Contracts.

(b) *Validity.* Each Material Contract (other than any Material Contract that has expired in accordance with its terms) is valid and binding on the Company or each Subsidiary of the Company that is a party thereto (as the case may be) and, to the Knowledge of the Company, any other party thereto and is enforceable in accordance with its terms, and is in full force and effect, except where the failure to be valid and binding and in full force and effect has not had, and would not reasonably be expected to have, a Company Material Adverse Effect. The Company and each of its Subsidiaries, and, to the Knowledge of the Company, any other party thereto, has performed all obligations required to be performed by it under each Material Contract, except where the failure to fully perform has not had, and would not reasonably be expected to have, a Company Material Adverse Effect. No event has occurred that, whether or not with notice or lapse of time or both, would constitute such a breach, default, acceleration of rights or an event of termination pursuant to any Material Contract by the Company or any of its Subsidiaries, or, to the Knowledge of the Company, any other party thereto, except for such breaches, defaults, acceleration or termination that have not had, and would not reasonably be expected to have, a Company Material Adverse Effect. As of the date of this Agreement, neither the Company nor any of its Subsidiaries has received written notice that it has breached, violated or defaulted under any Material Contract.

(b) *Leased Real Property.* Section 3.14(b) of the Company Disclosure Letter contains a true, correct and complete list, as of the date of this Agreement, of all of the existing material leases, subleases, licenses or other agreements pursuant to which the Company or any of its Subsidiaries, leases, subleases, uses or occupies, or has the right to use or occupy, now or in the future, any real property for which the annual rent is in excess of \$250,000 (such property, the “**Leased Real Property**,” and each such lease, sublease, license or other agreement, a “**Lease**”). The Company has made available to the Purchaser true, correct and complete copies of the Leases (including all material modifications, amendments and supplements thereto). Except as has not had, and would not reasonably be expected to have, a Company Material Adverse Effect, the Company or one of its Subsidiaries has valid leasehold estates in the Leased Real Property, free and clear of all Liens (other than Permitted Liens). Each Lease is legal, valid, binding, enforceable and in full force and effect. Neither the Company’s nor any of its Subsidiaries’ possession and quiet enjoyment of the Leased Real Property under any Lease has been disturbed, and there are no disputes with respect to any such Lease in any material respect. Neither the Company nor any of its Subsidiaries is in material breach of or default pursuant to any Lease. There are no material subleases, licenses or similar agreements granting to any Person, other than the Company or any of its Subsidiaries, any right to use or occupy the Leased Real Property or any portion thereof, now or in the future.

3.16 Intellectual Property.

(a) Section 3.16(a) of the Company Disclosure Letter sets forth (i) a true, correct and complete list as of the date of this Agreement of all Registered Intellectual Property owned by, or registered in the name of, the Company or any of its Subsidiaries (for each, indicating, as applicable, the owner(s), filing or registration number, title, jurisdiction, date of issuance, and current record applicant(s) and registrants and, for Internet domain names, the registrant, registrar, and expiration date) and (ii) a true, correct and complete description of material proprietary Software owned by the Company or any of its Subsidiaries as of the date of this Agreement. (b) The Company or one of its Subsidiaries, as applicable, owns all Registered Intellectual Property and all other Intellectual Property owned or purported to be owned by the Company or any of its Subsidiaries (the “**Company Owned IP**”), and is licensed or otherwise possesses adequate rights to use pursuant to a valid license or subscription agreement, all material Intellectual Property used or held for use in, or necessary for, their respective businesses as currently conducted (collectively, and together with the Company Owned IP, the “**Company Intellectual Property**”), in each case free and clear of all Liens (except for Permitted Liens); *provided, however*, that the representation and warranty in this Section 3.16(a) shall not constitute or be deemed or construed as any representation or warranty with respect to infringement, misappropriation or violation by the Company or any of its Subsidiaries of any Intellectual Property, which is addressed in Sections 3.16(b) and 3.16(c) below. The Company and its Subsidiaries have taken commercially reasonable actions to maintain and protect all of the Company Intellectual Property, including the secrecy, confidentiality and value of the material Trade Secrets of the Company and its Subsidiaries. All past and present employees, consultants and contractors of the Company and its Subsidiaries (for Persons that the Company and its Subsidiaries have not engaged or employed in the past five (5) years, to the Knowledge of the Company) who have had access to material Trade Secrets of the Company and its Subsidiaries or have authored, developed or otherwise created any material Company Intellectual Property, have executed valid written agreements pursuant to which such Person (i) is bound to maintain and protect the confidential information of the Company and its Subsidiaries, and (ii) assigns, pursuant to a present assignment, to the Company or its applicable Subsidiaries, sole ownership of all Intellectual Property authored, developed or otherwise created by such Person in the course of such Person’s employment or other engagement with the Company and its Subsidiaries, in accordance with applicable Laws and without further consideration or any restrictions or obligations on the Company or any of its Subsidiaries, and to the Knowledge of the Company, such agreements are valid and enforceable in accordance with their terms. No material Company Owned IP is subject to any consent, settlement, decree, order, injunction, judgment or ruling prohibiting or restricting the Company’s or any of its Subsidiaries’ use, ownership, enforcement or other exploitation or disposition thereof. The transactions contemplated by this Agreement and the consummation thereof will not impair any right, title or interest of the Company or any of its Subsidiaries in or to any Company Intellectual Property or material Company Systems, and all of the Company Intellectual Property and material Company Systems will be owned or available for use by the Company and its Subsidiaries immediately after the Closing on terms and conditions identical to those under which the Company and its Subsidiaries owned or used the Company Intellectual Property and material Company Systems immediately prior to the Closing.

(c) Except as set forth on Schedule 3.16 of the Company Disclosure Letter, there are no claims by any Person that are either pending or made or, to the Knowledge of the Company, threatened in writing since January 1, 2018, (i) alleging infringement, misappropriation, or other violation by the Company or any of its Subsidiaries of any Intellectual Property of such Person, or (ii) contesting the validity, use, ownership, enforceability, patentability or registrability of any material Company Owned IP, excluding any ordinary course “office actions” received by the Company or a Subsidiary in connection with the prosecution of Patents. Neither the Company nor any of its Subsidiaries has received any written notices or written requests for indemnification from any third party related to any of the foregoing matters in clauses (i) and (ii).

(d) (i) Neither the Company nor any of its Subsidiaries, nor the conduct of the business of the Company and its Subsidiaries, including the sale or licensing of Company Products, infringes, misappropriates, or otherwise violates or, since January 1, 2018, has infringed, misappropriated, or otherwise violated, any Intellectual Property of any Person in any material respect; (ii) neither the Company nor any of its Subsidiaries has received any written notices regarding any of the foregoing matters in clause (i) (including any cease and desist letters, demands or unsolicited offers to license any Intellectual Property from any Person); and (iii) to the Knowledge of the Company as of the date of this Agreement, no Person is infringing, misappropriating, or otherwise violating any Intellectual Property owned by the Company or any of its Subsidiaries.

(e) The Company and its Subsidiaries own, lease, license, or otherwise have the valid right to use all material Company Systems, and such Company Systems are sufficient in all material respects for the needs of the Company’s and its Subsidiaries’ businesses, and the Company and its Subsidiaries have purchased sufficient license rights for all material third party Software used in their operations. With respect to the Company Systems: (i) the Company and its Subsidiaries have a commercially reasonable disaster recovery plan in place and have tested such disaster recovery plan for effectiveness, and (ii) there have not been any material malfunctions, failures, or continued substandard performance that have not been remedied in all material respects. The material proprietary Software owned by the Company and its Subsidiaries (the “**Company Software**”) is not subject to any “copyleft” or other obligation or condition (including any obligation or condition under any “open source” license) that (A) requires, or conditions the use or distribution of such Software, on the disclosure, licensing, or distribution of any source code for any portion of such Company Software or (B) otherwise imposes any limitation or restriction on the right or ability of the Company or any of its Subsidiaries to use, license, distribute, or otherwise exploit any portion of the Company Software (including, for clarity, any limitation on the compensation that the Company or any of its Subsidiaries may charge in the marketing, licensing, sale, distribution, or other commercial exploitation or other use of such Company Software or any requirement that such Company Software be disclosed, licensed or distributed for the purpose of making derivative works, but excluding any obligation for the Company to provide attribution for the author of such Software). The Company and its Subsidiaries possess all source code and other documentation and materials reasonably necessary for a developer competent in the programming language for such Software to compile, operate and maintain the Company Software. All Company Software operates in all material respects in accordance with its requirements, technical, end-user and other documentation. There are no viruses, “worms”, “time bombs”, “key-locks”, Trojan horses or similar disabling codes, programs or devices in any of the Company Software, or any other codes, programs or devices designed to disrupt or interfere with

the operation of the Company Software or equipment upon which the Company Software operates, or the integrity of the Data, information or signals the Company Software produces in a manner adverse to the Company, any of its Subsidiaries, any customer, licensee or other Person. The Company and its Subsidiaries have not delivered, licensed, or made available any source code for any Company Software to any escrow agent or other Person who is not an employee, contractor or other service provider of the Company or any of its Subsidiaries and subject to appropriate confidentiality obligations, and the Company and its Subsidiaries are not subject to any obligation (whether present, contingent, or otherwise) deliver, license, or make available any such source code.

(f) Since January 1, 2018: (i) the Company and its Subsidiaries (including the conduct of their respective businesses and their Processing of Data) have complied with all Data Security Requirements in all material respects; (ii) there has not been any material Security Incident; and (iii) the Company and its Subsidiaries have taken commercially reasonable actions, including instituting commercially reasonable physical, technical, and administrative security measures and policies, to protect the security and integrity of the Company Systems and all Data stored or contained therein or transmitted thereby and all Sensitive Information collected or possessed by them from and against unauthorized access, use, or disclosure, including by installing all patches applicable to the Company Systems and updating the Company Systems to current versions of third party Software in a reasonably timely manner. Since January 1, 2018, neither the Company nor any of its Subsidiaries has provided or been legally required to provide any notices to data owners in connection with (A) any unauthorized access, use or disclosure of Sensitive Information or (B) any Data Security Requirement. Neither the Company nor its Subsidiaries (1) has received any written complaint from any Person regarding any Data Security Requirements, Security Incident, or Sensitive Information or (2) has been subject to any investigations or audits (other than audits commissioned in response to contractual requirements related to security and vulnerability testing in commercial contracts and self-initiated audits) concerning any Data Security Requirements, Security Incident, or Sensitive Information. The transactions contemplated by this Agreement and the consummation thereof will not violate any applicable Data Security Requirement.

(g) To the extent that the Company or any of its Subsidiaries has: (i) purchased, licensed or otherwise acquired for compensation any Personal Information, it has done so in accordance with all Data Security Requirements in all material respects; or (ii) obtained Personal Information from any publicly-available sources, including websites, it has done so in accordance with the terms and conditions attaching to the use of that publicly-available source and in accordance with all Data Security Requirements in all material respects. The Company and its Subsidiaries have engaged in the Processing of Data (and caused third parties to engage in the Processing of Data) only with respect to any third party Data as they are authorized to so engage by applicable Law and Contract. The Company and its Subsidiaries in respect of each Processing activity that they carry out as a Controller (as defined in Article 4(7) of the GDPR) under the GDPR: (A) have, and have had, a lawful basis for Processing Personal Information, including obtaining or contractually obligating others to obtain on the Company's behalf all requisite consents from data subjects (where consent is relied upon by the Company or its Subsidiaries as the legal basis for Processing), in accordance with the GDPR and ePrivacy Directive; (B) have, prior to Processing any Personal Information, made available (to the standard required under the GDPR) materially accurate processing information that meets the requirements of the GDPR; (C) have entered into a written agreement with all third party data processors which complies with the requirements of the GDPR; and (D) comply, and have complied with all principles set out in Article 5 of the GDPR in all material respects.

3.18 *Employee Benefits.*

(a) *Employee Plans.* [Section 3.18\(a\)](#) of the Company Disclosure Letter sets forth a true, correct and complete list, as of the date of this Agreement, of each material Employee Plan. With respect to each listed Employee Plan, the Company has made available to the Purchaser a true and complete copy of all plan documents, summary plan descriptions and the most recent determination letter (or opinion letter) received from the IRS, in each case, as applicable.

(b) *Absence of Certain Plans.* Neither the Company, its Subsidiaries nor any ERISA Affiliate of the Company has maintained, sponsored or participated in, or contributed to, in the six year period preceding the date hereof (or, if shorter than six years, since the date of acquisition by the Company of the relevant Subsidiary or ERISA Affiliate) or otherwise has any liability or obligation with respect to: (i) a “multiemployer plan” (as defined in Section 3(37) or 4001(a)(3) of ERISA); (ii) a “multiple employer plan” (as defined in Section 4063 or Section 4064 of ERISA) or as described in Section 413(c) of the Code; or (iii) a plan covered by Section 412 of the Code or Title IV of ERISA.

(c) *Compliance.* Except as has not had, and would not reasonably be expected to have, a Company Material Adverse Effect, each Employee Plan has been maintained, funded, operated and administered in accordance with its terms and with all applicable Law, including the applicable provisions of ERISA, the Code and any applicable regulatory guidance issued by any Governmental Authority. Each Employee Plan that is intended to be qualified under Section 401(a) of the Code (i) has received a favorable determination letter issued by the IRS regarding such qualified status or is maintained pursuant to a prototype or volume submitter document approved by the IRS and is entitled to rely on a favorable opinion letter issued by the IRS with respect to such prototype or volume submitter document, and (ii) to the Knowledge of the Company, no events have occurred that would reasonably be expected to adversely affect the qualified status of any such Employee Plan that cannot be corrected without material liability to the Company or any of its Subsidiaries. Except as has not had, and would not reasonably be expected to have, a Company Material Adverse Effect, neither the Company nor any of its Subsidiaries has incurred or could reasonably be expected to incur any penalty or Tax (whether or not assessed) under Sections 4980B, 4980D or 4980H of the Code.

(d) *Contributions.* Except as has not had, and would not reasonably be expected to have, a Company Material Adverse Effect, (i) all contributions, premiums, reimbursements or other payments that are due and owing to or in respect of any Employee Plan have been paid, and (ii) all such contributions, premiums, reimbursements or other payments for any period ending on or before the Closing Date that are not yet due have been (or will be prior to the Closing Date) paid or properly accrued (in accordance with GAAP, to the extent applicable).

(g) *Impact of the Transaction on Employee Plans.* Except as set forth on [Section 3.18\(g\)](#) of the Company Disclosure Letter, neither the execution or delivery of this Agreement nor the consummation of the Transaction (alone or in conjunction with the Other Transactions or any other actions contemplated by this Agreement or the Other Purchase Agreements) will constitute a “change in control,” “change of control,” or term of similar meaning under any Employee Plan including, for the avoidance of doubt, any Company Stock Plan. Neither the execution or delivery of this Agreement nor the consummation of the Transaction (either alone or in conjunction with the Other Transactions or other action contemplated by this Agreement or the Other Purchase Agreements) will (I) result in any payment or benefit made by the Company or any Subsidiary to be characterized as an excess parachute payment within the meaning of Section 280G of the Code; or (II) result in any limitation on the right of the Company or any Subsidiary of the Company to amend, merge, terminate or receive a reversion of assets from any Employee Plan or related trust.

(h) *Section 409A.* Except to the extent as would not result in any material liability to the Company, each Employee Plan that constitutes in any part a “nonqualified deferred compensation plan” within the meaning of Section 409A of the Code has been administered, operated and maintained in all material respects in operational and documentary compliance with Section 409A of the Code and all IRS guidance promulgated thereunder, to the extent such Section and such guidance have been applicable to such Employee Plan. (c) To the Knowledge of the Company, no current employee of the Company or its Subsidiaries with annualized base salary from the Company at or above \$250,000 is in any material respect in violation of any term of any employment agreement, nondisclosure agreement, common law nondisclosure obligation, fiduciary duty, noncompetition agreement, nonsolicitation agreement, restrictive covenant or other obligation: (i) owed to the Company or its Subsidiaries; or (ii) owed to any third party with respect to such Person's right to be employed or engaged by the Company or its Subsidiaries.

(d) Since at least January 1, 2018, the Company and its Subsidiaries have reasonably investigated all material sexual harassment, or other material discrimination, or retaliation allegations of which their human resources representatives or any officers or directors have been made aware. With respect to each such allegation with potential merit, the Company or its Subsidiaries has taken reasonable corrective action, when so required, that is reasonably calculated to prevent further improper action.

(e) Notwithstanding anything to the contrary in this Agreement, the representations and warranties in this Section 3.19 are the Company's exclusive representations and warranties relating to its compliance with labor Law matters.

3.20 Compliance with Laws.

(a) The Company and each of its Subsidiaries is in compliance with all Laws that are applicable to the Company and its Subsidiaries or to the conduct of the business or operations of the Company and its Subsidiaries, except for such noncompliance that, individually or in the aggregate, has not had, and would not reasonably be expected to have, a Company Material Adverse Effect.

(b) Except as has not had, and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, as of the date of this Agreement: (i) the Company and its Subsidiaries have all Governmental Authorizations necessary for the ownership and operation of its business as presently conducted, and each such Governmental Authorization is in full force and effect; (ii) the Company and its Subsidiaries are, and since January 1, 2018 have been, in compliance with the terms of all Governmental Authorizations necessary for the ownership and operation of its businesses; and (iii) since January 1, 2018 to the date of this Agreement, neither the Company nor any of its Subsidiaries has received written notice from any Governmental Authority alleging any conflict with or breach of any such Governmental Authorization.

As of the date of this Agreement, all such insurance policies are in full force and effect, no notice of cancellation has been received and there is no existing default or event that, with notice or lapse of time or both, would constitute a default by any insured thereunder, except for such cancellations and defaults that, individually or in the aggregate, have not had, and would not reasonably be expected to have, a Company Material Adverse Effect.

3.24 *Related Party Transactions*. Except for compensation or other employment arrangements in the ordinary course of business, there are no Contracts, transactions, arrangements or understandings between the Company or any of its Subsidiaries, on the one hand, and any Affiliate of the Company (including any director or executive officer) thereof, but not including any wholly owned Subsidiary of the Company, on the other hand, that would be required to be disclosed pursuant to Item 404 of Regulation S-K promulgated by the SEC in the Company's Form 10-K or proxy statement pertaining to an annual meeting of stockholders that have not been disclosed in the Company SEC Reports.

3.29 *Exclusivity of Representations or Warranties*.

(a) *No Other Representations and Warranties*. The Company, on behalf of itself and its Affiliates, acknowledges and agrees that, except for the representations and warranties expressly set forth in Article IV or in any certificate delivered pursuant to this Agreement:

(ii) no Person has been authorized by the Purchaser, any of its Affiliates or any of its or their respective Representatives to make any representation or warranty relating to the Purchaser, its Affiliates or any of their businesses or operations or otherwise in connection with this Agreement or the Transaction, and if made, such representation or warranty must not be relied upon by the Company or any of its Representatives as having been authorized by the Purchaser, any of its Affiliates or any of its or their respective Representatives (or any other Person); and

(iii) the representations and warranties made by the Purchaser in this Agreement are in lieu of and are exclusive of all other representations and warranties in connection with this Agreement or the Transaction, including any express or implied or as to merchantability or fitness for a particular purpose, and the Purchaser hereby disclaims any other such express or implied representations or warranties, notwithstanding the delivery or disclosure to the Company or any of its Representatives of any documentation or other information (including any financial information, supplemental data, financial projections or other forward-looking statements).

(b) *No Reliance*. The Company, on behalf of itself and its Affiliates, acknowledges and agrees that, except for the representations and warranties expressly set forth in Article IV or in any certificate delivered by the Purchaser pursuant to this Agreement (and without limiting any representation or warranty in any other Transaction Documents), it is not acting by entering into this Agreement or consummating the Transaction, in reliance on:

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser hereby represents and warrants to the Company as follows:

4.1 *Organization; Good Standing*. The Purchaser is duly organized, validly existing and in good standing pursuant to the Laws of its jurisdiction of organization. The Purchaser has the requisite power and authority to conduct its business as it is presently being conducted and to own, lease or operate its material properties, rights and assets, except where the failure to have such power or authority, individually or in the aggregate, would not, individually or in the aggregate, prevent or materially delay the consummation of the Transactions or the other transactions contemplated by this Agreement or the ability of such Purchaser to fully perform its covenants and obligations pursuant to this Agreement. The Purchaser is not in violation of its Organizational Documents.

4.2 *Corporate Power; Enforceability*. The Purchaser has the requisite corporate power and authority to: (a) execute and deliver this Agreement and the other applicable Transaction Documents; (b) perform its covenants and obligations hereunder and thereunder; and (c) consummate the Transactions and the other transactions contemplated by this Agreement and the other applicable Transaction Documents. The execution and delivery of this Agreement and the other applicable Transaction Documents by the Purchaser, the performance by the Purchaser of its covenants and obligations hereunder and the consummation of the Transactions and the transactions contemplated by this Agreement and the other applicable Transaction Documents have been duly authorized by all necessary action on the part of the Purchaser and no additional action on the part of the Purchaser is necessary. This Agreement and each other applicable Transaction Documents have been duly executed and delivered by the Purchaser and, assuming the due authorization, execution and delivery by the Company, constitute legal, valid and binding obligations of the Purchaser, enforceable against the Purchaser in accordance with their terms, except as such enforceability (A) may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar Laws affecting or relating to creditors' rights generally; and (B) is subject to general principles of equity.

4.3 *Non-Contravention*. The execution and delivery of this Agreement by the Purchaser, the performance by the Purchaser of its covenants and obligations hereunder, and the consummation of the Transactions and the other transactions contemplated by this Agreement and the other applicable Transaction Documents do not: (a) violate or conflict with any provision of the Organizational Documents of the Purchaser; (b) violate, conflict with, result in the breach of, constitute a default (or an event that, with notice or lapse of time or both, would become a default) pursuant to, or result in the termination of, or accelerate the performance required by, or result in a right of termination or acceleration pursuant to any of the terms, conditions or provisions of any material note, bond, mortgage, indenture, lease, license, contract, agreement or other instrument or obligation to which the Purchaser is a party or by which the Purchaser or any of its properties or assets may be bound; (c) assuming the consents, approvals and authorizations referred to in Section 4.4 have been obtained, violate or conflict with any Law or order applicable to the Purchaser or by which any of its properties or assets are bound; or (d) result in the creation of any Lien (other than Permitted Liens) upon any of the properties or assets of the Purchaser, except in the case of each of clauses (b), (c) and (d) for such violations, conflicts, breaches, defaults, terminations, accelerations or Liens that would not, individually or in the aggregate, prevent or materially delay the consummation of the Transactions or the other transactions contemplated by this Agreement or the ability of the Purchaser to fully perform its covenants and obligations pursuant to this Agreement.

4.4 *Requisite Governmental Approvals*. No Governmental Authorization is required on the part of the Purchaser in connection with: (a) the execution and delivery of this Agreement by the Purchaser; (b) the performance by the Purchaser of its covenants and obligations pursuant to this Agreement; or (c) the consummation of the Transactions and the other transactions contemplated by this Agreement, except (i) such filings and approvals as may be required by any federal or state securities Laws, including compliance with any applicable requirements of the Exchange Act; (ii) compliance with any applicable requirements of the HSR Act and any applicable foreign Antitrust Laws; and (iii) such other Governmental Authorizations the failure of which to obtain would not, individually or in the aggregate, prevent or materially delay the consummation of the Transactions or the other transactions contemplated by this Agreement or the ability of the Purchaser to fully perform its covenants and obligations pursuant to this Agreement.

4.5 *CFIUS*. The Purchaser is not considered a “foreign person,” as that term is defined in 31 C.F.R. § 800.224.

4.6 *Legal Proceedings; Orders*.

(a) *No Legal Proceedings*. There are no Legal Proceedings pending or, to the knowledge of the Purchaser, threatened against the Purchaser that would, individually or in the aggregate, prevent or materially delay the consummation of the Transactions or the other transactions contemplated by this Agreement or the ability of the Purchaser to fully perform its covenants and obligations pursuant to this Agreement.

(b) *No Orders*. The Purchaser is not subject to any order of any kind or nature that would prevent or materially delay the consummation of the Transactions or the other transactions contemplated by this Agreement or the ability any Purchaser to fully perform their respective covenants and obligations pursuant to this Agreement.

4.7 *Ownership of Company Common Stock.* Neither the Purchaser nor any of its “affiliates” or “associates” is or, during the three years prior to the date of this Agreement, has been an “interested stockholder” (in each case, as such quoted terms are defined under Section 203 of the DGCL) of the Company. Neither the Purchaser nor any of its “affiliates” or “associates” (as those terms are defined in Section 203 of the DGCL) beneficially owns, directly or indirectly, any shares of Company Common Stock or any other security convertible into, exchangeable for or exercisable for shares of Company Common Stock.

4.8 *Brokers.* There is no financial advisor, investment banker, broker, finder, agent or other Person that has been retained by or is authorized to act on behalf of the Purchaser or any of its Affiliates that will be entitled to any financial advisor’s, investment banking, brokerage, finder’s or other fee or commission from the Company or its Subsidiaries in connection with the Transaction.

4.9 *Unregistered Securities.*

(a) *Investor Status; Sophisticated Purchaser.* The Purchaser is an “accredited investor” within the meaning of Section 4(a)(2) of the Securities Act and is able to bear the risk of its investment in the Purchased Shares. The Purchaser has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of the purchase of the Purchased Shares.

(b) *Information.* The Purchaser and its Representatives have been furnished with (i) materials relating to the business, finances and operations of the Company, (ii) materials relating to the offer and sale of the Purchased Shares and (iii) materials relating to the Transaction, in each case, that have been requested by the Purchaser. The Purchaser and its Representatives have been afforded the opportunity to ask questions of the Company. Neither such inquiries nor any other due diligence investigations conducted at any time by the Purchaser and its Representatives shall modify, amend or affect the Purchaser’s right (i) to rely on the Company’s representations and warranties contained in Article III above or (ii) to indemnification or any other remedy based on, or with respect to the accuracy or inaccuracy of, or compliance with, the representations, warranties, covenants and agreements in this Agreement. The Purchaser understands that its purchase of the Purchased Shares involves a high degree of risk. The Purchaser has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Purchased Shares.

(c) *Legends.* The Purchaser understands that any certificate or book-entry position evidencing Purchased Shares will bear the restrictive legend set forth in the Certificate of Designation.

(d) *Purchase Representations.* The Purchaser is purchasing the Purchased Shares for its own account, the account of its Affiliates, or the accounts of clients for whom the Purchaser exercises discretionary investment authority (all of whom the Purchaser hereby represents and warrants are “accredited investors” within the meaning of Section 4(a)(2) of the Securities Act), not as a nominee or agent, and not with a view to distribution in violation of any securities Laws. The Purchaser has been advised and understands that the Purchased Shares have not been registered under the Securities Act or under the “blue sky” laws of any jurisdiction and

may be resold only if registered pursuant to the provisions of the Securities Act (or if eligible, pursuant to the provisions of Rule 144 promulgated under the Securities Act or pursuant to another available exemption from the registration requirements of the Securities Act). The Purchaser has been advised and understands that the Company, in issuing the Purchased Shares, is relying upon, among other things, the representations and warranties of the Purchaser contained in this Article IV in concluding that such issuance is a “private offering” and is exempt from the registration provisions of the Securities Act.

(e) *Rule 144*. The Purchaser understands that there is no public trading market for the Purchased Shares, that none is expected to develop and that the Purchased Shares must be held indefinitely unless and until the Purchased Shares are registered under the Securities Act or an exemption from registration is available. The Purchaser has been advised of and is knowledgeable with respect to the provisions of Rule 144 promulgated under the Securities Act.

(f) *Reliance by the Company*. The Purchaser understands that the Purchased Shares are being offered and sold in reliance on a transactional exemption from the registration requirements of federal and state securities Laws and that the Company is relying upon the truth and accuracy of the representations, warranties, agreements, acknowledgments and understandings of the Purchaser set forth herein in order to determine the applicability of such exemptions and the suitability of the Purchaser to acquire the Purchased Shares.

4.10 *Stockholder and Management Arrangements*. Except for the Transaction Documents or as previously disclosed to the Company in writing, neither the Purchaser nor any of its Affiliates is a party to any Contract, or has authorized, made or entered into, or committed or agreed to enter into, any formal or informal arrangements or other understandings (whether or not binding) with any stockholder, director, officer, employee or other Affiliate of the Company or any of its Subsidiaries: (a) relating to this Agreement or the Transaction, (b) pursuant to which any holder of Company Common Stock has agreed to approve this Agreement or vote against any Superior Proposal, or (c) pursuant to which any Person has agreed to provide, directly or indirectly, an equity investment to the Purchaser or the Company to finance any portion of the Transaction.

4.11 *Financing*.

(a) *Financing Letters*. As of the date of this Agreement, the Purchaser has delivered to the Company a true, correct and complete copy of a duly executed equity commitment letter, dated as of the date of this Agreement, between the Purchaser and Cerberus Corporate Credit Fund, L.P. substantially in the form attached to this Agreement as Exhibit G (the “**Equity Commitment Letter**”) pursuant to which Cerberus Corporate Credit Fund, L.P. has committed, subject to the terms and conditions thereof, to provide equity financing to the Purchaser, directly or indirectly, in the amounts set forth therein for the purpose of funding the aggregate value of the consideration payable by the Purchaser in the Transaction (the “**Equity Financing**”). The Equity Commitment Letter provides that the Company is an express third-party beneficiary thereof.

(b) *No Amendments*. As of the date of this Agreement: (i) the Equity Commitment Letter and the terms of the Equity Financing have not been amended or modified; (ii) no such amendment or modification is contemplated; and (iii) the commitment contained in the Equity Commitment Letter has not been withdrawn, terminated or rescinded in any respect. There are no other Contracts, agreements, side letters or arrangements to which the Purchaser or any of its respective Affiliates is a party relating to the funding or investing, as applicable, of the full amount of the Equity Financing, other than as expressly set forth in the Equity Commitment Letter.

(c) *Sufficiency of Financing.* The Equity Financing is sufficient to: (i) make all of the Purchaser's payments contemplated by this Agreement in connection with the Transaction (including the Purchaser's payment of all amounts payable pursuant to Article II in connection with or as a result of the Transaction) and (ii) pay all fees and expenses required to be paid at the Closing by Purchaser in connection with the Transaction and the Equity Financing.

(d) *Validity.* As of the date of this Agreement, the Equity Commitment Letter (in the form delivered by the Purchaser to the Company) is in full force and effect with respect to, and constitute the legal, valid and binding obligations of, the Purchaser and the other parties thereto, enforceable against the Purchaser and the other parties thereto, in accordance with its terms, except as such enforceability: (i) may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar Laws affecting or relating to creditors' rights generally; and (ii) is subject to general principles of equity. Other than as expressly set forth in the Equity Commitment Letter, there are no conditions precedent or other contingencies related to the funding of the full proceeds of the Equity Financing. As of the date of this Agreement, no event has occurred that, with or without notice or lapse of time or both, would, or would reasonably be expected to, (A) constitute a default or breach on the part of the Purchaser or, to the knowledge of the Purchaser, any of the other parties thereto pursuant to the Equity Commitment Letter, or (B) result in the failure of any condition to the Equity Financing or contained in the Equity Commitment Letter. As of the date of this Agreement, the Purchaser has no reason to believe that it will be unable to satisfy on a timely basis any term or condition of the Equity Financing, whether or not such term or condition is contained in the Equity Commitment Letter. As of the date of this Agreement, the Purchaser has fully paid, or caused to be fully paid, all commitment or other fees that are due and payable on or prior to the date of this Agreement pursuant to the terms of the Equity Commitment Letter.

4.12 *Exclusivity of Representations and Warranties.*

(a) *No Other Representations and Warranties.* The Purchaser, on behalf of itself and its Affiliates, acknowledges and agrees that, except for the representations and warranties expressly set forth in Article III (as modified by the Company Disclosure Letter), in any other Transaction Document or in any certificate delivered pursuant to this Agreement:

(i) neither the Company nor any of its Subsidiaries (or any other Person) makes, or has made, any representation or warranty relating to the Company, its Subsidiaries or any of their businesses, operations or otherwise in connection with this Agreement or the Transaction;

(ii) no Person has been authorized by the Company, any of its Subsidiaries or any of its or their respective Representatives to make any representation or warranty relating to the Company, its Subsidiaries or any of their businesses or operations or otherwise in connection with this Agreement or the Transaction, and if made, such representation or warranty must not be relied upon by the Purchaser or any of its Representatives as having been authorized by the Company, any of its Subsidiaries or any of its or their respective Representatives (or any other Person); and

(iii) the representations and warranties made by the Company in this Agreement are in lieu of and are exclusive of all other representations and warranties in connection with this Agreement or the Transaction, including any express or implied or as to merchantability or fitness for a particular purpose, and the Company hereby disclaims any other such express or implied representations or warranties, notwithstanding the delivery or disclosure to the Purchaser or any of its Representatives of any documentation or other information (including any financial information, supplemental data, financial projections or other forward-looking statements).

(b) *No Reliance*. The Purchaser, on behalf of itself and its Affiliates, acknowledges and agrees that, except for the representations and warranties expressly set forth in Article III (as modified by the Company Disclosure Letter), in any other Transaction Document or in any certificate delivered by the Company pursuant to this Agreement, it is not acting by entering into this Agreement or consummating the Transaction, in reliance on:

(i) any other representation or warranty, express or implied;

(ii) any estimate, projection, prediction, data, financial information, memorandum, presentation or other materials or information provided or addressed to the Purchaser or any of its Affiliates or Representatives, including any materials or information made available in the electronic data room hosted by or on behalf of the Company in connection with the Transaction, in connection with presentations by the Company's management or in any other forum or setting; or

(iii) the accuracy or completeness of any other representation, warranty, estimate, projection, prediction, data, financial information, memorandum, presentation or other materials or information.

(i) agree, resolve, authorize or commit to take any action prohibited by this Section 5.2.

5.3 No Solicitation.

(a) *No Solicitation or Negotiation*. Subject to the terms of Section 5.3(b), Section 5.3(d) and Section 5.3(f), from the date hereof until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will (1) cease and cause to be terminated any discussions or negotiations with any Person and its Affiliates and their respective directors, officers, employees, investment bankers, attorneys, accountants and other advisors or representatives (collectively, “**Representatives**”) that would be prohibited by this Section 5.3(a) and (2) terminate all physical and electronic data room access previously granted to any such Person, its Affiliates and their respective Representatives. Subject to the terms of Section 5.3(b), Section 5.3(d) and Section 5.3(f), from the date hereof until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company and its Subsidiaries will not, and will cause their respective directors, officers and employees and will instruct their other Representatives not to, directly or indirectly: (i) solicit, initiate or propose the making, submission or announcement of, or knowingly encourage, induce, facilitate or assist, an Acquisition Proposal or any inquiries or the making of any proposal that would reasonably be expected to lead to an Acquisition Proposal; (ii) furnish to any Person (other than the Purchaser, the Other Purchasers (solely with respect to the Other Transactions) or their respective Representatives) any non-public information relating to the Company or any of its Subsidiaries or afford to any Person access to the business, properties, assets, books, records or other non-public information, or to any personnel, of the Company or any of its Subsidiaries, in any such case to knowingly encourage, facilitate or assist, an Acquisition Proposal or any inquiries or the making of any proposal that would reasonably be expected to lead to an Acquisition Proposal; (iii) participate, continue or engage in discussions or negotiations with any Person with respect to an Acquisition Proposal (other than informing such Persons of the provisions contained in this Section 5.3 or contacting such Person making any unsolicited Acquisition Proposal to clarify the terms and conditions thereof); (iv) approve, endorse or recommend an Acquisition Proposal; or (v) enter into any letter of intent, memorandum of understanding, merger agreement, acquisition agreement or other Contract relating to an Acquisition Transaction, other than an Acceptable Confidentiality Agreement (any such letter of intent, memorandum of understanding, merger agreement, acquisition agreement or other Contract relating to an Acquisition Transaction, an “**Alternative Acquisition Agreement**”). For purposes of this Section 5.3, the Company agrees that any breach of this Section 5.3 by the Company’s Representatives shall constitute a breach of this Section 5.3 by the Company.

(b) *Superior Proposals*. Notwithstanding anything to the contrary set forth in this Section 5.3, from the date hereof until the Company's receipt of the Requisite Stockholder Approvals, the Company and the Company Board (or a committee thereof) may, directly or indirectly through one or more of their Representatives, participate or engage in discussions or negotiations with, furnish any non-public information relating to the Company or any of its Subsidiaries to, or afford access to the business, properties, assets, books, records or other non-public information, or to any personnel, of the Company or any of its Subsidiaries pursuant to an Acceptable Confidentiality Agreement to any Person or its Representatives that has made, renewed or delivered to the Company an Acquisition Proposal after the date of this Agreement, and otherwise facilitate such Acquisition Proposal or assist such Person (and its Representatives and financing sources) with such Acquisition Proposal (in each case, if requested by such Person), in each case with respect to an Acquisition Proposal that was not solicited in breach of Section 5.3(a) and that the Company Board (or a committee thereof) has determined in good faith (after consultation with its financial advisor and outside legal counsel) either constitutes a Superior Proposal or is reasonably likely to lead to a Superior Proposal and that failure to take such action would be inconsistent with its fiduciary duties under applicable Law; *provided*, that, subject to applicable Law, the Company shall provide to the Purchaser any non-public information or data that is provided to any Person given such access that was not previously made available to the Purchaser prior to or substantially concurrently with the time it is provided to such Person.

(c) *No Change in Company Board Recommendation or Entry into an Alternative Acquisition Agreement*. Except as provided by Section 5.3(d), at no time after the date of this Agreement until the earlier of the termination of this Agreement or the Closing Date may the Company Board (or a committee thereof): (i) withhold, withdraw, amend, qualify or modify, or publicly propose to withhold, withdraw, amend, qualify or modify, the Company Board Recommendation in a manner adverse to the Purchaser; (ii) publicly adopt, approve or recommend an Acquisition Proposal; (iii) in connection with a tender or exchange offer by a third party, fail to recommend against such offer by the close of business on the 10th Business Day after the commencement of a tender or exchange offer in connection with an Acquisition Proposal (it being understood that the Company Board (or a committee thereof) may refrain from taking a position with respect to an Acquisition Proposal until the close of business on the 10th Business Day after the commencement of a tender or exchange offer in connection with such Acquisition Proposal without such action being considered a violation of this Section 5.3); (iv) fail to include the Company Board Recommendation in the Proxy Statement; or (v) enter into any Contract or letter of intent regarding an Acquisition Proposal (any action described in clauses (i) through (iv), a "**Company Board Recommendation Change**"); *provided, however*, that, for the avoidance of doubt, a "stop, look and listen" communication by the Company Board (or a committee thereof) to the Company Stockholders pursuant to Rule 14d-9(f) promulgated under the Exchange Act (or any substantially similar communication), will not constitute a Company Board Recommendation Change if it expressly affirms the Company Board Recommendation.

(d) *Company Board Recommendation Change*. Notwithstanding anything to the contrary set forth in this Agreement, at any time prior to obtaining the Requisite Stockholder Approvals:

(i) the Company Board (or a committee thereof) may effect a Company Board Recommendation Change in response to an Intervening Event if the Company Board (or a committee thereof) determines in good faith (after consultation with its financial advisor and outside legal counsel) that the failure to do so would be inconsistent with its fiduciary duties pursuant to applicable Law; *provided*, that, the Company Board (or a committee thereof) shall not effect such a Company Board Recommendation Change unless:

(1) the Company has provided prior written notice to the Purchaser and the Other Purchasers at least five Business Days in advance to the effect that the Company Board (or a committee thereof) has (A) made such determination; and (B) resolved to effect a Company Board Recommendation Change pursuant to this Section 5.3(d)(i), which notice will specify the basis for such Company Board Recommendation Change, including a reasonably detailed description of the facts and circumstances relating to such Intervening Event and copies of all relevant documents relating thereto;

(2) prior to effecting such Company Board Recommendation Change, the Company and its Representatives, during such five Business Day period, must have negotiated with the Purchaser, the Other Purchasers and their respective Representatives in good faith (to the extent that the Purchaser or either of the Other Purchasers desires to so negotiate) to make such adjustments to the terms and conditions of this Agreement so that the Company Board (or a committee thereof) would no longer determine that the failure to make a Company Board Recommendation Change in response to such Intervening Event would be inconsistent with its fiduciary duties pursuant to applicable Law; and

(3) at the end of such five Business Day period and taking into account any adjustments to the terms and conditions of this Agreement and the Other Purchase Agreements, the Company Board (or a committee thereof) has determined in good faith (after consultation with its financial advisor and outside legal counsel) that the failure to make a Company Board Recommendation Change in response to such Intervening Event would continue to be inconsistent with its fiduciary duties pursuant to applicable Law; or

(ii) if the Company has received a *bona fide* Acquisition Proposal that was not solicited in breach of Section 5.3 and that the Company Board has determined in good faith (after consultation with its financial advisor and outside legal counsel) constitutes a Superior Proposal, then the Company Board (or a committee thereof) may effect a Company Board Recommendation Change with respect to such Acquisition Proposal; *provided*, that, the Company Board (or a committee thereof) shall not take any action described in this clause (ii) unless:

(1) the Company Board (or a committee thereof) determines in good faith (after consultation with its financial advisor and outside legal counsel) that the failure to do so would be inconsistent with its fiduciary duties pursuant to applicable Law;

(2) the Company has complied in all material respects with its obligations pursuant to this Section 5.3 with respect to such Acquisition Proposal;

(3) (i) the Company has provided prior written notice to the Purchaser and the Other Purchasers five Business Days in advance (the “**Notice Period**”) to the effect that the Company Board (or a committee thereof) has (A) received a Superior Proposal and (B) resolved to effect a Company Board Recommendation Change absent any revision to the terms and conditions of this Agreement, which notice will specify the basis for such Company Board Recommendation Change, including the identity of the Person or “group” of Persons making such Acquisition Proposal, the material terms thereof and copies of all relevant documents relating to such Acquisition Proposal (*provided* that following each subsequent amendment to such Acquisition Proposal, the Company Board shall provide a new written notice to the Purchaser, including all information and documents required in this clause (3), with a new Notice Period of three Business Days); and (ii) prior to effecting such Company Board Recommendation Change, the Company and its Representatives, during the Notice Period, must have negotiated with the Purchaser and the Other Purchasers in good faith (to the extent that the Purchaser or either of the Other Purchasers desires to so negotiate) to make such adjustments to the terms and conditions of this Agreement so that such Acquisition Proposal would cease to constitute a Superior Proposal; and

(4) at the end of the Notice Period and taking into account any adjustments to the terms and conditions of this Agreement, the Company Board determines in good faith (after consultation with its financial advisor and outside legal counsel) that the Acquisition Proposal continues to constitute a Superior Proposal.

(e) *Notice.* From the date hereof until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will promptly (and, in any event, within 24 hours) notify the Purchaser and the Other Purchasers if any offers or proposals that constitute an Acquisition Proposal are received by, any non-public information is requested from, or any discussions or negotiations are sought to be initiated or continued with, the Company or any of its Representatives. Such notice must include a summary of the material terms and conditions of such offer, proposal, request, inquiry, discussions or negotiations, including the identity of the Person making any such offer, proposal, request or inquiry or seeking to engage in such discussions or negotiations, and a copy of any written documents in connection therewith. Thereafter, the Company must keep the Purchaser reasonably informed, on a prompt basis, of the status and terms of any such offer, proposal, request, inquiry, discussions or negotiations (including any amendments thereto) and the status of any such offer, proposal, request, inquiry, discussions or negotiations.

(f) *Certain Disclosures.* Nothing in this Agreement will prohibit the Company or the Company Board (or a committee thereof) from: (i) taking and disclosing to the Company Stockholders a “stop, look and listen” communication by the Company Board (or a committee thereof) to the Company Stockholders pursuant to Rule 14d-9(f) promulgated under the Exchange Act (or any substantially similar communication); (ii) informing any Person of the existence of the provisions contained in this Section 5.3; or (iii) complying with the Company’s disclosure obligations under U.S. federal or state Law with regard to an Acquisition Proposal, it being understood that any such statement or disclosure made by the Company Board (or a committee thereof) shall be subject to the terms and conditions of this Agreement. In addition, it is understood and agreed that, for purposes of this Agreement, a factually accurate public statement by the Company or the Company Board (or a committee thereof) that describes the Company’s receipt of an Acquisition Proposal, the identity of the Person making such Acquisition Proposal, the material terms of such Acquisition Proposal and the operation of this Agreement with respect thereto will not be deemed to be (A) a withholding, withdrawal, amendment, or modification, or proposal by the Company Board (or a committee thereof) to withhold, withdraw, amend or modify, the Company Board Recommendation, (B) an adoption, approval or recommendation with respect to such Acquisition Proposal, or (C) a Company Board Recommendation Change as long as it expressly affirms the Company Board Recommendation.

5.4 *No Control of the Other Party's Business.* The Parties acknowledge and agree that the restrictions set forth in this Agreement are not intended to give the Purchaser, on the one hand, or the Company, on the other hand, directly or indirectly, the right to control or direct the business or operations of the other at any time prior to the Closing. Prior to the Closing Date, the Purchaser and the Company will exercise, consistent with the terms, conditions and restrictions of this Agreement, complete control and supervision over their own business and operations.

ARTICLE VI ADDITIONAL COVENANTS

6.1 *Required Action and Forbearance; Efforts.*

(a) *Reasonable Best Efforts.* Upon the terms and subject to the conditions set forth in this Agreement, the Purchaser will (and will cause its Affiliates to, if applicable), on the one hand, and the Company will, on the other hand, use their respective reasonable best efforts to (A) take (or cause to be taken) all actions, (B) do (or cause to be done) all things, and (C) assist and cooperate with the other Parties in doing (or causing to be done) all things, in each case as are necessary, proper or advisable pursuant to applicable Law or otherwise to consummate and make effective, as promptly as practicable, the Transaction, including by using reasonable best efforts to:

(i) cause the conditions to the Transaction set forth in Article VII to be satisfied;

(ii) (1) obtain all consents, waivers, approvals, orders and authorizations from Governmental Authorities; and (2) make all registrations, declarations and filings with Governmental Authorities, in each case that are necessary or advisable to consummate the Transaction;

(iii) obtain all consents, waivers and approvals and delivering all notifications from or to any third parties in connection with this Agreement and the consummation of the Transaction that are necessary or advisable to consummate the Transactions; and

(iv) execute and deliver any Contracts and other instruments that are reasonably necessary to consummate the Transaction.

(b) *No Consent Fee.* Notwithstanding anything to the contrary set forth in this Section 6.1 or elsewhere in this Agreement, neither the Company nor any of its Subsidiaries will be required to agree to: (i) the payment of a consent fee, "profit sharing" payment or other consideration (including increased or accelerated payments); (ii) the provision of additional security (including a guaranty); or (iii) material conditions or obligations, including amendments to existing conditions and obligations, in each case, in connection with the Transaction, including in connection with obtaining any consent pursuant to any Material Contract.

(c) Section 6.1(a) shall not apply to filings under Antitrust Laws, which shall be governed by the obligations set forth in Section 6.2 below.

6.2 Antitrust Filings.

(a) *Filing Under Antitrust Laws.* The Purchaser and the Company will (i) cooperate and coordinate with the other in determining whether any filings are required by applicable Antitrust Laws in connection with the Transaction, (ii) cooperate and coordinate (and cause its respective Affiliates to cooperate and coordinate) with the other in the making of any required filings with any Governmental Authority as are required by applicable Antitrust Laws in connection with the Transaction; (iii) supply the other (or cause the other to be supplied) with any information that may be required in order to make such filings; (iv) supply (or cause to be supplied) any additional information that reasonably may be required or requested by the FTC, the DOJ or the Governmental Authorities of any other applicable jurisdiction in which any such filing is made; and (v) use reasonable best efforts to take all action necessary, proper or advisable to (A) cause the expiration or termination of the applicable waiting periods pursuant to the HSR Act and any other Antitrust Laws (to the extent applicable to this Agreement or the Transaction); and (B) obtain any required consents pursuant to any HSR Act or Antitrust Laws (to the extent applicable to this Agreement or the Transaction), in each case as promptly as reasonably practicable. The Purchaser (and its Affiliates, if applicable), on the one hand, and the Company (and its Affiliates), on the other hand, will promptly inform the other of any communication from any Governmental Authority regarding the Transaction in connection with such filings. If either Party or Affiliate thereof receives any comments or a request for additional information or documentary material from any Governmental Authority with respect to the Transaction pursuant to any Antitrust Law applicable to the Transaction, then such Party will make (or cause to be made), as promptly as practicable and after consultation with the other Parties, an appropriate response to such request; *provided* that neither Party may extend any waiting period or enter into any agreement or understanding with any Governmental Authority without the permission of the other Party, which shall not be unreasonably withheld, conditioned or delayed.

(b) *Cooperation.* In furtherance and not in limitation of the foregoing, the Company and the Purchaser shall (and shall cause their respective controlling Persons, controlled Affiliates and Subsidiaries, respectively, to), subject to any restrictions under applicable Laws: (i) promptly notify the other Party of, and, if in writing, furnish the other with copies of (or, in the case of oral communications, advise the others of the contents of) any material communication received by such Person from a Governmental Authority in connection with the Transactions and permit the other Party to review and discuss in advance (and to consider in good faith any comments made by the other Party in relation to) any proposed draft notifications, formal notifications, filing, submission or other written communication (and any analyses, memoranda, white papers, presentations, correspondence or other documents submitted therewith) made in connection with the Transactions to a Governmental Authority; (ii) keep the other Party informed with respect to the status of any such submissions and filings to any Governmental Authority in connection with the Transactions and any developments, meetings or discussions with any Governmental Authority in respect thereof, including with respect to (A) the receipt of any non-action, action, clearance, consent, approval or waiver, (B) the expiration of any waiting period, (C) the commencement or proposed or threatened commencement of any investigation, litigation or administrative or judicial action or proceeding under applicable Laws, including any proceeding

initiated by a private party, and (D) the nature and status of any objections raised or proposed or threatened to be raised by any Governmental Authority with respect to the Transaction; and (iii) not independently participate in any meeting, hearing, proceeding or discussions (whether in person, by telephone or otherwise) with or before any Governmental Authority in respect of the Transaction without giving the other party reasonable prior notice of such meeting or discussions and, unless prohibited by such Governmental Authority, the opportunity to attend or participate. Subject to restrictions under applicable Law, the Purchaser will not, without the prior written consent of the Company, extend or offer or agree to extend any waiting period under the HSR Act or any other Antitrust Law, or enter into any agreement with any Governmental Authority related to this Agreement or the transactions contemplated by this Agreement. However, the Company and the Purchaser may each designate any non-public information provided to any Governmental Authority as restricted to “outside counsel” only and any such information shall not be shared with employees, officers or directors or their equivalents of the other Party without approval of the Party providing the non-public information; *provided, however*, that each of the Company and the Purchaser may redact any valuation and related information before sharing any information provided to any Governmental Authority with the other Party on an “outside counsel” only basis, and that the Company and the Purchaser shall not in any event be required to share information that benefits from legal privilege with the other Party, even on an “outside counsel” only basis, where this would cause such information to cease to benefit from legal privilege.

(c) *Other Action.* The Purchaser shall not, directly or indirectly (whether by merger, consolidation or otherwise), acquire (or agree to acquire) any business, corporation, partnership, association or other business organization or division or part thereof, or any securities or collection of assets, if doing so would reasonably be expected to prevent or materially delay the consummation of the transactions contemplated by this Agreement.

(d) *Limitations on Action.* Notwithstanding anything to the contrary in this Section 6.2, nothing in this Section 6.2 or this Agreement shall require or obligate the Purchaser to agree, propose, commit to, or effect, or otherwise be required, by consent decree, hold separate, or otherwise, any sale, divestiture, hold separate, or any other action otherwise limiting the freedom of action in any respect with respect to any businesses, products, rights, services, licenses, assets, or interest therein, of Purchaser or any Affiliate (including Cerberus Capital Management L.P. (“**Sponsor**”) and their respective Affiliates and any investment funds or investment vehicles affiliated with, or managed or advised by, Sponsor or any portfolio company (as such term is commonly understood in the private equity industry) or investment of Sponsor).

6.3 *Proxy Statement.*

(a) *Proxy Statement.* As promptly as practical following the date hereof, the Company (with the assistance and cooperation of the Purchaser as reasonably requested by the Company) will prepare and, as promptly as practicable following the date of this Agreement, file with the SEC a preliminary proxy statement (as amended or supplemented, the “**Proxy Statement**”) relating to the Company Stockholder Meeting. Subject to Section 5.3, the Company shall include the Company Board Recommendation in the Proxy Statement. Prior to the filing of the Proxy Statement (or any amendment or supplement thereto), or any dissemination thereof to the Company Stockholders, or responding to any comments from the SEC with respect thereto, the Company shall provide the Purchaser and its counsel with a reasonable opportunity to review

and to comment on such document or response (except to the extent that any disclosures in such document or response relate to an Acquisition Proposal), which comments, if any, the Company shall consider in good faith. None of the information supplied or to be supplied by or on behalf of the Company or the Purchaser for inclusion or incorporation by reference in the Proxy Statement, at the date it or any amendment or supplement is mailed to the Company Stockholders and at the time of the Company Stockholder Meeting, will contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances in which they are made, not misleading.

(b) *Furnishing Information.* The Company, on the one hand, and the Purchaser, on the other hand, will furnish all information concerning it and its Affiliates, if applicable, as the other Party may reasonably request in connection with the preparation and filing with the SEC of the Proxy Statement. If at any time prior to the Company Stockholder Meeting any information relating to the Company, the Purchaser or any of their respective Affiliates should be discovered by the Company, on the one hand, or the Purchaser, on the other hand, that should be set forth in an amendment or supplement to the Proxy Statement so that such filing would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, then the Party that discovers such information will promptly notify the other, and an appropriate amendment or supplement to such filing describing such information will be promptly prepared and filed with the SEC by the appropriate Party and, to the extent required by applicable law or the SEC or its staff, disseminated to the Company Stockholders.

(c) *Consultation Prior to Certain Communications.* The Company and its Affiliates, on the one hand, and the Purchaser and its Affiliates, on the other hand, may not communicate in writing with the SEC or its staff with respect to the Proxy Statement without first providing the other Party a reasonable opportunity to review and comment on such written communication, and each Party will give due consideration to all reasonable additions, deletions or changes suggested thereto by the other Parties or their respective counsel.

(d) *Notices.* The Company, on the one hand, and the Purchaser, on the other hand, will advise the other, promptly after it receives notice thereof, of any receipt of a request by the SEC or its staff for: (i) any amendment or revisions to the Proxy Statement; (ii) any receipt of comments from the SEC or its staff on the Proxy Statement; or (iii) any receipt of a request by the SEC or its staff for additional information in connection therewith.

(e) *Dissemination of Proxy Statement.* Subject to applicable Law, the Company will use its reasonable best efforts to cause the definitive Proxy Statement to be disseminated to the Company Stockholders as promptly as reasonably practicable following the filing thereof with the SEC and confirmation from the SEC that it will not review, or that it has completed its review of, the Proxy Statement.

6.4 *Company Stockholder Meeting.*

(a) *Call of Company Stockholder Meeting.* Within 10 calendar days after the date of this Agreement (and thereafter as reasonably determined by the Company in consultation with the Purchaser), the Company shall conduct a “broker search” in accordance with Rule 14a-13 of the Exchange Act for a record date for the Company Stockholder Meeting that is 20 Business Days after the date of such “broker search.” Following the clearance of the Proxy Statement by the SEC, the Company shall duly call and hold a meeting of its stockholders (the “**Company Stockholder Meeting**”) as promptly as reasonably practicable (taking into account the time necessary to solicit proxies for the approval of the Transactions and the Certificate of Amendment) following the mailing of the Proxy Statement to the Company Stockholders, which mailing will be initiated as promptly as practicable following the confirmation from the SEC that it will not review, or that it has completed its review of, the Proxy Statement, for the purpose of obtaining the Requisite Stockholder Approvals. Subject to Section 5.3 and unless there has been a Company Board Recommendation Change, the Company will use its reasonable best efforts to solicit proxies to obtain the Requisite Stockholder Approvals.

(b) *Adjournment of Company Stockholder Meeting.* Notwithstanding anything to the contrary in this Agreement, nothing will prevent the Company from postponing or adjourning the Company Stockholder Meeting: (i) to allow additional solicitation of votes in order to obtain the Requisite Stockholder Approvals; (ii) if there are holders of an insufficient number of shares of the Company Common Stock present or represented by proxy at the Company Stockholder Meeting to constitute a quorum at the Company Stockholder Meeting; (iii) if the Company is required to postpone or adjourn the Company Stockholder Meeting by applicable Law or receives a request from the SEC or its staff; or (iv) if the Company Board (or a committee thereof) has determined in good faith (after consultation with outside legal counsel) that it is necessary under applicable Law to postpone or adjourn the Company Stockholder Meeting in order to give the Company Stockholders sufficient time to evaluate any information or disclosure that the Company has sent to the Company Stockholders or otherwise made available to the Company Stockholders (including in connection with any Company Board Recommendation Change). Notwithstanding the foregoing, (1) the Company shall not, without the prior written consent of the Purchaser, postpone the Company Stockholder Meeting for more than 20 Business Days in the aggregate, and (2) the Company shall, at the request of the Purchaser, to the extent permitted by applicable Law, adjourn the Company Stockholder Meeting to a date specified by the Purchaser and the Company (taking into account the time necessary to solicit proxies) if a quorum is absent at the Company Stockholder Meeting or if the Company has not received proxies representing a sufficient number of shares of Company Common Stock to obtain the Requisite Stockholder Approvals.

(c) *Force-the-Vote.* The Company’s obligations pursuant to this Section 6.4 shall not be affected by (i) the commencement, public proposal, public disclosure or communication to the Company of an Acquisition Proposal or (ii) any Company Board Recommendation Change.

6.5 *No Financing Condition.* The Purchaser acknowledges and agrees that obtaining the Equity Financing is not a condition to the Closing. Subject to Section 10.8(b)(ii), if the Equity Financing has not been obtained, the Purchaser will continue to be obligated, subject to the satisfaction or waiver of the conditions set forth in Article VII, to consummate the Transaction.

6.6 *Anti-Takeover Laws.* The Company and the Purchaser will: (a) take all actions within their power to ensure that no “control share acquisition,” “fair price,” “moratorium,” “business combination” or other state anti-takeover Law (including Section 203 of the DGCL),

statute or similar statute or regulation is or becomes applicable to the Transaction or any other transactions contemplated by this Agreement (including the Other Transactions); and (b) if any “control share acquisition,” “fair price,” “moratorium,” “business combination” or other state anti-takeover Law (including Section 203 of the DGCL), statute or similar statute or regulation becomes applicable to the Transaction or any other transactions contemplated by this Agreement (including the Other Transactions), take all actions within their power to ensure that the Transactions may be consummated as promptly as reasonably practicable on the terms contemplated by this Agreement and otherwise to minimize the effect of such statute or regulation on the Transactions.

6.7 *Use of Proceeds*. The Company shall use the proceeds of the Purchase Price paid by the Purchaser, together with the proceeds of the purchase price paid by the Other Purchasers pursuant to the Other Purchase Agreements, to (a) first, pay off all outstanding balances under the Company Notes in accordance with the Starboard Agreement, (b) second, pay off all outstanding balances under the Foreign Note and (c) third, using any remaining proceeds directly or indirectly to pay its expenses related to the Transactions and for general corporate purposes. To the extent the proceeds of the Purchase Price paid by the Purchaser, together with the proceeds of the purchase price paid by the Other Purchasers pursuant to the Other Purchase Agreements, are insufficient for purposes of the foregoing clauses (a) through (c), then the Company shall use the proceeds from its balance sheet for such purposes.

6.8 *Access*. At all times during the period commencing with the execution and delivery of this Agreement and continuing until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will afford the Purchaser reasonable access, consistent with applicable Law, during normal business hours, upon reasonable advance notice provided in writing to the General Counsel of the Company, or another Person designated in writing by the Company, to the properties, books and records and personnel of the Company, except that the Company may restrict or otherwise prohibit access to any documents or information to the extent that: (a) any applicable Law or Contract requires the Company to restrict or otherwise prohibit access to such documents or information; (b) access to such documents or information would give rise to a material risk of waiving any attorney-client privilege, work product doctrine or other privilege applicable to such documents or information; (c) such disclosure relates to interactions with other prospective buyers or transaction partners of the Company or the negotiation of this Agreement and the transactions contemplated hereby, or information relating to the analysis, valuation or consideration of the Transactions or the transactions contemplated hereby, in each case, subject to Section 5.3, which shall not be limited by this Section 6.8(c); (d) access to a Contract to which the Company or any of its Subsidiaries is a party or otherwise bound would violate or cause a default pursuant to, or give a third Person the right to terminate or accelerate the rights pursuant to, such Contract; (e) access would result in the disclosure of any trade secrets of third Persons; or (f) such documents or information are reasonably pertinent to any adverse Legal Proceeding between the Company and its Affiliates, on the one hand, and the Purchaser and its Affiliates, on the other hand; *provided* that the Company shall use reasonable best efforts to provide such documents or information in a manner that does not violate or cause a default pursuant to, or give a third Person the right to terminate or accelerate the rights pursuant to, any Contract or cause such documents or information to cease to benefit from legal privilege, including by redacting or obtaining consent in connection therewith. Nothing in this Section 6.8 will be construed to require the Company, any of its Subsidiaries or any of their respective

Representatives to prepare any reports, analyses, appraisals or opinions. Any investigation conducted pursuant to the access contemplated by this Section 6.8 will be conducted in a manner that (i) does not unreasonably interfere with the conduct of the business of the Company and its Subsidiaries or otherwise result in any significant interference with the prompt and timely discharge by officers, employees and other authorized Representatives of the Company or any of its Subsidiaries of their normal duties or (ii) create a risk of damage or destruction to any property or assets of the Company or its Subsidiaries. Any access to the properties of the Company and its Subsidiaries will be subject to the Company's reasonable security measures and insurance requirements and will not include the right to perform invasive or subsurface testing or any sampling, monitoring or analysis of soil, groundwater, building materials, indoor air, or other environmental media of the sort generally referred to as a "Phase II" environmental investigation. The terms and conditions of the Confidentiality Agreement will apply to any information obtained by the Purchaser or any of its Representatives in connection with any investigation conducted pursuant to the access contemplated by this Section 6.8; *provided* that, notwithstanding any provision to the contrary in the Confidentiality Agreement, the Purchaser and any of its Representatives shall be permitted to disclose to the Other Purchasers and their respective Representatives any information of the Company and discuss with the Other Purchasers and their respective Representatives any information of the Company, in each case, including in connection with the Transactions or any other Acquisition Proposal, except that the Purchaser or its Representatives shall not disclose to the Other Purchasers or their respective Representatives any Company information that is competitively sensitive and is designated in writing by the Company to be for such Purchaser's access only (or that otherwise directly relates only to commercial matters or arrangements of the Company in the ordinary course of business (and not the Transaction or any Acquisition Proposal) and, notwithstanding the foregoing, would otherwise be prohibited to be disclosed by the Purchaser or its applicable Affiliates pursuant to another confidentiality agreement between the Purchaser or its Affiliates and the Company or its Affiliates). All requests for access pursuant to this Section 6.8 must be directed to the General Counsel of the Company, or another person designated in writing by the Company. Notwithstanding any provision to the contrary in the Confidentiality Agreement, the Confidentiality Agreement shall automatically terminate at the Closing.

6.9 Notification of Certain Matters.

(a) *Notification by the Company.* From the date of this Agreement until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Company will give prompt notice to the Purchaser upon the discovery by the Company's Chief Executive Officer, Chief Financial Officer, Chief Product Officer, Chief Commercial Officer or Chief Revenue Officer: (i) that any representation or warranty made by it in this Agreement has become untrue or inaccurate in any material respect as of the date it was made; (ii) of any failure by it to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it pursuant to this Agreement in any material respect; or (iii) of any failure of the conditions to the obligations of the Purchaser set forth in Section 7.2(a), Section 7.2(b) or Section 7.2(c) to be satisfied at the Closing or the satisfaction of which to be materially delayed, except that no such notification will modify any representation, warranty or covenant of the Company set forth in this Agreement or the conditions to the obligations of the Purchaser to consummate the Transaction or the remedies available to the Parties under this Agreement. The terms and conditions of the Confidentiality Agreement apply to any information provided to the Purchaser pursuant to this Section 6.9(a).

(b) *Notification by Purchaser.* From the date of this Agreement until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Closing, the Purchaser will give prompt notice to the Company upon the discovery: (i) that any representation or warranty made by the Purchaser in this Agreement has become untrue or inaccurate in any material respect; (ii) of any failure by the Purchaser to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by the Purchaser pursuant to this Agreement in any material respect; or (iii) of any failure of the conditions to the obligations of the Company set forth in Section 7.3(a) or Section 7.3(b) to be satisfied at the Closing or the satisfaction of which to be materially delayed, except that no such notification will modify any representation, warranty or covenant of the Purchaser set forth in this Agreement or the conditions to the obligations of the Company to consummate the Transaction or the remedies available to the Parties under this Agreement. The terms and conditions of the Confidentiality Agreement shall apply to any information provided to the Company pursuant to this Section 6.9(b).

6.10 *Public Statements and Disclosure.* The initial press release with respect to the execution of this Agreement shall be a joint press release to be reasonably agreed upon by the Company and the Purchaser. Following such initial press release, the Company and the Purchaser shall consult with each other before issuing, and give each other the opportunity to review and comment upon, any press release or other public statements with respect to the Transactions and shall not issue any such press release or make any such public statement prior to such consultation, except as such party may reasonably conclude may be required by applicable Law, court process or by obligations pursuant to any listing agreement with any national securities exchange or national securities quotation system (and then only after as much advance notice and consultation as is feasible); *provided, however*, that the Company or the Purchaser shall not be obligated to engage in such consultation with respect to communications that are (a) principally directed to employees, suppliers, customers, partners or vendors or (b) not materially inconsistent with public statements previously made in accordance with this Section 6.10; *provided, further, however*, that the restrictions set forth in this Section 6.10 shall not apply to any release or public statement (i) made or proposed to be made by the Company with respect to an Acquisition Proposal, a Superior Proposal or a Company Board Recommendation Change or any action taken pursuant thereto or (ii) in connection with any dispute between the parties regarding this Agreement or the Transaction.

6.11 *Transaction Litigation.* Prior to the Closing, the Company will provide the Purchaser with prompt notice (and in any event within three Business Days) of all Transaction Litigation commenced or threatened in writing to be commenced, after the date of this Agreement, against the Company or any of its directors or officers by any stockholder relating to this Agreement, the other Transaction Documents and the transactions contemplated hereby and thereby (including by providing copies of all pleadings with respect thereto) and keep the Purchaser reasonably informed with respect to the status thereof. The Company will: (a) give the Purchaser the opportunity to, subject to the entry into a joint defense agreement with terms mutually agreeably to the parties, participate in the defense, settlement or prosecution of any Transaction Litigation, and shall consider the Purchaser's views; and (b) consult with the Purchaser with respect to the defense, settlement and prosecution of any Transaction Litigation. The Company may not compromise, settle or come to an arrangement regarding, or agree to compromise, settle or come to an arrangement regarding, any Transaction Litigation unless the Purchaser has consented thereto in writing (which consent will not be unreasonably withheld, conditioned or delayed).

6.12 *Listing of Shares*. Prior to the Closing and subject to the stockholder approval rules of the NASDAQ, the Company will use its reasonable best efforts to obtain approval for listing, subject to notice of issuance, of the Underlying Shares on the NASDAQ.

6.13 *Comcast and Starboard Agreements*. From the signing date of the Comcast Agreement(s) and the Starboard Agreement through the Closing, the Company shall not (a) waive, amend or modify in any material respect, or terminate, the Comcast Agreement(s) or (b) waive, amend or modify in any respect, or terminate, the Starboard Agreements, in each case, without the prior written consent of the Purchaser.

6.14 *Directors*. The Company shall take all necessary action so that immediately after the Closing, the Company Board is comprised of two individuals designated by the Purchaser, two individuals designated by the Qurate Purchaser, two individuals designated by the Charter Purchaser and the individuals identified on Schedule 6.14 of the Company Disclosure Letter.

6.15 *Certain Other Obligations*. From and after the date hereof until the Closing, the Company shall comply with the terms of Section 6.16 of the Stockholders Agreement, as if set forth herein; *provided* that none of the Company or its Affiliates shall be required to pay any commitment or other fee, incur or reimburse any costs or expenses or incur any other liability or obligation of any kind in connection with the foregoing, except to the extent the Purchaser promptly reimburses the Company therefor in accordance with the next sentence hereof. The Purchaser shall promptly reimburse the Company for all reasonable, documented out-of-pocket costs and expenses incurred by the Company or any of its Affiliates in connection with the foregoing cooperation taken at the request of the Purchaser and shall indemnify and hold harmless the Company and its Affiliates from and against any and all losses, damages, claims, costs or expenses suffered or incurred by any of them in connection with such cooperation.

6.16 *No Inconsistent Agreements*. From the date of this Agreement through the Closing, neither the Company nor any of its Affiliates shall enter into any additional or modify any existing agreements with any Other Purchasers, that have the effect of establishing rights or otherwise benefiting any such Other Purchasers in a manner more favorable in any respect to the rights and benefits established in favor of the Purchaser by this Agreement, unless in any such case, the Purchaser has been offered such rights and benefits and the Company has agreed to such amendments to this Agreement as may be necessary to provide such rights and benefits to the Purchaser.

ARTICLE VIII INDEMNIFICATION

8.1 *Survival of Provisions.* The Company Fundamental Representations and the Purchaser Fundamental Representations shall survive the execution and delivery of this Agreement indefinitely and the other representations and warranties contained in this Agreement and the covenants made in this Agreement that are required to be performed prior to the Closing Date shall survive for a period of 12 months following the Closing Date. The covenants made in this Agreement that are required to be performed on or after the Closing Date shall survive the Closing and remain operative and in full force and effect in accordance with their respective terms until fully performed. Notwithstanding the foregoing, if any claim is brought pursuant to this Article VIII prior to the expiration of any survival period set forth in this Section 8.1, the expiration date of such survival period shall be automatically extended until such claim is fully and finally resolved.

8.2 *Indemnification by the Company.* The Company agrees to indemnify the Purchaser Related Parties from, and hold each of them harmless against, any and all actions, suits, proceedings (including any investigations, litigation or inquiries), demands, and causes of action, and, in connection therewith, and promptly upon demand, pay or reimburse each of them for all costs, losses, liabilities, damages, or expenses of any kind or nature whatsoever (including the reasonable fees and disbursements of counsel and all other reasonable expenses incurred in connection with investigating, defending or preparing to defend any such matter that may be incurred by them or asserted against or involve any of them) (collectively, "**Losses**"), whether or not involving a Third-Party Claim, as a result of, arising out of, or in any way related to the breach of any representation or warranty set forth in Article III or any certificate delivered hereunder or

failure to perform any covenant or agreement of the Company contained herein; *provided* that such claim for indemnification relating to the breach of representations, warranties or covenants is made prior to the expiration of the survival period of such representation or warranty as set forth in Section 8.1; *provided, however*, that for purposes of determining when an indemnification claim has been made, the date upon which a Purchaser Related Party shall have given notice (stating in reasonable detail the basis of the claim for indemnification) to the Company shall constitute the date upon which such claim has been made.

8.3 Indemnification by the Purchaser. The Purchaser agrees to indemnify the Company Related Parties from, and hold each of them harmless against, any and all actions, suits, proceedings (including any investigations, litigation or inquiries), demands, and causes of action, and, in connection therewith, and promptly upon demand, pay or reimburse each of them for all Losses, whether or not involving a Third-Party Claim, as a result of, arising out of, or in any way related to the breach of any representation or warranty made by such Purchaser and set forth in Article IV or any failure by Purchaser to perform any covenant or agreement of the Purchaser contained herein; *provided* that such claim for indemnification relating to the breach of representations, warranties or covenants is made prior to the expiration of the survival period of such representation or warranty as set forth in Section 8.1; *provided, however*, that for purposes of determining when an indemnification claim has been made, the date upon which a Company Related Party shall have given notice (stating in reasonable detail the basis of the claim for indemnification) to the Purchaser shall constitute the date upon which such claim has been made.

8.4 Limitations to Indemnification.

(a) (i) The Company shall not be liable for any indemnifiable Losses that may be recovered by the Purchaser Related Parties (other than for breaches of any Company Fundamental Representations or any covenants of the Company or Fraud) unless and until the amount of such indemnifiable Losses, individually or in the aggregate, exceeds an amount equal to 2.00% of the Purchase Price (the “**Indemnity Threshold**”), but from and after such time as the indemnifiable Losses of the Purchaser Related Parties exceed the Indemnity Threshold, each applicable Purchaser Related Party shall be entitled to indemnity for the entire amount of all indemnifiable Losses of such Person, and (ii) the Purchaser shall not be liable for any indemnifiable Losses that may be recovered by the Company Related Parties (other than for breaches of any Purchaser Fundamental Representations or any covenants of the Purchaser or Fraud) unless and until the amount of such indemnifiable Losses, individually or in the aggregate, exceeds an amount equal to the Indemnity Threshold, but from and after such time as the indemnifiable Losses of the Company Related Parties exceed the Indemnity Threshold, each applicable Company Related Party shall be entitled to indemnity for the entire amount of all indemnifiable Losses of such Person.

(b) The maximum amount of indemnifiable Losses that may be recovered from (i) the Company for any amounts due under Section 8.2 (other than for breaches of any Company Fundamental Representations or any covenants of the Company or Fraud) shall be an amount equal to 10.00% of the Purchase Price (the “**Indemnity Cap**”) and (ii) the Purchaser for any amounts due under Section 8.3 (other than for breaches of any Purchaser Fundamental Representations or any covenants of the Purchaser or Fraud) shall be an amount equal to the Indemnity Cap; provided that, other than with respect to Fraud, the maximum amount of indemnifiable Losses that may be recovered from the Company or from the Purchaser, as applicable, shall be an amount equal to the Purchase Price.

(c) For purposes of the Company's indemnification obligations under Section 8.2, including for purposes of both determining whether there has been a breach of any representation or warranty and for determining the amount of indemnifiable Losses resulting therefrom, the representations and warranties set forth in Article III of this Agreement that are qualified as to "material", "materiality", "material respects", "Material Adverse Effect" or words of similar import or effect shall be deemed to have been made without any such qualification.

(d) No party hereto shall have any liability for Losses pursuant to Section 8.2 or Section 8.3 for any consequential (to the extent the Loss did not arise from a reasonably foreseeable consequence of the relevant breach or the matter giving rise to the applicable Loss) or punitive damages relating to a breach or alleged breach of this Agreement, whether based in contract, tort, strict liability, other law or otherwise, except to the extent such Losses are incurred by a third person and constitute a portion of a Third-Party Claim.

(e) Each Company Related Party or Purchaser Related Party seeking indemnification hereunder (each, an "**Indemnified Party**") shall use reasonable best efforts to pursue any and all rights it or any of its controlled Affiliates has to any applicable insurance proceeds, indemnity or contribution from a third party in respect of any Losses payable by the indemnitor hereunder (the "**Indemnifying Party**") pursuant to this Article VIII, and any payments by an Indemnifying Party pursuant to this Article VIII in respect of such Losses shall be reduced by the amount of such insurance proceeds, indemnity, contribution or other similar payment actually received by the Indemnified Party or any of its controlled Affiliates in respect of such Losses, less any related costs and expenses actually incurred by the Indemnified Party and its controlled Affiliates in pursuing such insurance claim or indemnity, contribution or other similar payment and the amount of any retrospective or other current increase in premium actually borne by the Indemnified Party or any of its controlled Affiliates, directly or indirectly, that is directly attributable to the payment of such insurance proceeds, and, if the Indemnified Party has previously received an indemnification payment from the Indemnifying Party for a Loss, promptly after the realization of any insurance proceeds, indemnity, contribution or other similar payment with respect to such Loss, the Indemnified Party shall reimburse the Indemnifying Party for such payment (less any costs and expenses described in the preceding sentence). For the avoidance of doubt, the Indemnified Party shall be entitled to pursue indemnification from the Indemnifying Party pursuant to this Agreement prior to, after or concurrently with the pursuit of any such rights to insurance proceeds, indemnity or contribution from a third party.

(f) Notwithstanding anything to the contrary contained in this Agreement, (i) no Indemnified Party or any of its Affiliates will be entitled to recover more than one time for any particular Losses under this Agreement and (ii) to the extent an Indemnifying Party has paid any Losses under this Agreement to any Indemnified Party, no other Indemnified Party shall be entitled to recover the same Losses in respect of the claims for which such Losses were paid.

(g) No Indemnified Party shall be entitled to indemnification under this Article VIII for, and Losses shall not include, any Losses to the extent resulting from the actions or omissions of such Indemnified Party. Each Indemnified Party shall make reasonable efforts to

mitigate or minimize all Losses upon and after becoming aware of any event or condition which would reasonably be expected to give rise to any Losses that are indemnifiable hereunder and, if an Indemnified Party fails to use reasonable best efforts to so mitigate any indemnifiable Losses under this sentence, the Indemnifying Party that would otherwise have an indemnity obligation hereunder with respect to such Losses shall have no liability for any portion of such Losses that reasonably would have been avoided or mitigated had the Indemnified Party made such efforts.

8.5 Indemnification Procedure. Promptly after an Indemnified Party has received notice of any indemnifiable claim hereunder, or the commencement of any action, suit or proceeding by a third person, which the Indemnified Party believes in good faith is an indemnifiable claim under this Agreement (each a “**Third-Party Claim**”), the Indemnified Party shall give the Indemnifying Party written notice of such Third-Party Claim, but failure to so notify the Indemnifying Party will not relieve the Indemnifying Party from any liability it may have to such Indemnified Party hereunder except to the extent that the Indemnifying Party is materially prejudiced by such failure. Such notice shall state the nature and the basis of such Third-Party Claim to the extent then known. The Indemnifying Party shall have the right to defend, at its own expense and by its own counsel who shall be reasonably acceptable to the Indemnified Party, any such matter as long as the Indemnifying Party pursues the same diligently and in good faith; *provided* that, notwithstanding anything to the contrary in this Section 8.5, the Indemnifying Party shall not be entitled to assume the defense of any Third-Party Claim (and, to the extent the Indemnifying Party has assumed the defense, shall transfer control of such defense to the Indemnified Party) if (a) such Third-Party Claim seeks equitable relief or such Third-Party Claim involves a criminal action, (b) the Indemnifying Party shall not have assumed the defense of such Third-Party Claim within 10 Business Days of receipt of a notice of such Claim for indemnity or (c) such Third-Party Claim exceeds the Indemnity Cap. If the Indemnifying Party undertakes to defend, it shall promptly, and in no event later than 10 Business Days, notify the Indemnified Party of its intention to do so, and the Indemnified Party shall cooperate with the Indemnifying Party and its counsel in all commercially reasonable respects in the defense thereof. Such cooperation shall include, but shall not be limited to, furnishing the Indemnifying Party with any books, records and other information reasonably requested by the Indemnifying Party and in the Indemnified Party’s possession or control. Such cooperation of the Indemnified Party shall be at the cost of the Indemnifying Party. After the Indemnifying Party has notified the Indemnified Party of its intention to undertake to defend any such asserted liability, and for so long as the Indemnifying Party diligently pursues such defense, the Indemnifying Party shall not be liable for any additional legal expenses incurred by the Indemnified Party in connection with any defense of such asserted liability; *provided, however*, that the Indemnified Party shall be entitled (i) at its expense, to participate in the defense of such asserted liability and (ii) if (A) the Indemnifying Party has within ten (10) Business Days after the Indemnified Party provides written notice of a Third-Party Claim, failed (1) to assume the defense or employ counsel reasonably acceptable to the Indemnified Party or (2) to notify the Indemnified Party of such assumption or (B) if the defendants in any such action include both the Indemnified Party and the Indemnifying Party and counsel to the Indemnified Party shall have concluded that there may be reasonable defenses available to the Indemnified Party that are different from or in addition to those available to the Indemnifying Party or if the interests of the Indemnified Party reasonably may be deemed to conflict with the interests of the Indemnifying Party, then the Indemnified Party shall have the right to select a separate counsel and to assume such legal defense and otherwise to participate in the defense of such action, with the reasonable expenses and fees of such separate counsel and other expenses related to such

participation to be reimbursed by the Indemnifying Party as incurred. Notwithstanding any other provision of this Agreement, the Indemnifying Party shall not consent to the settlement of, or the entry of any judgment arising from, any indemnified Third-Party Claim without the consent of the Indemnified Party (which consent shall not be unreasonably withheld), unless the settlement thereof, or the entry of any judgment arising therefrom, imposes no liability or obligation on, and includes a complete release from liability of, and does not include any admission of wrongdoing or malfeasance by, the Indemnified Party. The remedies provided for in this Article VIII are cumulative and are not exclusive of any remedies that may be available to a party at law or in equity or otherwise.

8.6 *Exclusive Remedy*. After the Closing, the sole and exclusive remedy for any and all Losses related to the breach of any representation or warranty set forth in Article III or Article IV or any covenant to be performed prior to the Closing Date of this Agreement shall be the rights of indemnification set forth in this Article VIII only, and no Person will have any other entitlement, remedy or recourse, whether in contract, tort or otherwise, it being agreed that all of such other remedies, entitlements and recourse are expressly waived and released by the parties hereto to the fullest extent permitted by Law. Notwithstanding anything in the foregoing to the contrary, nothing in this Agreement shall limit or otherwise restrict a Fraud claim brought by any party hereto or the right to seek specific performance pursuant to Section 10.8(b).

8.7 *Payment of Indemnification Claims*. To the extent it is finally determined or otherwise agreed upon that any Indemnifying Party is required to provide an indemnification payment pursuant to this Article VIII to any Indemnified Party, such payment shall be made directly by such Indemnifying Party by wire transfer of immediately available funds to an account designated by such Indemnified Party, within 10 Business Days of such final determination and designation of account.

8.8 *Tax Treatment of Indemnification Payments*. Any indemnification payments made under this Article VIII shall be treated for all Tax purposes as an adjustment to the relevant Purchaser's Purchase Price, except as otherwise required by applicable Law.

ARTICLE IX TERMINATION, AMENDMENT AND WAIVER

9.1 *Termination*. This Agreement may be validly terminated only as follows (it being understood and agreed that this Agreement may not be terminated for any other reason or on any other basis):

(a) at any time prior to the Closing (whether prior to or after the receipt of the Requisite Stockholder Approvals) by mutual written agreement of the Purchaser and the Company;

(b) by the Purchaser or the Company, at any time prior to the Closing (whether prior to or after the receipt of the Requisite Stockholder Approvals) if: (i) any permanent injunction or other judgment or order issued by any court of competent jurisdiction or other legal or regulatory restraint or prohibition preventing the consummation of the Transaction is in effect, or any action has been taken by any Governmental Authority of competent jurisdiction, that, in each case, prohibits, makes illegal or enjoins the consummation of the Transaction and has become final and

non-appealable; or (ii) any statute, rule, regulation or order has been enacted, entered, enforced or deemed applicable to the Transaction that permanently prohibits, makes illegal or enjoins the consummation of the Transaction, except that the right to terminate this Agreement pursuant to this Section 9.1(b) will not be available to any Party that has breached its obligations to resist appeal, obtain consent pursuant to, resolve or lift, as applicable, such injunction, action, statute, rule, regulation or order;

(c) by the Purchaser or the Company, at any time prior to the Closing (whether prior to or after the receipt of the Requisite Stockholder Approvals) if the Closing has not occurred by 11:59 p.m., New York City time, on July 1, 2021 (the “**Termination Date**”); *provided* that the right to terminate this Agreement pursuant to this Section 9.1(c) will not be available to any Party whose action or failure to act (which action or failure to act constitutes a breach by such Party of this Agreement) has been the primary cause of, or primarily resulted in, either (i) the failure to satisfy the conditions to the obligations of the terminating Party to consummate the Transaction set forth in Article VII prior to the Termination Date or (ii) the failure of the Closing to have occurred prior to the Termination Date;

(d) by the Purchaser or the Company, at any time prior to the Closing if the Company fails to obtain the Requisite Stockholder Approvals at the Company Stockholder Meeting (or any adjournment or postponement thereof) at which a vote on the Transactions is taken, except that the right to terminate this Agreement pursuant to this Section 9.1(d) will not be available to any Party whose action or failure to act (which action or failure to act constitutes a breach by such Party of this Agreement) has been the primary cause of, or primarily resulted in, the failure to obtain the Requisite Stockholder Approvals at the Company Stockholder Meeting (or any adjournment or postponement thereof);

(e) by the Purchaser, if the Company has breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements contained in this Agreement, which breach or failure to perform would result in a failure of a condition set forth in Section 7.2(a) or Section 7.2(b), except that if such breach is capable of being cured by the Termination Date, the Purchaser will not be entitled to terminate this Agreement prior to the delivery by the Purchaser to the Company of written notice of such breach, delivered at least 30 days prior to such termination or such shorter period of time as remains prior to the Termination Date (the shorter of such periods, the “**Company Breach Notice Period**”) stating the Purchaser’s intention to terminate this Agreement pursuant to this Section 9.1(e) and the basis for such termination, it being understood that the Purchaser will not be entitled to terminate this Agreement if (i) such breach has been cured within the Company Breach Notice Period (to the extent capable of being cured) or (ii) the Purchaser is then in breach of any representation, warranty, agreement or covenant contained in this Agreement which breach would result in a failure of a condition set forth in Section 7.3(a) or Section 7.3(b);

(f) by the Purchaser, if at any time the Company Board (or a committee thereof) has effected a Company Board Recommendation Change;

(g) by the Company, if the Purchaser has breached or failed to perform in any material respect any of its respective representations, warranties, covenants or other agreements contained in this Agreement, which breach or failure to perform would result in a failure of a

condition set forth in Section 7.3(a) or Section 7.3(b), except that if such breach is capable of being cured by the Termination Date, the Company will not be entitled to terminate this Agreement pursuant to this Section 9.1(g) prior to the delivery by the Company to the Purchaser of written notice of such breach, delivered at least 30 days prior to such termination or such shorter period of time as remains prior to the Termination Date (the shorter of such periods, the “**Purchaser Breach Notice Period**”) stating the Company’s intention to terminate this Agreement pursuant to this Section 9.1(g) and the basis for such termination, it being understood that the Company will not be entitled to terminate this Agreement if (i) such breach has been cured within the Purchaser Breach Notice Period (to the extent capable of being cured) or (ii) the Company is then in breach of any representation, warranty, agreement or covenant contained in this Agreement which breach would result in a failure of a condition set forth in Section 7.2(a) or Section 7.2(b); and

(h) by the Purchaser or the Company, if either or both of the Other Purchase Agreements are terminated in accordance with its terms.

9.2 Manner and Notice of Termination; Effect of Termination.

(a) *Manner of Termination.* The Party terminating this Agreement pursuant to Section 9.1 (other than pursuant to Section 9.1(a)) must deliver prompt written notice thereof to the other Party specifying the provision of Section 9.1 pursuant to which this Agreement is being terminated and setting forth in reasonable detail the facts and circumstances forming the basis for such termination pursuant to such provision.

(b) *Effect of Termination.* Any proper and valid termination of this Agreement pursuant to Section 9.1 will be effective immediately upon the delivery of written notice by the terminating Party to the other Party. In the event of the termination of this Agreement pursuant to Section 9.1, this Agreement will be of no further force or effect without liability of either Party (or any partner, member, stockholder, director, officer, employee, Affiliate or Representative of such Party) to the other Party, as applicable, except that this Section 9.2, Section 9.3 and Article X will each survive the termination of this Agreement. Notwithstanding the foregoing, nothing in this Agreement or the termination hereof will relieve either Party from any liability for Fraud or any willful and material breach of this Agreement prior to its termination. In addition to the foregoing, no termination of this Agreement will affect the rights or obligations of either Party pursuant to the Confidentiality Agreement, which rights or obligations will survive the termination of this Agreement in accordance with their respective terms.

9.3 Fees and Expenses.

(a) *General.* Except as set forth in this Section 9.3 and Section 10.2(b), all fees and expenses incurred in connection with this Agreement and the Transaction will be paid by the Party incurring such fees and expenses whether or not the Transaction is consummated.

(b) *Company Payments.*

(i) If (A) this Agreement is (x) validly terminated pursuant to Section 9.1(c) (Termination Date), Section 9.1(d) (Requisite Stockholder Approvals) or Section 9.1(e) (Company Breach) or (y) validly terminated pursuant to Section 9.1(h) (Other Transactions) at a time when this Agreement may be terminated pursuant to Section 9.1(c)

(Termination Date), Section 9.1(d) (Requisite Stockholder Approvals) or Section 9.1(e) (Company Breach); (B) following the execution and delivery of this Agreement and prior to such termination of this Agreement, an Acquisition Proposal has been publicly announced or known to the Company Board; and (C) within 12 months following such termination of this Agreement, either an Acquisition Transaction is consummated or the Company enters into a definitive agreement providing for an Acquisition Transaction and such Acquisition Transaction is subsequently consummated, then the Company will promptly (and in any event within two Business Days) after such consummation pay to the Purchaser the Company Termination Fee by wire transfer of immediately available funds to the account designated in writing by the Purchaser. For purposes of this Section 9.3(b)(i), all references to “10%” in the definition of “Acquisition Transaction” will be deemed to be references to “25%.”

(ii) If this Agreement is (x) validly terminated pursuant to Section 9.1(f) (Company Board Recommendation Change) or (y) validly terminated pursuant to Section 9.1(d) (Requisite Stockholder Approvals), Section 9.1(c) (Termination Date) or Section 9.1(h) (Other Transactions) at a time when this Agreement may be terminated pursuant to Section 9.1(f) (Company Board Recommendation Change), then the Company must promptly (and in any event within two Business Days) following such termination pay, or cause to be paid, to the Purchaser the Company Termination Fee by wire transfer of immediately available funds to an account or accounts designated in writing by the Purchaser.

(iii) If this Agreement is (x) validly terminated pursuant to Section 9.1(d) (Requisite Stockholder Approvals) or (y) validly terminated pursuant to Section 9.1(h) (Other Transactions) at a time when this Agreement may be terminated pursuant to Section 9.1(d) (Requisite Stockholder Approvals), then the Company must, prior to or concurrently with such termination, reimburse the Purchaser for an amount not to exceed \$500,000 for the Purchaser’s reasonable, documented out-of-pocket expenses incurred in connection with this Agreement and the transactions contemplated hereby (collectively, the “**Expense Reimbursement**”).

(c) *Single Payment Only.* The Parties acknowledge and agree that in no event will the Company be required to pay the Company Termination Fee or Expense Reimbursement, as applicable, on more than one occasion, whether or not the Company Termination Fee or Expense Reimbursement, as applicable, may be payable pursuant to more than one provision of this Agreement at the same or at different times and upon the occurrence of different events. Notwithstanding anything to the contrary herein, the Purchaser’s receipt of the Expense Reimbursement shall not act as a waiver of the Company’s obligation to pay the Company Termination Fee pursuant to Section 9.3(b)(i).

(d) *Payments; Default.* The Parties acknowledge that the agreements contained in this Section 9.3 are an integral part of the Transaction, and that the damages resulting from the termination of this Agreement under circumstances where the Company Termination Fee or Expense Reimbursement is payable are uncertain and incapable of accurate calculation and that, without these agreements, the Parties would not enter into this Agreement, and, therefore, the Company Termination Fee or Expense Reimbursement, if, as and when required pursuant to this Section 9.3, shall not constitute a penalty, but rather liquidated damages, and in a reasonable amount that will compensate the Party receiving such amount in the circumstances in which it is

payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transaction. Accordingly, if the Company fails to promptly pay any amount due pursuant to Section 9.3(b) and, in order to obtain such payment, the Purchaser commences a Legal Proceeding that results in a judgment against the Company for the amount set forth in Section 9.3(b) or any portion thereof, the Company will pay to the Purchaser its out-of-pocket costs and expenses (including reasonable attorneys' fees) in connection with such Legal Proceeding, together with interest on such amount or portion thereof at the annual rate of 5% plus the prime rate as published in *The Wall Street Journal* in effect on the date that such payment or portion thereof was required to be made through the date that such payment or portion thereof was actually received, or a lesser rate that is the maximum permitted by applicable Law (the "**Recovery Costs**").

(e) *Exclusivity of Remedies.*

(i) Notwithstanding anything in this Agreement to the contrary, but subject to the last sentence of Section 9.3(c) and Section 9.3(d), in the event the Company Termination Fee and Expense Reimbursement to the extent owed described in Section 9.3(b) is paid to the Purchaser or its respective designees, such Company Termination Fee and Expense Reimbursement to the extent owed shall constitute the sole and exclusive remedy of the Purchaser against (A) the Company, its Subsidiaries and each of their respective Affiliates; and (B) the former, current and future holders of any equity, controlling persons, directors, officers, employees, agents, attorneys, Affiliates, members, managers, general or limited partners, stockholders and assignees of each of the Company, its Subsidiaries and each of their respective Affiliates (collectively, the "**Company Related Parties**") for any loss suffered as a result of the failure of the transactions contemplated by this Agreement or any agreement executed in connection herewith to be consummated, and upon payment of the Company Termination Fee and Expense Reimbursement to the extent owed none of the Company Related Parties shall have any further liability or obligation relating to or arising out of this Agreement, any agreement executed in connection herewith (including the Equity Commitment Letter) or the transactions contemplated hereby and thereby (except that the Parties (or their Affiliates) will remain obligated with respect to, and the Purchaser may be entitled to remedies with respect to, the Confidentiality Agreement, Section 9.3(a) and Section 9.3(d), as applicable), other than for Fraud. The Parties hereto acknowledge and agree that, subject to the last sentence of Section 9.3(c), in no event shall the Company be required to pay the Company Termination Fee and Expense Reimbursement to the extent owed on more than one occasion, whether or not the Company Termination Fee and Expense Reimbursement to the extent owed may be payable under more than one provision of this Agreement at the same or at different times or for the occurrence of different events. Notwithstanding anything herein to the contrary, the Parties acknowledge and agree that, other than in the case of Fraud, in no event will the Company or any of its Subsidiaries have liability for monetary damages (including monetary damages in lieu of specific performance) in the aggregate in excess of the amount of the sum of the Company Termination Fee, Expense Reimbursement, and Recovery Costs to the extent owed (less any portion thereof that has been paid).

(ii) Notwithstanding anything to the contrary in this Agreement but subject to Section 9.3(e)(iii), if the Purchaser breaches this Agreement (whether such breach is intentional and material, unintentional, willful or otherwise) or fails to perform hereunder (whether such failure is intentional and material, unintentional, willful or otherwise), the Company's right

to: (A) seek an injunction, specific performance or other equitable relief in accordance with the terms and limitations of Section 10.8(b); or (B) terminate this Agreement and seek money damages from the Purchaser in the event of willful and material breach of this Agreement by the Purchaser prior to termination, shall be the sole and exclusive remedies (whether such remedies are sought in equity or at law, in contract, in tort or otherwise) of the Company and the Company Related Parties against (1) the Purchaser, its Subsidiaries and each of their respective Affiliates; and (2) the former, current and future holders of any equity, controlling persons, directors, officers, employees, agents, attorneys, Affiliates, members, managers, general or limited partners, stockholders and assignees of the Purchaser, its Subsidiaries and their respective Affiliates (collectively, the “**Purchaser Related Parties**”) for any losses, damages, costs, expenses, obligations or liabilities arising out of or related to this Agreement (or any breach of any representation, warranty, covenant, agreement or obligation contained herein), the transactions contemplated by this Agreement (or any failure of such transactions to be consummated), the Equity Commitment Letter, the financing contemplated therein (or any failure of such financing to be consummated), or in respect of any oral representations made or alleged to be made in connection with this Agreement, the transactions contemplated herein or therein or otherwise (except that the Parties (or their Affiliates) will remain obligated with respect to, and the Company and its Subsidiaries may be entitled to remedies with respect to, the Confidentiality Agreement, Section 9.3(a) and Section 9.3(d)).

(iii) While each of the Company and the Purchaser may pursue a grant of specific performance in accordance with Section 10.8(b), under no circumstances shall the Company or the Purchaser be permitted or entitled to receive both (A) a grant of specific performance that results in the Closing occurring and (B) any money damages (including the Company Termination Fee and Expense Reimbursement, as applicable).

9.4 Amendment. Subject to applicable Law and subject to the other provisions of this Agreement, this Agreement may be amended by the Parties at any time by execution of an instrument in writing signed on behalf of the Purchaser and the Company (pursuant to authorized action by the Company Board (or a committee thereof)), except that in the event that the Company has received the Requisite Stockholder Approvals, no amendment may be made to this Agreement that requires the approval of the Company Stockholders pursuant to the NASDAQ rules without such approval. Notwithstanding the foregoing, (a) no Transaction Document shall be amended or waived in any manner that would impair, impede or materially delay the consummation of any Other Transaction (or terminated (other than a termination (excluding a termination due to mutual agreement) in accordance with its terms)) without the prior written consent of the applicable Other Purchaser and (b) any amendment or waiver that expands the rights or limits the obligations or liabilities of the Purchaser hereunder shall, at each Other Purchaser’s option, be deemed to be made with respect to the applicable Other Purchase Agreement and apply to such Other Purchaser. In furtherance of the preceding sentence, the Company shall provide prompt written notice to the Other Purchasers of any amendment or waiver of this Agreement. Each Other Purchaser is an express third-party beneficiary of the prior two sentences of this Section 9.4.

9.5 Extension; Waiver. At any time and from time to time prior to the Closing, either Party may, to the extent legally allowed and except as otherwise set forth herein: (a) extend the time for the performance of any of the obligations or other acts of the other Party, as applicable; (b) waive any inaccuracies in the representations and warranties made to such Party contained

herein or in any document delivered pursuant hereto; and (c) subject to the requirements of applicable Law, waive compliance with any of the agreements or conditions for the benefit of such Party contained herein. Any agreement on the part of either Party to any such extension or waiver will be valid only if set forth in an instrument in writing signed by such Party. Any delay in exercising any right pursuant to this Agreement will not constitute a waiver of such right.

From time to time, either Party may provide notice to the other Party of a change in its address or e-mail address through a notice given in accordance with this Section 10.1, except that that notice of any change to the address or any of the other details specified in or pursuant to this Section 10.1 will not be deemed to have been received until, and will be deemed to have been received upon, the later of the date (A) specified in such notice or (B) that is five Business Days after such notice would otherwise be deemed to have been received pursuant to this Section 10.1.

10.2 *Tax Matters.*

(a) *Withholding.* The Company agrees that, provided that the Purchaser delivers to the Company a properly executed IRS Form W-9 certifying as to the complete exemption from backup withholding of the Purchaser (or, if the Purchaser is a disregarded entity for U.S. federal income Tax purposes, its regarded owner), under current Law the Company (including any paying agent of the Company) shall not be required to, and shall not, deduct or withhold Taxes on any payments or deemed payments to the Purchaser. In the event that the Purchaser fails to deliver to the Company such properly executed IRS Form W-9, the Company reasonably believes that a previously delivered IRS Form W-9 is no longer accurate and/or valid, or there is a change in Law that affects the withholding obligations of the Company, the Company and its paying agent shall be entitled to deduct or withhold on all applicable payments made to the Purchaser in the form of cash such Tax amounts as the Company reasonably determines are required to be deducted or withheld therefrom under any provision of applicable Law (and, to the extent such amounts are paid to the relevant taxing authority in accordance with applicable Law, such amounts will be treated for all purposes of this Agreement as having been paid to the Person in respect of which such withholding was made); *provided*, that if the Company determines that an amount is required to be deducted or withheld on any payment with respect to the Purchaser, the Company shall provide reasonable prior notice to the Purchaser in writing of its intent to deduct or withhold Taxes on such payment and will reasonably cooperate with the Purchaser in obtaining any available exemption or reduction of such withholding.

(b) *Transfer Taxes.* The Company shall pay any and all Transfer Taxes due on (i) the issue of the Purchased Shares and (ii) the issue of shares of Company Common Stock upon conversion of the Purchased Shares. However, the Company shall not be required to pay any Transfer Tax that may be payable in respect of the issue or delivery (or any transfer involved in

the issue or delivery) of Purchased Shares or shares of Company Common Stock issued upon conversion of the Purchased Shares to a beneficial owner other than the initial beneficial owner of the Purchased Shares, and no such issue or delivery shall be made unless and until the person requesting such issue or delivery has paid to the Company the amount of any such Transfer Tax or has established to the satisfaction of the Company that such Transfer Tax has been paid or is not payable.

(c) *Intended Tax Treatment.* The Purchaser and the Company agree not to treat the Series B Preferred Stock (based on the terms set forth in the Certificate of Designations) as “preferred stock” for purposes of Section 305 of the Code and the Treasury Regulations promulgated thereunder, and, as a consequence, neither the Annual Dividends nor the Special Dividend accruing on the Series B Preferred Stock nor any difference between the purchase price paid for the Series B Preferred Stock and the Liquidation Preference (as defined in the Certificate of Designations) thereof will, by reason of Section 305(b)(4) of the Code or Treasury Regulations Section 1.305-5, be treated as a distribution of property until paid in cash. The Company and the Purchaser (and their respective Affiliates) shall file all Tax Returns in a manner consistent with the foregoing intended Tax treatment and shall not take any Tax position that is inconsistent with such intended Tax treatment except in connection with, or as required by, any of the following: (w) a change in relevant Law occurring after the Closing Date, (x) after the Closing Date, the promulgation of relevant final U.S. Treasury Regulations addressing instruments similar to the Series B Preferred Stock (from and after the effective date of such regulations), (y) an amendment to the terms of the Certificate of Designations or (z) a “determination” within the meaning of section 1313(a) of the Code.

10.3 *Assignment.* No Party may assign either this Agreement or any of its rights, interests, or obligations hereunder, by operation of Law or otherwise, without the prior written approval of the other Party, except that the Purchaser will have the right to assign all or any portion of its rights and obligations pursuant to this Agreement from and after the Closing to any of its Affiliates or in connection with a merger or consolidation involving the Purchaser or other disposition of all or substantially all of the assets of the Purchaser, it being understood that, such assignment will not (i) relieve the Purchaser of any of its obligations under this Agreement, (ii) affect the obligations of the parties to the Equity Commitment Letter or (iii) impede or delay the consummation of the Transaction. Subject to the preceding sentence, this Agreement will be binding upon and will inure to the benefit of, and be enforceable by, the Parties and their respective successors and permitted assigns. Notwithstanding the foregoing, the provisions of Section 10.2(a) shall apply in respect of any transferee *mutatis mutandis*. No assignment by either Party will relieve such Party of any of its obligations hereunder. Any purported assignment of this Agreement without the consent required by this Section 10.3 is null and void.

10.4 *Confidentiality.* The Company and the Purchaser hereby acknowledge that the Company and the Purchaser have previously executed a Non-Disclosure Agreement, dated May 12, 2020 (the “**Confidentiality Agreement**”), which will continue in full force and effect in accordance with its terms. The Purchaser and its Representatives will hold and treat all documents and information concerning the Company and its Subsidiaries furnished or made available to the Purchaser or its Representatives in connection with the Transaction in accordance with the Confidentiality Agreement.

10.5 *Entire Agreement*. This Agreement and the documents and instruments and other agreements between the Parties as contemplated by or referred to herein, including the Confidentiality Agreement, the Equity Commitment Letter and the Company Disclosure Letter, constitute the entire agreement between the Parties with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, between the Parties with respect to the subject matter hereof. Notwithstanding anything to the contrary in this Agreement, the Confidentiality Agreement will: (a) not be superseded; (b) survive any termination of this Agreement; and (c) continue in full force and effect until the earlier to occur of the Closing and the date on which the Confidentiality Agreement expires in accordance with its terms or is validly terminated by the parties thereto.

10.6 *Third Party Beneficiaries*. Unless expressly set forth herein, this Agreement is not intended to and shall not confer any rights or remedies upon any person other than the Parties, their respective successors and permitted assigns and any Indemnified Party hereunder.

10.7 *Severability*. In the event that any provision of this Agreement, or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other Persons or circumstances will be interpreted so as reasonably to effect the intent of the Parties. Upon such a determination, the Parties agree to negotiate in good faith to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision. If any provision of this Agreement is so broad as to be unenforceable, such provision will be interpreted to be only so broad as it is enforceable.

10.8 *Remedies*.

(a) *Remedies Cumulative*. Except as otherwise provided herein, any and all remedies herein expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby or by Law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy. Notwithstanding anything else to the contrary herein, although the Company may pursue both a grant of specific performance and monetary damages, under no circumstances will the Company be permitted or entitled to receive both a grant of specific performance that results in the occurrence of the Closing and monetary damages (including any monetary damages in lieu of specific performance). Except as set forth in the foregoing sentence, the Parties agree that (i) by seeking the remedies provided for in this Section 10.8, a Party shall not in any respect waive its right to seek any other form of relief that may be available to a party under this Agreement and (ii) nothing set forth in this Section 10.8 shall require any Party hereto to institute any legal action or claim for (or limit any Party's right to institute any legal action or claim for) injunctive relief or specific performance under this Section 10.8 prior or as a condition to exercising any termination right under Article IX (and pursuing damages after such termination), nor shall the commencement of any legal action or claim pursuant to this Section 10.8 or anything set forth in this Section 10.8 restrict or limit any Party's right to terminate this Agreement in accordance with the terms of Article IX or pursue any other remedies under this Agreement or applicable Law that may be available then or thereafter.

(b) *Specific Performance.*

(i) The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy would occur in the event that the Parties do not perform the provisions of this Agreement (including any Party failing to take such actions as are required of it hereunder in order to consummate this Agreement) or the Equity Commitment Letter in accordance with its specified terms or otherwise breach such provisions. The Parties acknowledge and agree that: (A) the Parties will be entitled, in addition to any other remedy to which they are entitled at Law or in equity, to an injunction, specific performance and other equitable relief to prevent breaches (or threatened breaches) of this Agreement and the Equity Commitment Letter in accordance with its specified terms and to enforce specifically the terms and provisions hereof and, in the case of the Equity Commitment Letter, to cause the Purchaser to enforce the Equity Commitment Letter; (B) the provisions of Section 9.3 are not intended to and do not adequately compensate the Company, on the one hand, or the Purchaser, on the other hand, for the harm that would result from a breach of this Agreement, and will not be construed to diminish or otherwise impair in any respect any Party's right to an injunction, specific performance and other equitable relief; and (C) the right of specific enforcement (including, without limitation, specific performance of the Parties' obligations to effect the Closing) is an integral part of the Transaction and without that right, neither the Company nor the Purchaser would have entered into this Agreement.

(ii) The Parties agree not to raise any objections based on the adequacy of legal remedies or the enforceability of this Section 10.8 to: (A) the granting of an injunction, specific performance or other equitable relief to prevent or restrain breaches or threatened breaches of this Agreement by the Company, on the one hand, or the Purchaser, on the other hand; and (B) the specific performance of the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the covenants, obligations and agreements of the Purchaser pursuant to this Agreement. Any Party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement will not be required to provide any bond or other security in connection with such injunction or enforcement, and each Party irrevocably waives any right that it may have to require the obtaining, furnishing or posting of any such bond or other security.

(iii) Notwithstanding anything to the contrary in this Agreement, if prior to the Termination Date any Party initiates a Legal Proceeding against the other Party to enforce specifically the other Party's obligation to consummate the Transaction if and when required to do so pursuant to Section 2.2, then the Termination Date will be automatically extended by: (A) the amount of time during which such Legal Proceeding is pending plus five Business Days; or (B) such other time period established by the court presiding over such Legal Proceeding.

10.9 Governing Law. This Agreement and all actions, proceedings or counterclaims (whether based on contract, tort or otherwise) arising out of or relating to this Agreement, any transaction contemplated hereby or the actions of the Purchaser or the Company in the negotiation, administration, performance and enforcement thereof, shall be governed by, and construed in accordance with the Laws of the State of Delaware, including its statute of limitations, without giving effect to any choice or conflict of Laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware.

10.10 *Consent to Jurisdiction*. Each of the Parties: (a) irrevocably consents to the service of the summons and complaint and any other process (whether inside or outside the territorial jurisdiction of the Chosen Courts) in any Legal Proceeding relating to the Transaction, for and on behalf of itself or any of its properties or assets, in accordance with Section 10.1 or in such other manner as may be permitted by applicable Law, and nothing in this Section 10.10 will affect the right of any Party to serve legal process in any other manner permitted by applicable Law; (b) irrevocably and unconditionally consents and submits itself and its properties and assets in any Legal Proceeding to the exclusive general jurisdiction of the Court of Chancery of the State of Delaware and any state appellate court therefrom within the State of Delaware (or, solely if the Court of Chancery of the State of Delaware declines to accept jurisdiction over a particular matter, any other state or federal court within the State of Delaware) (the “**Chosen Courts**”) in the event of any dispute or controversy relating to or arising out of this Agreement or the transactions contemplated hereby or thereby; (c) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court; (d) agrees that any Legal Proceeding relating to or arising out of this Agreement or the transactions contemplated hereby or thereby will be brought, tried and determined only in the Chosen Courts; (e) waives any objection that it may now or hereafter have to the venue of any such Legal Proceeding in the Chosen Courts or that such Legal Proceeding was brought in an inconvenient court and agrees not to plead or claim the same; and (f) agrees that it will not bring any Legal Proceeding relating to or arising out of this Agreement or the transactions contemplated hereby or thereby in any court other than the Chosen Courts unless the Chosen Courts issue a final judgment determining that such court lacks jurisdiction. The Purchaser and the Company agree that a final judgment and any interim relief (whether equitable or otherwise) in any Legal Proceeding in the Chosen Courts will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law.

10.11 *WAIVER OF JURY TRIAL*. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE PURSUANT TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT THAT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING (WHETHER FOR BREACH OF CONTRACT, TORTIOUS CONDUCT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE EQUITY COMMITMENT LETTER, THE EQUITY FINANCING OR THE TRANSACTION. EACH PARTY ACKNOWLEDGES AND AGREES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER; (ii) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER; (iii) IT MAKES THIS WAIVER VOLUNTARILY; AND (iv) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.11.

10.12 *No Recourse*. All claims, obligations, liabilities, or causes of action (whether in contract or in tort, in law or in equity, or granted by statute) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or relate in any manner to this Agreement, or the negotiation, execution, or performance of this Agreement (including any representation or warranty made in, in connection with, or as an inducement to, this Agreement), may be made only against (and such representations and warranties are those solely of) the Persons that are expressly identified as parties in the preamble to this Agreement (the “**Contracting Parties**”). No Person who is not a Contracting Party, including any current, former or future director, officer, employee, incorporator, member, partner, manager, stockholder, Affiliate, agent, attorney, Representative or assignee of, and any financial advisor or lender to, any Contracting Party, or any current, former or future director, officer, employee, incorporator, member, partner, manager, stockholder, Affiliate, agent, attorney, Representative or assignee of, and any financial advisor or lender to, any of the foregoing (collectively, the “**Nonparty Affiliates**”), shall have any liability (whether in contract or in tort, in law or in equity, or granted by statute) for any claims, causes of action, obligations, or liabilities arising under, out of, in connection with, or related in any manner to this Agreement or based on, in respect of, or by reason of this Agreement or its negotiation, execution, performance, or breach, and, to the maximum extent permitted by applicable Law, each Contracting Party hereby waives and releases all such liabilities, claims, causes of action, and obligations against any such Nonparty Affiliates. Without limiting the foregoing, to the maximum extent permitted by applicable Law: (a) each Contracting Party hereby waives and releases any and all rights, claims, demands, or causes of action that may otherwise be available at law or in equity, or granted by statute, to avoid or disregard the entity form of a Contracting Party or otherwise impose liability of a Contracting Party on any Nonparty Affiliate, whether granted by statute or based on theories of equity, agency, control, instrumentality, alter ego, domination, sham, single business enterprise, piercing the veil, unfairness, undercapitalization, or otherwise; and (b) each Contracting Party disclaims any reliance upon any Nonparty Affiliates with respect to the performance of this Agreement or any representation or warranty made in, in connection with, or as an inducement to this Agreement. Notwithstanding anything to the contrary in this Section 10.12, nothing in this Section 10.12 shall be deemed to limit any liabilities or obligations of, or claims against, (x) any party to any other Transaction Document or serve as a waiver of any right on the part of any party to such other Transaction Document to initiate any Legal Proceedings permitted by, pursuant to, and in accordance with the specific terms of such other Transaction Document or (y) any Person in respect of Fraud.

10.13 *Company Disclosure Letter References*. The Parties agree that the disclosure set forth in any particular Section or subsection of the Company Disclosure Letter will be deemed to be an exception to (or, as applicable, a disclosure for purposes of): (a) the representations and warranties (or covenants, as applicable) of the Company that are set forth in the corresponding Section or subsection of this Agreement; and (b) any other representations and warranties (or covenants, as applicable) of the Company that are set forth in this Agreement, but in the case of this clause (b) only if the relevance of that disclosure as an exception to (or a disclosure for purposes of) such other representations and warranties (or covenants, as applicable) is reasonably apparent on the face of such disclosure.

10.14 *Counterparts*. This Agreement and any amendments hereto may be executed in one or more counterparts, all of which will be considered one and the same agreement and will become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that all Parties need not sign the same counterpart. Any such counterpart, to the extent delivered by fax or .pdf, .tif, .gif, .jpg or similar attachment to electronic mail (any such delivery, an “**Electronic Delivery**”), will be treated in all manner and respects as an original executed counterpart and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No Party may raise the use of an Electronic Delivery to deliver a signature, or the fact that any signature or agreement or instrument was transmitted or communicated through the use of an Electronic Delivery, as a defense to the formation of a contract, and each Party forever waives any such defense, except to the extent such defense relates to lack of authenticity.

“**Voting Stock**” means (i) with respect to the Company, the Common Stock, the Series B Preferred Stock (subject to the limitations set forth herein) and any other Capital Stock of the Company having the right to vote generally in any election of directors of the Board and (ii) with respect to any other Person, all Capital Stock of such Person having the right to vote generally in any election of directors of the board of directors of such Person or other similar governing body.

“**Voting Threshold**” has the meaning set forth in Section 12(a).

“**VWAP**” per share of Common Stock on any Trading Day means the per share volume-weighted average price as displayed under the heading Bloomberg VWAP on Bloomberg (or, if Bloomberg ceases to publish such price, any successor service reasonably chosen by the Company) page “SCOR <equity> AQR” (or its equivalent successor if such page is not available) in respect of the period from the open of trading on the relevant Trading Day until the close of trading on such Trading Day (or if such volume-weighted average price is unavailable, the market price of one share of Common Stock on such Trading Day determined, using a volume-weighted average method, by an Independent Financial Advisor retained for such purpose by the Company).

SECTION 4 **Dividends**.

(a) Holders shall be entitled to receive dividends of the type and in the amount determined as set forth in this Section 4 (such dividends, including Annual Dividends and the Special Dividend, collectively “**Dividends**”).

(b) Accrual of Annual Dividends.

(i) Dividends on each share of Series B Preferred Stock (A) shall be cumulative and accrue and accumulate on a daily basis from and including the Issuance Date of such share, whether or not declared and whether or not the Company has funds legally available to make payment thereof, at a rate equal to the Dividend Rate as further specified below, and compound annually on each Dividend Payment Date (to the extent not paid in cash on such Dividend Payment Date), and (B) shall be payable annually in arrears, subject to the next sentence, on the Dividend Payment Date (such dividends, “**Annual Dividends**”). The Company shall, with respect to each Dividend Payment Date, declare and pay, unless prohibited by Section 170 of the DGCL, the Annual Dividends on such Dividend Payment Date.

(ii) The amount of Annual Dividends accruing with respect to each share of Series B Preferred Stock for any day shall be determined by multiplying (x) the Base Amount as of such day by (y) a fraction, the numerator of which is the Dividend Rate applicable as of such date and the denominator of which is 360. The amount of Annual Dividends accrued with respect to any share of Series B Preferred Stock for any Dividend Payment Period shall equal the sum of the daily Annual Dividend amounts accrued in accordance with the prior sentence of this Section 4(b)(ii) with respect to such share during such Dividend Payment Period; *provided* that, for the avoidance of doubt, for any share of Series B Preferred Stock with an Issuance Date that is not a Dividend Payment Date, the amount of Annual Dividends accrued with respect to the initial Dividend Payment Period for such share shall equal the sum of the daily Annual Dividend amounts accrued in accordance with the prior sentence of this Section 4(b)(ii) with respect to such share from (and including) the Issuance Date to (but excluding) the next Dividend Payment Date.

(c) Payment of Annual Dividend.

(i) With respect to any Dividend Payment Date, the Company will pay all Accrued Dividends on each share of Series B Preferred Stock in cash, to the extent not prohibited by Section 170 of the DGCL. At least ten Trading Days before each Dividend Payment Date, the Company shall have notified the Holders whether or not it may legally pay Annual Dividends in cash as of the Dividend Payment Date, and, if the Company may legally pay Annual Dividends in cash pursuant to Section 170 of the DGCL, the Company shall pay such Annual Dividends in cash. The Company shall promptly notify the Holders at any time the Company shall become able or unable, as the case may be, to legally pay Annual Dividends in cash pursuant to Section 170 of the DGCL. If the Company is not legally able to pay Annual Dividends in cash in full on any Dividend Payment Date pursuant to Section 170 of the DGCL, such Annual Dividends shall become Accrued Dividends of the shares held by the Holders. If the Company fails to declare and pay a full Annual Dividend on the Series B Preferred Stock on any Dividend Payment Date, then any Annual Dividends otherwise payable on such Dividend Payment Date on the Series B Preferred Stock shall continue to accrue and cumulate at a Dividend Rate of 9.5% per annum, until such failure is cured, for the period from and including the first Dividend Payment Date upon which the Company fails to pay a full Annual Dividend on the Series B Preferred Stock through but not including the day upon which the Company pays in accordance with this Section 4(c) all Annual Dividends on the Series B Preferred Stock that are then in arrears.

(ii) Dividends shall be paid pro rata (based on the number of shares of Series B Preferred Stock held by the Holder) to the Holders of shares of Series B Preferred Stock entitled thereto (for the avoidance of doubt, taking into account any differences in Issuance Date). The record date for payment of Annual Dividends that are declared and paid on each Dividend Payment Date will be the close of business on June 15 of each year (the "**Dividend Record Date**").

(d) Priority of Dividends. So long as any shares of Series B Preferred Stock remain outstanding, unless full Annual Dividends on all outstanding shares of Series B Preferred Stock that have accrued from and including the Issuance Date have been declared and paid in cash, or have been or contemporaneously are declared and a sum sufficient for the payment of those Annual Dividends has been or is set aside for the benefit of the Holders, the Company may not declare any dividend on, or make any distributions relating to, Junior Stock or Parity Stock, or redeem, purchase, acquire (either directly or through any Subsidiary) or make a liquidation payment relating to, any Junior Stock or Parity Stock, other than:

(i) purchases, redemptions or other acquisitions of shares of Junior Stock in accordance with any employment contract, benefit plan or other similar arrangement with or for the benefit of current or former employees, officers, directors or consultants;

(ii) purchases of fractional interests in shares of Parity Stock or Junior Stock pursuant to the conversion or exchange provisions of such Parity Stock or Junior Stock or the security being converted or exchanged;

(iii) payment of any dividends or distributions in respect of Junior Stock where the dividend or distribution is in the form of the same stock or rights to purchase the same stock as that on which the dividend is being paid; or

(iv) any dividend in kind in connection with the implementation of a shareholders' rights or similar plan, or the redemption or repurchase of any rights under any such plan.

Notwithstanding the foregoing, for so long as any shares of Series B Preferred Stock remain outstanding, if Annual Dividends are not declared and paid in full upon the shares of Series B Preferred Stock and any Parity Stock, all Annual Dividends declared upon shares of Series B Preferred Stock and any Parity Stock will be declared on a proportional basis so that the amount of Annual Dividends declared per share will bear to each other the same ratio that all accrued and unpaid Annual Dividends as of the end of the most recent Dividend Payment Period per share of Series B Preferred Stock and accrued and unpaid Annual Dividends as of the end of the most recent dividend period per share of any Parity Stock bear to each other.

(e) Conversion Following a Record Date. If the Conversion Date for any shares of Series B Preferred Stock is prior to the close of business on a Dividend Record Date, the Holder of such shares will not be entitled to any Annual Dividend in respect of such Dividend Record Date, other than through the inclusion of Accrued Dividends as of the Conversion Date in the calculation under Section 6(a) or Section 7(a), as applicable. If the Conversion Date for any shares of Series B Preferred Stock is after the close of business on a Dividend Record Date or a Participating Dividend Record Date, as applicable, but prior to the corresponding payment date for such dividend, the Holder of such shares as of such Dividend Record Date or Participating Dividend Record Date, as applicable, shall be entitled to receive such Annual Dividend or Participating Dividend, respectively, notwithstanding the conversion of such shares prior to the applicable Dividend Payment Date or Participating Dividend Record Date, as applicable; *provided* that the amount of such Annual Dividend or Participating Dividend shall not be included for the purpose of determining the amount of Accrued Dividends under Section 6(a) or Section 7(a), as applicable, with respect to such Conversion Date.

(f) Dividends on Junior Stock and Parity Stock. Subject to the provisions of this Certificate of Designations and the Consent Provisions, dividends may be declared by the Board or any duly authorized committee thereof on any Junior Stock and Parity Stock from time to time. In addition to Annual Dividends and Special Dividends pursuant to this Section 4, Holders shall fully participate, on an as-converted basis, in any dividends declared and paid or distributions on the Common Stock as if the Series B Preferred Stock were converted, at the Conversion Rate in effect on the Record Date for such dividend or distribution, pursuant to Section 6(a) into shares of Common Stock (without regard to any limitations on conversion) immediately prior to such Record Date (such dividend or distribution on the Series B Preferred Stock, a "**Participating Dividend**"), as and when paid with respect to the Common Stock and using the same Record Date as is used for the Common Stock (the record date for any such dividend, a "**Participating Dividend Record Date**").

(g) Special Dividend. In addition to the Annual Dividends and Participating Dividends, the Holders will also be entitled to the Special Dividend pursuant to the terms and conditions set forth in the Stockholders Agreement.

SECTION 5 **Liquidation Rights.**

(a) **Liquidation.** In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, the Holders shall be entitled, out of assets legally available therefor, before any distribution or payment out of the assets of the Company may be made to or set aside for the holders of any Junior Stock, and subject to the rights of the holders of any Senior Stock or Parity Stock and the rights of the Company's existing and future creditors, to receive in full a liquidating distribution in cash in the amount per share of Series B Preferred Stock equal to the greater of (i) the Liquidation Preference with respect to such share of Series B Preferred Stock as of the date of such voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company and (ii) the amount per share of Series B Preferred Stock that such Holders would have received had such Holders, immediately prior to such voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, converted such shares of Series B Preferred Stock into Common Stock (pursuant to Section 6 without regard to any of the limitations on convertibility contained therein). Holders shall not be entitled to any further payments in the event of any such voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company other than what is expressly provided for in this Section 5 and will have no right or claim to any of the Company's remaining assets.

(b) **Partial Payment.** If in connection with any distribution described in Section 5(a) above, the assets of the Company or proceeds therefrom are not sufficient to pay in full the aggregate liquidating distributions required to be paid pursuant to Section 5(a) to all Holders and the liquidating distributions payable to all holders of any Parity Stock, the amounts distributed to the Holders and to the holders of all such Parity Stock shall be paid pro rata in accordance with the respective aggregate liquidating distributions to which they would otherwise be entitled if all amounts payable thereon were paid in full.

(c) **Merger, Consolidation and Sale of Assets Not Liquidation.** For purposes of this Section 5, the sale, conveyance, exchange or transfer (for cash, shares of stock, securities or other consideration) of all or substantially all of the property and assets of the Company shall not be deemed a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, nor shall the merger, consolidation, statutory exchange or any other business combination transaction of the Company into or with any other Person or the merger, consolidation, statutory exchange or any other business combination transaction of any other Person into or with the Company be deemed to be a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company.

SECTION 6 **Right of the Holders to Convert.**

(a) Each Holder shall have the right, at such Holder's option, subject to the conversion procedures set forth in Section 8, to convert each share of such Holder's Series B Preferred Stock at any time into a number of shares of Common Stock equal to the Conversion Rate; *provided* that each Holder shall receive cash in lieu of fractional shares as set out in Section 10(h). The right of conversion may be exercised as to all or any portion of such Holder's Series B Preferred Stock from time to time; *provided* that, in each case, no right of conversion may be exercised by a Holder in respect of fewer than 2,000,000 shares of Series B Preferred Stock (unless such conversion relates to all shares of Series B Preferred Stock held by such Holder).

(b) The Company shall at all times reserve and keep available out of its authorized and unissued Common Stock, solely for issuance upon the conversion of the Series B Preferred Stock, such number of shares of Common Stock as shall from time to time be issuable upon the conversion of all the shares of Series B Preferred Stock then outstanding. The Company shall use its reasonable best efforts to maintain the listing on the NASDAQ of such number of shares of Common Stock as shall from time to time be issuable upon the conversion of all the shares of Series B Preferred Stock then outstanding. Any shares of Common Stock issued upon conversion of Series B Preferred Stock shall be duly authorized, validly issued, fully paid and nonassessable and will not be subject to preemptive rights or subscription rights of any other stockholder of the Company.

SECTION 7 **Mandatory Conversion by the Company.**

(a) At any time after the five (5) year anniversary of the Original Issuance Date, if (i) the Closing Price of the Common Stock was greater than the Mandatory Conversion Price (A) for at least twenty (20) Trading Days in any period of thirty (30) consecutive Trading Days ending on, and including, the Trading Day immediately preceding the date of the Notice of Mandatory Conversion (such thirty (30) consecutive Trading Day period, the "**Trading Period**") and (B) on the last Trading Day of the Trading Period and (ii) the pro rata share of an aggregate of \$100,000,000 in Annual Dividends and/or Special Dividends has been paid with respect to each share of Series B Preferred Stock that was outstanding as of the Original Issuance Date and remains outstanding, the Company may elect to convert (a "**Mandatory Conversion**") all, but not less than all, of the outstanding shares of Series B Preferred Stock into shares of Common Stock (the date selected by the Company for any Mandatory Conversion pursuant to this **Section 7(a)**) and in accordance with **Section 7(b)** below, the "**Mandatory Conversion Date**"); *provided* that the Company may not elect or consummate a Mandatory Conversion if any Investor Party holds or would hold upon such Mandatory Conversion (or any earlier conversion following the date of the related Notice of Mandatory Conversion) shares of Common Stock that are Registrable Securities (as defined in the Registration Rights Agreement) unless as of the date of such Notice of Mandatory Conversion and as of the Mandatory Conversion Date there is an Available Registration Statement covering resale of such shares of Common Stock by the Investor Parties. In the case of a Mandatory Conversion, each share of Series B Preferred Stock then outstanding shall be converted into (A) a whole number of shares of Common Stock at the Conversion Rate **plus** (B) cash in lieu of fractional shares as set out in **Section 10(h)**.

(b) **Notice of Mandatory Conversion.** If the Company elects to effect a Mandatory Conversion, the Company shall, on the date immediately following the completion of the applicable thirty (30) day Trading Period referred to in **Section 7(a)** above, provide notice of the Mandatory Conversion to each Holder (such notice, a "**Notice of Mandatory Conversion**"). For the avoidance of doubt, a Notice of Mandatory Conversion does not limit a Holder's right to convert on a Conversion Date prior to the Mandatory Conversion Date. The Mandatory Conversion Date selected by the Company shall be no less than ten (10) Business Days and no more than twenty (20) Business Days after the date on which the Company provides the Notice of Mandatory Conversion to the Holders. The Notice of Mandatory Conversion shall state, as appropriate:

- (i) the Mandatory Conversion Date selected by the Company;

- (ii) the applicable procedures a Holder must follow for issuance of the shares of Common Stock pursuant to Section 8(a); and
- (iii) the Conversion Rate as in effect on the Mandatory Conversion Date and the number of shares of Common Stock to be issued to the Holder upon conversion of each share of Series B Preferred Stock held by such Holder and, if applicable, the amount of Accrued Dividends as of the Mandatory Conversion Date.

SECTION 8 Conversion Procedures and Effect of Conversion

(a) Conversion Procedure. A Holder must do each of the following in order to convert shares of Series B Preferred Stock pursuant to this Section 8(a):

- (i) in the case of a conversion pursuant to Section 6(a), complete and manually sign the conversion notice provided by the Conversion Agent, a form of which is attached hereto as Exhibit A (the “**Conversion Notice**”), and deliver such notice to the Conversion Agent; *provided* that a Conversion Notice may be conditional on the completion of a Change of Control or other corporate transaction as such Holder may specify;
- (ii) deliver to the Conversion Agent the certificate or certificates (if any) representing the shares of Series B Preferred Stock to be converted;
- (iii) if required, furnish appropriate endorsements and transfer documents; and
- (iv) if required, pay any stock transfer, documentary, stamp or similar taxes not payable by the Company pursuant to Section 18.

The “**Conversion Date**” means (A) with respect to conversion of any shares of Series B Preferred Stock at the option of any Holder pursuant to Section 6(a), the date on which such Holder complies with the procedures in this Section 8(a) (including the satisfaction of any conditions to conversion set forth in the Conversion Notice) and (B) with respect to Mandatory Conversion pursuant to Section 7(a), the Mandatory Conversion Date.

(b) Effect of Conversion. Effective immediately prior to the close of business on the Conversion Date applicable to any shares of Series B Preferred Stock, Dividends shall no longer accrue or be declared on any such shares of Series B Preferred Stock, such shares of Series B Preferred Stock shall cease to be outstanding and the corresponding shares of Common Stock pursuant to the conversion shall be issued and outstanding.

(c) Record Holder of Underlying Securities as of Conversion Date. The Person or Persons entitled to receive the Common Stock and, to the extent applicable, cash, securities or other property issuable upon conversion of Series B Preferred Stock on a Conversion Date shall be treated for all purposes as the record holder(s) of such shares of Common Stock and/or cash, securities or other property as of the close of business on such Conversion Date. As promptly as practicable on or after the Conversion Date and, if applicable, compliance by the applicable Holder with the relevant procedures contained in Section 8(a) (and in any event no later than three (3) Trading Days thereafter; *provided however* that, if a written notice from the Holder in accordance

with Section 8(a)(i) specifies a date of delivery for any shares of Common Stock, such shares shall be delivered on the date so specified, which shall be no earlier than the second (2nd) Business Day immediately following the date of such notice and no later than the seventh (7th) Business Day thereafter), the Company shall issue the number of whole shares of Common Stock issuable upon conversion (and deliver payment of cash in lieu of fractional shares as set out in Section 10(h)) and, to the extent applicable, any cash, securities or other property issuable thereon. Such delivery of shares of Common Stock, securities or other property shall be made by book-entry or, at the request of the Holder, by delivering a notice to the Conversion Agent, through the facilities of The Depository Trust Company or in certificated form. Any such certificate or certificates shall be delivered by the Company to the appropriate Holder on a book-entry basis, through the facilities of The Depository Trust Company, or by mailing certificates evidencing the shares to the Holders, in each case at their respective addresses as set forth in the Conversion Notice (in the case of a conversion pursuant to Section 6(a)) or in the records of the Company or as set forth in a notice from the Holder to the Conversion Agent, as applicable (in the case of a Mandatory Conversion). In the event that a Holder shall not by written notice designate the name in which shares of Common Stock (and payments of cash in lieu of fractional shares) and, to the extent applicable, cash, securities or other property to be delivered upon conversion of shares of Series B Preferred Stock should be registered or paid, or the manner in which such shares, cash, securities or other property should be delivered, the Company shall be entitled to register and deliver such shares, securities or other property, and make such payment, in the name of the Holder and in the manner shown on the records of the Company.

(d) Status of Converted or Reacquired Shares. Shares of Series B Preferred Stock converted in accordance with this Certificate of Designations, or otherwise acquired by the Company or any of its Subsidiaries in any manner whatsoever, shall not be reissued as shares of Series B Preferred Stock and shall be retired promptly after the conversion or acquisition thereof. All such shares shall, upon their retirement and any filing required by the DGCL, become authorized but unissued shares of Preferred Stock, without designation as to series until such shares are once more designated as part of a particular series by the Board pursuant to the provisions of the Certificate of Incorporation.

(e) Partial Conversion. In case any certificate for shares of Series B Preferred Stock shall be surrendered for partial conversion, the Company shall, at its expense, execute and deliver to or upon the written order of the Holder of the certificate so surrendered a new certificate for the shares of Series B Preferred Stock not converted.

SECTION 9 Change of Control.

(a) Change of Control Notices. On or before the twentieth (20th) Business Day prior to the date on which the Company anticipates consummating a Change of Control (or, if later, promptly after the Company discovers that a Change of Control may occur), a written notice shall be sent by or on behalf of the Company to the Holders as they appear in the records of the Company, which notice shall set forth a description of the anticipated Change of Control (including, for the avoidance of doubt, the details of any consideration to be delivered as a distribution on or in exchange for outstanding shares of Common Stock) and contain the date on which the Change of Control is anticipated to be effected (or, if applicable, the date on which a Schedule TO or other schedule, form or report disclosing a Change of Control was filed) (the

“**Initial Change of Control Notice**”). No later than the later of (x) ten (10) Business Days prior to the date on which the Company anticipates consummating the Change of Control as set forth in the Initial Change of Control Notice and (y) the earlier of (1) the twentieth (20th) Business Day following the relevant Change of Control Effective Date and (2) the tenth (10th) Business Day following receipt of the relevant Initial Change of Control Notice, any Holder that desires to exercise its rights pursuant to Section 9(b) shall notify the Company in writing thereof (such notice, a “**Change of Control Election Notice**”) and shall specify (x) that such Holder is electing to exercise its rights pursuant to Section 9(b) and (y) the number of shares of Series B Preferred Stock subject to each such election. Within two (2) days following the effective date of a Change of Control (the “**Change of Control Effective Date**”) (or if the Company discovers later than such date that a Change of Control has occurred, promptly following the date of such discovery), a written notice (the “**Change of Control Put Notice**”) shall be sent by or on behalf of the Company to the Holders as they appear in the records of the Company, which notice shall contain:

(i) the scheduled Change of Control Purchase Date, which shall be no less than 40 nor more than 60 calendar days following the date of such Change of Control Put Notice;

(ii) the applicable Change of Control Put Price and the number of shares of Series B Preferred Stock subject to the Change of Control Put;

(iii) the instructions a Holder must follow to receive the applicable Change of Control Put Price;

(iv) that a Holder may not convert any shares of Series B Preferred Stock as to which it has elected a Change of Control Put, subject to Section 9(k); and

(v) a description of the Change of Control (including, for the avoidance of doubt, the details of any consideration delivered as a distribution on or in exchange for outstanding shares of Common Stock) and the applicable Change of Control Effective Date.

(b) Change of Control Put. Subject to the application of Section 9(h) and Section 9(k), the Company shall purchase from each Holder that delivered a Change of Control Election Notice all shares of Series B Preferred Stock specified in such Change of Control Election Notice (a “**Change of Control Put**”) for a purchase price per each such share of Series B Preferred Stock, payable in cash, equal to the Liquidation Preference of such share of Series B Preferred Stock as of the applicable Change of Control Purchase Date (the “**Change of Control Put Price**”) on the Change of Control Purchase Date specified in the relevant Change of Control Put Notice (or, in the event that a Change of Control Purchase Date is not specified, the date that is 60 days after the Change of Control Effective Date). A Holder may not convert any shares of Series B Preferred Stock as to which it has elected a Change of Control Put and with respect to which it has not validly withdrawn such election pursuant to Section 9(k). Notwithstanding anything to the contrary herein, the failure of the Company to deliver the Initial Change of Control Notice or the Change of Control Put Notice shall not impair the rights of the Holders under this Section 9(b).

(c) Change of Control Put Procedure. To receive the Change of Control Put Price, a Holder must, no later than close of business on the Change of Control Purchase Date, surrender to the Conversion Agent the certificates representing the shares of Series B Preferred Stock to be repurchased by the Company or lost stock affidavits therefor.

(d) **Change of Control Call.** To the extent a Holder has not delivered a Change of Control Election Notice in accordance with Section 9(a), or a Holder has delivered a Change of Control Election Notice for less than all of its shares of Series B Preferred Stock (or in either case, a Holder has withdrawn a Change of Control Election Notice in respect of any or all of its shares of Series B Preferred Stock pursuant to Section 9(k)), the Company may elect to redeem (the “**Change of Control Call**”), subject to the right of such Holders to convert the Series B Preferred Stock pursuant to Section 6(a) prior to any such redemption, all of such Holders’ shares of Series B Preferred Stock which are not subject to a Change of Control Put at a redemption price per share, payable in cash, equal to the Liquidation Preference as of the date of redemption (the “**Change of Control Call Price**”). For the avoidance of doubt, if the Holder exercises the Change of Control Put in part, the Company can exercise the Change of Control Call for the remainder of such Holder’s shares of Series B Preferred Stock. In order to elect a Change of Control Call, the Company must send irrevocable notice of such election no less than five (5) Business Days, nor more than fifteen (15) Business Days, after the delivery of a Change of Control Put Notice, which notice shall contain the redemption date (which shall be no less than 30 nor more than 60 calendar days following the date of such notice), instructions for Holders to receive the Change of Control Call Price, the amount of the Change of Control Call Price, and the last date for a Holder to convert its shares of Series B Preferred Stock in advance of the Change of Control Call (which shall be the Business Day immediately preceding the redemption date). The Company shall not have the right to elect a Change of Control Call unless, as of the date of delivery of notice of a Change of Control Call, it has set aside sufficient funds legally available for the payment of the full Change of Control Call Price for all outstanding shares of Series B Preferred Stock.

(e) **Delivery upon Change of Control Put/Call.** Upon a Change of Control Put or a Change of Control Call, subject to Section 9(h) below, the Company (or its successor) shall deliver or cause to be delivered to the Holder by wire transfer the Change of Control Put Price or the Change of Control Call Price for such Holder’s shares of Series B Preferred Stock.

(f) **Treatment of Shares.** Until a share of Series B Preferred Stock is purchased by the payment in full of the applicable Change of Control Put Price or Change of Control Call Price, such share of Series B Preferred Stock will remain outstanding and will be entitled to all of the powers, designations, preferences and other rights provided herein, including that such share (x) may be converted pursuant to Section 6 and in accordance with this Section 9 and, if not so converted, (y) shall (A) accrue Dividends in accordance with Section 4 and (B) entitle the Holder thereof to the voting rights provided in Section 12; *provided* that any such shares that are converted prior to the consummation of the Change of Control Put or Change of Control Call in accordance with this Certificate of Designations shall not be entitled to receive any payment of the Change of Control Put Price or Change of Control Call Price and shall instead be entitled to the same per share consideration, or the same right to elect per share consideration, as applicable, to be received by holders of Common Stock in connection with the Change of Control (subject to Section 11, as applicable).

(g) **Partial Exercise of Change of Control Put.** In the event that a Change of Control Put is effected with respect to shares of Series B Preferred Stock representing less than all the shares of Series B Preferred Stock held by a Holder, upon such Change of Control Put, the Company shall execute and the Transfer Agent shall countersign and deliver to such Holder, at the expense of the Company, a certificate evidencing the shares of Series B Preferred Stock held by the Holder as to which a Change of Control Put was not effected (or book-entry interests representing such shares).

(h) **Sufficient Funds.** If the Company shall not have sufficient funds legally available under the DGCL to purchase all shares of Series B Preferred Stock that Holders have requested to be purchased under Section 9(b) (the “**Required Number of Shares**”), the Company shall (i) purchase, pro rata among the Holders that have requested their shares be purchased pursuant to Section 9(b), a number of shares of Series B Preferred Stock with an aggregate Change of Control Put Price equal to the amount legally available for the purchase of shares of Series B Preferred Stock under the DGCL and (ii) purchase any shares of Series B Preferred Stock not purchased because of the foregoing limitations at the applicable Change of Control Put Price as soon as practicable after the Company is able to make such purchase out of funds legally available for the purchase of such share of Series B Preferred Stock. The inability of the Company (or its successor) to make a purchase payment for any reason shall not relieve the Company (or its successor) from its obligation to effect any required purchase when, as and if permitted by applicable law. If the Company fails to pay the Change of Control Put Price or the Change of Control Call Price in full when due in accordance with this Section 9 in respect of some or all of the shares of Series B Preferred Stock to be repurchased pursuant to the Change of Control Put or the Change of Control Call, the Company will pay Dividends on such shares not repurchased at a Dividend Rate of 9.5% per annum, until such shares are repurchased, for the period from and including the first date upon which the Company fails to pay the Change of Control Put Price or the Change of Control Call Price, as applicable, in full when due in accordance with this Section 9 through but not including the latest day upon which the Company pays the Change of Control Put Price or Change of Control Call Price, as applicable, in full in accordance with this Section 9. Notwithstanding the foregoing, in the event a Holder elects to exercise a Change of Control Put pursuant to this Section 9 at a time when the Company is restricted or prohibited (contractually or otherwise) from redeeming some or all of the Series B Preferred Stock subject to the Change of Control Put, the Company will use its reasonable best efforts to obtain the requisite consents to remove or obtain an exception or waiver to such restrictions or prohibition. Nothing herein shall limit a Holder’s right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company’s failure to comply with its obligations under this Section 9. In connection with any Change of Control, the Company shall take all actions to permit the purchase of all shares of Series B Preferred Stock on the Change of Control Purchase Date that it reasonably believes is permitted under Delaware law and will not render the Company insolvent (such that, on a consolidated basis, (1) the Company will have incurred debts beyond its ability to pay such debts as they mature or become due, (2) the then present fair saleable value of the assets of the Company will not exceed the amount that will be required to pay its probable liabilities (including the probable amount of all contingent liabilities) and its debts as they become absolute and matured or (3) the assets of the Company, in each case at a fair valuation, will not exceed its respective debts (including the probable amount of all contingent liabilities)), including revaluing the Company’s assets to the highest amount permitted by law, borrowing funds on prevailing market terms, selling assets on prevailing market terms and seeking to obtain any and all required governmental or other approvals. The Company shall not take any action that materially impairs the Company’s ability to pay the Change of Control Put Price when due, including by investing available funds in illiquid assets, except for its normal business assets (the covenants described in this Section 9(h), the “**Protective Payment Obligations**”). The Company shall continue to comply with the Protective Payment Obligations until the entire amount of the Change of Control Put Price is paid in full.

(i) Change of Control Agreements. The Company shall not enter into any agreement for, or otherwise willingly engage in, a transaction constituting a Change of Control unless (i) such agreement provides for or does not interfere with or prevent (as applicable) the exercise by the Holders of their Change of Control Put in a manner that is consistent with and gives effect to this Section 9, and (ii) the acquiring or surviving Person in such Change of Control represents or covenants, in form and substance reasonably satisfactory to the Board acting in good faith, that at the closing of such Change of Control that such Person shall have sufficient funds (which may include, without limitation, cash and cash equivalents on the Company's balance sheet, the proceeds of any debt or equity financing, available lines of credit or uncalled capital commitments) to consummate such Change of Control and the payment of the Change of Control Put Price in respect of shares of Series B Preferred Stock that have not been converted into Common Stock prior to the Change of Control Effective Date pursuant to Section 6 or Section 7, as applicable.

(j) Effect of Change of Control Put/Call. Upon full payment of the Change of Control Put Price or the Change of Control Call Price, as applicable, for any shares of Series B Preferred Stock subject to a Change of Control Put or Change of Control Call, such shares will cease to be entitled to any dividends that may thereafter be payable on the Series B Preferred Stock; such shares of Series B Preferred Stock will no longer be deemed to be outstanding for any purpose; and all rights (except the right to receive the Change of Control Put Price or Change of Control Call Price, as applicable) of the Holder of such shares of Series B Preferred Stock shall cease and terminate with respect to such shares.

(k) Withdrawal of Election for Change of Control Put. Notwithstanding anything to the contrary herein, any Holder's Change of Control Election Notice may be withdrawn (in whole or in part) by means of a written notice of withdrawal delivered to the Company at any time prior to the close of business on the fourth Business Day immediately succeeding the date of delivery of a Change of Control Put Notice (or, if earlier, the close of business on the second Business Day immediately preceding the relevant Change of Control Purchase Date), specifying the number of shares of Series B Preferred Stock with respect to which such notice of withdrawal is being submitted.

(l) The above provisions of this Section 9 shall similarly apply to successive Changes of Control (or anticipated Changes of Control).

SECTION 10 Anti-Dilution Adjustments.

(a) Adjustments. The Conversion Factor will be subject to adjustment, without duplication, upon the occurrence of the following events, except that the Company shall not make any adjustment to the Conversion Factor if Holders of the Series B Preferred Stock participate, at the same time and upon the same terms as holders of Common Stock and solely as a result of holding shares of Series B Preferred Stock, in any transaction described in this Section 10(a), without having to convert their Series B Preferred Stock, as if they held a number of shares of Common Stock equal to the Conversion Rate multiplied by the number of shares of Series B Preferred Stock held by such Holders:

(i) The issuance of Common Stock as a dividend or distribution to all or substantially all holders of Common Stock, or a subdivision, split or combination of Common Stock or a reclassification of Common Stock into a greater or lesser number of shares of Common Stock, in which event the Conversion Factor shall be adjusted based on the following formula:

$$CR_1 = CR_0 \times (OS_1 / OS_0)$$

CR₀ = the Conversion Factor in effect immediately prior to the close of business on (i) the Record Date for such dividend or distribution, or (ii) the effective date of such subdivision, split, combination or reclassification

CR₁ = the new Conversion Factor in effect immediately after the close of business on (i) the Record Date for such dividend or distribution, or (ii) the effective date of such subdivision, split, combination or reclassification

OS₀ = the number of shares of Common Stock outstanding immediately prior to the close of business on (i) the Record Date for such dividend or distribution or (ii) the effective date of such subdivision, split, combination or reclassification

OS₁ = the number of shares of Common Stock that would be outstanding immediately after the close of business on (i) the Record Date for such dividend or distribution or (ii) the effective date of such subdivision, split, combination or reclassification

Any adjustment made pursuant to this clause (i) shall be effective immediately after the close of business on the Record Date for such dividend or distribution, or the effective date of such subdivision, split, combination or reclassification. If any such event is announced or declared but does not occur, the Conversion Factor shall be readjusted, effective as of the date the Board announces that such event shall not occur, to the Conversion Factor that would then be in effect if such event had not been declared.

(ii) The dividend, distribution or other issuance to all or substantially all holders of Common Stock of rights (other than rights, options or warrants distributed in connection with a stockholder rights plan (in which event the provisions of Section 10(a)(vii) shall apply)), options or warrants entitling them to subscribe for or purchase shares of Common Stock for a period expiring forty-five (45) days or less from the date of issuance thereof, at a price per share that is less than the Current Market Price as of the Record Date for such issuance, in which event the Conversion Factor will be increased based on the following formula:

$$CR_1 = CR_0 \times [(OS_0 + X) / (OS_0 + Y)]$$

CR_0 = the Conversion Factor in effect immediately prior to the close of business on the Record Date for such dividend, distribution or issuance

CR_1 = the new Conversion Factor in effect immediately following the close of business on the Record Date for such dividend, distribution or issuance

OS_0 = the number of shares of Common Stock outstanding immediately prior to the close of business on the Record Date for such dividend, distribution or issuance

X = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants

Y = the number of shares of Common Stock equal to the aggregate price payable to exercise such rights, options or warrants divided by the Current Market Price as of the Record Date for such dividend, distribution or issuance.

For purposes of this clause (ii), in determining whether any rights, options or warrants entitle the holders to purchase the Common Stock at a price per share that is less than the Current Market Price as of the Record Date for such dividend, distribution or issuance, there shall be taken into account any consideration the Company receives for such rights, options or warrants, and any amount payable on exercise thereof, with the value of such consideration, if other than cash, to be the Fair Market Value thereof.

Any adjustment made pursuant to this clause (ii) shall become effective immediately following the close of business on the Record Date for such dividend, distribution or issuance. In the event that such rights, options or warrants are not so issued, the Conversion Factor shall be readjusted, effective as of the date the Board publicly announces its decision not to issue such rights, options or warrants, to the Conversion Factor that would then be in effect if such dividend, distribution or issuance had not been declared. To the extent that such rights, options or warrants are not exercised prior to their expiration or shares of Common Stock are otherwise not delivered pursuant to such rights, options or warrants upon the exercise of such rights, options or warrants, the Conversion Factor shall be readjusted to the Conversion Factor that would then be in effect had the adjustments made upon the dividend, distribution or issuance of such rights, options or warrants been made on the basis of the delivery of only the number of shares of Common Stock actually delivered.

(iii) The Company or one or more of its Subsidiaries purchases Common Stock pursuant to a tender offer or exchange offer (other than an exchange offer that constitutes a Distribution Transaction subject to Section 10(a)(v)) by the Company or a Subsidiary of the Company for all or any portion of the Common Stock, or otherwise acquires Common Stock (except in connection with tax withholding upon vesting or settlement of options, restricted stock units, performance share units or other similar equity awards or upon forfeiture or cashless exercise of options or other equity awards) (a "**Covered Repurchase**"), if the cash and value of any other consideration included in the payment per share of Common Stock validly tendered, exchanged or otherwise acquired through a Covered Repurchase exceeds the arithmetic average of the VWAP

per share of Common Stock for each of the ten (10) consecutive full Trading Days commencing on, and including, the Trading Day next succeeding the last day on which tenders or exchanges may be made pursuant to such tender or exchange offer (as it may be amended) or shares of Common Stock are otherwise acquired through a Covered Repurchase (the “**Expiration Date**”), in which event the Conversion Factor shall be increased based on the following formula:

$$CR_1 = CR_0 \times [(FMV + (SP_1 \times OS_1)) / (SP_1 \times OS_0)]$$

CR₀ = the Conversion Factor in effect immediately prior to the close of business on the Expiration Date

CR₁ = the new Conversion Factor in effect immediately after the close of business on the Expiration Date

FMV = the Fair Market Value, on the Expiration Date, of all cash and any other consideration paid or payable for all shares validly tendered or exchanged and not withdrawn, or otherwise acquired through a Covered Repurchase, as of the Expiration Date

OS₀ = the number of shares of Common Stock outstanding immediately prior to the last time tenders or exchanges may be made pursuant to such tender or exchange offer (including the shares to be purchased in such tender or exchange offer) or shares are otherwise acquired through a Covered Repurchase

OS₁ = the number of shares of Common Stock outstanding immediately after the last time tenders or exchanges may be made pursuant to such tender or exchange offer (after giving effect to the purchase of shares in such tender or exchange offer) or shares are otherwise acquired through a Covered Repurchase

SP₁ = the arithmetic average of the VWAP per share of Common Stock for each of the ten (10) consecutive full Trading Days commencing on, and including, the Trading Day next succeeding the Expiration Date

Such adjustment shall become effective immediately after the close of business on the Expiration Date. If an adjustment to the Conversion Factor is required under this Section 10(a)(iii), delivery of any additional shares of Common Stock that may be deliverable upon conversion as a result of an adjustment required under this Section 10(a)(iii), shall be delayed to the extent necessary in order to complete the calculations provided for in this Section 10(a)(iii).

In the event that the Company or any of its Subsidiaries is obligated to purchase Common Stock pursuant to any such tender offer, exchange offer or other commitment to acquire shares of Common Stock through a Covered Repurchase but is permanently prevented by applicable law from effecting any such purchases, or all such purchases are rescinded, then the Conversion Factor shall be readjusted to be the Conversion Factor that would have been then in effect if such tender offer, exchange offer or Covered Repurchase had not been made.

(iv) The Company shall, by dividend or otherwise, distribute to all or substantially all holders of its Common Stock (other than for cash in lieu of fractional shares), shares of any class of its Capital Stock, evidences of its indebtedness, assets, other property or securities, but excluding (A) dividends or distributions referred to in Section 10(a)(i) or Section 10(a)(ii) hereof, (B) Distribution Transactions as to which Section 10(a)(v) shall apply, (C) dividends or distributions paid exclusively in cash as to which Section 10(a)(vi) shall apply, and (D) rights, options or warrants distributed in connection with a stockholder rights plan as to which Section 10(a)(vii) shall apply (any of such shares of its Capital Stock, indebtedness, assets or property that are not so excluded are hereinafter called the “**Distributed Property**”), then, in each such case the Conversion Factor shall be increased based on the following formula:

$$CR_1 = CR_0 \times [SP_0 / (SP_0 - FMV)]$$

CR₀ = the Conversion Factor in effect immediately prior to the close of business on the Record Date for such dividend or distribution

CR₁ = the new Conversion Factor in effect immediately after the close of business on the Record Date for such dividend or distribution

SP₀ = the Current Market Price as of the Record Date for such dividend or distribution

FMV = the Fair Market Value of the portion of Distributed Property distributed with respect to each outstanding share of Common Stock on the Record Date for such dividend or distribution; *provided* that, if FMV is equal or greater than SP₀, then in lieu of the foregoing adjustment, the Company shall distribute to each holder of Series B Preferred Stock on the date the applicable Distributed Property is distributed to holders of Common Stock, but without requiring such holder to convert its shares of Series B Preferred Stock, in respect of each share of Series B Preferred Stock held by such holder, the amount of Distributed Property such holder would have received had such holder owned a number of shares of Common Stock equal to the Conversion Rate on the Record Date for such dividend or distribution

Any adjustment made pursuant to this clause (iv) shall be effective immediately after the close of business on the Record Date for such dividend or distribution. If any such dividend or distribution is declared but does not occur, the Conversion Factor shall be readjusted, effective as of the date the Board announces that such dividend or distribution shall not occur, to the Conversion Factor that would then be in effect if such dividend or distribution had not been declared.

(v) The Company effects a Distribution Transaction, in which case the Conversion Factor in effect immediately prior to the effective date of the Distribution Transaction shall be increased based on the following formula:

$$CR_1 = CR_0 \times [(FMV + MP_0) / MP_0]$$

CR₀ = the Conversion Factor in effect immediately prior to the close of business on the effective date of the Distribution Transaction

CR₁ = the new Conversion Factor in effect immediately after the close of business on the effective date of the Distribution Transaction

FMV = the arithmetic average of the volume-weighted average prices for a share of the capital stock or other interest distributed to holders of Common Stock on the principal United States securities exchange or automated quotation system on which such capital stock or other interest trades, as reported by Bloomberg (or, if Bloomberg ceases to publish such price, any successor service chosen by the Company) in respect of the period from the open of trading on the relevant Trading Day until the close of trading on such Trading Day (or if such volume-weighted average price is unavailable, the market price of one share of such capital stock or other interest on such Trading Day determined, using a volume-weighted average method, by an Independent Financial Advisor retained for such purpose by the Company), for each of the ten consecutive full Trading Days commencing with, and including, the effective date of the Distribution Transaction

MP₀ = the arithmetic average of the VWAP per share of Common Stock for each of the ten (10) consecutive full Trading Days commencing on, and including, the effective date of the Distribution Transaction

Such adjustment shall become effective immediately following the close of business on the effective date of the Distribution Transaction. If an adjustment to the Conversion Factor is required under this Section 10(a)(v), delivery of any additional shares of Common Stock that may be deliverable upon conversion as a result of an adjustment required under this Section 10(a)(v) shall be delayed to the extent necessary in order to complete the calculations provided for in this Section 10(a)(v).

(vi) The Company makes a cash dividend or distribution to all or substantially all holders of the Common Stock, the Conversion Factor shall be increased based on the following formula:

$$CR_1 = CR_0 \times [SP_0 / (SP_0 - C)]$$

CR₀ = the Conversion Factor in effect immediately prior to the close of business on the Record Date for such dividend or distribution

CR₁ = the new Conversion Factor in effect immediately after the close of business on the Record Date for such dividend or distribution

SP₀ = the Current Market Price as of the Record Date for such dividend or distribution

C = the amount in cash per share of Common Stock the Company distributes to all or substantially all holders of its Common Stock; *provided* that, if C is equal or greater than SP0, then in lieu of the foregoing adjustment, the Company shall pay to each holder of Series B Preferred Stock on the date the applicable cash dividend or distribution is made to holders of Common Stock, but without requiring such holder to convert its shares of Series B Preferred Stock, in respect of each share of Series B Preferred Stock held by such holder, the amount of cash such holder would have received had such holder owned a number of shares of Common Stock equal to the Conversion Rate on the Record Date for such dividend or distribution

Any adjustment made pursuant to this clause (vi) shall be effective immediately after the close of business on the Record Date for such dividend or distribution. If any dividend or distribution is declared but not paid, the Conversion Factor shall be readjusted, effective as of the date the Board announces that such dividend or distribution will not be paid, to the Conversion Factor that would then be in effect if such had dividend or distribution not been declared.

(vii) If the Company has a stockholder rights plan in effect with respect to the Common Stock on any Conversion Date, upon conversion of any shares of the Series B Preferred Stock, Holders of such shares will receive, in addition to the applicable number of shares of Common Stock, the rights under such rights plan relating to such Common Stock, unless, prior to such Conversion Date, the rights have become exercisable or separated from the shares of Common Stock (the first of such events to occur, a “**Trigger Event**”), in which case, the Conversion Factor will be adjusted, effective automatically at the time of such Trigger Event, as if the Company had made a distribution of such rights to all holders of Common Stock as described in Section 10(a)(ii) (without giving effect to the forty-five (45) day limit on the exercisability of rights, options or warrants ordinarily subject to such Section 10(a)(ii)), subject to appropriate readjustment in the event of the expiration, termination or redemption of such rights prior to the exercise, deemed exercise or exchange thereof. Notwithstanding the foregoing, to the extent any such stockholder rights are exchanged by the Company for shares of Common Stock or other property or securities, the Conversion Factor shall be appropriately readjusted as if such stockholder rights had not been issued, but the Company had instead issued such shares of Common Stock or other property or securities as a dividend or distribution of shares of Common Stock pursuant to Section 10(a)(i) or Section 10(a)(iv), as applicable.

To the extent that such rights are not exercised prior to their expiration, termination or redemption, the Conversion Factor shall be readjusted to the Conversion Factor that would then be in effect had the adjustments made upon the occurrence of the Trigger Event been made on the basis of the issuance of, and the receipt of the exercise price with respect to, only the number of shares of Common Stock actually issued pursuant to such rights.

Notwithstanding anything to the contrary in this Section 10(a)(vii), no adjustment shall be required to be made to the Conversion Factor with respect to any Holder which is, or is an “affiliate” or “associate” of, an “acquiring person” under such stockholder rights plan or with respect to any direct or indirect transferee of such Holder who receives Series B Preferred Stock in such transfer after the time such Holder becomes, or its affiliate or associate becomes, such an “acquiring person”.

(b) Calculation of Adjustments. All adjustments to the Conversion Factor shall be calculated by the Company to the nearest 1/10,000th of one share of Common Stock (or if there is not a nearest 1/10,000th of a share, to the next lower 1/10,000th of a share). No adjustment to the Conversion Factor will be required unless such adjustment would require an increase or decrease of at least one percent of the Conversion Factor; *provided, however*, that any such adjustment that is not required to be made will be carried forward and taken into account in any subsequent adjustment; *provided, further* that any such adjustment of less than one percent that has not been made will be made upon any Conversion Date or redemption or repurchase date.

(c) When No Adjustment Required. (i) Except as otherwise provided in this Section 10, the Conversion Factor will not be adjusted for the issuance of Common Stock or any securities convertible into or exchangeable for Common Stock or carrying the right to purchase any of the foregoing, or for the repurchase of Common Stock.

(ii) Except as otherwise provided in this Section 10, the Conversion Factor will not be adjusted as a result of the issuance of, the distribution of separate certificates representing, the exercise or redemption of, or the termination or invalidation of, rights pursuant to any stockholder rights plans.

(iii) No adjustment to the Conversion Factor will be made:

(A) upon the issuance of any shares of Common Stock issued pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on securities of the Company and the investment of additional optional amounts in Common Stock under any plan in which purchases are made at market prices on the date or dates of purchase, without discount, and whether or not the Company bears the ordinary costs of administration and operation of the plan, including brokerage commissions;

(B) upon the issuance of any shares of Common Stock pursuant to any option, warrant, right, or exercisable, exchangeable or convertible security, including the Series B Preferred Stock; or

(C) for a change in the par value of the Common Stock.

(d) Successive Adjustments. After an adjustment to the Conversion Factor under this Section 10, any subsequent event requiring an adjustment under this Section 10 shall cause an adjustment to each such Conversion Factor as so adjusted.

(e) Multiple Adjustments. For the avoidance of doubt, if an event occurs that would trigger an adjustment to the Conversion Factor pursuant to this Section 10 under more than one subsection hereof, such event, to the extent fully taken into account in a single adjustment, shall not result in multiple adjustments hereunder; *provided, however*, that if more than one subsection of this Section 10 is applicable to a single event, the subsection shall be applied that produces the largest adjustment.

(f) Notice of Adjustments. Whenever any event of the type described in this Section 10 has occurred, the Company shall as soon as reasonably practicable following the occurrence of an event that requires such adjustment (or if the Company is not aware of such occurrence, as soon as reasonably practicable after becoming so aware):

(i) compute the adjusted applicable Conversion Factor in accordance with this Section 10 and prepare and transmit to the Conversion Agent an Officer's Certificate setting forth the applicable Conversion Factor, the method of calculation thereof, and the facts requiring such adjustment and upon which such adjustment is based; and

(ii) provide a written notice to the Holders of the occurrence of such event and a statement in reasonable detail setting forth the method by which the adjustment to the applicable Conversion Factor was determined and setting forth the adjusted applicable Conversion Factor.

(g) Conversion Agent. The Conversion Agent shall not at any time be under any duty or responsibility to any Holder to determine whether any facts exist that may require any adjustment of the Conversion Factor or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed in making the same. The Conversion Agent shall be fully authorized and protected in relying on any Officer's Certificate delivered pursuant to this Section 10(g) and any adjustment contained therein and the Conversion Agent shall not be deemed to have knowledge of any adjustment unless and until it has received such certificate. The Conversion Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock, or of any securities or property, that may at the time be issued or delivered with respect to any Series B Preferred Stock and the Conversion Agent makes no representation with respect thereto. The Conversion Agent shall not be responsible for any failure of the Company to issue, transfer or deliver any shares of Common Stock pursuant to the conversion of Series B Preferred Stock or to comply with any of the duties, responsibilities or covenants of the Company contained in this Section 10.

(h) Fractional Shares. No fractional shares of Common Stock will be delivered to the Holders upon conversion. In lieu of fractional shares otherwise issuable, the Holders will be entitled to receive an amount in cash equal to the fraction of a share of Common Stock multiplied by the Closing Price of the Common Stock on the Trading Day immediately preceding the applicable Conversion Date. In order to determine whether the number of shares of Common Stock to be delivered to a Holder upon the conversion of such Holder's shares of Series B Preferred Stock will include a fractional share, such determination shall be based on the aggregate number of shares of Series B Preferred Stock of such Holder that are being converted on any single Conversion Date.

SECTION 11 **Reorganization Events**.

(a) Reorganization Events. In the event of:

(i) any reclassification, statutory exchange, merger, consolidation or other similar business combination of the Company with or into another Person, in each case, pursuant to which at least a majority of the Common Stock is changed or converted into, or exchanged for, cash, securities or other property of the Company or another Person;

(ii) any sale, transfer, lease or conveyance to another Person of all or a majority of the property and assets of the Company, in each case pursuant to which the Common Stock is converted into cash, securities or other property; or

(iii) any statutory exchange of securities of the Company with another Person (other than in connection with a merger or acquisition) or reclassification, recapitalization or reorganization of the Common Stock into other securities;

(each of which is referred to as a “**Reorganization Event**”), each share of Series B Preferred Stock outstanding immediately prior to such Reorganization Event will, without the consent of the Holders and subject to Section 11(d) and Section 12(b), remain outstanding but shall become convertible into, in accordance with Section 6 and Section 7, the number, kind and amount of securities, cash and other property (the “**Exchange Property**”) (without any interest on such Exchange Property and without any right to dividends or distributions on such Exchange Property which have a record date that is prior to the applicable Conversion Date) that the Holder of such share of Series B Preferred Stock would have received in such Reorganization Event had such Holder converted its shares of Series B Preferred Stock into the applicable number of shares of Common Stock immediately prior to the effective date of the Reorganization Event using the Conversion Rate applicable immediately prior to the effective date of the Reorganization Event; *provided* that the foregoing shall not apply if such Holder is a Person with which the Company consolidated or into which the Company merged or which merged into the Company or to which such sale or transfer was made, as the case may be (any such Person, a “**Constituent Person**”), or an Affiliate of a Constituent Person, to the extent such Reorganization Event provides for different treatment of Common Stock held by such Constituent Persons or such Affiliate thereof. If the kind or amount of securities, cash and other property receivable upon such Reorganization Event is not the same for each share of Common Stock held immediately prior to such Reorganization Event by a Person (other than a Constituent Person or an Affiliate thereof), then for the purpose of this Section 11(a), the kind and amount of securities, cash and other property receivable upon conversion following such Reorganization Event will be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Stock.

(b) Successive Reorganization Events. The above provisions of this Section 11 shall similarly apply to successive Reorganization Events and the provisions of Section 10 shall apply to any shares of Capital Stock (as though such Capital Stock were Common Stock) received by the holders of the Common Stock in any such Reorganization Event.

(c) Reorganization Event Notice. The Company (or any successor) shall, no less than thirty (30) days prior to the anticipated effective date of any Reorganization Event, provide written notice to the Holders of such occurrence of such event and of the kind and amount of the cash, securities or other property that constitutes the Exchange Property. Failure to deliver such notice shall not affect the operation of this Section 11.

(d) Reorganization Event Agreements. The Company shall not enter into any agreement for a transaction constituting a Reorganization Event unless (i) such agreement provides for or does not interfere with or prevent (as applicable) conversion of the Series B Preferred Stock into the Exchange Property in a manner that is consistent with and gives effect to this Section 11, and (ii) to the extent that the Company is not the surviving corporation in such Reorganization

Event or will be dissolved in connection with such Reorganization Event, proper provision shall be made in the agreements governing such Reorganization Event for the conversion of the Series B Preferred Stock into stock of the Person surviving such Reorganization Event or such other continuing entity in such Reorganization Event.

SECTION 12 **Voting Rights**.

(a) **General**. Holders of shares of Series B Preferred Stock shall be entitled to vote as a single class with the holders of the Common Stock and the holders of any other class or series of Capital Stock of the Company then entitled to vote with the Common Stock on all matters submitted to a vote of the holders of Common Stock (and, if applicable, holders of any other class or series of Capital Stock of the Company). The Holders shall be entitled to notice of any meeting of holders of Common Stock in accordance with the Certificate of Incorporation and Bylaws of the Company. Each Holder shall be entitled to the number of votes equal to the product of (i) the largest number of whole shares of Common Stock into which all shares of Series B Preferred Stock could be converted pursuant to **Section 6** multiplied by (ii) a fraction the numerator of which is the number of shares of Series B Preferred Stock held by such Holder and the denominator of which is the aggregate number of issued and outstanding shares of Series B Preferred Stock, in each case at and calculated as of the record date for the determination of stockholders entitled to vote or consent on such matters or, if no such record date is established, at and as of the date such vote or consent is taken or any written consent of stockholders is first executed; *provided*, that to the extent the Series B Preferred Stock held by any Investor, together with its Permitted Transferees and Affiliates, would, in the aggregate (but without taking into consideration shares of Series B Preferred Stock held by any other Investor, together with its Permitted Transferees and Affiliates), represent voting rights with respect to more than 16.66% of the Company's Common Stock (including the Series B Preferred Stock on an as-converted basis) (the "**Voting Threshold**"), such Investor, together with its Permitted Transferees and Affiliates, will not be permitted to exercise the voting rights with respect to any shares of Series B Preferred Stock held by them in excess of the Voting Threshold and the Company shall exercise the voting rights with respect to such shares of Series B Preferred Stock in excess of the Voting Threshold in a Neutral Manner. To the extent that a Holder acquires shares of Series B Preferred Stock from another Holder, the acquiring Holder's Voting Threshold will be increased proportionately based on the number of shares of Series B Preferred Stock that such Holder acquires and the disposing Holder's Voting Threshold will be decreased proportionately based on the number of shares of Series B Preferred Stock that such Holder disposes of such that the aggregate Voting Threshold of all Holders of shares of Series B Preferred Stock does not exceed 49.99%.

(b) **Adverse Changes**. In addition to, and not in limitation of, **Section 12(a)**, the vote or consent of the Holders of at least 75% of the shares of Series B Preferred Stock outstanding at such time, voting together as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, will be necessary for, directly or indirectly, effecting or validating any of the following actions, whether or not such approval is required pursuant to the DGCL:

(i) any amendment, alteration or repeal (whether by merger, consolidation or otherwise) of any provision of the Certificate of Incorporation (including this Certificate of Designations) or Bylaws that would have an adverse effect on the rights, preferences, privileges or voting power of the Series B Preferred Stock;

(ii) any amendment or alteration (whether by merger, consolidation or otherwise) of, or any supplement (whether by a certificate of designations or otherwise) to, the Certificate of Incorporation or any provision thereof, or any other action to authorize or create, or increase the number of authorized or issued shares of, or any securities convertible into shares of, or reclassify any security into, or issue, any Parity Stock or Senior Stock or any other class or series of Capital Stock of the Company ranking senior to, or on a parity basis with, the Series B Preferred Stock as to dividend rights or rights on the distribution of assets on any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company; or

(iii) any increase or decrease in the authorized number of shares of Series B Preferred Stock or issuance of shares of Series B Preferred Stock after the Issuance Date,

provided that the authorization or creation of, or the increase in the number of authorized or issued shares of, or any securities convertible into shares of, or the reclassification of any security (other than the Series B Preferred Stock) into, or the issuance of, Junior Stock will not require the vote the Holders pursuant to this Section 12(b). For purposes of this Section 12(b), the filing in accordance with applicable law of a certificate of designations or any similar document setting forth or changing the designations, powers, preferences, rights, qualifications, limitations and restrictions of any class or series of stock of the Company shall be deemed an amendment to the Certificate of Incorporation.

(c) Each Holder of Series B Preferred Stock will have one vote per share on any matter on which Holders of Series B Preferred Stock are entitled to vote separately as a class, whether at a meeting or by written consent.

(d) The vote or consent of the Holders of 75% of the shares of Series B Preferred Stock outstanding at such time, voting together as a single class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, will be sufficient to waive or amend the provisions of Section 9(i) of this Certificate of Designations, and any amendment or waiver of any of the provisions of Section 9(i) approved by such percentage of the Holders shall be binding on all of the Holders.

(e) For the avoidance of doubt and notwithstanding anything to the contrary in the Certificate of Incorporation or Bylaws of the Company, the Holders of Series B Preferred Stock shall have the exclusive consent and voting rights set forth in Section 12(b) and may take action or consent to any action with respect to such rights without a meeting by delivering a consent in writing or by electronic transmission of the Holders of the Series B Preferred Stock entitled to cast not less than the minimum number of votes that would be necessary to authorize, take or consent to such action at a meeting of stockholders.

(f) Upon the acquisition of shares of Series B Preferred Stock, the Holder of such shares shall be deemed to irrevocably appoint as its proxy and attorney-in-fact, the Chief Executive Officer, the Chief Financial Officer and the General Counsel of the Company, each of them individually, with full power of substitution and resubstitution, to consent to or vote any shares of Series B Preferred Stock held by them in excess of the Voting Threshold as indicated in Section 12(a) above with respect to any matters that must be voted in a Neutral Manner.

SECTION 13 **Term**. Except as expressly provided in this Certificate of Designations, the shares of Series B Preferred Stock shall not be redeemable or otherwise mature and the term of the Series B Preferred Stock shall be perpetual.

SECTION 14 **Creation of Capital Stock**. Subject to the Consent Provisions and Section 12(b), the Board, or any duly authorized committee thereof, without the vote of the Holders, may authorize and issue additional shares of Capital Stock of the Company.

SECTION 15 **No Sinking Fund**. Shares of Series B Preferred Stock shall not be subject to or entitled to the operation of a retirement or sinking fund.

SECTION 16 **Transfer Agent, Conversion Agent, Registrar and Paying Agent**. The duly appointed Transfer Agent, Conversion Agent, Registrar and paying agent for the Series B Preferred Stock shall be American Stock Transfer & Trust Company. The Company may, in its sole discretion, appoint any other Person to serve as Transfer Agent, Conversion Agent, Registrar or paying agent for the Series B Preferred Stock and thereafter may remove or replace such other Person at any time. Upon any such appointment or removal, the Company shall send notice thereof to the Holders.

SECTION 17 **Replacement Certificates**.

(a) **Mutilated, Destroyed, Stolen and Lost Certificates**. If physical certificates evidencing the Series B Preferred Stock are issued, the Company shall replace any mutilated certificate at the Holder's expense upon surrender of that certificate to the Transfer Agent. The Company shall replace certificates that become destroyed, stolen or lost at the Holder's expense upon delivery to the Company and the Transfer Agent of satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be required by the Transfer Agent and the Company.

(b) **Certificates Following Conversion**. If physical certificates representing the Series B Preferred Stock are issued, the Company shall not be required to issue replacement certificates representing shares of Series B Preferred Stock on or after the Conversion Date applicable to such shares (except if any certificate for shares of Series B Preferred Stock shall be surrendered for partial conversion, the Company shall, at its expense, execute and deliver to or upon the written order of the Holder of the certificate so surrendered a new certificate for the shares of Series B Preferred Stock not converted). In place of the delivery of a replacement certificate following the applicable Conversion Date, the Transfer Agent, upon receipt of the satisfactory evidence and indemnity described in clause (a) above, shall deliver the shares of Common Stock issuable upon conversion of such shares of Series B Preferred Stock formerly evidenced by the physical certificate.

SECTION 18 Taxes.

(a) Withholding. The Company agrees that, provided that a Holder delivers to the Company a properly executed IRS Form W-9 certifying as to the complete exemption from backup withholding of the Holder (or, if the Holder is a disregarded entity for U.S. federal income tax purposes, its regarded owner), under current law the Company (including any paying agent of the Company) shall not be required to, and shall not, deduct or withhold taxes on any payments or deemed payments to any such Holder. In the event that any such Holder fails to deliver to the Company such properly executed IRS Form W-9, the Company reasonably believes that a previously delivered IRS Form W-9 is no longer accurate and/or valid, or there is a change in law that affects the withholding obligations of the Company, the Company and its paying agent shall be entitled to deduct or withhold on all applicable payments made to the relevant Holder in the form of cash such tax amounts as the Company reasonably determines are required to be deducted or withheld therefrom under any provision of applicable law (and, to the extent such amounts are paid to the relevant taxing authority in accordance with applicable law, such amounts will be treated for all purposes of this Certificate of Designations as having been paid to the Person in respect of which such withholding was made); *provided*, that if the Company determines that an amount is required to be deducted or withheld on any payment with respect to any Holder, the Company shall provide reasonable prior notice to such Holder in writing of its intent to deduct or withhold taxes on such payment and will reasonably cooperate with such Holder in obtaining any available exemption or reduction of such withholding.

(b) Transfer Taxes. The Company shall pay any and all stock transfer, documentary, stamp and similar taxes due upon the issuance of shares of Series B Preferred Stock or the issuance of shares of Common Stock upon conversion of Series B Preferred Stock pursuant hereto. However, in the case of conversion of Series B Preferred Stock, the Company shall not be required to pay any such tax that may be payable in respect of any transfer involved in the issuance or delivery of shares of Series B Preferred Stock or Common Stock to a beneficial owner other than the initial beneficial owner of Series B Preferred Stock, and shall not be required to make any such issuance, delivery or payment unless and until the Person requesting such issuance, delivery or payment has paid to the Company the amount of any such tax or has established, to the satisfaction of the Company, that such tax has been paid or is not payable.

(c) Tax Treatment. It is intended that (i) the Series B Preferred Stock shall not be treated as “preferred stock” for purposes of Section 305 of the Code and the Treasury Regulations promulgated thereunder, and (ii) as a consequence, neither the Annual Dividends nor the Special Dividend accruing on the Series B Preferred Stock nor any difference between the purchase price paid for the Series B Preferred Stock and the Liquidation Preference thereof will, by reason of Section 305(b)(4) of the Code or Treasury Regulations Section 1.305-5, be treated as a distribution of property until paid in cash. The Company and Holders (and their respective affiliates) shall file all tax returns in a manner consistent with the foregoing intended tax treatment and shall not take any tax position that is inconsistent with such intended tax treatment except in connection with, or as required by, any of the following: (w) a change in relevant law occurring after the Original Issuance Date, (x) after the Original Issuance Date, the promulgation of relevant final U.S. Treasury Regulations addressing instruments similar to the Series B Preferred Stock (from and after the effective date of such regulations), (y) an amendment to the terms of this Certificate of Designations or (z) a “determination” within the meaning of section 1313(a) of the Code.

SECTION 19 **Notices.** All notices referred to herein shall be in writing and, unless otherwise specified herein, all notices hereunder shall be deemed to have been given upon the earlier of receipt thereof or three (3) Business Days after the mailing thereof if sent by registered or certified mail with postage prepaid, or by private courier service addressed: (i) if to the Company, to its office at comScore, Inc., 11950 Democracy Drive, Suite 600, Reston, Virginia 20190 (Attention: Ashley Wright), (ii) if to any Holder, to such Holder at the address of such Holder as listed in the stock record books of the Company (which may include the records of the Transfer Agent) or (iii) to such other address as the Company or any such Holder, as the case may be, shall have designated by notice similarly given.

SECTION 20 **Facts Ascertainable.** When the terms of this Certificate of Designations refer to a specific agreement or other document to determine the meaning or operation of a provision hereof, the Secretary of the Company shall maintain a copy of such agreement or document at the principal executive offices of the Company and a copy thereof shall be provided free of charge to any Holder who makes a request therefor. The Secretary of the Company shall also maintain a written record of the Issuance Date, the number of shares of Series B Preferred Stock issued to a Holder and the date of each such issuance, and shall furnish such written record free of charge to any Holder who makes a request therefor.

SECTION 21 **Waiver.** Notwithstanding any provision in this Certificate of Designations to the contrary, any provision contained herein and any right of the Holders of shares of Series B Preferred Stock granted hereunder may be waived as to all shares of Series B Preferred Stock (and the Holders thereof) upon the vote or written consent of the Holders of a majority of the shares of Series B Preferred Stock then outstanding.

SECTION 22 **Severability.** If any term of the Series B Preferred Stock set forth herein is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other terms set forth herein which can be given effect without the invalid, unlawful or unenforceable term will, nevertheless, remain in full force and effect, and no term herein set forth will be deemed dependent upon any other such term unless so expressed herein.

SECTION 23 **Business Opportunities.** To the fullest extent permitted by Section 122(17) of the DGCL (or any successor provision) and except as may be otherwise expressly agreed in writing by the Company and the Investor Parties, the Company, on behalf of itself and its Subsidiaries, renounces any interest or expectancy of the Company and its Subsidiaries in, or in being offered an opportunity to participate in, business opportunities, that are from time to time presented to the Investor Parties or any of their respective officers, representatives, directors, agents, stockholders, members, partners, Affiliates, Subsidiaries (other than the Company and its Subsidiaries), or any of their respective designees on the Company's Board and/or any of their respective representatives who, from time to time, may act as officers of the Company, even if the opportunity is one that the Company or its Subsidiaries might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the opportunity to do so, and no such person shall be liable to the Company or any of its Subsidiaries for breach of any fiduciary or other duty, as a director or officer or otherwise, by reason of the fact that such person pursues or acquires such business opportunity, directs such business opportunity to another person or fails to present such business opportunity, or information regarding such business opportunity, to the Company or its Subsidiaries unless such business opportunity is disclosed to the applicable director or officer in his or her capacity as such. Any Person purchasing or otherwise acquiring any interest in any shares of Capital Stock of the Company shall be deemed to have notice of and consented to the

provisions of this Section 23. Neither the alteration, amendment or repeal of this Section 23, nor the adoption of any provision of the Certificate of Incorporation or this Certificate of Designations inconsistent with this Section 23, nor, to the fullest extent permitted by Delaware law, any modification of law, shall eliminate or reduce the effect of this Section 23 in respect of any business opportunity first identified or any other matter occurring, or any cause of action, suit or claim that, but for this Section 23, would accrue or arise, prior to such alteration, amendment, repeal, adoption or modification. If any provision or provisions of this Section 23 shall be held to be invalid, illegal or unenforceable as applied to any circumstance for any reason whatsoever: (a) the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Section 23 (including, without limitation, each portion of any paragraph of this Section 23 containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and (b) to the fullest extent possible, the provisions of this Section 23 (including, without limitation, each such portion of any paragraph of this Section 23 containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to permit the Company to protect its directors, officers, employees and agents from personal liability in respect of their good faith service to or for the benefit of the Company to the fullest extent permitted by law. This Section 23 shall not limit any protections or defenses available to, or indemnification or advancement rights of, any director, officer, employee or agent of the Company under the Certificate of Incorporation, the Bylaws, any other agreement between the Company and such director, officer, employee or agent or applicable law.

SECTION 24 Rule 144A Information. The Company will, during any period in which the Company is not subject to Section 13 or 15(d) of the Exchange Act, furnish to Holders and prospective investors, upon request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act of 1933, as amended.

SECTION 25 Antitrust Filing. If, in connection with the exercise of the rights of any Holder or the Company pursuant to, or the applicability of any terms of, this Certificate of Designations or the Stockholders Agreement, a filing is required pursuant to any applicable Antitrust Laws, then the Company, on the one hand, and the applicable Holder, on the other hand, shall, at the request of the Holder, (a) as promptly as practicable, make, or cause or be made, all filings and submissions required under applicable Antitrust Laws, and (b) use their commercially reasonable efforts to obtain, or cause to be obtained, approval of the transaction associated with the filing or the termination or expiration of the applicable waiting period (“**Antitrust Approval**”), and notwithstanding anything to the contrary in this Certificate of Designations or the Stockholders Agreement, the rights so exercised (or other action taken by the application of the terms thereof) shall be contingent upon, and subject to, the receipt of any required Antitrust Approval (as determined by the Holder) and such rights (or other action taken by the application of the terms thereof) shall be delayed until such Antitrust Approval is received; provided that (i) with respect to any such filing resulting from the exercise of a Holder’s rights under this Certificate of Designations or the Stockholders Agreement, any filing or submission fees required under applicable Antitrust Laws shall be paid by such Holder and (ii) with respect to any such filing resulting from the exercise of the Company’s rights under this Certificate of Designations or the Stockholders Agreement (or other action taken by the application of the terms thereof), any filing or submission fees required under applicable Antitrust Laws shall be paid by the Company.

WHEREAS, as a condition to the obligations of the Company and the Purchasers under the Purchase Agreements, the Company and the Purchasers are entering into this Agreement for the purpose of granting certain registration and other rights to the Holders.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained in this Agreement, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement hereby agree as follows:

ARTICLE I

RESALE SHELF REGISTRATION

Section 1.1 Resale Shelf Registration Statement. Subject to the other applicable provisions of this Agreement, the Company shall use its reasonable best efforts to prepare and file within 120 days after the date hereof, a registration statement covering the sale or distribution from time to time by the Holders, on a delayed or continuous basis pursuant to Rule 415 of the Securities Act, of all of the Registrable Securities on Form S-3 (except if the Company is not then eligible to register for resale the Registrable Securities on Form S-3, then such registration shall be on another appropriate form and shall provide for the registration of such Registrable Securities for resale by the Holders in accordance with any reasonable method of distribution elected by the Purchasers) (the “**Resale Shelf Registration Statement**”), and if the Company is a WKSI as of the filing date, the Resale Shelf Registration Statement shall consist of an Automatic Shelf Registration Statement, or a prospectus supplement to an effective Automatic Shelf Registration Statement, that shall become effective upon filing with the SEC pursuant to Rule 462(e). If the Resale Shelf Registration Statement is not an Automatic Shelf Registration Statement, then the Company shall use its reasonable best efforts to cause such Resale Shelf Registration Statement to be declared effective by the SEC as promptly as is reasonably practicable after the filing thereof.

Section 1.2 Effectiveness Period. Once declared effective, the Company shall, subject to the other applicable provisions of this Agreement, use its reasonable best efforts to cause the Resale Shelf Registration Statement to be continuously effective and usable until such time as there are no longer any Registrable Securities (the “**Effectiveness Period**”).

Section 1.3 Subsequent Shelf Registration Statement. If any Shelf Registration Statement ceases to be effective under the Securities Act for any reason at any time during the Effectiveness Period, the Company shall use its reasonable best efforts to as promptly as is reasonably practicable cause such Shelf Registration Statement to again become effective under the Securities Act (including obtaining the prompt withdrawal of any order suspending the effectiveness of such Shelf Registration Statement), and shall use its reasonable best efforts to as promptly as is reasonably practicable amend such Shelf Registration Statement in a manner reasonably expected to result in the withdrawal of any order suspending the effectiveness of such Shelf Registration Statement or file an additional registration statement (a “**Subsequent Shelf Registration Statement**”) for an offering to be made on a delayed or continuous basis pursuant to Rule 415 of the Securities Act registering the resale from time to time by the Holders thereof of all securities that are Registrable Securities as of the time of such filing. If a Subsequent Shelf Registration Statement is filed, the Company shall use its reasonable best efforts to (a) cause such Subsequent Shelf Registration Statement to become effective under the Securities Act as promptly as is reasonably practicable after the filing thereof (it being agreed that if the Company is a WKSJ as of the filing date, the Subsequent Shelf Registration Statement shall be an Automatic Shelf Registration Statement, or a prospectus supplement to an effective Automatic Shelf Registration Statement, that shall become effective upon filing with the SEC pursuant to Rule 462(e)) and (b) keep such Subsequent Shelf Registration Statement continuously effective and usable until the end of the Effectiveness Period. Any such Subsequent Shelf Registration Statement shall be a registration statement on Form S-3 to the extent that the Company is eligible to use such form. Otherwise, such Subsequent Shelf Registration Statement shall be on another appropriate form and shall provide for the registration of such Registrable Securities for resale by the Holders in accordance with any reasonable method of distribution elected by the Purchasers.

Section 1.4 Supplements and Amendments. The Company shall supplement and amend any Shelf Registration Statement if required by the Securities Act or the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement.

Section 1.5 Subsequent Holder Notice. If a Person entitled to the benefits of this Agreement becomes a Holder after a Shelf Registration Statement becomes effective under the Securities Act, the Company shall, as promptly as is reasonably practicable following delivery of written notice to the Company of such Person becoming a Holder and requesting for its name to be included as a selling securityholder in the prospectus related to the Shelf Registration Statement (a “**Subsequent Holder Notice**”):

(a) if required and permitted by applicable law, file with the SEC a supplement to the related prospectus or a post-effective amendment to the Shelf Registration Statement so that such Holder is named as a selling securityholder in the Shelf Registration Statement and the related prospectus in such a manner as to permit such Holder to deliver a prospectus to purchasers of the Registrable Securities in accordance with applicable law; *provided, however*, that the Company shall not be required to file more than one post-effective amendment or a supplement to the related prospectus for such purpose in any 30-day period;

(b) if, pursuant to Section 1.5(a), the Company shall have filed a post-effective amendment to the Shelf Registration Statement that is not automatically effective, use its reasonable best efforts to cause such post-effective amendment to become effective under the Securities Act as promptly as is reasonably practicable; and

(c) notify such Holder as promptly as is reasonably practicable after the effectiveness under the Securities Act of any post-effective amendment filed pursuant to Section 1.5(a).

Section 1.6 Underwritten Offering.

(a) Subject to any applicable restrictions on transfer in the Stockholders Agreement or otherwise, one or more Holders of Registrable Securities may, after the Resale Shelf Registration Statement becomes effective, deliver a written notice to the Company (the “**Underwritten Offering Notice**”) specifying that the sale of some or all of the Registrable Securities subject to such Resale Shelf Registration Statement, is intended to be conducted through an underwritten offering or an underwritten block trade or bought deal; *provided, however*, that the Holders may not, without the Company’s prior written consent, (i) launch an underwritten offering or underwritten block trade or bought deal the anticipated gross proceeds of which shall be less than \$25,000,000 (unless the Holder, collectively with all of its Affiliates, is proposing to sell all of their remaining Registrable Securities), (ii) launch more than three underwritten offerings or underwritten block trades or bought deals at the request of the Holders within any 365-day period or (iii) launch an underwritten offering or underwritten block trade or bought deal within the period (a “**Quarterly Blackout Period**”) commencing on the seventh calendar day of the third month of each fiscal quarter and ending at the start of the second full trading day following the date of public disclosure of the financial results for that fiscal quarter (such qualifying underwritten offering or underwritten block trade or bought deal, an “**Underwritten Offering**”).

(b) In the event of an Underwritten Offering, the Holder(s) delivering the Underwritten Offering Notice shall select the managing underwriter(s) to administer the Underwritten Offering; *provided* that the choice of such managing underwriter(s) shall be subject to the consent of the Company, which shall not be unreasonably withheld. In making the determination to consent to the Holder or Holders’, as applicable, choice of managing underwriter(s), the Company may take into account its business and strategic interests. The Company and the Holders participating in an Underwritten Offering will enter into an underwriting agreement in customary form with the managing underwriter or underwriters selected for such offering.

(c) Upon receipt of an Underwritten Offering Notice (which, in the case of an Underwritten Offering that is an underwritten block trade or bought deal, shall be received by the Company not less than two Business Days prior to the day such offering is first anticipated to commence), the Company shall promptly deliver to each other Holder written notice thereof and if, within three Business Days after the date of the delivery of such notice (or one Business Day in the case of an Underwritten Offering that is an underwritten block trade or bought deal), a Holder shall so request in writing, the Company shall as expeditiously as possible use its reasonable best efforts to facilitate such Underwritten Offering (which, in the case of an Underwritten Offering that is an underwritten block trade or bought deal, close as early as two Business Days after the date it commences) include in such Underwritten Offering all or any part of such Holder's Registrable Securities as such Holder requests to be registered, subject to Section 1.6(d).

(d) The Company will not include in any Underwritten Offering pursuant to this Section 1.6 any securities that are not Registrable Securities (other than the WPP Securities) without the prior written consent of the Holder(s) participating in such Underwritten Offering. If the managing underwriter or underwriters advise the Company and such Holder(s) in writing that in its or their good faith opinion the number of Registrable Securities (and, if permitted hereunder, other securities requested to be included in such offering) exceeds the number of securities which can be sold in such offering in light of market conditions or is such so as to adversely affect the success of such offering, the Company will include in such offering only such number of securities that can be sold without adversely affecting the marketability of the offering, which securities will be so included in the following order of priority: (i) first, the Registrable Securities of the Holders that have requested to participate in such Underwritten Offering, allocated *pro rata* among such Holders on the basis of their respective then-owned Registrable Securities, and (ii) second, any other securities of the Company that have been requested to be so included (including any WPP Securities, to the extent applicable).

Section 1.7 Take-Down Notice. Subject to the other applicable provisions of this Agreement, including the limitations and requirements in Section 1.6 regarding Underwritten Offerings, at any time that any Shelf Registration Statement is effective, if a Holder delivers a notice to the Company (a "**Take- Down Notice**") stating that it intends to effect a sale or distribution of all or part of its Registrable Securities included by it on any Shelf Registration Statement (a "**Shelf Offering**") and stating the number of the Registrable Securities to be included in such Shelf Offering, then the Company shall amend, subject to the other applicable provisions of this Agreement, or supplement the Shelf Registration Statement as may be necessary in order to enable such Registrable Securities to be sold and distributed pursuant to the Shelf Offering.

Section 1.8 Piggyback Registration

(a) If the Company proposes to file a registration statement under the Securities Act with respect to an offering of Common Stock or securities convertible into, or exchangeable or exercisable for, Common Stock, whether or not for sale for its own account (other than a registration statement (i) on Form S-4, Form S-8 or any successor forms thereto or (ii) filed to effectuate an exchange offer or any employee benefit or dividend reinvestment plan), then the Company shall give prompt written notice of such filing, which notice shall be given, to the extent reasonably practicable, no later than seven Business Days prior to the filing date (the "**Piggyback Notice**") to the Holders. The Piggyback Notice shall offer such Holders the opportunity to include (or cause to be included) in such registration statement the number of shares of Registrable Securities as each such Holder may request (each, a "**Piggyback Registration Statement**"). Subject to Section 1.8(b), the Company shall include in each Piggyback Registration Statement all

Registrable Securities with respect to which the Company has received written requests for inclusion therein (each, a “**Piggyback Request**”) within five Business Days after the date of the Piggyback Notice but in any event not later than two Business Day prior to the filing date of a Piggyback Registration Statement. The Company shall not be required to maintain the effectiveness of a Piggyback Registration Statement beyond the earlier of (x) 180 days after the effective date thereof and (y) consummation of the distribution by the Holders of the Registrable Securities included in such registration statement. The Company may postpone or withdraw a Piggyback Registration Statement at any time prior to effectiveness of such Piggyback Registration Statement without incurring any liability to the Holders.

(b) Subject to any applicable restrictions on transfer in the Stockholders Agreement, if any of the securities to be registered pursuant to the registration giving rise to the rights under this Section 1.8 are to be sold in an underwritten offering, the Company shall use reasonable best efforts to cause the managing underwriter or underwriters of a proposed underwritten offering to permit Holders who have timely submitted a Piggyback Request in connection with such offering to include in such offering all Registrable Securities included in each Holder’s Piggyback Request on the same terms and subject to the same conditions as any other shares of capital stock, if any, of the Company included in the offering. Notwithstanding the foregoing, if the managing underwriter or underwriters of such underwritten offering advise the Company in writing that in its or their good faith opinion the number of securities exceeds the number of securities which can be sold in such offering in light of market conditions or is such so as to adversely affect the success of such offering, the Company will include in such offering only such number of securities that can be sold without adversely affecting the marketability of the offering, which securities will be so included in the following order of priority: (i) first, the securities proposed to be sold by the Company for its own account; (ii) second, the Registrable Securities of the Holders that have requested to participate in such underwritten offering and any other persons with piggyback registration rights who have the right to participate and that have requested to participate in such offering, allocated *pro rata* among such selling holders on the basis of their respective then-owned registrable securities; and (iii) third, any other securities of the Company that have been requested to be included in such offering, allocated *pro rata* among such holders on the basis of the percentage of securities then held by such holders; *provided* that Holders may, prior to the earlier of (a) the effectiveness of the registration statement and (b) the time at which the offering price or underwriter’s discount is determined with the managing underwriter or underwriters, withdraw their request to be included in such registration pursuant to this Section 1.8.

ARTICLE II

ADDITIONAL PROVISIONS REGARDING REGISTRATION RIGHTS

Section 2.1 Registration Procedures. Subject to the other applicable provisions of this Agreement, in the case of each registration of Registrable Securities effected by the Company pursuant to Article I, the Company will:

(a) prepare and as promptly as reasonably practicable file with the SEC a registration statement with respect to such securities and use reasonable best efforts to cause such registration statement to become and remain effective for the period of the distribution contemplated thereby, in accordance with the applicable provisions of this Agreement;

(b) prepare and file with the SEC such amendments (including post-effective amendments) and supplements to such registration statement and the prospectus used in connection with such registration statement as may be necessary to keep such registration statement effective for the period specified in paragraph (a) above and (i) use reasonable efforts to cause such filings not to contain any untrue statements of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and (ii) comply with the provisions of the Securities Act and the rules and regulations of the SEC with respect to the disposition of all securities covered by such registration statement in accordance with the Holders' intended methods of distribution set forth in such registration statement for such period;

(c) furnish to the Holders and their respective counsel copies of the registration statement and the prospectus included therein (including each preliminary prospectus) proposed to be filed and provide such Holders with a reasonable opportunity to review and comment on such registration statement;

(d) if requested by the managing underwriter or underwriters, if any, or the Holder(s), promptly include in any prospectus supplement or post-effective amendment such information as the managing underwriter or underwriters, if any, or the Holder(s) may reasonably request in order to permit the intended method of distribution of such securities and make all required filings of such prospectus supplement or post-effective amendment as soon as reasonably practicable after the Company has received such request; *provided, however*, that the Company shall not be required to take any actions under this Section 2.1(d) that are not, in the opinion of counsel for the Company, in compliance with applicable law;

(e) in the event that the Registrable Securities are being offered in an Underwritten Offering, furnish to the Holder(s) participating in such Underwritten Offering and their respective counsel and to the underwriters of the securities being registered and their respective counsel such reasonable number of copies of the registration statement, preliminary prospectus and final prospectus as such Holder(s) or such underwriters may reasonably request in order to facilitate the public offering or other disposition of such securities;

(f) as promptly as reasonably practicable notify the Holder(s) at any time when a prospectus relating thereto is required to be delivered under the Securities Act or of the Company's discovery of the occurrence of any event as a result of which the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading or incomplete in the light of the circumstances then existing (which, for the avoidance of doubt, shall commence a Suspension Period), and, subject to Section 2.2, as promptly as is reasonably practicable, prepare and file with the SEC a supplement or post-effective amendment to such registration statement or the related prospectus or any document incorporated therein by reference or file any other required document and at the request of any Holder, furnish to such Holder a reasonable number of copies of a supplement to or an amendment of such prospectus as may be necessary so that, as thereafter delivered to the Holder of such securities, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or incomplete in the light of the circumstances then existing;

(g) use reasonable best efforts to register and qualify (or exempt from such registration or qualification) the securities covered by such registration statement under such other securities or “blue sky” laws of such jurisdictions within the United States as shall be reasonably requested in writing by any Holder; *provided, however*, that the Company shall not be required in connection therewith or as a condition thereto to (i) qualify to do business in any jurisdictions where it would not otherwise be required to qualify but for this subsection or (ii) take any action that would subject it to general service of process in any such jurisdictions;

(h) in the event that the Registrable Securities are being offered in a public offering, enter into an underwriting agreement, a placement agreement or equivalent agreement customary for a transaction of that nature, in each case in accordance with the applicable provisions of this Agreement, and take all such other actions reasonably requested by the Holders of the Registrable Securities being sold in connection therewith (including any reasonable actions requested by the managing underwriters, if any) to facilitate the disposition of such Registrable Securities, and in such connection, (i) the underwriting agreement shall contain indemnification provisions and procedures substantially to the effect set forth in Article III hereof with respect to all parties to be indemnified pursuant to Article III except as otherwise agreed by the Holders and (ii) deliver such other documents and certificates as may be reasonably requested by the managing underwriters;

(i) in connection with an Underwritten Offering, the Company shall cause its officers to use their reasonable best efforts to support the marketing of the Registrable Securities covered by such offering (including participation in “road shows” or other similar marketing efforts) to the extent reasonably necessary, in the view of the managing underwriter(s), to support the proposed sale of Registrable Securities pursuant to such Underwritten Offering;

(j) use reasonable best efforts to furnish, on the date that such Registrable Securities are delivered to the underwriters for sale, if such securities are being sold through underwriters, (i) an opinion dated such date of the legal counsel representing the Company for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering, addressed to the underwriters, if any, (ii) a “negative assurances letter”, dated such date of the legal counsel representing the Company for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering and (iii) a letter dated such date from the independent certified public accountants of the Company, in form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering, addressed to the underwriters, such letter to be in customary form and covering matters of the type customarily covered in “cold comfort” letters in connection with underwritten offerings;

(k) use reasonable best efforts to list the Registrable Securities covered by such registration statement with any securities exchange on which the Common Stock is then listed;

(l) provide a transfer agent and registrar for all such Registrable Securities not later than the effective date of such registration statement;

(m) in connection with a customary due diligence review, make available for inspection by the Holders, any underwriter participating in any such disposition of Registrable Securities, if any, and any counsel or accountants retained by the Holders or underwriter (collectively, the “**Offering Persons**”), at the offices where normally kept, during reasonable business hours, all financial and other records, pertinent corporate documents and properties of the Company and its subsidiaries, and cause the officers, directors and employees of the Company and its subsidiaries to supply all information and participate in customary due diligence sessions in each case reasonably requested by any such representative, underwriter, counsel or accountant in connection with such Registration Statement; *provided, however*, that any information that is not generally publicly available at the time of delivery of such information shall be kept confidential by such Offering Persons unless (i) disclosure of such information is required by court or administrative order or in connection with an audit or examination by, or a blanket document request from, a regulatory or self-regulatory authority, bank examiner or auditor, (ii) disclosure of such information, in the reasonable judgment of the Offering Persons, is required by law or applicable legal process (including in connection with the offer and sale of securities pursuant to the rules and regulations of the SEC), (iii) such information is or becomes generally available to the public other than as a result of a non-permitted disclosure or failure to safeguard by such Offering Persons in violation of this Agreement or (iv) such information (A) was known to such Offering Persons (prior to its disclosure by the Company) from a source other than the Company when such source, to the knowledge of the Offering Persons, was not bound by any contractual, legal or fiduciary obligation of confidentiality to the Company with respect to such information, (B) becomes available to the Offering Persons from a source other than the Company when such source, to the knowledge of the Offering Persons, is not bound by any contractual, legal or fiduciary obligation of confidentiality to the Company with respect to such information or (C) was developed independently by the Offering Persons or their respective representatives without the use of, or reliance on, information provided by the Company. In the case of a proposed disclosure pursuant to (i) or (ii) above, such Person shall be required to give the Company written notice of the proposed disclosure prior to such disclosure (except in the case of (ii) above when a proposed disclosure was or is to be made in connection with a registration statement or prospectus under this Agreement and except in the case of clause (i) above when a proposed disclosure is in connection with a routine audit or examination by, or a blanket document request from, a regulatory or self-regulatory authority, bank examiner or auditor);

(n) cooperate with each Holder and each underwriter or agent participating in the disposition of Registrable Securities and their respective counsel in connection with any filings required to be made with FINRA, including the use of reasonable best efforts to obtain FINRA’s pre-clearance or pre-approval of the registration statement and applicable prospectus upon filing with the SEC;

(o) as promptly as is reasonably practicable notify the Holder(s) (i) when the prospectus or any prospectus supplement or post-effective amendment has been filed and, with respect to such registration statement or any post-effective amendment, when the same has become effective, (ii) of any request by the SEC or other federal or state governmental authority for amendments or supplements to such registration statement or related prospectus or to amend or to supplement such prospectus or for additional information, (iii) of the issuance by the SEC or any state securities authority of any stop order, injunction or other order or requirement suspending the effectiveness of such registration statement or the initiation of any proceedings for such purpose (which, for the avoidance of doubt, shall commence a Suspension Period), (iv) if at any time the Company has reason to believe that the representations and warranties of the Company contained in any agreement contemplated by Section 2.1(h) relating to any applicable offering cease to be true and correct or (v) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose; and

(p) promptly furnish counsel for each underwriter, if any, and for the Holder(s) and their respective counsel copies of any correspondence with the SEC or any state securities authority relating to the registration statement or prospectus (for the avoidance of doubt, including, but not limited to, any comment letters received from the SEC or any state securities authority).

The Holders agree that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 2.1(f), Section 2.1(o)(ii) or Section 2.1(o)(iii), the Holders shall discontinue disposition of any Registrable Securities covered by such registration statement or the related prospectus until receipt of the copies of the supplemented or amended prospectus, which supplement or amendment shall, subject to the other applicable provisions of this Agreement, be prepared and furnished as soon as reasonably practicable, or until the Holders are advised in writing by the Company that the use of the applicable prospectus may be resumed, and have received copies of any amended or supplemented prospectus or any additional or supplemental filings which are incorporated, or deemed to be incorporated, by reference in such prospectus (such period during which disposition is discontinued being an “**Interruption Period**”) and, if requested by the Company, the Holders shall use reasonable best efforts to return, and cause the Holders to return, to the Company all copies then in their possession, of the prospectus covering such Registrable Securities at the time of receipt of such request. As soon as practicable after the Company has determined that the use of the applicable prospectus may be resumed, the Company will notify the Holders thereof. In the event the Company invokes an Interruption Period hereunder and in the sole discretion of the Company the need for the Company to continue the Interruption Period ceases for any reason, the Company shall, as soon as reasonably practicable, provide written notice to the Holders that such Interruption Period is no longer applicable.

Section 2.2 Suspension. The Company shall be entitled, on two occasions during any 12-month period, for a period of time not to exceed an aggregate of 75 days during any 12-month period (any such period a “**Suspension Period**”), to (x) postpone or defer any registration of Registrable Securities and shall have the right not to file and not to cause the effectiveness of any registration covering any Registrable Securities, (y) suspend the use of any prospectus and registration statement covering any Registrable Securities and (z) require the Holders to suspend any offerings or sales of Registrable Securities pursuant to a registration statement, if the Company delivers to the Holders a certificate signed by an executive officer certifying that such registration and offering would (i) require the Company to make an Adverse Disclosure or (ii) materially interfere with any *bona fide* material financing, acquisition, disposition or other similar transaction involving the Company or any of its subsidiaries then under consideration. Such certificate shall contain a statement of the reasons for such suspension and an approximation of the anticipated length of such suspension. The Holders shall keep the information contained in such certificate confidential subject to the same terms set forth in Section 2.1(m). If the Company defers any registration of Registrable Securities in response to an Underwritten Offering Notice or requires the Holder(s) to suspend any Underwritten Offering, such Holder(s) shall be entitled to withdraw such Underwritten Offering Notice and if it does so, such request shall not be treated for any purpose as the delivery of an Underwritten Offering Notice pursuant to Section 1.6.

Section 2.3 Expenses of Registration. All Registration Expenses incurred in connection with any registration or offering pursuant to Article I shall be borne by the Company. All Selling Expenses relating to securities registered on behalf of the Holders shall be borne, pro rata, by the Holders included in such registration.

Section 2.4 Information by Holders. The Holder or Holders included in any registration shall, and the Purchasers shall cause such Holder or Holders to, furnish to the Company such information regarding such Holder or Holders and their Affiliates, the Registrable Securities held by them and the distribution proposed by such Holder or Holders and their Affiliates as the Company or its representatives may reasonably request and as shall be required in connection with any registration, qualification or compliance referred to in this Agreement. It is understood and agreed that the obligations of the Company under Article I are conditioned on the timely provisions of the foregoing information by such Holder or Holders and, without limitation of the foregoing, will be conditioned on compliance by such Holder or Holders with the following:

(a) such Holder or Holders will, and will cause their respective Affiliates to, cooperate with the Company in connection with the preparation of the applicable registration statement and prospectus and, for so long as the Company is obligated to keep such registration statement effective, such Holder or Holders will and will cause their respective Affiliates to, provide to the Company, in writing and in a timely manner, for use in such registration statement (and expressly identified in writing as such), all information regarding themselves and their respective Affiliates and such other information as may be required by applicable law to enable the Company to prepare or amend such registration statement, any related prospectus and any other documents related to such offering covering the applicable Registrable Securities owned by such Holder or Holders and to maintain the currency and effectiveness thereof;

(b) during such time as such Holder or Holders and their respective Affiliates may be engaged in a distribution of the Registrable Securities, such Holder or Holders will, and they will cause their Affiliates to, comply with all laws applicable to such distribution, including Regulation M promulgated under the Exchange Act, and, to the extent required by such laws, will, and will cause their Affiliates to, among other things (i) not engage in any stabilization activity in connection with the securities of the Company in contravention of such laws; (ii) distribute the Registrable Securities acquired by them solely in the manner described in the applicable registration statement and (iii) if required by applicable law, cause to be furnished to each agent or broker-dealer to or through whom such Registrable Securities may be offered, or to the offeree if an offer is made directly by such Holder or Holders or their respective Affiliates, such copies of the applicable prospectus (as amended and supplemented to such date) and documents incorporated by reference therein as may be required by such agent, broker-dealer or offeree;

(c) such Holder or Holders shall, and they shall cause their respective Affiliates to, (i) permit the Company and its representatives to examine such documents and records and will supply in a timely manner any information as they may be reasonably requested to provide in connection with the offering or other distribution of Registrable Securities by such Holder or Holders and (ii) execute, deliver and perform under any agreements and instruments reasonably requested by the Company or its representatives to effectuate such registered offering, including opinions of counsel and questionnaires; and

(d) on receipt of any notice from the Company of the occurrence of any of the events specified in Section 2.1(f) or clauses (i) or (ii) of Section 2.1(o), or that otherwise requires the suspension by such Holder or Holders and their respective Affiliates of the offering, sale or distribution of any of the Registrable Securities owned by such Holder or Holders, such Holders shall, and they shall cause their respective Affiliates to, cease offering, selling or distributing the Registrable Securities owned by such Holder or Holders until the offering, sale and distribution of the Registrable Securities owned by such Holder or Holders may recommence in accordance with the terms hereof and applicable law.

Section 2.5 Rule 144.

(a) With a view to making available the benefits of Rule 144 to the Holders, the Company agrees that, for so long as a Holder owns Registrable Securities, the Company will use its reasonable best efforts to:

(i) make and keep public information available, as those terms are understood and defined in Rule 144, at all times after the date of this Agreement;

(ii) file with the SEC in a timely manner all reports and other documents required of the Company to be filed under the Securities Act and the Exchange Act;

(iii) so long as a Holder owns any Restricted Securities, furnish to the Holder upon written request a written statement by the Company as to its compliance with the reporting requirements of the Exchange Act; and

(iv) take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 or any similar rule or regulation hereafter adopted by the SEC.

(b) For as long as a Holder owns Registrable Securities issued or issuable upon conversion thereof, the Company will use reasonable best efforts to take such further necessary action as any holder of Registrable Securities may reasonably request in connection with the removal of any restrictive legend on the Registrable Securities being sold, all to the extent required from time to time to enable such Holder to sell the Restricted Securities to the public without registration under the Securities Act within the limitations of the exemption provided by Rule 144.

Section 2.6 Purchasers Holdback Agreement. If during the Effectiveness Period, the Company shall file a registration statement (other than in connection with the registration of securities issuable pursuant to an employee stock option, stock purchase or similar plan or pursuant to a merger, exchange offer or a transaction of the type specified in Rule 145(a) under the Securities Act) with respect to an underwritten public offering of Common Stock or securities convertible into, or exchangeable or exercisable for, such securities or otherwise informs the Purchasers that it intends to conduct such an offering utilizing an effective registration statement and provides each Holder the opportunity to participate in such offering in accordance with and to the extent required by Section 1.7, each Holder shall for so long as such Holder together with its respective Affiliates beneficially owns, on an as converted basis (as defined in the Certificate of Designations) greater than 5% of the then outstanding Common Stock or has a right to nominate a director to the

Company Board (as defined in the Purchase Agreements), if requested by the managing underwriter or underwriters, enter into a customary “lock-up” agreement relating to the sale, offering or distribution of Registrable Securities, in the form reasonably requested by the managing underwriter or underwriters, covering the period commencing on the date of the prospectus pursuant to which such offering may be made and continuing until the earlier of 90 days from the date of such prospectus and the date on which the Company’s “lock-up” agreement with the underwriters in connection with the offering expires; provided that nothing herein will prevent (i) any Holder that is a partnership or corporation from making a transfer to an Affiliate that is otherwise in compliance with applicable securities laws, (ii) any pledge of Registrable Securities by a Holder in connection with a Permitted Loan (as defined in the Stockholders Agreement) or (iii) any foreclosure in connection with a Permitted Loan (as defined in the Stockholders Agreement) or transfer in lieu of a foreclosure thereunder, in each case that is otherwise in compliance with applicable securities laws. Notwithstanding the foregoing, any discretionary waiver or termination of this holdback provision by such underwriters with respect to any of the Holders shall apply to the other Holders as well, pro rata based upon the number of Registrable Securities subject to such obligations.

ARTICLE III

INDEMNIFICATION

Section 3.1 Indemnification by Company. To the extent permitted by applicable law, the Company will, with respect to any Registrable Securities covered by a registration statement or prospectus, or as to which registration, qualification or compliance under applicable “blue sky” laws has been effected pursuant to this Agreement, indemnify and hold harmless each Holder, each Holder’s current and former officers, directors, partners, members, managers, shareholders, accountants, attorneys, agents and employees, and each Person controlling such Holder within the meaning of Section 15 of the Securities Act and such Holder’s current and former officers, directors, partners, members, managers, shareholders, accountants, attorneys, agents and employees, and each underwriter thereof, if any, and each Person who controls any such underwriter within the meaning of Section 15 of the Securities Act (collectively, the “**Company Indemnified Parties**”), from and against any and all expenses, claims, losses, damages, costs (including costs of preparation and reasonable and documented attorney’s fees and any legal or other documented fees or expenses actually incurred by such party in connection with any investigation or proceeding), judgments, fines, penalties, charges, amounts paid in settlement and other liabilities, joint or several, (or actions in respect thereof) (collectively, “**Losses**”) to the extent arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus, preliminary prospectus, offering circular, “issuer free writing prospectus” (as such term is defined in Rule 433 under the Securities Act) or other document, in each case related to such registration statement, or any amendment or supplement thereto, or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, or any violation by the Company of the Securities Act, the Exchange Act, any state securities law or any rules or regulations thereunder applicable to the Company in connection with any registration or offering hereunder and (without limiting the preceding portions of this Section 3.1), the Company will reimburse each of the Company Indemnified Parties for any reasonable and documented out-of-pocket legal expenses

and any other reasonable and documented out-of-pocket expenses actually incurred in connection with investigating, defending or, subject to the last sentence of this [Section 3.1](#), settling any such Losses or action, as such expenses are incurred; *provided* that the Company's indemnification obligations shall not apply to amounts paid in settlement of any Losses or action if such settlement is effected without the prior written consent of the Company (which consent shall not be unreasonably withheld or delayed), nor shall the Company be liable to a Holder in any such case for any such Losses or action to the extent that it arises out of or is based upon a violation or alleged violation of any state or federal law (including any claim arising out of or based on any untrue statement or alleged untrue statement or omission or alleged omission in the registration statement or prospectus) which occurs in reliance upon and in conformity with written information regarding such Holder furnished to the Company by such Holder or its authorized representatives expressly for use in connection with such registration by or on behalf of any Holder.

[Section 3.2 Indemnification by Holders](#). To the extent permitted by applicable law, each Holder will, if Registrable Securities held by such Holder are included in the securities as to which registration or qualification or compliance under applicable "blue sky" laws is being effected, indemnify, severally and not jointly with any other Holders, the Company, each of its representatives and Affiliates and each underwriter thereof, and each Person who controls the Company or such underwriter within the meaning of Section 15 of the Securities Act (collectively, the "**Holder Indemnified Parties**"), against all Losses (or actions in respect thereof) to the extent arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus, preliminary prospectus, offering circular, "issuer free writing prospectus" or other document, in each case related to such registration statement, or any amendment or supplement thereto, or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, or and will reimburse each of the Holder Indemnified Parties for any reasonable and documented out-of-pocket legal expenses and any other reasonable and documented out-of-pocket expenses actually incurred in connection with investigating, defending or, subject to the last sentence of this [Section 3.2](#), settling any such Losses or action, as such expenses are incurred, in each case to the extent, but only to the extent, that such untrue statement (or alleged untrue statement) or omission (or alleged omission) is made in such registration statement, prospectus, offering circular, "issuer free writing prospectus" or other document in reliance upon and in conformity with written information regarding such Holder furnished to the Company by such Holder or its authorized representatives and stated to be specifically for use therein; *provided, however*, that in no event shall any indemnity under this [Section 3.2](#) payable by any of the Purchasers and any Holder exceed an amount equal to the net proceeds (after deducting Selling Expenses) actually received by such Holder in respect of the Registrable Securities sold pursuant to the registration statement. The indemnity agreement contained in this [Section 3.2](#) shall not apply to amounts paid in settlement of any loss, claim, damage, liability or action if such settlement is effected without the prior written consent of the applicable Holder (which consent shall not be unreasonably withheld or delayed).

Section 3.3 Notification. If any Person shall be entitled to indemnification under this Article III (each, an “**Indemnified Party**”), such Indemnified Party shall give prompt notice to the party required to provide indemnification (each, an “**Indemnifying Party**”) of any claim or of the commencement of any proceeding as to which indemnity is sought. The Indemnifying Party shall have the right, exercisable by giving written notice to the Indemnified Party as promptly as reasonably practicable after the receipt of written notice from such Indemnified Party of such claim or proceeding, to, unless in the Indemnified Party’s reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist in respect of such claim, assume, at the Indemnifying Party’s expense, the defense of any such claim or litigation, with counsel reasonably satisfactory to the Indemnified Party and, after notice from the Indemnifying Party to such Indemnified Party of its election to assume the defense thereof, the Indemnifying Party will not (so long as it shall continue to have the right to defend, contest, litigate and settle the matter in question in accordance with this paragraph) be liable to such Indemnified Party hereunder for any legal expenses and other expenses subsequently incurred by such Indemnified Party in connection with the defense thereof; *provided, however*, that an Indemnified Party shall have the right to employ separate counsel in any such claim or litigation, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless the Indemnifying Party (i) agrees to pay such fees and expenses or (ii) shall have failed within a reasonable period of time to assume, or in the event of a conflict of interest cannot assume, such defense or shall have failed to employ counsel reasonably satisfactory to such Indemnified Party. The failure of any Indemnified Party to give notice as provided herein shall relieve an Indemnifying Party of its obligations under this Article III only to the extent that the failure to give such notice is materially prejudicial or harmful to such Indemnifying Party’s ability to defend such action. No Indemnifying Party, in the defense of any such claim or litigation, shall, except with the prior written consent of each Indemnified Party (which consent shall not be unreasonably withheld or delayed), consent to entry of any judgment or enter into any settlement which does not (x) include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release, in form and substance reasonably satisfactory to the Indemnified Party, from all liability in respect to such claim or litigation or (y) involve the imposition of equitable remedies or the imposition of any obligations on the Indemnified Party or adversely affects such Indemnified Party other than as a result of financial obligations for which such Indemnified Party would be entitled to indemnification hereunder. The indemnity agreements contained in this Article III shall not apply to amounts paid in settlement of any claim, loss, damage, liability or action if such settlement is effected without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed. The indemnification set forth in this Article III shall be in addition to any other indemnification rights or agreements that an Indemnified Party may have. An Indemnifying Party who is not entitled to, or elects not to, assume the defense of a claim will not be obligated to pay the fees and expenses of more than one counsel (together with one local counsel, if appropriate) for all parties indemnified by such Indemnifying Party with respect to such claim, unless in the reasonable judgment of any Indemnified Party a conflict of interest may exist between such Indemnified Party and any other Indemnified Parties with respect to such claim.

Section 3.4 Contribution. If the indemnification provided for in this Article III is held by a court of competent jurisdiction to be unavailable to an Indemnified Party, other than pursuant to its terms, with respect to any Losses or action referred to therein, then, subject to the limitations contained in this Article III, the Indemnifying Party, in lieu of indemnifying such Indemnified Party hereunder, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses or action in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party, on the one hand, and the Indemnified Party, on the other, in connection with the actions, statements or omissions that resulted in such Losses or action, as well as any other relevant equitable considerations. The relative fault of the Indemnifying Party, on the one hand, and the Indemnified Party, on the other hand, shall be determined by reference to, among other

things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been made (or omitted) by, or relates to information supplied by such Indemnifying Party or such Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent any such action, statement or omission. The Company and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 3.4 was determined solely upon *pro rata* allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding sentence of this Section 3.4. Notwithstanding the foregoing, the amount any Purchaser or any Holder will be obligated to contribute pursuant to this Section 3.4 will be limited to an amount equal to the net proceeds received by such Purchaser or Holder in respect of the Registrable Securities sold pursuant to the registration statement which gives rise to such obligation to contribute. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

ARTICLE IV

TRANSFER AND TERMINATION OF REGISTRATION RIGHTS

Section 4.1 Transfer of Registration Rights. Any rights to cause the Company to register securities granted to a Holder under this Agreement may be transferred or assigned to any Person in connection with a Transfer (as defined in the Stockholders Agreement) of Series B Preferred Stock or Common Stock, as applicable, (i) permitted under Section 3.1(d) of the Stockholders Agreement or (ii) permitted under Section 3.1(a) of the Stockholders Agreement and, in the case of this clause (ii), representing 5% or more of the outstanding Common Stock on an as-converted basis; *provided, however*, that (x) prior written notice of such assignment of rights is given to the Company and (y) such transferee agrees in writing to be bound by, and subject to, this Agreement as a "Holder" pursuant to a written instrument in form and substance reasonably acceptable to the Company.

Section 4.2 Termination of Registration Rights. The rights of any particular Holder to cause the Company to register securities under Article I shall terminate with respect to such Holder upon the date upon which such Holder no longer holds any Registrable Securities.

ARTICLE V

MISCELLANEOUS

Section 5.1 Amendments and Waivers. Subject to applicable law and subject to the other provisions of this Agreement, this Agreement may be amended by the parties hereto at any time by execution of an instrument in writing signed on behalf of each of the Purchasers and the Company.

Section 5.2 Extension of Time, Waiver. The parties hereto may, to the extent legally allowed and except as otherwise set forth herein: (a) extend the time for the performance of any of the obligations or other acts of the other parties, as applicable; and (b) subject to the requirements of applicable law, waive compliance with any of the agreements or conditions for the benefit of such party contained herein. Any agreement on the part of a party hereto to any such extension or waiver will be valid only if set forth in an instrument in writing signed by such party; *provided* that any Purchaser may execute such waivers on behalf of any Holder. Any failure or delay in exercising any right, power or privilege pursuant to this Agreement will not constitute a waiver of such right, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

Section 5.3 Assignment. Except as provided in Section 4.1, neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned, in whole or in part, by operation of law or otherwise, by any of the parties hereto without the prior written consent of the other parties hereto; *provided, further*, that if the Company consolidates or merges with or into any Person and the Common Stock or any other Registrable Securities are, in whole or in part, converted into or exchanged for securities of a different issuer, and any Holder would, upon completion of such merger or consolidation, hold Registrable Securities of such issuer, then as a condition to such transaction the Company will cause such issuer to assume all of the Company's rights and obligations under this Agreement in a written instrument delivered to the Holders.

Section 5.4 Counterparts. This Agreement and any amendments hereto may be executed in one or more counterparts, all of which will be considered one and the same agreement and will become effective when one or more counterparts have been signed by each of the parties hereto and delivered to the other parties hereto, it being understood that all parties need not sign the same counterpart. Any such counterpart, to the extent delivered by fax or .pdf, .tif, .gif, .jpg or similar attachment to electronic mail (any such delivery, an "**Electronic Delivery**"), will be treated in all manner and respects as an original executed counterpart and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party may raise the use of an Electronic Delivery to deliver a signature, or the fact that any signature or agreement or instrument was transmitted or communicated through the use of an Electronic Delivery, as a defense to the formation of a contract, and each party forever waives any such defense, except to the extent such defense relates to lack of authenticity.

Section 5.5 Entire Agreement; No Third Party Beneficiary. This Agreement and the documents and instruments and other agreements among the parties hereto as contemplated by or referred to herein, including the Purchase Agreements and the Stockholders Agreement, constitute the entire agreement among the parties hereto with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, among the parties hereto with respect to the subject matter hereof. This Agreement is not intended to and shall not confer any rights or remedies upon any person other than the parties hereto, their respective successors and permitted assigns and any Indemnified Party hereunder.

Section 5.6 Governing Law; Jurisdiction.

(a) This Agreement and all actions, proceedings or counterclaims (whether based on contract, tort or otherwise) arising out of or relating to this Agreement or the actions of the Purchasers or the Company in the negotiation, administration, performance and enforcement thereof, shall be governed by, and construed in accordance with the laws of the State of Delaware, including its statute of limitations, without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(b) Each of the parties hereto: (i) irrevocably consents to the service of the summons and complaint and any other process (whether inside or outside the territorial jurisdiction of the Chosen Courts) in any Legal Proceeding arising out of or relating to this Agreement, in accordance with Section 5.9 or in such other manner as may be permitted by applicable law, and nothing in this Section 5.6(b) will affect the right of any party hereto to serve legal process in any other manner permitted by applicable law; (ii) irrevocably and unconditionally consents and submits itself and its properties and assets in any Legal Proceeding to the exclusive general jurisdiction of the Court of Chancery of the State of Delaware and any state appellate court therefrom within the State of Delaware (or, solely if the Court of Chancery of the State of Delaware declines to accept jurisdiction over a particular matter, any other state or federal court within the State of Delaware) (the “**Chosen Courts**”) in the event of any dispute or controversy relating to or arising out of this Agreement; (iii) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court; (iv) agrees that any Legal Proceeding relating to or arising out of this Agreement will be brought, tried and determined only in the Chosen Courts; (v) waives any objection that it may now or hereafter have to the venue of any such Legal Proceeding in the Chosen Courts or that such Legal Proceeding was brought in an inconvenient court and agrees not to plead or claim the same; and (vi) agrees that it will not bring any Legal Proceeding relating to or arising out of this Agreement in any court other than the Chosen Courts unless the Chosen Courts issue a final judgment determining that such court lacks jurisdiction. Each Purchaser and the Company agrees that a final judgment and any interim relief (whether equitable or otherwise) in any Legal Proceeding in the Chosen Courts will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law.

Section 5.7 Specific Enforcement. The parties acknowledge and agree that (a) the parties shall be entitled to an injunction or injunctions, specific performance or other equitable relief to enforce specifically the terms and provisions hereof in the courts described in Section 5.6 without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement and (b) the right of specific enforcement is an integral part of this Agreement and without that right, neither the Company nor the Purchasers would have entered into this Agreement. The Company shall not enter into any agreement with respect to its securities (a) that is inconsistent with or violates the rights granted to the Holders by this Agreement, (b) that would allow any holder or prospective holder of any securities of the Company to include such securities in any Underwritten Offering or registration giving rights to the rights under Section 1.8 unless, under the terms of such agreement, such holder or prospective holder may include such securities in any such registration only to the extent that their inclusion would not reduce the amount of the Registrable Securities of the Holders included therein or (c) on terms otherwise more favorable than this Agreement.

The Company is entitled to identify such individual(s) as Charter Director(s), Qurate Director(s) or Cerberus Director(s), as applicable, pursuant to this Agreement. The Company shall support each Charter Director, Qurate Director, and Cerberus Director for election in a manner no less rigorous and favorable than the manner in which the Company supports the other nominees.

(n) Notwithstanding anything to the contrary provided elsewhere herein, promptly after a Stockholder is no longer entitled to designate or nominate for election a Person or Persons to the Board pursuant to the terms of this Section 2.1, such Stockholder shall cause the applicable number of its Directors to resign from the Board (it being understood that such individual's form of resignation letter that is required to be executed by such individual and held by the Company Secretary as a condition of membership on the Board shall be automatically effective upon the applicable Stockholder's determination, which shall be communicated promptly to the Company Secretary thereupon).

(o) For so long as a Stockholder beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock on an as-converted basis, each Stockholder agrees to vote, or provide a written consent or proxy with respect to, its Voting Stock, and to cause such Stockholder's Permitted Transferees that become a party to this Agreement to vote, or provide a written consent or proxy with respect to, their Voting Stock, in each case in a neutral manner, in the election of any directors

nominated by the Board, other than pursuant to any Stockholder's right to designate such Director pursuant to the terms of this Agreement. A "**neutral manner**" means in the same proportion as all other outstanding Common Stock of the Company (excluding any and all shares of Common Stock beneficially owned, directly or indirectly, by the Stockholders and their respective Permitted Transferees that become parties to this Agreement) voted on the relevant matters. For so long as this Section 2.1(o) applies to a Stockholder or its Permitted Transferee, each such Stockholder and Permitted Transferee shall be deemed to irrevocably appoint as its proxy and attorney-in-fact, the Chief Executive Officer, the Chief Financial Officer and the General Counsel of the Company, each of them individually, with full power of substitution and resubstitution, to consent to or vote any shares of Voting Stock held by them in accordance with this Section 2.1(o). Each Stockholder and Permitted Transferee intends this proxy to be irrevocable and unconditional and coupled with an interest and will take such further action or execute such other instruments as may be reasonably necessary to effect the intent of this proxy, and hereby revokes any proxy previously granted with respect hereto.

(p) To the extent any Charter Director, Qurate Director or Cerberus Director is subject to a code of conduct by virtue of their service as a member of the Board, no such code of conduct shall (i) restrict any transfer of securities by the Stockholder designating such Director or its Affiliates (other than with respect to the Charter Director, Qurate Director or Cerberus Director, solely in his or her individual capacity) except as provided herein or as required by applicable law, (ii) impose confidentiality obligations on any such Director that would limit the ability of such Director to share information with the Stockholder designating such Director, (iii) impose any share ownership requirements for such Director or (iv) impose any additional obligations on the Stockholder designating such Director that would, in the case of clauses (i), (ii) and (iv), contravene or limit the rights of any Stockholder under this Agreement, the Certificate of Designations, the Purchase Agreements or any other document or agreement contemplated hereby or thereby, except as required by applicable laws, stock exchange regulations, background check policies or the Settlement with respect to restrictions on overboarding and requirements for interviews and a related party transactions policy and hedging and pledging policy. Notwithstanding anything in this Section 2.1(p) or Section 2.2 to the contrary, any equity securities or other equity-based compensation to which any Charter Director, Qurate Director or Cerberus Director is entitled in such Director's capacity as a director of the Company shall be (from issuance) Transferred by such Director to the Stockholder designating such Director or any Affiliate of such Stockholder, and the Company shall take all actions necessary to permit such Transfer.

(q) If there is any event, transaction or circumstance that may result in any Stockholder, its Affiliates and/or the Director designated by such Stockholder being deemed to have made a disposition or acquisition of equity securities of the Company or derivatives thereof, to or from the Company, respectively, for purposes of Section 16 of the Exchange Act, and if such Director is serving on the Board at such time or has served on the Board at any time during the six (6) months preceding such event, transaction or circumstance, then (i) the Board or a committee thereof composed solely of two or more "non-employee directors" as defined in Rule 16b-3 of the Exchange Act will pre-approve such disposition or acquisition of equity securities of the Company or derivatives thereof, to or from the Company, respectively, for the express purpose of exempting the interests of such Stockholder, its Affiliates and the Director designated by such Stockholder (for the Stockholder and/or its Affiliates, to the extent such persons may be deemed to be "directors by deputation") in such transaction from Section 16(b) of the Exchange Act pursuant to Rule 16b-3 thereunder or (ii) if the transaction involves (A) a merger or consolidation to which the Company is a party and the Capital Stock is, in whole or in part, converted into or exchanged for equity securities of a different issuer, (B) a potential acquisition or deemed acquisition, or disposition or deemed disposition, by a Stockholder, its Affiliates, and/or the Director designated by such Stockholder of equity securities of such other issuer or derivatives thereof and (C) an Affiliate or other designee of such

Stockholder or its Affiliates will serve on the board of directors (or its equivalent) of such other issuer pursuant to the terms of an agreement to which the Company is a party (or if the Stockholder notifies the Company of such service a reasonable time in advance of the closing of such transactions), the Company shall require that such other issuer preapprove any such acquisitions of equity securities or derivatives thereof for the express purpose of exempting the interests of such Stockholder, its Affiliates and the Director designated by such Stockholder (for the Stockholder and/or its Affiliates, to the extent such persons may be deemed to be “directors by deputization” of such other issuer) in such transactions from Section 16(b) of the Exchange Act pursuant to Rule 16b-3 thereunder.

Section 2.2 Director Compensation; Indemnification.

(a) Each of the Charter Directors, the Qurate Directors and the Cerberus Directors shall be entitled to receive the same amount and type of compensation that the other non-employee directors receive in consideration for their service on the Board and any committees thereof.

(b) The Company shall indemnify the Directors and provide such Directors with director and officer insurance to the same extent as it indemnifies and provides such insurance to other members of the Board, pursuant to the Certificate of Incorporation, the DGCL or otherwise. The Company acknowledges and agrees that it (i) is the indemnitor of first resort (i.e., its obligations to the Directors are primary and any obligation of the Stockholder or its Affiliates to advance expenses or to provide indemnification for the same expenses or liabilities incurred by Directors designated by such Stockholder are secondary) and (ii) shall be required to advance the amount of expenses incurred by Directors and shall be liable for the amount of all expenses and liabilities incurred by a Director, in each case to the same extent as it advances expenses and is liable for expenses and liabilities incurred by the other members of the Board, pursuant to the Certificate of Incorporation, the DGCL or otherwise, without regard to any rights that a Director may have against any Stockholder or its Affiliates.

(c) Each Stockholder and the Company hereby agree, notwithstanding anything to the contrary in any other agreement or at law or in equity, that, to the maximum extent permitted by law, when such Stockholder or any of its Permitted Transferees takes any action under this Agreement to give or withhold their consent, such Persons shall have no duty (fiduciary or other) to consider the interests of the Company or the other stockholders of the Company and may act exclusively in their own interest; *provided, however*, that the foregoing shall in no way affect the obligations of the parties hereto to comply with the provisions of this Agreement.

Section 2.3 Observers.

(a) For so long as a Stockholder beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock (on an as-converted basis), such Stockholder shall be entitled to appoint one individual to attend and observe meetings of the Board or any committee thereof in a non-voting capacity (such individuals, “**Observers**”). The Observers will be permitted (i) to attend and participate at each meeting of the Board or any committee of which the Stockholder’s Director is a member, and (ii) to receive notice of each meeting of the Board and such committee, each written consent in lieu of a meeting and copies of any materials delivered to the Directors in connection therewith at the same time and in the same manner that such notice and such materials are provided to the Directors. Under no circumstances shall any Observers be counted for purposes of voting, quorum or any other reason or be considered a Director. Each Observer shall agree to maintain the confidentiality of all non-public information and proceedings of the Board pursuant to the terms and conditions of a confidentiality agreement in the form attached hereto as Exhibit A. Notwithstanding any rights to be granted or provided to the Observers hereunder, the Company may exclude an Observer from access to any Board or committee materials or information or meeting or portion thereof or written consent if the Board or applicable

committee determines, in good faith, that including such Observer in discussions relating to such determination (but not requiring the affirmative vote of such Observer) and/or that such access would reasonably be expected to (i) adversely affect the attorney-client privilege between the Company, the Board or any committee thereof and such Person's counsel, (ii) result in a conflict of interest with the Company (other than a conflict of interest with respect to the relevant Stockholder's ownership interest in the Company or rights under the documents entered into in connection with the Transactions) or (iii) cause the Board (or such committee) to breach its fiduciary duties; *provided*, that such exclusion shall be limited to the portion of the Board or committee material or information and/or meeting or written consent that is the basis for such exclusion and shall not extend to any portion of the Board or committee material or information and/or meeting or written consent that does not involve or pertain to such exclusion; *provided* that the Board shall treat all similarly situated Observers equally such that no Observer shall be excluded unless all other Observers whose participation in such meeting of the Board, or portions thereof, or receipt of such information, or portions thereof, would result in a similar concern are also excluded. The decision of the Board (or such committee) shall be final and binding on the parties hereto, and each Stockholder hereby waives any objection to such decision and agrees to cause its applicable Observer to not interpose any objection to any such decision. The Observers will not be entitled to compensation from the Company.

(b) Any Observer appointed by the Charter Stockholder may be removed (with or without cause) from time to time and at any time by the Charter Stockholder upon notice to the Company, any Observer appointed by the Qurate Stockholder may be removed (with or without cause) from time to time and at any time by the Qurate Stockholder upon notice to the Company, and any Observer appointed by the Cerberus Stockholder may be removed (with or without cause) from time to time and at any time by the Cerberus Stockholder upon notice to the Company.

Section 2.4 Voting. For so long as a Stockholder beneficially owns Voting Stock representing at least 5% of the outstanding shares of Common Stock on an as-converted basis, such Stockholder covenants to the Company that it shall (a) vote, or provide a written consent or proxy with respect to, its Voting Stock in favor of each Director that the Company is required to nominate in accordance with Section 2.1 at each annual or special meeting of shareholders at which Directors are to be elected and (b) cause its Director(s) to vote for Director appointments required by this Agreement. Each Stockholder and Permitted Transferee shall be present, in person or by proxy, at all meetings of the stockholders of the Company so that all shares of Preferred Stock or Common Stock beneficially owned by the such Persons may be counted for the purposes of determining the presence of a quorum and voted in accordance with this Agreement at such meetings (including at any adjournments or postponements thereof).

Section 2.6 Restriction on Other Agreements. The Stockholders shall not, directly or indirectly, grant any proxy or enter into or agree to be bound by any voting trust, agreement or arrangement of any kind with respect to their shares of Voting Stock if and to the extent the terms thereof conflict with the provisions of this Agreement (whether or not such proxy, voting trust, agreement or agreements are with other holders of shares of Common Stock or Preferred Stock that are not parties to this Agreement or otherwise).

ARTICLE III OWNERSHIP AND TRANSFER OF STOCK

Section 3.1 Restrictions on Transfer.

(a) Subject to the exceptions set forth below, each Stockholder agrees not to, without the prior written consent of the Board (excluding any Directors designated by the Stockholder seeking a Transfer), directly or indirectly, (i) transfer, sell, hypothecate, pledge, grant any option to purchase or otherwise dispose of any shares of Preferred Stock held by such Stockholder, including any shares of Common Stock

issued or issuable upon conversion of such shares of Preferred Stock (“**Lock-Up Shares**”), (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any of, or Hedge, such Lock-Up Shares, whether any such transaction is to be settled by delivery of such securities, in cash or otherwise or (iii) publicly announce any intention to effect any transaction specified in clause (i) or (ii) (the actions specified collectively in clauses (i) – (ii), other than any entry into a cash-settled Hedge, a “**Transfer**”), in each case, for one (1) year after the Closing Date. Thereafter, until the two (2) year anniversary of the Closing Date, subject to the exceptions set forth below, each Stockholder agrees (without the prior written consent of the Board, excluding any Directors designated by the Stockholder seeking a Transfer or cash-settled Hedge) not to Transfer or enter into a cash-settled Hedge with respect to more than 50% of such Stockholder’s Initial Preferred Stock Ownership, including any shares of Common Stock issued or issuable upon conversion of such Preferred Stock; *provided* that in connection with any such Transfer permitted until the two (2) year anniversary of the Closing Date or any Transfer after such date, such Stockholder shall not Transfer any shares of Preferred Stock held by such Stockholder, including any shares of Common Stock issued or issuable upon conversion of such shares of Preferred Stock, to an Activist Investor, to a Competitor or to a Restricted Person, in each case, to the extent that the identity of the transaction counterparty can be reasonably ascertained and such Person meets the applicable definition thereof to such Stockholder’s knowledge after reasonable inquiry (excluding (x) any block trade in which a broker-dealer will attempt to sell the shares to a third-party as agent or other similar transactions with a financial intermediary, (y) any Transfers into the public market pursuant to a bona fide, broadly distributed underwritten public offering or (z) Transfers through a bona fide sale to the public, which is not directed at a particular transferee, without registration effectuated pursuant to Rule 144 under the Securities Act (such transactions in clauses (x) through (z), a “**Marketed Transfer**”)); *provided* that the provisions of the foregoing clause shall not apply in connection with a Transfer of shares of Preferred Stock or Common Stock issued upon conversion of the Preferred Stock in connection with any foreclosure or exercise of remedies under a Permitted Loan in which case only the Foreclosure Limitations shall be applicable. If the Board consents to a Transfer by one Stockholder pursuant to this [Section 3.1\(a\)](#), it shall treat requests for Transfers by other Stockholders in an equivalent manner such that it shall not unreasonably withhold its consent to any substantially similar Transfer by any such other Stockholder.

(b) Any attempt to Transfer in violation of the terms of this Agreement shall be null and void *ab initio* and no right, title or interest therein or thereto shall be transferred to the purported transferee. The Company will not give, and will not permit the Company’s transfer agent to give, any effect to such attempted Transfer on its records.

(c) Subject to [Section 6.16](#), each certificate and/or book-entry interest representing shares of Preferred Stock or Common Stock issuable upon conversion of shares of Preferred Stock held by any Stockholder (or its Permitted Transferees) will bear a legend in substantially the following form:

“The securities represented by this certificate have not been registered under the United States Securities Act of 1933, as amended (the “Act”), or applicable state securities laws and may not be transferred, sold or otherwise disposed of except while a registration statement relating thereto is in effect under the Act and applicable state securities laws or pursuant to an exemption from registration under such or act or such laws. The securities represented by this certificate are subject to transfer restrictions set forth in the Stockholders Agreement, dated as of [], 2021 as it may be amended from time to time by and among comScore, Inc. (the “Company”), Charter Communications Holding Company, LLC, Qurate Retail, Inc., and Pine Investor, LLC (the “Stockholders Agreement”). The Stockholders Agreement contains, among other things, restrictions on the Transfer of the securities of the Company and other restrictions on the actions by certain stockholders of the Company relating to the Company and/or its securities. A copy of the Stockholders Agreement is available upon request from the Company.”

- (d) Notwithstanding anything to the contrary herein, the restrictions set forth in Section 3.1(a) shall not apply to the following:
- (i) Transfers to any Affiliate of such Stockholder, including an affiliated investment fund, co-investment vehicle or aggregator vehicle (or equivalent) controlled, managed or advised by such Stockholder or an Affiliate of such Stockholder;
 - (ii) Transfers by virtue of laws of the state of the entity's organization and the entity's organizational documents upon dissolution of the entity (any transferees pursuant to clauses (i) and (ii), "**Permitted Transferees**");
 - (iii) Transfers in connection with a change of control of a Stockholder;
 - (iv) Transfer or issuances of any limited partnership interests or other equity interests in a Stockholder (or any direct or indirect parent entity of such Stockholder, including any affiliated investment fund, co-investment vehicle or aggregator (or equivalent)) (provided that any transferor or transferee thereof shall be controlled (directly or indirectly) by the Person (directly or indirectly) controlling such Person immediately prior to such transfer);
 - (v) Transfers to the Company, subject to Section 4.1(e);
 - (vi) Transfers in the event of a liquidation, merger, consolidation, stock exchange, business combination, tender offer or other similar transaction which results in all holders of the Company's Voting Stock having the right to exchange their Voting Stock for cash, securities or other property (including, for the avoidance of doubt, any tender offer or exchange offer that is for less than all of the outstanding shares of Common Stock of the Company);
 - (vii) Transfers after commencement by the Company or a significant subsidiary (as such term is defined in Rule 12b-2 under the Exchange Act) of the Company (other than Rentrak, LLC, formerly Rentrak Corporation) of bankruptcy, insolvency or other similar proceedings;
 - (viii) Transfers in connection with a Permitted Loan (and any foreclosure by such financial institution or Transfer to such financial institution in lieu of foreclosure and subsequent sale of the securities), as long as such financial institution agrees with the relevant Stockholder (with the Company as an express third party beneficiary of such agreement) that following such foreclosure or in connection with such Transfer it shall not directly or indirectly Transfer (other than pursuant to a broadly distributed offering or a sale effected through a broker-dealer) such foreclosed or Transferred, as the case may be, Lock-Up Shares to a Competitor, Activist Investor or Restricted Person without the Company's consent (such agreement by the relevant financial institution, the "**Foreclosure Limitations**") (it being understood that a list of Competitors, Activist Investors and Restricted Persons shall be set forth in any issuer agreement entered into at the time of the Permitted Loan or as otherwise agreed between the Company, the relevant Stockholder and/or the relevant financial institution(s), as the case may be). Subject to the Foreclosure Limitations, nothing contained in this Agreement shall prohibit or otherwise restrict the ability of any lender (or its securities' affiliate) or collateral agent to foreclose upon, or accept a Transfer in lieu of foreclosure, and sell, dispose of or otherwise Transfer the Preferred Stock and/or shares of Common Stock issued upon conversion of Preferred Stock (including shares of Common Stock received upon conversion or redemption of the Preferred Stock following foreclosure or Transfer in lieu of foreclosure on a Permitted Loan) mortgaged, hypothecated and/or pledged to secure the obligations of the borrower following an event of default under a Permitted Loan. Subject to the preceding provisions of this clause (viii), in the event that any lender or other creditor under a Permitted Loan transaction (including any agent or trustee on their behalf) or any Affiliate of the foregoing exercises any rights or remedies in respect of the Preferred Stock or the shares of Common Stock issuable or issued upon conversion of the Preferred Stock or any other

collateral for any Permitted Loan, no lender, creditor, agent or trustee on their behalf or Affiliate of any of the foregoing (other than, for the avoidance of doubt, a Stockholder or its Affiliates) shall be entitled to any rights or have any obligations or be subject to any Transfer restrictions or limitations hereunder except and to the extent for those expressly provided for in this Agreement; or

(ix) a Distribution Transaction.

provided that, in the case of clauses (i) and (ii), the Permitted Transferees (if not already a party hereto) must agree in writing to be bound by this Agreement (in a customary form and substance reasonably satisfactory to the Company).

Section 3.2 Standstill. Each Stockholder agrees that, until such time that such Stockholder beneficially owns Voting Stock representing less than 5% of the outstanding shares of Common Stock (on an as-converted basis), none of it or its Affiliates will, directly or indirectly, do any of the following unless requested or approved in advance in writing by the Company:

(a) for a period of twelve months following the Closing Date, acquire, directly or indirectly, by purchase or otherwise, any securities or direct or indirect rights or options to acquire any shares of Preferred Stock or Common Stock (including any derivative securities or contracts or instruments in any way related thereto) of the Company from any other Stockholder or any of its Affiliates; *provided* that the foregoing restriction in this Section 3.2(a) shall not apply to any acquisition pursuant to any Stockholder's exercise of the Right of First Refusal in connection with a Transfer that is permitted by Section 3.1;

(b) acquire, directly or indirectly, by purchase or otherwise, any securities or direct or indirect rights or options to acquire any shares of Preferred Stock or Common Stock (including any derivative securities or contracts or instruments in any way related thereto) of the Company such that after such acquisition the Stockholder and its Affiliates would beneficially own 45% or more of the outstanding shares of Common Stock (on an as-converted basis); *provided* that the foregoing restriction in this Section 3.2(b) shall not apply to any acquisition (i) pursuant to Section 4.2 (Preemptive Rights) of this Agreement or any Stockholder's exercise of its Right of First Refusal in connection with a Transfer that is permitted by Section 3.1 or (ii) that is the result of operation of Section 10 (Anti-Dilution Adjustments) of the Certificate of Designation;

(c) make, or in any way participate in, directly or indirectly, any "**solicitation**" of "**proxies**" (within the meaning of Rule 14a-1 under the Exchange Act) to vote any Voting Stock of the Company or its subsidiaries, or call or seek to call a meeting of the Company's stockholders or initiate any stockholder proposal for action by the Company's stockholders or seek the removal of any director from the Board of the Company (other than pursuant to Article II of this Agreement);

(d) make any public announcement with respect to, or submit a proposal for, or offer of (with or without conditions) any merger, consolidation, business combination, tender or exchange offer, restructuring, recapitalization or other extraordinary transaction of or involving the Company or any of its subsidiaries or their securities or assets (except (i) any nonpublic proposal to the Board that would not require the Company, such Stockholder or any other Person to make any public announcement or other disclosure with respect thereto or (ii) any public disclosure in any filings by the Stockholder or its Affiliates with the SEC to the extent required by applicable law or stock exchange rules);

(e) form, join or in any way participate in a "**group**" (as defined in Section 13(d)(3) of the Exchange Act) in connection with any Voting Stock of the Company or its subsidiaries, including with any other Stockholder or any of its Affiliates; *provided* that taking any action as required by this Agreement shall not constitute a violation of this Section 3.2(e);

(f) take any action that would reasonably be expected to cause or require of the Company to make a public announcement regarding any actions prohibited by this Section 3.2;

(g) contest the validity or enforceability of this Section 3.2; or

(h) enter into any arrangements, understandings or agreements (whether written or oral) with, or advise, assist or encourage, any other persons to do any of the foregoing;

provided, however, that nothing contained in this Section 3.2 shall limit, restrict or prohibit (i) any confidential, non-public discussions with or communications or proposals to management or the Board by the Stockholder, its Affiliates or Representatives related to any of the foregoing, (ii) a Stockholder's ability to vote, Transfer, convert, exercise its rights under Section 4.2 (Preemptive Rights) or Section 3.3 (Right of First Refusal) or otherwise exercise rights with respect to its Common Stock or Preferred Stock in accordance with the terms and conditions of this Agreement and the Certificate of Designations or (iii) the ability of any Stockholder's Director to vote or otherwise exercise his or her duties or otherwise act in his or her capacity as a member of the Board; *provided, further*, that, for the avoidance of doubt, any shares of Preferred Stock and Common Stock held by a Stockholder or its Permitted Transferee shall be subject to the terms and restrictions set forth in this Agreement and the Certificate of Designations, including the limitations on voting set forth in Section 12 of the Certificate of Designations.

Notwithstanding the foregoing, the restrictions set forth in this Section 3.2 shall not apply if any of the following occurs (*provided*, that, in the event any matter described in clauses (a) or (b) of this paragraph has occurred and resulted in the restrictions imposed under this Section 3.2 ceasing to apply to a Stockholder, then, in the event the transaction related to such matter has not occurred within twelve (12) months of the date on which the Stockholder was released from such restrictions, then so long as such transaction is not being actively pursued at such time, the restrictions set forth in this Section 3.2 shall thereafter resume and continue to apply in accordance with their terms (*provided* that such restrictions shall not resume and continue to apply if such Stockholder has publicly taken any tangible steps with respect to any action or matter that would be prohibited by this Section 3.2 and such Stockholder is at that time continuing to pursue such action or matter, in which case such restrictions shall resume and continue to apply following such time as such Stockholder has ceased to pursue such action or matter)): (a) in the event the Company enters into a definitive agreement for a merger, consolidation or other business combination transaction as a result of which the stockholders of the Company would own (including, but not limited to, beneficial ownership) Voting Stock of the resulting corporation having 50% or less of the votes that may be cast generally in an election of directors if all outstanding Voting Stock were present and voted at a meeting held for such purpose; or (b) in the event that a tender offer or exchange offer for at least 50.1% of the Capital Stock of the Company is commenced by a third person (and not involving any breach, by a Stockholder, of this Section 3.2), which tender offer or exchange offer, if consummated, would result in a Change of Control, and either (1) the directors (excluding any Directors designated by the Stockholders) recommend that the stockholders of the Company tender their shares in response to such offer or do not recommend against the tender offer or exchange offer within ten (10) business days after the commencement thereof or such longer period as shall then be permitted under U.S. federal securities laws or (2) the directors (excluding any Directors designated by the Stockholders) later publicly recommend that the stockholders of the Company tender their shares in response to such offer.

Notwithstanding the foregoing, solely with respect to the Qurate Stockholder, references in this Section 3.2 to Affiliates shall mean Affiliates acting at the direction of or in concert with the Qurate Stockholder or any of its Permitted Transferees and any of the foregoing Persons' respective Subsidiaries.

Section 3.3 Right of First Refusal.

Subject to applicable securities laws and to the terms and conditions specified in this Section 3.3 and the other restrictions set forth in this Agreement, each Stockholder, on behalf of itself and its controlled Affiliates, hereby grants to each other Stockholder a right of first refusal as set forth below (the “**Right of First Refusal**”) to purchase shares of Preferred Stock or Common Stock; *provided*, that, notwithstanding anything herein to the contrary, the Right of First Refusal shall not be granted in respect of Cash-settled Exchangeables and Equity Linked Financings.

(a) From and after the Closing Date, no Stockholder or its controlled Affiliate shall, directly or indirectly through Transferring ownership interest of a controlled Affiliate thereof, Transfer any shares of Preferred Stock or Common Stock to another Person (other than Excluded Transfers and any Marketed Transfers) (each, a “**Subject Transaction**”) except in accordance with the following provisions:

(i) If, at any time, a Stockholder (the “**Transferring Stockholder**”) receives a written offer (including from another Stockholder) for a Subject Transaction that the Transferring Stockholder desires to accept, the Transferring Stockholder shall, within three (3) business days following receipt of such offer, deliver, together with a copy of such offer, a written notice (the “**Transfer Notice**”) to each of the other Stockholders (whether or not a party to the proposed Transfer) (together with each such Stockholder’s Permitted Transferees, a “**Non-Transferring Stockholder**”) stating (A) its bona fide intention to Transfer such shares of Preferred Stock and/or Common Stock pursuant to such Subject Transaction, (B) the identity of all proposed parties to such Subject Transaction, (C) the number of such shares of Preferred Stock or Common Stock to be Transferred pursuant to such Subject Transaction (the “**ROFR Amount**”), and (D) the proposed purchase price, which must be payable in cash, and the terms and conditions of the written offer, upon which the Transferring Stockholder proposes to Transfer such shares of Preferred Stock and/or Common Stock (including the proposed date of the closing of the Subject Transaction, which shall in no event be less than forty-five (45) business days from the date of the Transfer Notice) (clauses (B) through (D), collectively, the “**Minimum Terms**”). The Transfer Notice shall constitute the Transferring Stockholder’s irrevocable, binding offer to Transfer such shares of Preferred Stock or Common Stock to the Non-Transferring Stockholders (as between the Non-Transferring Stockholders, pro rata based on their relative beneficial ownership of the Voting Stock at such time) pursuant to the Minimum Terms.

(ii) Within thirty-five (35) business days after receipt of the Transfer Notice, each of the Non-Transferring Stockholders may elect to purchase any portion or all of its pro rata portion of the ROFR Amount at the price and on the terms and conditions specified in the Transfer Notice. In the event that either of the Non-Transferring Stockholders does not elect to purchase its entire pro rata portion of the ROFR Amount within thirty-five (35) business days after the receipt of the Transfer Notice, the Transferring Stockholder shall notify the other Non-Transferring Stockholder of such election, and such other Non-Transferring Stockholder shall have ten (10) business days after its receipt of such notice to purchase the remaining amount of the ROFR Amount in respect of which such Non-Transferring Stockholder’s rights were not exercised pursuant to this Section 3.3(a). At the end of such ten (10) business day period, if none of the Non-Transferring Stockholders have elected to purchase any of the ROFR Amount or all the Non-Transferring Stockholders, collectively, have not elected to purchase, in the aggregate, the entire ROFR Amount, the Non-Transferring Stockholders will be deemed to have declined to exercise their rights under this Section 3.3(a)(ii) with respect to the balance of the ROFR Amount and the Transferring Stockholder shall have forty-five (45) business days (which forty-five (45) business day period will be extended, if the Transferring Stockholder has entered into a definitive agreement in respect of such Transfer prior to such time and the Transfer is subject to regulatory approval, until four (4) business days after such approval or approvals have been received, but in no event by more than an additional forty-five (45) business days) thereafter to sell the entire ROFR Amount, at a price in cash not lower, and upon

other terms and conditions that are not more favorable to the purchasers thereof in any material respect, than the price and the terms and conditions specified in the Transfer Notice. If the Transferring Stockholder has not consummated the Transfer of all or a portion of ROFR Amount within such forty-five (45) business days (or such extended period contemplated by the preceding sentence), the Transferring Stockholder shall not thereafter engage in a Subject Transaction and Transfer any shares of Preferred Stock or Common Stock without first offering such securities to each of the Non-Transferring Stockholders in the manner provided in this Section 3.3(a).

(b) From and after the Closing Date, no Stockholder or its controlled Affiliate shall, directly or indirectly through Transferring ownership interest of a controlled Affiliate thereof, Transfer any shares of Preferred Stock or Common Stock to another Person through a Marketed Transfer (other than an Excluded Transfer) except in accordance with the following provisions:

(i) If a Stockholder intends to execute a Marketed Transfer with respect to shares of Preferred Stock or Common Stock, at least ten (10) business days prior to the proposed initiation date of the Marketed Transfer, such Stockholder shall provide a written notice to the other Stockholders, which notice shall set forth its good faith estimate of the number of shares of Preferred Stock or Common Stock proposed to be Transferred and the proposed purchase price, which must be payable in cash.

(ii) At least five (5) business days prior to the initiation of the Marketed Transfer, the Stockholder shall provide a written notice (a "**Marketing Notice**") to each of the other Stockholders stating (i) its bona fide intention to Transfer such shares of Preferred Stock and/or Common Stock pursuant to such Marketed Transfer, (ii) the identity of all proposed parties (including any underwriters) to such Marketed Transfer, to the extent known, (iii) the number of such shares of Preferred Stock or Common Stock to be Transferred pursuant to such Marketed Transfer (the "**Marketed Amount**"), and (iv) the proposed purchase price, which must be payable in cash, and the other terms and conditions of the Marketed Transfer (clauses (ii) through (iv), collectively, the "**Marketing Terms**"). The Marketing Notice shall constitute the Transferring Stockholder's irrevocable, binding offer to Transfer such shares of Preferred Stock or Common Stock to the other Stockholders (as between the other Stockholders, pro rata based on their relative beneficial ownership of the Voting Stock at such time) pursuant to the Marketing Terms.

(iii) Within five (5) business days after receipt of the Marketing Notice, each of the other Stockholders may elect to purchase any portion or all of its pro rata portion of the Marketed Amount at the price and on the terms and conditions specified in the Marketing Notice. At the end of such five (5) business day period, if none of the other Stockholders have elected to purchase any of the Marketed Amount or all the Non-Transferring Stockholders, collectively, have not elected to purchase, in the aggregate, the entire ROFR Amount, the other Stockholders will be deemed to have declined to exercise their rights under this Section 3.3(b)(iii) with respect to the balance of the Marketed Amount and the Transferring Stockholder shall have fifteen (15) business days thereafter to sell through a Marketed Transfer all or any portion of the Marketed Amount in respect of which each of the other Stockholders' rights were not exercised pursuant to this Section 3.3(b), at a price in cash not lower than 95% of the price set forth in its Marketing Notice, and upon other terms and conditions that are not more favorable to the purchasers thereof in any material respect than the terms and conditions specified in the Marketing Notice. If the Stockholder initiating the Marketed Transfer has not consummated the Marketed Transfer of such Marketed Amount within such fifteen (15) business days, such Stockholder shall not thereafter Transfer any shares of Preferred Stock through a Marketed Transfer without first offering such securities to each of the other Stockholders in the manner provided in this Section 3.3(b).

(c) The closing of the purchase of any ROFR Amount or Marketed Amount by the Stockholder exercising its Right of First Refusal shall occur ten (10) business days after the date on which such Stockholder shall have elected to purchase such ROFR Amount or Marketed Amount; *provided* that, in the event all required regulatory approvals (including, if required, the expiration or other termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended) have not been received prior to the end of such ten (10) business day period, the closing date shall be extended until two (2) business days after all such required approvals have been received. At the closing, the Stockholder Transferring the ROFR Amount or Marketed Amount shall deliver documents conveying title to such ROFR Amount or Marketed Amount to the purchasing Stockholder(s), free and clear of any liens or encumbrances (except for restrictions arising under any applicable securities laws or this Agreement), and any other instruments or instructions required to effectuate such Transfer and the purchase price shall be paid by wire transfer of immediately available funds, to an account designated by the Stockholder Transferring the ROFR Amount or Marketed Amount at least three (3) business days prior to the closing date.

(d) For the avoidance of doubt, this Section 3.3 may only be enforced, amended or waived by, and shall only inure to the benefit of, the Stockholders and their respective successors and permitted assigns, and the Company shall have no right to enforce, and the consent of the Company is not required to amend or waive, the provisions of this Section 3.3; *provided, however*, that the Stockholders shall provide the Company with prior notice of any such amendment or waiver.

(e) Notwithstanding anything in this Agreement to the contrary that limits the ability of a Person to assign or transfer its rights hereunder, a Stockholder that exercises its Right of First Refusal pursuant to this Section 3.3 may designate any of its Permitted Transferees to purchase all or part of the shares of such Preferred Stock and/or Common Stock; *provided* that such Stockholder shall remain obligated to consummate the purchase if such designees fail to do so.

Section 3.4 Issuer Repurchases. Each Stockholder agrees that, at any time when such Stockholder beneficially owns Voting Stock representing at least 45% of the outstanding shares of Common Stock (on an as-converted basis), such Stockholder and its controlled Affiliates will, upon the Company's prior written notice delivered at least five (5) business days before the proposed repurchase, participate pro rata in any open market repurchases of Common Stock by the Company and execute, deliver, acknowledge and file such other documents and take such further actions as may be necessary to give effect to and carry out this agreement; *provided* that each Stockholder shall convert a number of shares of Preferred Stock into Common Stock necessary to participate pro rata in such open market repurchases, to the extent required by this Section 3.4 (without regard to any limitations on conversion contained in the Certificate of Designations); *provided* further that the purchase price for the shares of Common Stock purchased pursuant to this Section 3.4 shall be an amount equal to the greater of: (a) the purchase price proposed to be paid on the open market by the Company for such shares of Common Stock in connection with such open market repurchases and (b) the Liquidation Preference (as defined in the Certificate of Designations) of the shares of Preferred Stock required to be converted into such shares of Common Stock.

Section 3.5 Special Dividend.

(a) On a single occasion after January 1, 2022, upon any Stockholder's written request (delivered to the Company and each other Stockholder), the Company will take all actions reasonably necessary to pay a one-time dividend on the Preferred Stock (the "**Special Dividend**") equal to the highest dividend that the Board determines can be paid at that time subject to the limitations imposed under Delaware law and this Section 3.5, unless within five (5) business days after notification by the Company to the Stockholders of the amount of the highest dividend that can be paid at that time (which dividend shall not be declared or paid during such five (5) business day period), the Stockholders unanimously agree to the payment of a Special Dividend in a lower amount in a writing delivered to the Company. If the Board, pursuant to this Section, determines that the highest amount of Special Dividend that can be paid at such time is less than \$50,000,000, then, unless the Stockholders unanimously agree to the payment of a Special

Dividend of less than \$50,000,000 in a writing delivered to the Company, no Special Dividend shall be declared or paid and the right to request the payment of the Special Dividend pursuant to the first sentence of this [Section 3.5\(a\)](#) shall remain unused and shall remain available. In connection with the foregoing, the Company shall (i) to the extent required based on the Company's financial condition, reasonably promptly seek and obtain financing Indebtedness (the "**Debt Financing**") to effectuate such Special Dividend and (ii) declare and pay such Special Dividend, which, if the Debt Financing is required, shall be paid substantially contemporaneous with, or reasonably promptly after, the consummation of such Debt Financing; *provided* that (A) the Company shall not, and shall not be required to, incur any such Debt Financing in an amount that would cause the Company's Leverage Ratio to be more than 3.00:1.00, determined on a Pro Forma Basis after giving effect to the incurrence of such Debt Financing and the payment of such Special Dividend, and (B) such Debt Financing shall (1) reflect financing and other terms consistent with leveraged finance market practice for non-distressed transactions of this type, taking into account the Company's LTM Adjusted EBITDA at such time and pro forma total leverage ratio and secured leverage ratio for the transaction and other attributes of the Company as compared to other similarly situated borrowers incurring similar amounts of Indebtedness at such time (*provided* that the Company shall not agree in the definitive agreement of such Debt Financing to any restrictions on the payment of cash dividends and/or distributions in respect of the Preferred Stock, subject to conditions no more restrictive to the borrower thereunder than the absence of any continuing "event of default" (or similar term used in the definitive documentation for the Debt Financing)), (2) be obtained without any equity or equity-linked features, and (3) have a maturity date of at least three years after the incurrence of such Debt Financing; *provided, further,* that to the extent that the restrictions in clause (A) of the foregoing proviso would not permit the declaration and payment in full of the maximum amount of the Special Dividend requested by the Stockholder, the Special Dividend shall, to the extent it is at least \$50,000,000, nonetheless be effectuated to the maximum amount permitted by clause (A). Notwithstanding the foregoing, if \$100,000,000 of Special Dividends and Annual Dividends (as defined in the Certificate of Designations), in aggregate, have been paid on the Preferred Stock, the Company will use any remaining amount of the Special Dividend requested by the Stockholder to pay a pro rata dividend (the "**Pro Rata Dividend**") on the Common Stock (with the Preferred Stock participating on an as-converted basis in accordance with Section 4(f) of the Certificate of Designation). For the avoidance of doubt, the Company shall only be obligated to pay a Special Dividend pursuant to this [Section 3.5](#) one time, subject to the second sentence of this [Section 3.5\(a\)](#). If any of the Stockholders requests the payment of a Special Dividend pursuant to this [Section 3.5](#), and such Special Dividend is paid, thereafter, no Stockholder shall be entitled to any further rights pursuant to this [Section 3.5](#), subject to the second sentence of this [Section 3.5\(a\)](#).

(b) For the avoidance of doubt, the Special Dividend shall constitute a "Special Dividend" under Section 4(g) of the Certificate of Designations, except for the portion, if any, comprising the Pro Rata Dividend, which shall constitute a "Participating Dividend" for purposes of Section 4(f) of the Certificate of Designations. Notwithstanding the foregoing or anything to the contrary provided elsewhere herein, (x) the Company shall not be required to take any action that the Company reasonably believes may be prohibited by applicable law, or any action that the Company reasonably believes may constitute a fraudulent conveyance or fraudulent transfer under applicable law and (y) the Company may delay, for a reasonable period of time not to exceed 20 business days, the transactions contemplated by a Stockholder's request pursuant to this [Section 3.5](#) if pursuing and/or consummating such transaction at such time is not, in the good faith opinion of the Board, in the best interest of the Company because it would (1) materially impede, delay or interfere with any material pending or proposed financing, acquisition, corporate reorganization or other similar transaction involving the Company, (2) materially adversely impair the consummation of any pending or proposed material offering or sale of any class of securities by the Company or (3) require disclosure of material nonpublic information that, if disclosed at such time, would be materially harmful to the interests of the Company and its stockholders.

Section 3.6 Distribution Transaction. In the event the Qurate Stockholder desires to effect a Distribution Transaction after the Closing Date in which it will transfer Voting Stock to a Qualified Distribution Transferee, the Company, the Stockholders and the Qualified Distribution Transferee shall enter into an amendment to this Agreement on or prior to the date of consummation of such Distribution Transaction reasonably satisfactory to each such party pursuant to which the Qualified Distribution Transferee shall assume all rights and obligations of the Qurate Stockholder hereunder, and thereafter, references herein to the Qurate Stockholder shall be deemed references to the Qualified Distribution Transferee. All reasonable, documented out-of-pocket expenses incurred by the Company in connection with the foregoing shall be borne by the Qurate Stockholder and its Affiliate effecting such Distribution Transaction. Notwithstanding anything in this Agreement to the contrary, upon the transfer of all of the Qurate Stockholder's Voting Stock to one or more Qualified Distribution Transferees, the Qurate Stockholder shall cease to have any obligations under this Agreement.

Section 3.7 Antitrust Filing. If, in connection with the exercise of the rights of any Stockholder or the Company pursuant to, or the applicability of any terms of, the Certificate of Designations or this Agreement, a filing is required pursuant to any applicable Antitrust Laws, then the Company, on the one hand, and the applicable Stockholder, on the other hand, shall, at the request of the Stockholder, (a) as promptly as practicable, make, or cause or be made, all filings and submissions required under applicable Antitrust Laws, and (b) use their commercially reasonable efforts to obtain, or cause to be obtained, approval of the transaction associated with the filing or the termination or expiration of the applicable waiting period ("**Antitrust Approval**"); and notwithstanding anything to the contrary in the Certificate of Designations or this Agreement, the rights so exercised (or other action taken by the application of the terms thereof) shall be contingent upon, and subject to, the receipt of any required Antitrust Approval (as determined by the Stockholder) and such rights (or other action taken by the application of the terms thereof) shall be delayed until such Antitrust Approval is received; *provided* that (i) with respect to any such filing resulting from the exercise of a Stockholder's rights under the Certificate of Designations or this Agreement, any filing or submission fees required under the applicable Antitrust Laws shall be paid by such Stockholder and (ii) with respect to any such filing resulting from the exercise of the Company's rights under the Certificate of Designations or this Agreement (or other action taken by the application of the terms thereof), any filing or submission fees required under the applicable Antitrust Laws shall be paid by the Company.

ARTICLE IV GOVERNANCE AND OTHER RIGHTS

Section 4.1 Adverse Changes. The prior written consent of each of the Charter Stockholder, the Qurate Stockholder and the Cerberus Stockholder will be necessary for the Company to directly or indirectly effect or validate any of the following actions, whether or not such approval is required pursuant to the DGCL for as long as such Stockholder beneficially owns Voting Stock representing at least 10% of the outstanding shares of Common Stock (on an as-converted basis):

(a) any amendment, waiver, alteration or repeal (whether by merger, consolidation or otherwise) of any provision of the Certificate of Incorporation (including the Certificate of Designations) or Bylaws;

(b) any action to authorize, create, increase the number of authorized or issued shares of, reclassify any security into, issue or sell any additional Preferred Stock, any Parity Stock or Senior Stock or any other class or series of Capital Stock of the Company ranking senior to, or on a parity basis with, the Preferred Stock as to dividend rights or rights on the distribution of assets on any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company or any securities or derivatives convertible or exercisable into, or exchangeable for, any of the foregoing securities;

(c) the consummation of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company or the filing of a petition under bankruptcy or insolvency law;

(d) the consummation by the Company of any transaction that would constitute a Change of Control;

(e) any redemption, purchase, acquisition (either directly or through any Subsidiary) or other liquidating payment relating to, any equity securities of the Company (other than redemptions, purchases or other acquisitions in accordance with the net settlement and net exercise features in any employment contract, benefit plan or other similar arrangement with or for the benefit of current or former employees, officers, directors or consultants);

(f) increasing or decreasing the number of directors on the Board or the number of directors on the compensation committee or nomination and governance committee of the Board (except in accordance with the provisions of this Agreement or for purposes of effectuating the appointment right of a Stockholder in Section 2.1);

(g) changing the nature of the Company's business in any material respect;

(h) changing the entity classification of the Company for U.S. federal income tax purposes;

(i) creating, or authorizing the creation of, or issuing, or authorizing the issuance of, any Indebtedness that would cause the Company's Leverage Ratio to exceed 3.00:1.00, determined on a Pro Forma Basis after giving effect to the incurrence of such Indebtedness;

(j) hiring, terminating or replacing the Chief Executive Officer of the Company;

(k) declaring any cash dividend on, or making any cash distributions relating to, Junior Stock or Parity Stock other than pursuant to the last sentence of Section 3.5(a);

(l) adopting a shareholder rights plan that does not exempt such Stockholder and its Affiliates and Permitted Transferees from being an "acquiring person" as a result of its holdings as of adoption of the shareholder rights plan (it being understood that such exemption need not relieve any Stockholder from any other restrictions under this Agreement, the Certificate of Designations, the Purchase Agreements or any other document contemplated hereby or thereby);

(m) entering into, or amending, any Related Party Transaction (other than any such transaction substantially comparable to a previously approved transaction with the same party entered in the ordinary course of business on terms that are no less favorable to the Company in the aggregate than

(i) the terms of such previously approved transaction in all material respects and (ii) terms that could have been reached with an unrelated third party on a negotiated, arm's-length basis); *provided* that any consent with respect to such Related Party Transaction shall not be unreasonably withheld, conditioned or delayed; and

(n) permitting any significant subsidiary (as such term is defined in Rule 12b-2 under the Exchange Act) of the Company to take any of the actions that the Company is prohibited from taking as set forth above.

For purposes of this Section 4.1, the filing in accordance with applicable law of a certificate of designations or any similar document setting forth or changing the designations, powers, preferences, rights, qualifications, limitations and restrictions of any class or series of stock of the Company shall be deemed an amendment to the Certificate of Incorporation.

Section 4.2 Preemptive Rights.

(a) Except for the issuance of Excluded Securities or pursuant to the conversion or exercise of any Capital Stock outstanding on the Closing Date, if, following the Closing Date, the Company authorizes the issuance or sale of any Capital Stock to any Person or Persons (the “**Offeree**”), the Company shall first offer to sell to the Qualified Stockholders a portion of such Capital Stock equal to the quotient determined by dividing (1) the number of shares of Common Stock beneficially owned by such Qualified Stockholder at such time (determined on an as-converted basis), by (2) the total number of shares of Common Stock then issued and outstanding immediately prior to such issuance (determined on an as-converted basis) (the “**Preemptive Percentage**”); *provided*, that a Qualified Stockholder shall not be entitled to acquire any such Capital Stock pursuant to this Section 4.2 to the extent the issuance of such Capital Stock to such Qualified Stockholder would require approval of the stockholders of the Company as a result of such Qualified Stockholder’s status, if applicable, as an Affiliate of the Company or pursuant to the rules and listing standards of NASDAQ, in which case the Company may consummate the proposed issuance of the Capital Stock to other Persons prior to obtaining approval of the stockholders of the Company (subject to compliance by the Company with Section 4.2(f) below). The Qualified Stockholders shall be entitled to purchase such Capital Stock at the same price as such Capital Stock is to be offered to the Offeree; *provided* that, if the Offeree is required to also purchase other Capital Stock, the Qualified Stockholders shall also be required to purchase the same Capital Stock (at the same price) that the Offeree is required to purchase. The Qualified Stockholders electing to purchase their pro rata share of the Capital Stock authorized for issuance or sale to the Offeree (“**Participating Stockholders**”) will take all necessary actions in connection with the consummation of the purchase transactions contemplated by this Section 4.2 as requested by the Board, including the execution of all agreements, documents and instruments in connection therewith in the form presented by the Company, so long as such agreements, documents and instruments are on customary forms for a transaction of this type and do not require such Participating Stockholders to make or agree to any representation, warranty, covenant or indemnity that is more burdensome than that required of the Offeree in the agreements, documents or instruments in connection with such transaction. If any Qualified Stockholder elects not to purchase any such Capital Stock, or not to purchase all of such Qualified Stockholder’s pro rata portion thereof, each other Qualified Stockholder who has elected to purchase all of such Qualified Stockholder’s full pro rata share of the Capital Stock authorized for issuance or sale to the Offeree (a “**Fully Participating Stockholder**”) shall be entitled to purchase an additional number of shares of such Capital Stock as set forth below. If a Fully Participating Stockholder desires to purchase such Capital Stock in excess of the portion allocated to such Fully Participating Stockholder pursuant to the first sentence of this Section 4.2(a), then such Fully Participating Stockholder shall be entitled to purchase a number of shares of Capital Stock equal to the aggregate number of shares of Capital Stock that the other Qualified Stockholders elected not to purchase pursuant to the first sentence of this Section 4.2(a); *provided* that, if there is an oversubscription in respect of such remaining Capital Stock due to more than one Fully Participating Stockholder requesting additional Capital Stock, the oversubscribed amount shall be fully allocated among the Fully Participating Stockholders pro rata based on such Fully Participating Stockholders’ relative Preemptive Percentage.

(b) In order to exercise its purchase rights hereunder, a Qualified Stockholder must, within 15 days after receipt of written notice from the Company describing the Capital Stock being offered, the purchase price thereof, the payment terms and such Qualified Stockholder’s percentage allotment, deliver a written notice to the Company describing its election hereunder (which election shall be absolute and unconditional other than being conditioned upon the consummation of the issuance to the Offeree).

(c) During the 90 days following the expiration of the 15-day offering period described above, the Company shall be entitled to sell the shares of Capital Stock, which the Qualified Stockholders have not elected to purchase, to the Offeree at no less than the purchase price, and upon other terms no more favorable than those, stated in the notice provided under Section 4.2(b) (in addition to the portion of the

Capital Stock the Company is not required to offer to the Qualified Stockholders pursuant to the first sentence of Section 4.2(a)). Any Capital Stock proposed to be offered or sold by the Company to the Offeree after such 90-day period, or at a price not complying with the immediate preceding sentence, must be reoffered to the Qualified Stockholders pursuant to the terms of this Section 4.2 prior to any sale to the Offeree.

(d) In the event that a Qualified Stockholder is not entitled to acquire any Capital Stock pursuant to Section 4.2(a), because such issuance would require the Company to obtain stockholder approval in respect of the issuance of such Capital Stock to such Qualified Stockholder as a result of any such Qualified Stockholder's status, if applicable, as an Affiliate of the Company or pursuant to the rules and listing standards of NASDAQ, the Company shall, upon the Qualified Stockholder's reasonable request delivered to the Company in writing within seven (7) business days following its receipt of the written notice of such issuance to the Qualified Stockholder pursuant to Section 4.2(b), at the Qualified Stockholder's election, (i) waive the restrictions set forth in Section 3.2 solely to the extent necessary to permit such Qualified Stockholder to acquire such number of shares of Capital Stock equivalent to its Preemptive Percentage of such issuance such Qualified Stockholder would have been entitled to purchase had it been entitled to acquire such Capital Stock pursuant to Section 4.2(a); (ii) consider and discuss in good faith modifications proposed by the Qualified Stockholder to the terms and conditions of such portion of the Capital Stock which would otherwise be issued to the Qualified Stockholder such that the Company would not be required to obtain stockholder approval in respect of the issuance of such new Capital Stock as so modified; and/or (iii) solely to the extent that stockholder approval is required in connection with the issuance of Capital Stock to Persons other than the Qualified Stockholders, use reasonable best efforts to seek stockholder approval in respect of the issuance of any Capital Stock to the Qualified Stockholders.

(e) In the case of the offering of Capital Stock for consideration in whole or in part other than cash, including securities acquired in exchange therefor (other than securities by their terms so exchangeable), the consideration other than cash shall be deemed to be the fair value thereof as reasonably determined by the Board; *provided, however*, that such fair value as determined by the Board shall not exceed the aggregate market price of the securities being offered as of the date the Board authorizes the offering of such securities.

(f) Notwithstanding the foregoing, the Company shall be permitted to sell Capital Stock pursuant to an at-the-market offering program without first offering such Capital Stock to the Stockholders pursuant to this Section 4.2; *provided* that promptly following such sale, each Stockholder shall be offered the right to purchase Capital Stock in such amount necessary to achieve the same economic effect to such Stockholder as contemplated by, and subject to, this Section 4.2, if such offer would have been made prior to such sale; *provided* that in such case there shall be deemed to be no dilution to the Preemptive Percentage (or equivalent concepts used to measure or describe the Stockholder's percentage ownership of the Common Stock on an as-converted basis) for any purpose under this Agreement (including, for the avoidance of doubt, Section 2.1, Section 3.3 and Section 4.2) of any Stockholder who did not purchase the shares of Capital Stock at the time of the initial sale in such at-the-market offering as a result of the application of Section 4.2(f) until such Stockholder has exercised or declined to exercise or waived its rights under the first proviso of this Section 4.2(f) with respect to such proposed issuance of Capital Stock and, for the avoidance of doubt, in the case of any such decline to exercise or waiver of rights under the first proviso of this Section 4.2(f), the Preemptive Percentage shall be diluted accordingly.

(g) Notwithstanding anything in this Agreement to the contrary that limits the ability of a Person to assign or transfer its rights hereunder, a Participating Stockholder may designate any of its Permitted Transferees to purchase all or part of the shares of Capital Stock offered pursuant to Section 4.2(a); *provided* that such Participating Stockholder shall remain obligated to consummate the purchase if such designees fail to do so.

**ARTICLE V
TERMINATION**

Section 5.1 Termination. This Agreement shall terminate with respect to any particular Stockholder upon the mutual agreement in writing among the Company and such Stockholder; *provided* that this Agreement shall terminate automatically as to any particular Stockholder and its Permitted Transferees (within the meaning of clauses (i) and (ii) of such defined term) at such time as such Stockholder no longer beneficially owns at least 5% of the outstanding shares of Common Stock (on an as-converted basis) at any time.

**ARTICLE VI
MISCELLANEOUS**

Section 6.1 Patents.

(a) *Right of First Offer.* Without limiting the rights of the Charter Stockholder under Section 6.1(b), if the Company or any of its Subsidiaries contemplates the sale or other disposition of any patent or patent application (patents and patent applications collectively, the “**Patents**”), other than in connection with the sale of all or substantially all of the Company’s business, a Change of Control or a sale or transfer to or between the Company and its Subsidiaries, the Company shall first make an offering of each such Patent to the Charter Stockholder in accordance with the following provisions:

(i) The Company shall deliver a written notice (the “**Patent ROFO Notice**”) to the Charter Stockholder stating (A) its bona fide intention to sell or otherwise dispose of each such Patent, (B) if applicable, the identity of all contemplated parties to such sale or disposition, (C) each Patent to be disposed, and (D) the price and the terms and conditions upon which the Company intends to dispose of such Patents.

(ii) Within forty-five (45) business days after receipt of the Patent ROFO Notice, the Charter Stockholder may elect to purchase all or a portion of the Patents identified in such Patent ROFO Notice at the price and on the terms and conditions specified in the Patent ROFO Notice, by providing written notice to the Company. If the Charter Stockholder does not elect to purchase all of the Patents identified in such Patent ROFO Notice within forty-five (45) business days after the receipt of the Patent ROFO Notice, the Company or its applicable Subsidiary shall have forty-five (45) business days thereafter to sell the remaining Patents in respect of which the Charter Stockholder’s rights were not exercised pursuant to this Section 6.1(a), subject to Section 6.1(b). If neither the Company nor its applicable Subsidiary has sold such remaining Patents within forty-five (45) business days of the Patent ROFO Notice, the Company shall not, and shall cause its Subsidiaries not to, thereafter dispose of any such Patents without first offering such Patents to the Charter Stockholder in the manner provided in this Section 6.1(a).

(b) *Right of First Refusal.* Without limiting the rights of the Charter Stockholder under Section 6.1(a), if the Company or any of its Subsidiaries receives a bona fide written offer with respect to the sale or other disposition of any Patents, other than in connection with the sale of all or substantially all of the Company’s business, a Change of Control or a sale or transfer to or between the Company and its Subsidiaries (such sale or other disposition, a “**Subject Patent Transaction**”), the Company shall not, and shall cause Subsidiaries not to, enter into such Subject Patent Transaction except in accordance with the following provisions:

(i) If, at any time, the Company or any of its Subsidiaries receives a bona fide written offer for a Subject Patent Transaction that the Company or the applicable Subsidiary desires to accept, the Company shall, within three business days following receipt of such offer, deliver, together with a copy of such offer, a written notice (the “**Patent ROFR Notice**”) to the Charter Stockholder stating (A) its bona

fide intention to enter into such Subject Patent Transaction, (B) the identity of all proposed parties to such Subject Patent Transaction, (C) the Patents subject to the Subject Patent Transaction, and (D) the price and the terms and conditions of the written offer, upon which the Company proposes to dispose of such Patents (including the proposed date of the closing of the Subject Patent Transaction, which shall in no event be less than forty-five (45) business days from the date of the Patent ROFR Notice) (clauses (B) through (D), collectively, the “**Minimum Patent Terms**”). The Patent ROFR Notice shall constitute the Company’s irrevocable, binding offer to sell or otherwise dispose the Patents to the Charter Stockholder pursuant to the Minimum Patent Terms.

(ii) Within forty-five (45) business days after receipt of the Patent ROFR Notice, the Charter Stockholder may elect to purchase all or a portion of the Patents identified in such Patent ROFR Notice at the price and on the terms and conditions specified in the Patent ROFR Notice, by providing written notice to the Company. If the Charter Stockholder does not elect to purchase all of the Patents identified in such Patent ROFR Notice within forty-five (45) business days after the receipt of the Patent ROFR Notice, the Company or its applicable Subsidiary shall have forty-five (45) business days thereafter to sell the remaining Patents in respect of which the Charter Stockholder’s rights were not exercised pursuant to this Section 6.1(b), at a price not lower, and upon other terms and conditions that are not more favorable to the purchasers thereof in any material respect, than the price and the terms and conditions specified in the Patent ROFR Notice. If neither the Company nor its applicable Subsidiary has consummated the sale or other disposition of such remaining Patents within forty-five (45) business days of the Patent ROFR Notice, the Company shall not, and shall cause its Subsidiaries not to, thereafter sell or otherwise dispose of any such Patents without first offering such Patents to the Charter Stockholder in the manner provided in this Section 6.1(b).

(c) *Beneficiary*. This Section 6.1 may only be enforced by, and shall inure to the benefit of only, the Charter Stockholder, the Company and their respective successors and permitted assigns, and neither the Qurate Stockholder nor the Cerberus Stockholder shall have any right to enforce the provisions of this Section 6.1. Neither this Section 6.1 nor any of the rights or obligations hereunder shall be assigned or delegated by the Charter Stockholder (other than to an Affiliate thereof) or the Company without the prior written consent of the other party.

Section 6.2 Notices. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be personally delivered, sent by nationally recognized overnight courier, mailed by registered or certified mail or be sent by electronic mail to such party at the address set forth below (or such other address as shall be specified by like notice). Notices will be deemed to have been duly given hereunder if (i) personally delivered, when received, (ii) sent by nationally recognized overnight courier, one business day after deposit with the nationally recognized overnight courier, (iii) mailed by registered or certified mail, five business days after the date on which it is so mailed, and (iv) sent by electronic mail with confirmed receipt by the intended recipient thereof on the date sent so long as such communication is transmitted before 5:00 p.m. in the time zone of the receiving party on a business day, otherwise, on the next business day; *provided* that any notice sent pursuant to clauses (i), (ii) or (iii) shall be accompanied by notice sent by email within one business day after dispatch by such method.

Section 6.3 Severability. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any person or any circumstance, is found to be invalid or unenforceable in any jurisdiction, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 6.4 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which, taken together, shall be considered one and the same agreement.

Section 6.5 Entire Agreement; No Third Party Beneficiaries. This Agreement (a) constitutes the entire agreement and supersedes all other prior agreements, both written and oral, among the parties hereto with respect to the subject matter hereof and (b) is not intended to confer upon any person, other than the parties hereto, any rights or remedies hereunder.

Section 6.6 Further Assurances. Each party hereto shall execute, deliver, acknowledge and file such other documents and take such further actions as may be reasonably requested from time to time by the other parties hereto to give effect to and carry out the transactions contemplated herein.

Section 6.7 Governing Law; Equitable Remedies.

(a) This Agreement and all actions, proceedings or counterclaims (whether based on contract, tort or otherwise) arising out of or relating to this Agreement or the actions of the Stockholders or the Company in the negotiation, administration, performance and enforcement thereof, shall be governed by, and construed in accordance with the laws of the State of Delaware, including its statute of limitations, without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(b) The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with its specific terms or were otherwise breached. It is accordingly agreed that the parties hereto shall be entitled to an injunction or injunctions and other equitable remedies to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in any of the Chosen Courts (as defined below), this being in addition to any other remedy to which they are entitled at law or in equity. Any requirements for the securing or posting of any bond with respect to such remedy are hereby waived by each of the parties hereto. Each party hereto further agrees that, in the event of any action for an injunction or other equitable remedy in respect of such breach or enforcement of specific performance, it will not assert the defense that a remedy at law would be adequate.

Section 6.8 Consent To Jurisdiction.

(a) Each of the parties: (i) irrevocably consents to the service of the summons and complaint and any other process (whether inside or outside the territorial jurisdiction of the Chosen Courts) in any Legal Proceeding relating to this Agreement, for and on behalf of itself or any of its properties or assets, in accordance with Section 6.2 or in such other manner as may be permitted by applicable law, and nothing in this Section 6.8 will affect the right of any party to serve legal process in any other manner permitted by

applicable law; (ii) irrevocably and unconditionally consents and submits itself and its properties and assets in any Legal Proceeding to the exclusive general jurisdiction of the Court of Chancery of the State of Delaware and any state appellate court therefrom within the State of Delaware (or, solely if the Court of Chancery of the State of Delaware declines to accept jurisdiction over a particular matter, any other state or federal court within the State of Delaware) (the “**Chosen Courts**”) in the event of any dispute or controversy relating to or arising out of this Agreement or the transactions contemplated hereby or thereby; (iii) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court; (iv) agrees that any Legal Proceeding relating to or arising out of this Agreement or the transactions contemplated hereby or thereby will be brought, tried and determined only in the Chosen Courts; (v) waives any objection that it may now or hereafter have to the venue of any such Legal Proceeding in the Chosen Courts or that such Legal Proceeding was brought in an inconvenient court and agrees not to plead or claim the same; and (vi) agrees that it will not bring any Legal Proceeding relating to or arising out of this Agreement or the transactions contemplated hereby or thereby in any court other than the Chosen Courts unless the Chosen Courts issue a final judgment determining that such court lacks jurisdiction. Each Stockholder and the Company agrees that a final judgment and any interim relief (whether equitable or otherwise) in any Legal Proceeding in the Chosen Courts will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE PURSUANT TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT THAT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING (WHETHER FOR BREACH OF CONTRACT, TORTIOUS CONDUCT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT. EACH PARTY ACKNOWLEDGES AND AGREES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER; (ii) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER; (iii) IT MAKES THIS WAIVER VOLUNTARILY; AND (iv) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 6.8.

Section 6.9 Amendments; Waivers.

(a) No provision of this Agreement may be amended or waived unless such amendment or waiver is in writing and signed (i) in the case of an amendment, by each of the parties hereto, and (ii) in the case of a waiver, by each of the parties against whom the waiver is to be effective, subject to the last sentence of Section 3.3.

(b) No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 6.10 Mutual Drafting. This Agreement shall be deemed to be the joint work product of the parties, and any rule of construction that a document shall be interpreted or construed against a drafter of such document shall not be applicable.

Section 6.11 Assignment. Neither this Agreement nor any of the rights or obligations hereunder shall be assigned or delegated by any of the parties hereto without the prior written consent of the other parties; *provided* that:

(a) Subject to the restrictions in Section 6.1(c), the rights and obligations of a Stockholder under this Agreement may be assigned to any Permitted Transferee of such Stockholder without the consent of any other party; *provided*, that (i) the Company is, within a reasonable time prior to such assignment, furnished with written notice of the name and address of such Permitted Transferee; and (ii) such Permitted Transferee agrees in writing to be bound by the provisions of this Agreement, including the rights, interests and obligations so assigned.

(b) In connection with a Transfer by a Stockholder (each, an “**Assigning Stockholder**”) of least 50% of a Stockholder’s Initial Preferred Stock Ownership to a transferee (who is not a Permitted Transferee of such Assigning Stockholder or the Cerberus Stockholder, Qurate Stockholder or Charter Stockholder), such Assigning Stockholder will have the right, at its election, but subject to the restrictions in Section 6.1(c), to assign its rights and obligations under this Agreement as follows:

(i) such Assigning Stockholder may elect to cause such transferee to succeed such Assigning Stockholder as such Assigning Stockholder hereunder (*i.e.*, as the Cerberus Stockholder, Qurate Stockholder or Charter Stockholder, as applicable), in which case, (A) such Assigning Stockholder shall be entitled to all of the rights and subject to all restrictions, conditions and obligations of such Assigning Stockholder hereunder (including the rights afforded under Section 2.1, Section 2.3, Section 3.5 and Section 4.1) and, for the avoidance of doubt, only such transferee’s (and its Permitted Transferees’) ownership of Preferred Stock and Common Stock shall be considered for purposes of such transferee satisfying the applicable ownership thresholds in this Agreement, and (B) if, following such Transfer, such Assigning Stockholder (and its Permitted Transferees) continue to beneficially own at least 5% of the outstanding shares of Common Stock (on an as-converted basis), such Assigning Stockholder shall, for so long as it (and its Permitted Transferees) continues to beneficially own at least 5% of the outstanding shares of Common Stock (on an as-converted basis), remain entitled to all rights and subject to all restrictions, conditions and obligations of a Stockholder generally set forth in this Agreement (but excluding the rights afforded under Sections 2.1, Section 2.3, Section 3.5, Section 4.1 and Section 6.1); or

(ii) such Assigning Stockholder may elect to cause such transferee to be treated as a Stockholder generally hereunder, in which case (A) such transferee shall be entitled to all of the rights and shall be subject to all restrictions, conditions and obligations of a Stockholder generally hereunder (other than rights afforded under Section 2.1, Section 2.3, Section 3.5 and Section 4.1) and (B) such Assigning Stockholder shall continue as the Assigning Stockholder hereunder (*i.e.*, the Cerberus Stockholder, Qurate Stockholder or Charter Stockholder, as applicable) and remain entitled to all rights and subject to all restrictions, conditions and obligations of such Assigning Stockholder set forth in this Agreement (including the rights afforded under Section 2.1, Section 2.3, Section 3.5 and Section 4.1) based on such Assigning Stockholder’s and its (and its Permitted Transferees’) ownership of Preferred Stock and Common Stock after giving effect to such Transfer;

provided, that such transferee agrees in writing to be bound by the provisions of this Agreement, including the rights, interests and obligations so assigned.

(c) Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and permitted assigns. The Company agrees that, if requested by an Assigning Stockholder in connection with a Transfer contemplated by Section 6.11(b)(ii), prior to the transferee becoming an “interested stockholder” (as such term is defined in Section 203(c)(5) of the DGCL) with respect to the Company, the Board shall approve (x) such transferee Stockholder as an “interested stockholder” within the meaning of Section 203(c)(5) of the DGCL and (y) the receipt of Capital Stock by such transferee Stockholder pursuant to such Transfer for purposes of Section 203(a)(1) of the DGCL.

Section 6.12 Performance. Each Stockholder shall cause to be performed, and hereby guarantees the performance of, all actions, agreements and obligations set forth in this Agreement to be performed by any of its Subsidiaries and/or Affiliates and representatives. The Company shall cause to be performed, and hereby guarantees the performance of, all actions, agreements and obligations set forth in this Agreement to be performed by any of its Subsidiaries and/or Affiliates and representatives. Each party (including its permitted successors and assigns) further agrees that it shall (a) give timely notice of the terms, conditions and continuing obligations contained in this Section 6.12 to all of their respective Affiliates and representatives and (b) cause all of their respective Affiliates and representatives not to take, or omit to take, any action which action or omission would violate or cause such party to violate this Agreement.

Section 6.13 Independent Nature of Stockholders' Obligations and Rights. The obligations of each Stockholder under this Agreement are several and not joint with the obligations of any other Stockholder, and a Stockholder shall not be responsible in any way for the performance of the obligations of any other Stockholder under this Agreement. Nothing contained herein, and no action taken by a Stockholder pursuant hereto shall be deemed to constitute a partnership, an association, a joint venture or any other kind of entity between the Stockholder and the other Stockholders, or create a presumption that the Stockholder and the other Stockholder(s) are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Agreement. Each Stockholder shall be entitled to independently protect and enforce its rights, including the rights arising out of this Agreement or the Certificate of Designation, and it shall not be necessary for the other Stockholders to be joined as an additional party in any proceeding for such purpose.

Section 6.14 Business Opportunities. To the fullest extent permitted by Section 122(17) of the DGCL (or any successor provision) and except as may be otherwise expressly agreed in writing by the Company and the Stockholders, the Company, on behalf of itself and its Subsidiaries, renounces any interest or expectancy of the Company and its Subsidiaries in, or in being offered an opportunity to participate in, business opportunities, that are from time to time presented to the Stockholders or any of their respective officers, representatives, directors, agents, stockholders, members, partners, Affiliates, Subsidiaries (other than the Company and its Subsidiaries), or any of their respective designees on the Board and/or any of their respective representatives who, from time to time, may act as officers of the Company, even if the opportunity is one that the Company or its Subsidiaries might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the opportunity to do so, and no such person shall be liable to the Company or any of its Subsidiaries for breach of any fiduciary or other duty, as a director or officer or otherwise, by reason of the fact that such person pursues or acquires such business opportunity, directs such business opportunity to another person or fails to present such business opportunity, or information regarding such business opportunity, to the Company or its Subsidiaries unless such business opportunity is disclosed to the applicable director or officer in his or her capacity as such. Any Person purchasing or otherwise acquiring any interest in any shares of Capital Stock of the Company shall be deemed to have notice of and consented to the provisions of this Section 6.14. Neither the alteration, amendment or repeal of this Section 6.14, nor the adoption of any provision of the Certificate of Incorporation or this Certificate of Designations inconsistent with this Section 6.14, nor, to the fullest extent permitted by Delaware law, any modification of law, shall eliminate or reduce the effect of this Section 6.14 in respect of any business opportunity first identified or any other matter occurring, or any cause of action, suit or claim that, but for this Section 6.14, would accrue or arise, prior to such alteration, amendment, repeal, adoption or modification. If any provision or provisions of this Section 6.14 shall be held to be invalid, illegal or unenforceable as applied to any circumstance for any reason whatsoever: (a) the validity, legality and

enforceability of such provisions in any other circumstance and of the remaining provisions of this Section 6.14 (including, without limitation, each portion of any paragraph of this Section 6.14 containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and (b) to the fullest extent possible, the provisions of this Section 6.14 (including, without limitation, each such portion of any paragraph of this Section 6.14 containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to permit the Company to protect its directors, officers, employees and agents from personal liability in respect of their good faith service to or for the benefit of the Company to the fullest extent permitted by law. This Section 6.14 shall not limit any protections or defenses available to, or indemnification or advancement rights of, any director, officer, employee or agent of the Company under the Certificate of Incorporation, the Bylaws, any other agreement between the Company and such director, officer, employee or agent or applicable law.

Section 6.15 Information Rights.

(a) Following the Closing Date and so long as the Stockholder continues to beneficially own a number of shares of Preferred Stock representing at least 5% of the outstanding shares of Common Stock (on an as-converted basis), the Company agrees to provide each Stockholder and its Permitted Transferees with the following:

(i) within 90 days after the end of each fiscal year of the Company, (A) an audited, consolidated balance sheet of the Company and its Subsidiaries as of the end of such fiscal year, (B) an audited, consolidated income statement of the Company and its Subsidiaries for such fiscal year and (C) an audited, consolidated statement of cash flows of the Company and its Subsidiaries for such fiscal year; *provided* that this requirement shall be deemed to have been satisfied if on or prior to such date the Company files its annual report on Form 10-K for the applicable fiscal year with the SEC;

(ii) within 45 days after the end of each of the first three quarters of each fiscal year of the Company, (A) an unaudited, consolidated balance sheet of the Company and its Subsidiaries as of the end of such fiscal quarter, (B) an unaudited, consolidated income statement of the Company and its Subsidiaries for such fiscal quarter and (C) an unaudited, consolidated statement of cash flows of the Company and its Subsidiaries for such fiscal quarter; *provided* that this requirement shall be deemed to have been satisfied if on or prior to such date the Company files its quarterly report on Form 10-Q for the applicable fiscal quarter with the SEC; and

(iii) reasonable access, to the extent reasonably requested by a Stockholder, to the offices and the properties of the Company and its Subsidiaries, including its and their books and records, and to discuss its and their affairs, finances and accounts with its and their officers, all upon reasonable notice and at such reasonable times and as often as the Stockholder may reasonably request; *provided* that any investigation pursuant to this Section 6.15 shall be conducted in a manner as not to interfere unreasonably with the conduct of the business of the Company and its Subsidiaries;

(b) Notwithstanding anything to contrary in the foregoing, the Company shall not be obligated to provide such access or materials if the Company determines, in its reasonable judgment, that doing so would reasonably be expected to (i) result in the disclosure of trade secrets or competitively sensitive information to third parties, (ii) violate applicable law, an applicable order or a contract or obligation of confidentiality owing to a third party, (iii) jeopardize the protection of an attorney-client privilege, attorney work product protection or other legal privilege (provided, however, that the Company shall use reasonable efforts to provide alternative, redacted or substitute documents or information in a manner that would not result in the loss of the ability to assert attorney-client privilege, attorney work product protection or other legal privileges), or (iv) expose the Company to risk of liability for disclosure of personal information; *provided* that the Company shall use reasonable best efforts to disclose such information in a manner that would not violate the foregoing.

Section 6.16 Financing Cooperation. If requested by a Stockholder or its Permitted Transferees, the Company will provide the following cooperation (in each case, all reasonable, documented out-of-pocket expenses incurred by the Company in connection with the foregoing, shall be borne by such Stockholder) in connection with the Stockholder and its Permitted Transferees obtaining any Permitted Loan: (i) entering into an issuer agreement (an “Issuer Agreement”) with each lender in customary form in connection with such transactions (which agreement may include, without limitation, agreements and obligations of the Company relating to procedures and specified time periods for effecting transfers and/or conversions upon foreclosure, agreements to not hinder or delay exercises of remedies on foreclosure, acknowledgments regarding corporate policy, if applicable, certain acknowledgments regarding securities law status of the pledge arrangements and a specified list of Competitors, Activist Investors and Restricted Persons) and subject to the consent of the Company (which will not be unreasonably withheld or delayed), with such changes thereto as are requested by such lender and customary for similar financings, (ii) using reasonable best efforts to (A) remove any restrictive legends on certificates representing pledged Preferred Stock or Common Stock issued upon conversion of Preferred Stock and depositing any pledged Preferred Stock or Common Stock issued upon conversion of Preferred Stock in book entry form on the books of The Depository Trust Company, in each case when eligible to do so (and providing any necessary indemnities to the transfer agent in connection therewith) or (B) without limiting the generality of clause (A), if such Preferred Stock is eligible for resale under Rule 144A, depositing such pledged Preferred Stock in book entry form on the books of The Depository Trust Company or other depository with customary Rule 144A restrictive legends, (iii) if so requested by such lender or counterparty, as applicable, re-registering the pledged Preferred Stock or Common Stock issued upon conversion of Preferred Stock in the name of the relevant lender, counterparty, custodian or similar party to a Permitted Loan, with respect to Permitted Loans solely as securities intermediary and only to the extent the Stockholder, its Permitted Transferees (or its or their Affiliates) continue to beneficially own such pledged Preferred Stock or Common Stock issued upon conversion of Preferred Stock, (iv) entering into customary triparty agreements with each lender and the Stockholder (and its Permitted Transferees and its and their Affiliates) relating to the delivery of the Preferred Stock or Common Stock issued upon conversion of Preferred Stock to the relevant lender for crediting to the relevant collateral accounts upon funding of the loan and payment of the purchase price including a right for such lender as a third party beneficiary of the Company’s obligations hereunder to issue the Preferred Stock or Common Stock issued upon conversion of Preferred Stock upon payment of the purchase therefor in accordance with the terms of this Agreement and (v) such other cooperation and assistance as the Stockholder and its Permitted Transferees may reasonably request (which cooperation and assistance, for the avoidance of doubt, shall not include any requirements that the Company deliver information, compliance certificates or any other materials typically provided by borrowers to lenders) that will not unreasonably disrupt the operation of the Company’s business. Anything in the preceding sentence to the contrary notwithstanding, the Company’s obligation to deliver an Issuer Agreement is conditioned on the Stockholder or its Permitted Transferee certifying to the Company in writing that (A) the loan agreement with respect to which the Issuer Agreement is being delivered constitutes a Permitted Loan being entered into in accordance with this Agreement, the Stockholder or its Permitted Transferee has pledged the Preferred Stock and/or the underlying shares of Common Stock as collateral to the lenders under such Permitted Loan and that the execution of such Permitted Loan and the terms thereof do not violate the terms of this Agreement, (B) to the extent applicable, whether the registration rights under the Registration Rights Agreement, dated as of even date herewith, by and among the Company and the Stockholders, are being assigned to the lenders under that Permitted Loan, (C) the Stockholder, its Permitted Transferees and its and their controlled Affiliates acknowledge and agree that the Company will be relying on such certificate when entering into the Issuer Agreement and any inaccuracy in such certificate will be deemed a breach of this Agreement and (D) the Company is not required to incur any material obligations other than as specifically set forth in the proceeding sentence. The Stockholder and its Permitted Transferees acknowledge and agree that the statements and agreements of the Company in an Issuer Agreement are solely for the benefit of the applicable lenders party thereto and that in any dispute between the Company and the Stockholder (or its Permitted Transferee) under this Agreement the Stockholder and its Permitted Transferees shall not be entitled to use the statements and agreements of the Company in an Issuer Agreement against the Company.

Section 6.17 Sponsor Provisions. Notwithstanding anything to the contrary set forth in this Agreement, none of the terms or provisions of this Agreement (including, for the avoidance of doubt, Section 3.2) shall in any way limit the activities of Cerberus Capital Management L.P. (“**Sponsor**”) or any of its Affiliates, other than the Cerberus Stockholder and its Permitted Transferees, in their businesses distinct from the corporate private equity business of Sponsor (the “**Excluded Sponsor Parties**”), so long as (i) no such Excluded Sponsor Party or any of its representatives is acting on behalf of or at the direction of Cerberus Stockholder or any of its Permitted Transferees with respect to any matter that otherwise would violate any term or provision of this Agreement and (ii) no confidential information is made available to any Excluded Sponsor Party or any of its representatives who are not involved in the corporate private equity business of Sponsor by or on behalf of Cerberus Stockholder or any of its Permitted Transferees, except with respect to any such representative who is (x) compliance personnel for compliance purposes and (y) non-compliance personnel of Sponsor who have roles that span both the corporate private equity business of Sponsor and one or more other businesses of Sponsor and are directors or officers of, or function in a similar oversight role at, such Excluded Sponsor Party, as long as confidential information is not otherwise disclosed to or used by or for the benefit of such Excluded Sponsor Party. For the avoidance of doubt, the Cerberus Stockholder may disclose confidential information to (a) its representatives to the extent necessary to obtain their services in connection with its investment in the Company (who in each case have been informed of the confidential nature of the information and who are subject to customary confidentiality and use restrictions), (b) any prospective purchaser of Preferred Stock or Common Stock or prospective financing sources in connection with the syndication and marketing of any Permitted Loan, in each case, as long as such prospective purchaser or lender, as applicable, is subject to customary confidentiality and use restrictions and (c) any Affiliate of Sponsor or any limited partner or prospective partner in an investment fund of Sponsor or its Affiliates (and their respective representatives), in each case (provided that the recipients of such confidential information are subject to customary confidentiality and use restrictions and such information is provided in connection with such Person’s ordinary course compliance, fundraising, monitoring or reporting activities or to monitor, manage and/or evaluate the Cerberus Stockholder’s investment in the Company).

AGREEMENT

This Agreement (this “Agreement”) is made and entered into as of January 7, 2021, by and among comScore, Inc. (the “Company”) and the other entities set forth on the signature pages hereto (each, a “Holder” and collectively, the “Holder”). The Company and the Holders are each sometimes referred to herein, individually, as a “Party” and, collectively, as the “Parties.”

RECITALS

WHEREAS, the Holders hold all of the outstanding Senior Secured Convertible Notes of the Company (as amended, the “Notes”);

WHEREAS, concurrently with the execution and delivery of this Agreement, the Company is entering into separate Series B Convertible Preferred Stock Purchase Agreements (collectively, the “Purchase Agreements”) with each of Charter Communications Holding Company, LLC, Qurate Retail, Inc. and Pine Investor, LLC (collectively, the “Investors”) in the forms attached hereto as Exhibit A, Exhibit B and Exhibit C, respectively, pursuant to which the Investors will purchase shares of Series B Convertible Preferred Stock, par value \$0.001 per share, of the Company pursuant to the terms and subject to the conditions set forth in the Purchase Agreements (the “Preferred Stock” and the transactions contemplated by the Purchase Agreements, the “Transactions”);

WHEREAS, in compliance with Section 16 of the Notes, the Company and the Holders, which together represent the Required Holders (as defined in the Notes), desire to enter into this Agreement with respect to the Notes, which Agreement includes the waiver and amendment of certain provisions contained therein;

WHEREAS, this Agreement shall be binding on current and future holders of all Notes as of the execution and delivery of this Agreement by the Company and the Holders (such time, the “Effective Time”).

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto, intending to be legally bound hereby, agree as follows:

1. Definitions. Unless otherwise specified herein, all capitalized terms used and not defined herein shall have the meanings ascribed to them in the Notes.

2. Prepayment.

2.1 In connection with, and contemporaneously with, the closing of the Transactions (the “Closing”), the Company shall pay, or direct the Investors to pay out of the proceeds of the Transactions, to the Holders an amount of cash representing the sum of (x) the amount set forth opposite such Holder’s name in column (2) of Exhibit D attached hereto, (y) any accrued and unpaid Interest as of the date of the Closing (the “Closing Date”) with respect to the Notes held by such Holders immediately prior to the Closing (including any Notes converted pursuant to the Closing Conversion (as defined below)) and (z) any accrued and unpaid Late Charges with respect

to such Principal and Interest on such Notes as of the Closing Date, by wire transfer of immediately available funds in accordance with wiring instructions set forth opposite such Holder's name in column (3) of Exhibit D attached hereto (the "Prepayment Consideration"); provided, however, that, to the extent permitted under the terms of the Notes, the Company may elect, in its sole discretion, to pay any accrued and unpaid Interest on the Notes, in whole or in part, in Interest Shares (calculated in accordance with the terms of the Notes) and any such Interest Shares shall be deemed "Closing Shares" for all purposes of this Agreement. In the event the Company elects to pay any such Interest Shares, the Company shall provide the Holders at least ten (10) Trading Days' prior written notice of the Closing Date and the Closing Date shall be deemed an Interest Date for purposes of determining the related Interest Conversion Price. Subject to the Holders' right to convert the Notes prior to Closing pursuant to the Closing Conversion, upon receipt by the Holders of the Prepayment Consideration on the Closing Date, and in consideration thereof, (i) the Securities Purchase Agreement, the Security Documents, the Notes and any other Transaction Documents still in effect shall be automatically terminated, cancelled and of no further force and effect and each of the Company, the Holders and the Collateral Agent shall have no further obligations, duties, commitments or responsibilities in connection with the Securities Purchase Agreement, the Security Documents, the Notes or any other Transaction Documents still in effect, (ii) all security interests, liens, mortgages, assignments or other encumbrances that Collateral Agent or any Holder has or may have against the assets of the Company and any Subsidiaries of the Company or against any other assets securing the Notes, shall automatically and irrevocably terminate and be of no further force or effect, (iii) the Notes shall be discharged and satisfied, and (iv) each of the Securities Purchase Agreement, the Security Documents, the Notes and any other Transaction Documents still in effect shall terminate and have no further force or effect. The transactions described in this Section 2 are to be referred to hereinafter as the "Prepayment." For the avoidance of doubt, the amount of the Prepayment Consideration shall not be reduced as a result of the Closing Conversion.

2.2 The Company shall provide at least three (3) Business Days' prior written notice of the anticipated Closing Date. Prior to the Closing, the Holders shall be permitted to exercise their conversion rights under the Notes, and any such shares shall be deemed Closing Shares (as defined below) for purposes hereof; provided that the Holders hereby agree not to convert any of the outstanding and unpaid Conversion Amount into more than an aggregate amount of 3,150,000 shares of common stock, par value \$0.001 per share of the Company ("Common Stock") (as adjusted for any stock dividend, stock split, stock combination, reclassification or similar transaction relating to the Common Stock after the date hereof) (any such conversion, the "Closing Conversion"). Each Holder shall be expressly permitted to deliver a Conversion Notice with respect to the Closing Conversion to the Company at any time prior to the Closing and to condition the Closing Conversion upon the occurrence of the Closing.

2.3 Notwithstanding anything in the Securities Purchase Agreement, the Security Documents, the Notes or any other Transaction Documents, to the extent that the Prepayment or any other transaction contemplated by this Agreement would not be permitted by the terms of the Securities Purchase Agreement, the Security Documents, the Notes or any other Transaction Documents still in effect, by their signature below, the Holders, in all requisite capacities, do hereby consent to the Prepayment and the other transactions contemplated by this Agreement, subject only to the receipt of the Prepayment Consideration and the Closing Conversion, all in accordance with the terms of this Agreement.

2.4 At least two (2) Business Days prior to the Closing Date, the Holders shall deliver to the Company a duly executed payoff letter evidencing the payoff of all outstanding Principal, any accrued and unpaid Interest and any unpaid Late Charges on such Principal and Interest under, and the release of any liens and encumbrances in respect of, the Notes and the termination of any guarantees or similar obligations (in each case, in accordance therewith), subject only to the receipt of the Prepayment Consideration on the Closing Date and the Closing Conversion, in the form attached hereto as Exhibit E.

2.5 Notwithstanding anything herein to the contrary, the Interest payable with respect to the Interest Date of January 4, 2021 shall be made pursuant to the terms and conditions of the Notes as modified by that certain Side Letter dated as of December 26, 2020 by and among the Parties (the "Side Letter").

3. Company Covenant. The Company agrees that on or before 5:30 p.m., New York City time, on the first Business Day after this Agreement has been executed (the "Disclosure Time"), the Company shall file a Current Report on Form 8-K describing the terms of the transactions contemplated by this Agreement and the Purchase Agreements and any other material, nonpublic information that the Company has provided to any Holder or any of its Affiliates at any time prior to the date hereof in a form as would be required by the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and attaching this Agreement, the Purchase Agreements and any material exhibit attached to the Purchase Agreements (the "8-K Filing"). From and after the filing of the 8-K Filing, no Holder nor any of its Affiliates shall be in possession of any material, non-public information received from the Company or any of its officers, directors, employees, Affiliates or agents. In addition, effective upon the earlier of the Disclosure Time and the filing of the 8-K Filing, the Company acknowledges and agrees that any and all confidentiality or similar obligations under any agreement, including any agreement or acknowledgement restricting purchases or sales of securities relating to the possession of material non-public information, whether written or oral with Company, any of its Subsidiaries or any of their respective officers, directors, Affiliates, employees or agents, on the one hand, and any Holder or any of its Affiliates, on the other hand, including, without limitation, that certain Confidentiality Agreement dated as of December 26, 2020 by and between the Company and Starboard Value LP (as amended, the "Confidentiality Agreement"), shall terminate and be of no further force or effect; provided that, for the avoidance of doubt, the foregoing shall not be deemed to terminate any obligations set forth in the Confidentiality Agreement, including any "standstill" or similar obligations, other than such confidentiality or similar obligations. From and after the date hereof, the Company shall not, and shall cause each of its Subsidiaries and its and each of their respective officers, directors, Affiliates, employees and agents, not to, provide any Holder with any material, nonpublic information regarding the Company or any of its Subsidiaries without the express prior written consent of such Holder. To the extent that the Company delivers any material, non-public information to a Holder without such Holder's express prior written consent, the Company hereby covenants and agrees that such Holder shall not have any duty of confidentiality to the Company, any of its Subsidiaries or any of their respective officers, directors, employees, Affiliates or agents with respect to, or a duty to the Company, any of its Subsidiaries or any of their respective officers, directors, employees, Affiliates or agents not to trade on the basis of, such material, non-public information. The Company understands and confirms that the Holders and its Affiliates will rely on the foregoing representations in effecting transactions in securities of the Company.

4. Restrictions on Transfer.

4.1 Each Holder agrees not to, without the prior written consent of the Board, directly or indirectly, (i) transfer, sell, hypothecate, pledge, grant any option to purchase or otherwise dispose of any shares of Common Stock beneficially owned by the Holders as of the Closing Date (the “Closing Shares”), (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of such Closing Shares, whether any such transaction is to be settled by delivery of such securities, in cash or otherwise, or (iii) publicly announce any intention to effect any transaction specified in clause (i) or (ii) (the actions specified collectively in clauses (i) – (ii), a “Transfer”), in each case, to (A) any Person (other than a Holder or any of its Affiliates, as of the date hereof) that has been identified on the most recent “SharkWatch 50” list, or any publicly disclosed Affiliate funds of such Person, (B) a Person set forth on Schedule 1 attached hereto or (C) a Person set forth on Schedule 2 attached hereto, in each case, to the extent that the identity of the transaction counterparty can be reasonably ascertained and such Person meets the applicable definition thereof to such Holder’s knowledge after reasonable inquiry (excluding (x) any block trade in which a broker-dealer will attempt to sell the shares to a third-party as agent or other similar transactions with a financial intermediary, (y) any Transfers into the public market pursuant to a bona fide, broadly distributed underwritten public offering or (z) Transfers through a bona fide sale to the public, which is not directed at a particular transferee, without registration effectuated pursuant to Rule 144). The Company will not give, and will not permit the Company’s transfer agent to give, any effect to such attempted Transfer on its records.

4.3 The restrictions on transfer set forth in any Purchase Agreement or agreement entered into in connection with any Purchase Agreement (a “Purchase Document”) are not more advantageous to the Investors than the transfer restriction set forth in this Section 4. If, and whenever on or after the date hereof, in the event the transfer restrictions contained in any Purchase Document is amended, modified or waived, then (i) the Company shall provide notice thereof to the Holders as promptly as practicable following the occurrence thereof and (ii) the terms and conditions of this Section 4 shall be, without any further action by any Holder or the Company, automatically amended and modified in an economically equivalent manner such that the Holders shall receive the benefit of such more favorable terms and/or conditions (as the case may be). Notwithstanding the foregoing, the Company agrees, at its expense, to take such other actions (such as entering into amendments to this Agreement) as any Holder may reasonably request to further effectuate the foregoing. The provisions of this paragraph shall apply similarly and equally to each Purchase Document or each amendment thereto.

- i. engage in any solicitation of proxies or consents or become a “participant” in a “solicitation” (as such terms are defined in Regulation 14A under the Exchange Act) of proxies or consents (including, without limitation, any solicitation of consents that seeks to call a special meeting of stockholders), in each case, with respect to securities of the Company;
- ii. form, join or in any way participate in any “group” (within the meaning of Section 13(d)(3) of the Exchange Act) with respect to the Common Stock (other than a “group” that includes all or some of the entities or persons identified on Exhibit F, but does not include any other entities or persons not identified on Exhibit F as of the date hereof); provided, however, that nothing herein shall limit the ability of an Affiliate of a Holder to join the “group” following the execution of this Agreement, so long as any such Affiliate agrees to be bound by the terms and conditions of this Agreement;
- iii. deposit any Common Stock in any voting trust or subject any Common Stock to any arrangement or agreement with respect to the voting of any Common Stock, other than any such voting trust, arrangement or agreement solely among the members of the Holders and otherwise in accordance with this Agreement;

- v. (A) make any proposal for consideration by stockholders at any annual or special meeting of stockholders of the Company, (B) make any offer or proposal (with or without conditions) with respect to any merger, acquisition, recapitalization, restructuring, disposition or other business combination involving the Holders or their controlled Affiliates and the Company, (C) affirmatively solicit a third party to make an offer or proposal (with or without conditions) with respect to any merger, acquisition, recapitalization, restructuring, disposition or other business combination involving the Company, or publicly encourage, initiate or support any third party in making such an offer or proposal, (D) publicly comment on any third party proposal regarding any merger, acquisition, recapitalization, restructuring, disposition, or other business combination with respect to the Company by such third party prior to such proposal becoming public or (E) call or seek to call a special meeting of stockholders;
- vi. seek, alone or in concert with others, representation on the Board;
- vii. knowingly seek to advise, encourage, support or influence any person or entity with respect to the voting or disposition of any securities of the Company at any annual or special meeting of stockholders, except in accordance with this Agreement; or

- viii. make any request or submit any proposal to amend the terms of this Agreement other than through non-public communications with the Company that would not be reasonably determined to trigger public disclosure obligations for any Party.

("ISS") or Glass Lewis & Co., LLC ("Glass Lewis") recommends otherwise with respect to the Company's "say-on-pay" proposal or any other Company proposal or stockholder proposal presented at such meeting (other than proposals relating to the election of directors), such Holder shall be permitted to vote in accordance with the ISS or Glass Lewis recommendation. Any attempt by a Holder to vote, consent or express dissent with respect to (or otherwise utilize the voting power of) the Closing Shares in contravention of this Section 6.2 shall be void ab initio.

6.3 Each Holder shall, from time to time, execute and deliver, or cause to be executed and delivered, such additional or further consents, documents and other instruments as the Company may reasonably request to the extent necessary to effectively carry out the transactions contemplated by this Section.

**Comscore Announces Strategic Investment by
Charter Communications, Qurate Retail and Cerberus**

Investment will accelerate the industry's shift to census-based audience and impression measurement

New data licenses solidify the future of Advanced Audience Currency for the media industry

Creates ability to shape next generation of advanced audience and advertising measurement

RESTON, VA, January 7, 2021 – Comscore, Inc. (Nasdaq: SCOR) (“Comscore” or the “Company”), a trusted partner for planning, transacting and evaluating media across platforms, today announced investments from Charter Communications, Inc. (together with its affiliates, “Charter”), Qurate Retail, Inc. (“Qurate”) and an affiliate of Cerberus Capital Management, L.P. (“Cerberus”). Specifically, Charter, Qurate and Cerberus each will make a cash investment in exchange for shares of convertible preferred stock (the “Investment,” as more fully described below). Proceeds from the Investment will be used to retire the Company’s existing debt and significantly improve the Company’s financial flexibility and liquidity position.

In connection with the transaction, Charter will provide enhanced access to deidentified and aggregated data sources and rights that provide the Company with richer and more granular consumer-level data sets, to be used in a manner consistent with the companies’ privacy and security policies. This move will accelerate an industry-wide shift to census-based audience viewership, providing advertisers with more reliable audience measurement and analysis. The 10-year Charter license will allow the Company to pursue additional revenue in TV, digital and cross-platform audience and impression-based currency, enhanced addressable advertising capabilities and outcome-based attribution.

Additionally, further accelerating its efforts to provide advertisers with more reliable measurement, Comscore announced that Comcast Cable Communications (“Comcast”, a subsidiary of Comcast Corporation) will be extending its current data agreement with the Company.

Investment Highlights

- Issuance of convertible preferred stock of \$204.0 million (\$68.0 million per investor) at \$2.47 per share
- Each investor receives 27.5 million convertible preferred shares
- Each investor’s voting rights capped at 16.66%
- Senior secured notes held by affiliates of Starboard Value LP (“Starboard”) and a foreign secured term note, each to be retired in full
- Shareholder vote expected to be held in first quarter of 2021

Business Highlights

- Charter and Comcast providing long-term data rights to help accelerate the path to more accurate measurement for brands, agencies and media sellers in a privacy-friendly manner
- Local markets will have an unprecedented amount of data for media measurement
- Smaller and independent networks will have access to better viewership measurement

In connection with the Investment, the Company's convertible debt held by Starboard and the Company's secured term note each will be repaid in full at the closing of the transaction. Starboard will receive \$204.0 million in cash from Investment proceeds, plus accrued interest and 3.15 million common shares. The Investment transaction will require shareholder approval and is subject to customary closing conditions.

As part of the transaction, the Company will enter into an extended data license agreement with Charter, anchoring and expanding the Company's comprehensive, industry-leading assets, and Charter will treat Comscore as its preferred local measurement partner. In concert with Charter, Comscore plans to drive a new industry standard in media measurement towards impressions-based measurement for the selling and buying of advertising.

Cerberus, through its industry leading technology solutions platform ("CTS"), deploys world-class capabilities in new-form technologies, advanced data and analytics, and programmatic ads and media optimization. CTS's operating executives bring decades of experience in building and managing data consortia, optimizing and enriching proprietary data assets, and innovating and implementing data driven decisioning solutions.

"This is a watershed moment in our history," said Bill Livek, Chief Executive Officer, Comscore. "The retirement of debt provides the company with the financial flexibility to execute our plan. The investment and commercial agreements we announced today will supercharge our ability to deliver trusted cross-platform measurement for all customers. We are built to deliver now."

"The time has finally come for Comscore, with its industry-leading impression-based data sets, to be able to offer advertisers, agencies and inventory owners the kind of granular measurement, attribution and reporting they will need to compete in our high-tech world. As people continue to consume content in different ways and on multiple platforms, our investment in Comscore will further enhance the television industry and Spectrum Reach's ability to provide marketers and advertisers with effective and measurable data-driven solutions," said David Kline, Executive Vice President, Charter and President, Spectrum Reach. "More effective audience measurement will help clients to better reach targeted audiences throughout the communities we serve and ensure a greater return on their advertising investment."

Matt Zames, President of Cerberus, added, “We look forward to partnering with the Comscore management team, Charter and Qurate to build on Comscore’s next phase of transformation and growth. With Comscore’s leading data and analytics capabilities, we are excited to apply our expertise and resources to help build on its portfolio of trusted products and drive value for shareholders.”
