

**TO THE STOCKHOLDERS OF COMSCORE, INC. AND SHAREHOLDERS OF RENTRAK CORPORATION
—MERGER PROPOSAL — YOUR VOTE IS VERY IMPORTANT**

December 23, 2015

Dear stockholders of comScore and shareholders of Rentrak,

The boards of directors of each of comScore, Inc. ("comScore") and Rentrak Corporation ("Rentrak") have approved the merger of a wholly owned subsidiary of comScore with and into Rentrak, with Rentrak surviving as a wholly owned subsidiary of comScore. If the proposed merger is completed, Rentrak shareholders will receive 1.1500 shares of comScore common stock for each share of Rentrak common stock they own at the completion of the merger. comScore stock will be unaffected by the merger.

Based on the number of shares of comScore and Rentrak common stock outstanding on December 10, 2015, Rentrak shareholders are expected to hold approximately 33.5% of the fully diluted shares of comScore common stock following the completion of the merger. comScore stockholders will continue to own their existing shares, which will not be adjusted by the merger. Following the merger, Serge Matta, the current President and Chief Executive Officer of comScore, will be the Chief Executive Officer of comScore, and comScore's board of directors will consist of all eight directors from the current comScore board of directors (Magid M. Abraham, Russell Fradin, Gian M. Fulgoni, William J. Henderson, William Katz, Ronald J. Korn, Joan Lewis and Serge Matta) and four members of the current Rentrak board of directors (William Engel, Patricia Gottesman, William P. Livek and Brent Rosenthal).

comScore common stock trades on the Nasdaq Global Select Market under the ticker symbol "SCOR." As of December 21, 2015, the most recent practicable date prior to the date of this joint proxy statement/prospectus, the last reported sales price of comScore common stock at the end of regular trading hours, as reported on the Nasdaq Global Select Market, was \$38.42. Rentrak common stock trades on the Nasdaq Global Market under the ticker symbol "RENT." As of December 21, 2015, the most recent practicable date prior to the date of this joint proxy statement/prospectus, the last reported sales price of Rentrak common stock at the end of regular trading hours, as reported on the Nasdaq Global Market, was \$43.33.

comScore and Rentrak cannot complete the merger unless comScore stockholders approve the issuance of shares of comScore common stock in connection with the merger and Rentrak shareholders adopt the merger agreement and approve the transactions contemplated by the merger agreement. The obligations of comScore and Rentrak to complete the merger are also subject to the satisfaction or waiver of several other conditions to the merger. More information about comScore, Rentrak and the merger is contained in this joint proxy statement/prospectus. **We encourage you to read carefully this joint proxy statement/prospectus before voting, including the section entitled "[Risk Factors](#)" beginning on page 17 of this joint proxy statement/prospectus.**

QUESTIONS AND ANSWERS ABOUT THE MERGER

General Questions and Answers

The following questions and answers briefly address some commonly asked questions about the comScore special meeting, the Rentrak special meeting and the merger. They may not include all the information that is important to stockholders of comScore and shareholders of Rentrak. comScore urges its stockholders and Rentrak urges its shareholders to read carefully this entire joint proxy statement/prospectus, including the annexes and the other documents referred to herein. Page references are included in this summary to direct you to more detailed discussions elsewhere in this joint proxy statement/prospectus.

Q: Why am I receiving this joint proxy statement/prospectus?

A: comScore and Rentrak have agreed to combine their businesses under the terms of a merger agreement that is described in this joint proxy statement/prospectus. A copy of the merger agreement is attached to this joint proxy statement/prospectus as Annex A.

In order to complete the merger, comScore stockholders must approve the issuance of shares of comScore common stock in connection with the merger and Rentrak shareholders must adopt the merger agreement and approve the transactions contemplated by the merger agreement. comScore will hold a special meeting of its stockholders and Rentrak will hold a special meeting of its stockholders to obtain these approvals. Each of comScore and Rentrak is also asking its stockholders or shareholders, as applicable, to approve other matters in connection with its respective special meetings that are described in this joint proxy statement/prospectus. This joint proxy statement/prospectus contains important information about the merger and the stockholder and shareholder meetings of each of comScore and Rentrak, and you should read it carefully. For comScore stockholders, the enclosed voting materials for the comScore special meeting allow comScore stockholders to vote shares of comScore common stock without attending the comScore special meeting. For Rentrak shareholders, the enclosed voting materials for the Rentrak special meeting allow Rentrak shareholders to vote shares of Rentrak common stock without attending the Rentrak special meeting.

Stockholder votes are important. comScore and Rentrak encourage stockholders and shareholders of each company to vote as soon as possible.
For more specific information on how to vote, please see the questions and answers for each of the comScore and Rentrak shareholders below.

Q: Why are comScore and Rentrak proposing the merger? (see page 48)

A: After reviewing strategic alternatives to address the opportunities and challenges facing our companies, the boards of directors of both comScore and Rentrak reached the same conclusion—*this merger represents the best strategic alternative for our respective companies*.

Specifically, comScore and Rentrak believe the merger will provide certain strategic and financial benefits, including the following:

- an increase in product offerings, specifically for cross-media measurement;
- greater depth of relationships with customers and data providers;
- enhanced opportunities for growth and innovation;
- opportunities for increased revenue from existing relationships; and
- reduction in operating costs and other synergies.

Q: When do comScore and Rentrak expect to complete the merger?

A: comScore and Rentrak expect to complete the merger in January 2016. However, neither comScore nor Rentrak can predict the exact timing of the completion of the merger because the merger is subject to governmental and regulatory review processes and other conditions, including approval by comScore's stockholders and Rentrak's shareholders.

Table of Contents

Q: What effects will the proposed merger have on comScore and Rentrak?

A: Upon completion of the proposed merger, Rentrak will cease to be a publicly traded company and will be wholly owned by comScore, which means that comScore will be the only shareholder of Rentrak. As a result, Rentrak shareholders will own shares in comScore only and will not directly own any shares in Rentrak. comScore stockholders will continue to own their comScore shares. Following completion of the merger, the registration of Rentrak's common stock and its reporting obligations with respect to its common stock under the Securities Exchange Act of 1934 will be terminated. In addition, upon completion of the proposed merger, shares of Rentrak common stock will no longer be quoted on the NASDAQ Global Market or any other stock exchange or quotation system. Unless sold or otherwise transferred, comScore stockholders will continue to own shares in comScore upon completion of the merger.

Q: What happens if the merger is not completed?

A: If the merger is not completed for any reason, Rentrak shareholders will not receive any shares of comScore common stock for their shares of Rentrak common stock pursuant to the merger agreement or otherwise. Instead, comScore and Rentrak will remain separate public companies, and each company expects that its common stock will continue to be registered under the Securities Exchange Act of 1934 and traded on their applicable exchanges. In specified circumstances, either comScore or Rentrak may be required to pay to the other party a termination fee, as described in "*The Merger Agreement—Termination; Fees and Expenses*" beginning on page 103 of this joint proxy statement/prospectus.

Q: How do the comScore and Rentrak boards of directors recommend that I vote? (see pages 49 and 62)

A: The comScore board of directors, or the comScore Board, recommends that comScore stockholders vote "FOR" the proposal to issue shares of comScore common stock in connection with the merger and "FOR" the proposal to approve the adjournment of the comScore special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the issuance of the shares of comScore common stock in connection with the merger.

The Rentrak board of directors recommends that the Rentrak shareholders vote "FOR" the proposal to adopt the merger agreement and approve the transactions contemplated by the merger agreement, "FOR" the proposal to approve on an advisory (non-binding) basis the compensation that may be paid or become payable to Rentrak named executive officers that is based on or otherwise relates to the merger agreement and merger and "FOR" the proposal to approve the adjournment of the Rentrak special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to adopt the merger agreement and approve the transactions contemplated by the merger agreement.

Q: Are the comScore stockholders or Rentrak shareholders entitled to dissenters' rights?

A: No. comScore stockholders are not entitled to dissenters' rights of appraisal for their shares under Delaware law in connection with the merger. Rentrak shareholders are not entitled to dissenters' rights of appraisal for their shares under Oregon law in connection with the merger.

Q: What should I do now?

A: Please review this joint proxy statement/prospectus carefully and vote as soon as possible. Most comScore stockholders and Rentrak shareholders may vote over the Internet or by telephone. Stockholders and shareholders may also vote by signing, dating and returning each proxy card and voting instruction card received.

Table of Contents

Q: What should I do if I receive more than one set of voting materials? (see pages 28 and 34)

A: Please vote each proxy card and voting instruction card that you receive. You may receive more than one set of voting materials, including multiple copies of this joint proxy statement/prospectus and multiple proxy cards or voting instruction cards. For example, stockholders and shareholders who hold shares in more than one brokerage account will receive a separate voting instruction card for each brokerage account in which shares are held. If shares are held in more than one name, stockholders and shareholders will receive more than one proxy or voting instruction card. In addition, if you are a stockholder of comScore and a shareholder of Rentrak, you may receive one or more proxy cards or voting instruction cards for comScore and one or more proxy cards or voting instruction cards for Rentrak. If you are a stockholder of comScore and a shareholder of Rentrak, please note that a vote for the issuance of shares in connection with the merger for the comScore special meeting will not constitute a vote for the proposal to adopt the merger agreement and approve the transactions contemplated by the merger agreement for the Rentrak special meeting, and vice versa. Therefore, please vote each proxy and voting instruction card you receive, whether from comScore or Rentrak. **For information on electronic voting via Internet or telephone, please refer to the section entitled “Questions and Answers About the Merger” beginning on page vi and the section entitled “The Rentrak Special Meeting” beginning on page 31 of this joint proxy statement/prospectus.**

A: comScore stockholders will vote on the following proposals:

- to approve the issuance of shares of comScore common stock in connection with the merger;
- to approve the adjournment of the comScore special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the issuance of the shares of comScore common stock in connection with the merger; and
- to transact such other business as may properly come before the special meeting.

Table of Contents

Q: How many votes are needed for the proposals considered by comScore stockholders at the comScore special meeting? (see page 27)

A: Assuming a quorum of comScore stockholders are present at the comScore special meeting, with respect to each proposal separately, an affirmative vote of the majority of shares present in person or represented by proxy at the comScore special meeting are required to approve the issuance of shares of comScore common stock, and the adjournment of the comScore special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the issuance of the shares of comScore common stock in connection with the merger. Thus, the failure to submit a proxy card or vote in person, by telephone, or through the Internet, will have no effect on each applicable proposal; however any abstentions or the failure to instruct your bank or broker how to vote if you hold your shares in “street name” with respect to any of these proposals will have the effect of a vote against each applicable proposal.

Q: What is the quorum requirement for the comScore special meeting?

A: A quorum of comScore stockholders will be present at the comScore special meeting if holders of a majority of comScore stock issued and outstanding and entitled to vote thereat are present in person or represented by proxy. Your shares will be counted towards such quorum only if you submit a valid proxy (or one is submitted on your behalf by your bank or broker) or if you vote in person at the comScore special meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the chairman of the comScore special meeting or holders of a majority of the votes present at the comScore special meeting may adjourn the comScore special meeting to another time or date. If you do not vote, it will be more difficult for comScore to obtain the necessary quorum to approve the proposals to be considered by comScore stockholders at the comScore special meeting.

Q: As a comScore stockholder, how can I vote? (see page 27)

A: Stockholders of record as of the record date may vote in person by attending the comScore special meeting, by completing and returning a proxy card or, if you hold your shares in street name, a voting instruction form. Most stockholders can also vote over the Internet or by telephone. comScore stockholders can find voting instructions in the materials accompanying this joint proxy statement/prospectus.

The Internet and telephone voting facilities will close at 11:59 p.m., Eastern Time, on January 27, 2016. Please be aware that comScore stockholders who vote over the Internet may incur costs such as telephone and Internet access charges for which they will be responsible.

The method by which comScore stockholders vote will in no way limit the right to vote at the meeting if you later decide to attend in person. If shares are held in street name, comScore stockholders must obtain a proxy, executed in their favor, from their broker or other holder of record, to be able to vote at the meeting.

If shares are held through a broker, such shares may be voted even if holders of such shares do not vote or attend the special meeting with regard to “routine” matters. Broker “non-votes,” if any, will not be counted in determining the final vote with respect to any particular proposal.

All shares entitled to vote and represented by properly completed proxies received prior to the comScore special meeting and not revoked will be voted at the meeting in accordance with your instructions. If a signed proxy card is returned without indicating how shares should be voted on a matter and the proxy is not revoked, the shares represented by such proxy will be voted as the comScore board of directors recommends and therefore “FOR” the issuance of shares in connection with the merger.

For a more detailed explanation of the voting procedures, please see the section entitled “*The comScore Special Meeting—Proxies and Voting Procedures*” beginning on page 27 of this joint proxy statement/prospectus.

Table of Contents

Q: As a comScore stockholder, may I change my vote after I have submitted a proxy card or voting instruction card? (see page 28)

A: Yes. comScore stockholders may revoke a previously granted proxy or voting instruction at any time prior to the special meeting by:

- signing and returning a later dated proxy or voting instruction card for the comScore special meeting; or
- attending the comScore special meeting and voting in person, as described in the section entitled “*The comScore Special Meeting*” beginning on page 26 of this joint proxy statement/prospectus.

Only the last submitted proxy or voting instruction card will be considered. Please submit a proxy or voting instruction card for the comScore special meeting as soon as possible.

Q: What do comScore stockholders need to do now?

A: Carefully read and consider the information contained in and incorporated by reference into this joint proxy statement/prospectus, including its annexes. In order for comScore shares to be represented at the special meeting, comScore stockholders can (1) vote through the Internet or by telephone by following the instructions included on their proxy card, (2) indicate on the enclosed proxy card how they would like to vote and return the proxy card in the accompanying pre-addressed postage paid envelope, or (3) attend the comScore special meeting in person.

Q: Who can answer questions?

A: comScore stockholders with questions about the merger or the other matters to be voted on at the comScore special meeting or who desire additional copies of this joint proxy statement/prospectus or additional proxy cards should contact: comScore legal department by telephone at (703) 438-2000.

If you need additional copies of this joint proxy statement/prospectus or voting materials, contact the comScore legal department as described above or comScore Investor Relations at <http://ir.comscore.com/contactus.cfm> or by telephone at (703) 438-2100.

Questions and Answers for Rentrak Shareholders

Q: Why are Rentrak shareholders receiving this joint proxy statement/prospectus?

A: In order to complete the merger, Rentrak shareholders must adopt the merger agreement. This joint proxy statement/prospectus contains important information about the proposed merger, the merger agreement and the Rentrak special meeting, which should be read carefully. The enclosed voting materials allow Rentrak shareholders to vote shares without attending the Rentrak special meeting. The vote of Rentrak shareholders is very important. Rentrak shareholders are encouraged to vote as soon as possible.

Q: What will Rentrak shareholders receive in the merger?

A: If the proposed merger is completed, at the effective time of the merger, Rentrak shareholders will be entitled to receive 1.1500 shares of comScore common stock for each share of Rentrak common stock that they own. comScore will not issue any fractional shares of common stock in connection with the merger. Instead, each Rentrak shareholder who would otherwise be entitled to receive a fraction of a share of comScore common stock will receive (after aggregating all fractional shares of comScore common stock that otherwise would be received by such Rentrak shareholder) an amount of cash (rounded down to the nearest whole cent), without interest, equal to the amount obtained by multiplying such fraction of a share by the average of the closing sale prices for one share of comScore common stock as quoted on the Nasdaq Global Select Market for the ten (10) consecutive trading days ending on the second trading day

Table of Contents

immediately preceding the completion of the merger. Following the completion of the merger, former Rentrak shareholders are expected to own approximately 33.5% of the fully diluted shares of comScore common stock.

Q: *What if I have Rentrak stock options?*

A: Each outstanding option to purchase shares of Rentrak common stock, whether or not exercisable, will be converted into an option to acquire comScore common stock, on the same terms and conditions as were applicable to such Rentrak stock option prior to the effective time of the merger, except that the number of shares for which such option is or may become exercisable and the exercise price of the option will be adjusted to reflect the exchange ratio.

Q: *What if I have Rentrak restricted stock units?*

A: Each unvested Rentrak restricted stock unit award will be converted into an award to receive shares of comScore common stock on the same terms and conditions that were applicable to the Rentrak restricted stock unit award prior to the effective time of the merger, except that the number of shares subject to the award will be adjusted to reflect the exchange ratio.

Q: *What are the material U.S. federal income tax consequences of the merger to Rentrak shareholders? (see page 108)*

A: The transaction is intended to qualify as a “reorganization” for U.S. federal income tax purposes within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the “Code”). If the merger qualifies as a reorganization, Rentrak shareholders will not recognize any gain or loss, for U.S. federal income tax purposes, with respect to the shares of comScore common stock they receive in the merger. However, Rentrak shareholders will recognize gain or loss on any fractional shares of comScore common stock for which cash is received in lieu of a fractional share.

Rentrak shareholders are urged to read the discussion in the section entitled “*The Merger Agreement—Material U.S. Federal Income Tax Consequences of the Merger*” beginning on page 108 of this joint proxy statement/prospectus for a more complete discussion of the U.S. federal income tax consequences of the merger and to consult their tax advisors as to the U.S. federal income tax consequences of the transaction, as well as the effects of state, local and non-U.S. tax laws.

Q: *When and where is the Rentrak special meeting? (see page 31)*

A: The special meeting of Rentrak shareholders will be held at 9:00 a.m., local time, on January 28, 2016 at One Airport Center 7700 N.E. Ambassador Place, Portland, Oregon 97220. Check-in will begin at 8:45 a.m., local time. Please allow ample time for the check-in procedures.

Q: *How can I attend the Rentrak special meeting? (see page 31)*

A: Rentrak shareholders as of the close of business on December 10, 2015 and those who hold a valid proxy for the special meeting are entitled to attend the Rentrak special meeting. Rentrak shareholders should be prepared to present photo identification for admittance. In addition, names of record holders will be verified against the list of record holders on the record date prior to being admitted to the meeting. Rentrak shareholders who are not record holders but who hold shares through a broker or nominee (i.e., in “street name”), should provide proof of beneficial ownership on the record date, such as their most recent account statement prior to December 10, 2015 or other similar evidence of ownership. If Rentrak shareholders do not provide photo identification or comply with the other procedures outlined above upon request, they will not be admitted to the Rentrak special meeting.

The Rentrak special meeting will begin promptly at 9:00 a.m., local time. Check-in will begin at 8:45 a.m., local time, and you should allow ample time for the check-in procedures.

Table of Contents

Q: What matters will Rentrak shareholders vote on at the special meeting?

A: Rentrak shareholders will vote on the following proposals:

- to adopt the merger agreement and approve the transactions contemplated by the merger agreement;
- to approve on an advisory (non-binding) basis the compensation that may be paid or become payable to Rentrak named executive officers that is based on or otherwise relates to the merger agreement and merger;
- to approve the adjournment of the Rentrak special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to adopt the merger agreement and approve the transactions contemplated by the merger agreement; and
- to transact such other business as may properly come before the special meeting.

Q: How many votes are needed for the proposals considered by Rentrak shareholders at the Rentrak special meeting? (see page 32)

A: The proposal to adopt the merger agreement and approve the transactions contemplated by the merger agreement requires the affirmative vote of the holders of at least a majority of the shares of Rentrak common stock outstanding on the record date. Approval of the compensation proposal (on an advisory (non-binding) basis) and the adjournment proposal each requires the affirmative vote of holders of a majority of the shares of Rentrak common stock present in person or represented by proxy at the Rentrak special meeting and entitled to vote on the proposal.

Q: What is the quorum requirement for the Rentrak special meeting?

A: A quorum of Rentrak shareholders will be present at the Rentrak special meeting if holders of a majority of Rentrak common stock issued and outstanding and entitled to vote at the Rentrak special meeting are present in person or represented by proxy. Your shares will be counted towards such quorum only if you submit a valid proxy (or one is submitted on your behalf by your bank or broker) or if you vote in person at the Rentrak special meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the chairman of the Rentrak board of directors or holders of a majority of the votes present at the Rentrak special meeting may adjourn the Rentrak special meeting to another time or date. If you do not vote, it will be more difficult for Rentrak to obtain the necessary quorum to approve the proposals to be considered by Rentrak shareholders at the Rentrak special meeting.

Q: As a Rentrak shareholder, how can I vote? (see page 31)

A: Shareholders of record as of the record date may vote in person by attending the Rentrak special meeting, by completing and returning a proxy card or, if you hold your shares in "street name," a voting instruction form. Most shareholders can also vote over the Internet or by telephone. The availability of Internet and telephone voting for shares held in "street name" will depend on the voting processes of your broker or other nominee. If Internet and telephone voting are available, Rentrak shareholders can find voting instructions in the materials accompanying this joint proxy statement/prospectus.

The Internet and telephone voting facilities will close at 11:59 p.m., Eastern Time, on January 27, 2016. Please be aware that Rentrak shareholders who vote over the Internet may incur costs such as telephone and Internet access charges for which they will be responsible.

The method by which Rentrak shareholders vote will in no way limit the right to vote at the meeting if you later decide to attend in person. If shares are held in "street name," Rentrak shareholders must obtain a proxy, executed in their favor, from their broker or other holder of record, to be able to vote at the meeting.

Table of Contents

Failure by a Rentrak shareholder to submit a proxy, or instruct a broker or nominee to vote, as the case may be, will have the effect of a vote against the merger proposal, but it will have no effect on the compensation proposal or the adjournment proposal, assuming a quorum is present.

All shares entitled to vote and represented by properly completed proxies received prior to the Rentrak special meeting and not revoked will be voted at the meeting in accordance with your instructions. If a signed proxy card is returned without indicating how shares should be voted on a matter and the proxy is not revoked, the shares represented by such proxy will be voted as the Rentrak board of directors unanimously recommends and therefore “FOR” the merger proposal, the compensation proposal and the adjournment proposal.

For a more detailed explanation of the voting procedures, please see the section entitled “*The Rentrak Special Meeting—Proxies and Voting Procedures*” beginning on page 33 of this joint proxy statement/prospectus.

Q: As a Rentrak shareholder, what happens if I do not vote?

A: Failure to vote or give voting instructions to your broker or nominee for the Rentrak special meeting could make it more difficult to meet the voting requirement that the total votes cast on the merger proposal represent over fifty percent (50%) of the outstanding shares of Rentrak common stock entitled to vote thereon. Therefore, Rentrak urges Rentrak shareholders to vote.

Q: As a Rentrak shareholder, may I change my vote after I have submitted a proxy card or voting instruction card? (see page 34)

A: Yes. Rentrak shareholders may revoke a previously granted proxy or voting instruction at any time prior to the special meeting by:

- signing and returning a later dated proxy or voting instruction card for the Rentrak special meeting; or
- attending the Rentrak special meeting and voting in person, as described in the section entitled “*The Rentrak Special Meeting*” beginning on page 31 of this joint proxy statement/prospectus.

Only the last submitted proxy or voting instruction card will be considered. Please submit a proxy or voting instruction card for the Rentrak special meeting as soon as possible.

Q: Should Rentrak stock certificates be sent in now?

A: No. If the merger is completed, Rentrak shareholders will receive written instructions for sending in any stock certificates they may have.

Q: What do Rentrak shareholders need to do now?

A: Carefully read and consider the information contained in and incorporated by reference into this joint proxy statement/prospectus, including its annexes. In order for Rentrak shares to be represented at the special meeting, Rentrak shareholders can (1) vote through the Internet or by telephone by following the instructions on the voting instruction card included with their proxy card, (2) indicate on the enclosed proxy card how they would like to vote and return the proxy card in the accompanying pre-addressed postage paid envelope, or (3) attend the Rentrak special meeting in person.

The following is a summary of the information contained in this joint proxy statement/prospectus relating to the merger. This summary may not contain all of the information about the merger that is important to you. For a more complete description of the merger, comScore and Rentrak encourage you to read carefully this entire joint proxy statement/prospectus, including the attached annexes. In addition, comScore and Rentrak encourage you to read the information incorporated by reference into this joint proxy statement/prospectus, which includes important business and financial information about comScore and Rentrak. The Merger

comScore and Rentrak have agreed to combine their businesses under the terms of a merger agreement between the companies that is described in this joint proxy statement/prospectus. A copy of the merger agreement is attached to this joint proxy statement/prospectus as Annex A. Under the terms of the merger agreement, Rum Acquisition Corporation will merge with and into Rentrak, and Rentrak will become a wholly owned subsidiary of comScore. Upon completion of the merger, each share of Rentrak common stock outstanding immediately prior to the effective time of the merger will be canceled and extinguished and automatically converted into the right to receive 1.1500 shares of comScore common stock, and the cash payable in lieu of any fractional shares as described in the section entitled “*The Merger Agreement—Treatment of Securities—Fractional Shares*” beginning on page 87 of this joint proxy statement/prospectus. Upon completion of the merger, unless prohibited by local law, comScore also will assume outstanding options to purchase Rentrak common stock, Rentrak restricted stock units and Rentrak performance stock units. As a result of the transactions contemplated by the merger agreement, former holders of Rentrak common stock will own shares of comScore common stock. comScore stockholders will continue to own their existing shares of comScore common stock after the merger.

Board Recommendations

Recommendation of the comScore Board of Directors (see page 49)

After careful consideration, at a meeting of the comScore board of directors held on September 29, 2015, the comScore board of directors present unanimously determined that the merger agreement and the consummation of the transactions contemplated by the merger agreement are advisable and in the best interests of the comScore stockholders, and approved the merger agreement. **The comScore board of directors recommends that comScore stockholders vote: "FOR" the proposal of the issuance of comScore common stock in the merger pursuant to the terms of the merger agreement and "FOR" the approval of the adjournment of the comScore special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the issuance of the shares of comScore common stock in connection with the merger.**

Opinion of comScore's Financial Advisor (see page 54)

comScore retained J.P. Morgan Securities LLC, referred to herein as J.P. Morgan, to act as its financial advisor in connection with the transactions contemplated by the merger agreement. At the meeting of the comScore Board on September 29, 2015, J.P. Morgan rendered its oral opinion to the comScore Board that, as of such date and based upon and subject to the factors and assumptions set forth in its opinion, the exchange ratio in the proposed merger was fair, from a financial point of view, to comScore. The oral opinion was subsequently confirmed in writing by delivery of J.P. Morgan's written opinion dated September 29, 2015.

undertaken by J.P. Morgan in rendering its opinion, is attached as Annex B to this joint proxy statement/prospectus and is incorporated herein by reference. comScore's stockholders are urged to read the opinion in its entirety. J.P. Morgan's opinion is addressed to the comScore Board, is directed only to the fairness from a financial point of view of the exchange ratio in the proposed transaction as of the date of the opinion and does not constitute a recommendation to any stockholder of comScore as to how such stockholder should vote with respect to the transactions contemplated by the merger agreement or any other matter.

Recommendations of the Rentrak Board of Directors (see page 62)

After careful consideration, the Rentrak board of directors unanimously determined that the merger agreement and the transactions contemplated by the merger agreement are advisable and in the best interests of the Rentrak shareholders and has unanimously approved the merger agreement. **The Rentrak board of directors recommends that the Rentrak shareholders vote "FOR" the proposal to adopt the merger agreement and approve the transactions contemplated by the merger agreement. The Rentrak board of directors also recommends that Rentrak shareholders vote "FOR" the proposal to approve on an advisory (non-binding) basis the compensation that may be paid or become payable to Rentrak named executive officers that is based on or otherwise relates to the merger agreement and merger and "FOR" the proposal to approve the adjournment of the Rentrak special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to adopt the merger agreement and approve the transactions contemplated by the merger agreement.**

Opinion of Rentrak's Financial Advisor

Goldman Sachs & Co., referred to herein as Goldman Sachs, delivered its opinion to Rentrak's board of directors that, as of the date of the written fairness opinion and based upon and subject to the factors and assumptions set forth therein, the exchange ratio pursuant to the merger agreement was fair from a financial point of view to the holders (other than comScore and its affiliates) of the outstanding shares of common stock, par value \$0.001 per share, of Rentrak.

The full text of the written opinion of Goldman Sachs, dated September 29, 2015, which sets forth assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is attached as Annex C. Goldman Sachs provided its opinion for the information and assistance of the Rentrak board of directors in connection with its consideration of the proposed transaction. The Goldman Sachs opinion does not constitute a recommendation as to how any holder of Rentrak's common stock should vote with respect to the proposed transaction or any other matter. Pursuant to an engagement letter between Rentrak and Goldman Sachs, Rentrak has agreed to pay Goldman Sachs a transaction fee of approximately \$9,000,000, which is contingent upon consummation of the proposed transaction. The board of directors of Rentrak has the discretion to pay Goldman Sachs an additional amount up to \$2,000,000 for services Goldman Sachs provided in connection with the merger.

Interests of the Directors and Executive Officers of Rentrak (see page 81)

In considering the recommendation of the Rentrak board of directors to adopt the merger agreement and approve the transactions contemplated by the merger agreement, Rentrak shareholders should be aware that the Rentrak directors and executive officers have interests in the merger and have arrangements that are different from, or in addition to, those of Rentrak shareholders generally, including, but not limited to, the following:

- in connection with the merger comScore will assume outstanding options to purchase shares of Rentrak common stock held by such directors and executive officers;
- unvested restricted stock units of Rentrak held by the Rentrak executive officers will fully accelerate vesting in connection with the consummation of the transactions contemplated by the merger agreement;

Table of Contents

- unvested deferred stock units of Rentrak held by the Rentrak directors will become fully vested, and all outstanding deferred stock units of Rentrak held by the Rentrak directors will be settled in shares, in connection with the consummation of the transactions contemplated by the merger agreement;
- Rentrak's executive officers are entitled to receive certain cash payments and other benefits upon a qualifying termination of employment in connection with a change of control of Rentrak;
- certain Rentrak employees are entitled to receive additional grants of restricted stock units in connection with the consummation of the transactions contemplated by the merger agreement;
- certain Rentrak employees are entitled to receive certain cash payments and/or accelerated vesting of outstanding options to purchase shares of Rentrak common stock and restricted stock units and performance stock unit awards of Rentrak held by such employees in connection with a change in control of Rentrak, or upon a qualifying termination of employment in connection with a change of control of Rentrak;
- William P. Livek, Rentrak's Chief Executive Officer, has executed an offer letter with comScore that entitles Mr. Livek to receive an annual base salary, short-term and long-term equity incentive awards (which are subject to achieving certain performance-based and time-based goals), and an award of comScore restricted stock units, all contingent upon the closing of the merger;
- David Chemerow, Rentrak's Chief Operating Officer and Chief Financial Officer, has executed an offer letter with comScore with a one-year term that entitles Mr. Chemerow to receive a base salary, a short-term equity incentive award (which is subject to achieving certain performance-based goals), and an award of comScore restricted stock units, all contingent upon the closing of the merger;
- directors and officers will be indemnified by the combined company with respect to acts or omissions by them in their capacities as such prior to the effective time of the merger; and
- under the terms of the merger agreement, four directors of the current Rentrak board of directors will be designated to serve on the board of directors of comScore after the effective time of the merger.

These interests and arrangements may create potential conflicts of interest. The Rentrak board of directors was aware of these potential conflicts of interest and considered them, among other matters, in reaching its decision to approve the merger agreement and the transactions contemplated by the merger agreement.

Conditions to Completion of the Merger (see page 100)

Several conditions must be satisfied or waived before comScore and Rentrak complete the merger, including, but not limited to, the following:

- approval by comScore stockholders of the issuance of shares of comScore common stock in the merger;
- adoption of the merger agreement by Rentrak shareholders;
- no law that has the effect of making the merger illegal or prohibiting the effective time of the merger will be in effect;
- no order of any court preventing the completion of the merger will be in effect;
- comScore's registration statement on Form S-4 will have been declared effective by the Securities and Exchange Commission;
- receipt of all clearances, consents, approvals, authorizations and orders applicable to the merger which are required under any antitrust laws of the U.S. and any other non-U.S. jurisdiction in which comScore or Rentrak have material business operations or in which comScore and Rentrak mutually agree;

Table of Contents

- receipt of opinions by comScore and Rentrak from their respective tax counsel that the merger will qualify as a “reorganization” within the meaning of Section 368(a) of the Code;
- shares of comScore common stock issuable in the merger will be authorized for listing on the Nasdaq Global Select Market;
- accuracy of each party’s respective representations and warranties as set forth in the merger agreement;

- absence of a material adverse effect on comScore and Rentrak, respectively, from September 29, 2015 to the completion of the merger.

No Solicitation (see page 93)

Subject to limited exceptions, the merger agreement contains detailed provisions that prohibit comScore and Rentrak from soliciting, initiating, or knowingly encouraging or facilitating alternative acquisition proposals with any third party including but not limited to the following:

- any acquisition or purchase of a fifteen percent (15%) or greater interest in the total outstanding equity interests or voting securities of comScore or Rentrak;
- any acquisition or purchase of fifty percent (50%) or more of any class of equity or other voting securities of one or more subsidiaries of comScore or Rentrak, the business(es) of which, individually or in the aggregate, generate fifteen percent (15%) or more of the net revenues, net income or assets of comScore or Rentrak;
- any merger, consolidation, business combination or other similar transaction involving comScore or Rentrak or one or more of their subsidiaries the business(es) of which, individually or in the aggregate, generate or constitute fifteen percent (15%) or more of the net revenues, net income or assets of comScore or Rentrak; and
- subject to certain exceptions, any sale, lease, exchange, transfer, license, acquisition or disposition of assets of comScore or Rentrak that generate or constitute fifteen percent (15%) or more of the net revenues, net income or assets of comScore or Rentrak.

The merger agreement does not, however, prohibit either party from considering a bona fide acquisition proposal from a third party if specified conditions are met.

comScore Governance Matters After the Merger

Immediately following the effective time of the merger:

- the comScore board of directors will have twelve (12) members comprised of all of the current members of the comScore board of directors (Magid M. Abraham, Russell Fradin, Gian M. Fulgoni, William J. Henderson, William Katz, Ronald J. Korn, Joan Lewis and Serge Matta,) and four (4) members of the current Rentrak board of directors (William Engel, Patricia Gottesman, William P. Livek and Brent Rosenthal);
- the executive chairman of the comScore board of directors will continue to be Magid M. Abraham;
- the executive vice chairman of the comScore board of directors will be William P. Livek;

**SELECTED UNAUDITED PRO FORMA
CONDENSED COMBINED CONSOLIDATED FINANCIAL DATA**

The following selected unaudited pro forma condensed combined financial information has been prepared to illustrate the effect of the merger. The unaudited pro forma condensed combined balance sheet information gives effect to the merger as if it occurred on September 30, 2015. The unaudited pro forma condensed combined statements of operations and comprehensive loss information for the nine months ended September 30, 2015 and the twelve months ended December 31, 2014 gives effect to the merger as if it occurred on January 1, 2014. Since comScore will be treated as the acquiror of Rentrak for accounting purposes, this unaudited pro forma condensed combined financial information is presented using comScore's historical reporting periods.

comScore and Rentrak have different fiscal year end dates. However, because the difference between comScore's and Rentrak's fiscal year end dates is less than 93 days, Rentrak's results for the year ended March 31, 2015 have been used to prepare the unaudited pro forma condensed combined statement of operations for the year ended December 31, 2014, as permitted under Rule 11-02 of Regulation S-X. As a result, Rentrak's results of operations for the three months ended March 31, 2014 are included in the unaudited pro forma condensed combined statements of operations for the year ended December 31, 2014 and Rentrak's results of operations for the three months ended March 31, 2015 are included in the unaudited pro forma condensed combined statements of operations for the nine months ended September 30, 2015.

This unaudited pro forma condensed combined financial information is for informational purposes only. It does not purport to indicate the results that would actually have been obtained had the merger been completed on the assumed date or for the periods presented, or which may be realized in the future. A final determination of the fair value of Rentrak's assets and liabilities will be based on the actual net tangible and intangible assets and liabilities of Rentrak that exist as of the date of closing of the merger and, therefore, cannot be made prior to that date. Additionally, the value of the portion of the merger consideration to be paid in shares of comScore common stock will be determined based on the trading price of comScore common stock at the time of the closing of the merger.

The selected unaudited pro forma condensed combined financial information (i) has been derived from and should be read in conjunction with the section entitled "*Unaudited Pro Forma Condensed Combined Consolidated Financial Statements*" and the related notes beginning on page 111 of this joint proxy statement/prospectus and (ii) should be read in conjunction with the historical consolidated financial statements of comScore and Rentrak incorporated by reference into this joint proxy statement/prospectus.

The pro forma information is presented for illustrative purposes only and is not necessarily indicative of the operating results or financial position that would have occurred if the merger had been completed as of the beginning of the periods presented, nor is it necessarily indicative of the future operating results or financial position of the combined company.

COMPARATIVE PER SHARE MARKET PRICE DATA

comScore common stock trades on the Nasdaq Global Select Market under the symbol “SCOR.” Rentrak common stock trades on the Nasdaq Global Market under the symbol “RENT.”

The following table shows the high and low sales prices per share of comScore common stock and Rentrak common stock on (1) September 29, 2015, the last full trading day preceding public announcement that comScore and Rentrak had entered into the merger agreement, and (2) December 21, 2015, the most recent practicable full trading day for which high and low sales prices were available as of the date of this joint proxy statement/prospectus. The table also includes historical prices for calendar quarter periods for the last three years.

The table also includes the equivalent high and low sales prices per share of Rentrak common stock on those dates. These equivalent high and low sales prices per share reflect the fluctuating value of comScore common stock that Rentrak shareholders would receive in exchange for each share of Rentrak common stock if the merger were completed on either of these dates, applying the exchange ratio of 1.1500 shares of comScore common stock for each share of Rentrak common stock.

The above table shows only historical comparisons. These comparisons may not provide meaningful information to (i) comScore stockholders in determining whether to approve the issuance of shares of comScore common stock in connection with the merger or (ii) Rentrak shareholders in determining whether to adopt the merger agreement and approve the transactions contemplated by the merger agreement. comScore and Rentrak shareholders are urged to obtain current market quotations for comScore and Rentrak common stock and to review carefully the other information contained in this joint proxy statement/prospectus or incorporated by reference into this joint proxy statement/prospectus in considering whether to approve the issuance of shares of comScore common stock in the merger in the case of comScore stockholders, and whether to adopt the merger agreement and approve the transactions contemplated by the merger agreement in the case of Rentrak shareholders. See the section entitled “*Where You Can Find More Information*” beginning on page 136 of this joint proxy statement/prospectus.

RISK FACTORS

In addition to the other information included or incorporated by reference in, and found in the annexes attached to, this joint proxy statement/prospectus, including the matters addressed under the section entitled "Cautionary Statement Regarding Forward-Looking Information" beginning on page iv of this joint proxy statement/prospectus, comScore stockholders should carefully consider the following risks before deciding whether to vote for approval of the issuance of the shares of comScore common stock in connection with the merger and Rentrak shareholders should carefully consider the following risks before deciding whether to vote for adoption of the merger agreement. In addition, stockholders of comScore and shareholders of Rentrak should read and consider the risks associated with each of the businesses of comScore and Rentrak because these risks will relate to the combined company. Certain of these risks can be found in comScore's annual report on Form 10-K for the fiscal year ended December 31, 2014, and in comScore's quarterly report on Form 10-Q for the period ended September 30, 2015, each of which is incorporated by reference into this joint proxy statement/prospectus, and in Rentrak's annual report on Form 10-K for the fiscal year ended March 31, 2015, and in Rentrak's quarterly report on Form 10-Q for the period ended September 30, 2015, which is incorporated by reference into this joint proxy statement/prospectus. You should also consider the other information in this joint proxy statement/prospectus and the other documents incorporated by reference into this joint proxy statement/prospectus. See the section entitled "Where You Can Find More Information" beginning on page 136 of this joint proxy statement/prospectus.

Risk Factors Relating to the Merger

Rentrak shareholders will receive a fixed ratio of 1.1500 shares of comScore common stock for each share of Rentrak common stock regardless of any changes in market value of Rentrak common stock or comScore common stock before the completion of the merger.

Upon completion of the merger, each share of Rentrak common stock will be converted into the right to receive 1.1500 shares of comScore common stock. There will be no adjustment to the exchange ratio (except for adjustments to reflect the effect of any stock split, reverse stock split, stock dividend, reorganization, recapitalization, reclassification or other like change with respect to comScore common stock or Rentrak common stock), and the parties do not have a right to terminate the merger agreement based upon changes in the market price of either comScore common stock or Rentrak common stock. Accordingly, the dollar value of comScore common stock that Rentrak shareholders will receive upon completion of the merger will depend upon the market value of comScore common stock at the time of completion of the merger, which may be different from, and lower than, the closing price of comScore common stock on the last full trading day preceding public announcement that comScore and Rentrak entered into the merger agreement, the last full trading day prior to the date of this joint proxy statement/prospectus or the date of the stockholder or shareholder meetings. Moreover, completion of the merger may occur sometime after the requisite stockholder and shareholder approvals have been obtained. The market values of comScore common stock and Rentrak common stock have varied since comScore and Rentrak entered into the merger agreement and will continue to vary in the future due to changes in the business, operations or prospects of comScore and Rentrak, market assessments of the merger, regulatory considerations, market and economic considerations, and other factors both within and beyond the control of comScore and Rentrak.

The issuance of shares of comScore common stock to Rentrak shareholders in the merger will substantially reduce the percentage interests of comScore stockholders.

If the merger is completed, comScore and Rentrak expect that (i) approximately 17.7 million (17,700,000) shares of comScore common stock would be issued to Rentrak shareholders (including holders of shares subject to a repurchase option or obligation, risk of forfeiture or other condition under any applicable restricted stock purchase agreement or other agreement with Rentrak) and (ii) upon exercise or settlement of assumed equity awards, up to approximately 2,700,000 shares will be issued to holders of assumed stock options, restricted stock units and performance stock units. Based on the number of shares of comScore and Rentrak common stock

Table of Contents

outstanding on December 10, 2015, Rentrak shareholders before the merger will own, in the aggregate, approximately 33.5% of the fully diluted shares of comScore common stock immediately after the merger. The issuance of shares of comScore common stock to Rentrak shareholders in the merger and to holders of assumed options, restricted stock units and performance stock units will cause a significant reduction in the relative percentage interest of current comScore stockholders in earnings, voting, liquidation value and book and market value.

The merger is subject to the receipt of consents and approvals from government entities that may impose conditions that could have an adverse effect on comScore or Rentrak or could cause abandonment of the merger.

On October 23, 2015, comScore and Rentrak filed Notification and Report Forms with the Federal Trade Commission and the Antitrust Division of the United States Department of Justice, as required by the Hart-Scott Rodino Antitrust Improvements Act of 1976, as amended, referred to herein as the HSR Act. The applicable waiting period under the HSR Act expired on November 23, 2015. The transaction also may be reviewed by foreign governmental competition authorities. Certain of these reviews may involve the relevant governmental entity's consideration of the effect of the merger on competition in various jurisdictions.

The reviewing authorities may not permit the merger at all or may impose restrictions or conditions on the merger that may seriously harm the combined company if the merger is completed. These conditions could include changes to the terms of the merger agreement, granting a complete or partial license, divestiture of certain assets, spin-off or the holding separate of assets or businesses. Any delay in the completion of the merger could diminish the anticipated benefits of the merger or result in additional transaction costs, loss of revenue or other effects associated with uncertainty about the transaction.

comScore and Rentrak also may agree to restrictions or conditions imposed by antitrust authorities in order to obtain regulatory approval, and these restrictions or conditions could harm the combined company's operations. No additional stockholder or shareholder approvals are expected to be required for any decision by comScore or Rentrak, after the special meeting of Rentrak shareholders and the special meeting of comScore stockholders, to agree to any terms and conditions necessary to resolve any regulatory objections to the merger.

After the statutory waiting period and even after completion of the merger, governmental authorities could seek to block or challenge the merger as they deem necessary or desirable in the public interest. In addition, in some jurisdictions, including the United States, a competitor, customer or other third party could initiate a private action under the antitrust laws challenging or seeking to enjoin the merger, before or after it is completed. comScore and Rentrak cannot be sure that a challenge to the merger will not be made. If a challenge is made, comScore, Rentrak or the combined company may not prevail, or may incur significant costs, in defending or settling any action under antitrust laws. See "*The Merger Agreement—Conditions to Obligations to Complete the Merger*" and "*The Merger Agreement—Regulatory Filings and Approvals Required to Complete the Merger*" beginning on page 100 of this joint proxy statement/prospectus.

Customer uncertainties related to the merger could adversely affect the businesses, revenues and profit margins of comScore, Rentrak and the combined company.

In response to the announcement of the merger or due to ongoing uncertainty about the merger, customers of comScore or Rentrak may delay or defer purchasing decisions or elect to switch to other providers. In particular, prospective customers could be reluctant to purchase the products and services of comScore, Rentrak or the combined company due to uncertainty about the direction of the combined company's offerings, willingness to support existing products or comparability of datasets. To the extent that the merger creates uncertainty among those persons and organizations contemplating purchases such that one large customer, or a significant group of smaller customers, delays, defers or changes purchases in connection with the planned merger, the revenues of comScore, Rentrak or the combined company would be adversely affected. Customer assurances may be made by comScore and Rentrak to address their customers' uncertainty about the direction of

Table of Contents

the combined company's product and related support offerings, which may result in additional obligations of comScore, Rentrak or the combined company. Quarterly revenues and net earnings of comScore, Rentrak or the combined company could be substantially below expectations of market analysts and a decline in the companies' respective stock prices could result.

Certain directors and executive officers of comScore and Rentrak have interests in the merger that may be different from, or in addition to, the interests of comScore stockholders and Rentrak shareholders.

Executive officers of comScore and Rentrak negotiated the terms of the merger agreement under the direction of the boards of directors of comScore and Rentrak, respectively. The board of directors of comScore by unanimous vote of the directors present approved the merger agreement and recommended that comScore stockholders vote in favor of the issuance of shares of comScore common stock in connection with the merger, and the board of directors of Rentrak by unanimous vote of the directors present approved the merger agreement and recommended that Rentrak shareholders vote in favor of the adoption of the merger agreement. These directors and executive officers may have interests in the merger that are different from, or in addition to or may be deemed to conflict with, yours. These interests include the continued employment of certain executive officers of comScore and Rentrak by the combined company, the continued positions of certain directors of comScore and Rentrak as directors of the combined company and the indemnification of former comScore and Rentrak directors and officers by the combined company. With respect to Rentrak directors and executive officers, these interests also include the treatment in the merger of employment agreements, restricted stock units, stock options and other rights held by these directors and executive officers. comScore stockholders should be aware of these interests when they consider the comScore board of directors' recommendation that comScore stockholders vote in favor of the proposal to issue shares of comScore common stock in the merger, and Rentrak shareholders should be aware of these interests when they consider the Rentrak board of directors' recommendation that they vote in favor of the proposal to adopt the merger agreement. For a discussion of the interests of directors and executive officers in the merger, see "*The Merger—Reasons for the Merger—Interests of the Directors and Executive Officers of Rentrak in the Merger*" beginning on page 81 of this joint proxy statement/prospectus.

Provisions of the merger agreement may deter alternative business combinations and could negatively impact the stock prices of comScore and Rentrak if the merger agreement is terminated in certain circumstances.

In connection with the execution and delivery of the merger agreement, each of Rentrak and comScore immediately ceased and caused to be terminated any and all existing activities, discussions or negotiations with any persons previously conducted with respect to certain acquisition proposals and acquisition transactions relating to Rentrak and comScore. The merger agreement prohibits comScore and Rentrak from soliciting, initiating, or knowingly encouraging or facilitating certain alternative acquisition proposals with any third party, subject to exceptions set forth in the merger agreement. The merger agreement also provides for the payment by comScore of a termination fee of fifty-seven million dollars (\$57,000,000) to Rentrak or by Rentrak of a termination fee of twenty-eight million five hundred thousand dollars (\$28,500,000) to comScore if the merger agreement is terminated in specified circumstances in connection with a competing third-party acquisition proposal for one of the companies. See the section entitled "*The Merger Agreement—comScore and Rentrak are Required to Terminate Any Existing Discussions with Third Parties and are Prohibited from Soliciting Other Offers*" and "*The Merger Agreement—Termination; Fees and Expenses*" beginning on page 93 of this joint proxy statement/prospectus. These provisions limit comScore's and Rentrak's ability to pursue offers from third parties that could result in greater value to the comScore stockholders or the Rentrak shareholders, as the case may be. The obligation to pay the termination fee also may discourage a third party from pursuing an alternative acquisition proposal. If the merger is terminated and comScore or Rentrak determine to seek another business combination, neither comScore nor Rentrak assures its stockholders or shareholders, as the case may be, that it will be able to negotiate a transaction with another company on terms comparable to the terms of the merger, or that it will avoid incurrence of any fees associated with the termination of the merger agreement.

Table of Contents

In the event the merger is terminated by comScore or Rentrak in circumstances that obligate either party to pay the termination fee to the other party, including where either party terminates the merger agreement because the other party's board of directors withdraws its support of the merger, comScore's and/or Rentrak's stock prices may decline.

If the proposed merger is not completed, comScore and Rentrak will have incurred substantial costs that may adversely affect comScore's and Rentrak's financial results and operations and the market price of comScore and Rentrak common stock.

If the merger is not completed, the price of comScore common stock and Rentrak common stock may decline to the extent that the current market prices of comScore common stock and Rentrak common stock reflect a market assumption that the merger will be completed. In addition, comScore and Rentrak have incurred and will incur substantial costs in connection with the proposed merger. These costs are primarily associated with the fees of attorneys, accountants and comScore's and Rentrak's financial advisors. In addition, comScore and Rentrak have each diverted significant management resources in an effort to complete the merger and are each subject to restrictions contained in the merger agreement on the conduct of its business during the pendency of the merger. If the merger is not completed, comScore and Rentrak will have received little or no benefit in respect of such costs incurred. Also, if the merger is not completed under certain circumstances specified in the merger agreement, comScore may be required to pay a termination fee of fifty-seven million dollars (\$57,000,000) to Rentrak or Rentrak may be required to pay a termination fee of twenty-eight million five hundred thousand dollars (\$28,500,000) to comScore. See the section entitled "*The Merger Agreement—Termination; Fees and Expenses*" beginning on page 103 of this joint proxy statement/prospectus.

In addition, if the merger is not completed, comScore and Rentrak may experience negative reactions from the financial markets and comScore's and Rentrak's partners, data providers, customers and employees. Each of these factors may adversely affect the trading price of comScore and/or Rentrak common stock and comScore's and/or Rentrak's financial results and operations.

Shareholder litigation against Rentrak and comScore could result in an injunction preventing completion of the merger, the payment of damages if the merger is completed and/or an adverse effect on the combined company's business, financial condition or results of operations following the merger.

Transactions such as the merger are often subject to lawsuits by shareholders. In connection with the merger, four purported class action lawsuits have been filed on behalf of Rentrak shareholders in the Multnomah County Circuit Court in Oregon: (1) *Nathan v. Rentrak Corporation, et al.*, No. 15CV27429, filed on October 9, 2015, and a First Amended Class Action Complaint filed on November 19, 2015; (2) *Blum v. Rentrak Corporation, et al.*, No. 15CV27443, also filed on October 9, 2015; (3) *Stein v. Rentrak Corporation, et al.*, No. 15CV27520, filed on October 12, 2015; and (4) *Sikorski v. Rentrak Corporation, et al.*, No. 15CV27932, filed on October 14, 2015. It is possible that other related suits could subsequently be filed.

The allegations in the original *Nathan* complaint and the *Blum*, *Stein* and *Sikorski* complaints are similar. The lawsuits allege variously that the individual members of Rentrak's board of directors breached their fiduciary duties owed to Rentrak's shareholders by (a) approving the proposed merger for inadequate consideration; (b) approving the merger to obtain unique benefits not shared equally with other Rentrak shareholders; (c) failing to take steps to maximize the value paid to Rentrak shareholders; (d) failing to take steps to ensure a fair process leading up to the proposed merger; (e) agreeing to preclusive deal protection devices in the merger agreement; and (f) failing to ensure that no conflicts exist between individual directors' own interests and their fiduciary obligations to Rentrak's shareholders. The *Blum*, *Stein* and *Sikorski* complaints also state claims against comScore and/or the Merger Sub for aiding and abetting these alleged breaches of fiduciary duties. The amended complaint in the *Nathan* lawsuit adds allegations based on the defendants' alleged failure to disclose material information about the merger in the joint proxy statement/prospectus filed by comScore on October 30, 2015. It also adds as a defendant Rentrak's Chief Financial Officer and Chief Operating Officer, David Chemerow, and asserts breach of fiduciary duty claims against Mr. Chemerow that are identical to those alleged against the individual members of Rentrak's board of directors described above.

Table of Contents

The plaintiffs in each of the lawsuits generally seek, among other things, declaratory and injunctive relief concerning the alleged breaches of fiduciary duties, injunctive relief prohibiting completion of the merger, rescission of the merger if it is completed, an accounting by defendants, rescissionary damages, attorney's fees and costs, and other relief. In the amended *Nathan* complaint, plaintiff also seeks disclosure of allegedly material information omitted from the joint proxy statement/prospectus filed by comScore on October 30, 2015.

On November 26, 2015, the four actions were consolidated as *In re Rentrak Corporation Shareholders Litigation*, Consolidated Lead Case No. 15cv27429. The court also appointed lead plaintiff, lead plaintiff's counsel and liaison counsel for purposes of the consolidated action.

On December 16, 2015, the court designated the amended *Nathan* complaint as the operative complaint in the consolidated action.

One of the conditions to the closing of the merger is that no temporary restraining order, preliminary or permanent injunction or other judgment, order or decree issued by any court of competent jurisdiction or other law, legal restraint or prohibition will be in effect preventing the consummation of the merger. Consequently, if any lawsuit is successful in obtaining an injunction prohibiting Rentrak or comScore from consummating the merger on the agreed upon terms, the injunction may prevent the merger from being completed within the expected timeframe, or at all. Furthermore, if the merger is prevented or delayed, the lawsuits could result in substantial costs. The defense or settlement of any lawsuit or claim that remains unresolved at the time the merger is completed may adversely affect the combined company's business, financial condition or results of operations.

Risk Factors Relating to the Combined Company Following the Merger

The market price for shares of the combined company's common stock may be affected by factors different from those affecting the market price for shares of comScore common stock and Rentrak common stock prior to the merger.

Although the combined company will generally be subject to the same industry risks that each of comScore and Rentrak currently face, those risks may affect the results of operations of the combined company differently than they could affect the results of operations of each of comScore and Rentrak as separate companies. Additionally, the results of operations of the combined company may be affected by additional or different factors than those that currently affect the results of operations of comScore and Rentrak, including, but not limited to, complexities associated with managing the larger, more complex, combined business; integrating personnel from the two companies while maintaining focus on providing products and services; and potential performance shortfalls resulting from the diversion of management's attention caused by integrating the companies' operations.

For a discussion of the businesses of comScore and Rentrak and of various factors to consider in connection with those businesses, see the documents incorporated by reference in this joint proxy statement/prospectus and referred to under the section entitled "Where You Can Find More Information" beginning on page 136 of this joint proxy statement/prospectus.

Failure to successfully integrate the businesses of comScore and Rentrak in the expected time frame may adversely affect the combined company's future results.

comScore and Rentrak entered into the merger agreement with the expectation that the merger will result in various benefits, including certain revenue opportunities from new products and sales to each other's customers, as well as cost savings and operational efficiencies or synergies. To realize these anticipated benefits, the businesses of comScore and Rentrak must be successfully integrated, and importantly, new products and datasets to address client demand must be successfully developed. Historically, comScore and Rentrak have been

Table of Contents

independent companies, and they will continue to be operated as such until the completion of the merger. The integration may be complex and time consuming and may require substantial resources and effort. The management of the combined company may face significant challenges in consolidating the operations of comScore and Rentrak, developing new products while integrating existing products and technologies, procedures, and policies, as well as addressing the different corporate cultures of the two companies. If the companies are not successfully integrated, the anticipated benefits of the merger may not be realized fully or at all or may take longer to realize than expected.

Failure to develop new products, such as cross-media solutions, that are compelling for the marketplace in the expected time frame may adversely affect the combined company's future results.

As the media and advertising industry looks to evaluate investments such as advertising campaigns across various forms of media, such as television, radio, online, and mobile, the ability to measure the combined size and composition of audiences across platforms is increasingly important and demanded. A primary strategic reason for this business combination is to allow our companies to more quickly and effectively develop cross-media capabilities using the combined talents and assets of the two companies to meet a growing market demand. The management of the combined company may face significant challenges in developing new products while integrating existing products and technologies. If the companies are not successful in developing credible products in the expected timeframe, the anticipated benefits of the merger may not be realized fully or at all or may take longer to realize than expected.

If the combined company is unable to provide cross-media analytics, or if the combined company's cross-media analytics are incomplete or inaccurate, the combined company's ability to grow or maintain our business may be harmed.

As the media and advertising industry looks to evaluate advertising campaigns across various forms of media, such as television, radio, online, and mobile, the ability to measure the combined size and composition of audiences across platforms is increasingly important and demanded.

Because a significant proportion of advertising dollars are spent on television, access to television data is a critical component to cross-media analytics, and companies who have historically held a dominant market position measuring television, such as Nielsen in the U.S., Kantar in certain countries outside the U.S., or providers selected by joint industry committees in countries outside of the U.S., may need to be relied on to produce industry-accepted measurement across a combination of media platforms. Each company has entered into agreements to acquire and license television data and technology to support cross-media services, however, if such data and technology is not sufficiently maintained, or if those licenses are not renewed, or if multi-channel video providers determine to significantly increase prices, or enter into exclusive arrangements with other measurement companies, the combined company may suffer a reduction in the quality of its metrics, and its ability to realize revenue synergies may be harmed.

The combined company may not be able to adequately protect or enforce its intellectual property rights, which could harm its competitive position.

The combined company's success and future revenue growth will depend, in part, on its ability to protect its intellectual property. The combined company will primarily rely on patent, copyright, trademark and trade secret laws, as well as nondisclosure agreements and other methods, to protect its proprietary technologies and processes. It is possible that competitors or other unauthorized third parties may obtain, copy, use or disclose proprietary technologies and processes, despite efforts by the combined company to protect its proprietary technologies and processes. While the combined company will hold a significant number of patents, there are no assurances that any additional patents will be issued. Even if new patents are issued, the claims allowed may not be sufficiently broad to protect the combined company's technology. In addition, any of comScore or Rentrak's existing patents, and any future patents issued to the combined company, may be challenged, invalidated or circumvented. As such, any rights granted under these patents may not provide the combined company with meaningful protection. comScore and Rentrak may not have, and in the future the combined company may not have, foreign patents or pending applications corresponding to its U.S. patents and applications. Even if foreign

Table of Contents

patents are granted, effective enforcement in foreign countries may not be available. If the combined company's patents do not adequately protect its technology, competitors may be able to offer products similar to the combined company's products. The combined company's competitors may also be able to develop similar technology independently or design around its patents.

Failure to develop, introduce and sell new products or failure to develop and implement new technologies, could adversely impact the financial results of the combined company.

The digital media measurement industry is a highly competitive, quickly changing environment. Success of the combined company will depend on its ability to develop and introduce new products and software platforms that customers choose to buy. If the combined company fails to introduce new products, services or technologies in a timely manner or if customers do not successfully adopt those new products and services of the combined company, the business, financial condition and results of operations of the combined company could be materially harmed.

comScore, Rentrak and, following the merger, the combined company, must continue to retain, recruit, and motivate executives and other key employees, and failure to do so could negatively affect the combined company.

For the merger to be successful, both comScore and Rentrak must continue to retain, recruit, and motivate executives and other key employees during the period before the merger is completed. Further, the combined company must be successful at retaining, recruiting, and motivating key employees following the completion of the merger in order for the benefits of the transaction to be fully realized. Employees of both comScore and Rentrak may experience uncertainty about their future roles with the combined company until, or even after, strategies with regard to the combined company are announced and executed. The potential distractions related to the merger may adversely affect the ability of comScore, Rentrak and, following completion of the merger, the combined company, to keep executives and other key employees focused on business strategies and goals and to address other important personnel matters. A failure by comScore, Rentrak or, following the completion of the merger, the combined company, to attract, retain, and motivate executives and other key employees during the period prior to or after the completion of the merger could have a negative effect on their respective businesses.

The unaudited pro forma condensed combined financial information included in this joint proxy statement/prospectus may not be indicative of what the combined company's actual financial position or results of operations would have been.

The unaudited pro forma condensed combined financial information included in this joint proxy statement/prospectus is presented solely for illustrative purposes and is not necessarily indicative of what the combined company's actual financial position or results of operations would have been had the merger been completed on the dates indicated. This unaudited pro forma condensed combined financial information reflects adjustments that were developed using preliminary estimates based on available information and various assumptions and that may be revised as additional information becomes available. Accordingly, the final acquisition accounting adjustments may differ materially from the pro forma adjustments reflected in this joint proxy statement/prospectus.

In accordance with Delaware law, a list of stockholders entitled to vote at the meeting will be available at the meeting, and for ten (10) days prior to the meeting, at 11950 Democracy Drive, Suite 600, Reston, Virginia 20190, between the hours of 9:00 a.m. and 5:00 p.m., local time.

Vote Required for Approval

Quorum

A quorum will be present if at least a majority of the outstanding shares are represented by proxy or by stockholders present and entitled to vote at the special meeting. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your bank or broker) or if you vote in person at the special meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the chairman of the special meeting or holders of a majority of the votes present at the special meeting may adjourn the special meeting to another time or date.

Required Vote

Assuming a quorum of comScore stockholders are present at the comScore special meeting, with respect to each proposal separately, an affirmative vote of the majority of shares present in person or represented by proxy at the comScore special meeting are required to approve the issuance of shares of comScore common stock and the adjournment of the comScore special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the issuance of the shares of comScore common stock in connection with the merger.

Effect of Not Voting, Withheld Votes and Abstentions

With respect to the proposals to approve issuance of shares of comScore common stock, the failure to submit a proxy card or vote in person, by telephone, or through the Internet, will have no effect on each applicable proposal, however any abstentions or the failure to instruct your bank or broker how to vote if you hold your shares in "street name" with respect to any of these proposals will have the effect of a vote against each applicable proposal.

Under the applicable rules of the New York Stock Exchange, brokers and other nominees that are members of the New York Stock Exchange are prohibited from giving a proxy to vote their customers' shares with respect to the proposals to be voted on at the comScore special meeting in the absence of instructions from their customers.

Adjournments

If there is no quorum, the chairman of the comScore special meeting or holders of a majority of the votes present at the comScore special meeting may adjourn the special meeting to another time or date.

Proxies and Voting Procedures

You can vote your shares by mail by completing, signing and dating each proxy card received and returning it in the prepaid envelope, by telephone or online by following the instructions provided in the Notice of Online Availability of Proxy Materials or in person at the special meeting. If you vote by mail, your proxy card must be received no later than January 28, 2016 at 1:00 p.m. Eastern Time to be voted at the comScore special meeting. Online and telephone voting are available twenty-four (24) hours a day, and votes submitted by telephone or online must be received by 11:59 p.m. Eastern Time on January 27, 2016. Even if you plan to attend the comScore special meeting, we recommend that you also submit your proxy card or voting instructions, or vote by telephone or online by the applicable deadline so that your vote will be counted if you later decide not to attend the comScore special meeting. If you are the beneficial owner of shares held in "street name," you should have received the notice and voting instructions from the bank or broker holding your shares. You should follow the instructions in the notice and voting instructions to instruct your bank or broker on how to vote your shares. The availability of telephone and online voting for shares held in "street name" will depend on the voting process of

the bank or broker. Shares held beneficially in “street name” may be voted in person at the comScore special meeting only if you obtain a legal proxy from the bank or broker in advance of the comScore special meeting giving you the right to vote your shares.

The method by which you vote will in no way limit your right to vote at the meeting if you later decide to attend in person. If you are the beneficial owner of your shares, you must obtain a proxy, executed in your favor, from your broker or other holder of record, to be able to vote at the meeting.

You may vote all shares you own as of the close of business on the record date for the comScore special meeting, which is December 10, 2015. You may cast one vote per share of common stock for each proposal.

Revoking a Proxy

If you are a stockholder of record, you have the right to revoke your proxy and change your vote at any time before the comScore special meeting by (i) returning a later-dated proxy card, or (ii) voting again online or by telephone, as more fully described on your notice or proxy card. You may also revoke your proxy and change your vote by voting in person at the comScore special meeting. Attendance at the comScore special meeting will not cause your previously granted proxy to be revoked unless you specifically so request or vote again at the comScore special meeting.

If your shares are held by a bank or broker, you may change your vote by submitting new voting instructions to your bank, broker, trustee or agent, or, if you have obtained a legal proxy from your bank or broker giving you the right to vote your shares, by attending the comScore special meeting and voting in person.

Shares Held in “Street Name”

If you own shares of comScore common stock through a broker, bank or other nominee and attend and vote at the comScore special meeting, you should bring a letter from your broker, bank or other nominee reflecting your stock ownership as of the record date for the comScore special meeting.

Tabulation of Votes

Representatives of American Stock Transfer & Trust Company, comScore’s mailing agent and tabulation service, will count the votes, and a representative of Wilson Sonsini Goodrich & Rosati will act as the Inspector of Elections. The procedures to be used by the Inspector of Elections are consistent with Delaware law concerning the voting of shares, determination of a quorum and the vote required to take stockholder action.

How You Can Reduce the Number of Copies of comScore's Proxy Materials You Receive

The Securities and Exchange Commission has rules that permit comScore to deliver a single copy of its proxy statement to stockholders sharing the same address. To reduce the expenses of delivering duplicate proxy materials, comScore is taking advantage of the Securities and Exchange Commission's "householding" rules that permit comScore to deliver only one set of proxy materials to stockholders who share an address, unless otherwise requested by the stockholders.

Cost of Proxy Distribution and Solicitation

The cost of soliciting your vote in connection with this joint proxy statement/prospectus has been, or will be, borne the party incurring those expenses and is expected to cost approximately \$15,000. comScore has also requested that banks, brokers and other custodians, agents and fiduciaries send these proxy materials to the beneficial owners of comScore's common stock they represent and secure their instructions as to the voting of such shares. comScore may reimburse such banks, brokers and other custodians, agents and fiduciaries representing beneficial owners of comScore's common stock for their expenses in forwarding solicitation materials to such beneficial owners. Certain of comScore's directors, officers or employees may also solicit proxies in person, by telephone, or by electronic communications, but they will not receive any additional compensation for doing so.

In particular, comScore stockholders are directed to the merger agreement which is attached as Annex A to this joint proxy statement/prospectus.

The comScore board of directors recommends a vote “FOR” the proposal to issue shares of comScore common stock in connection with the merger.

COMSCORE PROPOSAL 2.

POSSIBLE ADJOURNMENT TO SOLICIT ADDITIONAL PROXIES, IF NECESSARY OR APPROPRIATE

THE RENTRAK SPECIAL MEETING

Date, Time and Place of the Rentrak Special Meeting

The Rentrak special meeting of Rentrak shareholders will be held at 9:00 a.m., local time, on January 28, 2016 at One Airport Center, 7700 N.E. Ambassador Place, Portland, Oregon, 97220.

Check-in will begin at 8:45 a.m., local time, and Rentrak shareholders should allow ample time for the check-in procedures.

Purpose of the Rentrak Special Meeting

At the Rentrak special meeting, Rentrak shareholders will be asked to consider and vote on the following proposals:

- a proposal to adopt the merger agreement and approve the transactions contemplated by the merger agreement;
- a proposal to approve on an advisory (non-binding) basis the compensation that may be paid or become payable to Rentrak named executive officers that is based on or otherwise relates to the merger agreement and merger; and
- a proposal to approve the adjournment of the Rentrak special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to adopt the merger agreement and approve the transactions contemplated by the merger agreement.

Rentrak does not contemplate that any other matters will be presented at the Rentrak special meeting.

After careful consideration, the Rentrak board of directors unanimously determined that the merger agreement and the transactions contemplated by the merger agreement are advisable and in the best interests of the Rentrak shareholders and has unanimously approved the merger agreement.

The Rentrak board of directors recommends that the Rentrak shareholders vote “FOR” the proposal to adopt the merger agreement and approve the transactions contemplated by the merger agreement. The Rentrak board of directors also recommends that Rentrak shareholders vote “FOR” the proposal to approve on an advisory (non-binding) basis the compensation that may be paid or become payable to Rentrak named executive officers that is based on or otherwise relates to the merger agreement and merger and “FOR” the proposal to approve the adjournment of the Rentrak special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to adopt the merger agreement and approve the transactions contemplated by the merger agreement.

Who Can Vote at the Rentrak Special Meeting

Only Rentrak shareholders as of the close of business on December 10, 2015 and other persons holding valid proxies for the special meeting are entitled to attend the Rentrak special meeting. Rentrak shareholders and their proxies should be prepared to present photo identification. In addition, Rentrak shareholders who are record holders will have their ownership verified against the list of record holders as of the record date prior to being admitted to the meeting. Rentrak shareholders who are not record holders but hold shares through a broker or nominee (i.e., in street name) should provide proof of beneficial ownership on the record date, such as their most recent account statement prior to December 10, 2015 or other similar evidence of ownership. Anyone who does not provide photo identification or comply with the other procedures outlined above upon request will not be admitted to the special meeting.

Method of Voting; Record Date; Stock Entitled to Vote; Quorum

Rentrak shareholders are being asked to vote both shares held directly in their name as shareholders of record and any shares they hold in “street name” as beneficial owners. Shares held in “street name” are shares held in a stock brokerage account or shares held by a bank or other nominee.

Table of Contents

The method of voting differs for shares held as a record holder and shares held in street name. Record holders will receive proxy cards. Holders of shares in street name will receive voting instruction cards from their brokers or nominees seeking instruction as to how to vote.

Proxy cards and voting instruction cards are being solicited on behalf of the Rentrak board of directors from Rentrak shareholders in favor of approval of the merger proposal, the compensation proposal and the adjournment proposal.

Shareholders may receive more than one set of voting materials, including multiple copies of this joint proxy statement/prospectus and multiple proxy cards or voting instruction cards. For example, shareholders who hold shares in more than one brokerage account may receive a separate voting instruction card for each brokerage account in which shares are held. Shareholders of record whose shares are registered in more than one name will receive more than one proxy card. In addition, comScore is also soliciting votes for its special meeting and owners of shares of both Rentrak and comScore will also receive a proxy or voting instruction card from comScore. Please note that votes on the merger proposal, the compensation proposal and the adjournment proposal at the Rentrak special meeting will not constitute votes for the proposals presented at the comScore special meeting, and vice versa. Therefore, the Rentrak board of directors urges Rentrak shareholders to complete, sign, date and return each proxy card and voting instruction card for the Rentrak special meeting they receive.

Only shareholders of Rentrak at the close of business on December 10, 2015, the record date for the Rentrak special meeting, are entitled to receive notice of, and vote at, the Rentrak special meeting. On the record date, approximately 15,388,278 shares of Rentrak common stock were issued and outstanding and no shares of Rentrak preferred stock were issued and outstanding. Shareholders of Rentrak common stock on the record date are each entitled to one vote per share of Rentrak common stock on the merger proposal, the compensation proposal and the adjournment proposal.

A quorum of shareholders is necessary to have a valid meeting of Rentrak shareholders. A majority of the shares of Rentrak common stock issued and outstanding and entitled to vote on the record date must be present in person or by proxy at the Rentrak special meeting in order for a quorum to be established.

Abstentions and broker “non-votes” count as present for establishing the quorum described above. A broker may not vote on any of the Rentrak proposals without instructions from the beneficial owner of the shares, and without such instructions a broker “non-vote” will occur.

Adjournments

If there is no quorum, the chairman of the Rentrak board of directors or holders or a majority of the votes present at the Rentrak special meeting may adjourn the special meeting to another time or date.

Even if a quorum is present, the Rentrak special meeting could be adjourned in order to provide more time to solicit additional proxies in favor of adoption of the merger agreement and approval of the transactions contemplated by the merger agreement if sufficient votes are cast in favor of the adjournment proposal. If the adjournment is for more than thirty (30) days or if after the adjournment a new record date is set for the adjourned meeting, a notice of the adjourned meeting must be given to each shareholder of record entitled to vote at the Rentrak special meeting.

Vote Required for Approval

Approval of the merger proposal requires the affirmative vote of holders of a majority of the outstanding shares of Rentrak common stock entitled to vote thereon. Approval of the compensation proposal and the adjournment proposal each requires the affirmative vote of holders of a majority of the shares of Rentrak common stock present in person or represented by proxy at the Rentrak special meeting and entitled to vote on the proposal.

Table of Contents

Under the applicable rules of the New York Stock Exchange, brokers and other nominees that are members of the New York Stock Exchange are prohibited from giving a proxy to vote their customers' shares with respect to the proposals to be voted on at the Rentrak special meeting in the absence of instructions from their customers. Failure by a Rentrak shareholder to submit a proxy or instruct a broker or nominee to vote will have the effect of a vote against the merger proposal, but it will have no effect on the compensation proposal or the adjournment proposal, assuming a quorum is present. Abstentions will have the effect of a vote against the merger proposal, the compensation proposal and the adjournment proposal.

Share Ownership of Directors and Executive Officers of Rentrak

At the close of business on the record date for the Rentrak special meeting, directors and executive officers of Rentrak beneficially owned and were entitled to vote approximately two and three-tenths percent (2.3%) of the shares of Rentrak common stock outstanding on that date. Simultaneously with the execution and delivery of the merger agreement, each of the executive officers and directors and various other officers of Rentrak, in their respective capacities as shareholders of Rentrak, entered into support agreements with comScore, pursuant to which such individuals have agreed, among other things, to vote their respective shares of common stock of Rentrak for the approval and adoption of the merger agreement and against any acquisition proposal.

Proxies and Voting Procedures

Submitting Proxies or Voting Instructions

Whether Rentrak shareholders hold shares of Rentrak common stock directly as shareholders of record or in street name, Rentrak shareholders may direct the voting of their shares without attending the Rentrak special meeting. Rentrak shareholders may vote by granting proxies or, for shares held in street name, by submitting voting instructions to their brokers or nominees.

Record holders of shares of Rentrak common stock may submit proxies by completing, signing and dating their proxy cards for the Rentrak special meeting and mailing them in the accompanying preaddressed envelopes. Rentrak shareholders who hold shares in street name may vote by mail by completing, signing and dating the voting instruction cards for the Rentrak special meeting provided by their brokers or nominees and mailing them in the accompanying pre-addressed envelopes. Rentrak shareholders may also submit proxies over the Internet at the web address shown on the proxy card. Rentrak shareholders who live in the United States or Canada may submit proxies by calling the telephone number shown on the proxy card. The Internet and telephone voting facilities will close at 11:59 p.m., Eastern Time, on January 27, 2016. The availability of Internet and telephone voting for shares held in street name will depend on the voting processes of your broker or other nominee.

If Rentrak shareholders of record do not include instructions on how to vote their properly signed proxy cards for the Rentrak special meeting, their shares will be voted "FOR" the merger proposal, the compensation proposal and the adjournment proposal, and in the discretion of the proxy holders on any other business that may properly come before the Rentrak special meeting.

If Rentrak shareholders holding shares of Rentrak common stock in "street name" do not provide voting instructions, their shares will not be considered to be votes cast on the merger proposal, the compensation proposal or the adjournment proposal.

Shareholders of record of Rentrak common stock may also vote in person at the Rentrak special meeting by attending the meeting and submitting their proxy cards or by filling out a ballot at the special meeting.

If shares of Rentrak common stock are held by Rentrak shareholders in street name, those Rentrak shareholders may not vote their shares in person at the Rentrak special meeting unless they bring a signed proxy from the record holder giving them the right to vote their shares and fill out a ballot at the special meeting.

Table of Contents

Revoking Proxies or Voting Instructions

Rentrak shareholders may change their votes at any time prior to the vote at the Rentrak special meeting. Rentrak shareholders of record may change their votes by granting new proxies bearing a later date (which automatically revoke any earlier proxy) or by attending the Rentrak special meeting and voting in person. Attendance at the Rentrak special meeting will not cause previously granted proxies to be revoked, unless the Rentrak shareholder specifically so requests. For shares held in "street name," Rentrak shareholders may change their votes by submitting new voting instructions to their brokers or nominees or by attending the Rentrak special meeting and voting in person, provided that they have obtained a signed proxy from the record holder giving them the right to vote their shares.

Cost of Proxy Distribution and Solicitation

The cost of soliciting proxies from Rentrak shareholders will be paid by Rentrak.

Rentrak is soliciting proxies from its shareholders for the Rentrak special meeting and comScore is soliciting proxies from its stockholders for the comScore special meeting. Each company will bear its own fees and costs associated with printing and filing this joint proxy statement/prospectus and the registration statement on Form S-4, of which it forms a part.

In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person or by telephone, facsimile, telegram or electronic means by Rentrak's directors, officers and employees, who will not receive any additional compensation for such solicitation activities.

Rentrak has retained Laurel Hill Advisory Group, LLC to assist it in the solicitation of proxies for approximately \$10,000, plus reasonable out-of-pocket expenses.

RENTRAK PROPOSAL 1.

THE MERGER AGREEMENT AND THE MERGER

As discussed elsewhere in this joint proxy statement/prospectus, Rentrak shareholders are considering and voting to adopt the merger agreement and approve the transactions contemplated by the merger agreement. Rentrak shareholders should read carefully this joint proxy statement/prospectus in its entirety for more detailed information concerning the merger agreement and the merger. In particular, Rentrak shareholders are directed to the merger agreement which is attached as Annex A to this joint proxy statement/prospectus.

The Rentrak board of directors unanimously recommends a vote “FOR” the proposal to adopt the merger agreement and approve the transactions contemplated by the merger agreement.

RENTRAK PROPOSAL 2.

ADVISORY VOTE TO APPROVE MERGER-RELATED COMPENSATION FOR RENTRAK NAMED EXECUTIVE OFFICERS

Under Section 14A of the Securities Exchange Act of 1934 and the applicable Securities and Exchange Commission rules issued thereunder, Rentrak is required to submit a proposal to its shareholders for a non-binding, advisory vote to approve certain compensation that may become payable to Rentrak named executive officers in connection with the completion of the merger. This proposal, referred to herein as the compensation proposal, gives Rentrak shareholders the opportunity to vote, on an advisory (non-binding) basis, on the compensation that may be paid or become payable to Rentrak named executive officers that is based on or otherwise relates to the merger agreement and merger. This compensation is summarized in the table captioned “*Golden Parachute Compensation*” in the section entitled “*The Merger—Reasons for the Merger—Rentrak Executive Compensation Payable in Connection with the Merger*” beginning on page 82 of this joint proxy statement/prospectus, including the footnotes to the table. The Rentrak board of directors encourages you to review carefully the named executive officer merger-related compensation information disclosed in this joint proxy statement/prospectus. The Rentrak board of directors unanimously recommends that Rentrak shareholders approve, by advisory vote, the compensation that may become payable to Rentrak named executive officers in connection with the completion of the merger. The vote on the compensation proposal is a vote separate and apart from the vote on the merger proposal. Accordingly, you may vote to approve the merger proposal and vote not to approve the compensation proposal and vice versa. Because the vote on the compensation proposal is advisory only, it will not be binding on either Rentrak or comScore. Accordingly, if the transaction agreement is adopted and the merger is completed, the compensation will be payable, subject only to the conditions applicable thereto, regardless of the outcome of the vote on the compensation proposal.

The Rentrak board of directors recommends a vote “FOR” the approval, on an advisory (non-binding) basis, of the compensation that may be paid or become payable to Rentrak named executive officers that is based on or otherwise relates to the merger agreement and merger.

THE MERGER

The following is a description of the material aspects of the merger, including the merger agreement. While we believe that the following description covers the material terms of the merger, the description may not contain all of the information that is important to you. We encourage you to read carefully this entire joint proxy statement/prospectus, including the merger agreement attached to this joint proxy statement/prospectus as Annex A, for a more complete understanding of the merger.

Background of the Merger

From time to time, as part of the ongoing strategic planning process of Rentrak and comScore, each company's respective management and board of directors regularly reviews and assesses, among other things, long-term strategic goals and opportunities, the competitive environment, trends in the media measurement industry, and short- and long-term performance in light of its strategic plan. Mr. Abraham relayed the reasons that led to the comScore Board's instruction to discontinue discussions on September 9, 2015, comScore management's continued interest in pursuing the acquisition of Rentrak and the need to ensure that key employees agree to continue their employment with the combined company. Mr. Abraham further summarized additional changes to the post-acquisition board composition that comScore's Board sought. Mr. Livek recommended that the companies complete their financial due diligence and focus on finalizing open issues rather than revisiting previously agreed-upon issues. Later that day, representatives of comScore and Rentrak, and representatives of J.P. Morgan and Goldman Sachs met telephonically. Mr. Chemerow reviewed Rentrak's most recent financial model and responded to due diligence questions, and J.P. Morgan provided updates on comScore's financial performance.

Mr. Chemerow provided an update regarding various due diligence matters. In addition to these presentations, the Rentrak Board discussed industry and market developments that could affect the proposed transaction, and the potential composition of the comScore Board following the completion of the merger.

On September 28, 2015, comScore and J.P. Morgan entered into an amendment to the engagement letter that comScore had previously entered into with J.P. Morgan on July 16, 2015.

Also on September 28, 2015, the comScore Board met telephonically to, among other things, review and consider the proposed business combination with Rentrak. At the request of the comScore Board, comScore management and representatives of J.P. Morgan and WSGR attended the meeting. A representative of WSGR reviewed the directors' fiduciary duties in connection with the proposed business combination with Rentrak. Mr. Matta and Ms. Lin presented the proposed terms of the business combination with Rentrak and reviewed the strategic importance of Rentrak relative to comScore's other strategies to pursue cross-media measurement. The comScore Board discussed the proposed transaction in detail. Following the discussion of the strategic importance of Rentrak to comScore, representatives of J.P. Morgan presented a preliminary summary, as previously circulated to the comScore Board, of its financial due diligence of Rentrak, including its preliminary views as to the valuation of Rentrak as a stand-alone business and of the combined company.

The Rentrak Board also met telephonically on September 28, 2015, with representatives of Goldman Sachs and Perkins Coie in attendance. Representatives of Goldman Sachs outlined the financial terms of the proposed transaction with comScore, synergies that Rentrak management anticipated would be realized by the combined company that had been approved for Goldman Sachs' use by Rentrak management, and Rentrak management's

most recent financial projections for Rentrak and comScore, which had also been approved for Goldman Sachs' use by Rentrak management. Representatives of Goldman Sachs also reviewed its preliminary financial analysis of the proposed transaction. Members of the Rentrak Board questioned Rentrak management regarding anticipated synergies and questioned the representatives of Goldman Sachs regarding its preliminary financial analysis. The Rentrak Board also reviewed issues related to potential appointees of Rentrak to the comScore Board.

On September 29, 2015, Mr. Livek and Mr. Chemerow held a meeting with Mr. Matta and Ms. Lin to finalize the terms of the merger and related documents and finalize materials related to the announcement of the transaction.

Also on September 29, 2015, the comScore Board met telephonically to, among other things, review and consider the proposed business combination with Rentrak. At the request of the comScore Board, comScore management and representatives of J.P. Morgan and WSGR attended the meeting. Mr. Matta and Ms. Lin presented an update on the status of negotiations related to the potential business combination with Rentrak. Representatives of J.P. Morgan delivered to the comScore Board its oral opinion, which was confirmed by delivery of a written opinion dated September 29, 2015, to the effect that, as of such date and based upon and subject to the assumptions made, procedures followed, matters considered and limitations on the review undertaken by J.P. Morgan in preparing the opinion, the exchange ratio was fair, from a financial point of view, to comScore. At the meeting, the comScore Board approved the entry into the merger agreement with Rentrak and the issuance of common stock in connection therewith. The comScore Board then directed the comScore management team to finalize and execute the merger agreement on the terms reviewed at the meeting.

Also on September 29, 2015, the Rentrak Board met telephonically to, among other things, review and consider the proposed sale of Rentrak to comScore. At the meeting, a representative of Perkins Coie reviewed the terms of the merger agreement that had been negotiated by management and the companies' legal and financial advisors. A representative of Perkins Coie also reviewed comScore's proposal regarding amendments to the equity awards of certain key employees. Following a meeting of, and on the recommendation of, its compensation committee, the Rentrak Board approved these amendments. A representative of Goldman Sachs reviewed its financial analysis of the proposed transaction and delivered to the Rentrak Board its oral opinion, which was confirmed by delivery of a written opinion dated September 29, 2015 that, as of that date and based upon and subject to the assumptions made, procedures followed, matters considered and limitations stated therein, the exchange ratio pursuant to the merger agreement was fair from a financial point of view to the holders (other than comScore and its affiliates) of the outstanding shares of common stock of Rentrak. A representative of Perkins Coie then reviewed the board's fiduciary duties with respect to the proposed transaction and in light of the terms previously described to the Rentrak Board. Following this review, the Rentrak Board approved the entering into the merger agreement and the merger, subject to shareholder approval, and related matters, including the representatives of Rentrak to be appointed to the comScore Board following the completion of the merger. The Rentrak Board also recommended that the Rentrak shareholders approve the merger agreement.

Immediately following the meetings of the comScore Board and the Rentrak Board, the merger agreement and related documents were executed and the parties issued a press release announcing the proposed merger.

Reasons for the Merger

Overview

The boards of directors and management teams of both comScore and Rentrak believe that the proposed merger represents the best strategic alternative for delivering increased value to our respective stockholders and shareholders.

comScore and Rentrak believe the merger presents a unique strategic opportunity to create a leading provider of digital media measurement, and that the merger should allow the combined company to deliver significant benefits to its customers, stockholders and employees. The comScore and Rentrak boards of directors and their respective management teams each analyzed various alternative strategies to address their respective risks and challenges as stand-alone entities. See the section entitled “*The Merger—Background of the Merger*” beginning on page 37 of this joint proxy statement/prospectus. After reviewing and discussing their respective strategic alternatives and the opportunity for the combined company presented by the merger, as more fully described below, the comScore and Rentrak boards of directors each determined to pursue the merger because each believes the merger will create a combined company that will be able to achieve the strategic and financial benefits described below.

The comScore and Rentrak boards of directors each identified the following anticipated strategic and financial benefits of the merger:

- *Complementary Businesses.* comScore primarily provides digital media analytics products and services to clients in the media, advertising, and marketing industries regarding internet and mobile internet activity and Rentrak primarily provides media measurement and analytics to clients regarding television and video activity. At their core, both comScore and Rentrak are in the business of providing big data services regarding major subsections of the media, advertising and marketing industries. The products and development capabilities of the two companies are complementary, and should enable the combined company to develop cross-media solutions that are currently otherwise unavailable to the industry and allow the combined company to compete more effectively in new and emerging markets for cross-platform measurement. The combined company should be stronger than either company on its own, with greater breadth and depth of media coverage and product offerings and a greater ability to develop new product offerings with their combined intellectual property portfolio.
- *Revenue Synergies.* The combined company is expected to realize more than forty-three million dollars (\$43 million) in revenue synergies on an annual basis within three years after completing the merger due to increased revenue opportunities. The combined company will have deep relationships with many of the market-leading customers in their chosen market segments. comScore expects the combined company to improve comScore’s and Rentrak’s existing ability to expand current customer relationships, and expects to increase the penetration of new customer accounts. comScore believes that the combination of the two companies’ product lines, talent base and engineering resources and access to the big data sources cultivated by each company, should enable the combined company to meet customer needs more effectively and to deliver more complete solutions to its customers. In addition, comScore believes the larger sales organization, greater marketing resources and financial strength of the combined company may lead to improved opportunities for marketing the combined company’s products and ultimately increased revenue opportunities. The expectation based on estimates prior to the execution of the merger agreement is that the merger will result in more than \$9.7 million in revenue synergies for the combined company by the end of its first full year after closing and \$28.4 million in revenue synergies for the combined company by the end of its second full year after closing.
- *Reduction in Operating Costs.* The combined company is expected to realize more than ten million dollars (\$10 million) in cost savings on an annual basis within three years of and to be accretive to non-GAAP adjusted EBITDA within the first full year after completing the merger due to increased operating efficiencies and leveraging economies of scale. comScore expects the combined company to

Table of Contents

achieve such benefits from exercising greater purchasing power with its suppliers; and consolidation and reduction of areas of overlap in operating and other expenses, including the expenses of maintaining two separate public companies.

- *Stronger Financial Position.* The combined company will have greater scale and financial resources, including total cash and short term investments of approximately \$220 million on a pro forma basis as of September 30, 2015. comScore and Rentrak expect that this stronger financial position will improve the combined company's ability to support product development strategies; to respond more quickly and effectively to customer needs, technological change, increased competition and shifting market demand; and to pursue strategic growth opportunities in the future, including acquisitions.
- *Stock-for-Stock Transaction with Fixed Exchange Ratio.* The fact that the merger consideration is based on a fixed exchange ratio provides certainty as to the number of shares of comScore common stock that will be issued to Rentrak shareholders.

There is no assurance that the anticipated strategic and financial benefits of the merger will be achieved, including that the anticipated revenue and cost synergies resulting from the merger will be achieved and/or reflected in the trading price of comScore common stock following the completion of the merger.

Recommendation of the comScore Board of Directors

At a meeting held on September 29, 2015, among other things, the directors present unanimously:

- determined that the merger agreement, the merger and the other transactions contemplated by the merger agreement, and the consummation of the merger and such other transactions, are advisable, fair to, and in the best interests of, comScore and its stockholders;
- approved the merger agreement, the support agreements and all other definitive documentation relating to the merger and authorized, directed and empowered the officers of comScore to execute and deliver such agreements in the name and on behalf of comScore;
- authorized and directed the officers of comScore to cause comScore and Merger Sub to perform their respective obligations under the merger agreement and to file articles of merger with the Secretary of State of the State of Oregon.
- authorized and directed the officers of comScore, for and on behalf of comScore, to take all actions necessary to list the shares of comScore common stock to be issued in the merger pursuant to the merger agreement on the Nasdaq Global Select Market in order to proceed with the merger and the other transactions contemplated by the merger agreement; and
- resolved to recommend that the stockholders of comScore approve the issuance of comScore common stock in the merger pursuant to the terms of the merger agreement.

Accordingly, the comScore board of directors recommends that comScore stockholders vote “FOR” the proposal of the issuance of comScore common stock in the merger pursuant to the terms of the merger agreement and “FOR” the approval of the adjournment of the comScore special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the issuance of the shares of comScore common stock in connection with the merger.

Among other things considered by the comScore board of directors in making this recommendation, the comScore board of directors requested and considered the oral opinion of J.P. Morgan delivered to the comScore Board, which was confirmed by delivery of a written opinion dated September 29, 2015, to the effect that, as of such date and based upon and subject to the assumptions made, procedures followed, matters considered and limitations on the review undertaken by J.P. Morgan in preparing the opinion, the exchange ratio in the proposed merger was fair, from a financial point of view, to comScore, as more fully described below under the caption

Table of Contents

“—*Opinion of comScore’s Financial Advisor*” beginning on page 54 of this joint proxy statement/prospectus. The full text of the written opinion of J.P. Morgan is attached as Annex B. The comScore board of directors has determined that the merger agreement and the transactions contemplated thereby are advisable and in the best interests of the comScore stockholders, based upon its consideration of the J.P. Morgan opinion and numerous other factors described below.

In reaching its decision to approve the merger agreement, the comScore board of directors consulted with comScore’s management regarding the strategic aspects of the merger, comScore’s legal counsel regarding the legal terms of the merger and comScore’s financial advisors regarding the financial aspects of the merger and the fairness, from a financial point of view, of the exchange ratio to comScore.

Additional factors that the comScore board of directors considered in reaching its determination included, but were not limited to, the following:

- the strategic benefits of the merger, as described in the section entitled “*The Merger—Reasons for the Merger—Overview*” beginning on page 48 of this joint proxy statement/prospectus;
- historical information concerning comScore’s and Rentrak’s respective businesses, prospects, financial performance and condition, operations, technology, management and competitive position, including public reports concerning results of operations during the most recent fiscal year and fiscal quarter for each company filed with the Securities and Exchange Commission;
- management’s view of the financial condition, results of operations and businesses of comScore and Rentrak before and after giving effect to the merger;
- current financial market conditions and historical market prices, volatility and trading information with respect to the common stock of comScore and the common stock of Rentrak;
- the relationship between the market value of the common stock of Rentrak and the consideration to be paid to shareholders of Rentrak in connection with the merger;
- the belief that the terms of the merger agreement, including the parties’ representations, warranties and covenants, and the conditions to their respective obligations, are reasonable;
- management’s view of the prospects of comScore independent of this merger;
- other strategic alternatives for comScore;
- detailed financial analyses and pro forma and other information with respect to comScore and Rentrak presented by management;
- the impact of the merger on comScore’s customers, partners and employees;
- reports from management, legal and financial advisors as to the results of the due diligence investigation of Rentrak, particularly for cross-media measurement;
- the belief that the merger represents a unique strategic opportunity to create a market leader in digital media measurement;
- the ability and likelihood of comScore and Rentrak to complete the merger, including their ability to obtain necessary regulatory approvals;
- the fact that Serge Matta will continue to be the chief executive officer of the combined company; and
- the requirement that comScore or Rentrak compensate the other in some circumstances if the merger does not occur.

Table of Contents

In addition, the comScore board of directors also identified and considered a variety of potentially negative factors in its deliberations concerning the merger, including, but not limited to:

- the risk that the potential benefits sought in the merger, including anticipated revenue and cost synergies, might not be fully realized;
- the possibility that the merger might not be completed, or that completion might be delayed;
- the substantial charges to be incurred in connection with the merger, including costs of integrating comScore and Rentrak and transaction expenses arising from the merger;
- the risk that despite the efforts of the combined company, key technical and management personnel might not remain employed by the combined company;
- the risk of diverting management focus and resources from other strategic opportunities and operational matters while implementing the merger;
- the restrictions on the conduct of comScore's business during the pendency of the merger;
- the risk that either comScore stockholders may fail to approve the issuance of the shares of comScore common stock in connection with the merger or that Rentrak shareholders may fail to adopt the merger agreement; and
- various other risks associated with the merger and the businesses of comScore and the combined company described in the section entitled "*Risk Factors*" beginning on page 17 of this joint proxy statement/prospectus.

The comScore board of directors concluded, however, that these negative factors could be managed or mitigated by comScore or by the combined company or were unlikely to have a material impact on the merger or the combined company, and that, overall, the potentially negative factors associated with the merger were outweighed by the potential benefits of the merger.

The above discussion of the material factors considered by the comScore board of directors is not intended to be exhaustive, but does set forth the principal factors considered by it. The comScore board of directors collectively reached the conclusion by unanimous vote of the members present to approve the merger agreement, the merger and the transactions contemplated by the merger agreement in light of the various factors described above and other factors that each member of the comScore board of directors felt were appropriate. In view of the wide variety of factors considered by it in connection with its evaluation of the merger and the complexity of these matters, the comScore board of directors did not consider it practical, and did not attempt, to quantify, rank or otherwise assign relative weights to the specific factors it considered in reaching its decision. Rather, the comScore board of directors made its recommendation based on the totality of information presented to and the investigation conducted by it. In considering the factors discussed above, individual directors may have given different weights to different factors.

The comScore board of directors believes that the merger is advisable and in the best interests of comScore and its stockholders.

Nature of Prospective Financial Information Reviewed by the comScore Board and comScore's Financial Advisor

Although comScore has publicly issued limited short-term guidance concerning various aspects of its expected financial performance, comScore does not make public disclosure of detailed forecasts or projections of its expected financial performance for extended periods because of, among other things, the inherent difficulty of accurately predicting future periods and the likelihood that the underlying assumptions and estimates may prove incorrect. In connection with its evaluation of the merger, however, comScore management prepared and provided to the comScore Board and J.P. Morgan non-public internal financial projections regarding comScore's

Table of Contents

anticipated future operations and estimated synergies arising in connection with the merger. In addition, comScore management prepared and provided to the comScore Board and J.P. Morgan non-public internal financial projections for Rentrak, which were derived from forecasts for Rentrak that Rentrak prepared and provided to comScore management in connection with comScore's evaluation of the merger, as adjusted by comScore management. Such non-public internal financial projections for Rentrak were derived from forecasts that Rentrak prepared in June 2015 and September 2015. A summary of these financial projections and estimated synergies is included below to provide comScore stockholders and Rentrak shareholders access to specific non-public information that was considered by the comScore Board for purposes of evaluating the merger and provided to J.P. Morgan.

The financial projections and estimated synergies summarized below were not prepared for purposes of public disclosure, nor were they prepared on a basis designed to comply with published guidelines of the Securities and Exchange Commission, the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of projections, or U.S. GAAP. comScore's independent auditor, which is listed as an expert in the section entitled "*Experts*" beginning on page 135 did not compile, examine or perform any procedures with respect to the projections or estimated synergies summarized below, and has not expressed any opinion or any other form of assurance on this information or its achievability, and assumes no responsibility for, and disclaims any association with, these projections and estimated synergies. The independent auditor's reports incorporated by reference in this document relate to historical financial statements. They do not extend to any prospective financial information and should not be seen to do so.

Although presented with numerical specificity, the projections and estimated synergies were prepared in the context of numerous variables, estimates and assumptions that are inherently uncertain and may be beyond the control of comScore, and which may prove not to have been, or to no longer be, accurate. The projections and the estimated synergies are subject to many risks and uncertainties. Important factors that may affect actual results and cause actual results to differ materially from these projections and synergies include risks and uncertainties relating to Rentrak's and comScore's businesses (including their ability to achieve strategic goals, objectives and targets over the applicable periods), industry performance, the regulatory environment, general business and economic conditions, market and financial conditions, various risks set forth in comScore's reports filed with the Securities and Exchange Commission, and other factors described under "*Cautionary Statement Regarding Forward-Looking Information*" beginning on page iv of this joint proxy statement/prospectus. The projections and estimated synergies also reflect assumptions that are subject to change and are susceptible to multiple interpretations and periodic revisions based on actual results, revised prospects for Rentrak's and comScore's businesses, changes in general business or economic conditions, or any other transaction or event that has occurred or that may occur and that was not anticipated at the time the projections and estimated synergies were prepared. In addition, other than with respect to the estimated synergies discussed below, the projections do not take into account any of the transactions contemplated by the merger agreement, including the merger and associated expenses, or Rentrak's and comScore's compliance with their respective covenants under the merger agreement. Moreover, the projections and estimated synergies do not take into account any circumstances, transactions or events occurring after the date the projections and estimated synergies were prepared. Accordingly, actual results will likely differ, and may differ materially, from those contained in the projections and estimated synergies. We do not assure you that these projections and estimated synergies will be realized or that future financial results of comScore or Rentrak will not materially vary from these projections and estimated synergies.

The inclusion of a summary of the projections and estimated synergies in this joint proxy statement/prospectus should not be regarded as an indication that any of comScore, Rentrak or their respective affiliates, officers, directors or other representatives consider the projections or estimated synergies to be necessarily predictive of actual future events, and neither the projections nor the estimated synergies should be relied upon as such. None of comScore, Rentrak or their respective affiliates, officers, directors or other representatives gives any stockholder of comScore or shareholder of Rentrak or other person any assurance that actual results will not differ materially from the projections and estimated synergies, and, except as otherwise required by law, none of

Table of Contents

them undertakes any obligation to update or otherwise revise or reconcile the projections or estimated synergies to reflect circumstances existing after the date the projections and estimated synergies were generated or to reflect the occurrence of future events, even in the event that any or all of the assumptions and estimates underlying the projections or estimated synergies are shown to be in error.

No one has made or makes any representation to any stockholder or anyone else regarding, nor assumes any responsibility for the validity, reasonableness, accuracy or completeness of, the information included in the projections and estimated synergies set forth below. Readers of this joint proxy statement/prospectus are cautioned not to rely on the projections and estimated synergies. comScore has not updated and, except as otherwise required by law, does not intend to update or otherwise revise the projections or estimated synergies, even in the short term, to reflect circumstances existing after the date when made or to reflect the occurrence of future events, including the merger. Moreover, the projections and estimated synergies do not take into account the effect of any failure of the merger to occur and should not be viewed as accurate or continuing in that context.

A summary of these financial projections and estimated synergies is included solely to give comScore stockholders and Rentrak shareholders access to the information that was made available to the comScore Board and J.P. Morgan, as described below, and is not included in this joint proxy statement/prospectus in order to influence your decision whether to vote for or against the proposal to adopt the merger agreement. The inclusion of this information should not be regarded as an indication that the comScore Board, its advisors or any other person considered, or now considers, it to be material or to be a reliable prediction of actual future results. comScore management's internal financial projections upon which the comScore-Prepared Rentrak Projections (as defined below) were based, as well as the estimated synergies that may result from the merger, are subjective in many respects. We do not assure you that these projections or estimated synergies will be realized or that actual results will not be significantly higher or lower than forecasted. The projections included below cover multiple years, and this information by its nature becomes subject to greater uncertainty with each successive year. The financial projections and summary information should be evaluated, if at all, in conjunction with the historical financial statements and other information contained in comScore's and Rentrak's respective public filings with the Securities and Exchange Commission.

Summary of Prospective Financial Information Reviewed by the comScore Board and comScore's Financial Advisor

Rentrak's management provided various unaudited financial projections to comScore's management (which are summarized under "Summary of Prospective Financial Information Reviewed by the Rentrak Board and Rentrak's Financial Advisor" beginning on page 69 of this joint proxy statement/prospectus and which we refer to as the "Rentrak-Prepared Rentrak Projections"). As part of its evaluation of the merger, comScore's management prepared its own financial projections, based on the Rentrak-Prepared Rentrak Projections, regarding Rentrak's future operations for the calendar years ending December 31, 2015 through 2019 (which we refer to as the "comScore-Prepared Rentrak Projections"). The comScore-Prepared Rentrak Projections were provided to the comScore Board for its use in evaluating the merger. comScore also provided the comScore Projections to J.P. Morgan in connection with the preparation of its financial analyses described in the section entitled "--Opinion of comScore's Financial Advisor" beginning on page 54 of this joint proxy statement/prospectus. comScore's management also provided the comScore -Prepared Rentrak Projections to Rentrak's management.

The following tables present a summary of the comScore-Prepared Rentrak Projections:

Summary of the comScore-Prepared Rentrak Projections

The comScore Prepared Rentrak Projections referred to below as "Preliminary Projections" are derived from projections received from Rentrak in July 2015. The comScore Prepared Rentrak Projections referred to below as "Final Projections" are derived from financial projections received from Rentrak in September 2015. Due to the

Table of Contents

decrease in projections of earnings before interest, taxes, depreciation and amortization (“EBITDA”) and earnings before interest and taxes (“EBIT”), which were largely based on Rentrak’s revised expectations as to the need for additional investment in future product development by Rentrak, the Final Projections are less positive than the Preliminary Projections. Notwithstanding the lower financial projections, comScore’s management determined that, based on its discounted cash flow analysis, the present value of Rentrak including the synergies that the combined companies achieve continued to justify the negotiated acquisition price.

(in millions)	Preliminary Projections				Final Projections			
	2016	2017	2018	2019	2016	2017	2018	2019
Revenue	\$162	\$201	\$243	\$287	\$162	\$201	\$243	\$287
EBITDA	27	41	59	78	19	27	40	47
EBIT	15	26	39	53	7	12	20	22

comScore’s management also prepared estimates of synergies that the combined company would realize in each of the five years following completion of the merger and provided these estimates to the comScore Board and to J.P. Morgan for use in its financial analyses. These estimates included the items summarized in the following table. The estimated synergies referred to below as “Preliminary Projections” are derived from projections received from Rentrak in July 2015. The estimated synergies referred to below as “Final Projections” are derived from the Preliminary Projections and certain additional input received from Rentrak’s management in August 2015 and in September 2015.

(in millions)	Preliminary Projections					Final Projections				
	2016	2017	2018	2019	2020	2016	2017	2018	2019	2020

Operating Income impact of all revenue synergies	6.2	17.5	26.1	37.9	58.3	7.7	22.7	34.7	50.9	78.4

See “Risk Factors—Risk Factors Relating to the Merger” beginning on page 17 of this joint proxy statement/prospectus for further information regarding the uncertainties associated with realizing synergies in connection with the merger.

Opinion of comScore’s Financial Advisor

Pursuant to an engagement letter dated July 16, 2015, and amended on September 28, 2015, comScore retained J.P. Morgan as its financial advisor in connection with the transactions contemplated by the merger agreement.

At the meeting of the comScore Board on September 29, 2015, J.P. Morgan rendered its oral opinion to the comScore Board that, as of such date and based upon and subject to the factors and assumptions set forth in its opinion, the exchange ratio in the proposed merger was fair, from a financial point of view, to comScore. J.P. Morgan confirmed its September 29, 2015 oral opinion by delivering its written opinion to the comScore Board, dated September 29, 2015, that, as of such date, the exchange ratio in the proposed merger was fair, from a financial point of view, to comScore. No limitations were imposed by the comScore Board upon J.P. Morgan with respect to the investigations made or procedures followed by it in rendering its opinions.

The full text of the written opinion of J.P. Morgan dated September 29, 2015, which sets forth the assumptions made, matters considered and limits on the review undertaken, is attached as Annex B to this joint proxy statement/prospectus and is incorporated herein by reference. comScore’s stockholders are urged to read the opinion in its entirety. J.P. Morgan’s written opinion is addressed to the comScore Board, is directed only to the exchange ratio in the proposed merger and does not constitute a recommendation to any stockholder of comScore as to how such stockholder should vote with respect to the merger or any other matter. The summary of the opinion of J.P. Morgan set forth in this joint proxy statement/prospectus is qualified in its entirety by reference to the full text of such opinion.

Morgan believed necessary or appropriate to its inquiry.

J.P. Morgan relied upon and assumed the accuracy and completeness of all information that was publicly available or was furnished to or discussed with J.P. Morgan by Rentrak and comScore or otherwise reviewed by or for J.P. Morgan, and J.P. Morgan did not independently verify (nor did J.P. J.P. Morgan expressed no view as to such analyses or forecasts (including the Cost and Revenue Synergies) or the assumptions on which they were based. J.P. Morgan also assumed that the merger and the other transactions contemplated by the merger agreement will qualify as a tax-free reorganization for U.S. federal income tax purposes, and will be consummated as described in the merger agreement. J.P. Morgan also assumed that the representations and warranties made by comScore, Merger Sub and Rentrak in the merger agreement and the related agreements were and will be true and correct in all respects material to J.P. Morgan's analysis. J.P. Morgan is not a legal, regulatory or tax expert and relied on the assessments made by advisors to comScore with respect to such issues. J.P. Morgan further assumed that all material governmental, regulatory or other consents and approvals necessary for the consummation of the merger will be obtained without any adverse effect on Rentrak or comScore or on the contemplated benefits of the merger.

Table of Contents

These companies were selected for each of comScore and Rentrak, among other reasons, because they are publicly traded companies with operations and businesses that, for purposes of J.P. Morgan's analysis, may be considered similar to those of comScore and Rentrak. However, certain of these companies may have characteristics that are materially different from those of comScore and Rentrak. The analyses necessarily involve complex considerations and judgments concerning differences in financial and operational characteristics of the companies involved and other factors that could affect the companies differently than they would affect comScore or Rentrak.

Using publicly available information, J.P. Morgan calculated, for each selected company, (i) the ratio of the company's firm value (calculated as the market value of the company's common stock on a fully diluted basis, plus any debt and minority interest, less unconsolidated investments and cash and cash equivalents) to the consensus equity research analyst estimate for the company's revenue for the year ending December 31, 2016 (referred to herein as the 2016E FV/R) and (ii) the ratio of the company's firm value to the consensus equity research analyst estimate for the company's EBITDA (calculated as earnings before interest, tax, depreciation, amortization and stock-based compensation) for the year ended December 31, 2016 (referred to herein as the 2016E FV/EBITDA).

Based on the results of this analysis, J.P. Morgan selected (i) multiple reference ranges for 2016E FV/R of 3.7x – 6.7x for comScore and of 3.3x – 6.0x for Rentrak and (ii) multiple reference ranges for 2016E FV/EBITDA of 14.5x – 24.0x for comScore and of 13.0x – 22.0x for Rentrak.

After applying such ranges to (i) the respective revenue for each of comScore and Rentrak for the year ended December 31, 2016 and (ii) the respective EBITDA for each of comScore and Rentrak for the year ended December 31, 2016, in each case based on projections by comScore management, the analysis indicated the following implied equity value per share ranges for comScore and Rentrak common stock, rounded to the nearest \$0.25:

Public Trading Multiples Analysis	Equity value per comScore share	Equity value per Rentrak share
2016E FV/R	\$ 44.75 – \$76.25	\$ 36.25 – \$60.25
2016E FV/EBITDA	\$ 44.75 – \$70.00	\$ 27.00 – \$41.25

The ranges of implied equity value per share for comScore were compared to comScore's closing share price of \$43.15 on September 28, 2015, and the range of implied equity value per share for Rentrak was compared to (i) Rentrak's closing share price of \$43.82 on September 28, 2015 and (ii) an implied offer price of \$49.62 based on the closing share prices of comScore and Rentrak on September 28, 2015 and the exchange ratio.

None of the selected transactions reviewed was identical to the transactions contemplated by the merger agreement. However, the transactions selected were chosen because certain aspects of the transactions, for purposes of J.P. Morgan's analysis, may be considered similar to the transactions contemplated by the merger agreement. The analyses necessarily involve complex considerations and judgments concerning differences in financial and operational characteristics of the companies involved and other factors that could affect the transactions differently than they would affect the transactions contemplated by the merger agreement.

Using publicly available information, J.P. Morgan calculated, for each selected transaction, (i) the ratio of the target company's transaction value (calculated as the offer value of the company's common stock on a fully diluted basis, plus any debt and minority interest, less unconsolidated investments and cash and cash equivalents) to the target company's estimated revenue for the next twelve months at the time of the applicable transaction (referred to herein as TV/NTM R) and (ii) the ratio of the target company's transaction value to the target company's estimated EBITDA for the next twelve months at the time of the applicable transaction (referred to herein as TV/NTM EBITDA).

Based on the results of this analysis, J.P. Morgan selected TV/NTM R multiples of 6.2x, 7.6x and 8.6x and applied them to the revenue of Rentrak for the year ending December 31, 2016, based on projections by comScore management. This analysis indicated implied per share equity values for Rentrak common stock, rounded to the nearest \$0.25, of \$61.75, \$74.25 and \$83.25, respectively, which were compared to (i) Rentrak's closing share price of \$43.82 on September 28, 2015 and (ii) an implied offer price of \$49.62 based on the closing share prices of comScore and Rentrak on September 28, 2015 and the exchange ratio. In addition, based on the results of the analysis described in the paragraph above, J.P. Morgan selected TV/NTM EBITDA

Table of Contents

multiples of 15.9x, 25.4x and 26.1x and applied them to the EBITDA of Rentrak for the year ended December 31, 2016, based on projections by comScore management. This analysis indicated implied per share equity values for Rentrak common stock, rounded to the nearest \$0.25, of \$31.50, \$46.50 and \$47.75, respectively, which were compared to (i) Rentrak's closing share price of \$43.82 on September 28, 2015 and (ii) an implied offer price of \$49.62 based on the closing share prices of comScore and Rentrak on September 28, 2015 and the exchange ratio.

Discounted Cash Flow Analysis

J.P. Morgan conducted a discounted cash flow analysis for the purpose of determining an implied fully diluted equity value per share for each of comScore common stock and Rentrak common stock. A discounted cash flow analysis is a method of evaluating an asset using estimates of the future unlevered cash flows generated by the asset and taking into consideration the time value of money with respect to those cash flows by calculating their "present value". The "unlevered free cash flows" refers to a calculation of the future cash flows generated by an asset without including in such calculation any debt servicing costs. Specifically, unlevered free cash flow for this purpose represents EBITDA less taxes, adjusted for stock based compensation, capital expenditures and increases in net working capital. "Present value" refers to the current value of the cash flows generated by the asset, and is obtained by discounting those cash flows back to the present using a discount rate that takes into account macro-economic assumptions and estimates of risk, the opportunity cost of capital and other appropriate factors. "Terminal value" refers to the present value of all future cash flows generated by the asset for periods beyond the projections period.

In performing its discounted cash flow analysis of Rentrak, J.P. Morgan considered the stand-alone value of Rentrak, the value of Rentrak with the Cost Synergies from the proposed merger and the value of Rentrak with the Cost and Revenue Synergies from the proposed merger.

In arriving at the implied fully diluted equity value per share of Rentrak as a stand-alone entity without regard to the Cost and Revenue Synergies, J.P. Morgan calculated the unlevered free cash flows that Rentrak is expected to generate during the 10-year period ending on December 31, 2025 based upon financial projections prepared by comScore's management. J.P. Morgan also calculated a range of terminal values of Rentrak at the end of the 10-year period ending on December 31, 2025 by applying a perpetual growth rate ranging from 3.5% to 4.5% of the unlevered free cash flow of Rentrak during the terminal period of the projections. The unlevered free cash flows and the range of terminal values were then discounted to present values as of December 31, 2015, using a range of discount rates from 9.5% to 11.5%. The discount rate range was based upon J.P. Morgan's analysis of the weighted average cost of capital of Rentrak.

Based on the foregoing, this analysis indicated an implied fully diluted equity value per share range for Rentrak, without the Cost and Revenue Synergies, rounded to the nearest \$0.25, of \$24.50 – \$35.00.

J.P. Morgan also calculated the implied fully diluted equity value per share of Rentrak with the mid-point of the range for the Cost Synergies. In arriving at the implied fully-diluted equity value per share of Rentrak with the Cost Synergies from the proposed merger, J.P. Morgan calculated the unlevered free cash flows that are expected to be generated from the Cost Synergies during the 10-year period ending on December 31, 2025 based upon financial projections prepared by comScore's management. J.P. Morgan also calculated a range of terminal values for the Cost Synergies at the end of the 10-year period ending on December 31, 2025 by applying a perpetual growth rate ranging from 3.5% to 4.5% of the unlevered free cash flow produced by the Cost Synergies during the terminal period of the projections. The unlevered free cash flows from the Cost Synergies and the range of terminal values of the Cost Synergies were then discounted to present value as of December 31, 2015, using a range of discount rates from 9.5% to 11.5%. The discount rate range was based upon J.P. Morgan's analysis of the weighted cost of capital of Rentrak.

Based on the foregoing, this analysis indicated an implied fully diluted equity value per share range for Rentrak, including the Cost Synergies, rounded to the nearest \$0.25, of \$34.50 – \$45.25.

J.P. Morgan also calculated the implied fully diluted equity value per share of Rentrak with the mid-point of the range for the Cost and Revenue Synergies. In arriving at the implied fully diluted equity value per share of Rentrak with the Cost and Revenue Synergies from the proposed merger, J.P. Morgan calculated the unlevered free cash flows that are expected to be generated from the Cost and Revenue Synergies during the 10-year period ending on December 31, 2025 based upon financial projections prepared by comScore's management. J.P. Morgan also calculated a range of terminal values for the Cost and Revenue Synergies at the end of the 10-year period ending on December 31, 2025 by applying a perpetual growth rate ranging from 3.5% to 4.5% of the unlevered free cash flow produced by the Cost and Revenue Synergies during the terminal period of the projections. The unlevered free cash flows from the Cost and Revenue Synergies and the range of terminal values of the Cost and Revenue Synergies were then discounted to present value as of December 31, 2015, using a range of discount rates from 9.5% to 11.5%. The discount rate range was based upon J.P. Morgan's analysis of the weighted cost of capital of Rentrak.

Based on the foregoing, this analysis indicated an implied fully diluted equity value per share range for Rentrak, including the Cost and Revenue Synergies, rounded to the nearest \$0.25, of \$68.75 – \$79.50.

In arriving at the implied fully diluted equity value per share of comScore, J.P. Morgan calculated the unlevered free cash flows that comScore is expected to generate during the 10-year period ending on December 31, 2025 based upon financial projections prepared by comScore's management. J.P. Morgan also calculated a range of terminal values of comScore at the end of the 10-year period ending on December 31, 2025 by applying a perpetual growth rate ranging from 3.5% to 4.5% of the unlevered free cash flow of comScore during the terminal period of the projections. The unlevered free cash flows and the range of terminal values were then discounted to present values as of December 31, 2015, using a range of discount rates from 9.5% to 11.5%. The discount rate range was based upon J.P. Morgan's analysis of the weighted average cost of capital of comScore.

Based on the foregoing, this analysis indicated an implied fully diluted equity value per share range for comScore, rounded to the nearest \$0.25, of \$41.25 – \$61.75.

Relative Valuation Analysis

Based upon a comparison of the implied equity values for each of comScore and Rentrak calculated in its public trading multiples analysis and discounted cash flow analysis described above, J.P. Morgan calculated a range of implied exchange ratios for the transaction.

For each comparison, J.P. Morgan divided the lowest equity value for Rentrak by the highest equity value for comScore to derive the lowest implied exchange ratio implied by each set of reference ranges. J.P. Morgan also divided the highest equity value for Rentrak by the lowest equity value for comScore to derive the highest implied exchange ratios implied by each set of reference ranges.

The analysis indicated the following implied exchange ratios:

	Implied exchange ratios
Public Trading Multiples Analysis	
FV/2016E R	0.4754x – 1.3464x
FV/2016E EBITDA	0.3857x – 0.9218x
Discounted Cash Flow Analysis	
Without the Cost and Revenue Synergies	0.3968x – 0.8485x
Including the Cost and Revenue Synergies	1.1134x – 1.9273x

J.P. Morgan then compared the respective ranges of implied exchange ratios above to the exchange ratio.

The foregoing summary of certain material financial analyses does not purport to be a complete description of the analyses or data presented by J.P. Morgan. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. J.P. Morgan believes that the foregoing summary and its analyses must be considered as a whole and that selecting portions of the foregoing summary and these analyses, without considering all of its analyses as a whole, could create an incomplete view of the processes underlying the analyses and its opinion. In arriving at its opinion, J.P. Morgan did not attribute any particular weight to any analyses or factors considered by it and did not form an opinion as to whether any individual analysis or factor (positive or negative), considered in isolation, supported or failed to support its opinion. Rather, J.P. Morgan considered the totality of the factors and analyses performed in determining its opinion. Analyses based upon forecasts of future results are inherently uncertain, as they are subject to numerous factors or events beyond the control of the parties and their advisors. Accordingly, forecasts and analyses used or made by J.P. Morgan are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by those analyses. Moreover, J.P. Morgan's analyses are not and do not purport to be appraisals or otherwise reflective of the prices at which businesses actually could be bought or sold. None of the selected companies reviewed as described in the above summary is identical to comScore or Rentrak, and none of the selected transactions reviewed was identical to the merger. However, the companies selected were chosen because they are publicly traded companies with operations and businesses that, for purposes of J.P. Morgan's analysis, may be considered similar to those of comScore or Rentrak. The transactions selected were similarly chosen because their participants, size and other factors, for purposes of J.P. Morgan's analysis, may be considered similar to the merger. The analyses necessarily involve complex considerations and judgments concerning differences in financial and operational characteristics of the companies involved and other factors that could affect the companies compared to comScore or Rentrak and the transactions compared to the merger.

As a part of its investment banking business, J.P. Morgan and its affiliates are continually engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, investments for passive and control purposes, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements, and valuations for estate, corporate and other purposes. J.P. Morgan was selected to advise comScore with respect to the merger on the basis of such experience and its familiarity with comScore.

For services rendered in connection with the merger, comScore has agreed to pay J.P. Morgan a fee of approximately \$9,000,000, a substantial portion of which will become payable only if the proposed merger is consummated. In addition, comScore has agreed to reimburse J.P. Morgan for its expenses incurred in connection with its services, including the fees and disbursements of counsel, and will indemnify J.P. Morgan against certain liabilities, including liabilities arising under the Federal securities laws.

During the two years preceding the date of J.P. Morgan's opinion, neither J.P. Morgan nor its affiliates have had any material financial advisory or other material commercial or investment banking relationships with Rentrak. During the two years preceding the date of J.P. Morgan's opinion, J.P. Morgan and its affiliates have had commercial or investment banking relationships with comScore for which J.P. Morgan and such affiliates have received customary compensation. Such services during such period have included acting as financial advisor to comScore with respect to its strategic alliance with WPP plc's data investment management division, Kantar, in April 2015. In the ordinary course of their businesses, J.P. Morgan and its affiliates may actively trade the debt and equity securities of comScore or Rentrak for their own accounts or for the accounts of customers and, accordingly, they may at any time hold long or short positions in such securities. During the two year period preceding delivery of its opinion, the aggregate fees received by J.P. Morgan from comScore were \$4.5 million.

Recommendation of the Rentrak Board of Directors; Rentrak's Reasons for the Merger

At a meeting held on September 29, 2015, the Rentrak Board, unanimously (1) approved the merger agreement and the transactions contemplated by the merger agreement, upon the terms and subject to the conditions set forth in the merger agreement, (2) authorized management to submit the merger agreement to Rentrak shareholders for adoption at the Rentrak shareholder meeting and (3) recommended that Rentrak's shareholders adopt the merger agreement and approve the transactions contemplated by the merger agreement.

Table of Contents

Accordingly, the Rentrak Board unanimously recommends that Rentrak shareholders vote “FOR” the proposal to adopt the merger agreement and approve the transactions contemplated by the merger agreement at the Rentrak shareholder meeting.

The Rentrak Board believes that the merger presents a strategic opportunity to create value for Rentrak’s shareholders. In reaching its decision to approve the merger agreement and recommend the adoption of the merger agreement to its shareholders, the Rentrak board of directors consulted with management, as well as its legal advisors and financial advisors, and considered a number of factors, including, among others, the following:

- the Rentrak Board’s evaluation of the significant strategic opportunities and benefits of the merger, including, among others, the following:
 - (1) the prevailing macroeconomic conditions in the economic environment of, and the trends and developments in, the industries in which comScore and Rentrak operate, which the Rentrak Board viewed as supporting the rationale for seeking a strategic transaction that would create a new market leader in digital media measurement well positioned for sustained growth and profitability across its geographies and business segments;
 - (2) the expectation based on estimates by Rentrak and comScore management prior to the execution of the merger agreement that the merger will result in more than \$9.7 million in revenue synergies for the combined company by the end of its first full year after closing and \$28.4 million in revenue synergies for the combined company by the end of its second full year after closing;
 - (3) the value of the consideration to be received by Rentrak shareholders as a result of the transaction and the relationship between the current and historical market values of comScore common stock and Rentrak common stock;
 - (4) the fact that the exchange ratio represented a significant premium to the trading price of Rentrak common stock at the time the merger agreement was signed;
 - (5) its conclusion that the businesses of comScore and Rentrak are a complementary fit and that the merger will provide expanded product offerings, greater opportunities for innovation, cost savings opportunities, scale advantages and enhanced opportunities for growth; and
 - (6) the potential to increase revenue through the sale of cross-platform products and cross-selling to shared strategic customer accounts.
- the Rentrak Board’s knowledge of Rentrak’s business, financial and competitive position, management, challenges and prospects (including certain risks and uncertainties disclosed in Rentrak’s SEC filings), and of Rentrak’s operating plan for fiscal 2016 and its strategic plans and prospects for subsequent years were it to remain an independent public company and the potential effect of those factors on the trading price of Rentrak common stock (which cannot be quantified numerically);
- the Rentrak Board’s understanding of comScore’s business, financial and competitive position, management, challenges and prospects (including certain risks and uncertainties disclosed in comScore’s SEC filings), and of comScore’s operating plan for fiscal 2015 and its strategic plans and prospects for subsequent years were it to remain an independent public company and the potential impact of those factors on the trading price of comScore common stock (which cannot be quantified numerically), with the Rentrak Board’s knowledge being enhanced by the due diligence investigation of comScore conducted by Rentrak;
- current industry, economic and market conditions and the various alternatives to the merger, including Rentrak continuing to operate as an independent enterprise or completing a business combination with another party and the benefits and risks associated with those alternatives, and the Rentrak Board’s belief that a combination with comScore is more favorable to Rentrak’s shareholders than other potential strategic alternatives available to Rentrak;

Table of Contents

- the Rentrak Board's strategic review process, which included, among other things, management's periodic discussions with business partners and industry participants over the past several years (including after the business combination with comScore had been proposed), with the involvement of and discussion with the Rentrak Board and various legal advisors and investment banks;
- the structure of the transaction, including the expectation that the Rentrak Board and management would have a meaningful role in the governance and management of the combined company, including, among others, the following:
 - (1) the Rentrak shareholders' right to receive 1.1500 shares of comScore common stock for each share of Rentrak common stock, representing an implied value of \$49.62 per share of Rentrak common stock based on the closing price of comScore common stock on September 28, 2015, the last trading day before the Rentrak Board approved the merger agreement. This represented a premium of 13.2% over the closing price of Rentrak common stock on such date. In addition, the Rentrak Board's belief that it has obtained the highest price per share of Rentrak common stock that comScore is willing to pay as a result of extensive negotiations with, and provision of due diligence materials and information to, comScore;
 - (2) the fixed exchange ratio, which will not fluctuate as a result of changes in the market prices of shares of Rentrak common stock or comScore common stock, and which provides certainty that Rentrak shareholders will own 33.5% of the combined company on a fully diluted basis following the closing.
 - (3) that upon closing the board of directors of the combined company will consist of four directors selected by Rentrak, including one director on each committee of the board of the combined company;
 - (4) that Rentrak's Chief Executive Officer, William P. Livek, will be appointed as the executive vice chairman of the board of directors and president of the combined company;
 - (5) that David I. Chemerow, Rentrak's Chief Operating Officer and Chief Financial Officer, will be appointed a strategic advisor to the Chief Executive Officer of the combined company; and
 - (6) the continuity provided to the combined company by members of senior management of Rentrak.
- the perceived similarity in corporate cultures, which would facilitate integration and implementation of the merger;
- the Rentrak Board's belief that comScore's business, operations and products offered the best strategic fit to Rentrak's business, operations and products, and that, coupled with comScore's business and marketing strategies, the combined company offered the best short- and long-term synergies and value to Rentrak's shareholders and customers;
- the ability and likelihood of Rentrak and comScore to complete the merger, including their ability to obtain necessary regulatory approvals and the obligations to attempt to obtain those approvals, and measures taken by Rentrak and comScore to provide reasonable assurance to each other that the merger will occur, including the provisions of the merger agreement that require Rentrak or comScore to compensate the other in some circumstances if the merger does not occur;
- comScore's and Rentrak's past records of integrating acquisitions and of realizing projected financial goals and benefits of acquisitions;
- the fact that the merger is not subject to any financing condition;
- the expectation that the transaction will be treated as a tax-free reorganization for U.S. federal income tax purposes;
- the fact that the comScore common stock that Rentrak shareholders will receive pursuant to the merger will be registered and freely tradable following the merger;

Table of Contents

- its review and discussions with Rentrak management concerning the due diligence examination of comScore's business, operations, financial condition and prospects;
- the Rentrak Board's belief that the benefits of a combination of Rentrak and comScore would be readily understood by the investment community and securities analysts and that both companies' investors share a similar investment objective;
- the financial analyses performed by Goldman Sachs and the opinion of Goldman Sachs rendered to the Rentrak Board that, as of September 29, 2015 and based upon and subject to the factors and assumptions set forth therein, the exchange ratio pursuant to the merger agreement was fair from a financial point of view to the holders (other than comScore and its affiliates) of the outstanding shares of common stock, par value \$0.001 per share, of Rentrak (see the section entitled "*The Merger—Opinion of Rentrak's Financial Advisor*" beginning on page 72 of this joint proxy statement/prospectus);
- the terms and conditions of the merger agreement and the course of negotiations of the merger agreement, including, among other things, the ability of the Rentrak Board, if there is a superior offer or other specified intervening event, to withdraw or modify its recommendation to Rentrak shareholders concerning the transactions contemplated by the merger agreement, as described under "*The Merger Agreement*" beginning on page 86 of this joint proxy statement/prospectus;
- other terms of the merger agreement, including the mutual representations, warranties and covenants, and the conditions to each party's obligations to complete the merger, the circumstances in which each party's board of directors may change or withdraw its recommendation of the transactions and the circumstances in which each party is permitted to terminate the merger agreement and the termination fees that may be payable in connection therewith, as well as the fact that the confidentiality agreements entered into between Rentrak and potential acquirors prior to the announcement of the transaction provided that any standstill provisions contained therein would fall away upon announcement of the transaction (see "*The Merger Agreement*" beginning on page 86 of this joint proxy statement/prospectus).
- the fact that the final terms of the merger agreement were the product of extensive arms-length negotiations undertaken with the assistance of legal and financial advisors;
- the Rentrak Board's expectation that the merger will result in improved liquidity for Rentrak shareholders as a result of the increased equity capitalization and the increased shareholder base of the combined company; and
- the execution and delivery by the supporting shareholders of agreements to vote in favor of the merger.

The Rentrak Board also weighed the factors described above against certain factors and potential risks associated with entering into the merger agreement, including, among others, the following:

- the difficulty inherent in integrating the businesses, assets and workforces of two large, complex companies and the risk that the anticipated synergies and other benefits expected from the merger might not be fully realized;
- the possibility of customer, supplier, management and employee disruption associated with the merger and integrating the operations of the companies;
- the risk of diverting management focus, employee attention and resources from other strategic opportunities and from operational matters while working to complete the merger and on the implementation process;
- the risk that the cultures of the two companies may not be as compatible as anticipated;
- the restrictions on the conduct of Rentrak's and comScore's businesses prior to the completion of the merger, which may delay or prevent Rentrak or comScore from undertaking business opportunities that may arise or other actions either of them would otherwise take or refrain from taking with respect to

Table of Contents

the operations of Rentrak and comScore pending completion of the proposed merger which could be beneficial to the longer term prospects of Rentrak as a stand-alone entity or of the combined entity following the merger;

- the fact that the merger restricts Rentrak from soliciting, initiating or encouraging alternative business combination transactions and limits its ability to provide confidential due diligence information to, or engage in discussions with, a third party interested in pursuing an alternative business combination transaction (see the section entitled “*The Merger Agreement—comScore and Rentrak are Required to Terminate Any Existing Discussions with Third Parties and are Prohibited from Soliciting Other Offers*” beginning on page 93 of this joint proxy statement/prospectus);
- the fact that the termination fee of \$28,500,000 to be paid to comScore under the circumstances specified in the merger agreement may discourage other parties that might otherwise have an interest in a business combination with, or an acquisition of, Rentrak (see the section entitled “*The Merger Agreement—Termination; Fees and Expenses*” beginning on page 103 of this joint proxy statement/prospectus);
- the fact that Rentrak must submit the proposal to adopt the merger agreement and approve the transactions contemplated by the merger agreement to the Rentrak shareholders even if the Rentrak Board changes its recommendation in favor of the merger (except if the Rentrak Board changes its recommendation in response to a superior proposal), and the risk that such requirement may discourage other parties that might otherwise have an interest in a business combination with, or an acquisition of, Rentrak (see the section entitled “*The Merger Agreement—Obligations of each of the comScore and Rentrak Boards of Directors with Respect to its Recommendation and Holding a Meeting of its Stockholders or Shareholders*” beginning on page 96 of this joint proxy statement/prospectus);
- the ability of the comScore board of directors, under specified circumstances, to withdraw or modify its recommendation to comScore’s stockholders concerning the transactions contemplated by the merger agreement (see the section entitled “*The Merger Agreement—Obligations of each of the comScore and Rentrak Boards of Directors with Respect to its Recommendation and Holding a Meeting of its Stockholders or Shareholders*” beginning on page 96 of this joint proxy statement/prospectus of this joint proxy statement/prospectus);
- the ability of the comScore board to terminate the merger agreement to enter into a contract for a superior offer, subject to specified conditions (which mirror those related to Rentrak’s similar ability) (see “*The Merger Agreement—Termination; Fees and Expenses*” beginning on page 103);
- the fact that Rentrak’s Chief Executive Officer will not be the Chief Executive Officer of the combined company and that the merger agreement does not require that any Rentrak officers will serve in similar capacities with the combined company;
- various regulatory approvals are required to complete the merger, which present a risk that the applicable governmental authorities may condition their grant of required approvals or consents on the imposition of unfavorable terms or conditions or that such approvals and consents will not be able to be obtained at all, and that significant costs and delays may be incurred in obtaining these approvals and consents;
- the possibility of significant costs and delays resulting from seeking regulatory approvals necessary to complete the transactions contemplated by the merger agreement, the possibility that the transactions may not be completed if such approvals are not obtained, and the potential negative effects on Rentrak, its business and its stock price if such approvals are not obtained;
- the risk that either comScore stockholders may fail to approve the issuance of the shares of comScore common stock that are issuable in connection with the merger or Rentrak shareholders may fail to adopt the merger agreement;

Table of Contents

- the fact that if the proposed merger is not completed, Rentrak will have expended significant human and financial resources on a failed transaction, and may also be required to pay a termination fee in various circumstances, as described under “*The Merger Agreement—Termination Fees and Expenses*” beginning on page 103; and the risks described in the section entitled “*Risk Factors*” beginning on page 17 of this joint proxy statement/prospectus, and the matters described under “*Cautionary Statement Regarding Forward-Looking Information*” beginning on page iv;
- there are risks and contingencies relating to the announcement and pendency of the merger and risks and costs to Rentrak if the closing of the merger is not timely, or if the merger does not close at all, including the potential effects on the relationships between Rentrak and its employees, customers, suppliers and other third parties, as well as the potential effects on the trading prices of Rentrak common stock;
- Rentrak would no longer be an independent, publicly-traded company with strategic direction being decided by a board of directors chosen by the Rentrak shareholders; and
- certain risks inherent in comScore’s business and operations, including those identified in comScore’s SEC filings and the types and nature of the risks described under the section entitled “*Risk Factors*” beginning on page 17, and the matters described under “*Cautionary Statement Regarding Forward-Looking Information*” beginning on page iv.

In considering the recommendation of the Rentrak Board with respect to the proposal to adopt the merger agreement and approve the transactions contemplated by the merger agreement, you should be aware that some of Rentrak’s directors and executive officers may have interests in the merger that are different from, or in addition to, yours. The Rentrak Board was aware of and considered these interests, among other matters, in evaluating the merger agreement and the transactions contemplated by the merger agreement, and in recommending that the merger agreement be adopted by Rentrak shareholders. See the section entitled “*The Merger – Interests of the Directors and Executive Officers of Rentrak in the Merger*” beginning on page 81 of this joint proxy statement/prospectus.

The foregoing discussion of the information and factors considered by the Rentrak Board in reaching its conclusions and recommendations is not intended to be exhaustive, but includes the material factors considered by the Rentrak Board. In view of the wide variety of factors considered in connection with its evaluation of the merger agreement and the transactions contemplated by the merger agreement, and the complexity of these matters, the Rentrak Board did not find it practicable to, and did not attempt to, quantify, rank or assign any relative or specific weights to the various factors considered in reaching its determination and making its recommendation. In addition, individual directors may have given different weights to different factors. The Rentrak Board considered all of the foregoing factors as a whole and based its recommendation on the totality of the information presented.

The foregoing discussion also contains forward-looking statements with respect to future events that may have an effect on Rentrak’s financial performance or the future financial performance of the combined company. See the sections entitled “Cautionary Statement Regarding Forward-Looking Information” beginning on page iv and “Risk Factors” beginning on page 17 of this joint proxy statement/prospectus.

Nature of Prospective Financial Information Reviewed by the Rentrak Board and Rentrak’s Financial Advisor

Although Rentrak has publicly issued limited short-term guidance concerning various aspects of its expected financial performance, Rentrak does not make public disclosure of detailed forecasts or projections of its expected financial performance for extended periods because of, among other things, the inherent difficulty of accurately predicting future periods and the likelihood that the underlying assumptions and estimates may prove incorrect. In connection with its evaluation of the merger, however, Rentrak management prepared and provided to the Rentrak

Table of Contents

Board and Goldman Sachs some non-public, internal financial projections regarding Rentrak's anticipated future operations and estimated synergies arising in connection with the merger. In addition, Rentrak management prepared and provided to the Rentrak Board and Goldman Sachs some non-public, internal financial projections for comScore, which were derived from forecasts for comScore that comScore prepared and provided to Rentrak management in connection with Rentrak's evaluation of the merger. A summary of these financial projections and estimated synergies is included below to provide Rentrak shareholders and comScore stockholders access to specific non-public information that was considered by the Rentrak Board for purposes of evaluating the merger.

The financial projections and estimated synergies summarized below were not prepared for purposes of public disclosure, nor were they prepared on a basis designed to comply with published guidelines of the Securities and Exchange Commission, the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of projections, or U.S. GAAP. Rentrak's independent auditor, which is listed as an expert in the section entitled "*Experts*" beginning on page 135 did not compile, examine or perform any procedures with respect to the projections or estimated synergies summarized below, and has not expressed any opinion or any other form of assurance on this information or its achievability, and assumes no responsibility for, and disclaims any association with, these projections and estimated synergies. The independent auditor's reports incorporated by reference in this document relate to historical financial statements; they do not extend to any prospective financial information and should not be seen to do so.

Although presented with numerical specificity, the projections and estimated synergies were prepared in the context of numerous variables, estimates and assumptions that are inherently uncertain and may be beyond the control of Rentrak, and which may prove not to have been, or to no longer be, accurate. The projections and the estimated synergies are subject to many risks and uncertainties. Important factors that may affect actual results and cause actual results to differ materially from these projections and synergies include risks and uncertainties relating to Rentrak's and comScore's businesses (including their ability to achieve strategic goals, objectives and targets over the applicable periods), industry performance, the regulatory environment, general business and economic conditions, market and financial conditions, various risks set forth in Rentrak's reports filed with the Securities and Exchange Commission, and other factors described under "*Cautionary Statement Regarding Forward-Looking Information*" beginning on page iv of this joint proxy statement/prospectus. The projections and estimated synergies also reflect assumptions that are subject to change and are susceptible to multiple interpretations and periodic revisions based on actual results, revised prospects for Rentrak's and comScore's businesses, or any other transaction or event that has occurred or that may occur and that was not anticipated at the time the projections and estimated synergies were prepared. In addition, other than with respect to the estimated synergies discussed below, the projections do not take into account any of the transactions contemplated by the merger agreement, including the merger and associated expenses, or Rentrak's and comScore's compliance with their respective covenants under the merger agreement. Moreover, the projections and estimated synergies do not take into account any circumstances, transactions or events occurring after the date the projections and estimated synergies were prepared. Accordingly, actual results will likely differ, and may differ materially, from those contained in the projections and estimated synergies. We do not assure you that these projections and estimated synergies will be realized or that future financial results of Rentrak or comScore will not materially vary from these projections and estimated synergies.

The inclusion of a summary of the projections and estimated synergies in this joint proxy statement/prospectus should not be regarded as an indication that any of Rentrak, comScore or their respective affiliates, officers, directors or other representatives consider the projections or estimated synergies to be necessarily predictive of actual future events, and neither the projections nor the estimated synergies should be relied upon as such. None of Rentrak, comScore or their respective affiliates, officers, directors or other representatives gives any shareholder of Rentrak, stockholder of comScore or other person any assurance that actual results will not differ materially from the projections and estimated synergies, and, except as otherwise required by law, none of them undertakes any obligation to update or otherwise revise or reconcile the projections or estimated synergies to reflect circumstances existing after the date the projections and estimated synergies were generated or to reflect the occurrence of future events, even in the event that any or all of the assumptions and estimates underlying the projections or estimated synergies are shown to be in error.

Table of Contents

A summary of these financial projections and estimated synergies is included solely to give Rentrak shareholders and comScore stockholders access to the information that was made available to the Rentrak Board and Goldman Sachs, as described below, and is not included in this joint proxy statement/prospectus in order to influence your decision whether to vote for or against the proposal to adopt the merger agreement. The inclusion of this information should not be regarded as an indication that the Rentrak Board, its advisors or any other person considered, or now considers, it to be material or to be a reliable prediction of actual future results. Rentrak management's internal financial projections upon which the Rentrak Projections (as defined below) and the Rentrak-Prepared comScore Projections (as defined below) were based, as well as the estimated synergies that may result from the merger, are subjective in many respects. We do not assure you that these projections or estimated synergies will be realized or that actual results will not be significantly higher or lower than forecasted. The projections included below cover multiple years, and this information by its nature becomes subject to greater uncertainty with each successive year. The financial projections and summary information should be evaluated, if at all, in conjunction with the historical financial statements and other information contained in Rentrak's and comScore's respective public filings with the Securities and Exchange Commission.

Summary of Prospective Financial Information Reviewed by the Rentrak Board and Rentrak's Financial Advisor

As part of its evaluation of the merger, in June 2015, Rentrak's management prepared the unaudited financial projections regarding Rentrak's future operations for Rentrak's fiscal years ending March 31, 2016 through 2020 that are summarized below (which we refer to as the "Initial Rentrak Projections"). In September 2015, Rentrak management revised those projections to reflect a more conservative view of the market (such revised projections, the "Revised Rentrak Projections" and, together with the Initial Rentrak Projections, the "Rentrak Projections"). In addition, comScore's management provided various unaudited financial projections to Rentrak's management, which we refer to as the "comScore-Prepared comScore Projections." As part of its evaluation of the merger, Rentrak's management prepared its own financial projections, based on the comScore-Prepared comScore Projections, regarding comScore's future operations for the fiscal years ending December 31, 2015 through 2019 which we refer to as the "Initial Rentrak-Prepared comScore Projections." In September 2015, Rentrak management revised the Initial Rentrak-Prepared comScore Projections as a result of its due diligence work (such revised projections, the "Revised Rentrak-Prepared comScore Projections" and, together with the Initial Rentrak-Prepared comScore Projections, the "Rentrak-Prepared comScore Projections"). Both the Rentrak Projections and the Rentrak-Prepared comScore Projections, which we refer to collectively as the "Forecasts" under "*The Merger—Recommendation of the Rentrak Board of Directors; Rentrak's Reasons for the Merger*" beginning on page 62 of this joint proxy statement/prospectus, were provided to the Rentrak Board for its use in evaluating the merger and, in connection therewith, also provided to Goldman Sachs. Rentrak's management also provided the Rentrak Projections to comScore's management.

- (1) Adjusted EBITDA is defined as earnings before interest, taxes, depreciation, amortization, stock-based compensation expense and other non-operating items. Adjusted EBITDA is a non-GAAP measure and should not be considered as an alternative to net income (loss) (the most comparable GAAP financial measure to Adjusted EBITDA).
(2) Capital Expenditures is defined as the purchase of property and equipment as well as the capitalization of internally developed software for our business information service offerings.

Rentrak's management also prepared estimates of synergies that it expected the combined company would realize in each of the five years following completion of the merger and provided these estimates to the Rentrak Board and to Goldman Sachs for use in its financial analyses. These estimates are referred to as the "Synergies" under "*Nature of Prospective Financial Information Reviewed by the Rentrak Board and Rentrak's Financial Advisor*" beginning on page 67 of this joint proxy statement/prospectus and are summarized in the following table. Rentrak's management estimated that the combined company would realize approximately \$17.7 million of EBITDA from a combination of its revenue and cost synergies by the end of its first full year after closing and approximately \$33.1 million of EBITDA from a combination of its revenue and cost synergies by the end of its second full year after closing (which were used by Goldman Sachs and are referred to under "*The Merger—Opinion of Rentrak Financial Advisor*" beginning on page 72).

Opinion of Rentrak's Financial Advisor

Goldman Sachs rendered its opinion to Rentrak's board of directors that, as of the date of the written fairness opinion and based upon and subject to the factors and assumptions set forth therein, the exchange ratio was fair from a financial point of view to the holders (other than comScore and its affiliates) of the outstanding shares of common stock, par value \$0.001 per share, of Rentrak. Goldman Sachs subsequently confirmed its earlier opinion by delivery of a subsequently written opinion dated as of the date of this proxy statement.

The full text of the written opinion of Goldman Sachs, dated September 29, 2015, which sets forth assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is attached as Annex C. Goldman Sachs provided its opinion for the information and assistance of Rentrak's board of directors in connection with its consideration of the transactions contemplated by the merger agreement. The Goldman Sachs opinion does not constitute a recommendation as to how any holder of Rentrak's common stock should vote with respect to the proposed transaction or any other matter.

In connection with rendering the opinion described above and performing its related financial analyses, Goldman Sachs reviewed, among other things:

- the merger agreement;
- annual reports to shareholders and Annual Reports on Form 10-K of Rentrak for the five fiscal years ended March 31, 2015 and of comScore for the five years ended December 31, 2014;
- certain interim reports to shareholders and Quarterly Reports on Form 10-Q of Rentrak and comScore;
- certain other communications from Rentrak and comScore to their respective shareholders and stockholders;
- certain publicly available research analyst reports for Rentrak and comScore;
- certain internal financial analyses and forecasts for comScore prepared by its management;
- internal financial analyses and forecasts for Rentrak prepared by its management and certain financial analyses and forecasts for comScore prepared by the management of Rentrak, in each case, as approved for our use by Rentrak;
- certain operating synergies projected by the managements of Rentrak and comScore to result from the transaction, as approved for Goldman Sachs' use by Rentrak; and
- estimates of Rentrak's net operating losses prepared by the management of Rentrak, as approved for Goldman Sachs' use by Rentrak, which we refer to as "NOL Forecasts".

Goldman Sachs also held discussions with members of the senior managements of Rentrak and comScore regarding their assessment of the strategic rationale for, and the potential benefits of, the transactions contemplated by the merger agreement and the past and current business operations, financial condition and future prospects of Rentrak and comScore; reviewed the reported price and trading activity for the Rentrak common stock and the comScore common stock; compared certain financial and stock market information for Rentrak and comScore with similar information for certain other companies the securities of which are publicly traded; reviewed the financial terms of certain recent business combinations in the information services industry and in other industries; and performed such other studies and analyses, and considered such other factors, as it deemed appropriate.

For purposes of rendering the opinion described above, Goldman Sachs, with Rentrak's consent, relied upon and assumed the accuracy and completeness of all of the financial, legal, regulatory, tax, accounting and other information provided to, discussed with or reviewed by it, without assuming any responsibility for independent verification thereof. In that regard, Goldman Sachs assumed, with Rentrak's consent, that the Forecasts, the

Table of Contents

Synergies and the NOL Forecasts have been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of Rentrak. Goldman Sachs did not make an independent evaluation or appraisal of the assets and liabilities (including any contingent, derivative or other off-balance-sheet assets and liabilities) of Rentrak or comScore or any of their respective subsidiaries, and it was not furnished with any such evaluation or appraisal. Goldman Sachs assumed that all governmental, regulatory or other consents and approvals necessary for the consummation of the transactions contemplated by the merger agreement will be obtained without any adverse effect on Rentrak or comScore or on the expected benefits of the transactions contemplated by the merger agreement in any way meaningful to its analysis. Goldman Sachs has also assumed that the transactions contemplated by the merger agreement will be consummated on the terms set forth in the merger agreement, without the waiver or modification of any term or condition the effect of which would be in any way meaningful to its analysis.

Goldman Sachs' opinion does not address the underlying business decision of Rentrak to engage in the transactions contemplated by the merger agreement or the relative merits of the transactions contemplated by the merger agreement as compared to any strategic alternatives that may be available to Rentrak; nor does it address any legal, regulatory, tax or accounting matters. Goldman Sachs' opinion addresses only the fairness from a financial point of view to the holders (other than comScore and its affiliates) of the common stock of Rentrak, as of the date of the opinion, of the exchange ratio pursuant to the merger agreement. Goldman Sachs' opinion does not express any view on, and its opinion does not address, any other term or aspect of the merger agreement or the transactions contemplated by the merger agreement or any term or aspect of any other agreement or instrument contemplated by the merger agreement or entered into or amended in connection with the transactions contemplated by the merger agreement, including, the fairness of the transaction to, or any consideration received in connection therewith by, the holders of any other class of securities, creditors, or other constituencies of Rentrak; nor as to the fairness of the amount or nature of any compensation to be paid or payable to any of the officers, directors or employees of Rentrak, or class of such persons, in connection with the transactions contemplated by the merger agreement, whether relative to the exchange ratio pursuant to the merger agreement or otherwise. Goldman Sachs did not express any opinion as to the prices at which shares of comScore common stock would trade at any time or as to the impact of the transactions contemplated by the merger agreement on the solvency or viability of Rentrak or comScore or the ability of Rentrak or comScore to pay their respective obligations when they come due. Goldman Sachs' opinion was necessarily based on economic, monetary, market and other conditions as in effect on, and the information made available to it as of, the date of the opinion and Goldman Sachs assumed no responsibility for updating, revising or reaffirming its opinion based on circumstances, developments or events occurring after the date of its opinion. Goldman Sachs' opinion was approved by a fairness committee of Goldman Sachs.

The following is a summary of the material financial analyses delivered by Goldman Sachs to the Rentrak Board in connection with rendering the opinion described above. The following summary, however, does not purport to be a complete description of the financial analyses performed by Goldman Sachs, nor does the order of analyses described represent relative importance or weight given to those analyses by Goldman Sachs. Some of the summaries of the financial analyses include information presented in tabular format. The tables must be read together with the full text of each summary and are alone not a complete description of Goldman Sachs' financial analyses. Except as otherwise noted, the following quantitative information, to the extent that it is based on market data, is based on market data as it existed on or before September 25, 2015 and is not necessarily indicative of current market conditions.

Historical Trading Analysis and Exchange Ratio Analysis. Goldman Sachs reviewed the historical trading prices and volumes for the Rentrak common stock and comScore for the one-year period ended September 25, 2015. Goldman Sachs calculated the premium implied by the implied offer price (which implied offer price was obtained by multiplying the exchange ratio by the closing price of comScore common stock on September 25, 2015) and (1) the closing price per share of Rentrak common stock on September 25, 2015 and on August 26, 2015 (following a broad market decline); (2) the volume-weighted average price, or "VWAP", per share of Rentrak common stock during the 1-month, 3-month and 6-month periods ended on September 25, 2015; (3) the

high and low closing price per share of Rentrak common stock for the 52-week period ended on September 25, 2015; (4) the VWAP per share of Rentrak common stock over the year-to-date as of September 25, 2015; and (5) the VWAP per share of Rentrak common stock over the one-year period ended on September 25, 2015. This analysis showed the following implied premia:

<u>Historical Date or Period</u>	<u>Share Price</u>	<u>Premium/(Discount)</u>
Implied Transaction Share Price	\$ 51.76	0.0%
Current	46.20	12.0%
August 26, 2015	44.62	16.0%
52-Week High	87.40	(40.8)%
52-Week Low	42.30	22.4%
1-Month VWAP	46.04	12.4%
3-Months VWAP	56.17	(7.8)%
6-Months VWAP	57.79	(10.4)%
YTD VWAP	58.14	(11.0)%
1-Year VWAP	61.79	(16.2)%

Goldman Sachs also calculated historical average exchange ratios over the various periods described in clauses (1) through (5) of the immediately preceding paragraph by first dividing the closing price per share of Rentrak common stock on each trading day during each such period by the closing price per share of comScore common stock on the same trading day, and subsequently taking the average of these daily historical exchange ratios over such periods. Goldman Sachs then calculated the premia implied by the exchange ratio to the historical average exchange ratio over various periods. The following table presents the results of this analysis:

<u>Historical Date or Period</u>	<u>Exchange Ratio</u>	<u>Premium/(Discount)</u>
Exchange Ratio	1.15x	0.0%
Current	1.03	12.0%
August 26, 2015	0.84	37.7%

Selected Companies Analysis. Goldman Sachs reviewed and compared certain financial information for Rentrak and comScore to corresponding financial information, ratios and public market multiples for the following publicly traded corporations that are peers in the measurement space or are in the information services industry:

Measurement Peers:

- Adobe Systems Incorporated;
- The Nielsen Company B.V.;
- Rovi Corporation; and
- TiVo Inc.

Information Services:

- FactSet Research Systems Inc.;
- IHS INC.;

Table of Contents

- Gartner, Inc.;
- MSCI Inc.; and
- Verisk Analytics, Inc.

Although none of the selected companies is directly comparable to Rentrak or comScore, the companies included were chosen because they are publicly traded companies with operations that for purposes of analysis may be considered similar to certain operations of Rentrak and comScore.

The multiples and ratios for each of Rentrak, comScore and the selected companies were calculated using the closing price of the respective company's common stock on September 25, 2015 and were based on the most recent publicly available financial statements as well as IBES median estimates and other research. With respect to the selected companies, Goldman Sachs calculated:

- Enterprise Value ("EV"), which is the market value of common equity as of September 25, 2015 plus net debt as of the latest available balance sheet of each respective company, as a multiple of estimated sales in calendar years 2015, 2016 and 2017; and
- EV as a multiple of estimated earnings before interest, taxes and depreciation and amortization, or "EBITDA", in calendar years 2015, 2016 and 2017.

The results of these analyses are summarized as follows:

<u>Enterprise Value as a multiple of:</u>	<u>Selected Companies</u>		<u>Rentrak</u>	<u>comScore</u>
	<u>Range</u>	<u>Median</u>		
<u>Sales</u>				
• 2015	1.4x-8.3x	4.5x	5.3x	4.6x

• 2016	3.7-20.1	13.9	18.1	15.2
• 2017	3.0-14.8	12.3	11.8	12.4

Goldman Sachs also calculated the selected companies' estimated calendar years 2015, 2016 and 2017 price to earnings ratios based on the use of non-GAAP earnings and compared them to the results for Rentrak and comScore. The following table presents the results of this analysis:

<u>Price to Earnings Ratio:</u>	<u>Selected Companies</u>		<u>Rentrak</u>	<u>comScore</u>
	<u>Range</u>	<u>Median</u>		
2015	6.7x-87.6x	27.0x	85.0x	35.1x
2016	4.8-83.4	23.3	43.5	27.5
2017	3.4-48.7	19.6	28.1	21.6

Goldman Sachs also considered five-year compound annual growth rate of earnings per share and the proportion of the price to earnings ratio to the five-year compound annual growth rate of earnings per share. The following table presents the results of this analysis:

<u>5 Year EPS Compound Growth Rate</u>	<u>Selected Companies</u>		<u>Rentrak</u>	<u>comScore</u>

Illustrative Discounted Cash Flow Analysis. Goldman Sachs performed an illustrative discounted cash flow analysis using the Forecasts for Rentrak as a standalone company. In order to calculate a range of illustrative enterprise values for Rentrak as a standalone company, Goldman Sachs discounted to present values as of June 30, 2015, using discount rates ranging from 9.5% to 11.5%, representing estimates of the weighted average cost of capital of Rentrak as a standalone company, (i) free cash flows for the fiscal years ending March 31 from 2016 through 2020 and (ii) illustrative terminal values calculated by applying last twelve months enterprise value to EBITDA multiples ranging from 17.0x to 20.0x to Rentrak's estimated fiscal year 2020 EBITDA. Goldman Sachs then subtracted Rentrak's net debt as of the latest available Rentrak balance sheet and added the present value of Rentrak's NOL Forecasts as of June 30, 2015 using a discount rate of 10.5% from the range of illustrative enterprise values for Rentrak as a standalone company and then divided the resulting difference by the outstanding number of Rentrak common shares as of September 25, 2015 per the treasury stock method, as provided and approved for Goldman Sachs' use by the management of Rentrak, to calculate an illustrative range of per-share values of Rentrak as a standalone company. The analysis resulted in a range of implied values per share of Rentrak of \$63.52 to \$79.29.

Goldman Sachs then performed an illustrative discounted cash flow analysis using the Forecasts for comScore as a standalone company. In order to calculate a range of illustrative enterprise values for comScore as a standalone company, Goldman Sachs discounted to present values as of June 30, 2015, using discount rates ranging from 9.5% to 11.5%, representing estimates of the weighted average cost of capital of comScore as a standalone company, (i) free cash flows for the calendar years 2015 through 2019 and (ii) illustrative terminal values calculated by applying last twelve months enterprise value to EBITDA multiples ranging from 15.0x to 18.0x to comScore's estimated calendar year 2019 EBITDA. Goldman Sachs then subtracted comScore's net debt and minority interest as of the latest available comScore balance sheet from the range of illustrative enterprise values for comScore as a standalone company and then divided the resulting difference by the outstanding number of comScore common shares as of September 25, 2015 per the treasury stock method, as provided by the management of comScore and approved for Goldman Sachs' use by the management of Rentrak, to calculate an illustrative range of per-share values of comScore as a standalone company. The analysis resulted in a range of implied values per share of comScore of \$53.47 to \$66.93.

Goldman Sachs then performed an illustrative discounted cash flow analysis using the Forecasts for the pro forma combined company, giving effect to the Synergies. In order to calculate a range of illustrative enterprise values for the pro forma combined company, Goldman Sachs discounted to present values as of June 30, 2015, using discount rates ranging from 9.5% to 11.5%, representing estimates of the weighted average cost of capital of the pro forma combined company, (i) free cash flows for the calendar years 2015 through 2019 and (ii) illustrative terminal values calculated by applying last twelve months enterprise value to EBITDA multiples ranging from 15.0x to 20.0x to the pro forma combined company's estimated calendar year 2019 EBITDA. Goldman Sachs then subtracted the pro forma combined company's net debt and minority interest as of the latest available balance sheet and added the present value of Rentrak's NOL Forecasts as of June 30, 2015 using a discount rate of 10.5% of each respective company from the range of illustrative enterprise values for the combined company and then divided the resulting difference by the outstanding number of shares of common stock of the pro forma combined company as of September 25, 2015 per the treasury stock method, as provided by the managements of Rentrak and comScore and approved for Goldman Sachs' use by the management of Rentrak, to calculate an illustrative range of per-share values of the combined company. The analysis resulted in (1) a range of implied values per share of the combined company of \$62.88 to \$86.62 and (2) a range of implied values per share of common stock of Rentrak of \$72.31 to \$99.62.

Goldman Sachs also performed an illustrative discounted cash flow analysis on the Synergies. In order to calculate a range of implied present values of the Synergies, Goldman Sachs discounted to present values as of June 30, 2015, using discount rates ranging from 9.5% to 11.5%, representing estimates of the combined company's weighted average cost of capital (i) the Synergies for each of the calendar years 2015 through 2020

Table of Contents

and (ii) illustrative terminal values, calculated using illustrative multiples ranging from 15.0x to 20.0x as applied to the estimated calendar year 2020 Synergies. The analysis resulted in a range of implied present values of Synergies of \$1,107 million to \$1,525 million.

DCF-Based Contribution Analysis and Implied Exchange Ratio. Goldman Sachs calculated indications of relative equity contribution to the pro forma combined company, excluding the Synergies, using the discounted cash flow analyses described above, at a weighted average cost of capital ranging from 9.5% to 11.5% for both Rentrak and comScore. This analysis resulted in an illustrative range of implied ownership in the pro forma combined company for shareholders of Rentrak of 32.8% to 36.2%. As noted above, the exchange ratio implied Rentrak shareholders' ownership of approximately 33.5% in the combined company.

Goldman Sachs also calculated exchange ratios for the Rentrak and comScore common stocks implied by the standalone discounted cash flow analyses described above, excluding the Synergies and using weighted average cost of capital ranging from 9.5% to 11.5% for both Rentrak and comScore. This analysis resulted in an illustrative range of exchange ratios implied by the illustrative standalone discounted cash flow analyses of 1.10 to 1.28 shares of comScore common stock for each share of Rentrak common stock. As noted above, the exchange ratio in the proposed transaction was 1.15x.

For each of the selected transactions, Goldman Sachs calculated premia implied by the implied offer price for each transaction (which implied offer price was obtained by multiplying that transaction's agreed exchange ratio by the last available closing price of each acquiror's common stock on the day of the announcement of the transaction) and the closing price per share of each target's common stock 1 day, 5 days and 30 days prior to the announcement of the transaction. Goldman Sachs then compared these results to (a) the premia implied by the implied transactions contemplated by the merger agreement offer price (which implied offer price was obtained by multiplying the exchange ratio by the closing price of comScore common stock on September 25, 2015) and the closing price per share of Rentrak common stock 1 day, 5 days and 30 days prior to the announcement of the

transaction and (b) the premia implied by the exchange ratio and the exchange ratios calculated by dividing the closing price per share of Rentrak common stock 1 day, 5 days and 30 days prior to the announcement of the transaction by the closing price per share of comScore common stock on the same trading day. While none of the companies that participated in the selected transactions are directly comparable to Rentrak, the selected transactions, for the purposes of analysis, may be considered similar to the transaction between Rentrak and comScore. The following table presents the results of this analysis:

Contribution Analysis. Goldman Sachs calculated illustrative pro forma relative contributions of Rentrak and comScore to the combined company with respect to calendar year 2014 and estimated calendar years 2015, 2016, 2017 and 2018 revenue, gross profit and EBITDA adjusted for stock based compensation (which we refer to as “Adjusted EBITDA”), as well as estimated calendar years 2015, 2016, 2017 and 2018 Adjusted EBITDA normalized both for new product capital expenditures only and for total capital expenditures, based on Rentrak public filings, comScore public filings, the Forecasts and market data as of September 25, 2015. Goldman Sachs also derived implied pro forma equity contributions of Rentrak and comScore from such illustrative pro forma relative revenue, gross profit and Adjusted EBITDA contributions by adjusting for each company’s respective net cash position. Present Value of Implied Future Rentrak Share Price Analysis. Goldman Sachs performed an illustrative analysis of the present value of the implied future price per share of Rentrak common stock, which is designed to provide an indication of the present value of a theoretical future value of a company's equity. First, an illustrative future enterprise value for a company is calculated by applying selected multiples to the company's estimated future EBITDA. This future enterprise value is then discounted back to the present by applying a range of discount rates. The resulting range of values is then expressed as an illustrative current value of the company's equity.

Goldman Sachs first calculated the implied enterprise value of Rentrak for calendar year 2018 by applying one-year forward EBITDA multiples ranging from 16.0x to 19.0x to Rentrak's projected EBITDA for calendar year 2018 set forth in the Forecasts. Using the Forecasts, Goldman Sachs then calculated the present value of the future implied values per share of Rentrak common stock by subtracting Rentrak's estimated net debt, as of year-end 2018, from its future implied enterprise value, then dividing this amount by the projected fully diluted number of shares of Rentrak common stock outstanding at the end of 2018, and then discounting the hypothetical future prices per share to June 30, 2015 using an illustrative discount rate ranging from 9.5% to 11.5%, reflecting an estimate of Rentrak's cost of equity. This analysis resulted in a range of illustrative implied present values per share of Rentrak common stock of \$69.33 to \$85.74.

Present Value of Implied Future comScore Share Price Analysis. Goldman Sachs also performed an illustrative analysis of the present value of the implied future prices per share of comScore common stock using the same methodology described in the preceding paragraph. For this analysis, Goldman Sachs applied multiples ranging from 14.0x to 17.0x to comScore's projected EBITDA for calendar year 2018 set forth in the Forecasts and an illustrative discount rate ranging from 9.5% to 11.5%, reflecting an estimate of comScore's cost of equity. This analysis resulted in an implied range of present values per share of comScore common stock of \$57.53 to \$71.52.

Pro Forma Present Value of Implied Future Combined Company Share Price Analysis. Goldman Sachs also performed an illustrative analysis of the present value of the implied future prices per share of the common stock of the pro forma combined company, using the same methodology described in the two preceding paragraphs. For this analysis, Goldman Sachs applied multiples ranging from 14.0x to 19.0x to the pro forma combined company's projected EBITDA for calendar year 2018 set forth in the Forecasts, giving effect to the Synergies, and an illustrative discount rate ranging from 9.5% to 11.5%, reflecting an estimate of the combined company's cost of equity. The analysis resulted in (1) an implied range of present values per share of the combined company common stock of \$66.57 to \$92.73 and (2) a range of implied present values per share of common stock of Rentrak of \$76.56 to \$106.63 based on the exchange ratio.

The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Selecting portions of the analyses or of the summary set forth above, without considering the analyses as a whole, could create an incomplete view of the processes underlying Goldman Sachs' opinion. In arriving at its fairness determination, Goldman Sachs considered the results of all of its analyses and did not attribute any particular weight to any factor or analysis considered by it. Rather, Goldman

Table of Contents

Sachs made its determination as to fairness on the basis of its experience and professional judgment after considering the results of all of its analyses. No company or transaction used in the above analyses as a comparison is directly comparable to Rentrak or comScore or the contemplated transaction.

Goldman Sachs prepared these analyses for purposes of Goldman Sachs' providing its opinion to Rentrak's board of directors as to the fairness from a financial point of view, of the exchange ratio, to the holders (other than comScore and its affiliates) of the outstanding shares of common stock, par value \$0.001 per share, of Rentrak. These analyses do not purport to be appraisals nor do they necessarily reflect the prices at which businesses or securities actually may be sold. Analyses based upon forecasts of future results are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by these analyses. Because these analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties or their respective advisors, none of Rentrak, comScore, Goldman Sachs or any other person assumes responsibility if future results are materially different from those forecast.

The exchange ratio was determined through arm's-length negotiations between Rentrak and comScore and was approved by Rentrak's board of directors. Goldman Sachs provided advice to Rentrak during these negotiations. Goldman Sachs did not, however, recommend any specific exchange ratio to Rentrak or its board of directors or that any specific exchange ratio constituted the only appropriate exchange ratio for the proposed transaction.

As described above, Goldman Sachs' opinion to the Rentrak's board of directors was one of many factors taken into consideration by Rentrak board of directors in making its determination to approve the merger agreement. The foregoing summary does not purport to be a complete description of the analyses performed by Goldman Sachs in connection with the fairness opinion and is qualified in its entirety by reference to the written opinion of Goldman Sachs attached as Annex C.

Goldman Sachs and its affiliates are engaged in investment banking and financial advisory services, securities trading, investment management, principal investment, financial planning, benefits counseling, risk management, hedging, financing, brokerage activities and other financial and non-financial activities and services for various persons and entities. In the ordinary course of these activities and services, Goldman Sachs and its affiliates may at any time make or hold long or short positions and investments, as well as actively trade or effect transactions, in the equity, debt and other securities (or related derivative securities) and financial instruments (including bank loans and other obligations) of Rentrak, comScore and any of their respective affiliates or any currency or commodity that may be involved in the transaction for their own account and for the accounts of their customers. Goldman Sachs acted as financial advisor to Rentrak in connection with, and participated in certain of the negotiations leading to, the transactions contemplated by the merger agreement. Goldman Sachs has provided certain financial advisory and/or underwriting services to Rentrak and/or its affiliates from time to time for which its Investment Banking Division has received, and may receive, compensation, including having acted as financial advisor to Rentrak in its acquisition of Kantar Media's U.S. based television measurement assets in October 2014. Goldman Sachs also has provided certain financial advisory and/or underwriting services to WPP plc ("WPP"), a significant shareholder of Rentrak and/or its affiliates from time to time for which its Investment Banking Division has received, and may receive, compensation, including having acted as financial advisor to WPP in its acquisition of a stake in comScore in February 2015; as a bookrunner with respect to WPP's issuance of 3.750% Senior Secured Notes due 2024 (aggregate principal amount \$750,000,000) in September 2014; as a bookrunner with respect to WPP's issuance of 3.000% Senior Unsecured Notes due 2023 (aggregate principal amount €750,000,000) in November 2013; and as a bookrunner with respect to WPP's issuance of 5.625% Senior Secured Notes due 2043 (aggregate principal amount \$500,000,000) in November 2013. Goldman Sachs may also in the future provide financial advisory and/or underwriting services to Rentrak, comScore, WPP and their respective affiliates for which our Investment Banking Division may receive compensation.

Table of Contents

The board of directors of Rentrak selected Goldman Sachs as its financial advisor because it is an internationally recognized investment banking firm that has substantial experience in transactions similar to the transactions contemplated by the merger agreement. Pursuant to a letter agreement dated October 28, 2013, Rentrak engaged Goldman Sachs to act as its financial advisor in connection with the transactions contemplated by the merger agreement. Pursuant to the terms of this engagement letter, Rentrak has agreed to pay Goldman Sachs a transaction fee of approximately \$9,000,000, which is contingent upon consummation of the transaction. The board of directors of Rentrak has the discretion to pay Goldman Sachs an additional amount up to \$2,000,000 for services Goldman Sachs provided in connection with the merger. In addition, Rentrak has agreed to reimburse Goldman Sachs for certain of its expenses arising, and indemnify it against certain liabilities that may arise, out of Goldman Sachs' engagement.

Interests of the Directors and Executive Officers of Rentrak in the Merger

In considering the recommendation of the Rentrak board of directors to adopt the merger agreement and approve the transactions contemplated by the merger agreement, Rentrak shareholders should be aware that some of the Rentrak directors and executive officers have interests in the merger and have arrangements that are different from, or in addition to, those of Rentrak shareholders generally. These interests and arrangements may create potential conflicts of interest. The Rentrak board of directors was aware of these potential conflicts of interest and considered them, among other matters, in reaching its decision to approve the merger agreement and the transactions contemplated by the merger agreement.

Stock Options and Restricted Stock Units

When the merger is completed, comScore will assume outstanding options to purchase shares of Rentrak common stock, including options held by the Rentrak directors and executive officers, and such options will be automatically converted into options to purchase the number of shares of comScore common stock equal to (x) the number of shares of Rentrak common stock subject to the Rentrak option immediately prior to the merger, multiplied by (y) 1.1500, with such product rounded down to the nearest whole share of comScore common stock. The exercise price per share for each assumed Rentrak option will be equal to (x) the exercise price per share of the Rentrak option divided by (y) 1.1500, with such quotient rounded up to the nearest whole cent. Each assumed Rentrak option otherwise will be subject to the same terms and conditions (including as to vesting and exercisability) as are applicable under the respective Rentrak option immediately prior to the effective time of the merger.

In addition, outstanding Rentrak restricted stock units held by the Rentrak executive officers that are unvested immediately prior to the merger will fully accelerate vesting in connection with the consummation of the merger, and will be settled in shares of Rentrak common stock, net of shares withheld by Rentrak to satisfy applicable tax withholding obligations. The Rentrak directors also hold restricted stock units that provide for settlement on a deferred basis, and such deferred stock units held by the Rentrak directors that are unvested immediately prior to the merger all deferred stock units held by the Rentrak directors will fully accelerate vesting in connection with the consummation of the merger, and will be settled in shares of Rentrak common stock. The shares of Rentrak common stock received by the Rentrak directors and executive officers upon settlement of their restricted stock units and deferred stock units in connection with the consummation of the merger will participate in the merger on the same basis as other shares of common stock.

Indemnification of Directors and Officers; Directors' and Officers' Insurance

The merger agreement provides that comScore and its subsidiaries will honor and fulfill in all respects the obligations of Rentrak and its subsidiaries in any indemnification agreements of Rentrak or its subsidiaries with any of their respective current or former directors or officers in effect immediately prior to the effective time of the merger with respect to acts or omissions prior to the effective time of the merger. The merger agreement also provides that, for a period of six (6) years following the effective time of the merger, comScore will cause the certificate of incorporation and bylaws of the surviving corporation and its subsidiaries to include indemnification provisions at least as favorable as the indemnification provisions of the organizational documents of Rentrak and its subsidiaries.

The merger agreement further requires the combined company to, for a minimum of six years following the effective time of the merger, maintain coverage under an officers' and directors' liability insurance policy with coverage and amounts no less favorable than those Rentrak maintained for its directors prior to the merger under the existing Rentrak officers' and directors' liability insurance policy. The combined company will not be obligated to make annual premiums in excess of two hundred percent (200%) of the most recent annual premiums. If annual premiums for existing coverage exceed such maximum, comScore will obtain a policy with the greatest coverage available at a cost not exceeding two hundred percent (200%) of current premiums. Alternatively, comScore or Rentrak may purchase a six (6) year tail prepaid policy on the existing Rentrak officers' and directors' liability insurance policy, with coverage and amounts no less favorable than those currently in effect. The agreements regarding insurance and indemnification are enforceable by the directors and officers of Rentrak and are binding on the successors and assigns of comScore and the surviving corporation.

Board of Directors of the Combined Company

Under the terms of the merger agreement, four (4) members of the current Rentrak board of directors, William Engel, Patricia Gottesman, William P. Livek and Brent Rosenthal have been designated by Rentrak to serve on the board of directors of the combined company after the effective time of the merger.

Rentrak Executive Compensation Payable in Connection with the Merger

Rentrak's "named executive officers" for purposes of the disclosure in this joint proxy statement/prospectus are William P. Livek and David Chemerow. The following table sets forth the information required by Item 402(t) of Regulation S-K promulgated by the Securities and Exchange Commission, regarding certain

Table of Contents

compensation that each of Rentrak's named executive officers may receive that is based on, or that otherwise relates to, the merger, which is referred to as "Golden Parachute Compensation". The figures in the table are estimated based on compensation and benefit levels as of the date of this joint proxy statement/prospectus and an assumed effective date of the date of this joint proxy statement/prospectus for both the merger and the termination of the executive officer's employment. The amounts reported below are estimates based on multiple assumptions that may or may not actually occur or be accurate on the relevant date, including an assumption that the employment of each of Rentrak's named executive officers will be terminated without cause at the effective time of the merger. As required by applicable Securities and Exchange Commission rules, all amounts below determined using the per share value of Rentrak common stock have been calculated based on a per share price of Rentrak common stock of \$57.47 (the average closing market price of Rentrak common stock over the first five (5) business days following the public announcement of the entry into the merger agreement on September 29, 2015). As a result of the foregoing assumptions, the actual amounts, if any, to be received by a named executive officer may materially differ from the amounts set forth below. The merger-related compensation payable to Rentrak's named executive officers is subject to a non-binding advisory vote of Rentrak shareholders, as described under the section entitled "*Rentrak Proposal 2—Advisory Vote to Approve Merger-Related Compensation for Rentrak Named Executive Officers*" beginning on page 35 of this joint proxy statement/prospectus.

David Chemerow	1,388,184	10,072,767(3)	11,483(4)	11,472,434

- (1) Pursuant to the named executive officers' respective Rentrak Employment Agreements, if the executive officer is involuntarily terminated without "cause" or voluntary terminates employment for "good reason" then the executive officer is entitled to a lump sum payment in an amount equal to (i) \$400,000 plus an additional 10% of such amount for each April 1 that has occurred during the Term of the Employment Agreement; (ii) the amount determined in clause (i) prorated for the portion of the year from the last preceding June 10 until the termination date; (iii) an amount equal to then-current base salary calculated for a full year plus the number of full months from the date of termination until the next June 10; (iv) full vesting of any unvested stock options; and, for Mr. Livek only, an additional \$150,000. In addition to the foregoing amounts, Mr. Chemerow will receive continued Company-provided medical and dental benefits for a period of twelve (12) months following termination or until he becomes entitled to receive such benefits under a plan of a new employer, if earlier. The payment of the severance amounts described above is conditioned on each executive officer agreeing to a general release of claims against Rentrak. If severance benefits are payable in connection with a change of control of Rentrak and are subject to an excise tax pursuant to Section 4999 of the Code, the payments will be reduced to the extent, and only to the extent, necessary to provide a larger after-tax benefit to the executive. The Employment Agreements with both executive officers define "cause" as (i) a material breach of fiduciary obligations to Rentrak through actions taken in bad faith, (ii) a material breach of the confidential information or non-competition covenants in the agreement, or (iii) conviction of a crime involving fraud, theft, embezzlement or moral turpitude. "Good reason" is defined in both agreements as (i) Rentrak's failure to comply with the material terms of the agreement, (ii) a substantial adverse alteration in the nature or status of the executive's position, duties or reporting responsibilities, (iii) a material reduction in base salary, or (iv) a failure by Rentrak to continue to provide certain agreed employee benefits.
- (2) William P. Livek holds 233,694 unvested and outstanding restricted stock units as of the date of this joint proxy statement/prospectus. As a result of the merger and without any additional condition, Mr. Livek's unvested and outstanding restricted stock units (with a value of \$13,430,394) would accelerate and become fully vested as described in the section entitled "*The Merger—Recommendation of the Rentrak Board of*

Table of Contents

Directors; Rentrak's Reasons for the Merger—Stock Options and Restricted Stock Units” beginning on page 81 of this joint proxy statement/prospectus. As required by applicable Securities and Exchange Commission rules, all amounts determined in this column use a per share price of Rentrak common stock of \$57.47 (the average closing market price of Rentrak common stock over the first five business days following the public announcement of the entry into the merger agreement on September 29, 2015).

- (3) David Chemerow holds 175,270 unvested and outstanding restricted stock units as of the date of this joint proxy statement/prospectus. As a result of the merger and without any additional condition, Mr. Chemerow’s outstanding unvested restricted stock units (with a value of \$10,072,767) would accelerate and become fully vested as described in the section entitled “*The Merger—Recommendation of the Rentrak Board of Directors; Rentrak’s Reasons for the Merger—Stock Options and Restricted Stock Units*” beginning on page 81 of this joint proxy statement/prospectus. As required by applicable Securities and Exchange Commission rules, all amounts determined in this column use a per share price of Rentrak common stock of \$57.47 (the average closing market price of Rentrak common stock over the first five business days following the public announcement of the entry into the merger agreement on September 29, 2015).
- (4) The estimated amount in this column represents the continued medical and dental coverage Mr. Chemerow would be entitled to receive under the Rentrak Employment Agreement following a qualifying termination. The estimated amount is based on benefit levels in effect as of the date of this joint proxy statement/prospectus. If benefit levels change after such date, the value of benefits to Mr. Chemerow may differ from the amounts disclosed.

Employment Arrangements with William P. Livek

comScore and Mr. Livek have executed an offer letter that entitles Mr. Livek to a specific position at comScore and a compensation package, contingent upon the closing of the merger prior to June 6, 2016. comScore and Mr. Livek have agreed that Mr. Livek will serve as Executive Vice Chairman and President of comScore and will be entitled to a base salary of \$435,000 per year. Mr. Livek will also be awarded 10,000 restricted stock units on the 15th day of the month immediately following the closing of the merger that will vest in equal annual installments over a three-year period, beginning on the first anniversary of the closing of the merger based on Mr. Livek’s continued employment by comScore or its subsidiaries. For calendar years beginning in 2016, Mr. Livek will also be entitled to receive a short term incentive award and a long term incentive award consistent with senior executives of comScore. comScore and Mr. Livek have also entered into a Change of Control and Severance Agreement that becomes effective upon the closing of the merger and has an initial term of three years and that will renew automatically for an additional three years unless terminated by either party. In the event Mr. Livek is terminated without cause or resigns for a good reason prior to a change of control of comScore, he will be entitled to receive a severance payment in an amount equal to two years of his then-existing annual base salary and reimbursement for health insurance premiums. In the event Mr. Livek is terminated without cause or resigns for a good reason on or within 12 months after a change of control of comScore, Mr. Livek will be entitled to receive a severance payment in an amount equal to two years of the greater of his then-existing annual base salary or his annual base salary at the time of the change of control of comScore, for a period of two years from the date of such termination, reimbursement for health insurance premiums, and any then-outstanding unvested equity awards will vest in full. In addition, if Mr. Livek continues to provide services to comScore (or its successor or acquirer) through the first anniversary of the change of control of comScore, Mr. Livek’s then-outstanding unvested equity awards as of the change of control of comScore will become fully vested on that date.

Employment Arrangements with David Chemerow

comScore and Mr. Chemerow have executed an offer letter that entitles Mr. Chemerow to a specific position at comScore for a one-year term and a compensation package, contingent upon the closing of the merger. comScore and Mr. Chemerow have agreed that Mr. Chemerow will serve as Chief Revenue Officer of comScore for one year following the closing of the merger and will be entitled to an annual base salary of \$270,000.

Table of Contents

Mr. Chemerow will also be awarded 6,000 restricted stock units following the closing of the merger, with an effective date on the 15th day of the month following the award date. The restricted stock units will vest in equal installments over a two-year period, beginning on the first anniversary of the closing of the merger, based on Mr. Chemerow's continued employment by comScore or its subsidiaries. Mr. Chemerow will also be entitled to receive a short term incentive award consistent with senior executives of comScore. In the event Mr. Chemerow is terminated without cause prior to the end of the initial one-year term of his employment, he will be entitled to receive a severance payment in an amount equal to the balance of his salary from the termination date through the end of the initial one-year term.

Legal Proceedings Regarding the Merger

Since the public announcement of the merger on September 29, 2015, four putative shareholder class action lawsuits have been filed against Rentrak, its directors, comScore and other defendants, as described further below, in connection with Rentrak and comScore entering into the merger agreement. The four actions were filed in Multnomah County Circuit Court in the State of Oregon: (1) *Nathan v. Rentrak Corporation, et al.*, No. 15CV27429, filed on October 9, 2015, and a First Amended Class Action Complaint filed on November 19, 2015; (2) *Blum v. Rentrak Corporation, et al.*, No. 15CV27443, also filed on October 9, 2015; (3) *Stein v. Rentrak Corporation, et al.*, No. 15CV27520, filed on October 12, 2015; and (4) *Sikorski v. Rentrak Corporation, et al.*, No. 15CV27932, filed on October 14, 2015.

Each of the foregoing lawsuits was filed on behalf of a putative class of Rentrak shareholders against Rentrak, the individual members of Rentrak's board of directors, and/or comScore and/or the Merger Sub (the *Nathan* action does not name comScore or the Merger Sub as defendants).

The lawsuits allege variously that the individual members of Rentrak's board of directors breached their fiduciary duties owed to Rentrak's shareholders by (a) approving the proposed merger for inadequate consideration; (b) approving the merger to obtain unique benefits not shared equally with other Rentrak shareholders; (c) failing to take steps to maximize the value paid to Rentrak shareholders; (d) failing to take steps to ensure a fair process leading up to the proposed merger; (e) agreeing to preclusive deal protection devices in the merger agreement; and (f) failing to ensure that no conflicts exist between individual directors' own interests and their fiduciary obligations to Rentrak's shareholders. The *Blum*, *Stein* and *Sikorski* complaints also state claims against comScore and/or the Merger Sub for aiding and abetting these alleged breaches of fiduciary duties. The amended *Nathan* complaint adds allegations based on the defendants' alleged failure to disclose material information about the merger in the joint proxy statement/prospectus filed by comScore on October 30, 2015. It also adds as a defendant Rentrak's Chief Financial Officer and Chief Operating Officer, David Chemerow, and asserts breach of fiduciary duty claims against Mr. Chemerow that are identical to those alleged against the individual members of Rentrak's board of directors described above.

The plaintiffs in each of the lawsuits generally seek, among other things, declaratory and injunctive relief concerning the alleged breaches of fiduciary duties, injunctive relief prohibiting completion of the mergers, rescission of the merger if it is completed, an accounting by defendants, rescissionary damages, attorney's fees and costs, and other relief. In the amended complaint in the *Nathan* lawsuit, plaintiff also seeks disclosure of allegedly material information omitted from the joint proxy statement/prospectus filed by comScore on October 30, 2015.

On November 26, 2015, the four actions were consolidated as *In re Rentrak Corporation Shareholders Litigation*, Consolidated Lead Case No. 15cv27429. The court also appointed lead plaintiff, lead plaintiff's counsel and liaison counsel for purposes of the consolidated action.

On December 16, 2015, the court designated the amended *Nathan* complaint as the operative complaint in the consolidated action.

Rentrak and its directors believe the lawsuits to be without merit and intend to defend the lawsuits vigorously.

THE MERGER AGREEMENT

The following summary describes the material provisions of the merger agreement. The provisions of the merger agreement are complicated and not easily summarized. This summary may not contain all of the information about the merger agreement that is important to you. The merger agreement is attached to this joint proxy statement/prospectus as Annex A and is incorporated by reference into this joint proxy statement/prospectus, and comScore and Rentrak encourage you to read it carefully in its entirety for a more complete understanding of the merger agreement.

The merger agreement has been included to provide you with information regarding its terms. It is not intended to provide any other factual information about comScore or Rentrak. Such information can be found elsewhere in this document and in the public filings that comScore and Rentrak make with the Securities and Exchange Commission, which are available without charge through the Securities and Exchange Commission's website at <http://www.sec.gov>.

The representations and warranties described below and included in the merger agreement were made by each of comScore and Rentrak to the other. These representations and warranties were made as of specific dates and are subject to important exceptions, limitations and supplemental information contained in the confidential disclosure letters provided by each of comScore and Rentrak to the other in connection with the signing of the merger agreement, including a contractual standard of materiality different from that generally applicable under federal securities laws. In addition, the representations and warranties may have been included in the merger agreement for the purpose of allocating risk between comScore and Rentrak rather than to establish matters as facts. The merger agreement is described in this joint proxy statement/prospectus and included as Annex A only to provide you with information regarding its terms and conditions, and not to provide any other factual information regarding comScore, Rentrak or their respective businesses. Accordingly, you should not rely on the representations and warranties in the merger agreement as characterizations of the actual state of facts about comScore or Rentrak, and you should read the information provided elsewhere in this joint proxy statement/prospectus and in the documents incorporated by reference into this joint proxy statement/prospectus for information regarding comScore and Rentrak and their respective businesses. See the section entitled "Where You Can Find More Information" beginning on page 136 of this joint proxy statement/prospectus.

The Merger

The merger agreement provides for the merger of Rum Acquisition Corporation, a newly formed, wholly owned subsidiary of comScore, with and into Rentrak. Rentrak will survive the merger as a wholly owned subsidiary of comScore.

Closing and Effective Time of the Merger

comScore and Rentrak will complete the merger when all of the conditions to completion of the merger contained in the merger agreement, which are described in "*The Merger Agreement—Conditions to Obligations to Complete the Merger*" beginning on page 100 of this joint proxy statement/prospectus, are satisfied or waived, including, among others, approval by the comScore stockholders of the issuance of shares of comScore common stock in the merger and the approval and adoption of the merger agreement and the transactions contemplated by the merger agreement by the Rentrak shareholders. The merger will become effective at the time of the filing and acceptance by the Secretary of State of the State of Oregon of the articles of merger, or such later time as may be agreed in writing by comScore and Rentrak and specified in such articles of merger.

Treatment of Securities

Rentrak Common Stock

Upon completion of the merger, each share of Rentrak common stock outstanding immediately prior to the effective time of the merger will be canceled and extinguished and automatically converted into the right to receive 1.1500 shares of comScore common stock, and the cash payable in lieu of any fractional shares as described in “—*Fractional Shares*” beginning on page 87 of this joint proxy statement/prospectus. Upon completion of the merger, unless prohibited by local law, comScore also will assume outstanding options to purchase Rentrak common stock, Rentrak restricted stock units and Rentrak performance stock units. For more information see the section entitled “*The Merger—Rentrak’s Reasons for the Merger—Stock Options and Restricted Stock Units*” beginning on page 81 of this joint proxy statement/prospectus.

The exchange ratio in the merger (i.e., 1.1500 shares of comScore common stock for each share of Rentrak common stock) will be appropriately adjusted to reflect fully the effect of any stock split, reverse stock split, stock dividend (including any dividend or distribution of securities convertible into comScore common stock or Rentrak common stock), reorganization, recapitalization, reclassification or other like change with respect to comScore common stock or Rentrak common stock having a record date on or after the date of the merger agreement and prior to the effective time of the merger.

Each share of Rentrak common stock that is owned by comScore, Merger Sub or Rentrak, or by any direct or indirect wholly owned subsidiary of comScore, Merger Sub or Rentrak, in each case immediately prior to the effective time of the merger, will be cancelled and extinguished without being converted into comScore common stock and without any other consideration paid for such shares.

Fractional Shares

comScore will not issue any fractional shares of comScore common stock in connection with the merger. Instead, each record holder of Rentrak common stock who would otherwise be entitled to receive a fraction of a share of comScore common stock will receive (after aggregating all fractional shares of comScore common stock that otherwise would be received by such holder of record) an amount of cash (rounded down to the nearest whole cent), without interest, equal to the amount obtained by multiplying such fraction of a share by the average of the closing sale prices for one share of comScore common stock as quoted on the Nasdaq Global Select Market for the ten (10) consecutive trading days ending on the second (2nd) trading day immediately preceding the closing date of the merger.

Treatment of Rentrak Equity Awards

When the merger is completed, comScore will assume outstanding options to purchase shares of Rentrak common stock, and such options will be automatically converted into options to purchase the number of shares of comScore common stock equal to (x) the number of shares of Rentrak common stock subject to the Rentrak option immediately prior to the merger, multiplied by (y) 1.1500, with such product rounded down to the nearest whole share of comScore common stock. The exercise price per share for each assumed Rentrak option will be equal to (x) the exercise price per share of the Rentrak option divided by (y) 1.1500, with such quotient rounded up to the nearest whole cent. Each assumed Rentrak option otherwise will be subject to the same terms and conditions (including as to vesting and exercisability) as are applicable under the respective Rentrak option immediately prior to the effective time of the merger, including any existing rights to accelerated vesting in connection with the merger or upon termination of service following the merger under certain circumstances. However, if a Rentrak option is subject to the legal requirements of a non-U.S. jurisdiction and comScore determines that the Rentrak option may not be assumed under the legal requirements of the relevant non-U.S. jurisdiction, comScore will, to ensure compliance with applicable non-U.S. law, require that such outstanding unassumed non-U.S. Rentrak option be exercised only by a cashless exercise pursuant to which employees will

Table of Contents

authorize a broker to sell all shares that they are entitled to at exercise immediately upon exercise and receive the difference between the fair market value of the shares at exercise and the exercise price in cash.

comScore will also assume outstanding Rentrak restricted stock units and performance stock units. Each assumed Rentrak restricted stock unit award or performance stock unit award will be converted into an award to receive a number of shares of comScore common stock equal to (x) the number of shares of Rentrak common stock subject to the Rentrak restricted stock unit award or performance stock unit award immediately prior to the effective time of the merger *multiplied by* (y) 1.1500, with such product rounded down to the nearest whole share of comScore common stock. Each assumed Rentrak restricted stock unit award or performance stock unit award otherwise will be subject to the same terms and conditions (including as to vesting and exercisability) as were applicable under the respective Rentrak restricted stock unit award or performance stock unit award immediately prior to the effective time of the merger, including any existing rights to accelerated vesting in connection with the merger or upon termination of service following the merger under certain circumstances.

comScore has agreed to file, within ten (10) business days after the effective time of the merger, a registration statement with the Securities and Exchange Commission relating to the shares of comScore common stock issuable in connection with all assumed Rentrak options, restricted stock units and deferred stock units, and use its reasonable best efforts to maintain effectiveness of such registration statement (and maintain the current status of the prospectuses contained therein) for as long as such assumed awards remain outstanding. As a result, the shares of comScore common stock issuable upon the exercise of assumed Rentrak options and payout or vesting of assumed Rentrak restricted stock units or performance stock units are expected to be freely transferable as long as the registration statement remains effective (subject to comScore's insider trading policy and any applicable securities laws).

Exchange Fund; Exchange of Stock Certificates

Prior to the completion of the merger, comScore and Rentrak will select a mutually acceptable bank or trust company to act as the exchange agent for the merger. As promptly as practicable (and in any event within two (2) business days) after the effective time of the merger, comScore will make available to the exchange agent for exchange in accordance with the merger agreement, the shares of comScore common stock that are issuable in exchange for shares of Rentrak common stock, and the cash payable in lieu of fractional shares. In addition, comScore will make available from time to time after the completion of the merger as necessary, cash in an amount sufficient to pay any dividends or distributions to which holders of shares of Rentrak common stock might be entitled under the merger agreement. Any comScore common stock and cash deposited with the exchange agent is generally referred to as the exchange fund.

As promptly as practicable following the effective time of the merger, comScore will cause the exchange agent to mail to each holder of record (as of immediately prior to the effective time of the merger) of a certificate or certificates that immediately prior to the effective time of the merger represented outstanding shares of Rentrak common stock (or effective affidavits of loss in lieu thereof) or non-certificated shares of Rentrak common stock represented by book entry (1) a letter of transmittal in customary form as Rentrak and comScore may reasonably agree and (2) instructions for use in effecting the surrender of the certificates or book entry shares in exchange for (a) certificates representing whole shares of comScore common stock pursuant to the terms of the merger agreement, (b) cash payable in lieu of any fractional shares of comScore common stock and (c) any dividends or other distributions payable pursuant to the terms of the merger agreement.

With respect to uncertificated shares of Rentrak common stock held through "direct registration," comScore will implement procedures with the exchange agent for effecting the exchange of such directly registered uncertificated shares of Rentrak common stock for shares of comScore Common Stock and cash payable in lieu of any fractional shares as promptly as practicable after the effective time of the merger.

Upon surrender of certificates or book entry shares for cancellation to the exchange agent, together with a letter of transmittal, duly completed and validly executed in accordance with the relevant instructions, the holders

Table of Contents

of such certificates or book entry shares will be entitled to receive the number of whole shares of comScore common stock such holder is entitled to receive pursuant to the merger agreement, payment of any cash such holder is entitled to receive in lieu of fractional shares and any dividends or distributions such holder is entitled to receive pursuant to the merger agreement, which shares and cash comScore will cause the exchange agent to distribute as promptly as practicable (but in any event within five (5) business days) following surrender of such certificates or book entry shares and a duly completed and validly executed letter of transmittal. Surrendered certificates will be canceled.

The exchange agent will accept certificates or book entry shares upon compliance with such reasonable terms and conditions as the exchange agent may impose for an orderly exchange in accordance with normal exchange practices. No interest will be paid or accrued for the benefit of holders of the certificates or book entry shares on the cash amounts payable in exchange for fractional shares. Until surrendered, from and after the effective time of the merger outstanding certificates or book entry shares will only be evidence of the ownership of the number of full shares of comScore common stock into which such shares of Rentrak common stock have been converted and the right to receive cash payable in lieu of fractional shares in accordance with the merger agreement and any dividends or distributions payable pursuant to the merger agreement.

Following the completion of the merger, Rentrak will not register any transfers of Rentrak common stock on its stock transfer books.

Holders of Rentrak common stock should not attempt to surrender their stock certificates until they receive a letter of transmittal from the exchange agent with instructions for the proper surrender of such certificates.

Distributions with Respect to Unexchanged Shares

Registered holders of Rentrak common stock will be entitled to dividends and other distributions declared or made after the date of the merger agreement with a record date after the effective time of the merger with respect to the number of whole shares of comScore common stock which they are entitled to receive upon exchange of their Rentrak common stock, but no such dividends will be paid to any particular holder of Rentrak common stock until such holder has properly surrendered the certificates representing such shares in accordance with the letter of transmittal.

Termination of Exchange Fund; No Liability

Any portion of the exchange fund that is undistributed twelve (12) months after the completion of the merger will, at the request of comScore, be delivered to comScore, or otherwise according to the instruction of comScore, and any holders of Rentrak common stock who have not surrendered their certificates or book entry shares in compliance with the merger agreement may then look only to comScore for delivery or payment of the shares of comScore common stock issuable, or cash payable (in lieu of any fractional shares and any dividends or other distributions), in exchange for such certificates or book entry shares.

None of comScore, Rentrak or the exchange agent will be liable to any holder of Rentrak common stock or comScore common stock for any shares (or any related dividends or distributions) properly paid to a public official pursuant to any applicable abandoned property, escheat or other similar law.

Lost, Stolen or Destroyed Certificates

If a Rentrak stock certificate is lost, stolen or destroyed, the holder of the certificate must deliver an affidavit and may, at comScore's request, be required to deliver an indemnity bond prior to receiving any merger consideration.

Conduct of Business before Completion of the Merger

In the merger agreement, comScore and Rentrak have agreed that, until the earlier of the completion of the merger or termination of the merger agreement, or unless contemplated by the merger agreement, required by applicable law, consented to by the other party in writing or as specifically disclosed to the other party in such party's disclosure letter to the merger agreement, each such party will:

- carry on its businesses in the usual, regular and ordinary course in substantially the same manner as earlier conducted and in compliance with all applicable laws;
- pay its debts and taxes when due, in each case subject to good faith disputes over such debts or taxes;
- pay all of its material debts when due and perform all of its material obligations when such obligations are required to be performed, in each case subject to good faith, commercially reasonable disputes over such debts or obligations;
- use its commercially reasonable efforts, consistent with past practices and policies, to (1) preserve intact its present businesses, (2) keep available the services of its present officers and employees and (3) preserve its relationships with customers, suppliers, distributors, licensors, licensees and others with which it has significant business dealings; and
- use its reasonable best efforts to enforce its rights under all confidentiality, non-disclosure, standstill and other similar agreements in the event of any violation of such agreements.

Under the merger agreement, each of comScore and Rentrak has also agreed that, until the earlier of the completion of the merger or termination of the merger agreement, or unless the other party consents in writing, they will not (and will not permit their respective subsidiaries to), except as specifically contemplated or permitted by the merger agreement, as required by law or as specifically disclosed to the other party in such party's disclosure letter to the merger agreement:

- propose to adopt any amendments to or amend their respective certificates of incorporation or bylaws or comparable organizational documents;

comScore and Rentrak are Required to Terminate Any Existing Discussions with Third Parties and are Prohibited from Soliciting Other Offers

Promptly after the execution and delivery of the merger agreement, each of Rentrak and comScore will immediately cease and cause to be terminated, and will instruct, direct and cause their respective directors, officers, employees, subsidiaries, controlled affiliates, investment bankers, attorneys and other advisors or representatives to immediately cease and cause to be terminated, any and all existing activities, discussions or negotiations with any persons previously conducted with respect to certain “acquisition proposals” and “acquisition transactions” relating to Rentrak and comScore described below. Each of Rentrak and comScore will also promptly request that all confidential information that has been delivered, provided or furnished by or on behalf of Rentrak or comScore, as the case may be, within the two (2) year period prior to the date of the merger agreement in connection with any consideration, discussions or negotiations regarding any such potential “acquisition proposals” or “acquisition transactions” be returned or destroyed.

Table of Contents

For purposes of the restrictions described above, “acquisition proposal” means any offer, indication of interest or proposal relating to any acquisition transaction, and “acquisition transaction” means any transaction or series of related transactions involving:

- any acquisition or purchase of a fifteen percent (15%) or greater interest in the total outstanding equity interests or voting securities of comScore or Rentrak, or any tender offer or exchange offer that if consummated would result in anyone beneficially owning fifteen percent (15%) or more of the total outstanding equity interests or voting securities of comScore or Rentrak;
- any acquisition or purchase of fifty percent (50%) or more of any class of equity or other voting securities of one or more subsidiaries of comScore or Rentrak, the business(es) of which, individually or in the aggregate, generate or constitute fifteen percent (15%) or more of the net revenues, net income or assets (as of or for the twelve (12) month period ending on the last day of comScore’s or Rentrak’s most recently completed fiscal year) of comScore or Rentrak and their respective subsidiaries, taken as a whole;
- any merger, consolidation, business combination or other similar transaction involving comScore or Rentrak or one or more of their subsidiaries the business(es) of which, individually or in the aggregate, generate or constitute fifteen percent (15%) or more of the net revenues, net income or assets (as of or for the twelve (12) month period ending on the last day of comScore’s or Rentrak’s most recently completed fiscal year) of comScore or Rentrak and their respective subsidiaries, taken as a whole, pursuant to which the stockholders of comScore or the shareholders of Rentrak, or such subsidiary or subsidiaries, as applicable, hold less than eighty-five (85%) of the equity interests in the surviving or resulting entity of such transaction;
- any sale, lease (other than in the ordinary course of business), exchange, transfer, license (other than in the ordinary course of business), acquisition or disposition of assets of comScore or Rentrak that generate or constitute fifteen percent (15%) or more of the net revenues, net income or assets (as of or for the twelve (12) month period ending on the last day of comScore’s or Rentrak’s most recently completed fiscal year);
- any liquidation, dissolution, recapitalization or other significant corporate reorganization of comScore or Rentrak or one or more of their subsidiaries the business(es) of which, individually or in the aggregate, generate or constitute fifteen percent (15%) or more of the net revenues, net income or assets (as of or for the twelve (12) month period ending on the last day of comScore’s or Rentrak’s most recently completed fiscal year); or
- any combination of the foregoing.

Rentrak and comScore are also obligated to promptly, and in all cases within twenty-four (24) hours, advise the other in writing of:

- any acquisition proposal they receive;
- any request for information they receive that would reasonably be expected to lead to an acquisition proposal or an acquisition transaction; or
- any inquiry they receive with respect to, or which would reasonably be expected to lead to, any acquisition proposal or acquisition transaction, the material terms and conditions of such acquisition proposal, acquisition transaction, request or inquiry, and the identity of the person making the acquisition proposal, request or inquiry.

In addition, each of Rentrak and comScore is required to keep the other party reasonably informed on a prompt basis of the status of any discussions and negotiations with respect to any acquisition proposal or acquisition transaction and its material terms and conditions and any request or inquiry. Each of Rentrak and comScore will give the other at least twenty-four (24) hours’ notice of a meeting of its board of directors (or any

Table of Contents

committee) at which its board of directors (or any committee) is reasonably expected to consider an acquisition proposal or acquisition transaction it has received, and will inform the other as promptly as practicable of any material change in the price, structure, form of consideration or other material terms and conditions of the acquisition proposal or acquisition transaction.

Notwithstanding the prohibitions described above, if either comScore or Rentrak receives an unsolicited bona fide written acquisition proposal before the date of its requisite stockholder or shareholder approval and the conditions set forth below are satisfied, the party receiving the acquisition proposal is permitted to:

- engage or participate in discussions or negotiations with a party that has made (and not withdrawn) a bona fide, unsolicited acquisition proposal that comScore or Rentrak determines in good faith (after consultation with a financial advisor of nationally recognized standing and its outside legal counsel) constitutes or is reasonably likely to lead to a superior proposal; and/or
- furnish any non-public information to the party making such unsolicited acquisition proposal that comScore's or Rentrak's board of directors determines in good faith (after consultation with a financial advisor of nationally recognized standing and its outside legal counsel) constitutes or is reasonably likely to lead to a superior proposal in respect of such party.

The following conditions must be satisfied in order to engage in such discussions or negotiations with, or provide information to, and such third party:

- such acquisition proposal must not have resulted from a breach of the non-solicitation obligations contained in the merger agreement and the third party submitting such acquisition proposal must not have made any other acquisition proposal that resulted from a breach of the non-solicitation obligations contained in the merger agreement;
- the party proposing to engage in such discussions or negotiations with, or provide information to, a third party must not have materially breached the non-solicitation obligations contained in the merger agreement;
- the board of directors of the party proposing to engage in such discussions or negotiations with, or provide information to, a third party must have determined in good faith (after consultation with its outside legal counsel) that the failure to take such action would reasonably be expected to be inconsistent with its fiduciary duties under Delaware law or Oregon law;
- prior to or simultaneously with taking such action, the party proposing to engage in such discussions or negotiations with, or provide information to, a third party must have given notice to the other party;
- the party proposing to engage in such discussions or negotiations with, or provide information to, a third party must have entered into a confidentiality agreement with such third party; and
- promptly, and in all cases within twenty-four (24) hours after providing such information to a third party, the party proposing to engage in such discussions or negotiations with, or provide information to, a third party must provide the same information to the other party.

For purposes of the provisions described above, "superior proposal" means an unsolicited bona fide written acquisition proposal (except that all references to fifteen percent (15%) in the definition of "acquisition transaction" will be replaced by eighty-five percent (85%)) with respect to which the board of directors of the applicable party will have determined in good faith (after consultation with its financial advisor of nationally recognized standing and its outside legal counsel, and after taking into account, among other things, the financial, legal and regulatory aspects of such acquisition transaction, the extent to which such acquisition transaction is conditioned on third party financing and, if so, the extent to which the person proposing such acquisition transaction has obtained commitments for any such third party financing, as well as any counter-offer or proposal made by the other party to the merger agreement) that (1) the acquiring party is reasonably capable of timely consummating the proposed acquisition transaction on the terms proposed and (2) the proposed acquisition

transaction would, if timely consummated in accordance with its terms, be more favorable to the stockholders or shareholders of the applicable party to the merger agreement than the merger and other transactions contemplated by the merger agreement (or any counter-offer or proposal made by the other party to the merger agreement).

Obligations of each of the comScore and Rentrak Boards of Directors with Respect to its Recommendation and Holding a Meeting of its Stockholders or Shareholders

Under the terms of the merger agreement, Rentrak and comScore agreed that the comScore and Rentrak boards of directors will each call, hold and convene a meeting of its stockholders or shareholders promptly (and within forty-five (45) days) after the declaration of effectiveness of the registration statement, of which this joint proxy statement/prospectus forms a part, by the Securities and Exchange Commission. Rentrak and comScore also agreed that the comScore and Rentrak boards of directors will each use its reasonable best efforts to call, give notice of, convene and hold its respective stockholder or shareholder meetings on the same day and at the same time as the other party's stockholder or shareholder meeting; provided, that such efforts will not require either Rentrak or comScore to delay the meeting of its stockholders or shareholders beyond the date that is forty-five (45) days after the declaration of effectiveness of the registration statement. The comScore board of directors agreed to recommend the approval of the issuance of shares of comScore common stock in the merger to its stockholders and to use reasonable best efforts to obtain the required stockholder approval. The Rentrak board of directors agreed to recommend the approval and adoption of the merger agreement and the transactions contemplated by the merger agreement to its shareholders and to use reasonable best efforts to obtain the required shareholders adoption and approvals.

Each of the comScore and Rentrak boards of directors also agreed not to withhold, withdraw, amend, modify, qualify or condition, or publicly propose to withhold, withdraw, amend, modify, qualify or condition, their recommendations.

Notwithstanding the obligations described above, at any time before receiving the approvals of their respective stockholders or shareholders, the comScore board of directors or Rentrak board of directors may change its recommendation if certain conditions are satisfied with respect to a superior proposal or an intervening event.

With respect to a superior proposal, a party may change its recommendation if and only if:

- it has received an acquisition proposal that its board of directors has determined in good faith (after consultation with its financial and legal advisors) constitutes a superior proposal;
- such acquisition proposal did not result from a breach of the nonsolicitation obligations contained in the merger agreement;
- the party proposing to change its recommendation has not breached the nonsolicitation obligations contained in the merger agreement in respect of such acquisition proposal;
- prior to changing its recommendation, comScore or Rentrak, as the case may be, has given the other party at least three (3) business days' notice and the opportunity to meet and discuss in good faith potential amendments or other modifications to the merger agreement so that the merger and other transactions contemplated by the merger agreement can take place;
- the other party has not made, within the three (3) business days after receiving notice of a party's intent to change its recommendation, a counteroffer or proposal that the board of directors of the party proposing to change its recommendation determines in good faith (after consultation with its financial advisor of nationally recognized standing and its outside legal counsel) is at least as favorable to its stockholders or shareholders as that superior proposal; and
- after such discussions, the board of directors of the party proposing to change its recommendation determines in good faith (after consultation with its outside legal counsel and after considering in good

Table of Contents

faith any counteroffer or proposal) that the failure to change its recommendation would reasonably be expected to be inconsistent with its fiduciary duties under Delaware law or Oregon law, as applicable.

A party may also change its recommendation in connection with an intervening event, if and only if:

- such intervening event does not involve the receipt of any offer, proposal or inquiry from any third party relating to an acquisition transaction;
- before changing its recommendation, the party proposing to do so has given the other at least three (3) business days' notice and the opportunity to meet and discuss in good faith the basis for the proposed change in recommendation, the other party's reaction and potential amendments and modifications to the merger agreement so that the merger and other transactions contemplated by the merger agreement can take place; and
- after such discussions, the board of directors of the party proposing to change its recommendation determines in good faith (after consultation with outside legal counsel) that the failure to change its recommendation would reasonably be expected to be inconsistent with its fiduciary duties under Delaware law or Oregon law, as applicable.

For purposes of the provisions described above, "intervening event" means any material event, circumstance, change, effect, development or condition occurring or arising after the date of the merger agreement that was not known by the comScore board of directors or the Rentrak board of directors, as applicable, as of or before the date of the merger agreement.

Regardless of whether either the comScore or Rentrak board of directors has received an acquisition proposal or a superior proposal of the type described above, or has changed its recommendation as it relates to the merger, unless the merger agreement is earlier terminated in accordance with its terms, both parties are obligated to call, give notice of, convene and hold a meeting of their respective stockholders or shareholders to consider and vote upon their respective proposals relating to the merger and no change of recommendation or unsolicited proposal will affect any obligation of the parties under the merger agreement. For more information concerning the ability of the parties to terminate the merger agreement in certain circumstances, see the section entitled "*The Merger Agreement — Termination; Fees and Expenses*".

Joint Proxy Statement/Prospectus

The merger agreement provides that as promptly as practicable (and in any event within forty-five (45) days) after the execution and delivery thereof, comScore and Rentrak will prepare and file with the Securities and Exchange Commission, this joint proxy statement/prospectus (which will include a prospectus for the issuance of shares of comScore common stock in the merger, a proxy statement of comScore for use in connection with the solicitation of proxies for the comScore stockholder meeting and a proxy statement of Rentrak for use in connection with the solicitation of proxies for the Rentrak shareholder meeting). Both parties have agreed to use their reasonable best efforts to have this joint proxy statement/prospectus declared effective by the Securities and Exchange Commission as promptly as practicable after filing and have agreed to fully cooperate in the preparation of this joint proxy statement/prospectus.

Subject to certain exceptions set forth in the merger agreement, no amendment or supplement (including by incorporation by reference) to this joint proxy statement/prospectus will be made without the approval of both parties, which approval will not be unreasonably withheld, conditioned or delayed. comScore and Rentrak have agreed to notify each other as promptly as practicable after the receipt of any written or oral comments of the Securities and Exchange Commission or its staff regarding, or of any written or oral request by the Securities and

Exchange Commission or its staff for amendments or supplements to, this joint proxy statement/prospectus and related filings, and to promptly give the other copies of all correspondence between it or any of its representatives and the Securities and Exchange Commission or its staff with respect to any of the foregoing filings.

Efforts to Complete and Regulatory Matters

Each party to the merger agreement has agreed to use its reasonable best efforts to take all actions and to do all things reasonably necessary to consummate and make effective the transactions contemplated by the merger agreement, including using reasonable best efforts to:

- cause the conditions to the merger to be satisfied or fulfilled;
- obtain all necessary consents, waivers and approvals under any contracts to which either (or any of its subsidiaries) is a party so as to maintain and preserve the material benefits under such contracts following the effective time of the merger;
- obtain all necessary actions or non-actions, waivers, consents, approvals, orders and authorizations from governmental authorities, seek the expiration or termination of any applicable waiting periods under applicable legal requirements, and make all necessary registrations, declarations and filings with governmental authorities;
- seek to have vacated or otherwise lifted or removed any legal order that has been issued or granted that has the effect of making the merger or related transactions illegal, preventing or otherwise restraining the effective time of the merger or related transactions in any such jurisdiction; and
- execute or deliver any additional instruments reasonably necessary to consummate the transactions contemplated by, and to fully carry out the purposes of, the merger agreement.

On October 23, 2015, the parties filed Notification and Report Forms with the Federal Trade Commission and the Antitrust Division of the Department of Justice relating to the merger and related filings. The parties have determined that they are not required to make a filing or otherwise seek a consent or approval of a governmental authority in any other non-U.S. jurisdiction under applicable antitrust laws. Each of comScore and Rentrak has agreed to cooperate and coordinate with the other and inform the other party hereto of any communication from any governmental authority regarding the merger and related transactions.

Public Announcements

Neither comScore nor Rentrak will issue any press release or make any public statement with respect to the merger agreement or the merger without the prior written consent of the other party, which consent shall not be unreasonably withheld, conditioned or delayed. However, comScore and Rentrak may, without the prior consent of the other, issue a press release or make a public statement relating to the merger agreement or the merger if it determines that the press release or public statement is required by applicable law or the rules and regulations of the Nasdaq Stock Market, and it has notified and consulted with the other party.

Rentrak Employee Benefits; 401(k) Plans

After the effective time of the merger, and to the extent permitted by applicable law, comScore will recognize the prior service with Rentrak or its subsidiaries of each Rentrak employee in connection with all employee benefit plans, programs or policies (including vacation and severance, but excluding the sabbatical program) of comScore or its affiliates in which Rentrak employees are eligible to participate following the

Table of Contents

effective time of the merger for purposes of eligibility and vesting and determination of level of benefits (but not for purposes of benefit accruals or benefit amounts under any defined benefit pension plan or to the extent that such recognition would result in duplication of benefits).

After the effective time of the merger, comScore will, or will cause Rentrak to, cause any pre-existing conditions or limitations and eligibility waiting periods under any group health plans of comScore or its affiliates to be waived with respect to Rentrak employees and their eligible dependents, and provide each Rentrak employee with credit for any deductibles paid under any Rentrak employee plan that provides medical, dental or vision benefits in the plan year in effect as of the effective time of the merger in satisfying any applicable deductible or out of pocket requirements under any medical, dental or vision plans of comScore or the surviving corporation in the merger that such employees are eligible to participate in after the effective time of the merger.

Prior to the effective time of the merger, Rentrak will terminate its employee stock purchase program and 401(k) plan. Prior to the effective time of the merger, Rentrak will also implement a severance plan according to certain parameters previously discussed and agreed upon by the parties, which will be subject to comScore's review and approval.

Indemnification and Insurance

Under the terms of the merger agreement, comScore will honor all obligations of Rentrak contained in any indemnification agreement in effect prior to completion of the merger between Rentrak or its subsidiaries and any of its current or former directors or officers for a period of six years after completion of the merger.

For six (6) years following the effective time of the merger, comScore will maintain the existing policy of Rentrak's directors' and officers' liability insurance covering claims arising from facts or events that occurred prior to the completion of the merger, including acts or omissions occurring in connection with the merger agreement and completion of the merger to the extent such acts or omissions are covered by the existing insurance policy, and covering each director and officer of Rentrak who was covered at the effective time of the merger on terms with respect to coverage and amounts no less favorable than those in effect prior to the signing of the merger agreement. However, comScore will not be required to expend in any one year an amount in excess of two hundred percent (200%) of the annual premium paid by Rentrak at the time the merger agreement was signed. In the event the premium exceeds two hundred percent (200%) of the annual premium at the time the merger agreement was signed, comScore will be obligated to obtain an insurance policy with the greatest coverage available for a cost not exceeding two hundred percent (200%) of the annual premium paid by Rentrak at the time the merger agreement was signed. Alternatively, comScore or Rentrak may, prior to completion of the merger, purchase a six (6) year "tail" prepaid insurance policy on terms and conditions no less advantageous than Rentrak's current director and officer policy.

Listing of comScore Common Stock

comScore will use its reasonable best efforts to have authorized for listing on the Nasdaq Global Select Market before the effective time of the merger, upon official notice of issuance, the shares of comScore common stock that are issuable in the merger, and the shares of comScore common stock that are issuable upon the exercise of all assumed stock options and assumed restricted stock units.

Takeover Statutes

If any takeover statute is or may become applicable to the merger or any other transactions contemplated by the merger agreement, each of Rentrak and comScore and their respective board of directors will take such lawful actions as are necessary so that the merger and/or such other transactions can be consummated as promptly as practicable on the terms contemplated by the merger agreement, and otherwise take such lawful actions to eliminate or minimize the effects of such statute on the merger and such other transactions.

Tax Matters

Neither comScore, Rentrak nor any of their subsidiaries will take any action prior to or following the effective time of the merger that would reasonably be expected to cause the merger to fail to qualify as a “reorganization” within the meaning of Section 368(a) of the Code. Each of comScore and Rentrak will also use its reasonable best efforts to obtain tax opinions from their counsel to the effect that the merger will qualify as a “reorganization” within the meaning of Section 368(a).

- Certain representations and warranties of the other party relating to organization and qualification, authority, approvals and enforceability, required filings and consents, certificates of incorporation and bylaws, ownership of the other party's capital stock, takeover statutes and brokers will have been true and correct in all material respects as of the date of the merger agreement, and will be true and correct in all material respects on and as of the date of the effective time of the merger with the same force and effect as if made on and as of that date, except, in each case, for those representations and warranties that address matters only as of a particular date (which will have been true and correct as of that particular date).

date (which will have been true and correct as of that particular date, except for any failure to be true and correct as of such date which has not had, and would not reasonably be expected to have, individually or in the aggregate, a material adverse effect) (except that for purposes of determining the accuracy of those representations and warranties all qualifications based on a “material adverse effect” and all materiality qualifications and other qualifications based on the word “material” or similar phrases will be disregarded (except with respect to the representation and warranty relating to the conduct of the party’s business) and any update of or modification to the disclosure letters of each party made or purported to have been made after the date of the merger agreement will be disregarded).

- Since the date of the merger agreement, there will not have occurred or arisen any material adverse effect with respect to the other party that is continuing.
- Since the date of the merger agreement, each party will have timely filed all reports and other documents that it is required to file with the SEC under the Securities Exchange Act of 1934 and the applicable Securities and Exchange Commission rules issued thereunder.
- Each party will have received from the other a certificate, signed for and on behalf of such other party by the chief executive officer and the chief financial officer, certifying the satisfaction of certain closing conditions.

Material Adverse Effect

Under the terms of the merger agreement, a material adverse effect on either comScore or Rentrak will mean any fact, development, circumstance, condition, event, occurrence, change or effect that, individually or when taken together with all other facts, developments, circumstances, conditions, events, occurrences, changes or effects that exist at the date of determination of the occurrence of the applicable material adverse effect, has or is reasonably likely to have a material adverse effect on the business, operations, financial condition or results of operations of the applicable party and its subsidiaries, taken as a whole, except that no facts, developments, circumstances, conditions, events, occurrences, changes or effects (by themselves or when aggregated with any other facts, developments, circumstances, conditions, events, occurrences, changes or effects) resulting from, relating to or arising out of the following will be deemed to be or constitute a material adverse effect, and no facts, developments, circumstances, conditions, events, occurrences, changes or effects resulting from, relating to or arising out of the following (by themselves or when aggregated with any other facts, developments, circumstances, conditions, events, occurrences, changes or effects) will be taken into account when determining whether a material adverse effect has occurred or may, would or could occur:

- economic, business, financial or political conditions in the United States or any other jurisdiction in which either party or any of their subsidiaries has substantial business or operations, and any changes in those conditions, but solely to the extent that such conditions and changes do not have a disproportionate adverse effect on such party and its subsidiaries, taken as a whole, relative to other companies of comparable size in the industry in which such party operates;
- conditions in the industry in which the respective party operates, and any changes in those conditions, but solely to the extent that such conditions and changes do not have a disproportionate adverse effect on such party and its subsidiaries, taken as a whole, relative to other companies of comparable size in the industry in which such party operates;
- conditions in the financial markets, and any changes in such conditions, but solely to the extent that such conditions and changes do not have an adverse effect on such party and its subsidiaries, taken as a whole, relative to other companies of comparable size in the industry in which such party operates;

Material U.S. Federal Income Tax Consequences of the Merger

The following summary discusses the material U.S. federal income tax consequences of the merger to Rentrak shareholders. The following discussion is based on existing provisions of the Code, existing treasury regulations and current administrative rulings and court decisions, all of which are subject to change, possibly with retroactive effect, and to differing interpretations.

This summary does not discuss all U.S. federal income tax considerations that may be relevant to a particular shareholders in light of his or her personal circumstances or to shareholders subject to special treatment under the federal income tax laws, including:

- dealers in securities or foreign currencies;
- shareholders who are subject to the alternative minimum tax provisions of the Code;
- tax-exempt organizations;
- financial institutions or insurance companies;
- shareholders who acquired Rentrak common stock in connection with stock options or stock purchase plans or in other compensatory transactions; or
- shareholders who hold Rentrak common stock as part of an integrated investment, including a “straddle,” comprised of shares of Rentrak common stock and one or more other positions.

In addition, this summary does not discuss the tax consequences of the merger under foreign, state or local tax law or the application of the federal tax on net investment income. This discussion assumes that Rentrak shareholders hold their shares of Rentrak common stock as capital assets within the meaning of Section 1221 of the Code (generally, as property held as an investment).

If a partnership (including any entity or arrangement, domestic or foreign, treated as a partnership for U.S. federal income tax purposes) holds Rentrak common stock, the tax treatment of a partner will generally depend on the status of the partners and the activities of the partnership. Partners in a partnership holding Rentrak common stock should consult their tax advisors.

Accordingly, Rentrak shareholders should consult their tax advisors as to the specific tax consequences of the merger, including any applicable federal, state, local and foreign tax consequences.

As used herein, the term U.S. Holder means a beneficial owner of Rentrak common stock that is, for U.S. federal income tax purposes: (a) an individual who is a U.S. citizen or U.S. resident alien, (b) a corporation, or other entity taxable as a corporation, that was created or organized under the laws of the United States, any state thereof or the District of Columbia, (c) an estate whose income is subject to U.S. federal income taxation regardless of its source, or (d) a trust that either is subject to the supervision of a court within the United States

and has one or more U.S. persons with authority to control all of its substantial decisions or has a valid election in effect under applicable Treasury Regulations to be treated as a U.S. person. A beneficial owner of Rentrak common stock (other than a partnership, including any entity or arrangement treated as a partnership for U.S. federal income tax purposes) that is not a U.S. Holder is a Non-U.S. Holder.

U.S. Federal Income Tax Consequences of the Merger to U.S. Holders

In the opinions of Wilson Sonsini Goodrich & Rosati, Professional Corporation, counsel to comScore, and Perkins Coie LLP, counsel to Rentrak, the merger will qualify as a “reorganization” for U.S. federal income tax purposes within the meaning of Section 368(a) of the Code and the following material U.S. federal income tax consequences will result from such qualification:

- Rentrak shareholders will not recognize any gain or loss upon the receipt of comScore common stock in exchange for Rentrak common stock in connection with the merger, except for cash received in lieu of a fractional share of comScore common stock;
- the aggregate tax basis of the comScore common stock received by a Rentrak shareholder in the merger will be equal to the aggregate tax basis of the Rentrak common stock surrendered in exchange for comScore common stock (excluding the portion of a Rentrak shareholder’s tax basis that is allocable to a deemed fractional share of comScore common stock for which the Rentrak shareholder will receive cash in lieu of such fractional share);
- the holding period of the comScore common stock received by a Rentrak shareholder in connection with the merger will include the holding period of the Rentrak common stock surrendered in connection with the merger;
- cash payments received by a Rentrak shareholder for a fractional share of comScore common stock will be treated as if such fractional share had been issued in connection with the merger and then redeemed by comScore, and Rentrak shareholders will recognize gain or loss with respect to such cash payment, measured by the difference, if any, between the amount of cash received and the tax basis in such fractional share. Such gain or loss will be long-term capital gain or loss if the shareholder’s holding period for the Rentrak common stock is more than a year at the time of the merger; and
- comScore, Rum Acquisition Corporation and Rentrak will not recognize gain or loss as a result of the merger.

The preceding opinions by Wilson Sonsini Goodrich and Rosati, Professional Corporation and Perkins Coie LLP are based on factual representations contained in letters provided by comScore and Rentrak as of the date of this joint proxy statement/prospectus, and on certain customary factual assumptions, all of which must continue to be true and accurate as of the effective time of the merger.

The completion of the merger is conditioned upon the delivery of an opinion by each of Wilson Sonsini Goodrich and Rosati, Professional Corporation and Perkins Coie LLP, based on updated representation letters to be provided by comScore and Rentrak at the time of the completion of the merger, and on customary factual assumptions, that the merger will qualify as a “reorganization” for U.S. federal income tax purposes within the meaning of Section 368(a) of the Code.

Neither comScore nor Rentrak will request a ruling from the Internal Revenue Service regarding the tax consequences of the merger to Rentrak shareholders. The opinions of counsel do not bind the Internal Revenue Service or courts of law and thus do not prevent the Internal Revenue Service from asserting a contrary position, or a court from upholding any such assertion. In addition, if any of the representations or assumptions upon which the opinions are based are inconsistent with the actual facts, the tax consequences of the merger and the validity of the opinions could be adversely affected.

Table of Contents

Rentrak shareholders who owned at least five percent (by vote or value) of the total outstanding stock of Rentrak or Rentrak stock with a tax basis of \$1 million or more are required to attach a statement to their tax returns for the year in which the merger is completed that contains the information listed in Treasury Regulations Section 1.368-3(b). Such statement must include the shareholder's tax basis in the shareholder's Rentrak common stock and the fair market value of such stock.

U.S. Federal Income Tax Consequences of the Merger to Non-U.S. Holders

In general, the U.S. federal income tax consequences of the Merger to Non-U.S. Holders will be the same as those described above for U.S. Holders, except that a Non-U.S. Holder generally will not be subject to U.S. federal income tax or withholding tax on any gain realized in connection with the Merger unless:

- such gain is effectively connected with the Non-U.S. Holder's conduct of a trade or business within the United States (and, if required by an applicable income tax treaty, is attributable to a permanent establishment of the Non-U.S. Holder in the United States);
- the Non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year in which the gain is realized and certain other conditions are met; or
- Rentrak is or has been a United States real property holding corporation (a "USRPHC") for U.S. federal income tax purposes at any time within the shorter of the five-year period ending on the date of the Merger and the Non-U.S. Holder's holding period and certain other conditions are satisfied. Rentrak believes that it has not been within the past five years, and does not anticipate becoming, a USRPHC.

Gain described in the first bullet point above generally will be subject to U.S. federal income tax on a net basis at the regular graduated U.S. federal income tax rates in the same manner as if such Non-U.S. Holder were a U.S. Holder. A Non-U.S. Holder that is a corporation also may be subject to an additional branch profits tax at a rate of 30% (or such lower rate as may be specified by an applicable income tax treaty) on its "effectively connected earnings and profits" for the taxable year, subject to certain adjustments. Gain described in the second bullet point above will be subject to U.S. federal income tax at a 30% rate (or such lower rate as may be specified by an applicable income tax treaty), but may be offset by U.S. source losses, if any, of the Non-U.S. Holder.

Information Reporting and Backup Withholding

Certain Rentrak shareholders may be subject to information reporting with respect to the cash received in lieu of a fractional share of comScore common stock. U.S. Holders who are subject to information reporting and who do not provide appropriate information when requested may also be subject to backup withholding. Non-U.S. Holders may be required to comply with certification requirements and identification procedures in order to establish an exemption from information reporting and backup withholding. Any amount withheld under such rules is not an additional tax and may be refunded or credited against such Rentrak shareholders' federal income tax liability, provided that the required information is properly furnished in a timely manner to the Internal Revenue Service.

Accounting Treatment of the Merger

Each of comScore and Rentrak prepares its financial statements in accordance with GAAP. The merger will be accounted for using the acquisition method of accounting with comScore treated as the acquirer of Rentrak for accounting purposes. This means that the assets, liabilities and commitments of Rentrak, the accounting acquiree, will be adjusted to their estimated fair value at the acquisition date. Under the acquisition method of accounting, definite-lived intangible assets are amortized over their remaining useful lives. Goodwill and other indefinite-lived intangible assets are tested for impairment at least annually.

Table of Contents

Financial statements of comScore issued after the merger will reflect only the operations of comScore after the merger and will not be restated retroactively to reflect the historical financial position or results of operations of Rentrak.

All unaudited pro forma condensed combined financial information contained in this joint proxy statement/prospectus was prepared using the acquisition method of accounting. The final allocation of the purchase price will be determined after the merger is completed and after completion of an analysis to determine the fair value of Rentrak's assets and liabilities. Accordingly, the final acquisition accounting adjustments may be materially different from the unaudited pro forma adjustments. Any decrease in the fair value of the assets or increase in the fair value of the liabilities of Rentrak compared to the unaudited pro forma condensed combined financial information included in this proxy statement/prospectus will have the effect of increasing the amount of the purchase price allocable to goodwill.

Regulatory Filings and Approvals Required to Complete the Merger

The merger was subject to review by the United States Federal Trade Commission and the Antitrust Division of the United States Department of Justice under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended. On October 23, 2015, comScore and Rentrak made pre-merger notification filings. On November 23, 2015, the applicable waiting period expired.

After the statutory waiting periods, and even after completion of the merger, either the Antitrust Division of the United States Department of Justice, the Federal Trade Commission, or other governmental authorities could challenge or seek to block the merger under the antitrust laws, as it deems necessary or desirable in the public interest. Other competition agencies with jurisdiction over the merger could also initiate action to challenge or block the merger. Moreover, in some jurisdictions including the United States, a competitor, customer or other third party could initiate a private action under the antitrust laws challenging or seeking to enjoin the merger, before or after it is completed. comScore and Rentrak cannot be sure that a challenge to the merger will not be made. If a challenge is made, comScore, Rentrak or the combined company may not prevail, or may incur significant costs in defending or settling any action under antitrust laws.

Listing of Shares of comScore Common Stock Issued in the Merger on the Nasdaq Global Select Market

comScore will use its reasonable best efforts to have authorized for listing on the Nasdaq Global Select Market prior to the effective time of the merger, upon official notice of issuance, the shares of comScore common stock issuable in the merger pursuant to the merger agreement, the shares of comScore common stock issuable upon the exercise of all assumed Rentrak stock options and the shares of comScore common stock issuable in respect of all assumed Rentrak restricted stock units.

Delisting and Deregistration of Rentrak Common Stock After the Merger

Following the effective time of the merger, Rentrak common stock will be delisted from the Nasdaq Global Market and deregistered under the Securities Exchange Act of 1934.

Registration of Shares of comScore Common Stock Received in the Merger

The shares of comScore common stock to be issued in connection with the merger will be registered under the Securities Act of 1933 and will be freely transferable. The resale restrictions in Rule 145(d) that could be applicable to persons specified in Rule 145(c) are not applicable to persons receiving stock in the merger.

No Appraisal Rights

Neither comScore stockholders nor Rentrak shareholders are entitled to dissenters' rights of appraisal for their shares under the Delaware General Corporation Law or the Oregon Business Corporation Act, as applicable in connection with the merger.

UNAUDITED PRO FORMA CONDENSED COMBINED CONSOLIDATED FINANCIAL STATEMENTS

The unaudited pro forma condensed combined balance sheet as of September 30, 2015 is presented as if the proposed merger had occurred as of September 30, 2015. The unaudited pro forma condensed combined statements of operations for the nine months ended September 30, 2015 and the twelve months ended December 31, 2014 is presented as if the merger had occurred on January 1, 2014. The pro forma consolidated financial statements of comScore and Rentrak have been adjusted to reflect certain reclassifications in order to conform to comScore's financial statement presentation and the presentation of the combined company.

The unaudited pro forma condensed combined financial statements give effect to the merger under the acquisition method of accounting in accordance with Financial Accounting Standards Board Accounting Standard Topic 805, *Business Combinations*, which we refer to as ASC 805, with comScore treated as the acquiror. As of the date of this filing, comScore has not completed the detailed valuation work necessary to arrive at the required estimates of the fair value of the Rentrak assets to be acquired and the liabilities to be assumed and the related allocation of purchase price, nor has it identified all adjustments necessary to conform Rentrak's accounting policies to comScore's accounting policies. A final determination of the fair value of Rentrak's assets and liabilities, including intangible assets with both indefinite or finite lives, will be based on the actual net tangible and intangible assets and liabilities of Rentrak that exist as of the closing date of the merger and, therefore, cannot be made prior to the completion of the merger. In addition, the value of the consideration to be paid by comScore upon the consummation of the merger will be determined based on the closing price per share of comScore common stock on the closing date of the merger. As a result of the foregoing, the pro forma adjustments are preliminary and are subject to change as additional information becomes available and as additional analyses are performed. The preliminary pro forma adjustments have been made solely for the purpose of presenting the unaudited pro forma condensed combined financial statements. comScore's estimated the fair value of Rentrak's assets and liabilities as of September 30, 2015 based on discussions with Rentrak's management, due diligence and information presented in Rentrak's public filings. Until the merger is completed, both companies are limited in their ability to share certain information. Therefore, information necessary for the complete valuation is not currently available and, accordingly, management has used its best estimates based upon information currently available. Upon completion of the merger, final valuations will be performed based on the actual net tangible and intangible assets of Rentrak that will exist on the date of the merger. The final purchase price allocation may be different than that reflected in the pro forma purchase price allocation presented herein, and this difference may be material.

Assumptions and estimates underlying the unaudited adjustments to the pro forma condensed combined financial statements are described in the accompanying notes, which should be read in conjunction with the unaudited pro forma condensed combined financial statements. The historical consolidated financial statements have been adjusted in the unaudited pro forma condensed combined financial statements to give effect to pro forma events that are: (1) directly attributable to the merger; (2) factually supportable; and (3) with respect to the unaudited pro forma condensed combined statements of operations, expected to have a continuing impact on the combined results of comScore and Rentrak following the merger.

The unaudited pro forma condensed combined financial statements should be read in conjunction with (i) the accompanying notes to the unaudited pro forma condensed combined financial statements; (ii) historical financial statements of comScore and the accompanying notes in comScore's Quarterly Report on Form 10-Q for the nine months ended September 30, 2015 and comScore's Annual Report on Form 10-K for the year ended December 31, 2014, which are incorporated by reference in this joint proxy statement/prospectus; (iii) the historical financial statements of Rentrak and the accompanying notes in Rentrak's Quarterly Report on Form 10-Q for the six months ended September 30, 2015, Rentrak's Annual Report on Form 10-K for the year ended March 31, 2015, which are incorporated by reference in this joint proxy statement/prospectus.

Table of Contents

comScore and Rentrak have different fiscal year end dates. However, because the difference between comScore's and Rentrak's fiscal year end dates is less than 93 days, Rentrak's results for the year ended March 31, 2015 have been used to prepare the unaudited pro forma condensed combined statement of operations for the year ended December 31, 2014, as permitted under Rule 11-02 of Regulation S-X. As a result, Rentrak's results of operations for the three months ended March 31, 2014 are included in the unaudited pro forma condensed combined statements of operations for the year ended December 31, 2014 and Rentrak's results of operations for the three months ended March 31, 2015 are included in the unaudited pro forma condensed combined statements of operations for the nine months ended September 30, 2015.

In connection with the plan to integrate the operations of comScore and Rentrak, comScore anticipates that non-recurring charges, such as costs associated with systems implementation, relocation expenses, severance, compensation charges under change of control agreements with certain employees and other costs related to exit or disposal activities, will be incurred. comScore is not able to determine the timing, nature and amount of these charges as of the date of this joint proxy statement/prospectus. However, these charges could affect the combined results of operations of comScore and Rentrak, as well as those of the combined company following the merger, in the period in which they are recorded. The unaudited pro forma condensed combined financial statements do not include the effects of the costs associated with any restructuring or integration activities resulting from the transaction, as they are non-recurring in nature and not factually supportable at the time that the unaudited pro forma condensed combined financial statements were prepared.

The unaudited pro forma information presented below has been prepared in accordance with the rules and regulations of the U.S. Securities and Exchange Commission. The unaudited pro forma condensed combined financial statements have been presented for informational purposes only. The pro forma information is not necessarily indicative of what the combined company's financial position or results of operations actually would have been had the merger been completed as of the dates indicated. Since the unaudited pro forma condensed combined financial statements have been prepared based on preliminary estimates, the final amounts recorded at the date of the merger may differ materially from the information presented. These estimates are subject to change pending further review of the assets acquired and liabilities assumed. In addition, the unaudited pro forma condensed combined financial information does not purport to project the future financial position or operating results of the combined company.

The unaudited pro forma condensed combined financial statements should be read in conjunction with the historical consolidated financial statements and accompanying notes of comScore and Rentrak incorporated in this filing.

NOTES TO UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL STATEMENTS

1. Basis of Pro Forma Presentation

Merger Agreement with Rentrak

The merger is reflected in the unaudited pro forma condensed combined financial statements under the acquisition method in accordance with ASC 805, with comScore treated as the acquiror. Under the acquisition method, the total estimated purchase price allocation is calculated as described in Note 4. In accordance with ASC 805, the assets acquired and the liabilities assumed have been measured at fair value based on various preliminary estimates, and these estimates are subject to change pending further review of the fair value of assets acquired and liabilities assumed. The final amounts recorded for the merger may differ materially from the information presented herein.

comScore has performed a preliminary valuation analysis of the fair market value of the Rentrak assets to be acquired and liabilities to be assumed and the related allocations of the estimated consideration to such items. comScore will perform a detailed review of Rentrak's accounting policies in connection with the completion of the merger and, therefore, has not identified all adjustments, if any, necessary to conform Rentrak's financial records to comScore's accounting policies. As a result, amounts used in these unaudited pro forma condensed combined financial statements will differ from ultimate amounts once comScore has determined the final allocation of the merger consideration, completed the detailed valuation analysis and calculations necessary to finalize the required purchase price allocations, and identified any necessary conforming accounting policy changes for Rentrak. Accordingly, the final allocation of the merger consideration, which will be determined subsequent to the closing of the merger, and its effect on the results of operations, may differ materially from the estimated allocation and unaudited pro forma combined amounts included herein.

comScore and Rentrak have different fiscal year end dates. However, because the difference between comScore's and Rentrak's fiscal year end dates is less than 93 days, Rentrak's results for the year ended March 31, 2015 have been used to prepare the unaudited pro forma condensed combined statement of operations for the year ended December 31, 2014, as permitted under Rule 11-02 of Regulation S-X. As a result, Rentrak's results of operations for the three months ended March 31, 2014 and the nine months ended December 31, 2014 are included in the unaudited pro forma condensed combined statements of operations for the twelve months ended December 31, 2014 and Rentrak's results of operations for the three months ended March 31, 2015 are included in the unaudited pro forma condensed combined statements of operations for the nine months ended September 30, 2015.

The unaudited pro forma condensed combined financial statements were prepared in accordance with GAAP and pursuant to Securities and Exchange Commission Regulation S-X Article 11, and present the pro forma financial position and results of operations of the combined companies based upon the historical information after giving effect to the merger and adjustments described in these Notes to the unaudited pro forma condensed combined financial statements. The unaudited pro forma condensed combined balance sheet is presented as if the merger had occurred on September 30, 2015; and the unaudited pro forma condensed combined statements of operations for the nine months ended September 30, 2015 and the twelve months ended December 31, 2014 are presented as if the merger had occurred on January 1, 2014.

Rentrak has historically recorded a significant valuation allowance on the majority of its deferred tax assets since it was more-likely-than not that such assets would not be realized. As a result of the significant deferred tax liabilities largely attributable to the fair value adjustment of the intangible assets purchased, the combined company will have significant deferred tax liabilities to offset the deferred tax assets. Therefore, the combined company will not likely require a significant valuation allowance against its deferred tax assets. The pro forma adjustment includes a release of these significant valuation allowances applied against the Rentrak deferred tax assets. Following the merger, comScore will need to perform additional analysis to reach final determination of whether a valuation allowance should be recorded on the deferred tax assets of the combined company, including those deferred tax assets that did not have an allowance in the accounts of comScore before the merger. In

Table of Contents

accordance with the requirements of ASC 805, any change in the valuation allowance of comScore would be reflected in the income tax provision in the reporting period that includes the business combination.

In connection with the plan to integrate the operations of comScore and Rentrak, comScore anticipates that non-recurring charges, such as costs associated with systems implementation, relocation expenses, severance, compensation charges under change of control agreements with certain employees and other costs related to exit or disposal activities, will be incurred. comScore is not able to determine the timing, nature and amount of these charges as of the date of this joint proxy statement/prospectus. However, these charges could affect the combined results of operations of comScore and Rentrak, as well as those of the combined company following the merger, in the period in which they are recorded. The unaudited pro forma condensed combined financial statements do not include the effects of the costs associated with any restructuring or integration activities resulting from the transaction, as they are non-recurring in nature and not factually supportable at the time that the unaudited pro forma condensed combined financial statements were prepared. Additionally, these adjustments do not give effect to any synergies that may be realized as a result of the merger, nor do they give effect to any nonrecurring or unusual restructuring charges that may be incurred as a result of the integration of the two companies.

Certain reclassifications have been made relative to comScore's and Rentrak's historical financial statements to conform to the financial statement presentation of comScore and the combined company. Such reclassifications are described in further detail in Note 6 to the unaudited pro forma condensed combined financial statements. Upon consummation of the merger, further review of Rentrak's financial statements may result in additional revisions to Rentrak's classifications to conform to comScore's presentation.

2. Accounting Policies

Upon completion of the merger, comScore will continue its review of Rentrak's accounting policies. As a result of that review, comScore may identify differences between the accounting policies of the two companies that, if confirmed, could have a material effect on the combined financial statements. At this time, comScore is not aware of any differences that would have a material effect on the combined financial statements. The unaudited pro forma condensed combined financial statements do not assume any differences in accounting policies.

3. Preliminary Estimated Purchase Price Consideration: Merger Agreement with Rentrak

Upon completion of the merger, each outstanding share of Rentrak common stock will be converted into the right to receive 1.1500 shares of comScore common stock.

Upon completion of the merger, unless prohibited by local law, comScore also will assume outstanding options to purchase Rentrak common stock, and unvested Rentrak restricted stock units and performance stock units, each of which will be automatically converted into the option to purchase or the right to receive that number of shares of comScore common stock as adjusted by the exchange ratio. For more information, see the section entitled "*Stock Options and Restricted Stock Units*" beginning on page 81 of this joint proxy statement/prospectus.

The unaudited pro forma condensed combined financial statements present the conversion of Rentrak options and restricted stock units on a basis of 1.1500 shares of comScore's common stock per one share of underlying Rentrak common stock.

The fair values of Rentrak stock options assumed will be determined using a Black-Scholes valuation model with market based assumptions of the combined company. The fair values of unvested Rentrak stock awards will be recorded as operating expenses on a straight-line basis over the remaining service periods, while the fair values of vested restricted stock units are included in the total purchase price. Portions of equity awards of certain Rentrak executives will vest immediately upon closing of the merger and these equity awards are also

Table of Contents

included in the total purchase price. Option pricing models require the use of highly subjective market assumptions, including expected stock price volatility, which if changed can materially affect fair value estimates. The estimate used in the pro forma condensed combined financial statements is based upon the fair value of unvested Rentrak share-based awards as of September 30, 2015. The fair value of awards exchanged will be determined based on the Black-Scholes option pricing model on the date the merger is consummated, based upon the fair value of the Rentrak's common shares at that time. In addition, comScore intends to grant additional unvested equity awards to key Rentrak employees after the closing of the merger. The portion of the equity awards that have future service requirements have been included in the unaudited pro forma condensed combined statements of operations because these equity awards will have ongoing effects on the operations of the combined company.

The requirement to determine the final purchase price using the number of Rentrak's shares outstanding at the closing date and the closing price of comScore's common stock as of the closing date could result in a total purchase price different from the price assumed in these unaudited pro forma condensed combined financial statements, and that difference may be material. Therefore, the estimated consideration expected to be transferred reflected in these unaudited pro forma condensed combined financial statements does not purport to represent what the actual consideration transferred will be when the merger is completed.

comScore's closing stock price at the merger date will be a determining factor in arriving at the amount of merger consideration. Solely for purposes of these pro forma condensed combined financial statements, the stock price assumed for the total preliminary purchase price is the closing price of comScore's common stock on NASDAQ on December 18, 2015 (\$38.23 per share), the most recent date practicable in the preparation of this joint proxy statement/prospectus.

Based on the closing price of comScore's common stock on December 18, 2015, the total preliminary purchase price was approximately \$698.0 million, including estimated fair values of vested Rentrak stock awards assumed, and consisting of (in thousands, except exchange ratio and share price):

Estimated number of Rentrak shares to be acquired as of September 30, 2015	15,357
Multiplied by the exchange ratio	1.1500
Number of common shares of comScore to be issued to the holders of Rentrak common stock	17,661
Multiplied by the assumed price per comScore common share (1)	\$ 38.23
Value of share consideration	\$ 675,180
Estimated fair value of outstanding Rentrak stock awards to be exchanged for comScore's stock awards (2)	22,772
Estimated purchase price	<u>\$ 697,952</u>

(1) Reflects comScore's share price as of December 18, 2015. The final purchase price per share and corresponding total consideration will be determined on the date of closing.

(2) Includes the fair value of the unvested replacement equity awards of certain Rentrak executives that vest immediately upon closing of the merger.

Table of Contents

4. Preliminary Estimated Purchase Price Allocation—Merger Agreement with Rentrak

Based upon a preliminary valuation, the total estimated preliminary purchase price consideration was allocated to Rentrak's assets and liabilities as follows:

	<u>Fair Value</u> (in thousands)
Cash and cash equivalents	\$ 5,404
Short term investments	72,462
Accounts receivable	21,674
Prepaid expenses and other current assets	2,764
Property, plant & equipment	6,543
Other non-current assets	4,346
Intangible assets	277,100
Goodwill	<u>417,486</u>
Total assets acquired	807,779
Accounts payable	2,468
Accrued expenses	29,047
Deferred revenue	3,400
Deferred rent	2,537
Deferred tax liabilities, net	71,812
Other long-term liabilities	563
Total liabilities assumed	109,827
Fair value of net assets acquired	<u>\$ 697,952</u>

The final allocation will be based upon valuations and other analyses for which there is currently insufficient information to make a definitive allocation. Accordingly, the purchase price allocation adjustments are preliminary and have been made solely for the purpose of providing unaudited pro forma condensed combined financial statements. The final purchase price allocation will be determined after the closing of the mergers and after completion of a thorough analysis to determine the fair value of Rentrak's tangible assets and liabilities and identifiable intangible assets and liabilities. As a result, the final acquisition accounting adjustments, including those resulting from conforming Rentrak's accounting policies to those of comScore, could differ materially from the pro forma adjustments presented herein. Any increase or decrease in the fair value of Rentrak's tangible and identifiable intangible assets and liabilities, as compared to the information shown herein, would also change the portion of purchase price allocable to goodwill. In addition, the purchase price is based upon comScore's stock price at the time of closing, which could be significantly different from the price used in these unaudited pro forma financial statements. A 10% increase or decrease in comScore's stock price would result in a change in the purchase price by approximately \$70 million and would cause an increase or decrease in goodwill of approximately \$70 million.

The compensation expense associated with the portion of the assumed and converted equity awards that are subject to future service requirements have not been included in the above purchase price allocation. These awards have been included as the pro forma condensed and combined statements of operations based upon the estimate of additional stock based compensation expense to be recognized.

Table of Contents

The preliminary estimated fair value of identifiable intangible assets to be acquired consisted of the following (dollars in thousands):

	<u>Preliminary Fair Value</u>	<u>Estimated Useful Life (in years)</u>
Trade names	\$ 47,000	Indefinite
Customer relationships	11,000	7
Developed technology	218,000	7

5. Digital Analytix® Enterprise (“DaX”)

comScore, comScore, Inc., and certain of its subsidiaries, entered into an asset purchase agreement (the “Agreement”), dated November 5, 2015, with Adobe Systems Incorporated and certain of its subsidiaries (“Adobe”). The unaudited pro forma condensed combined financial statements do not reflect the pending disposition of certain assets, rights and properties (the “Pending Disposition”) which relate to comScore’s Digital Analytix® Enterprise (“DaX”) Solution, and the estimated net cash proceeds of \$45 million to be received in connection with the Pending Disposition. The pro forma condensed combined financial statements do not reflect the pending disposition as management is still completing its evaluation of the transaction as the terms and conditions of the transition service agreement and other ancillary agreements have not yet been finalized. The net proceeds are based on preliminary estimates of transaction costs and net cash proceeds received could differ following consummation of the Pending Disposition. Pursuant to the Agreement, comScore agreed to sell or exclusively license certain assets, rights and properties primarily or exclusively used in or necessary for, or which primarily or exclusively relate to, DaX, including certain exclusively DaX-related agreements with customers and certain intellectual property (the “Transferred Assets”). comScore will continue to employ the personnel needed to operate the Transferred Assets and will provide support to Adobe pursuant to a transition service agreement for a term to be agreed to by the parties, currently contemplated to be up to three years following the consummation of the Pending Disposition for certain services.

The final purchase price allocation will be determined after the closing the Pending Disposition and thorough analysis of the analysis of the Agreement and all other ancillary agreements executed between comScore and Adobe. As a result, the final disposition accounting adjustments, could differ materially from the pro forma adjustments presented herein.

6. Preliminary Pro Forma Financial Statement Adjustments

Unaudited Pro Forma Condensed Combined Balance Sheet

Conforming Reclassifications Between comScore and Rentrak:

The following reclassifications have been made in the presentation of comScore’s historical consolidated financial statements to conform to the combined presentation. In addition, upon completion of the merger, comScore will further review Rentrak’s accounting policies in order to conform to comScore’s accounting policies.

- \$9.2 million of accrued data provider liabilities and \$6.5 million of accrued compensation were reclassified to accrued expenses as of September 30, 2015.

Pro Forma Adjustments Relating to the Merger of comScore and Rentrak:

Adjustments included in the column under the heading “Pro Forma Adjustments” represent the following:

(a) Reflects the preliminary pro forma adjustment to property and equipment, which is a result of removing the net carrying amount \$23.1 million of the capitalized software that is reflected in Rentrak’s historical balance sheet. The fair value adjustment for the developed technology intangible asset includes but is not limited to the previously capitalized Rentrak internally developed software. The carrying value of the property and equipment of Rentrak, including furniture, fixtures, computers and leasehold improvements, is assumed to approximate its fair value and therefore no fair value adjustment is deemed necessary in the unaudited pro forma condensed combined financial statements. The amount of purchase price allocated to tangible assets, as well as the associated useful lives, may increase or decrease and could materially affect the amount of pro forma depreciation expense to be recorded in the unaudited pro forma condensed combined statements of operations.

(b) Reflects the components of the preliminary estimates of the fair value of intangible assets to be acquired by comScore at the closing of the merger, which are as follows:

	Historical Estimated range of Average Useful Lives (in years)	Estimated range of Average Useful Lives (in years)	Historical Rentrak	Estimated Fair Value	Pro Forma Adjustments
			(dollars in thousands)		
Trade names	2 to 3	Indefinite	\$ —	\$ 47,000	\$ 47,000
Customer relationships	6 to 10	7	7,679	11,000	3,321
Developed technology	n/a	7	640	218,000	217,360
Patents	20 years	n/a	572	—	(572)
Global customer relationships	Indefinite	n/a	7,400	—	(7,400)
Favorable leases	n/a	6-8	—	1,100	1,100
			\$ 16,291	\$ 277,100	\$ 260,809

As part of the preliminary valuation analysis, comScore identified intangible assets, including, trade names, customer relationships, developed technology and favorable leases. The fair value of identifiable assets is determined primarily using the income approach, which requires a forecast of all the expected future cash flows. The fair values were determined based upon initial due diligence and more diligence will be required to complete the final determination of the intangible assets acquired. The final determination of the fair value of the intangible assets acquired could be materially different than those presented in these unaudited pro forma condensed combined financial statements.

The preliminary estimates of fair value and useful life of the intangibles acquired will likely be different from the final acquisition accounting, and the difference could have a material effect on the accompanying unaudited pro forma condensed combined financial statements. A 10% change in the allocation between the acquired tangible and intangible assets and goodwill would result in a change in the annual depreciation and amortization expense of approximately \$3.3 million assuming the 10% change is applied pro rata to the assets.

(c) Reflects the adjustment to record the difference between the estimated fair value and the historical carrying amount of deferred revenue of Rentrak as of September 30, 2015 as follows (in thousands):

Fair value of Rentrak deferred revenue	\$ 3,400
Less: Historical Rentrak deferred revenue	(4,128)
Pro forma adjustment to deferred revenue	\$ (728)

Table of Contents

The estimated fair value of deferred revenue represents amounts equivalent to the estimated costs to complete plus an appropriate profit margin to fulfill the obligations assumed in the transaction.

(d) Reflects the preliminary pro forma adjustment to goodwill, calculated as follows (in thousands):

Preliminary purchase price	\$ 697,952
Less: Fair value of net assets acquired (excluding goodwill)	(280,466)
Total estimated goodwill	417,486
Less: Rentrak historical goodwill	(135,940)
Pro forma adjustment to goodwill	<u><u>\$ 281,546</u></u>

The goodwill to be recognized is primarily attributable to the assembled workforce, a reduction in costs and other synergies, an increase in product offerings, specifically for cross-media measurement, greater depth of relationships with customers and data providers, enhanced opportunities for growth and innovation and opportunities for increased revenue from existing relationships. The goodwill resulting from the acquisition is not expected to be deductible for tax purposes.

(e) Reflects the pro forma adjustments to other accrued expenses as follows (in thousands):

Additional transaction costs expected to be incurred by Rentrak	\$ 9,761
Additional transaction costs expected to be incurred by comScore	7,659
Severance costs to be incurred following merger	1,803
Pro forma adjustment to accrued expenses	<u><u>\$19,223</u></u>

The estimated transaction costs primarily relate to investment banker fees and advisory fees as specified in the relevant agreements and professional fees associated with the mergers, including legal, accounting, tax and regulatory filing to be paid to third parties based on each party's best estimate of its fees. These are non-recurring charges and have been excluded from the unaudited pro forma condensed combined statements of operations.

The adjustment for stock based compensation incurred above includes the impact of immediate vesting of equity awards of key Rentrak executives upon closing of the merger. In addition, all outstanding equity awards of Rentrak will be exchanged at the exchange ratio (1.1500) for comScore equity awards. The fair value of the additional vested equity awards to be granted at the closing of the merger has been reflected in the adjustment to stock based compensation above. These are non-recurring charges and have been excluded from the unaudited pro forma condensed combined statements of operations.

The compensation expense associated with the portion of the assumed and converted stock options and restricted stock units that are subject to future service requirements have not been included in the above purchase price allocation and have not been included in the unaudited pro forma condensed combined financial statements.

(f) Represents the elimination of historical stockholders' equity for comScore and Rentrak common stock issued for consideration (in thousands, except per share amounts):

Estimated number of Rentrak shares to be acquired, as of September 30, 2015	15,357
Fixed exchange ratio	<u>1.1500</u>
Number of common shares of comScore to be issued to the holders of Rentrak common stock	17,661
Closing stock price of comScore common stock on December 18, 2015	\$ 38.23
Estimated equity consideration	<u>\$ 675,180</u>
Plus: Estimated fair value of the a Rentrak equity awards to be exchanged for comScore stock awards	<u>22,772</u>
Estimated total purchase price	697,952
Less: historical Rentrak shareholders' equity	(258,113)
Less: comScore transaction costs expected to be incurred	<u>(7,659)</u>
Pro forma adjustment to stockholders' equity	<u>\$ 432,180</u>

The preliminary estimates of fair value and useful life of the intangibles acquired will likely be different from the final acquisition accounting, and the difference could have a material effect on the accompanying unaudited pro forma condensed combined financial statements. A 10% increase in the price of comScore common stock per share would result in purchase price of approximately \$768 million and would cause the amount of goodwill recognized to increase by approximately by \$70 million. Below is a table summarizing the effect of a 10% increase in comScore's closing price (in thousands, except exchange ratio and share price):

Estimated number of Rentrak shares to be acquired, as of September 30, 2015	15,357
Multiplied by the exchange ratio	<u>1.1500</u>
Number of common shares of comScore to be issued to the holders of Rentrak common stock	17,661
Multiplied by the assumed price per comScore common share (1)	<u>\$ 42.05</u>
Value of share consideration	\$ 742,626
Estimated fair value of outstanding Rentrak stock awards to be exchanged for comScore's stock awards (2)	<u>24,894</u>
Estimated purchase price	<u>\$ 767,520</u>

- (1) Reflects a 10% increase in comScore's share price as of December 18, 2015. The final purchase price per share and corresponding total consideration will be determined on the date of closing.
 (2) Includes the fair value of the replacement equity awards of certain Rentrak executives that vest immediately upon closing of the merger.

(g) Represents an adjustment to deferred tax assets and liabilities based on a Federal and State statutory tax rate of 40% multiplied by the fair value adjustments made to assets acquired and liabilities, excluding goodwill as calculated below (dollars in thousands):

Non-current deferred tax assets:	
Fair value adjustment to decrease property and equipment	\$ 23,108
Estimate of Rentrak NOL's as of September 30, 2015	<u>59,500</u>
Federal and State statutory rate	<u>82,608</u>

	<u>(104,324)</u>
Net non-current deferred tax liabilities	(68,281)
Less: reclassification of comScore non-current deferred tax assets	<u>10,806</u>
Pro forma adjustment to non-current deferred tax liabilities	<u><u>\$ (57,475)</u></u>
Current deferred tax liabilities:	
Fair value adjustment to decrease deferred revenue	\$ (728)
Federal and State statutory rate	<u>40%</u>
Pro forma adjustment to current deferred tax liability	<u><u>\$ (291)</u></u> (1)

(1) The pro forma adjustment to increase current deferred tax liabilities has been reclassified to reduce current deferred tax assets in the pro forma condensed combined balance sheet.

Goodwill is calculated as the difference between the acquisition date fair value of the considerations expected to be transferred and the values assigned to the identifiable assets to be acquired and liabilities to be assumed. Goodwill is not amortized, but rather is subject to impairment testing on at least an annual basis. In the event the valuation of the intangible and tangible assets changes materially in the future, the amount of the recorded deferred tax assets and liabilities would materially change as well. comScore is still in the process of completing the detailed valuation studies and other analysis necessary to finalize the necessary adjustments related to income taxes, and related deferred tax assets and liabilities. There is no assurance that the finalization of comScore's review will not result in material changes.

Unaudited Pro Forma Condensed Combined Statement of Operations

Conforming Reclassifications Between comScore and Rentrak (in thousands):

The following reclassifications have been made in the presentation of comScore's historical consolidated financial statements to conform to the combined presentation for the twelve months ended December 31, 2014:

- For the twelve months ended December 31, 2014, \$1,069 and \$5 related to Rentrak's historical amortization of intangibles was reclassified from selling and administrative and research, technology and innovation expenses to amortization of intangibles, respectively.
- For the nine months ended September 30, 2015, \$1,083 and \$22 related to Rentrak's historical amortization of intangibles was reclassified from selling and administrative and research, technology and innovation expenses to amortization of intangibles, respectively.

Table of Contents

- For the twelve months ended December 31, 2014 and the nine months ended September 30, 2015, \$62,923 and \$57,041 of comScore general and administrative expenses have been reclassified selling, general and administrative expenses, respectively.
- Upon completion of the merger, comScore will continue its review of Rentrak's accounting policies, including but not limited to the classification of Rentrak's operating expenses. At this time the analysis to reclassify operating expenses has not been completed. As a result of that review, comScore may identify differences between the accounting policies of the two companies that, when confirmed, could have a material effect on the combined financial statements.

Pro Forma Adjustments Relating to the Merger of comScore and Rentrak:

- (1) Reflects pro forma adjustments to amortization of acquisition-related intangibles assuming the preliminary estimates of the fair value and estimated weighted average lives as described in Note (b) and conforming classifications as follows:

	Nine months Ended September 30, 2015	Twelve Months Ended December 31, 2014
	(in thousands)	(in thousands)
Pro forma amortization expense of purchased intangibles	\$ 24,806	\$ 32,883
Less: Rentrak historical amortization expense	(1,105)	(1,074)
Pro forma adjustment to amortization expense	\$ 23,701	\$ 31,809

- (2) Reflects pro forma adjustments to depreciation of property and equipment assuming the preliminary estimates of the fair value and estimated useful life of the asset as described in Note (a). The pro forma adjustment was to remove all depreciation related to internally developed capitalized software because those assets have been recorded at fair value as developed technology in the pro forma balance sheet and are being amortized over the useful life of the assets and recognized as amortization of intangible assets in the unaudited pro forma statements of operations.
- (3) Reflects the incremental stock based compensation expense based upon the fair value of Rentrak's non-vested equity awards assumed to be converted into comScore equity awards upon the completion of the merger. The pro forma adjustment for the incremental stock based compensation expense for the twelve months ended December 31, 2014 and nine months ended September 30, 2015 is \$2.6 million and \$1.2 million, respectively.
- (4) Reflects the elimination of \$4.4 million in nonrecurring transaction costs incurred during the nine months ended September 30, 2015 that are directly related to the merger between Rentrak and comScore.
- (5) Reflects the income tax effect of the pro forma adjustments, which was calculated at a 40% Federal and State statutory tax rate. The effective tax rate of the combined company could be significantly different from what is presented in these unaudited pro forma condensed combined financial statements for a variety of reasons, including post-merger activities.

7. Pro Forma Net Loss per Share

The basic and diluted pro forma net loss per share is based on the weighted average number of shares of comScore common stock outstanding for the period presented and adjusted for the estimated number of additional shares of comScore common stock to be issued in relation to the mergers, assuming for the purposes of the unaudited pro forma condensed combined statements of operations that the closing date of the merger was January 1, 2014.

Stock Incentive and Other Compensation Plans

2007 Equity Incentive Plan

comScore currently maintains the comScore, Inc. 2007 Equity Incentive Plan, as amended, which we refer to as the 2007 Plan, under which comScore may grant equity awards covering shares of its common stock to employees, non-employee directors and consultants. Under the 2007 Plan, comScore may issue awards in the form of stock options, stock appreciation rights, restricted stock and/or restricted stock units, performance units, performance shares, dividend equivalents and deferred stock units, which refer to as Plan Awards. Under the 2007 plan, comScore may not issue Plan Awards with respect to more than 9.9 million shares of comScore common stock. In addition, the 2007 Plan provides for annual increases in the number of shares available for issuance thereunder on the first day of each fiscal year equal to the least of: (i) 4% of the outstanding shares of comScore's common stock on the last day of the immediately preceding fiscal year; (ii) 1,800,000 shares of common stock; or (iii) such other amount as comScore's board of directors may determine. The 2007 Plan currently is scheduled to expire in March 2017.

1999 Stock Plan

comScore previously maintained the comScore, Inc. 1999 Plan, as amended, which we refer to as the 1999 Plan. The 1999 Plan was terminated by the comScore board of directors in June 2007, and no additional awards may be granted under the 1999 Plan. Prior to its termination, the 1999 Plan permitted comScore to grant equity awards covering shares of its common stock to employees, non-employee directors and consultants in the form of options, stock purchase rights, or restricted stock units. Notwithstanding its expiration, the 1999 Plan will continue to govern the terms and conditions of any outstanding awards granted under it. As of September 30, 2015, options to purchase 3,671 shares of comScore common stock were outstanding under the 1999 Plan.

Undesignated Preferred Stock

comScore's certificate of incorporation permits comScore to issue up to five million (5,000,000) shares of comScore preferred stock in one or more series with such designations, powers, preferences, rights, qualifications, limitations or restrictions as may be fixed by the comScore board of directors without any further action by comScore stockholders. The ability to authorize undesignated preferred stock will make it possible for the comScore board of directors to issue preferred stock with super voting, special approval, dividend or other rights or preferences on a discriminatory basis that could impede the success of any attempt to acquire comScore. These and other provisions may have the effect of deferring, delaying or discouraging hostile takeovers, or changes in control or management of comScore.

Stockholder Meetings

comScore's certificate of incorporation and bylaws provide that special meetings of the stockholders may be only be called by the comScore board of directors, the chairman of the comScore board of directors or the president. Stockholders do not have the ability to call for a meeting of comScore's stockholders.

FUTURE STOCKHOLDER PROPOSALS

comScore

comScore's bylaws provide for advance notice procedures to recommend a person for nomination as a director or to propose business to be considered by stockholders at a meeting. For the 2016 annual meeting of stockholders, such nominations or proposals, other than those made by or at the direction of the comScore Board, must be submitted in writing and received by comScore's Corporate Secretary at comScore's offices at 11950 Democracy Drive, Suite 600, Reston, Virginia 20190 no later than March 13, 2016, which is 90 days prior to the anniversary of the first mailing date of notice of availability of comScore's proxy statement for its 2015 annual meeting of stockholders. If comScore's 2016 annual meeting of stockholders is moved more than 30 days before or after July 21, 2016, the anniversary date of comScore's 2015 annual meeting of stockholders, then the deadline is the close of business on the tenth day following the day notice of the date of the meeting was mailed or made public, whichever occurs first. Such proposals also must comply with all applicable requirements of the rules and regulations of the Securities and Exchange Commission. The chairperson of the comScore stockholder meeting may refuse to acknowledge the introduction of your proposal if it is not made in compliance with the foregoing procedures or the applicable provisions of our bylaws. If a stockholder who has notified comScore of his or her intention to present a proposal at an annual meeting does not appear to present his or her proposal at such meeting, comScore need not present the proposal for vote at such meeting.

In addition, for a stockholder proposal to be considered for inclusion in comScore's proxy statement for its 2016 annual meeting of stockholders, the proposal must be submitted in writing and received by comScore's Corporate Secretary at our offices at 11950 Democracy Drive, Suite 600, Reston, Virginia 20190 no later than February 12, 2016, which is 120 days prior to the anniversary of the mailing date of the notice of availability of comScore's proxy statement for its 2015 annual meeting of stockholders.

All stockholder proposals must comply with comScore's bylaws and SEC regulations, including Rule 14a-8. A copy of the full text of the bylaw provisions discussed above may be obtained by writing to comScore's Corporate Secretary at our principal executive offices at 11950 Democracy Drive, Suite 600, Reston, Virginia 20190 or by accessing comScore's filings on the SEC's website at www.sec.gov. All notices of proposals by comScore stockholders, whether or not included in comScore's proxy materials, should be sent to comScore's Corporate Secretary at comScore's principal executive offices.

Rentrak

If the merger agreement and the transactions contemplated thereby are adopted and approved by the requisite vote of the Rentrak shareholders and the merger is completed in 2016, Rentrak will become a wholly owned subsidiary of comScore and, consequently, will not hold an annual meeting of its shareholders in 2016. If the merger is consummated prior to the comScore 2016 annual meeting of stockholders, Rentrak shareholders will be entitled to participate, as stockholders of the combined company and may submit proposals pursuant to the comScore procedures noted above. If the merger is consummated after the comScore 2016 annual meeting of stockholders, Rentrak shareholders will be entitled to participate, as stockholders of the combined company, in the comScore 2017 annual meeting of stockholders.

If the merger agreement and the transactions contemplated thereby are not adopted and approved by the requisite vote of the Rentrak shareholders or if the transactions are not completed for any other reason, Rentrak will hold a 2016 annual meeting of its shareholders. In such case, and as previously stated in the Rentrak proxy statement filed with the Securities and Exchange Commission on July 9, 2015, the deadline for shareholders to submit proposals and nominations to be considered for inclusion in the proxy statement for the 2016 annual meeting of Rentrak shareholders is March 11, 2016. To be considered at the 2016 annual meeting of Rentrak shareholders, Section 2.12 of Rentrak's bylaws requires Rentrak shareholders to deliver notice of all proposals, nominations for director and other business to Rentrak's principal executive office no later than 90 calendar days (or by April 10, 2016) and no earlier than 120 calendar days (or March 11, 2016) prior to the first anniversary of July 9, 2015, the date on which Rentrak first mailed its proxy materials for the 2015 annual meeting of Rentrak shareholders.

(b) Capital Stock of Rentrak.

(i) Generally. Upon the terms and subject to the conditions set forth in this Agreement, at the Effective Time, by virtue of the Merger and without any action on the part of comScore, Merger Sub, Rentrak, or the holders of any of the following securities, other than as otherwise set forth in this Section 1.4(b), each share of Rentrak Common Stock that is outstanding immediately prior to the Effective Time shall be canceled and extinguished and automatically converted into the right to receive 1.1500 shares of comScore Common Stock (the “Exchange Ratio”) and the cash payable in lieu of fractional shares pursuant to this Section 1.4(b)(i) (the “Common Stock Consideration”) upon the surrender of the certificate, if any, representing such share of Rentrak Common Stock in the manner provided in Section 2.3(c) (or in the case of a lost, stolen or destroyed certificate, upon delivery of an affidavit (and bond, if required) in the manner provided in Section 2.3(e)); *provided, however,* that (i) the Exchange Ratio shall be appropriately adjusted to reflect fully the effect of any stock split, reverse stock split, stock dividend (including any dividend or distribution of securities convertible into comScore Common Stock or Rentrak Common Stock), reorganization, recapitalization, reclassification or other like change with respect to comScore Common Stock or Rentrak Common Stock having a record date on or after the date hereof and prior to the Effective Time, and (ii) notwithstanding the foregoing or anything to the contrary set forth herein, no fraction of a share of comScore Common Stock will be issued by virtue of the Merger, and in lieu thereof, each holder of record of shares of Rentrak Common Stock who would otherwise be entitled to a fraction of a share of comScore Common Stock pursuant to this Section 1.4(b)(i) (after aggregating all fractional shares of comScore Common Stock that otherwise would be received by such holder of record) shall, upon the surrender of the certificate, if any, representing such share of Rentrak Common Stock in the manner provided in Section 2.3(c) (or in the case of a lost, stolen or destroyed certificate, upon delivery of an affidavit (and bond, if required) in the manner provided in Section 2.3(e)), receive an amount of cash (rounded down to the nearest whole cent), without interest, equal to the product obtained by multiplying such fraction by the Closing Average. From and after the Effective Time, all shares of Rentrak Common Stock shall no longer be outstanding and shall automatically be cancelled, retired and cease to exist, and each holder of shares of Rentrak Common Stock shall cease to have any rights with respect thereto, except the right to receive the shares of comScore Common Stock issuable in respect thereof pursuant to this Section 1.4(b)(i), cash in lieu of any fractional shares payable in respect thereof pursuant to this Section 1.4(b)(i) and any dividends or other distributions payable in respect thereof pursuant to Section 2.3(d). All shares of comScore Common Stock issued upon the surrender for exchange of shares of Rentrak Common Stock in accordance with the terms hereof (including any cash paid in respect thereof pursuant to this Section 1.4(b)(i) in lieu of a fractional share of comScore Common Stock and any dividends or other distributions paid in respect thereof pursuant to Section 2.3(d)) shall be deemed to have been issued in full satisfaction of all rights pertaining to such shares of Rentrak Common Stock, and there shall be no further registration of transfers on the records of the Surviving Corporation of shares of Rentrak Common Stock which were outstanding immediately prior to the Effective Time. If, after the Effective Time, a certificate representing shares of Rentrak Common Stock is presented to the Surviving Corporation for any reason, then such certificate shall be canceled and exchanged for the Common Stock Consideration in accordance with this Section 1.4(b), any cash payable in respect thereof pursuant to this Section 1.4(b)(i) in lieu of a fractional share of comScore Common Stock and any dividends or other distributions payable in respect thereof pursuant to Section 2.3(d).

(ii) Owned Shares of Rentrak Common Stock. Notwithstanding anything to the contrary set forth herein, upon the terms and subject to the conditions set forth in this Agreement, at the Effective Time, by virtue of the Merger and without any action on the part of comScore, Merger Sub, Rentrak, or the holders of any of the following securities, each share of Rentrak Common Stock that is owned by comScore, Merger Sub or Rentrak, or by any direct or indirect wholly owned Subsidiary of comScore, Merger Sub or Rentrak, in each case immediately prior to the Effective Time, shall be cancelled and extinguished without any conversion thereof or consideration paid therefor.

(iii) Restricted Shares of Rentrak Common Stock. Notwithstanding anything to the contrary set forth herein, if any shares of Rentrak Common Stock outstanding immediately prior to the Effective Time are

unvested or subject to a repurchase option or obligation, risk of forfeiture or other condition under any applicable restricted stock purchase agreement or other agreement with Rentrak or under which Rentrak has any rights (the “Rentrak Restricted Stock”), then the Common Stock Consideration payable in exchange for such Rentrak Restricted Stock also shall be unvested and subject to the same repurchase option or obligation, risk of forfeiture or other condition and need not be paid until such time as such repurchase option, risk of forfeiture or other condition lapses or otherwise terminates, and the certificates representing such shares of Rentrak Restricted Stock may accordingly be marked with appropriate legends. Prior to the Effective Time, Rentrak shall take all action that may be necessary to ensure that, from and after the Effective Time, comScore is entitled to exercise any such repurchase option or other right set forth in any such restricted stock purchase agreement or other agreement.

(c) Stock Awards of Rentrak.

(i) Stock Options. At the Effective Time, each Rentrak Stock Award that is a stock option to purchase shares of Rentrak Common Stock (each a “Rentrak Stock Option”) that is outstanding immediately prior to the Effective Time, whether or not then vested or exercisable (each, an “Assumed Option”), shall be assumed by comScore and converted into an option to acquire that number of shares of comScore Common Stock equal to the product obtained by multiplying (x) the number of shares of Rentrak Common Stock subject to such Rentrak Stock Option by (y) the Exchange Ratio, rounded down to the nearest whole share of comScore Common Stock. Each Assumed Option shall otherwise be subject to the same terms and conditions (including as to vesting and exercisability) as were applicable under the respective Rentrak Stock Option immediately prior to the Effective Time, except that each Assumed Option shall have an exercise price per share equal to the quotient obtained by dividing (x) the per share exercise price of Rentrak Common Stock subject to such Assumed Option by (y) the Exchange Ratio (which price per share shall be rounded up to the nearest whole cent). It is the intention of the parties that each Assumed Option that qualified as a United States-based incentive stock option (as defined in Section 422 of the Code) shall continue to so qualify, to the maximum extent permissible, following the Effective Time. For employees of Rentrak or its Subsidiaries located outside of the U.S., to the extent required to ensure compliance with applicable local laws, comScore may require that outstanding options be exercised only by a cashless exercise pursuant to which employees will authorize a broker to sell all shares that they are entitled to at exercise immediately upon exercise and receive the difference between the market value of the shares at exercise and the exercise price in cash.

(ii) Restricted Stock Units. At the Effective Time, each Rentrak Restricted Stock Unit and Rentrak Performance Stock Unit that is outstanding immediately prior to the Effective Time, whether or not then vested or issuable (each, an “Assumed Unit”), shall be assumed by comScore; provided, however, that each Assumed Unit shall be converted into an award to receive that number of shares of comScore Common Stock equal to the product obtained by multiplying (x) the number of shares of Rentrak Common Stock subject to such Assumed Unit immediately prior to the Effective Time by (y) the Exchange Ratio, rounded down to the nearest whole share of comScore Common Stock. Each Assumed Unit shall otherwise be subject to the same terms and conditions (including as to vesting and issuance) as were applicable under the respective Rentrak Restricted Stock Unit or Rentrak Performance Stock Unit, as applicable, immediately prior to the Effective Time, except that each Assumed Unit that was granted with a purchase price other than par value shall have a purchase price per share equal to the quotient obtained by dividing (x) the per share purchase price of Rentrak Common Stock subject to such Assumed Unit by (y) the Exchange Ratio (which price per share shall be rounded up to the nearest whole cent).

(iii) Registration Statements for Assumed Options and Other Awards. As soon as practicable following the Effective Time, but in no event later than ten (10) Business Days following the Effective Time, comScore shall file a registration statement under the Securities Act on Form S-8, Form S-3 or another appropriate form (and use its reasonable best efforts to maintain the effectiveness thereof and maintain the current status of the prospectuses contained therein) relating to shares of comScore Common Stock issuable with respect to the Assumed Options, Assumed Units and the Common Stock Consideration payable in exchange for

Rentrak Restricted Stock, and shall use its reasonable best efforts to cause such registration statement to remain in effect for so long as such Assumed Options or Assumed Units remain outstanding.

1.5 Further Action.

If, at any time after the Effective Time, any further action is necessary or desirable to carry out the purposes or intent of this Agreement and to vest the Surviving Corporation with full right, title and possession to all assets, property, rights, privileges, powers and franchises of Rentrak and Merger Sub, the directors and officers of Rentrak and Merger Sub shall have the authority to take all such lawful and necessary action.

1.6 Tax Reorganization.

The parties hereto intend, for U.S. federal income tax purposes, that the Merger will qualify as a “reorganization” within the meaning of Section 368(a) of the Code, and that this Agreement is hereby adopted as a plan of reorganization within the meaning of Treasury Regulations Section 1.368-2(g).

ARTICLE II THE CLOSING

2.1 The Closing.

comScore, Merger Sub and Rentrak shall consummate the Merger at a closing (the “Closing”) to occur at the offices of Wilson Sonsini Goodrich & Rosati, Professional Corporation, 1700 K Street, NW, Fifth Floor, Washington, DC 20006, on a date and at a time to be agreed upon by comScore and Rentrak, which date shall be no later than the third (3rd) Business Day after the satisfaction or waiver (to the extent permitted hereunder) of the last to be satisfied or waived of the conditions set forth in Section 2.2 (other than those conditions that by their terms are to be satisfied or waived (if permitted hereunder) at the Closing, but subject to the satisfaction or waiver (to the extent permitted hereunder) of such conditions), or at such other location, date and time as comScore and Rentrak shall mutually agree upon in writing. (C) Any waiting period (and any extension thereof) applicable to the Merger which is required under any Antitrust Laws of any jurisdiction in which comScore or Rentrak have material business or operations, or in which comScore and Rentrak mutually agree to make a filing under applicable Antitrust Laws, shall have expired or been terminated.

The issuance of such opinions shall be conditioned upon the receipt by such counsel of customary representation letters from each of comScore, Merger Sub and Rentrak, in each case, in form and substance reasonably satisfactory to such counsel. Each such representation letter shall be dated on or before the date of such opinion and shall not have been withdrawn or modified in any material respect.

2.3 Issuance of Merger Consideration After the Closing.

(a) Exchange Agent. Prior to the Closing Date, comScore shall select a bank or trust company reasonably acceptable to Rentrak to act as the exchange agent for the Merger pursuant to an exchange agent agreement in form and substance reasonably satisfactory to Rentrak (the “Exchange Agent”).

(b) Exchange Fund.

(i) Creation of Exchange Fund. As promptly as practicable (and in any event within two (2) Business Days) following the Effective Time, comScore shall make available to the Exchange Agent for exchange in accordance with this Article II, the shares of comScore Common Stock issuable pursuant to Section 1.4(b)(i) in exchange for shares of Rentrak Common Stock. In addition, comScore shall make available from time to time after the Effective Time as necessary, cash in an amount sufficient to pay any cash payable pursuant to Section 1.4(b)(i) in lieu of fractional shares of comScore Common Stock and any dividends or distributions to which holders of shares of Rentrak Common Stock may be entitled pursuant to Section 2.3(d). Any comScore Common Stock and cash deposited with the Exchange Agent shall hereinafter be referred to as the “Exchange Fund.”

(ii) Termination of Exchange Fund. Any portion of the Exchange Fund which remains undistributed to the holders of Certificates or Book Entry Shares twelve (12) months after the Effective Time shall, at the request of comScore or the Surviving Corporation, be delivered to comScore or the Surviving Corporation or otherwise according to the instruction of comScore or the Surviving Corporation, and any holders of the Certificates or Book Entry Shares who have not surrendered such Certificates or Book Entry Shares in compliance with this Section 2.3 shall after such delivery to comScore and the Surviving Corporation look only to comScore and the Surviving Corporation for delivery or payment of the shares of comScore Common Stock issuable in respect thereof pursuant to Section 1.4(b)(i), cash payable in respect thereof pursuant to Section 1.4(b)(i) in lieu of any fractional shares of comScore Common Stock and any dividends or other distributions payable in respect thereof pursuant to Section 2.3(d).

(c) Exchange Procedures. As promptly as practicable following the Effective Time, comScore shall cause the Exchange Agent to mail to each holder of record (as of immediately prior to the Effective Time) of a certificate or certificates (the “Certificates”) that immediately prior to the Effective Time represented outstanding shares of Rentrak Common Stock (or effective affidavits of loss in lieu thereof) or non-certificated shares of Rentrak Common Stock represented by book entry (“Book Entry Shares”) (i) a letter of transmittal in customary form as Rentrak and comScore may reasonably agree (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates (or effective affidavits in lieu thereof) or Book Entry Shares to the Exchange Agent) and (ii) instructions for use in effecting the surrender of the Certificates or Book Entry Shares in exchange for certificates representing whole shares of comScore Common Stock pursuant to Section 1.4(b)(i), cash payable in respect thereof pursuant to Section 1.4(b)(i) in lieu of any fractional shares of comScore Common Stock and any dividends or other distributions payable in respect thereof pursuant to Section 2.3(d). With respect to uncertificated shares of Rentrak Common Stock held through “direct registration,” comScore shall implement procedures with the Exchange Agent for effecting the exchange of such directly registered uncertificated shares of Rentrak Common Stock and payment of cash in lieu of any fractional shares pursuant to Section 1.4(b)(i), as promptly as practicable after the Effective Time. Upon surrender of Certificates (or effective affidavits in lieu thereof) or Book Entry Shares for cancellation to the Exchange Agent or to such other agent or agents as may be appointed by comScore, together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, the holders of such Certificates or Book Entry Shares shall be entitled to receive in exchange therefor the number of whole shares of comScore Common Stock (after taking into account all Certificates or such Book Entry Shares surrendered by such holder of record) such holder is entitled to receive pursuant to Section 1.4(b)(i) (which, at the election of comScore, may be in uncertificated book entry form unless a physical certificate is requested by the holder of record or is otherwise required by applicable Legal Requirements), payment of any cash such holder is entitled to receive pursuant to Section 1.4(b)(i) in lieu of fractional shares of comScore Common Stock and any dividends

or distributions such holder is entitled to receive pursuant to Section 2.3(d), which shares and cash comScore shall cause the Exchange Agent to distribute as promptly as practicable (but in any event within five (5) Business Days) following surrender of such Certificates or Book Entry Shares and such duly completed and validly executed letter of transmittal, and the Certificates so surrendered shall forthwith be canceled. The Exchange Agent shall accept such Certificates or Book Entry Shares upon compliance with such reasonable terms and conditions as the Exchange Agent may impose for an orderly exchange thereof in accordance with normal exchange practices. No interest shall be paid or accrued for the benefit of holders of the Certificates or Book Entry Shares on the cash amounts payable upon the surrender of such Certificates or such Book Entry Shares pursuant to this Section 2.3. Until so surrendered, from and after the Effective Time outstanding Certificates or Book Entry Shares shall be deemed to evidence only the ownership of the number of full shares of comScore Common Stock into which such shares of Rentrak Common Stock shall have been so converted and the right to receive an amount in cash in lieu of the issuance of any fractional shares in accordance with Section 1.4(b)(i) and any dividends or distributions payable pursuant to Section 2.3(d).

Notwithstanding anything to the contrary in this Agreement, Certificates and Book Entry Shares to be exchanged by any Person constituting an "affiliate" of Rentrak for purposes of Rule 145 under the Securities Act shall be subject to the restrictions described in such Rule 145.

(d) Dividends and Distributions. Whenever a dividend or other distribution is declared or made after the date hereof with respect to comScore Common Stock with a record date after the Effective Time, such declaration shall include a dividend or other distribution in respect of all shares of comScore Common Stock issuable pursuant to this Agreement. No dividends or other distributions declared or made after the date hereof with respect to comScore Common Stock with a record date after the Effective Time will be paid to the holders of any unsurrendered Certificates or Book Entry Shares with respect to the shares of comScore Common Stock represented thereby until the holders of record of such Certificates or such Book Entry Shares shall surrender such Certificates or such Book Entry Shares. Subject to applicable Legal Requirements, following surrender of any such Certificates or such Book Entry Shares, the Exchange Agent shall deliver to the record holders thereof, without interest, promptly after such surrender, the number of whole shares of comScore Common Stock issued in exchange therefor along with any such dividends or other distributions with a record date after the Effective Time and theretofore paid with respect to such whole shares of comScore Common Stock.

(e) Lost, Stolen or Destroyed Certificates. In the event that any Certificates shall have been lost, stolen or destroyed, the Exchange Agent shall issue in exchange for such lost, stolen or destroyed Certificates, upon the making of an affidavit of that fact by the holder thereof, the shares of comScore Common Stock issuable in respect thereof pursuant to Section 1.4(b)(i), the cash payable in respect thereof pursuant to Section 1.4(b)(i) in lieu of fractional shares of comScore Common Stock and any dividends or distributions payable in respect thereof pursuant to Section 2.3(d); provided, however, that comScore may, in its discretion and as a condition precedent to the issuance thereof, require the owners of such lost, stolen or destroyed Certificates to deliver a bond in such reasonable and customary amount as comScore may direct as indemnity against any claim that may be made against comScore, the Surviving Corporation or the Exchange Agent with respect to the Certificates alleged to have been lost, stolen or destroyed.

(f) Transferred Shares. In the event that a transfer of ownership of shares of Rentrak Common Stock is not registered in the stock transfer books or ledger of Rentrak, or if shares of comScore Common Stock are to be issued in a name other than that in which the Certificates surrendered in exchange therefor are registered, it will be a condition of the issuance thereof that the Certificates so surrendered are properly endorsed and otherwise in proper form for surrender and transfer and the Person requesting such payment has paid to comScore (or any agent designated by comScore) any transfer or other Taxes required by reason of the issuance of shares of comScore Common Stock in any name other than that of the registered holder of the Certificates surrendered, or established to the satisfaction of comScore (or any agent designated by comScore) that such transfer or other Taxes have been paid or are otherwise not payable.

(g) Tax Withholding. Each of the Exchange Agent, comScore and the Surviving Corporation shall be entitled to deduct and withhold from any consideration payable pursuant to this Agreement to any holder or

Table of Contents

former holder of Rentrak Capital Stock, such amounts as may be required to be deducted or withheld therefrom under any provision of U.S. federal, state, local or non U.S. tax law or under any applicable Legal Requirement and to request and receive from such holder or former holder any relevant tax forms, including Form W-9 or the appropriate series of Form W-8, as applicable, or similar information. To the extent such amounts are so deducted or withheld and paid over to the appropriate Governmental Authority, such amounts shall be treated for all purposes as having been paid to the Person to whom such amounts would otherwise have been paid.

(h) No Liability. Notwithstanding anything to the contrary set forth in this Agreement, none of the Exchange Agent, comScore, the Surviving Corporation or any other party hereto shall be liable to a holder of shares of comScore Common Stock or Rentrak Common Stock for any amount properly paid to a public official pursuant to any applicable abandoned property, escheat or other similar Legal Requirement.

ARTICLE III REPRESENTATIONS AND WARRANTIES OF RENTRAK

Except (i) as set forth in the disclosure letter that has been prepared by Rentrak and delivered by Rentrak to comScore in connection with the execution and delivery of this Agreement, dated as of the date hereof (the “Rentrak Disclosure Letter”), which expressly identifies the Section (or, if applicable, subsection) to which such exception relates (it being understood and hereby agreed that any disclosure in the Rentrak Disclosure Letter relating to one Section or subsection shall also apply to any other Sections and subsections if and to the extent that it is readily apparent on the face of such disclosure (without reference to the underlying documents referenced therein) that such disclosure also relates to such other Sections or subsections), or (ii) as set forth in any Rentrak SEC Reports filed with, or furnished to, the SEC and publicly available prior to the date hereof (other than in any “risk factors” or other disclosure statements included therein that are predictive or forward looking in nature), Rentrak hereby represents and warrants to comScore and Merger Sub as follows:

3.1 Organization and Qualification.

Rentrak is duly organized and validly existing under the laws of the State of Oregon and has all requisite corporate power and authority necessary to enable it to own, lease and operate the properties it purports to own, lease or operate and to conduct its business as it is currently conducted, and Rentrak is duly qualified or licensed as a foreign corporation to do business, and is in good standing, in each jurisdiction where the character or location of the properties owned, leased or operated by it or the nature of its activities makes such qualification or licensing necessary, except, in the case of any of the foregoing, to the extent that the failure to be true would not reasonably be expected to have, individually or in the aggregate, a Rentrak Material Adverse Effect.

(vi) promptly (and in no event later than 24 hours) after furnishing any non-public information to such Person, the party hereto proposing to take such action furnishes such non-public information to the other party hereto (to the extent such information has not been previously furnished to such other party).

6.4 Responsibility for Actions of Representatives.

Without limiting the generality of the foregoing, each of Rentrak and comScore acknowledge and hereby agree that any breach or violation of the restrictions set forth in Section 6.1 and Section 6.2 by any Representative retained by either of them (or any Representative of any such Representatives) shall be deemed to be a breach of Section 6.1 and Section 6.2, as applicable, by such party.

6.5 Notification Requirements.

(a) In addition to the obligations set forth in Section 6.3, each of Rentrak and comScore shall promptly, and in all cases within twenty four (24) hours of receipt by any of its Representatives, advise the other party hereto orally and in writing of (i) any Acquisition Proposal it receives (either directly or through any of its Representatives), (ii) any request for information it receives (either directly or through any of its Representatives) that would reasonably be expected to lead to an Acquisition Proposal or an Acquisition Transaction, or (iii) any inquiry it receives with respect to, or which would reasonably be expected to lead to, any Acquisition Proposal or Acquisition Transaction, the material terms and conditions of such Acquisition Proposal, Acquisition Transaction, request or inquiry (including copies of all written materials comprising or relating thereto), and the identity of the Person or group making any such Acquisition Proposal, request or inquiry.

(b) In addition to the obligations set forth in Section 6.5(a), each of Rentrak and comScore shall keep the other party hereto reasonably informed on a prompt basis of the status of any discussions and negotiations with respect to any Acquisition Proposal or Acquisition Transaction and the material terms and conditions thereof (including all amendments or proposed amendments), request or inquiry either of them receives (either directly or through any of its Representatives). ARTICLE VII ADDITIONAL AGREEMENTS

7.1 Efforts to Complete Merger.

(a) Upon the terms and subject to the conditions set forth in this Agreement, each of comScore, Merger Sub and Rentrak shall use its reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other party hereto in doing, all things reasonably necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the Merger and other transactions contemplated by this Agreement, including using its reasonable best efforts to:

(i) cause the conditions to the Merger set forth in Section 2.2 to be satisfied or fulfilled;

(ii) obtain all necessary or appropriate consents, waivers and approvals under any Contracts to which comScore or Rentrak or any of their respective Subsidiaries is a party in connection with this Agreement and the consummation of the Merger and other transactions contemplated by this Agreement so as to maintain and preserve the material benefits under such Contracts following the consummation of the Merger and other transactions contemplated by this Agreement;

(iii) obtain all necessary consents, approvals, waivers, Orders and other authorizations from Governmental Authorities, seek the expiration or termination of any applicable waiting periods under applicable Legal Requirements, and make all necessary registrations, declarations and filings with Governmental Authorities, that are reasonably necessary, proper or advisable to consummate and make effective the Merger and other transactions contemplated by this Agreement;

(iv) contest and resist any action or proceeding and defend any lawsuits or other legal proceedings, whether judicial, administrative or otherwise, challenging this Agreement or the consummation of the Merger or any other transactions contemplated by this Agreement, including seeking to have vacated or otherwise lifted or removed (including by pursuing all avenues of administrative and judicial appeal) any Order that has been issued or granted which is in effect and has the effect of making the Merger or any other transactions contemplated by this Agreement illegal, or which has the effect of prohibiting, preventing or otherwise restraining the consummation of the Merger or any other transactions contemplated by this Agreement; and

(v) execute or deliver any additional instruments reasonably necessary to consummate the Merger and all other transactions contemplated by, and to fully carry out the purposes of, this Agreement.

7.2 Regulatory Filings and Clearances.

(a) Without limiting the generality of the provisions of Section 7.1(a) and to the extent required by applicable Legal Requirements, as soon as practicable (but in any event no more than thirty (30) days) following the execution and delivery of this Agreement, each of comScore and Rentrak shall file with the FTC and the Antitrust Division of the DOJ a Notification and Report Form relating to this Agreement, the Merger and the other transactions contemplated hereby as required by the HSR Act, and each of comScore and/or Rentrak shall file comparable pre-merger or post-merger notification filings, forms and submissions with any foreign Governmental Authority that may be required by the merger notification or control laws and regulations ("Antitrust Laws") of any foreign jurisdiction in which comScore or Rentrak have business or operations or in which comScore and Rentrak mutually agree to make such filing. Each of comScore and Rentrak shall promptly (i) cooperate and coordinate with the other in the making of such filings, (ii) supply the other with any information that may be required in order to effectuate such filings, and (iii) supply any additional information that reasonably may be required or requested by the FTC, the DOJ or the competition or merger control authorities of any other jurisdiction and that comScore and Rentrak reasonably deem necessary and/or appropriate.

(b) Each of comScore and Rentrak shall (i) promptly inform the other party hereto of any communication from any Governmental Authority regarding the Merger or any other transactions contemplated by this Agreement, (ii) if practicable, permit the other party hereto an opportunity to review in advance all the information relating to comScore and its Subsidiaries or Rentrak and its Subsidiaries, as the case may be, that appears in any filing made with, or written materials submitted to, any Person and/or any Governmental Authority in connection with the Merger and the other transactions contemplated by this Agreement, and incorporate the other party's reasonable comments thereto, (iii) not participate in any substantive meeting or discussion with any Governmental Authority in respect of any filing, investigation, or inquiry concerning this Agreement, the Merger or any other transactions contemplated hereby unless such party consults with the other party hereto in advance, and, to the extent permitted by such Governmental Authority, gives the other party hereto an opportunity to attend or participate in such meeting or discussion, and (iv) furnish the other party with copies of all correspondences, filings, and written communications between them and their Subsidiaries and Representatives, on the one hand, and any Governmental Authority or its respective staff, on the other hand, with respect to this Agreement, the Merger and all other transactions contemplated by this Agreement; *provided, however,* that (i) any materials concerning valuation of the transaction or internal financial information may be redacted, and (ii) each of comScore and Rentrak may, as each deem advisable and necessary, reasonably designate any competitively sensitive material provided to the other under this Section 7.2 as "counsel only" and,

in such event, such material and the information contained therein shall be given only to the outside legal counsel of the recipient and shall not be disclosed by such counsel to non-legal directors, officers, employees or other advisors or representatives of the recipient unless prior consent is obtained in advance from the source of the materials or its legal counsel.

(c) If either comScore or Rentrak or either of their respective Affiliates receives a request for additional information or documentary material from any such Governmental Authority with respect to the Merger or any other transactions contemplated by this Agreement, then such party shall use its reasonable best efforts to make, or cause to be made, as soon as reasonably practicable and after consultation with the other party, an appropriate response in compliance with such request.

(d) In furtherance and not in limitation of the covenants of the parties contained in Section 7.1 and Section 7.2, if any administrative or judicial action or proceeding, including any proceeding by a private party, is instituted (or threatened to be instituted) challenging the Merger or any other transactions contemplated by this Agreement as violative of any Legal Requirement or Order, or if any Legal Requirement or Order is enacted, entered, promulgated or enforced by a Governmental Entity which would make illegal, or would otherwise prohibit or materially impair or delay, the Merger or any other transactions contemplated by this Agreement, each of comScore and Rentrak shall cooperate in all respects with each other and use its respective reasonable best efforts to contest such action or proceeding and have vacated or otherwise lifted any such Legal Requirement or Order, including by effecting or committing to, by consent decree, hold separate orders, or otherwise, (i) the sale, divestiture, license or other disposition or holding separate (through the establishment of a trust or otherwise) of any assets or categories of assets of comScore and Rentrak or their respective Subsidiaries, and (ii) the imposition of any limitation or regulation on the ability of comScore and Rentrak or their respective Subsidiaries to freely conduct their business or own such assets, *provided however* that nothing in this Section 7.2(d) requires comScore or Rentrak to agree to or effectuate any sale, divestiture, license or other disposition or holding separate of any assets or categories of assets if such an action would materially affect comScore's or Rentrak's respective business. Notwithstanding the foregoing or any other provision of this Agreement, Rentrak shall not, without comScore's prior written consent, and comScore and Merger Sub shall not, without Rentrak's prior written consent, (i) commit to any material sale, divestiture, license or other disposition or holding separate (through the establishment of a trust or otherwise) of any material assets or categories of assets of comScore and Rentrak or their respective Subsidiaries or (ii) agree to any material restriction on its business or the imposition of any material limitation or regulation on the ability of comScore and Rentrak or their respective Subsidiaries to freely conduct their business or own such assets.

7.3 Registration Statement and Joint Proxy Statement/Prospectus.

(a) As promptly as practicable (but in any event no more than forty-five (45) days) after the execution and delivery of this Agreement, comScore and Rentrak shall prepare, and comScore shall file with the SEC, a Registration Statement on Form S-4 in connection with the issuance of shares of comScore Common Stock in the Merger (as may be amended or supplemented from time to time, the "Registration Statement"). The Registration Statement shall include (i) a prospectus for the issuance of shares of comScore Common Stock in the Merger (including shares of comScore Common Stock issued in the Merger in exchange for shares of Rentrak Restricted Stock), (ii) a proxy statement of comScore for use in connection with the solicitation of proxies for the comScore Voting Proposal to be considered at the comScore Stockholder Meeting, and (iii) a proxy statement of Rentrak for use in connection with the solicitation of proxies for the Rentrak Voting Proposal to be considered at the Rentrak Shareholder Meeting (as may be amended or supplemented from time to time, the "Joint Proxy Statement/Prospectus"). Each of comScore and Rentrak shall use its reasonable best efforts to have the Registration Statement declared effective by the SEC under the Securities Act as promptly as practicable after such filing with the SEC. Without limiting the generality of the foregoing, each of Rentrak and comScore shall, and shall cause its respective representatives to, fully cooperate with the other party hereto and its respective Representatives in the preparation of the Registration Statement and the Joint Proxy Statement/Prospectus, and shall furnish the other party hereto with all information concerning it and its Affiliates as the other party hereto

may deem reasonably necessary or advisable in connection with the preparation of the Registration Statement and the Joint Proxy Statement/Prospectus, and any amendment or supplement thereto, and each of comScore and Rentrak shall provide the other party hereto with a reasonable opportunity to review and comment thereon. As promptly as practicable after the Registration Statement is declared effective by the SEC, comScore and Rentrak shall cause the Joint Proxy Statement/Prospectus to be mailed to their respective stockholders.

(b) Except as otherwise set forth in this Agreement, no amendment or supplement (including by incorporation by reference) to the Registration Statement or the Joint Proxy Statement/Prospectus shall be made without the approval of comScore and Rentrak, which approval shall not be unreasonably withheld, conditioned or delayed; *provided, however,* that comScore, in connection with a comScore Board of Directors Recommendation Change, and Rentrak, in connection with a Rentrak Board of Directors Recommendation Change, may amend or supplement the Joint Proxy Statement/Prospectus or the Registration Statement (including by incorporation by reference) pursuant to a Qualifying Amendment to effect such change, and in such event, the right of approval set forth in this Section 7.3(b) shall apply only with respect to such information relating to the other party or its business, financial condition or results of operations, and shall be subject to the right of each party to have its board of directors' deliberations and conclusions be accurately described therein.

(c) The Registration Statement and the Proxy Statement/Prospectus shall comply in all material respects as to form and substance with the requirements of the Securities Act and the Exchange Act. Without limiting the generality of the foregoing, the information supplied or to be supplied by either party hereto for inclusion or incorporation by reference in the Registration Statement shall not, at the time the Registration Statement is filed with the SEC or declared effective by the SEC or at the Effective Time, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The information supplied or to be supplied by either party hereto for inclusion or incorporation by reference in the Joint Proxy Statement/Prospectus shall not, on the date the Joint Proxy Statement/Prospectus (or any amendment thereof or supplement thereto) is first mailed to stockholders, at the time of each of the Merger Stockholder Meetings, or as of the Effective Time, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. In addition, the information supplied or to be supplied by or on behalf of either party hereto for inclusion in any filing pursuant to Rule 165 and Rule 425 under the Securities Act or Rule 14a-12 under the Exchange Act (each, a "Regulation M-A Filing") shall not, at the time any such Regulation M-A Filing is filed with the SEC, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(d) Without limiting the generality of the foregoing, prior to the Effective Time Rentrak and comScore shall notify each other as promptly as practicable upon becoming aware of any event or circumstance which should be described in an amendment of, or supplement to, the Registration Statement, Joint Proxy Statement/Prospectus or any Regulation M-A Filing so that any such document would not include any misstatement of material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading, and as promptly as practicable thereafter, an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by applicable Legal Requirements or the SEC, disseminated to the stockholders of Rentrak and/or comScore. Rentrak and comScore shall each notify the other as promptly as practicable after the receipt by such party of any written or oral comments of the SEC or its staff on, or of any written or oral request by the SEC or its staff for amendments or supplements to, the Registration Statement, the Joint Proxy Statement/Prospectus or any Regulation M-A Filing, and shall promptly supply the other with copies of all correspondence between it or any of its representatives and the SEC or its staff with respect to any of the foregoing filings.

(e) comScore and Rentrak shall make any necessary filings with respect to the Merger under the Securities Act and the Exchange Act and the rules and regulations thereunder.

(i) If Rentrak determines it is required to file any document other than the Joint Proxy Statement/Prospectus with the SEC in connection with the Merger pursuant to applicable law (such document, as amended or supplemented, an “Other Required Rentrak Filing”), then Rentrak shall promptly prepare and file such Other Required Rentrak Filing with the SEC. Rentrak shall use its reasonable best efforts to cause any Other Required Rentrak Filing to comply as to form in all material respects with the applicable requirements of the Exchange Act and the rules of the SEC and the Nasdaq Stock Market. Rentrak will promptly notify comScore of, and cooperate with comScore with respect to, any Other Required Rentrak Filing Rentrak intends to file with the SEC. On the date of filing, the date of mailing to Rentrak Stockholders (if applicable) and at the time of Rentrak Stockholder Meeting, any Other Required Rentrak Filing will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not false or misleading. Notwithstanding the foregoing, no covenant is made by Rentrak with respect to any information supplied by comScore, Merger Sub or any of their Affiliates for inclusion or incorporation by reference in any Other Required Rentrak Filing. The information supplied by comScore and its Affiliates for inclusion or incorporation by reference in any Other Required Rentrak Filings will not, at the time that such Other Required Rentrak Filing is filed with the SEC, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

(ii) If comScore, Merger Sub or any of their respective Affiliates is/are required to file any document with the SEC in connection with the Merger or Rentrak Stockholder Meeting pursuant to applicable law (an “Other Required comScore Filing”), then comScore and Merger Sub shall, and shall cause their respective Affiliates to, promptly prepare and file such Other Required comScore Filing with the SEC. comScore and Merger Sub shall cause, and shall cause their respective Affiliates to cause, any Other Required comScore Filing to comply as to form in all material respects with the applicable requirements of the Exchange Act and the rules of the SEC and the Nasdaq Stock Market. comScore and Merger Sub will promptly notify Rentrak of, and cooperate with Rentrak with respect to, any Other Required comScore Filing comScore or Merger Sub intends to file with the SEC. On the date of filing, the date of mailing to Rentrak Stockholders (if applicable) and at the time of Rentrak Stockholder Meeting, no Other Required comScore Filing will knowingly contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not false or misleading. Notwithstanding the foregoing, no covenant is made by comScore or Merger Sub with respect to any information supplied by Rentrak or any of its Affiliates for inclusion or incorporation by reference in any Other Required comScore Filing. The information supplied by Rentrak, Merger Sub and their respective Affiliates for inclusion or incorporation by reference in the Joint Proxy Statement/Prospectus or any Other Required comScore Filing will not, at the time that the Joint Proxy Statement/Prospectus or such Other Required comScore Filing is filed with the SEC, knowingly contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

(f) comScore shall use reasonable best efforts to take all actions required under any applicable federal or state securities or Blue Sky Laws in connection with the issuance of shares of comScore Common Stock in the Merger.

Each of Rentrak and comScore shall solicit from its stockholders proxies in favor of the Rentrak Voting Proposal in the case of Rentrak and the comScore Voting Proposal in the case of comScore, and unless the board of directors of either party hereto shall effect a Rentrak Board of Directors Recommendation Change in the case of Rentrak or a comScore Board of Directors Recommendation Change in the case of comScore, in each case pursuant to and in accordance with Section 7.4(f), use its reasonable best efforts to secure the Requisite Rentrak Shareholder Approval in the case of Rentrak and the Requisite comScore Stockholder Approval in the case of comScore. Each of Rentrak and comScore shall use its reasonable best efforts to ensure that all proxies solicited in connection with its Merger Stockholder Meeting are solicited in compliance with the OBCA or DGCL, as applicable, the rules of the Nasdaq Stock Market, the Rentrak Articles of Incorporation and the Rentrak Bylaws in the case of Rentrak, and the comScore Certificate of Incorporation and the comScore Bylaws in the case of comScore, and all other applicable Legal Requirements.

(b) Each of Rentrak and comScore shall use its reasonable best efforts to call, give notice of, convene and hold their respective Merger Stockholder Meetings on the same day and at the same time. Notwithstanding anything to the contrary set forth in this Agreement, each of Rentrak or comScore, after consultation with the other party hereto, may (but shall not be required to) adjourn or postpone its respective Merger Stockholder Meeting if (and solely to the extent and for the minimum duration reasonably necessary to ensure that) (i) any required supplement or amendment to the Joint Proxy Statement/Prospectus is provided to its respective stockholders within a reasonable amount of time in advance of its respective Merger Stockholder Meeting, (ii) as of the time for which the applicable Merger Stockholder Meeting is originally scheduled (as set forth in the Joint Proxy Statement/Prospectus), there are insufficient shares of Rentrak Common Stock in the case of Rentrak, or comScore Common Stock in the case of comScore, represented (either in person or by proxy) at the respective Merger Stockholder meeting to constitute a quorum necessary to conduct the business of the respective Merger Stockholder Meeting, or (iii) the other party hereto has adjourned or postponed its Merger Stockholder Meeting for any of the foregoing reasons.

(c) Following the Merger Stockholder Meetings and at or prior to the Closing, each of Rentrak and comScore shall deliver to the corporate secretary of the other party hereto a certificate setting forth the voting results from the respective Merger Stockholder Meeting.

(d) Subject to the terms of this Agreement, Rentrak shall submit the Rentrak Voting Proposal to the Rentrak Shareholders at the Rentrak Shareholders Meeting for the purpose of acting upon such proposal, and comScore shall submit the comScore Voting Proposal to the comScore Stockholders at the comScore Stockholders Meeting for the purpose of acting upon such proposal, in each case whether or not (i) the Rentrak board of directors or the comScore board of directors, as the case may be, at any time subsequent to the date of this Agreement and prior to the Merger Stockholder Meetings shall effect a Rentrak Board of Directors Recommendation Change in the case of Rentrak or a comScore Board of Directors Recommendation Change in the case of comScore, or (ii) any actual, potential or purported Acquisition Proposal or Superior Proposal has been commenced, disclosed, announced or submitted to the Rentrak board of directors or the comScore board of directors in the case of Rentrak or the comScore board of directors in the case of comScore.

(e) Subject to the terms of Section 7.4(f), (i) the Rentrak board of directors shall recommend that the Rentrak Shareholders adopt the Rentrak Voting Proposal at the Rentrak Shareholder Meeting in accordance with the applicable provisions of the OBCA (the “Rentrak board of directors Recommendation”), and (ii) the comScore board of directors shall recommend that the comScore Stockholders approve the comScore Voting Proposal at the comScore Stockholder Meeting in accordance with the applicable provisions of the DGCL and applicable rules of the Nasdaq Stock Market (the “comScore board of directors Recommendation”).

(i)(A) the party proposing to take such action has received after the date hereof an Acquisition Proposal relating to such party that its board of directors has determined in good faith (after consultation with its financial and legal advisors) constitutes a Superior Proposal, (B) such Acquisition Proposal did not result from or arise out of a breach of any provisions of Section 6.1 or Section 6.2, and the Person from whom such party received such Acquisition Proposal has not made any other Acquisition Proposal (either alone or together with one or more other Persons) that resulted from or arose out of a breach of any provisions of Section 6.1 or Section 6.2, (C) the party proposing to take such action has not breached any of the provisions of Section 6.1 or Section 6.2 in respect of such Acquisition Proposal (and any other Acquisition Proposal made by the same Person making such Acquisition Proposal, whether alone or together with one or more other Persons), (D) prior to effecting such Rentrak Board of Directors Recommendation Change or the comScore Board of Directors Recommendation Change, as the case may be, the party proposing to take such action shall have given the other party hereto at least three (3) Business Days’ notice thereof (which notice shall not, by itself, constitute a Rentrak Board of Directors Recommendation Change or a comScore Board of Directors Recommendation Change) and the opportunity to meet and discuss in good faith potential amendments or other modifications to the terms and conditions of this Agreement so that the Merger and other transactions contemplated by this Agreement may be effected, (E) the other party hereto shall not have made, within the foregoing three (3) Business Days after receipt of such party’s written notice of its intention to effect a Rentrak Board of Directors Recommendation Change or a comScore Board of Directors Recommendation Change, as the case may be, a counteroffer or proposal that the board of directors of the party proposing to take such action determines in good faith (after consultation with its financial advisor of nationally recognized standing and its outside legal counsel) is at least as favorable to its stockholders as such Superior Proposal, and (F) after such discussions, the board of directors of the party proposing to take such action determines in good faith (after consultation with its outside legal counsel and after considering in good faith any counteroffer or proposal made by the other party hereto pursuant to the immediately preceding clause (E)) that the failure to effect such Rentrak Board of Directors Recommendation Change or a comScore Board of Directors Recommendation Change, as the case may be, would reasonably be expected to be a breach of its fiduciary duties under Delaware Law or Oregon Law, as applicable; or

(ii) in response to an Intervening Event, if: (A) prior to effecting the Rentrak Board of Directors Recommendation Change or the comScore Board of Directors Recommendation Change, as the case may be, the party proposing to take such action shall have given the other party hereto at least three (3) Business Days’ notice thereof (which notice shall not, by itself, constitute a Rentrak Board of Directors Recommendation Change or a comScore Board of Directors Recommendation Change) and the opportunity to meet and discuss in good faith the purported basis for the proposed the Rentrak Board of Directors Recommendation Change or the comScore Board of Directors Recommendation Change, as the case may be, the other party’s reaction thereto and potential amendments and modifications to the terms and conditions of this Agreement for the purpose of obviating the need for the Rentrak board of directors or comScore board of directors, as the case may be, to effect a Rentrak

(d) At all times during the period commencing with the execution and delivery of this Agreement and continuing until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Effective Time, each of comScore and Rentrak shall promptly notify the other party hereto of (i) any notice or other communication received by it from any Governmental Authority in connection with the Merger or any other transactions contemplated by this Agreement, (ii) any notice or other communication received by it from any Person, subsequent to the date of this Agreement and prior to the Effective Time, alleging any material breach of or material default under any Rentrak Material Contract or comScore Material Contract, as the case may be, to which such party or any of their respective Subsidiaries is a party, or (iii) any notice or other communication received by such party or any of their respective Subsidiaries from any Person, subsequent to the date of this Agreement and prior to the Effective Time, alleging that the consent of such Person is or may be required in connection with the Merger or any other transactions contemplated by this Agreement.

(e) At all times during the period commencing with the execution and delivery of this Agreement and continuing until the earlier to occur of the termination of this Agreement pursuant to Article IX and the Effective Time each of comScore and Rentrak shall promptly advise the other party hereto, orally and in writing, of any litigation commenced after the date hereof against such party or any of its Representatives by any of its current or former stockholders (on their own behalf or on behalf of the company) relating to this Agreement, the Merger or any other transactions contemplated by this Agreement, and shall keep the other party hereto reasonably informed regarding any such litigation. (g) Notwithstanding anything to the contrary set forth in this Section 7.5 or elsewhere in this Agreement, neither comScore nor Rentrak nor any of their respective Subsidiaries shall be required to provide access to, or to disclose information, where such access or disclosure would jeopardize the attorney-client privilege of such party or its Subsidiaries or contravene any Legal Requirement, fiduciary duty or Contract entered into prior to the date of this Agreement. (b) The initial press release concerning the entry into this Agreement shall be a joint release prepared by both Rentrak and comScore.

7.7 Employee Plans.

As of the Effective Time, and for a period of at least twelve (12) months thereafter (or until termination of employment, if earlier), comScore shall provide, or shall cause its Subsidiaries and Affiliates (including the Surviving Corporation) to provide, each individual who was an employee of Rentrak or any of its Subsidiaries or Affiliates immediately prior to the Effective Time and who is an employee of comScore or any of its Subsidiaries or Affiliates (including the Surviving Corporation) as of the Effective Time (each an “Rentrak Employee”) with a base salary or wage rate that is not less than that provided to such employee by Rentrak and its Subsidiaries and Affiliates immediately prior to the Effective Time.

Rentrak also shall take such other actions in furtherance of terminating such Rentrak Terminating Plan(s) as comScore may reasonably require.

(c) Pre-Existing Conditions; Service Credit; Etc. From and after the Effective Time, and to the extent permitted by applicable Legal Requirements, comScore shall, and shall cause its Subsidiaries and Affiliates (including the Surviving Corporation) to, recognize the prior service with Rentrak or its Subsidiaries or Affiliates of each Rentrak Employee in connection with all employee benefit plans, programs or policies (including vacation and severance, but excluding the sabbatical program) of comScore or its Subsidiaries or Affiliates (including the Surviving Corporation) in which Rentrak Employees are eligible to participate following the Effective Time for purposes of eligibility and vesting and determination of level of benefits (but not for purposes of benefit accruals or benefit amounts under any defined benefit pension plan or to the extent that such recognition would result in duplication of benefits). From and after the Effective Time, comScore shall, and shall cause its Subsidiaries and Affiliates (including the Surviving Corporation) to, (i) cause any pre-existing conditions or limitations, eligibility waiting periods (to the extent that such waiting periods would be inapplicable, taking into account service with Rentrak), actively-at-work requirements and evidence of insurability requirements under any group health plans of comScore or its affiliates to be waived with respect to Rentrak Employees and their eligible spouses, domestic partners and dependents, and (ii) provide each Rentrak Employee (and his or her spouse, domestic partner and dependents) with credit for any deductibles paid under any Rentrak Employee Plan that provides medical, dental or vision benefits in the plan year in effect as of the Closing Date in satisfying any applicable deductible or out of pocket requirements under any medical, dental or vision plans of comScore or any of its Subsidiaries or Affiliates (including the Surviving Corporation) that such employees are (or their spouses, domestic partners or dependents) eligible to participate in after the Effective Time to the same extent that such expenses were recognized under the comparable Rentrak Employee Plan. The provisions of this Section 7.7(d) are not intended to confer upon any person other than the parties hereto any rights or remedies hereunder, and the parties hereby expressly disclaim the creation or establishment of any third party beneficiary rights (whether express or implied) under or by right of the terms of this Section 7.7(c). Nothing herein shall be deemed to amend any Employee Benefit Plan to reflect the terms of this Section 7.7(c).

(d) Severance. Prior to the Closing, each of comScore and Rentrak shall adopt and implement severance plans and arrangements reflecting the terms set forth in Schedule 7.7(d) hereto, each of which shall be subject to review and approval of the other party hereto.

In addition, for a period of six (6) years following the Effective Time, the Surviving Corporation and its Subsidiaries shall, and comScore shall cause the Surviving Corporation and its Subsidiaries to, cause their respective certificates of incorporation and bylaws (and other similar organizational documents) to contain provisions with respect to indemnification, advancement of expenses and exculpation that are at least as favorable as the indemnification, advancement of expenses and exculpation provisions contained in the Articles of Incorporation and bylaws (or other similar organizational documents) of Rentrak and its Subsidiaries immediately prior to the Effective Time, and during such six-year period, such provisions shall not be amended, repealed or otherwise modified in any respect except as and to the extent required by applicable Legal Requirements.

(b) For a period of six (6) years following the Effective Time, the Surviving Corporation shall, and comScore shall cause the Surviving Corporation to, maintain in effect the existing policy of Rentrak's directors' and officers' liability insurance (the "D&O Policy") covering claims arising from facts or events that occurred at or prior to the Effective Time (including for acts or omissions occurring in connection with this Agreement and the consummation of the Merger and other transactions contemplated by this Agreement to the extent that such acts or omissions are covered by the D&O Policy) and covering each Indemnified Party who is covered as of the Effective Time by the D&O Policy on terms with respect to coverage and amounts that are no less favorable than those terms in effect on the date hereof; *provided, however,* that in no event shall comScore or the Surviving Corporation be required to expend in any one year an amount in excess of 200% of the current annual premium paid by Rentrak (which annual premium is set forth on Section 7.8(b) of the Rentrak Disclosure Letter) for such insurance (such 200% amount, the "Maximum Annual Premium"), provided that if the annual premiums of such insurance coverage exceed such amount, the Surviving Corporation shall be obligated to obtain, and comScore shall cause and financially enable the Surviving Corporation to obtain, a policy with the greatest coverage available for a cost not exceeding the Maximum Annual Premium. Prior to the Effective Time, notwithstanding anything to the contrary in this Agreement, in lieu of its obligations under this Section 7.8(b), comScore or Rentrak may purchase a six-year "tail" prepaid policy on the D&O Policy on terms and conditions no less advantageous than the D&O Policy, and in the event that comScore shall purchase such a "tail" policy prior to the Effective Time, the Surviving Corporation shall, and comScore shall cause the Surviving Corporation to, maintain such "tail" policy in full force and effect and continue to honor their respective obligations thereunder in lieu of all other obligations of comScore and the Surviving Corporation under this Section 7.8(b) for so long as such "tail" policy shall be maintained in full force and effect.

(c) The obligations under this Section 7.8 shall not be terminated, amended or otherwise modified in such a manner as to adversely affect any Indemnified Party (or any other person who is a beneficiary under the D&O Policy or the "tail" policy referred to in Section 7.8(b) (and their heirs and representatives)) without the prior written consent of such affected Indemnified Party or other person who is a beneficiary under the D&O Policy or the "tail" policy referred to in Section 7.8(b) (and their heirs and representatives). Each of the Indemnified Parties or other persons who are beneficiaries under the D&O Policy or the "tail" policy referred to in Section 7.8(b) (and their heirs and representatives) are intended to be third party beneficiaries of this Section 7.8, with full rights of enforcement as if a party thereto. The rights of the Indemnified Parties (and other persons who are beneficiaries under the D&O Policy or the "tail" policy referred to in Section 7.8(b) (and their heirs and representatives)) under this Section 7.8 shall be in addition to, and not in substitution for, any other rights that such persons may have under the certificate or articles of incorporation, bylaws or other equivalent organizational documents, any and all indemnification agreements of or entered into by Rentrak or any of its Subsidiaries, or applicable Legal Requirement (whether at law or in equity).

(d) In the event that comScore, the Surviving Corporation or any of their Subsidiaries (or any of their respective successors or assigns) shall consolidate or merge with any other person and shall not be the continuing or surviving corporation or entity in such consolidation or merger, or transfers at least fifty percent (50%) of its properties and assets to any other person, then in each case proper provision shall be made so that the continuing or surviving corporation or entity (or its successors or assigns, if applicable), or transferee of such assets, as the case may be, shall assume the obligations set forth in this Section 7.8.

10.9 Severability.

If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any Legal Requirement, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to any party. FORM OF COMSCORE SUPPORT AGREEMENT

A-91

September 29, 2015

The Board of Directors
comScore, Inc.
11950 Democracy Drive, Suite 600
Reston, VA 20190

Members of the Board of Directors:

You have requested our opinion as to the fairness, from a financial point of view, to comScore, Inc. (the "Company") of the Exchange Ratio (as defined below) in the proposed merger (the "Transaction") of a wholly-owned subsidiary of the Company with Rentrak Corporation (the "Merger Partner"). Pursuant to the agreement and plan of merger and reorganization, dated as of September 29, 2015 (the "Agreement"), among the Company, Rum Acquisition Corporation ("Merger Sub") and the Merger Partner, the Merger Partner will become a wholly-owned subsidiary of the Company, and each outstanding share of common stock, par value \$0.001 per share, of the Merger Partner (the "Merger Partner Common Stock"), other than shares of Merger Partner Common Stock owned by the Company, the Merger Partner, Merger Sub or any direct or indirect wholly-owned subsidiary of the Company, the Merger Partner or Merger Sub, will be converted into the right to receive 1.1500 shares (the "Exchange Ratio") of the Company's common stock, par value \$0.001 per share (the "Company Common Stock").

In connection with preparing our opinion, we have (i) reviewed the Agreement; (ii) reviewed certain publicly available business and financial information concerning the Merger Partner and the Company and the industries in which they operate; (iii) compared the proposed financial terms of the Transaction with the publicly available financial terms of certain transactions involving companies we deemed relevant and the consideration received for such companies; (iv) compared the financial and operating performance of the Merger Partner and the Company with publicly available information concerning certain other companies we deemed relevant and reviewed the current and historical market prices of the Merger Partner Common Stock and the Company Common Stock and certain publicly traded securities of such other companies; (v) reviewed certain internal financial analyses and forecasts prepared by or at the direction of the managements of the Merger Partner and the Company relating to their respective businesses, as well as the estimated amount and timing of the cost savings and related expenses and synergies expected to result from the Transaction (the "Synergies"); and (vi) performed such other financial studies and analyses and considered such other information as we deemed appropriate for the purposes of this opinion.

In addition, we have held discussions with certain members of the management of the Merger Partner and the Company with respect to certain aspects of the Transaction, and the past and current business operations of the Merger Partner and the Company, the financial condition and future prospects and operations of the Merger Partner and the Company, the effects of the Transaction on the financial condition and future prospects of the Company, and certain other matters we believed necessary or appropriate to our inquiry.

In giving our opinion, we have relied upon and assumed the accuracy and completeness of all information that was publicly available or was furnished to or discussed with us by the Merger Partner and the Company or otherwise reviewed by or for us, and we have not independently verified (nor have we assumed responsibility or liability for independently verifying) any such information or its accuracy or completeness. We have not conducted or been provided with any valuation or appraisal of any assets or liabilities, nor have we evaluated the solvency of the Merger Partner or the Company under any state or federal laws relating to bankruptcy, insolvency or similar matters. In relying on financial analyses and forecasts provided to us or derived therefrom, including the Synergies, we have assumed that they have been reasonably prepared based on assumptions reflecting the best currently available estimates and judgments by management as to the expected future results of operations and financial condition of the Merger Partner and the Company to which such analyses or forecasts relate. We express no view as to such analyses or forecasts (including the Synergies) or the assumptions on which they were based. We have also assumed that the Transaction and the other transactions contemplated by the Agreement will qualify as a tax-free reorganization for United States federal income tax purposes, and will be

consummated as described in the Agreement. We have also assumed that the representations and warranties made by the Company, Merger Sub and the Merger Partner in the Agreement and the related agreements are and will be true and correct in all respects material to our analysis. We are not legal, regulatory or tax experts and have relied on the assessments made by advisors to the Company with respect to such issues. We have further assumed that all material governmental, regulatory or other consents and approvals necessary for the consummation of the Transaction will be obtained without any adverse effect on the Merger Partner or the Company or on the contemplated benefits of the Transaction.

Our opinion is necessarily based on economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. It should be understood that subsequent developments may affect this opinion and that we do not have any obligation to update, revise, or reaffirm this opinion. Our opinion is limited to the fairness, from a financial point of view, to the Company of the Exchange Ratio in the proposed Transaction and we express no opinion as to the fairness of the Exchange Ratio to the holders of any class of securities, creditors or other constituencies of the Company or as to the underlying decision by the Company to engage in the Transaction. Furthermore, we express no opinion with respect to the amount or nature of any compensation to any officers, directors, or employees of any party to the Transaction, or any class of such persons relative to the Exchange Ratio in the Transaction or with respect to the fairness of any such compensation. We are expressing no opinion herein as to the price at which the Merger Partner Common Stock or the Company Common Stock will trade at any future time.

We have acted as financial advisor to the Company with respect to the proposed Transaction and will receive a fee from the Company for our services, a substantial portion of which will become payable only if the proposed Transaction is consummated. In addition, the Company has agreed to indemnify us for certain liabilities arising out of our engagement. Please be advised that during the two years preceding the date of this letter, neither we nor our affiliates have had any other material financial advisory or other material commercial or investment banking relationships with the Merger Partner. During the two years preceding the date of this letter, we and our affiliates have had commercial or investment banking relationships with the Company for which we and such affiliates have received customary compensation. Such services during such period have included acting as financial advisor to the Company with respect to its strategic alliance with WPP plc's data investment management division, Kantar, in April, 2015. In the ordinary course of our businesses, we and our affiliates may actively trade the debt and equity securities of the Company or the Merger Partner for our own account or for the accounts of customers and, accordingly, we may at any time hold long or short positions in such securities.

On the basis of and subject to the foregoing, it is our opinion as of the date hereof that the Exchange Ratio in the proposed Transaction is fair, from a financial point of view, to the Company.

This letter is provided to the Board of Directors of the Company (in its capacity as such) in connection with and for the purposes of its evaluation of the Transaction. This opinion does not constitute a recommendation to any shareholder of the Company as to how such shareholder should vote with respect to the Transaction or any other matter. We have acted as financial advisor to the Company in connection with, and have participated in certain of the negotiations leading to, the Transaction. We also have provided certain financial advisory and/or underwriting services to WPP and/or its affiliates from time to time for which our Investment Banking Division has received, and may receive, compensation, including having acted as financial advisor to WPP in its acquisition of a stake in comScore in February 2015; as a bookrunner with respect to WPP’s issuance of 3.750% Senior Secured Notes due 2024 (aggregate principal amount \$750,000,000) in September 2014; as a bookrunner with respect to WPP’s issuance of 3.000% Senior Unsecured Notes due 2023 (aggregate principal amount €750,000,000) in November 2013; and as a bookrunner with respect to WPP’s issuance of 5.625% Senior Secured Notes due 2043 (aggregate principal amount \$500,000,000) in November 2013. We may also in the future provide financial advisory and/or underwriting services to the Company, comScore, WPP and their respective affiliates for which our Investment Banking Division may receive compensation.

Our opinion is necessarily based on economic, monetary, market and other conditions as in effect on, and the information made available to us as of, the date hereof and we assume no responsibility for updating, revising or reaffirming this opinion based on circumstances, developments or events
